SRI SYED ALTAF HYDER RAZVI :-- Sir, the Hon’ble Minister for Minorities has provided the information as regards the students in the pre-matric hostels which are already been opened. Out of the proposed 12 pre-matric hostels, there are 10 hostels working now and the 2 are yet to be opened, and nothing has been mentioned about the post matric hostels. About the strength – strength has been given but the actual figures, where the students have been admitted in various hostels throughout the state, out of 12 hostels, in 10 hostels, the intake is 39% only. That means that not many students are taken admissions. In this regard I would like to ask the Hon’ble Minister for Minorities through you what are the reasons that the students are not coming to the hostels, is because of lack of infrastructure, lack of facilities provided to the students there. One more important thing is, according to my information, the students are asked to cook the food for themselves. An amount of Rs.500/- has been provided as mess charges. I would like to request the Hon’ble Minister if you can appoint a cook, the students will not waste their time and concentrate their time only on studies. Sir, one more thing is when these post matric hostels are opened, what will be the intake of the hostels and where these hostels are opened.
SRI SYED ALTAF HYDER RAZVI: The Districts which are mentioned are largely Urdu speaking areas. If the students do not come to the hostels, there is something wrong. What are the reasons? Has the Department tried to find out the reasons? How many buildings are under construction now? Out of them, how many are Government buildings?

Q. No. 190 B

MR.CHAIRMAN:- Next question 190-B (14-ään) Mr.Razwi is not there. Answer is on the table. It is deemed to have been answered.

Sri Syed Altaf Hyder Razvi
Will the Minister for Municipal Administration and Urban Development be pleased to state:

a) Whether it is a fact that the State Government is contemplating to start the Metro Rail Project in the Twin Cities of Hyderabad and Secunderabad:

b) Whether it is also a fact that the Government called tenders in this regard:

c) If so, the amount estimated for the same and the time by which it will be taken up; and

d) The funds allotted by Central Government and the matching grant of State Government and others?

MINISTER FOR MUNICIPAL ADMINISTRATION AND URBAN DEVELOPMENT (SRI KONERU RANGTA RAO)

a) Yes Sir.

b) Yes Sir. Based on Global Expression of Interest-cum-Request for Qualification, 5 consortia of national and international companies got pre-qualified to bid for the project. The Technical Bids submitted by all the 5 consortia have also been found to be in order and they are eligible for participating in the Financial Bids. We are awaiting finalization of the model Concession Agreement(MCA) by Planning Commission. so as to call for Financial Bids.

c) The estimated cost of the project is Rs.8,482 crores, to develop the Metro rail in over 66 Kms. on 3 very busy traffic corridors. The project is expected to be completed in 4 years.

d) Out of the total project cost of Rs.8,482 crores, the expected viability gap is about Rs.3,393 crores. As per the viability Gap funding (VGF) Scheme of Government of India, a maximum of 40% of the project cost is eligible to be given as grant and half of this grant i.e., 20% of the project cost will be given by Government of India, under VGF scheme. However, on the request of Government of Andhra Pradesh, an additional 10% of the project cost is likely to be released under JNNURM Scheme and the matter is presently under active consideration of Government of India. The remaining 10% of the project cost (i.e., the remaining Grant Portion) will be borne by the State Government and the balance 60% of the project cost will be borne by the BOT developer. The BOT developer will have a Concession Period of 35 years for both constructing and running the system.

MR.CHAIRMAN: Now, Tea-Break for 10 minutes.

In order to prevent possible smuggling, Government have taken number of steps including sanctioning of 6484 posts under different categories in Forest Department of which 5347 uniformed staff are working in various divisions. Out of 1137 vacancies, Government have accorded permission to fill up 679 posts of Forest Range Officers, Forest Section Officers, Forest Beat Officers and Assistant Beat Officers. Already 93 posts of FSOLs, FBOs & ABOs have been filled up and the remaining vacancies will be filled up shortly. Government will take a suitable decision to increase the staff to safeguard the national wealth.

MR. CHAIRMAN: The other matter U/r as APGLI 311 has been postponed at the request of all the Members. Now, Bill No 4 will be taken up.

SRI R. DAMODAR REDDY: Sir, with your permission, I beg to move:

“That the Rajiv Gandhi University of Knowledge Technologies Bill, 2008 (LA Bill No.4 of 2008) be taken into Consideration.”
MR. CHAIRMAN : Motion moved. Now, the Minister will explain the salient features of the bill.

26th March, 2008

Sir,

The bill seeks to make certain amendments in the organization, functions and powers of the University of Mysore. The amendments are necessitated due to the following reasons:

1. The existing framework of the University is inadequate to meet the needs of the fast-changing higher education landscape.
2. The infrastructure of the University needs modernization to provide quality education.
3. The existing regulations and statutes are outdated and need to be updated to align with contemporary educational practices.

The proposed amendments will enhance the efficiency and effectiveness of the University, making it more responsive to the needs of students and the society.

Yours faithfully,

Emerging Technologies & training

The University will have linkages with business centres so that the students could be employed anywhere after completing their respective courses, because the technologies which have been listed are emerging technologies. Nano-technology, information-technology, solar energy technology etc., these are emerging technologies.
Sir, another important thing about this bill is, there is minimal of Governmental interference. The university would be administered by a Governing Council, headed by the Vice Chancellor which would look after appointments, transfers and other day-to-day affairs. Even the Director which is in charge is not appointed by the Government. It is being looked after by the Committee appointed by the Vice Chancellor. So, the University will act as an independent institution. Moreover, a hundred crores of rupees has been allotted by the Government in the Budget for the development of this University.

Sir, this is model bill and I would complement the Government for bringing in this bill. Sir, I extend my full support to this bill.

Sir, I thank you for giving me this opportunity.
