MR. CHAIRMAN: Mr. Mohan Reddy, let us come to the subject.

SRI B CHANGAL RAYUDU: It is a word of appreciation and exemplifies that how an economically backward student earned such crores of money. It is only comparative study. It is only comparative study. 1999 & 2000: 52, 69. 2000 & 2001: 63, 80. 72 of the students. It is only comparative study. It is only comparative study. 39&72 of the students. It is only comparative study. 84, 97. 123.65. 206.98. 343.56. 858. It is only comparative study. It is only comparative study.

Equality through reservations.
SRI JUPUDI PRABHAKAR RAO –Sir, with all the inequalities in the Society, now we are debating what the previous Government did and the present Government is doing but as the elder Sri. Ch Ramaiah Garu said the social responsibility of the politicians and the Government both present and past.

I do not want to compare what the previous Government did and the present Government is doing but as the elder Sri. Ch Ramaiah Garu said the social responsibility of the politicians and the Government both present and past. I do not want to compare what the previous Government did and the present Government is doing but as the elder Sri. Ch Ramaiah Garu said the social responsibility of the politicians and the Government both present and past.
what is the budget allocation in the previous Government and the present Government? I want to stress upon here very systematically.

But there is a missing element which I don’t understand—Dr. Babasaheb Ambedkar photo is not there. The leaders who have come up from Vikarabad area, or the Government officials near the Vikarabad area how they missed to see the Photo of Dr.Babasaheb Ambedkar. If they miss, they missed the very philosophy of Dr.Ambedkar. Not only the photo, I have instructed the person who is running the college. With the liberlisation, globalisation and privatisation, this Government has taken steps.
It is amazing that these youngsters are now planning to become Engineers, Doctors or professional men in the society. They will not call it reservation but they call it affirmative policy. Hats off to the Government.
I explained very clearly about the A.P. Study Circle. I appeared for the I.A.S. and Group – I through A.P. Study Circle. I know, how it is running now.

I can tell you one thing very clearly and with authority.

Yes, he has taken it as a challenge. Yes, he has taken it as a challenge.

It is not correct. If you want real love and affection towards the society, towards the hostels, as a Representative, as a Bureaucrat, as a responsible person, and as a citizen of India.
This is happening. Let me express my feelings my dear friends. Don't disturb me, it is not correct.

MR.CHAIRMAN: I will go through the records.

(*) Expunged as ordered by the Chair.

Yes, Yes, No clarification is required here.

Let me explain the thing. Here are the facts. Here are the facts, but these are the facts. Here are the facts. Here are the facts. Here are the facts. Here are the facts. Here are the facts. Here are the facts. Here are the facts.
