MADAM SPEAKER: Let me read out. There is an adjournment motion given notice of by Dr.Y.S.Rajasekhara Reddy and others regarding seven Congress workers brutally hacked to death on Saturday the 10th March,2001 and equal number seriously injured by Telugu Desam activists near Durgi Police Station, Guntur District and law and order situation in the State deteriorated.

There is another adjournment motion given notice of by Sri N.Indrasena Reddy regarding destruction of public properties on 9.3.2001 in a particular part of City deliberately with baseless reasons by some religious fundamentalist institutions thereby terrorising the people of the Old City.

There is also another adjournment motion given notice of by Sri N.Narsimhulu and another regarding brutal murder of seven Congress workers in Palnadu area of Guntur district and injuring several Congress workers by TDP miscreants thereby deteriorating law and order situation in the State due to factionism.

There is also another adjournment motion given notice of by Sri Asaduddin Owaisi regarding murder of seven Congress activists at Macherla, thereby causing a grave law and order problem.

All the adjournment motions are disallowed.

(Interruption)

SRI N.INDRASENA REDDY: What about Old City?..
MADAM SPEAKER: Yes, I will let you know. Let the Question Hour be over.

MINISTER FOR FOOD AND CIVIL SUPPLIES (Dr. N. JANARDHAN REDDY):

(a) whether it is a fact that ration cards are not being issued in twin cities for the families who separated from joint families, and

b) if so, when such cases will be considered?

MINISTER FOR FOOD AND CIVIL SUPPLIES (Dr. N. JANARDHAN REDDY):

a) Yes, Sir.

b) After completing thorough verification of Multi Purpose Household Supply Data (MPHS), the issue of new ration cards will be taken up in twin cities.
SRI N. JANARDHAN REDDY: This is in relation to the issue of ration cards to the families which are divided. There are 25000 applications for the issue of new ration cards in the twin cities. We are examining that. After completion of multi-purpose household survey, we will examine and we will try to give ration cards.

SRI ASADUDDIN OWAISI: Madam Speaker, through you I would like to know one thing from the Hon'be Minister. As it is pink cards have no value because recently Central Government has stopped giving sugar on pink cards. Will the Hon'ble Minister be kind enough to say as to when the household survey will be completed. Can he give any time-frame? Is it one month or two months or three months?

Secondly, 15th January was the last date for taking of rice coupons. People have not taken the coupons for white cards. They have not been given kerosene. Will the Hon'ble Minister be kind enough to extend time limit? In twin cities in each Circle about 10% to 15% people have not taken coupons for rice. The Civil Supplies Department is not giving them kerosene and other things.
Thirdly, there was a Cabinet Sub-Committee formed on this matter. What are the recommendations of the Cabinet Sub-Committee? Will the Hon'ble Minister be kind enough to place the recommendations of the report of the said Committee on the Table of the House?

8.40

Dr. N. JANARDHAN REDDY: Madam Speaker, Mr. Asaduddin Owaisi asked about the supply of sugar on pink cards. Actually there was 28000 MT of sugar allotted by the Government of India. Now it is reduced to only 9000 MT. We are only giving one kilogram for each of the white card. We have withdrawn sugar for pink card holders and others.
About the coupons, we have given three months’ time to get the coupons on white cards. If any such person did not get them, let them apply to MROs or even to AROs. We will see that they are given. We will consider it. It is only related to Twin Cities.

About kerosene, we are giving kerosene. We have issued separate coupons for kerosene. There is no problem.

SRI ASADUDDIN OWAISI: Madam Speaker, through you I would like to ask the Hon’ble Minister whether he can give us any specific time limit as to when the multi-purpose household survey will be completed. What are the guidelines framed by the Government regarding changing of white cards to pink cards? The officials are doing whatever they want to do. They are going to the houses and asking the people whether they have colour T.V. or washing machine. Based on that they are changing the cards. What are the guidelines issued by the Government for this?

S/Sri Challa Ramakrishna Reddy (Koilkuntla), K.R.Suresh Reddy (Balkonda), P. Shankar Rao (shadnagar) and Indrakaran Reddy (Nirmal): Will the Minister for Medical, Health and Family Welfare be pleased to state:

2) whether the Government will conduct a special drive to identify HIV infected patients; and

3) the nature of steps being taken by the Government to prevent the dreadful disease of AIDS which has no cure but prevention?

MINISTER FOR HEALTH, MEDICAL & FAMILY WELFARE (Dr. S. ARUNA):

1) No Sir. All attempt are being made to create awareness.

f) 28 STD clinics are functioning in the State for treating Sexually Transmitted Diseases.

SRI K.R.SURESH REDDY: Madam Speaker, AIDS is as we are all aware, the most dreaded disease. What I would like to know from the Hon'ble Minister is whether it is a fact that Andhra Pradesh is the second highest AIDS reported State in our country. If so, what are the steps the Government is taking to control and contain it. How many cases are identified by the Government so far? What is the amount of grant which the State Government received from the Government of India and other NGOs for the last financial year and the amount spent so far to control the disease? Whether it is also a fact that most of the people who are leaving this country for job opportunities in Gulf and other developing countries are not aware of this disease? If so, is there any counselling for people leaving the country and is there a system to test the people who are coming from abroad into our country. Whether there is any free treatment for the AIDS patients identified?

MRS. ARUNA: I don't have any objection.

SRI ASADUDDIN OWAISI: Madam Speaker, I take this opportunity in congratulating Mr. Gopichand for winning "All England Badminton Championship". After Prakash Padukone, he is the second Indian to win the title after twenty-one long years. He has not only defeated the world number one from Denmark but also defeated the Olympic Champion. He has made the whole country proud. I also wish to congratulate his coach Mr. S.M. Arif.

The Hon'ble Chief Minister has just now announced the steps which the State Government is going to take to promote the sports in the State. Through you, I would like to remind him that throughout the world and also in South Asia, the Hyderabad is known for its Football game. Now, what is the fate of Football game in our city? Our State has produced highest number of champions as far as our country is concerned. I request the Chief Minister to kindly look into it.

Secondly, National Games are going to be held in Hyderabad in about two years time. In this regard, a meeting is also being held. I want to know from the Hon'ble Chief Minister, as to what steps is he going to take to ensure proper infrastructure. The Government is going to construct three stadia in the new city. What is the share of Old City? The Government is going to construct an Indoor Stadium at Madapur. Why don't they promote sports in the Old City? We have to give the people living in the Old City a direction and the purpose of living but that is not being done.

What is the status of Cricket in our State now? Irregularities are going on in the Hyderabad Cricket Association. It is a controversy. I request the Hon'ble Chief Minister to order for an enquiry. The Hyderabad Cricket Association does not have stadium. The Hon'ble Minister for Sports is present here. He has announced that the Fatemaidan Lalbahadur Stadium will be given to the Hyderabad Cricket Association and in turn the authorities will take over the Zymkhana Grounds. What has happened to that proposal? I request the Hon'ble Chief Minister to look into it.

Ms. Karanam Malleshwari has won the medal because of her own hard work. Where is she living? She is living in Haryana. Mr. Gopichand received training from Prakash Padukone Training Institute, Karnataka. Both of them belong to Andhra Pradesh and they have enhanced the prestige of
our country. The Government cannot take credit for this. In the beginning, let them create infrastructure then they can take credit. These people have won because of their own efforts.

(Interruptions from treasury benches)

Don’t get excited. My request to the Government is that kindly create infrastructure as the Hockey Stadium has their own infrastructure viz., Astro Turf. Infrastructure needs to be created for the forthcoming National Games. I also request the Government to allot atleast one Stadium in the Old city and we will show that we can also produce world-class players from our Old city. Further, I also request the Hon’ble Chief Minister to order for an enquiry to elicit about the irregularities taking place in the Hyderabad Cricket Association. Kindly, look into all these issues.
he (Gopichand) will become world number one
SRI D. NAGENDER: I am not talking about our Committee. I am talking about MLAs kits. Since I am also a sports-man & female kits, 50 kits of sports-men & female kits were distributed. But we have decided we will promote number of sports-men and women. Since I am also a sports-man & female kits, male & female kits will be distributed in different levels. The kits will be distributed in a similar manner. The kits will be distributed in a similar manner. The kits will be distributed in a similar manner.

SRI ASADUDDIN OWAISI: Sir, my Party condemns the killing of seven Congress activists, which took place at Macherla, Guntur district. This Government has formed a Cabinet Sub-Committee to deal with faction feuds. The Cabinet Sub-Committee, in their report, made some recommendations and to meet those ends this Government created an IGP exclusively for Rayalaseema. But, faction killings continue unabatedly and there is no stoppage for that. Between 1990 and 2000 some 414 people were killed in faction feuds and the Government is unable to control all these things. I want to quote certain figures. In March, 1995 eight Congress workers were killed by the TDP workers in Anantapur district when they were travelling in a Zeep. The Zeep was exploded because of a land mine put there. Eight Congress men were killed by bombs in October, 1998 in Kurnool district. Again, on 11th April, 2000 seven Congress workers were murdered in Cuddapah district. We had faction killings in Hyderabad. On 25th November, 2000 some 25 innocent people lost their lives and more than 45 people were injured in the incident.

Sir, our Party totally condemns these faction killings wherever they take place and whether they belong to Congress or TDP. There should be an end to it. I want to know from the Hon'ble Home Minister...

SRI ASADUDDIN OWAISI: Sir, these faction killings also spread to the adjoining districts of Guntur and Prakasam in the Coastal Andhra. I want the Government to be very firm on this. You immediately ensure that the culprits are brought to book because we cannot continue with this sort of activities. The people who belong to various factions are creating havoc in Hyderabad. You take the examples of Jubilee Hills, Banjara Hills and Srinagar Colony. Who are these people? These are the same people who are killing people in Rayalaseema, Guntur and Prakasam districts and coming to Hyderabad with bombs and weapons in their cars. What are the Police doing? There are various examples in Jubilee Hills. From 1976 the innocent people who have owned their land cannot build their houses on their land there. They are creating legal disputes. Their goondas are going and staying on their lands. I want the Government to take action on these people. There should be an end to the activities of these people.

In the last few months 150 gun licences were issued to the TDP men. What are the grounds or reasons for issuing gun licences? There should be a policy for issuing gun licences. As the Hon'ble Member has just said that if there is a threat perception to any Members whether belonging to Congress or TDP or BJP or MIM you immediately take a note and ensure that those Members are given proper protection.

What I request the Government through you is that you order CBI enquiry and let facts come out because aspersions were cast on the integrity of this Government. It is a clear-cut fact that the people who have committed the seven murders belong to the ruling party. Therefore, let the enquiry be done by CBI. You immediately suspend the concerned C.I and let the facts come out because the Chief Minister has also condemned these killings. He has suspended one MLA’s son. You are following all these things. You are a ruling party and if the enquiry is done by CB.,CID the enquiry officer works under you and your political commands and wishes will come in the process. So, the principles of natural justice demand that there is need for CBI enquiry. You suspend the concerned C.I and if the enquiry proves that he is not involved - fine - no problem and you can reinstate him. This is the demand of our Party, Sir.

**SRI CHIKKALA RAMACHANDRA RAO:** Sir, I beg to move:

"That the Andhra Pradesh Co-operative Societies (Amendment) Bill, 2001 be taken into consideration."

MR. DEPUTY SPEAKER: Motion moved.

Now discussion on the Bill.
As long as assets are not transferred, it is stated that sub-section (3) shall be omitted.

The words 'to transfer its assets or its assets and liabilities, in whole or part' are being substituted in place of the words 'to transfer its assets and liabilities'.

So that we will be able to save the time of the House.
This concept has been outdated.
In place of the words, "to transfer its assets and liabilities", the words, "to transfer its assets or its assets and liabilities, in whole or part" shall be substituted.

The very concept of the co-operative movement is each for all and all for each.

2. 2001, కేలాయం ప్రాంతం ఆమేషకాలం (అంధ్రప్రదేశ్ నిర్ధారం) బిల్ (ముఖ్య. బిల్ 7/2001)

SRI T. DEVENDER GOUD: Sir, I beg to move:

"That the Code of Criminal Procedure (Andhra Pradesh Amendment) Bill, 2001 be taken into consideration."

(Pause)

MR. DEPUTY SPEAKER: Motion moved.

SRI T. DEVENDER GOUD: I request Dr. Mysoora Reddy to withdraw the Resolution.

MR. DEPUTY SPEAKER: Not now. After discussion, he may be requested. Now discussion on the Bill.

SRI P. ASHOK GAJAPATHI RAJU: Sir, generally both Statutory Resolution and the discussion on the Bill will be taken up jointly. There is a reason for it. Now, if it is not taken jointly, it generates some complications, because what he is saying is going on record.
MR. DEPUTY SPEAKER: Both are being taken up jointly.

The amendment says, "either in person or through the medium of electronic video linkage"
No Magistrate shall authorise detention in any custody under this section unless the accused is produced before him. That is what the Section says. We are not altering any single word. ‘No Magistrate shall authorise detention in any custody under this section unless the accused is produced before him’ will continue as it is either in the prison or through the media of electronic linkage. This is the only amendment we are bringing. All media linkage in prison as it is

Section 167 applies only to the persons who are in remand. For those who are in judicial custody or those who are not in judicial custody or those who are on bail this does not apply to them.

Section 167 applies only to the persons who are in remand. For those who are in judicial custody or those who are not in judicial custody or those who are on bail this does not apply to them.
SRI ASADUDDIN OWAISI: Mr. Deputy Speaker, Sir, this bill deals with amendments to sub-section 2(b) of Section 167 of the Cr.P.C. I stand to speak against the amendment for the simple reason that what is the ethos behind Section 167 and Section 309 of Cr.P.C. The reason behind is that the accused can go to the Court. If he has got any grievance he can bring it to the notice of the Magistrate and he can consult his lawyer. At the same time, the accused will be in free environment to decide what should be the next course of legal process. Whereas now, by amending the Section 167 of the Cr.P.C linking it to electronic vedio that thing of a free environment will not be there. What I would like to know from the Hon’ble Home Minister is that what is the difference between simple imprisonment and rigorous imprisonment. That you have to understand. There is difference among a person who is convicted for simple imprisonment, under-trial and a person who is convicted for rigorous imprisonment. Tomorrow, if the accused is harassed and any unlawful thing takes place against the accused in the jail what guarantees are there and what steps are there for the accused to bring to the notice of the Court? If an under-trial is put under pressure can he bring that to the notice of the Magistrate? By having vedio linkage in the court the accused will be under pressure and he cannot say anything against the jail authorities. He will have to abide by whatever pressure applied on him. Therefore, I am against the technology of vedio linkage. You have to see that merely because technology is there you cannot use it. You have to look into the principles of law and other relate things. The Government contention that they do not have the facility of escort is not correct and logical one. They can utilize the service of the C.R.P.F as escort. What are they doing? They are merely
eating and sleeping in the quarters. What is your A.P.S.P doing? You can utilize them also. Your amendment is there. Okay. It is not unconstitutional. But, it is against the principles of natural justice. You can ask the C.R.P.F or A.P.S.P to provide escort service. By saying that because this facility is there it can be rightly used is a wrong thing. In exceptional circumstances - for eg., you have curfew in the City and law and order problem is there in the City or dharna is going on in the City then, this facility can be used but not under normal circumstances. What I perceive or rather fear is that by applying the present methodology thereby denying the accused his rightful right to present his case or to meet lawyer in free environment will be curbed. That is why, I am against the amendment.

What cost we are going to bear?

Justice delayed is justice denied. It is a constitutional right.

It is an additional facility. It is a very cheap technology.

Even High Court can use it. Court can use it. The system is such a good one and such a beautiful one-

Anything cross-verification.
Everybody is following it. We are getting lot of enquiries. We wanted to introduce that system today, it will continue. This is only an additional facility. I am repeating this. It is only an additional facility. We are not barring it. As it is whatever facility is available in prison coming forward in private sector. We are not barring it. Wherever you want to go and whichever jail is nearer, you please tell me. We are not barring it. We are introducing that system.

I am very proud to introduce this system for the first time in the entire country. Everybody is following it. It is only an additional facility. I am repeating this. It is only an additional facility for the judiciary as well as the accused. We are not barring it. As it is whatever facility is available in prison coming forward in private sector. We are not barring it. Wherever you want to go and whichever jail is nearer, you please tell me. We are not barring it. We are introducing that system.

I am very proud to introduce this system for the first time in the entire country. Kindly approve this one. Wherever you want to see, wherever you want to go and whichever jail is nearer, you please tell me.
The Minister is noting down the points and he will satisfy every Member.

Mr. N.1. Narayana Reddy: "Procedure without investigation cannot be completed in twenty four hours." Whenever any person is arrested and detained in custody, and it appears that the investigation cannot be completed within a period of twenty four hours fixed by Section 57, and there are grounds for believing that the accusation or information is well-founded, the Officer incharge of the police station or the police officer making the investigation if he is not below the rank of Sub Inspector shall forthwith transmit to the nearest judicial Magistrate a copy of the entries in the diary hereinafter prescribed relating to the case, and shall at the same time forward the accused to such Magistrate."

The Magistrate to whom the accused person is forwarded under this section may, whether he has or has not jurisdiction to try the case, from time to time authorise the detention of the
accused in such custody as such Magistrate thinks fit, for a term not exceeding fifteen days in the whole."

I am asking as to why the framers have introduced the Section 167 (2) (b)? Let him explain. This Section is a very good Section.

DR.M.V.MYSOORA REDDY: When you are bringing a legislation for an amendment, you must explain for what purpose the framers have put that sub section?

SRI T.DEVENDER GOUD: I am not disputing. At any cost, I am not interfering into the Section. This Section is laudable.
It is only a facility that we are creating. One more instrument we are giving to them.

We are not at all interfering in the section at all. We are not at all interfering into the section. Video linkage has nothing to do with the debate or the merits of the debate. But every thing has to be in accordance with the rules.

I draw your attention to page 923 of Kaul and Shakdhar. " No Member can speak more than once on any motion even if he had a new amendment to move or the time allotted for the debate has been extended, unless specifically provided for in the rules or permitted by the Chair."

A second speech by a Member, allowed through over-sight has to be expunged from the debates."

Let the Law Minister explain as to why the section was introduced.

SRI P.ASHOK GAJAPATHI RAJU: Sir, through you, I want to make a submission. My submission does not have any thing to do with the debate or the merits of the debate. But every thing has to be in accordance with the rules.

Let the Law Minister explain as to why the section was introduced.
I am putting a question to you. What is the purpose of this amendment? Are we not putting the accused on trial? Then I will agree.

SRI T.JEELVAN REDDY: The amendment means.

MR.DEPUTY SPEAKER: He has made it very clear. The section is not being altered. An additional facility is being provided.

SRI T.JEELVAN REDDY: Additional facility to whom?

we are saving the accused from the insult.
It is nothing but providing facilities to the accused. That information I have. The information I have is that it is nothing but providing facilities to the accused. That is a facility. So, this is a facility. That is a facility. They are so happy. They are so happy. He will be produced before the Magistrate. He will be produced before the Magistrate. It says, 'A Bill further to amend the Code of Criminal Procedure, 1973 in its application to the State of Andhra Pradesh' says, 'A Bill further to amend the Code of Criminal Procedure, 1973 in its application to the State of Andhra Pradesh'.

SRI ASADUDDIN OWAISI: There is a difference between simple imprisonment and rigorous imprisonment. There is a difference between the two.

SRI T. DEVENDER GOUD: We are not going into depth at all. If the judiciary wants, it can use that facility. He will be produced before the Magistrate. There is no other option. Definitely he will be produced before the Magistrate. It is very clear.

Adding itself is a small amendment. It says, 'either in person or through the medium of electronic video linkage'.
we cannot use the Computer anymore. The Minister is saying that he is using the latest technology. My suggestion is that he could establish a small court in the Jail itself.

Then we had to bring amendment. "Using with Computer" only adding one sentence viz., either in person or through the medium of electronic video linkage. He went on record. It is not a discrimination. It is a facility for the Court. It is a facility for the accused.

SRI ASADUDDIN OWAISI: The Minister is saying that he is using the latest technology. My suggestion is that he could establish a small court in the Jail itself.
We are not going to insist. Who am I to insist the Court to use this facility? It is only the facility provided to the Court. It is for the Magistrate to utilise the facility.

MR. DEPUTY SPEAKER: The question is:

"That this House dis-approves the Andhra Pradesh Co-operative Societies (Amendment) Ordinance, 2000 (A.P. Ordinance No. 13 of 2000) promulgated by the Governor on 22nd November, 2000."

(Pause)

The motion was negatived and the resolution was lost.

MR. DEPUTY SPEAKER: The question is:

"That the Code of Criminal Procedure (Andhra Pradesh Amendment) Bill, 2001 be taken into consideration."

(Pause)

The Motion was adopted and the Bill was considered.

CLAUSES

MR. DEPUTY SPEAKER: I shall now put the clauses to vote. There are no amendments to Clauses 2 and 3, Clause 1 - Enacting Formula and Long Title and they are before the House.

The question is:

"That Clauses 2 and 3, Clause 1 - Enacting Formula and Long Title do stand part of the Bill."

(Pause)

The Motion was adopted and Clauses 2 and 3, Clause 1 Enacting Formula and Long Title were added to the Bill.

MR. DEPUTY SPEAKER: I shall now request the Minister for Home to move the Motion for passing the Bill.

SRI T. DEVENDER GOUD: Sir, I beg to move:

"That the Code of Criminal Procedure (Andhra Pradesh Amendment) Bill, 2001 be passed.

MR. DEPUTY SPEAKER: Motion moved.

The question is:

"That the Code of Criminal Procedure (Andhra Pradesh Amendment) Bill, 2001 be passed."

The Motion was adopted and the Bill was passed.

MR. DEPUTY SPEAKER: Now, the Minister for Home will move the Motion for taking into consideration the Andhra Pradesh Borstal Schools (Amendment) Bill, 2001 (L.A.Bill No. 8 of 2001).

SRI T. DEVENDER GOUD: Sir, I beg to move:

MR. DEPUTY SPEAKER: Motion moved.

Now discussion on the Bill.

The very name itself indicates that it is a Borstal School and not a Jail. This school is different from jail. In this school correctional and reformative things will be taught.

He must be treated on par with other criminals or other citizens who attained the majority.

SRI V. SOBHANADRESWARA RAO: Sir, actually when the Demands were moved two days back, one of the Honourable Members sought some clarifications which I would like to clarify now. In our Agricultural Demand, the amount proposed for agriculture is Rs.37562.96 crores. But it is corrected.

There is no culture without agriculture. Agriculture is our way of life.

안녕하세요. 오늘 14 명의 학생들이 이번 주일에 다시 학교에 가서 시간을 보내고 있습니다. 시간이 흐르면서 그들의 정서가 바뀌었습니다. 27 명의 학생들이 학교에 도착했을 때, 그들은 기쁨과 기대감을 가졌습니다. 

발표를 위해서는 앞에서 대회장을 비워두었던 학생들이 각자의 자리에 앉았습니다. 그들이 있는 자리마다 앉아 있었는데, 그들의 강의를 듣고 있으면서도 조금은 신경을 써야 했습니다. 

발표는 15분이었지만, 모든 학생들이 잘 있어서 시간이 빠르게 지나갔습니다. 그들을 모두 들려주고 싶었지만, 시간이 흐르면서 모든 학생들이 다른 자리로 재배치되었습니다. 

발표가 끝나고, 모든 학생들이 다시 자신의 자리로 돌아갔습니다. 그들은 모두 자신들의 어려움을 극복하고, 다른 학생들과의 관계를 맺는 데 성공했습니다.
