The cost of power purchase for IPPs is as per power purchase agreement under two part tariff fixation, with a fixed charge which is derived from the capital cost of the project.
SRI ASADUDDIN OWAISI (Charminar): Madam Speaker, I would like to know from the Hon'ble Minister as to what is the power that is being produced by all the IPPs., which we have in Andhra Pradesh. How many million units they are producing? In the reply, it was stated that the Government proposed to purchase 7337 MUs. of energy. Out of the above, how much energy is produced by them? What is the price to be paid if it exceeds 7337 MUs., of energy? And what is the tariff to be paid on the remaining electricity that the Government is not purchasing?

Secondly, what is there in the Annual Revenue Requirement? Let the Minister give a copy of it to us so that within two minutes we can tell all the questions.
Thirdly, there is a difference of Rs.138 crores between the power that is proposed to be purchased by the Government from Government of India public sector undertakings including Eastern region, Simhadri Power Project and IPPs. Why there is a huge difference? Let the Hon’ble Minister be specific in his reply.

SMT.R. SHOBHA(Madanapalli): Madam Speaker, I would like to know from the Hon’ble Minister for Energy as to how many IPPs., are there so far in our State.

Secondly, how many private sector IPPs., are awaiting power purchase agreements with the Government? And how many have been cleared so far?

Lastly, I would like to know the number of hydel power projects, thermal power projects and gas based power projects that are existing under IPPs.
what all we are asking is very simple.

SRI P. ASHOK GAJAPATHI RAJU: The whole purpose is to mislead the people. Is this correct? Is this civilised behaviour?

The Project cost was also revised downward to Rs.816 Crores. It would be observed from para 3(a)(3) above that the plant size of 400 MW capacity estimated at the cost of Rs.518 Crores in October, 1990 would now cost about Rs.816 Crores, downsizing to 216 MW.

Why can't we make standardisation in the country?
Depending upon the availability of the gas, the tariff will be fixed as per the orders of C.E.A. Because of limitations in gas availability, the capacity for G.V.K. Ltd., was decided for 216 MWs with PEC cost of Rs.816 crores. As per the original proposal, G.V.K. Ltd., has to set up 400 MWs, with PEC cost of Rs.400 crores. This is only a proforma estimate but not the price fixed by the competent authority like C.E.A.

The project cost was also revised downward to Rs.816.00 crores on 1993 rate of exchange. It would be observed from para 3(a)(iii) that the plant size of 400 MW capacity estimated to cost Rs.518.00 crores in October, 1990 would now cost about Rs.816.00 crores for a down-sized plant of 260 MWs.
It is totally not a Government concern. For example, 10 month pregnant women may have abnormal blood pressure during the 10th month, but it is not worrying about abnormal blood pressure. In addition, the government has proposed a new law, the 15th Amendment to the Constitution, which will affect the rights of women. The government has not been proactive in addressing the problem, but rather has ignored it. The government has been criticized for its inaction in addressing the issue. However, the government has stated that they are taking the issue seriously and will take appropriate action.

He used to take pride in saying "I never name"...
MADAM SPEAKER: Please co-operate with the Chair. Have you understood the rules of the House?

SRI Y. RAMAKRISHNUDU: I understand the rules of the House. I have just understood the rules. I request the Hon'ble Speaker to include the name of Sri N. Narasimhaiah in the suspended list. I, therefore, beg to move:

"That under Sub-Rule (2) of Rule 300 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly Sri N. Narasimhaiah be suspended from the service of the House for one day."

MADAM SPEAKER: Motion moved. The question is:

"That under Sub-Rule (2) of Rule 300 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly Sri N. Narasimhaiah be suspended from the service of the House for one day."

(Pause)

The motion was adopted and Sri N. Narasimhaiah was suspended from the service of the House for the rest of the day.

MADAM SPEAKER: Mr. Narasimhaiah, please leave the House.

(At this juncture Sri N. Narasimhaiah chose to sit on the Podium and the Marshals carried him out of the House.)
SRI P. ASHOK GAJAPATHI RAJU: What is this? I am on a Point of Order.

MADAM SPEAKER: What is your Point of Order?

SRI P. ASHOK GAJAPATHI RAJU: Madam Speaker, Mr. Y.S. Rajasekhara Reddy cast aspersions on the Chair and aspersions on this august House. This is a democratic institution.

(Interruptions)

This is a democratic institution. If he believes that the Chair should not be protected and abuses in every way it is incorrect. It is our duty to support the Chair and support the august House. This is democratic institution. It is for us to protect the procedure in this august House. This is the first time in my life as a Member of this House for 24 years standing that I have seen this type of resistance. Resistance to the Resolution of this House. This is ridiculous. They should be clearly told that just for the sake of publicity let them not sacrifice democratic institutions and more so, this august House. The sanctity of the democratic institutions should be maintained with paramount importance. There is a rule of law. We are all creatures of the Constitution of India. We have been established by the Constitution. We have to adhere to the Constitution, the Rules and the Parliamentary Practices. This is not the way that we have to behave. This tendency deserves to be condemned and condemned by all parliamentarians in no uncertain terms. I want a ruling from the Chair in this regard.

SRI ASADUDDIN OWAISI: Madam Speaker, already the people of Andhra Pradesh are crushed under the World Bank conditionalities and power tariff hike. In the Annual Revenue Requirement the Government.

(Interruptions)

Let me say under what grounds I want to protest.

SRI Y. RAMAKRISHNUDU: Madam Speaker, with regard to Point of Order our rules are clear. If Asaduddin Owaisi wants to get suspended from the House I am ready to move resolution. But, this is not the correct way.

SRI ASADUDDIN OWAISI: Do not I have the right even to protest?

SRI Y. RAMAKRISHNUDU: Madam Speaker, in the name of protest he is not expected to stall the Proceedings of the House. Already, motion has been passed by this House and his Members are suspended. Again, he is pushing up the subject. What is this?

SRI ASADUDDIN OWAISI: Madam Speaker, I am protesting.

SRI Y. RAMAKRISHNUDU: Simply protest and go. Do not refer to the subject. If you refer to the subject I will again move the motion.

MADAM SPEAKER: Do not go to the subject. If you want to protest, you protest.

SRI ASADUDDIN OWAISI: Why I am protesting I have to say.

SRI Y. RAMAKRISHNUDU: Simply he can protest and go. Let him not refer to the subject.
SRI ASADUDDIN OWAISI: Madam Speaker, let him know why I am protesting. Does he want to stifle my voice? Is this the way they are behaving?

MADAM SPEAKER: Mr. Owaisi, I have given mike to you. Do you want to protest or not?

SRI ASADUDDIN OWAISI: I leave it to you, Madam.

MADAM SPEAKER: If you do not protest please resume your seat.

SRI ASADUDDIN OWAISI: Madam Speaker, why I am protesting I have to say. Because of their power purchase agreements with IPPs and higher power purchase the people are suffering. The people are suffering because of the wrong policies in the power sector. With higher power tariff increase is going to be there in the power tariff. Because of their high-handedness, dictatorial attitude and because of **★★** I am staging walk-out.

(At this juncture, Sri Asaduddin Owaisi staged walk-out from the House)

SRI P. ASHOK GAJAPATHI RAJU: Madam Speaker, 289 closure motion is adopted in this House. Under Rule 300 you are kind enough to suspend the Members who are totally undemocratic and hijacked the House and violated every rule in the rules book. Madam, you have seen their kind of behaviour of ★★ against the Marshals. Never before we have witnessed such scenes in this august House. This puts the Legislators on a different plane. With regard to the way they are behaving we require protection from the Chair. We require protection at every stage from the Chair. How to protect us from such ★★ is my question. Madam, please save us.

SRI N. INDRASENA REDDY: Madam Speaker,

MADAM SPEAKER: Do you want to protest?

SRI N. INDRASENA REDDY: I want to say just something.

MADAM SPEAKER: I will verify the records.
