What measures the Government is going to take for the flouride affected areas?

The Government is planning to take the following measures for the flouride affected areas:

1. **Public Awareness Programs**: The Government is planning to launch public awareness programs to educate the affected populations about the health risks associated with flouride exposure. These programs will include workshops, seminars, and public meetings to inform people about the symptoms of flouride poisoning and the steps they can take to protect themselves.

2. **Medical Assistance**: The Government is providing free medical assistance to the affected people. This includes providing medical treatments, medications, and regular medical check-ups to monitor the health condition of the affected individuals.

3. **Financial Assistance**: The Government is providing financial assistance to the affected individuals to cover the costs of medical treatment and other expenses incurred due to flouride poisoning.

4. **Environmental Remediation**: The Government is working on environmental remediation projects to reduce the flouride levels in the affected areas. This includes implementing measures such as land reclamation, soil remediation, and water treatment to reduce the flouride content in the environment.

5. **Monitoring and Surveillance**: The Government is increasing the frequency of monitoring and surveillance in the affected areas to ensure that the flouride levels are controlled and do not exceed safe limits.

6. **Other Measures**: The Government is also considering other measures such as providing alternative water sources and implementing strategies to prevent future flouride poisoning incidents.

These measures are aimed at protecting the health and well-being of the affected populations and ensuring a safe and healthy environment.

*Note: The above measures are based on the information available at the time of writing this document. The Government may take additional measures based on the evolving situation.*

SRI ASADUDDIN OWAISI(Charminar): Madam Speaker, my question is very specific. Whether the Government is aware of increasing unemployment among the educated youth? Will the Hon'ble Minister for Employment Generation kind enough to say according to the employment exchanges records that how many educated youth are unemployed in the state and what is their strength. You are accepting that you will fill all the SC-ST backlog vacancies. How many backlog vacancies are still lying vacant in the Government Service? Will the Government act on the recommendations of the Andhra Pradesh Public Service Commission regarding filling up of vacant ASOs, ALOs and ACTOs posts? Is the Minister aware that the large number of unemployed youth in the society are from the minority community? I don't know what the Minority Welfare Department is doing in this respect. What sort of steps are being taken to ensure that unemployed educated minority youth can get trained as various self-employed schemes launched by the Central and State Governments are failed to provide any employment to the educated unemployed youth? These schemes are not up to the mark. Lastly, Madam Speaker, the concept of Apparel Park launched by the Government of Andhra Pradesh is that to provide employment to the educated unemployed youth. But, it is not at all beneficial to them as it is helping only the multi-national companies.

(INTERUPTIONS)
Lastly, Madam Speaker, various Software Companies are coming over to the Andhra Pradesh and the Government of Andhra Pradesh is extending them all the necessary help and assistance viz., laying of roads, providing land free of cost etc. and various other infrastructural facilities are also being provided to them. Under the circumstances, why cannot the Government demand for reservations to the SCs, STs, BCs and Minorities?

we are not giving them land free of cost.

"That the Government be granted a sum not exceeding Rs.1183,85,38,000/- for further expenditure in the year 2001-2002 as per the Heads of Demands shown in the Notice, dated 23rd March, 2002."

CHAIRMAN: Motion moved. Now Minister for Power.
SRI Y.RAMAKRISHNUDU: Sir, I am on a point of order. Clarification is very clear. There is no burden on the Government as far as Government lifts are concerned.
CHAIRMAN: Mysoora Reddy Garu, we are not going into the discussion. No, please.

Regulatory Commission has to be paid those rates either by the people or by the Government. That is the condition.

Otherwise we can make an amendment from this House.

Chairman: Special Mention, Budda Prasad Garu

Government will bear it.

CHAIRMAN: No, Sir. No, please. Special Mention by Surekha garu... You are repeatedly asking for something. Government is repeatedly saying the same thing. I am not here to force the Government to give an answer which you like. Kindly resume your seats.
(Sri Nomula Narsimhaiah and Sri Sunnam Rajaih went to Podium – “ఇది 35 వ సంవత్సరం 178 వ సంవత్సరం పనిచేసుకున్న పనిచారం తస్కి” వాడుకున్న మంత్రి గాను పల్లె ప్రారంభించాడు.

CHAIRMAN: I request the Minister for Legislative Affairs to give a suggestion.

SRI Y.RAMAKRISHNUDU, MINISTER FOR LEGISLATIVE AFFAIRS: Sri, I beg to move:

"That under sub-rule(2) or Rule 300 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly, the following members named by the Hon'ble Speaker be suspended from the service of the House for one day:

Sri Nomula Narsimhaiah and
Sri Sunnam Rajaih"

CHAIRMAN: Motion moved. The question is:

"That under sub-rule(2) of Rule 300 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly, the following members named by the Hon'ble Speaker be suspended from the service of the House for one day:

Sri Nomula Narsimhaiah and
Sri Sunnam Rajaih"

(Pause)

The motion was carried and the members were suspended from the service of the House for one day.

CHAIRMAN: I request you please to leave the House.

10.50

Now, I would request the Hon'ble Members to leave the House.

CHAIRMAN: It is all over. You are speaking from the wrong place. Kindly leave the House.
(But the Hon'ble Members expressed their desire to stay at the podium as a mark of protest and denied to leave the well of the House after their suspension)

(Addressing the Members) Both of you were named by me and got suspended from the service of the House. Therefore, I would request you to kindly leave the House.

(But both the CPI (M) Members Sri Nomula Narasimhaiah and Sri Sunnam Rajaiah refused to leave the House and continued with their slogans demanding the Government to reduce the LI power charges)

(As the requests from Chair were unable to pacify both the Hon'ble Members, Marshals were called in to extend physical assistance in lifting the Members away from the precincts of the House)

(When the Marshals entered the Well of the House and lifted the Members to take them away from the House, the Congress Members sitting adjacent to the podium rushed into the well and prevented marshals from forcible eviction of suspended Members)

Dr. Y.S. RAJASEKHAR REDDY: (without mike) Sir, this is inhuman. Sir, I want to speak. Please give me an opportunity.

CHAIRMAN: Ok, I will give you an opportunity. You can speak from your seat.

(Dr. Y.S. Rajasekahar Reddy who was standing in the Well of the House went back to his seat and started speaking from there)

Sir, the way this Government is playing with democracy is uncharitable. It is owfully bad. Sir, I am appealing through you to the Hon'ble Minister for Legislative Affairs. First, let the motion moved by him for suspension should be withdrawn. This is too much. Sir, I am appealing through you to the Hon'ble Minister for Legislative Affairs. First, let the motion moved by him for suspension should be withdrawn. Let the Hon'ble Members who are standing at the podium should be requested to resume their seats, so as to bring the House in Order.
on the same issue, they are seeking clarification and stalling the proceedings of the House. That is what they meant by democracy?

It is a technical subject. He clarified the point.

But for us, it is a serious thing. We will take very serious objections to his comments.

11.00

** Expunged as ordered by the Chair.
What is this?

CHAIRMAN: He is on Point of Order. Let him speak.
SRI P. ASHOK GAJAPATHI RAJU: Sir, we have got certain rules and Parliamentary Practies in this House. Sir, when a Member enters the Well of the House and climbs the podium and speaks from there, it amounts to automatic suspension. But inspite of that, under Rule-300 a motion has been moved and was approved by this august House. Then the Chair, in order to enforce the decision of this august House, instructed the marshals to do their job. But Sir, it is unfortunate that for the first time, in the history of the Legislature no less than  person of the stature of Leader of the Opposition physically assaulted and caused obstruction to the marshals from discharging their duties. Sir, the Leader of the Opposition calls himself a democrate and others as rowdies. Sir, the act performed by him was a clear act of rowdism. Sir, this is nothing but Breach of Privilege of this House. Sir, not only the Leader of the Opposition but also the other Members who caused obstruction should be suspended from the Service of the House and this suspension should be carried out immediately. This is my submission Sir.

CHAIRMAN: First of all, both of you resume your seats.

CHAIRMAN; It went on for a long time.
I have to name you.

SRI Y. RAMAKRISHNUDU: Sir, I am going by facts. I am saying nothing on my own. If my friend wanted to say something, let him say that. I have no objection for that.

What is this? What Rajasekhar Reddy will say about this? He always speaks about democracy. What is the procedure they are following now. Is he supporting the Members who are in the Well of the House? Is he supporting the undemocratic method?

They are stalling the proceedings of the House. Are you supporting them?

CHAIRMAN: (Addressing Sri N. Narasimhaiah) I am not going to listen to you.
We have to follow the procedures. We have to follow the procedures.

There is a lot of gap between the two, there is a lot of gap between the motion carried and the action taken against the Ms.L.A., who are sitting in the well of the House.

However, on behalf of the Government, I am telling......
Motion is carried  and the Resolution is passed. I am supposed to be the group leader, being an Opposition Leader, being a leader of the recognised opposition party, I am supposed to be the group leader. Even now also we are asking for division. Should I not voice my protest?

CHAIRMAN: Have patience. I will tell the procedure.

SRI P. ASHOK GAJAPATHI RAJU: Can I have your attention please? The suspension is being voted by the House. This is one angle. What does it invite? It invites suomotu suspension.
What all we are doing is exposed to the State. Who is democratic? Whether a person allows the proceedings of the House or a person who insists on tedious repetitions?

SRI B. GOPALA KRISHNA REDDY: What is this?

CHAIRMAN: Let us not go into controversies.

SRI Y. RAMAKRISHNUDU: Now, there are two issues before the House. Let us not drag it on, let us not spoil the time of the House. I am still requesting the Hon'ble Members to resume their seats and participate in the proceedings. I am happy to withdraw the motion moved by me. We are interested that proceedings should take place in the presence of all the Floor Leaders.

SRI B. GOPALA KRISHNA REDDY: Let it be carried out.
We want them to participate in our proceedings. Let them come and sit. I am happy to withdraw the motion. Why do they want division?

Please go back to your seats.

You may consider the appeal of the opposition leaders.

I appeal to both the Members of C.P.I. (M) to kindly resist from sitting on the podium.

I request both the Members to resume their seats.

You may consider the appeal of the opposition leaders.

SRI ASADUDDIN OWAISI: Chairman sir, I also reiterate the appeal that is made by the Leader of the Opposition and B.J.L.P. Floor Leader.
those who are support say "yes" and those who are against it say "no". That is not done. That is why the resolution was passed. That was the procedure to be followed and I have followed the same. I once again request the Members to go and take their seats. If they do not go back to their seats, I will have to ask for the division.

CHAIRMAN: Once again I request the Members to go back to their seats. You have raised your point of view. The Government has come up with some reply. If it is not satisfactory to you, there is a way to express it and I request you to do the same.

E.11. 30

You resume your seats. The mood of all Floor Leaders -- except the CPI(M) is the same. The Government has come up with some reply. If it is not satisfactory to you, there is a way to express it and I request you to do the same.

48
CHAIRMAN: Now, with the kind permission of the House, I would only request that the suspended members may be taken out of the House.

Or you leave the House.

Either you go back to your seat or leave the House.

(during this Members of the TDP uttered ‘shame shame’)

CHAIRMAN: No. No. We have requested them to go back to their seats. Why do you say, 'shame shame'.

SRI D. NAGENDER: It is not fair on their part.

then he will have his choice of speaking.
I am happy to withdraw my motion. It is deemed to have been withdrawn. There is no problem.

Anyway, under proviso to sub rule (2) of Rule 300 of the Rules of Procedure, I beg to move:

"That the suspension of the following Members be revoked with immediate effect:

1) Sri N. Narasimhaiah
2) Sri S.Rajaiah."

CHAIRMAN: Motion moved. Now the question is:

"That the suspension of the following Members be revoked with immediate effect:

1) Sri N. Narasimhaiah
2) Sri S.Rajaiah."

(PAUSE)

The Motion was adopted and the suspension was revoked.

Don't go into subject.

I am glad that the Minister for Legislative Affairs has revoked the suspension. But I want to point out here.

(Expunged as ordered by the chair.)
However, whatever information they require regarding Constituencies, we will place before the House.

E.11.40

What information they require regarding Constituencies, we will place before the House.
CHAIRMAN: You (Dr. M.V.Mysoora Reddy) would not get reply right now. They will place it tomorrow or day-after-tomorrow. Information may not be available immediately.

You warn them. You direct them.

We will stop. We don't want to participate.
This is the Bulletin that governs Zero Hour and Special Mention. The Bulletin contains the following.

SRI ASADUDDIN OWAISI: Sir, this pertains to Hon'ble Minister for Legislative Affairs. This is regarding the Bill that was passed yesterday - Prohibition of smoking and Health Protection Act.

In that Bill there is a ban on the sale of cigarettes within the radius of 100 meters of educational institutions. More than four lakh Pan retail outlets in Andhra Pradesh and more than 75,000 in twin cities are there. If the Government strictly insists on this particular provision, all those engaged therein will suffer. In each Pan retail outlet there are three persons working. Three families are surviving. There is no control on educational institutions being opened up. Without going into all these things, the Bill was passed. More than 3.00 lakh people will suffer a lot. I request through you to the Government that this particular provision in this Bill regarding imposition of ban on sale of cigarettes within 100 meters of educational institutions should be immediately removed.

Secondly, there is also another provision in the Bill that the Jarda Pan should not be sold. There is a difference between Gutaka and Jarda. Government has banned Gutaka. There is no problem.

CHAIRMAN: Were you not present when the Bill was passed?

SRI ASADUDDIN OWAISI: Sir, we were suspended by the Chair.

CHAIRMAN: OK.

SRI ASADUDDIN OWAISI: Sir, putting a ban on Jarda Pan is different from Gutaka. Jarda cannot be taken on its own. It has to be put in the Pan. It is an age-old tradition. Most of the people are taking pan. Government should have gone into all these details. It is a matter of life and death. 50,000 pan shops shall be closed in Hyderabad city itself and more than 4.00 lakh shops in Andhra Pradesh. I request the Government to immediately ensure that this provision is taken out from the Bill. They can issue an Ordinance, if not they should not strictly insist on this. Jarda cannot be taken on its own. It is only imposing a ban on Jarda pan. They are also imposing a ban on sale of cigarettes within a radius of 100 meters of educational institutions. These are very important points. The Government should respond.

5.11.50
SRI ASADUDDIN OWAISI: Mr, Chairman, Sir, I want to make an earnest appeal through you to this Government. Tomorrow being Friday Holi and Good Friday. What was to be happened, all that was happened despite the measures initiated by the concerned Deputy Commissioner of Police. Incident that took place was quite unfortunate. Any further discussion on this issue will lead to chaos and unrest. When normalcy is being restored, discussion on this issue is not at all advisable. Therefore, I request the Hon'ble Minister for Home that let us leave the matter to the police concerned. Let them identify the culprits and bring them to the book. Let this process not be stopped. Let us maintain peace.

whole night they were sleepless. Let us leave it to the police.

They will well receive.

That is the view point of the Department. Let them give their reply. They are also reviewing.
We still insisted. 

They will give reply.
that does not mean that he has done all that. Unless it is proved, we cannot take a

No. I cannot allow anybody to speak. Otherwise maybe necessary.
I am appealing to the Members. I will ask them to provide gunmen. How long do you prolong the issue? Please resume your seats.

Dr. Y.S. RAJASEKHARA REDDY: The Constitution basically provides right to live. How do you prolong the issue? Please resume your seats.
SRI T. DEVENDER GOUD: I do not want to waste the time of the House.

Still, after listening the Officers' view point and still if you want gunmen
You come and listen as to what are the cases. Inspite of all, if you want gunmen to be given,
You come and listen as to what are the cases.
