The basic aim of the Government in asking LIDCAP to hand over Ac.37 to HUDA was to enable the latter to sell it and raise funds to set up an infrastructure for the National Games. When I mentioned that your member is behaving in a manner which is not right, he should also realise it.

(Continued interruptions)

When the Chief Minister speaks and when the Leader of Opposition speaks you have to give due respect. When the Leader of House speaks definitely he will come to the subject. There are issues related to that. In the larger interest of the subject, he will quote certain incidents. It cannot be in an objective way, in the sense that it cannot be said yes or no. The gist of it should be explained so that it is for the proper understanding of the House. Certain issues are raised. Yes, they are explained in a more elaborate way. Kindly take your seats now.

Are you commending? Are you taking the House to ransom.

What is this? This type of pressurizing is not good. Let the Chief Minister complete his answer. This kind of pressures will not work. It is not proper. Please sit down. When the Leader of the House speaks...in this way. If you are not serious about the subject, I cannot help you. What is this? You are making repeated interruptions. It is not proper. If you feel anything objectionable in that, then you have a chance. At that time, you can express your opinion.

Ramakrishnudu Garu, kindly advice your party Members to take their seats. I once again request all the Members to take their seats. First, let the Chief Minister complete his answer.

I am once again appealing to all the Members to resume their seats. If anything objectionable is there in Chief Minister's speech, certainly I will provide you an opportunity to speak. If anything is there in Chief Minister's speech, you have to hear it. If you feel anything objectionable in that, then you have a chance. At that time, you can express your opinion.

(Repeated Interruptions by Telugu Desam Party Members)
If anything objectionable is there, certainly I will allow you.

What is your behaviour? You question yourself. What is protection? What is wrong with you?

This is not a good tradition. If you want to try to stop anybody from speaking, it is not good. I am requesting you. I will definitely ensure that you will be given a chance after the Chief Minister’s answer. But when the Leader of the House speaks, you have to allow him to complete his speech.

First, let the Chief Minister complete his speech.

Mr. Speaker, Sir, for the last two to three hours, we are all debating on LIDCAP. It is so sad that the basic aim and ambition behind the formation of LIDCAP has been forgotten. Now we are all discussing about 37 acres of LIDCAP land at Darga Hussain Shavali, Hyderabad. I was hearing from this side and that side and the Hon'ble Chief Minister was saying that the Government is committed for the protection of the rights of the SCs and Sts and everybody, but the basic question is that it is said which is not being addressed to. Everybody is saying that the land belongs to LIDCAP and in the reply given by the Government it was mentioned that this particular land belongs to LIDCAP at Darga Hussain Shavali. But, as a matter of genuine fact, this land was notified as the Wakf property of Darga Hussain Shavali. Total extent of land at Monikunta Jagir is about 1964 acres and another 1400 acres of land situated at Hussain Sha Village, all this land belongs to Wakf Board. Out of this, a part of land was allotted to M/s. IMG by the then

SRI AKBARUDDIN OWAISI (Chandrayanagutta): Mr. Speaker, Sir, for the last two to three hours, we are all debating on LIDCAP. It is so sad that the basic aim and ambition behind the formation of LIDCAP has been forgotten. Now we are all discussing about 37 acres of LIDCAP land at Darga Hussain Shavali, Hyderabad. I was hearing from this side and that side and the Hon'ble Chief Minister was saying that the Government is committed for the protection of the rights of the SCs and Sts and everybody, but the basic question is that it is said which is not being addressed to. Everybody is saying that the land belongs to LIDCAP and in the reply given by the Government it was mentioned that this particular land belongs to LIDCAP at Darga Hussain Shavali. But, as a matter of genuine fact, this land was notified as the Wakf property of Darga Hussain Shavali. Total extent of land at Monikunta Jagir is about 1964 acres and another 1400 acres of land situated at Hussain Sha Village, all this land belongs to Wakf Board. Out of this, a part of land was allotted to M/s. IMG by the then
Telugu Desham Party Government and some part of this land was also given to LIDCAP. Strictly speaking, all this land belongs to minorities and nobody is talking about it.

Again 5000 acres of land in Shamshabad which was allotted for International Air Port and the land that was allotted for FABCITY was also belonged to Wakf Board. Every time, every where and everybody is deviating from it. Is there anybody who protects the rights of the minorities in the State? This House itself is becoming center for deviation always. We are all making a joke about democracy. The people have elected and sent all of us here to raise their issues and grievances and to find a solution to them. In stead of addressing their problems, what are we doing here? We are just digging unnecessary issues against each other. Allegations and counter-allegations against each other have become the order of the day. What is the difference between the present Government and the previous Government? There is no difference as such. All the land that is belonged to the minorities particularly of the Wakf Board has been giving at a very throw away price to the multi-national and private companies by the previous and the present Governments.

Further, Mr. Speaker, Sir, what had happened recently? At Kokapeta in Ranga Reddy District, out of Rs. 3,000 crores generated through disposal of the private and public land, just only Rs. 350 crores was allotted to the Outer Ring Road while the rest of the money was transferred to the exchequer of the State Government for the purpose of Irrigation Projects which are being taken-up by the Government of the day on a very large scale. Telangana precious lands have been giving to the Andhra people at a very throw away prices. My MIM Party is very seriously and strongly objecting to it.

(Interruptions)

Therefore, Mr. Speaker, Sir, I request that the august House to come to the rescue of the minorities and that the State Government must give all the rightful protection to the Wakf properties. Further, the HAJ House was never built by anybody, it was built by the disposal of the Wakf properties situated at Visakhapatnam. Now Five Star Hotel is coming over there. If the Government is serious about the welfare of the minorities, let it not give to the Hotel and let Computer Training Centers come over there to give training to the 10th fail and 7th fail minority students and let some other kind of educational institutions come over there. There is a saying in Urdu. "Mamu ki dookan par nana ke fateha" and "do mullaon ke beech may murgi murdhar" Lastly, I request the Government to kindly protect the Wakf properties in the State.

A la darrera dècada del segle XX, l'aviació ha avançat en gran manera. Això es deu a l'aparició de nous materials, com els composites, que han permès la creació de avions de més pes de càrrega. A més, l'època de les grans exploracions astronautiques ha impulsat el desenvolupament de tecnologies més sofisticades.

La dècada de les 2000 ha veu la introducció de la tecnologia de l'alimentació per fusió, que és una tecnologia que es compta entre les més noves de la ciència de la informació.

En resum, el futur de l'aviació es troba íntimament connectat amb el futur de la tecnologia. Com que aquesta ha avançat en la dècada passada, és probable que el futur sigui igualment brillant.

For practical training purpose, the colleges should be attached to the concerned hospitals only.
SRI AKBARUDDIN OWAISI: Sir, I would like to seek a clarification from the Hon'ble Minister. First of all, we welcome this Bill. But my question is that whether this certificate would be recognised by the Government of India or any other Central Authority. Why because, in accordance with the rules and regulations of the Medical Council of India, the said certificates are needed to be recognised and unless and until they are recognised, the services of the staff or the candidates who are working in such institutions are not taking into consideration. Further, is there any Central authority to recognise these certificates? Is it necessary or not necessary?

SRI K. ROSAIH: This Bill is meant only for conducting practical training courses to the eligible candidates and not for setting up the laboratories.

CHAIRMAN: Motion moved.
CHAIRMAN: We will wait for the Minister's reply. Yes. Sri Komireddy Rulu garu

SRI KOMIREDDY RAMULU: Respected Chairman Sir, I strongly support the Bill introduced by Mr. Diwakar Reddy. But, however, I still make an appeal to the Government through Mr. Diwakar Reddy to see that the Sarpanchas are also given right to vote in the Legislative Council. Because, after all for what reason they were deleted and the reason which has been attributed by my friends may not be the reason.

Mr. Chairman: We will leave that to the Minister to reply.

SRI KOMIREDDY RAMULU: I appeal to you Sir that as far as Sarpanchas are concerned earlier there used to be Sarpanchas voting. After all they are also elected. As far as MPTs are concerned, Speaker Sir, in a village there are only 2 or 3 MPTs and only one Sarpanch will be there and, therefore, the Sarpanchas also represent the people's opinion. The Electorate College consists of so many members. If Sarpanchas also are included it makes difference to the Government also. It is an appeal from my side and if it is considered it is well and good.
CHAIRMAN: Do you want to register a protest?

This is an indirect election.

"That this House disapproves the Andhra Pradesh Motor Vehicles Taxation (Amendment) Ordinance, 2006 (A.P. Ordinance No.6 of 2006) promulgated by the Governor on 25th May, 2006"

Mr. Chairman, Sir, I beg to move:

"That the Andhra Pradesh Motor Vehicles Taxation (Amendment) Bill, 2006 be taken into consideration"

CHAIRMAN: Motion moved. Now the salient features of the Bill.

SRI KANNA LAXMINARAYANA: Mr. Chairman, Sir, I beg to move:

"That the Andhra Pradesh Motor Vehicles Taxation (Amendment) Bill, 2006 be taken into consideration"
It is basically to empower the Government to collect more taxes from the passengers.
it is well and good.
SRI AKBARUDDIN OWAISI: Mr. Chairman, Sir, I would like to know one thing from the Hon'ble Minister. In its Bill, the Government has stated that there are about 40,000 high end Motor Cabs registered in our State. The Government is stating that the transport vehicles should avail the benefit and the Government desires to regularise them by way of collecting taxes. In this connection, the State Government is need to be looked into the matter that what is the total Life Tax in other States like Delhi, Maharastra, Karnataka etc. The Motor Vehicles Life Tax in our State is higher than in other States in India. That is the reason why all these lacunae in the Law are being taken advantage of by the people. I will give you one example that in New Delhi the total Life Tax is 3% whereas in our State it is 9%. The maximum quarterly Tax in New Delhi
is Rs. 1500/- while in our State it is going to be increased from present Rs. 1800/- to Rs. 4500/-. When we are talking about Value Added Tax (VAT) which is similar in all the States, how can it be higher in our State than in other States. This is going to be a burden on common men and women. Therefore, Mr. Chairman, Sir, I request the State Government to look into this aspect and kindly reduce the burden which is going to be fallen on the shoulders of the poorest of the poor in our State. There are many other issues which have been mentioned in this Bill.

Further, Mr. Chairman, Sir, this Government is talking about Green Tax. I don't know what does it mean? I don't even understand as to how it would be used for the pollution control. I don't know as to how this green tax would be beneficial to the people. How would it be monitored by the Government, I don't know. More over, the RTA department for this year has already achieved its target of Rs. 1777 crores. They have already collected Rs. 1850 crores. Out of a target of Rs. 100 crores, already Rs. 50 crores has been collected from the old vehicles. My only question to this Government is that out of this total collection, how much of amount is being allotted for the purpose of maintenance of the roads. While all kinds of vehicle taxes are being collected by the RTA, the burden of maintenance of the roads is bearing by the Municipal Corporation of Hyderabad. The RTA department is not transferring any funds to the MCH towards maintenance of the roads in Hyderabad twin-cities. It is very much necessary to transfer the funds to MCH for maintenance of the roads. I request the State Government to kindly reduce 9% Life Tax on the motor vehicles on par with the other States, so that it would not be a burden on the poor people.

Lastly, Mr. Chairman, Sir, I would like to mention that the Supreme Court of India vide in its judgment stated that the City of Hyderabad is not equivalent to other Cities in India like Delhi, Mumbai, Chennai and Kolkatta in regard to pollution. I want to know from the Hon'ble Minister as to how the Green Tax would be utilised for pollution control. It is nothing but harassing the commuters. The entire House knows the pity of the helmet wearers in Hyderabad Cty. In stead of monitoring the traffic system, the RTA people are just concentrating on the collection of vehicle taxes. They are not bothering at all to monitor the implementation of the rules and regulations of the RTA. I hope and trust that the Hon'ble Minisiter would reduce the Life Tax of 9% on motor vehicles on par with other States thus give relief to the vehicle owners in our State. Thank you very much for giving me this opportunity.
SRI KOMIREDDI RAMULU: Sir, I welcome this Bill introduced by Sri Kanna Laxminarayana. As far as the life tax is concerned, in Delhi, it is 3%. In Andhra Pradesh, it is 9%. I would like to know as to whether it will be reduced to 3% by making necessary amendment. As far as the green tax is concerned, in Delhi there are CNG buses. Whether all the buses in our State would be converted into CNG buses? There was a newspaper report which said that in order to have a thorough study of transport system, a delegation of leaders will be sent to other States. Long back, I have read this news item. I would like to know whether the Government would send a delegation to other States.

As far as vehicle checking and penalties are concerned, many people come from the rural areas to the air port every day because their relatives and children are going to Dubai and other places. Every day, penalties are being put and this has to be curbed. Corruption at that end should be eradicated. The other day, I was requesting Mr. Jana Reddy to take steps to curb corruption.
These are all for the development of the State. The following conditions apply:

1. The total amount of the loan is Rs. 4,000,000.
2. The interest rate is 7% per annum.
3. The loan is due in 5 years.
4. The loan is repayable in equal annual installments.
5. The first installment is due 1 year from the date of the loan.
6. The remaining installments are due annually.
7. The annual installment is Rs. 800,000.

The terms of the loan are as follows:

- The total amount of the loan is Rs. 4,000,000.
- The annual installment is Rs. 800,000.
- The loan is due in 5 years.
- The first installment is due 1 year from the date of the loan.
- The remaining installments are due annually.
The Supreme Court itself appointed a Committee. To discourage, we started discouraging old vehicles.
CHAIRMAN: Hon'ble Speaker should take a decision. Definitely, I will convey it to him.

SRI AKBARUDDIN OWAISI: Only one clarification. I have mentioned about the life tax. In Delhi, it is 3%. I was reading a Telugu news paper. In that, it was written. I just want to know once again as to whether it is 3% or it is more.
CHAIRMAN: The question is:

"That this House disapproves the Andhra Pradesh Motor Vehicles Taxation (Amendment) Ordinance, 2006 (A.P. Ordinance No. 6 of 2006) promulgated by the Governor on 25th May, 2006."

(PAUSE)

The motion was negatived and the Statutory Resolution was lost.

Now, the question is:

"That the Andhra Pradesh Motor Vehicles Taxation (Amendment) Bill be taken into consideration."

(PAUSE)

The Motion was adopted and the Bill was considered.

**CLAUSE - 2**

CHAIRMAN: I shall now put the clauses to vote. There is no amendment to Clause 2.

The question is:

"That Clause 2 does stand part of the Bill."

(PAUSE)

The Motion was adopted and Clause 2 was added to the Bill.

**Non Officil Amendment for Clause - 3**

CHAIRMAN: There is one non-official amendment to Clause 3.

SRI G. KISHAN REDDY: Sir, I beg to move:

"That as sub clause (3) of Clause 3 add "If any individual vehicle or group of vehicles run by either individual or by organization continue to misuse the vehicle for purposes other than intended and codified and received punishment for violation, such vehicles will be confiscated without any notice."

CHAIRMAN: Motion move. The question is:

"That as sub clause (3) of Clause 3 add "If any individual vehicle or group of vehicles run by either individual or by organization continue to misuse the vehicle for purposes other than intended and codified and received punishment for violation, such vehicles will be confiscated without any notice."

(PAUSE)
The Motion was negatived and the Amendment was lost.

CHAIRMAN: The question is:

"That Clause 2 do stand part of the Bill."

(PAUSE)

The Motion was adopted and Clause 2 was added to the Bill.

Clauses 4 to 8, Clause 1 - Enacting Formula and Long Title

CHAIRMAN: There are no amendments to Clauses 4 to 8, Clause 1 - Enacting Formula and Long Title and they are before the House.

The question is:

"That Clauses 4 to 8, Clause 1 - Enacting Formula and Long Title do stand part of the Bill."

(PAUSE)

The Motion was adopted and Clauses 4 to 8, Clause 1 - Enacting Formula and Long Title were added to the Bill."
