b) Whether the managements of the various Industries are implementing the minimum wage for the unorganised workers; and

c) The details of categories of labour covered under unorganized workers?

MINISTER FOR LABOUR AND EMPLOYMENT (SRI G. VINOD):

a) The Government of Andhra Pradesh has fixed the minimum rates of wages for unorganized workers category wise from time to time.

b) Yes, sir.

SRI G. VINOD: Speaker sir, I need permission from you to read the note, which is fairly large. The note pertains to Government of India and it is connected with the unorganized sector. Can I read the note?

MR. SPEAKER: You can just give gist of that note.

SRI G. VINOD: The Hon'ble Member has raised a very important question. I do agree with him that the unorganized sector needs to be given proper attention. The Government of India has taken several steps in this respect and moved Bill for unorganized sector, known as Social Security Act Bill, 2005 and
called for the views and suggestions from the State Government, stakeholders and from the insurance companies. The Central Government legislation, when passed, would be applicable to all the states. In that connection, the State Government brought out legislation for providing social security measures for unorganized sector. The draft bill is prepared in consultation with the stakeholders.

SRI G. VINOD: Sir, there are two Acts. The Central Government contemplates an Act and they have given directions to the State Government to fulfil its objectives. As Hon'ble Member described, the unorganized sector accounts for 90 varieties of employments in all the segments. As far as the issue of minimum wages is concerned, substantial number of cases have been booked for non-implementation of minimum wages, claims have been claimed by the labour department and enough money has been generated to be paid to the concerned workmen. The Government has taken steps for effective implementation of minimum wages. There is a table for the minimum wages and it cannot be given because it would be changing according to the index, as G.D.P. Growth Rate is applicable to the minimum wages.
(Interruptions)
Kindly listen to me. I would like to inform the House that the payment of minimum wages is being ensured to the maximum extent possible. The State Government is taking several measures for the benefit of workers in unorganized sector, especially in the areas of promotion of health, education, training of the workforce and providing economic support to the children of workmen etc. The Welfare Board is taking all steps for unorganized sector and is attending to every respect.

(Interruptions from Sri P. Janardhan Reddy)

SRI G. VINOD: The Government has last revised the minimum wages and notified the following schedule of employments for the lowest and highest categories:

<th>Highest Category</th>

Sir, the minimum wages are being fixed based upon the G.D.P. Growth Rate and are being implemented. As and when the cases of non-implementation of minimum wages comes to our notice, cases would be registered. The Hon'ble
Member has mentioned the names of certain establishments, for whom notices issued. I will examine the facts and I will ask the officials of my department to furnish it to the Hon'ble Member. As far as the minimum wages is concerned, it will definitely be implemented.

SRI G. VINOD: I made a mention earlier in my submission to the House that the minimum wages whatever have been fixed have been fixed according to the Government guidelines. G.O. No. specific...

Sashidhar Reddy garu, let the Minister complete his reply. Sashidhar Reddy garu, let the Minister complete his reply.

Sashidhar Reddy garu, let the Minister complete his reply.

SRI G. VINOD: I am sharing one point here. The Andhra Pradesh Unorganized Workers, Regulation of Employment and Condition Social Securities Act Welfare Bill, 2002 covers unorganized workers where the employer employee relationship is exclusive, non-exclusive, self-employment, domestic sector, agriculture and allied activities. To constitute unorganized workers Welfare Fund, these are all issues which are connected with the unorganized sector and which need to be attended to. I do agree with the Member that the unorganized sector has not been attended to. This is the reason as to why the Andhra Pradesh Government has made a request to the Central Government stating that this sector needs to be addressed. We are waiting for the Central Bill to come. All the requests which the Hon'ble Members have now raised, such as, the minimum wages to be addressed; that the people have got to be accommodated according to the minimum needs in the society, etc. It is under active consideration of the Government of India. That is why Andhra Pradesh Government is unable to take a decision now. We are waiting for this Bill to be enacted in the Parliament and the requests of all the Hon'ble Members will be certainly taken care by the Government of Andhra Pradesh and the minimum wages will also be paid.

MR. SPEAKER: Minister Garu, do you have any other information to share?

SRI G. VINOD: At the Hon'ble Member's request, wherever he feels that they are not being implemented, I will check it with my department and send message to him. Wherever we have booked cases, I do not have the list immediately. I will send the list to him.

The due share is the equity share. The due share is the share of equity. 50% of the equity share is 50%. 2.5% of the equity share is 2.5%. It means the equity share is 20%.

DR.Y.S. RAJASEKHARA REDDY: I am happy to inform this House that I have just received a communication from Sri Arjun Singh, Union Minister for Human Resource Development, informing that one I.I.T. is sanctioned to Andhra Pradesh as a response to our proposal and sustained request for locating an I.I.T. in our State. This acceptance to locate one I.I.T. in A.P. is a part of the 11th 5-Year Plan Agenda to start three I.I.Ts in the country.

The Union Minister for Human Resources Development, while informing about the sanction of the I.I.T. has requested us to identify and allot 500 to 600 acres of land free of cost, having physical and social infrastructure, which includes road, rail and air connectivity. Therefore my Government has decided to locate the I.I.T. in Medak District, which was once represented by Smt. Indira Gandhi in Lok Sabha, as it will satisfy the requirements laid down by the HRD Minister.

The House may recall in this connection the resolution passed earlier to request the Government of India to locate an I.I.T. at Basara. Accordingly, our Government has been pursuing vigorously with the Government of India to locate the I.I.T. at Basara. However, the letter of the HRD Minister is constraining us to locate it in Medak District having proximity to the Metropolitan Twin Cities. The location of I.I.T. in Medak district, I am sure will help to develop the backward parts of Telangana, providing opportunities to a large number of our youngsters to pursue high quality technical education, which is our strong point in the entire country.

However, I am proposing that the Government will start one 21st Century Gurukulam Centre at Basara, to train over 250 rural youth in Information Technology related areas. The 21st Century Gurukulam will empower rural youth providing them opportunities in the expanding modern sector. The Gurukulam Centres will award Masters Degree in Information Technology having both National and Global acceptance. This program is already operating at IIT, an institution, which is ranked in the top-10 institutions in the country. The Gurukulam Program is conceptualized by Prof. Raj Reddy, the famous robotic man and former scientific consultant to the President of United State of America. We shall be investing over Rs.5.00 crores to develop a full-fledged and permanent Gurukulam Campus within 12 months and I am sure that this will

(End of Statement)
transform the backward Adilabad District into a Knowledge Hub. I would also like to inform the House that the Medical College that is sanctioned already to Adilabad will complement the Gurukulam Center.

I on behalf of the House thank the Government of India and in particular the Prime Minister Dr. Manmohan Singh, UPA-Chairperson Smt. Sonia Gandhi and Sri Arjun Singh, the Minister for Human Resources Development for sanctioning one IIT to the State of A.P.

In the history of IITs in the country, a latest IIT which was sanctioned by late Sri Rajiv Gandhi, the then Prime Minister of India in the fast few decades was in Gawahati in Northern States which was having not even single IIT. Since then no fresh IITs were sanctioned by the Government of India. The present UPA Government has sanctioned 3 IITs and the State of Andhra Pradesh is fortunately one among the three IITs. We are all very fortunate to get one BITS Institute. They have already started their civil works and most probably by the next academic year, they are likely to start their courses. We are very much thankful to them for having chosen Hyderabad, Andhra Pradesh to established their internationally renowned Technological Institution.

We are also very seriously making our efforts to see that the Government of India to sanction a College of Architecture in Vijayawada and I am quite confident that we will be able to get it at the very earliest.

The Office of profit Act, 2006

The Office of profit Act, 2006 was enacted to address the issue of profiteering by public servants. Under this Act, any income or benefit received in excess of the prescribed limit by a public servant shall be deemed to be income from a profession or vocation and shall be liable to taxation. The Act aims to prevent the misuse of public office for personal gain.

Office of profit refers to any income or benefit received by a public servant in their official capacity. This includes emoluments, perquisites, and any other form of income, whether in cash or kind, received in excess of the prescribed limit.

The Act imposes a limit on the amount of income that can be received, based on the status and position of the public servant. This limit is designed to ensure that public servants do not use their position to benefit themselves.

Penalties are provided under the Act for violation of its provisions. The penalty may include imprisonment and/or fine.

The Act is an important measure to ensure the integrity of public servants and to maintain the trust of the public in the government.
