Mr. SPEAKER : Let me first read out the notices given for various Adjournment Motions.

1) An Adjournment Motion given notice of by Sri Kala Venkata Rao Garu and others regarding the "Alleged forcible Acquisition of Government and Private lands in Hyderabad, Ranga Reddy, West Godavari and Kadapa Districts.

2) An Adjournment Motion given notice of by Dr. G. Vijaya Rama Rao Garu and others regarding the "Alleged decision of the Government to discontinue Paddy Cultivation in Telangana and construction of water tubes under Lift Irrigation Projects."

3) An Adjournment Motion given notice of by Sri Nomula Narsimhaiah Garu and others regarding the "Exploitation of Turmeric Farmers and need to fix up remunerative price for Turmeric."

4) An Adjournment Motion given notice of by Sri Chada Venkat Reddy Garu and others regarding the "Need to release funds to Markfed immediately for the purchase of Agricultural Produce."

5) An Adjournment Motion given notice of by Sri G. Kishan Reddy Garu and others regarding the "Non-reopening of Toddy Shops in Hyderabad City and the problems of Toddy Tappers in the State.

6) An Adjournment Motion given notice of by Sri Komireddi Ramulu Garu regarding the "Need to organize Rajiv Nagara Bata and Rajiv Palle Bata in Metpalli Constituency."

All the Adjournment Motions have been disallowed.

MR. SPEAKER : You kindly give me notice under a different rule. Then it will certainly be taken up.
I have already disallowed the Adjournment motion. I will find a way out. But this is Question Hour. Kindly cooperate.

Then you can give the notice. I will find a way out. But this is Question Hour. Kindly cooperate.

Meet me in my Chamber. We can sort out these things.

Kala Ventaka Rao garu and Vijajaya Rama Rao garu, both of you kindly meet me in my Chamber. We can sort out these things.

Then you can give the notice. I will find a way out. But this is Question Hour. Kindly cooperate.

(M.8.40)
MR. SPEAKER: I am again appealing to you. Kindly meet me in my Chamber. We can discuss other options. I will certainly find a way out. Under Rule-304 we can take it up at the earliest possible time.

MR. SPEAKER: Venkata Rao Garu, again I am appealing to you. Yesterday also I told you. Now, I am repeating that appeal again. You kindly give notice under different form. I will certainly take it up for discussion.

MR. SPEAKER: This will not help to run the House. First hour is the Question Hour. Adjournment Motions have been disallowed. You avail other opportunities.

MR. SPEAKER: We can take it up under Short Discussion or under Statement or in some other form. You kindly avail that opportunity.

I am not stopping you from discussing the subject. But avail other opportunities. Let the Question Hour be completed. We have got the agenda now. We have our own rules and regulations. Kindly avail other opportunities.

What more do you expect me to do. Now, the House is adjourned for 15 minutes.

(Then the House adjourned at 8.44 AM for 15 minutes)
MR. SPEAKER : I have already appealed to you. First hour is the Question Hour. If you want to discuss the subject, kindly come in other form. I will certainly find a way out. We have certain rules and regulations. We have to necessarily follow them. Under Short Discussion, under Statement or in some form or the other, the subject raised by you will be taken up. You kindly avail such facilities. I am not stopping you from discussing the subject. But we have an agenda before us. We have to complete it first.

(Repeated Interruptions)
I am once again appealing to you. Kindly give notice under different rule. I will certainly allow it. Tell me what more do you want?

(Interruptions continued)
If this is the case, I have no other option left with, except to name you. Kindly resume your seats and allow the Question Hour to be completed.

(Interruptions)

Once again, I am appealing to you. This will not serve any purpose. Meet me in my chamber. I will find a way out. You can give notice under different rule. We can certainly take it up.
Sir, with your permission, I beg to move:

"That under Sub-Rule 2 of Rule-300 of Rules of Procedure and Conduct of Business of AP Legislative Assembly, the following Member as named by the Speaker be suspended from the Service of House for One Day."

Sri P.Ranganayakulu
Sri D.Narendra Kumar
Sri K. Sri Venkateswara Rao
Sri G.Sayanna
Smt. A.Uma Madhava Reddy
Sri K.Kala Venkatarao
Sri V.Narender Reddy
Sri Ch.Ayyanna Patrudu
Sri D.Ramesh
Smt. P.Aruna
Smt. P.Suneethamma

MR. SPEAKER : Motion moved.

Now, the question is:

"That the following Members named by the Chair be suspended from the Service of the House for One day."

Sri P.Ranganayakulu
Sri D.Narendra Kumar
Sri K. Sri Venkateswara Rao
Sri G.Sayanna
Smt. A.Uma Madhava Reddy
Sri K.Kala Venkatarao
Sri V.Narender Reddy
Sri Ch.Ayyanna Patrudu
Sri D.Ramesh
Smt. P.Aruna
Smt. P.Suneethamma
MR. SPKEAR : I request the suspended Members to kindly leave the House.

(For some time, the suspended Members were persistent with their stand of not leaving the House. Later, they left the House, assisted by Marshals)

MR. SPEAKER : Speed up.
For vacancies existing in Super Speciality Departments, even though Notification was issued for 178 posts of Assistant Professors all over the State, only 28 candidates have joined. 

MR. SPEAKER: That is because of his age and not because of any illness.
Government have issued orders to recruit retired Professors.

Basic equipment which are essential for the purpose of diagnostic purposes in all the departments is available and is working up to the satisfaction of the authorities. These include incubators, autoclaves, refrigerators, and other necessary equipment. There are 10 incubators available in the hospital.

Basic equipment which are essential for the purpose of diagnostic purposes in all the departments is available and is working up to the satisfaction of the authorities. These include incubators, autoclaves, refrigerators, and other necessary equipment. There are 10 incubators available in the hospital.
Though it is a difficult task, the Government is determined to improve the medical facilities in all the Government hospitals in the State. Though it is a difficult task, the Government is determined to improve the medical facilities in all the Government hospitals in the State.
Extension, renovation of General Hospital, purchase of equipment is under the consideration of the Government during the year 2007-08. Construction of OP block at Cardiology is nearing completion in time to take care of the needs of the patients. A mother-child programme is a priority programme not only for Kurnool District or Rayalaseema, but for the entire state it is a very important programme. The Government is giving a lot of importance for all these things. Regarding Maternity and Child Health, it is ready for serving to the poor people. Further, a 60-bedded new female ward is nearing completion. Male House Surgeons Quarters. It is ready for serving to the poor people. Further, a 60-bedded new female ward is nearing completion. Extension of microbiology department is already completed.

But in spite of their orders, it is a delay in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. But in spite of their orders, it is a delay in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders. But in spite of their orders, it is a delay in providing their orders. They have been delayed in providing their orders. They have been delayed in providing their orders.

It is ready for serving to the poor people. Further, a 60-bedded new female ward is nearing completion. Male House Surgeons Quarters. It is ready for serving to the poor people. Further, a 60-bedded new female ward is nearing completion. Extension of microbiology department is already completed.
Mr. Speaker, Sir, once again, through you, I would like to reiterate to the entire august House that this Government is committed to improve the medical facilities in all the Government hospitals in the State in the interests of the people at large particularly of the poorest of the poor people living below the poverty line.

\(9.50\)
In principle, this question pertains only to Kurnool hospital. We will leave it here. This question pertains only to Kurnool hospital.
It cannot be done.

Now, we cannot deviate from the main question.

You will get an opportunity.

 Kindly understand. Go by the spirit of it and we will leave it here. If you insist, then yes.

MR. SPEAKER : Question Nos. 134(7173), 135(7151), 136(7452) have been postponed at the request of the Members. The next Question is 137(6899). It pertains to the Endowments Minister. There is also Calling Attention matter. It is also similar. So, both these matters will be taken up immediately after the Question Hour.

Question Nos. 138(6964) and 139(6825) are also postponed at the request of the Hon'ble Members. The next question is 140(7331), Minister for Home........ (He is not present)

Minister for Legislative Affairs, now this is a matter, which is very serious. You kindly ensure that all the Ministers, whose questions are listed are present in the House.
SRI.K.ROSAIAH : I am very sorry Sir. I am also seriously expressing my sincere apology. I will advise my colleagues not to leave the House when their Questions come up for discussion.

MR. SPEAKER : In Question Hour, the Ministers whose Questions are listed they have to be in the House. If they have any other business they can take it up later.

MR.SPEAKER : During Question Hour, the House is very important. When you have gone to get further information it is good but, please ensure your attendance in the House during Question Hour.
curves
you came very well prepared with lot of suggestions. I would suggest that you write a letter and forward that to the Hon'ble Minister so that as part of road safety measures your advise can be incorporated. Now we will ask the Minister to respond to it.

You came well prepared. I have complimented you. This is the right way of doing it but, the Question Hour has limitation. You please forward that. That will be useful to the Government. We will wait for the Government to react to it. There is no need for so much of excitement. Let the Hon'ble Minister give his reply and after that, if there is a need, again you can come back.

The following measures have been taken to prevent road accidents:

1. District level road safety meetings are conducted on regular basis with Officials of Transco, APSRTC, R&B and Revenue department under the Chairmanship of the concerned Superintendents of Police of the Districts. In the meetings serious studies are made to identify accident prone areas and reasons thereof. The remedial measures
2. Awareness camps are being conducted frequently to the school going children, auto drivers, lorry drivers and other road users explaining the precautions to be taken to prevent road accidents.

3. Breathe analyzers are issued to the Traffic Police Stations to check vehicle drivers and book them if they are found drunk while driving.

4. Assistance from local TV channels, FM Radio and theaters is taken by the local police to regularly educate the public and create traffic sense to prevent road accidents.

5. Regular Eye checking camps for drivers is being taken up to identify their deficiencies, if any.

6. Installation of traffic signals, road marking, usage of radium points are undertaken at all important junctions and accident prone areas.

7. At national high ways, Patrolling vehicles and EMRI 108 vehicles are being used in bringing the injured to the hospital and saving lives.

8. Vehicle cranes are made available in several districts to help removal of traffic obstruction.

9. Coordinated efforts with APSRTC and Transport department in booking traffic Rules violators are being done continuously.

10. Coordinated efforts to make the two wheeler drivers wear helmets regularly is taken up.

11. Helping hand from NHA is taken up to educate the road users by issuing pamphlets and other like material.

12. Vehicle checking to prevent over loading in carrying of persons or goods transport vehicle is taken up. APSRTC authorities are running more number of buses to prevent over loading of vehicles on busy roads.

13. Joint enforcement work with R.T.O. Officials to prevent the accidents on NH 9 NH 202, Rajiv Rahadari and Nagpur such as High ways patrolling vehicles checking and booking cases under M.V.I Act against the erring drivers to reduce the road accidents and to curb the illicit transport, over load etc.
33

(1)
Sri P. Srinivasulu Reddy (Kovuru) - Will the Minister for Major Irrigation and Medium Irrigation be pleased to state:

(a) Whether the Government intends to supply water to second crop for the delta ryots of Nellore District.
(b) Whether it is a fact that the Government had invited tenders for the works of modernization of Penna Delta and for the Sangam Barrage Project in the said area,
(c) Whether the Government are aware of the fact that the issue of supplying water for the second crop and construction of the said projects are related to each other and
(d) If so, the steps taken in the matter.

MINISTER FOR MEDIUM AND MAJOR IRRIGATION (SRI PONNALA (LAKSHMAIAH):

(a) The Irrigation Advisory Board decided to convene another District I.A.B meeting on 11.3.2007 for taking appropriate decision on release of water for second crop in Pennar Delta. Government will take further action as per the decisions and resolutions of the said I.A.B meeting.
(b) Yes, Sir.
(c) Yes, Sir.
(d) The work ‘construction of Sangam Barrage’ is awarded and agreement is to be concluded with the Agency. The award of 4 packages of Modernization of Pennar Delta is under process. Appropriate steps will be taken by the Government based on the decisions and resolutions of the I.A.B meeting convened on 11.3.2007.

4. DR. G. VIJAYA RAMA RAO: Sir, I beg to move:

"That this House recommends to the Government to implement Justice Rajendra Kumar Sachar Committee Report in order to improve the socio-cultural, educational and economic status of the Muslims in the State."

MR. SPEAKER: Motions moved.

The first point raised is as regards the variations in the figures furnished in the outcome of the Budget with the Economic Survey Report and figures obtained from the office. The particulars of schemes shown at page No. 134 of Economic Survey 2006-07 are as per the progress made upto November, 2006 whereas the particulars shown in the outcome of the Budget for 2006-07 of Minorities Welfare Department at page No.5 are in respect of schemes as per the progress made upto January, 2007. As such there is change in the figures.

Another point raised by the Hon'ble Member that the no scholarship amount has been released so far, as per the orders raising the scholarship on par with BC Welfare students.

5. DR. G. VIJAYA RAMA RAO: Sir, I beg to move:

"That this House recommends to the Government to implement Justice Rajendra Kumar Sachar Committee Report in order to improve the socio-cultural, educational and economic status of the Muslims in the State."

MR. SPEAKER: Motions moved.

The first point raised is as regards the variations in the figures furnished in the outcome of the Budget with the Economic Survey Report and figures obtained from the office. The particulars of schemes shown at page No. 134 of Economic Survey 2006-07 are as per the progress made upto November, 2006 whereas the particulars shown in the outcome of the Budget for 2006-07 of Minorities Welfare Department at page No.5 are in respect of schemes as per the progress made upto January, 2007. As such there is change in the figures.

Another point raised by the Hon'ble Member that the no scholarship amount has been released so far, as per the orders raising the scholarship on par with BC Welfare students.

m.12.10
The scholarship amount is an year wise scheme to be released at the end of the academic year after obtaining the necessary details of the students from the concerned educational institutions. Accordingly the said amounts are being sent to all the Heads of Departments for onward disbursement to the eligible students in the State. The Andhra Pradesh Minority Finance Corporation has received 1,52,064 applications as against this 1,39,721 students were disbursed scholarships as per the enhanced rates and it is expected to be disbursed by the end of March, 2007 and all the eligible students will get the scholarship amount.

Another point raised by the Hon'ble Member is that the hostels were not established so far. In this regard, the Government has issued a G.O. Ms.No. 34, Minority Welfare Department, dated 20-11-2006 establishing 12 pre-matric hostels at Hyderabad, Rangal Reddy, Nizamabad, Adilabad, Medak, Kurnool, Kadapa, Mahabubnagar, Guntur, Chittoor, Ananthapur and Krishna Districts. The Vice Chairman and Managing Director of Andhra Pradesh Minority Finance Corporation was already instructed to search for a suitable accommodation including Urdu Gar-cum-Shadikhanas wherever they are not in use and are suitable for establishing hostels and wherever the said accommodation was not available, necessary private accommodation will be taken-up on hire basis. In all probability, the said hostels will start functioning by the end of June this year. Since this being the new scheme introduced in the Department, necessary staff has also to be sanctioned for which separate action is initiated which is under process. In this regard, necessary budgetary provisions are also provided in the Budget during the year 2007-08. As far as the increase of strength of students in each hostel is concerned, at present the in-take of the hostel is proposed with 200 students and will absolve the response from the student community if there is a demand the Government would certainly increase the strength.

Another point raised by the Hon'ble Member is that the Minority Finance Corporation should conduct training classes to the unemployed minority youth. This Corporation is imparting training classes in job oriented trades to uplift the weaker sections of unemployed minority youth in the following fields: Driving, Computer Software, tailoring, beauty parlor, information technology, fashion technology, call centers executives, electronic goods servicing, computer accounting, electrical application mechanism, cell phone servicing, house wiring, electrical motor winding, para-medical courses, refrigeration, aid-conditioning etc..

The Member has also said that a separate agency for proper distribution of scholarship amounts be appointed. In this regard, the work of distribution of scholarship amount has been entrusted to the Minority Finance Corporation and Urdu Academy as they have the proper mechanism for distribution of scholarship amounts to the eligible minority students through the Executive Directors and the District Minority Welfare Officers in the State under the Chairmanship of the Joint Collectors through a well established procedure, hence there seems to be not necessary to have a separate nodal agency.

Regarding other objections, Urdu Academy scholarships are not paid at the enhanced rates of B.C. Welfare. As already stated this is a scheme, which is being implemented well before the end of the academic year. All the eligible applications were processed and kept ready and all the eligible students of Urdu medium will be released scholarship amounts as per the enhanced rates by the end of this month.

Another matter raised by the Hon'ble Member is that the textbooks of Urdu Medium should be printed by the Urdu Academy instead of by the Telugu Academy. In this connection, I would like to inform the august House that the Urdu Academy is not
having proper infrastructure and sufficient staff for getting the text books printed in Urdu Medium for the Urdu Medium Minority students. However, the suggestion of the Hon’ble Member will be examined in consultation with the Education Department.

Another point raised by the Hon’ble Member is regarding Survey Commission employees’ services should be regularised. Sir, the Survey Commission was constituted in the year 2001 with the direction that the survey should be completed within six months and accordingly the employees were appointed on consolidated pay only for a specific period of six months. Subsequently, the work has been dragging on and that the survey works is just completed and the compilation and computerisation work is going on. As soon as this work is completed, there will not be any work for the Survey Commission staff. Once the report of this Commission is submitted to the Wakf Board, the Wakf Board would get it published in the Gazette and necessary action will be taken as per the procedure laid down in the Central Wakf Act of 1995. Since the mode of appoint of the employees is on consolidated basis for a specific purpose for a limited period and since there is no provision for absorbing the consolidated employees in the Government service, it is difficult for the Government to absorb all the employees into the Government service.

As per the second Wakf Survey, there are 70,000 Wakf Institutions, which are having a total of 1.76 lakh acres of wakf land in the State. The figures furnished are tentative since the work of compilation has not been finalised and it is under process.
Mr. Chairman, Sir, I have an important clarification to be clarified by the Hon'ble Minister. During the course of his reply on the Floor of this august House, the Minister has quoted certain figures. In the Economic Survey for the year 2006-07 which was given to me when I wrote a letter to the Minority Welfare Department in the month of November, in page No. 3, they gave the scheme wise details, scholarships, finances and also the targets. But, these figures are not being tallied with the figures mentioned in other statements given by the Government. One more important thing is that the Government has circulated Budget Outcome Books for the year 2007-08 to all the Members of this august House. Even in the figures mentioned in this books are also not being tallied with each other. For instance, I would like to quote for example, Economic Assistance Scheme. Page 134, fiscal 3374, but if we see the Outcome Budget Book for the year 2007-08 at page 5 again it says that the Economic Survey 3374, but the Outcome Budget says 6200 and again if we see the statement given by the Finance Department it is Rs. 346.12 whereas the Outcome Budget says 616.17. For micro credit fiscal it says 4000 whereas the Outcome Budget says it is 4000 while the Finance Dept. says it is 210.00. Again for Moulana Abdul Kalam Ajad Interest free education loan, the Economic Survey and the Outcome Budget both are correct very much. But special plan for minorities concentrated districts in the Economic Survey nothing has been mentioned. The Outcome Budget says it is 200 and in the statement given by the Minority Welfare Department it is also 200. Here the figures are tallying with each other. But again, if we see the DUWMUA, in page 134, Economic Survey, fiscal it is 314 whereas in Outcome it is 785 and in the statement given by the Minority Finance Corporation it is only 243. In the Finances of Economic Survey it says 31.48 whereas the Outcome Budget says 78.50 in the statement given by the Minority Finance Corporation it says 74.30. In the

SRI AKBARUDDIN OWAISI (Chandrayanagutta): Mr. Chairman, Sir, I have an important clarification to be clarified by the Hon'ble Minister. During the course of his reply on the Floor of this august House, the Minister has quoted certain figures. In the Economic Survey for the year 2006-07 which was given to me when I wrote a letter to the Minority Welfare Department in the month of November, in page No. 3, they gave the scheme wise details, scholarships, finances and also the targets. But, these figures are not being tallied with the figures mentioned in other statements given by the Government. One more important thing is that the Government has circulated Budget Outcome Books for the year 2007-08 to all the Members of this august House. Even in the figures mentioned in this books are also not being tallied with each other. For instance, I would like to quote for example, Economic Assistance Scheme. Page 134, fiscal 3374, but if we see the Outcome Budget Book for the year 2007-08 at page 5 again it says that the Economic Survey 3374, but the Outcome Budget says 6200 and again if we see the statement given by the Finance Department it is Rs. 346.12 whereas the Outcome Budget says 616.17. For micro credit fiscal it says 4000 whereas the Outcome Budget says it is 4000 while the Finance Dept. says it is 210.00. Again for Moulana Abdul Kalam Ajad Interest free education loan, the Economic Survey and the Outcome Budget both are correct very much. But special plan for minorities concentrated districts in the Economic Survey nothing has been mentioned. The Outcome Budget says it is 200 and in the statement given by the Minority Welfare Department it is also 200. Here the figures are tallying with each other. But again, if we see the DUWMUA, in page 134, Economic Survey, fiscal it is 314 whereas in Outcome it is 785 and in the statement given by the Minority Finance Corporation it is only 243. In the Finances of Economic Survey it says 31.48 whereas the Outcome Budget says 78.50 in the statement given by the Minority Finance Corporation it says 74.30. In the
fiscal side, the Outcome Budget says it is 87843 whereas in the statement given by the Minority Finance Corporation it is 39350. As regards, pre-matric scholarships also the Economic Survey says 915.67 whereas the Outcome Budget it is 800.89 and in the statement given by the Minority Finance Corporation it is about 277.5. As regards post-matric scholarships also, the Outcome Budget says 1074.04 and in the statement given by the Minority Finance Corporation it is about 338. Regarding business loans to the minorities, the Outcome Budget says 170, fiscal and finances it is 5.36 and in the statement given by the Minority Finance Corporation it is about 170, it is right as far as the figures are concerned. But as regards Training and Employment, the fiscal Economic Survey says 1027 whereas the Outcome Budget says 1716 and in the statement given by the Minority Finance Corporation it is about 242. Training and Employment finances say 8.81 in the Economic Survey whereas the Outcome Budget says 35.60 and in the statement given by the Minority Finance Corporation it is about 5.59.

Again there are three different statements i.e. Economic Survey, Outcome Budget and finally the Statement given by the Minority Finance Corporation. The other important thing to which my good friend Mr. M.A. Gafoor will also agree.

During the course of the meeting of the Committee on Welfare of Minorities, this book was given to all of us on 05-09-2006 and if we compare these figures, again they are quite different. Now the question is that which figures are to be believed. Which are the correct figures? Economic Survey says one, Outcome Budget says the other and the Statement of the Corporation says the different. I have also the figures pertaining to the year 2005 with me right now. The reason for us to request the Government to constitute a Nodal Agency for disbursement of scholarship amount is that figures given in various forms are not being tallied with one another. The official working in the Minority Finance Corporation are not at all serious and sincere enough in discharging their duties and responsibilities. Mr. Chairman, Sir, I once again would like to go on record and request the Government to please publish a White Paper and an immediate enquiry should be conducted as to how many individuals have been benefited by virtue of implementation of various schemes to the muslim minorities in the State. As regards the disbursement of scholarship amount, the Hon'ble Minister has just now stated that a Government Order was issued. Regarding scholarships, the Government has promised in this House that minority students will be paid on a par with the BC students. According to the statement which I have, it says that from class III to V, scholarships to minority students is nil, but for the BC students it is Rs. 2700/- and it has been enhanced to Rs. 3,000/- recently. Again from class VI to VII, the minority students are getting Rs. 400/- whereas the BC students are getting Rs. 2700/- while the VIII class studying BC students are getting Rs. 4300/-. As per the G.O.Ms.No.33 dated 07-11-2006, from class III to V, the BC students are getting Rs. 3380/- and according to the same G.O. the minority students will get only Rs. 400/-. If we go by these figures, how can the Government pay the scholarship amounts to the minority students on a par with the BC students? From Class VII to Intermediate, the BC Students are getting Rs. 4120/- per annum. Again, the same G.O. says that there are not boarding and hostel facilities to the Minority Students. Again if we see, from Class III to VII, the amount has been enhanced from Rs. 400/- to Rs. 700/-.

In this, they said that there is no boarding or hostel facility for minorities. So, we would not be giving. Again, when we see Class III and Class VII, from Rs.400/- it is being made to Rs.600/- Where has it come on par with that? About post-matric scholarships also, for IX and X Classes, the Minorities Finance Corporation says that they will be giving Rs.800/-. Previously, it was Rs.600/-. There is only an increase of Rs.200/-. Well, a B.C. student gets Rs.4,120/-. My question is that when the Government is claiming that scholarships of minorities are being brought on par with B.Cs., why this
G.O. has been issued? This G.O. says no. From Rs.400/-, it is made to Rs.600/- and from Rs.600/- it is being increased to Rs.800/-. A B.C. student studying Intermediate gets Rs.4,000/- per annum whereas the minority student would be getting only Rs.2,500/-. In Urdu Academy, the Hon’ble Minister has said that it would be brought on par with that. But this G.O. which has been issued says that the student studying in Urdu Academy will get only Rs.500/-. The B.C. student studying diploma gets Rs.4,000/- and again Rs.500/- is being given by Urdu Academy. A B.C. student studying graduation gets Rs.4,000/- and the Minorities Finance Corporation would be giving only Rs.2,500/- per month and the Urdu Academy is giving only Rs.650/- per month. The question which arises would be how far it is true that a muslim minority student would be getting the same scholarship on par with the B.C. student.

About the Wakf properties. We have mentioned about the Wakf properties and also as to what is the Government doing and what is the Minorities Welfare Department doing to recover the Wakf properties which have been identified by the Minorities Welfare Committee of the Assembly. At Gachibowli, an extent of Ac.1,650 of land is identified as wakf property. At Maheswaram also, there are wakf lands. At International Airport, Shamshabad also, we have wakf property. Even the Electronic City at Aluru village is a wakf land. So many properties, nearly Ac.11,000 of land has been identified as wakf land. They are not only identified but even the revenue department has accepted and said that yes these lands belong to wakf. If they are wakf lands, how can those lands were allotted for setting up of Multi National Companies. Also, whatever land is vacant and not yet been allotted to anybody, the said lands should be immediately released to the Wakf Board.

Speaker Sir, about the Wakf Board, there is no Wakf Board. The Board is not yet constituted. When would the Wakf Board be constituted? The Wakf Board is functioning without a Special Officer. We would like to know as to when would the Special Officer be appointed? In the districts, there are Minorities Welfare Officers. I have mentioned about 15 officers of whom only five are muslims. Non urdu speaking Assistants are getting promoted as the Directors. We would like to know as to when would all the officers get appointed.

About implementation of urdu language, I have spoken already. In each district headquarter, there is not even a single person to receive the application given in urdu language. Nothing has been mentioned about this. I request the Hon’ble Minister to please reply to the querries raised.

SRI AKBARUDDIN OWAISI : These figures are not my figures. The figures are given by the Government. Then, how can such an explanation be given?

(INTERRUPTIONS)

It is a very sad thing sir. The Government is contradicting its own figures.

CHAIRMAN : How can it be contradictory? No, it is not contradicting. Let the Minister give the reply.

SRI AKBARUDDIN OWAISI : The Hon’ble Finance Minister is here Sir. He is the seniormost person sitting here. He should say as to whether what the Minister says is right or wrong. If I am wrong, I will leave everything and go out from here.

SRI K. ROSAIAH : I would like to suggest to our young friend Akbar that neither he is wrong nor the Minister is wrong. Both are right. Actually, the estimates will be of different types. Keeping in view the future, rough estimates will be prepared. Quick estimates, adhoc estimates and the third category is based on ground realities, the revised estimates. There will be a difference in the estimates.
budget is an estimate. At the end of the financial year, if anybody gets up and say as to what you have projected in the Budget is something else and the real expenditure is something else, yes, it will be always there. Estimates does not mean it is the accurate figure. Kindly understand.

SRI AKBARUDDIN OWAISI: I am not disputing as to what the Finance Minister is saying. The only thing, if the figures are wrong, it can be different. Why is it that in few instances, figures are tallying and in some instances, they are not. If there has to be a difference and if the difference is marginal, it is understandable. But the difference is in thousands and lakhs. The Minister has to clarify the reasons as to why there is such a huge difference. The Economic Survey says 3,374 bankable schemes and the Outcome says 6,200 and the Statement given by the Minorities Finance Corporation says 5,000. There is a difference of thousands and if we see the figures given by Maulana Abul Kalam Azad Institute, here the figures are tallying. The Economic Survey says 553, the Outcome 553 and the figure given by the department is also 553. The figure given by the Finance is 159. It is tallying here. Why is it not tallying with other sub-heads?

CHAIRMAN: Let the Minister gets an opportunity.

SRI AKBARUDDIN OWAISI: Then these books should not have been supplied to us.

CHAIRMAN: Let him complete the clarification.

(INTERRUPTIONS)

SRI AKBARUDDIN OWAISI: Then these books do no hold any value.

CHAIRMAN: He has given you an assurance that he will call for a meeting and clarify all those issues. Please sit down.

SRI AKBARUDDIN OWAISI: It is not right. There is no proper clarification being given.

SRI AKBARUDDIN OWAISI: The point which I want to prove with this wrong figures is there is corruption in Minority Finance Corporation. White paper should be issued. There is no sincerity in that Corporation.
They are giving post-matric scholarships totally on par with BCs. Regarding pre-matric Scholarships they are not giving scholarships.

Chairman: We will take that in light manner.
SRI AKBARUDDIN OWAISI: Sir, what the Hon’ble Minister is saying is that figures changed. Fine. I do not want to go into the debate. But for the year 2005-2006 financial year is closed……..

CHAIRMAN: Can I interrupt you. The Minister has also told you a date. He said tomorrow itself he will call for a meeting and give you clarification with figures with the concerned Official. You should appreciate that stand.

SRI AKBARUDDIN OWAISI: I appreciate Sir. But one thing I would like to say is for 2006-2007 O.K. there might be variation. For 2005-2006, the financial year is closed. Now you see, the Economic Survey for 2005-2006 says Economic Assistance Scheme 7000708, the outcome says 8000010. Minority department says 716. Sir, you just think, I have the full statement, that year is closed but still it is not being done and Hon’ble Minister is not giving proper reply regarding the Wakf properties, about the Wakf properties which have been identified as wakf. No proper answer is given. As far as Urdu is concerned our party has been demanding from long that a 2nd Official Language Commission be appointed for effective implementation of Urdu as 2nd Official language in 15 districts. I would like to know does the Minister has any reply. So far as the Minority Corporation is concerned, it has failed. I am once again coming on record and saying to live up to the task in its first 10 months. The Corporation could not achieve any of the physical and financial targets. This is obvious from the varying figures given by various budget documents. Not a single student has been given scholarships. Our party demands white paper on that. Lastly Sir, about the Sachar Committee recommendations, the Committee should be constituted to at least study the recommendations of Sachar Committee. About reservations Sir ….

CHAIRMAN: We will come back on that.
It applies to all.
CHAIRMAN: Owaisi saab, you can have a day long programme with the Minister.

You send me the petition, I will give it to him.
성남시 노인복지 2003년 사업보고서

1. 사업개요
   - 본 사업보고서는 2003년 성남시 노인복지 사업의 개요 및 실적을 담고 있습니다.

2. 사업목적
   - 본 사업의 목적은 노인들의 건강증진 및 삶의 질 향상입니다.

3. 사업내용
   - 사업내용은 여러 분야로 나누어져 있으며, 대표적으로 건강검진, 상담, 희망클럽 운영 등이 있습니다.

4. 사업결과
   - 2003년의 사업 결과로는 다음과 같습니다.
     - 건강검진: 123명
     - 상담: 87회
     - 희망클럽: 24회

5. 문제점 및 개선사항
   - 사업추진 중간에는 몇 가지 문제점이 발생하였으나, 이를 통해 개선사항을 마련하였습니다.

6. 결론
   - 본 사업은 성남시의 노인복지 정책에 큰 역할을 했습니다.

7. 참고문헌
   - 노인복지 관련 자료 및 연구 문헌을 참조하였습니다.

---

SRI AKBARUDDIN OWAISI: Hon'ble Panel Speaker sir, while replying to the debate on Demands for Grants, the Minister for Backward Classes has said that the state government would initiate measures to implement reservation for Muslims by the next academic year by exploring all the avenues to remove the legal hurdles. The Hon'ble Minister for Minorities Welfare has also repeated the same statement. Now, I would like the Hon'ble Chief Minister to clarify to this House whether this government is committed to provide five percent reservations to the Muslims by overcoming all the legal hurdles. This re-assurance is necessary in the wake of recent statement made by the Hon'ble Minister for Information and Public Relations, Mohd. Ali Shabbir, who has stated that the government is contemplating to bring down the proposed quantum of reservation to four percent so as to comply with the Supreme Court ceiling of 50% reservation for different sections of the society. Sir, you are aware that population belonging to scheduled castes and scheduled tribes is going up in every successive census by two percent and there is a need to revise the present 46% reservations keeping in view the increasing population and by 2011 census the existing reservations for SCs/STs/BCs is likely to cross 50% mark. Going by the argument of Mohd. Ali Shabbir, I would like to know whether the reservations announced for Muslims would be dispensed with totally?

More over, the Hon'ble Minister for Backward Classes has said that the government would include few more castes in the existing list of backward classes. As of now, there is request from 212 castes for their inclusion into BC-A category and there is a demand from 37 castes for change of group. The Backward Classes Commission has submitted its report with regard to "Patra Caste" and it is looking into the requests made from other quarters. Hence, further inclusion of castes will be possible only if additional quantum of reservation is provided over and above the existing 25% BC reservations along with five-percent reservations to Muslims. So inclusion of new castes would again mean that present reservation would cross the figure of 50% and it would be against the judgement of Supreme Court.

Sir let me make it very clear that we welcome the inclusion of new castes but at the same time we want the government to implement five percent reservations to Muslims. It is for the government to find out legal remedies and implement five percent reservations to Muslims because 50% ceiling has no Constitutional sanctity. I would also like to know from the Hon'ble Minister for Backward Classes about the present status on five percent reservations to Muslims and what is the progress made so far in this regard and what action the government proposes to take for implementation of five percent reservations to Muslims. I would also like to know from the Minister for Backward Classes whether the Minister for Information and Public Relations has made the statement in his individual capacity or has he made the statement on behalf of the government?
Coming to the Housing, two or three issues needs to be clarified by the Hon'ble Minister for Home and Housing. I do not know as to where the government is heading? The Budget Outcome says one figure, the Economic Survey says another figure and the Hon'ble Minister's statement given on 7th February, 2007 to the Press says some other figure. The Hon'ble Minister while addressing the press conference has said that 3,65,558 houses are completed. The Economic Survey says that till November, 2006 the government has completed 2,63,147 houses, whereas the Budget Outcome says that 4,54,708 houses are completed. Now, my question is that which figure should we take into consideration? It is really shocking and surprising to hear that now the Hon'ble Minister during his reply has said that 4.45 lakh houses have been completed. Going by these figures, the number of houses is going down.

In respect of Indiramma Houses in rural areas the government accorded sanction to 17,67,492 houses, out of which 2,22,968 houses are completed and the percentage is 12% and in urban areas the government sanctioned 2,34,028 houses against which only 8153 houses are completed and the percentage comes to 3.5%. Again the government accorded sanction to 3.188 lakh houses in rural areas, out of which 49,520 are completed and the percentage comes to 16.81% and in respect of urban areas the government accorded sanction to 172690 houses against which only 19850 houses are completed and the percentage comes to 11.5%.

Sir, this House would be surprised to know that under "Flood Housing" the government has given sanction to 2,86,938 houses, out of which only 81 houses are so far completed. Now, we are in the month of March and after three months rainy season would start but the results are disheartening to note. Left and right sanctions were given under flood housing scheme and the percentage of completion is only 0.028%. Even under Rajiv Gruhakalpa Scheme the government has collected one thousand rupees from some people and eleven thousand rupees from some people but not a single house has been handed over to the beneficiaries. According to the Economic Survey the results achieved in Rangareddy and Hyderabad under Normal Housing Scheme is 0%, A.A.Y. is 0%, and Special Housing is 0%. And under PMGY Housing Scheme only 474 houses are completed in urban areas. In my constituency, which falls in Old City not a single house has been completed and allotted in the last three years. Further, the percentage of allocations to Muslims is less than five percent.

Sir, under I.A.Y., the Government of India earmarked funds to a tune of Rs.581.20 crores to minorities during the current financial year for construction of 2.30 lakh houses and it was said that the district wise allocations and targets would be decided by the respective state governments. Under this, the Government of Andhra Pradesh got an allocation of Rs.476.74 crores for taking up houses to minorities. I would like to know as to how much amount has been spent, how many houses have been constructed and how many houses have been handed over to the beneficiaries in the state of Andhra Pradesh. I am asking all these details because the percentage of houses allotted to Muslims is less than five percent and there are two GOs., which clearly says that in urban and rural areas 10% and 20% respectively should be given to minorities but the government is not implementing these government orders.

Sir the figures given in Economic Survey is different to that of figures given in Budget Outcome, whereas the Annual Plan says that Rs.1190.31 crores are earmarked in the annual plan. However, upto December, 2006 the expenditure incurred is only Rs.419.17, which means that only 35% of the earmarked amount is spent. I would like to know from the Hon'ble Minister as to how much amount was additionally released and taken by the department and how many new houses were constructed in the last three months. This question needs to be clarified by the Hon'ble Minister for Housing because we have four figures with us and where is the government heading? These figures show
the seriousness of the government. It is very sad state of affairs. I hope that the Hon’ble Minister will give clarifications to all the questions raised by me. Thank you very much for giving me this opportunity.

2.20

Coordination between Revenue, Housing and other related departments Since three years, single house has not been grounded. There is no coordination between Corporation, Revenue Department and Housing Board.

please coordinate with the Minister.
It is a very sensitive issue. It is an issue wherein Congress Party before elections having been realized the living standards of Muslim Community in general... Congress Party has taken a decision to provide 5% reservation under backward Classes to the Muslim Community. My appeal to one and all is, with regard to Government's commitment to provide 5% reservation to Muslims, there is no hustle about it, there is no second opinion about it and there is no question of going back on that.

SRI AKBARUDDIN OWAISI : Sir, then what about the reduction in the Budget?

SRI D. SRINIVAS : My Colleague Mr. Fareeduddin is here. That again was challenged in the Supreme Court. The counter has been filed and it is now pending in the Supreme Court.

Sir, there is a talk on reservation being exceeded the 50% limit. I think it is for the State Government to manage. The State Government gives necessary explanation depending upon the percentage of population. Sir, I am on record to say that there are also requests from other communities, requesting to include them also in the BC list. We will certainly include them by increasing the percentage. So, there is no question of reducing the BC Reservation at any cost. As on date it is 25% and tomorrow it will be increased but I will tell you that the question of decrease will not arise.
Therefore, through this August House, I would like to reassure that as assured by the Hon’ble Chief Minister, this Government will strive hard and try every thing possible to see that we should achieve our goal of providing 5% reservation to the Muslim Community. Until then, the Government is already providing other benefits meant for backward classes to Muslim community students, such as scholarships, tuition fees reimbursement etc. So, nobody should entertain any doubt with regard to the reservation to be extended to Muslim Community.

Sir, I had answered the issues raised by the Hon’ble Members. Through you, I am appealing to the House to kindly pass the Demand No. 23.
SRI AKBARUDDIN OWAISI : Sir, the Central Government had sanctioned an amount of Rs.476.74 crores and the State Government had already received that amount. Sir, through you, I would like to know, so far how many houses have been constructed and out of that how many have been allotted to minorities.
With regard to information given by Akbaruddin Owaisi garu,
CHAIRMAN: The question is:

"That the Government be granted a sum not exceeding Rs. 123,66,76,000/- under Demand No. XXIV (24) – Minority Welfare."

"That the Government be granted a sum not exceeding Rs. 5444,89,71,000/- under Demand No. XVIII (18) – Housing."

"That the Government be granted a sum not exceeding Rs. 1043,00,22,000/- under Demand No. XXV (25) – Women, Child and Disabled Welfare."

"That the Government be granted a sum not exceeding Rs. 1719,10,09,000/- under Demand No. XXI (21) – Social Welfare."

"That the Government be granted a sum not exceeding Rs. 719,24,14,000/- under Demand No. XXII (22) – Tribal Welfare."

"That the Government be granted a sum not exceeding Rs. 533,95,41,000/- under Demand No. XXIII (23) – Backward Classes Welfare."

(PAUSE)

The Motion was adopted and the Demands were granted.

CHAIRMAN: The House is adjourned to meet again at 8.30 a.m. on Monday.

(Then the House adjourned at 3.13 p.m. to meet again at 8.30 a.m. on Monday, i.e. 12-3-2007.)
