MR.SPEAKER: Now, we will be taking short discussions. Already the cabinet has decided earlier
also and I will verify and take it up. I reiterated again. Since we agreed, afterwards, it is being taken up. we will take it up. Now, leave it.

MR.SPEAKER: Kishan Reddy garu as far as Zero hour is concerned it is primarily bring to the notice of the House. We have gone one step forward. The Minister can reply. Keeping that in view, kindly confine observations and discussions within the time limit. What is the time limit I will decide and get it back.

MR.SPEAKER: There is no dispute on that. You have conveyed it. The Minister is here.
MR.SPEAKER: Srihari garu, please continue.

MR.SPEAKER: Srihari garu you can take about half an hour. The debate will go about two and half hours and you complete in half an hour.

MR.SPEAKER: Srihari garu, please continue.
Maharashtra can use for their beneficial use all waters up to Python Dam on the Godavari and up to Siddeshwara Dam site on Poorna.

Andhra Pradesh can go ahead with building its Pochampad Project with FRL 1091 under 1093 MWC and is free to utilize all the balance water.

The Supreme Court has given an Interim Order.

This is what I said to the Press.

Whether we are bound by it or not? Whether Maharashtra Government or Andhra Pradesh Government, whoever may be, we are bound by it. What I said to the Press was also.....

MR. SPEAKER: Mr. Srihari has made certain observations. He said that he got some information. Both of you sit down for a minute.

MR. SPEAKER: Srihari garu is participating in the debate. If Sriharigaru passes on those clippings to me, I will pass on them to you Ministergaru. You can definitely clarify on it.

MR. SPEAKER: He set the records straight now.
Sir, I am not yielding. This is not at all good on his part.

MR. SPEAKER :  Jeevanreddy garu, let him complete. I will give you an opportunity.
The capacity of the barrage should be reduced to the bare minimum requirement of Government of Maharashtra which has been assessed by them as 1.09 tmc. From the area capacity ratio submitted by the Government of Maharashtra it was observed that at an FRL of 344.2 km., the capacity of the Babli Barrage reservoir is 1.038 tmc and at FRL 334.6 km. the capacity is 1.16 tmc. Therefore, if the FRL is kept at 334.5 Mts., the requirement of Government of Maharashtra can be met and this will reduce the height of the gates by 3.5 Mts. Gates will be closed only after 28th October depending on the inflows and the storage conditions of the SRSP to be mutually agreed by both the concerned States. As the State of Maharashtra is permitted to proceed with the construction at its own risk, it will not claim any equity by reason of the construction being carried on by it.
