23
most of the diseases will come from water.
No, Rajender Garu,
Time has to be maintained. Only half-a-minute. You have already taken five minutes time. That's enough. I will give you only half-a-minute time, after that, I will cut the mike. First day

You are a senior Member. You are 140 plus junior Members. Please finish it within half-a-minute.
MR. SPEAKER: You have already taken extra ten minutes time. Rajender garu, you are a senior Member, don’t put me in a difficult position. Please conclude.
MR. SPEAKER: Not ten minutes, but three to five minutes.

MR. SPEAKER: I expect that Mr. Akbrauddin is a disciplinarian and he will maintain time. I am giving you 30 minutes time.

SRI AKBARUDDIN OWAISI (Chandrayan Gutta): Everybody exceeded ten minutes time.

MR. SPEAKER: Not ten minutes, but three to five minutes.

SRI AKBARUDDIN OWAISI: Hon'ble Dy. Speaker Sir, the Hon'ble Governor Sri Narayan Dutt Tiwari had outlined the strategies and programmes of the Government for the next 5 years. He had also recalled the achievements of the Government over the last 5 years. The people of India in general and the people of A.P. in particular have given 2nd mandate to both the UPA Government at the centre and the Congress Government in the State. In the State capital they have voted decisively for the Congress and our party i.e., the All India Majlis-E-Ittehadul Muslimeen. It is a positive vote for the Government in power for the 2nd time despite the determined effort of the United Opposition led by the Telugu Desam Party to grab the power. The people of the State have expressed their utmost satisfaction with the performance of the Congress Government here as well as in the Centre by giving overwhelming support to the Congress party. This put onerous responsibility on the Government to live up to the expectations of the people and to work with more vigour and determination to fulfill their ever rising aspirations.

SRI AKBARUDDIN OWAISI: I earnestly hope that the Prime Minister Dr. Manmohan Singh and the Chief Minister Dr.Y.S. Rajasekhar Reddy would deliver on their promises and ensure that their Government focus more on the development of the Country, the State and the welfare of the people, more particularly the under privileged sections of society such as Minorities, Dalits, Girijans and other backward classes.
One fact that stands out in the present general elections and the A.P. Assembly elections is the overwhelming support that the minorities (both Muslims and Christians) have extended to the Congress and its allies. The votes of the minorities have been crucial in giving a decisive mandate to the Congress and in ensuring that the forces such as the BJP led National Democratic alliance are kept at bay. The people have also shattered the unfounded dreams of the so-called Third Front led by the Left parties, more particularly the Communist party of India-Marxist and the Communist Party of India, to come to power by propping up so-called regional parties such as the Telugu Desam Party. The drubbing that the Left parties got in West Bengal and Kerala should open their eyes. At the same time, parties like Telugu Desam and Telangana Rashtra Samithi, which had formed the so-called Grand Alliance in the State, have been decisively rejected by the people of the State.

Sir, here, I have a word of caution for the Congress also. The Congress won 33 Lok Sabha seats out of 42 in the State, by polling 38.95% of the votes. The Maha Kutami got 8 seats and polled 33.92% of the votes. The Congress had secured leads in 230 Assembly segments in elections. The Congress could secure a simple majority by winning 157 seats and polling 36.53% of the votes. The Maha Kutami bagged 106 Assembly seats and polled 36.53% of the votes.

In other words, the difference between the Congress and the Maha Kutami was 5.03% in Lok Sabha and 1.99% in Assembly elections in the State. The Congress bagged 73 Assembly seats less compared to its ally of leads in the Lok Sabha polls. The Ruling party must look into this issue and devise corrective measures or else it may face similar trends in the local body elections such as Panchayat Raj and Municipal polls in the near future. More importantly, the Congress must also look into the causes as to why its Assembly candidates, including a dozen Ministers of the previous cabinet and several sitting MLAs lost in the elections.

Now, coming to the Governor's Address, the Governor had merely devoted one line for minorities and only referred to the reservations issue. He had not made any mention of other burning issues of the minorities such as protection of Wakf properties, improvement of the standards of Urdu medium schools and junior colleges, establishment of the Second Official Language Commission for Urdu, setting up of the Minorities Women Finance Corporation (which was promised in the Congress manifesto), the Old City package and the implementation of Sachar Committee recommendations and also very important the Prime Minister's 15 Point Programme for the minorities.

Coming to the highlights of the Governor's address, it is gratifying to note that the Government has reiterated its commitment to continue the 4% reservations for the Muslims as well as other schemes meant for the welfare of the minorities, more particularly the students who are pursuing school and higher education. I would request the Government to make substantial hike in the allocations for all the schemes meant for the minorities.

I would like the Government to expeditiously come out with a special package for improving the literacy rate among the minority girls as spelt out by the Governor in his Address. The Government should also expeditiously implement the decision to convert the existing hostels of minorities and to elevate the residential minority schools across the State on par with standards of Navodaya Schools by improving infrastructure and teaching staff. The Government should also stream-line the procedures and time frame for sanction of scholarships and fee reimbursement schemes for the minorities. Here I would like to bring to your notice that the third instalment scholarship has not yet been paid to the concerned colleges and the colleges are facing hardship due to non payment of scholarships to the students of respective colleges.
Coming to the twin cities of Hyderabad and Secunderabad, I request the Government to conduct elections to the Greater Hyderabad Municipal Corporation so that a democratically elected body is in place in this Metropolitan city, which is one of the fastest growing metropolitan cities in the country. The Government needs to work on war footing to improve the civic infrastructure in the twin cities, which is virtually on the verge of collapse. More particularly I would request the Government to concentrate on improving the roads and the drainage network, filling up of nalas, water supply network, besides some development so that Bolakpur type of incidents should not recur in the city because it is the responsibility of the Government to ensure the safety and wellbeing of the Citizens. It is sad that 14 people have been died in Bolakpur due to polluted water. Only one officer was suspended and no proper action was taken in this regard. Unless the civic amenities are improved and upgraded, it would become impossible for the people to live in the ever growing State capital.

As we all know, the roads are congested, the traffic junctions are not improved. As on today, we have 26 lakhs of vehicles moving on the roads of Greater Hyderabad Municipal Corporation and there is no proper road. Every city needs to have at least 12-18% of roads but Hyderabad city has only 8% of roads. Road widening works have been taken up but they have not yet been completed. Fly over works have been taken up but they have not yet been completed. Whenever we have small down pour of water we see all the junctions and chowrasta's in Hyderabad city with water logging and traffic jam and congestion.

The Government should expedite the work for completion of Krishna Drinking water supply for phase II. I do not understand the reason why the Government is not taking up the phase III of Krishna water Sir. The Government is mentioning about bringing waters of Godavari. Sir I have the details but I do not have the time to spell out the details. After the Krishna water III phase and the Godavari water also we will have a short fall after that also. Why is the Government not doing? The third phase of Krishna water is the bountiful waters of the city of Hyderabad and the Godavari waters are going to be more costlier than the Krishna water and who would take the burden of the Godavari water. The poor people of Hyderabad. Why is the Government shelving the third Phase of Krishna water. The third phase of Krishna water needs to be taken up Sir. It is already approved and we hope that we should take up.

Outer ring roads and Elevated Express way and other major projects taken up in twin cities and the work should be expediously started in this scheme to bring also the Godavari water to the Hyderabad Sir. The Hyderabad Metro Rail Project is in the state of limbo since the Satyam scam broke out and cast its shadow on Maytas floated by the Satyam promoters. Sir this Hyderabad Metro project, I had spoken this in the 12th Assembly sir 5 years back and after we spoke, the Ahmadabad and Bangalore started. We were the first to inaugiate but we have become the last. No Metro Train nor MMTS II Phase and I phase is completed. I say this because the people of Hyderabad, the majority people of Hyderabad use the private mode of transport that is about 80%. Only 20% of people use public mode of transport. RTC buses needs to be increased. who is the king on the roads? The pedestrians are the king of the roads. We do not have proper foot paths in the city of Hyderabad. Not only foot paths, we do not have zebra crossings. We are facing lot of accidents, I have the details. Year-wise accidents are increasing in the city of Hyderabad. The approach roads for the air ports are still yet to be completed. The air port is very good, but the approach roads are horrible I would say sir. What about the fly overs? They are still pending, it is not yet completed. What about the outer ring road? it is not completed. Outer ring road is partially completed, propably for the rich people of Banjara Hills and Jubilee Hills to reach the air port. But the old city people the air port road for Srisailam is not yet been taken up.
and completed right from I.S. Sadan, Malakpet. Why it has not been completed? Why always the old city has been neglected. The roads are being neglected and not completed.

Sir, First and foremost the Bolakpur incident is the result of comprehensive failure of all the civic authorities in the twin cities of Hyderabad and Secunderabad. The Hyderabad Metro Water Supply and Sewerage Board, the Greater Hyderabad Municipal Corporation, and District Health Medical Office, A.P. Pollution Control Board and other officials cannot escape the responsibility of what happened in Bolakpur resulting in that of 14 innocent persons including children. The out break of cholera, gastro-enteritis and jaundice in the area is the blot on the functions of the civic authorities. Sir I would like to just bring some brushing up on twin cities of drinking water pipe line sir. 2,800 K.M. long and sewerage drainage pipeline are 3,400 k.m. long with 1,20,000 manholes and out of that only 40% manholes are having the covers. This is the very important issue. Nobody listen ad nobody pay interest on this issue. Out of 1,20,000 manholes, only 40%, main holes are having covers, 60% do not have. Last year in the reainy season, 4 children swept out in the water and they died. Can't we provide main hole covers for the main holes sir? It is really a pathetic state of affairs what is happening in the Hyderabad Metro Water works. Recently, the Hon'ble High Court has also commented quoting a recent survey in Banjara Hill area that out of 800 manholes a single grill is there. High court has commented and the Government is not acting upon that and the officials are also not acting up on that. The Water Board Officials in the old city of Hyderabad, that the Manjira drinking water pipelines are spread over 994 k.m. Out of this, 123 K.M. pipe line is damaged having leakages and it needs to be repaired . In old city the water got estimated across 216 crores of ruppes. The Government needs to sanction this amount immediately. So that the repair of water pipelines to be taken up in old city. Sir, the Water Board is spending150 crores to 200 crores per annum for attending complaints of leakages. 150 cores to 200 Crores, isn't surprising. Isn't sad. A 200 Crores of Ruppes are just been spent to attend leakages, but the result is nil. The same situation is occuring again and again. Water contamination, and the spread of bacteria in old city in areas like chandrayan gutta, Yakatpura, Saidabad, malakpet, Nampally all these areas have polluted water. Sir,a sum of Rs. 1152 Crore requires for replacement of pipelines to prevent pollution in the water distribution syste. The Board has sought for Rs.74 crores for immediate replacement on defective pipelines in the core GHMC area. The Government is yet to sanction. I hope the Government will take a decision in this regard. For Greater Hyderabad Municipal Corporation area, about water, I will leave it and I will take it up again . I don't have much time sir. If not I would have given details of the tatal water requirement in the city. Sir coming to the Government Hospitals run by the Greater Hyderabad Municipal Corporation in the state capital and they are in a very bad condition. Osmania and Gandhi Hospital we all know what a pathetic state they are all in. My Hon'ble Member Mr. Chiranjeevi mentioned about his visit to Gandhi Hospital, where he had seen the situation there. Not only the Osmania and Gandhi but also the Nilofer Hospital, the Fever Hospital, the Maternity Hospital, as well as other Teaching Hospitals and Area Hospital need urgent attention of the Government as they lack proper infrastructure, staff and medicines. Rajiv Aarogyasree is a very good scheme, which allows allows access to the poor in Corporate Hospitals, but the Government should focus attention to the poor in Government Hospitals and Health centres. There is need to exercise greater vigilance to check the spread of Swine Flu in the city as thousands of air passengers arrive in the city from abroad every day. Eleven Swine flu cases have been detected in India. Out of that, 8 cases are from Hyderabad. It is very alarming state, we need to take care of this and we also need to have Isolation to tackle the swine flu and also proper medicines to be made available at the air ports and all the other centres to check the swine flu spread because the monsoon has come sir and the temperatures are coming down and when the temperatures are down there is higher chances of Swine Flu spreading more. So,
the Government needs to take care of this and I hope the Government would also take care about this.

Sanitation, drainage as I have early mentioned are in a very bad state sir. My Learned Members may feel what am I talking about. Sir you would be surprised that in Hyderabad city every day almost 150 people are bitten by dogs. There is dog menace. What is the Government doing about this There are no rabies injections available in Health Centres in the Hyderabad city sir. I am speaking about this, particularly people might laugh when I say that dogs are biting people in Hyderabad city. Yes sir, 150 people every day and particularly during the rainy season people say that when dog bites, man changes and he also barks like a dog they say. I don't know how far it is true. We need to see it. I am mentioning not only the dog menace, but the Hyderabad city has now become a mosquito city. We are small we use to see that Municipal Corporation use to come with some medicines in all the localities. They used to spray the anti-malaria smoke medicine, but the same is not done anywhere today. There are a lot of mosquitoes all around in the Old City of Hyderabad Sir. These are the small issues, but not body takes care of that. I hope the Government will listen to this and take immediate action in this regard and also sir, about the Home Department and the functioning of city police. Sale of illicit liquor. The cheap liquor I would say Gudambha, Narcotic drugs are prevalent in all parts of twin cities. The use of narcotic among the youth in city has become so widespread that the peddlers of narcotics are now giving 'home delivery' to the addicts. We see in all the pubs and all the parties the youngsters are having heroine. They are getting all the drugs on the roads sir. What is the Government doing? What is the Police doing? Our youth is loosing the track. Narotics are being sold in the city very openly. Not only this, I have seen the Narcotics being sold very easily. On Basheerabag chowrasta I have seen that Ganja being sold very openly and the code names have been given to this also Motia and Chamel they will call it and the delivery is being given to them. This needs to be taken care of. Betting is rampant in the Old City Sir. Satta and bidding is going on in Talab Katta, but nobody is thereby to catch hold of them. The Police are collecting mamool with them and they are not checking and catching those people. In old city carrom board clubs are going where they have gambling centres, nobody is catching. High scale high rocket all of them playing, gambling is going on, but no action is being taken. When I speak about the Home Department Law and order, nobody has spoken about this about the racist attack on Indians in Australia sir. I hope the Government talks to the Australian Government or talks to the Minister for External Affairs, Government of India and seizes that so that the students of Andhra Pradesh are safe and secured. The parents send the students for higher studies and their lifes are in danger over there. Every day the first attack, the boy who was serious hails from Khammam District of Andhra Pradesh.. Four Andhra Pradesh students are injured sir and Hundreds of attacks have been carried out in Australia. But due to fear, the most of the students are not complaining sir. I hope that the Government would take an action and build a confidence among the parents whose children are studying in Australian. Under the Indian Constitution of Article 161/72 of 1973 CR.P.C. 432 and 433/ Article Indian Law 1 18(16) Sec. 55 there is a Provision to release the prisoners who have completed 7 years of life imprisonment sir. In the year 2004 under the provision, the Government release so many prisoners. But now, after the Supreme court clearance no steps were taken. Always I have been requesting for release of one particular person Khadeeb, who was responsible for killing of ACP Sattaiah sir. He has completed 15 years of rigorous imprisonment sir. He can be released. I hope that the Government would issue orders in this regare and also I was very surprised that in the Governor's address, nothing was mentioned about the Maoist, the Naxalites. 5 years back the Government took the initiative having the talks with them. Why not the Government sincere? why don't the Government call them back again and have a talks with the Maoists and see that this naxalites they struggled for socio economic justice. Yesterday the Leader of the Opposition has spoken about the liquor and the belt shops sir. The belt shops have increased like anything. As regards
the Revenue I have the details. I don’t have the time to speak on that. I request the Government to please implement total prohibition in the state. We have so many women members been elected. we have Women Member as Home Minister but liquor is flowing in the state from one end to another end. The National High way roads are also in a very bad condition. When I talk about the roads and National High ways in the last Assembly, I had raised the issue, the Hon’ble Chief Minister in this House has given an assurance and a word saying that any religious structure coming in between the road on the National High way will not be disturbed and now all the religious structures are being getting disturbed. In Adilabad one mosque is coming in between one temple is coming in between, they want to dismantle the mosque and the temple. When an assurance and a word has given in this House after that why this assurance and a word is not been implemented. It is a very sad state. I hope the Government would again issue all the specific instructions to all the responsible officials. The District MRO’s and the Mandal MRO’s and the Collectors should be instructed that any religious structure coming in between the Highways and the roads will not be disturbed. In the last 12th Assembly, in this House, when I raised this issue in this House a mosque been demolished in the international airport Masjid Umare Farooq then the Minister for Minority Mr. Shabbir Ali promised in this house that Masjid Umar Farooq will be reconstructed. Why today till the mosque has not been reconstructed? Amount has been given, but the mosque has not been reconstructed nor the work has been started. Please start reconstruction of the mosque and also construction of Haj terminal in the new air port is yet to be taken up. It has not been taken up. The Hon’ble Chief Minister has given an assurance to my late Father Mr. Sultan Salauddin Owaise that land would be allotted for the new and more spacious Edgah. Since the present Edgah at Mir Alam has become congested. I may remind the Chief Minister about his promise to allot the land for grave yard for different communities including the Muslims.

10.20

Sir, there is virtually no progress in the long pending Charminar Pedestrianisation Project. Work is also tardy on the road overbridges in the Old city. There is need for constructing foot overbridges in the Old city at many places where pedestrian crossing is difficult. The approaches to the city through the national highways, State Highways and other major roads have become prone to umpteen accidents. With the opening of the bypass road at Kothur on the way to Jahangir Peeran Dargah, countless accidents are occurring every day. In the last three months, over 40 accidents, including many fatal ones, have occurred at this spot. I am concluding, the old city package was announced by the Hon’ble Chief Minister in October 2006 to take up work worth 5 crores within 3 years. But there has not been much progress. I urge the Chief Minister to monitor the progress of old city package on weekly basis, so there will be no further delay. The Quli Qutub Shah Urban Development Authority was set up in Congress Government in 1981. But today it hardly gets any funds from the Government and the Government grants are insufficient to pay its staff salaries also. SETWIN was formed for the old city, but SETWIN is also dying. SETWIN started mini buses but they are running those Mini buses in New city but not in the old city. Old city has small lanes and bylanes, we need small mini buses. I request the Congress Government to provide training and employment for the youth in the old city. Sir, Urdu was accorded in the state as the second official language years ago its implementation remains only on papers only. Officials are not showing interest towards Urdu even public utility like APCRTC areas not displaying any destination boards in urdu. The condition of Urdu Medium Schools in areas like Falaknuma is really very sad sir. The Urdu Medium schools does not have proper infrastructure. Urdu Text Books are not being printed after two days schools are being reopened. Non only urdu medium text books other medium text books are also yet to be distributed to the Government schools, this needs to be taken care sir.

About the functioning of the Minority Welfare Department in a State Minority Corporation, A.P. State Acadamy, A.P. Minority Commission, A.P. State Wakf Board.
Most of these bodies are functioning inefficiently. Government must ensure effective functioning of all the Minority related bodies. There is need to increase allocation for the mass marriage scheme of Minorities and also in Dwacra group sir. The percentage of muslim group is only 4% sir, the percentage of Dwarcara groups of muslims is only 4% sir. This needs to be increased sir. Sir those twin cities in Hyderabad and Secunderabad has 42% of muslims population GMC area has 36% of muslim population the single largest minority community is not getting the due in the allotment under various welfare schemes of Government such as Indiramma Housing, Indiramma pension, Rajiv Aarogyasri, Rajiv Udyoga Sri Rajiv Yuva Shakti , Pavula Vatti, Self help group, Abhaya Hastam, Rs. 2 KG rice, Land distribution, House site distribution, Deepam etc, the coverage of Minority in the Housing is less than 1% though they constitute sizable chunk of urban population. Only one percent. Rajiv Gruha Kalpa Rs. 1000 , RS.2000 ,RS. 5,000 and Rs.6,000 they collected from thousands of people from Hyderabad not a single house has been given sir. This needs to be addressed. I hope the Government would take a serious note of this and take action in this regard. The Chief Minister has announced the quantum of rice for white ration card holders under 2 K.G. rice scheme is being raised to Rs, 30 K.G. for family. The UPA Government has also announed to sell wheat at Rs. 3 k.g. to the white card holders, but the existing ration cards are overcrowded and the people are facing lot of hardship to draw their ration. Previously, one ration shop has two card holders but now the same ration shop has 2500 card holders. Why don't you increase the ration shops? why don't you bring the Ration shops in the locality where the card holders are? These are the small issues, but only takes care of these issues. I hope that the Government would take care of these issues.

10.30

The erstwhile Municipal Corporation of Hyderabad was showing revenue surpluses year after year. But, with the formation of Greater Hyderabad Municipal Corporation in 2007, the finances of the expanded civic body are in doldrums. Day before yesterday the High Court has given a judgment for regularization of buildings. I hope that the Greater Hyderabad Municipal Corporation authorities do regularize at the earliest pace so that we get some funds to do some developmental works. The State capital and all the categories of consumers i.e., domestic, commercial and industrial have suffered frequent power cuts during the summer months. The power supply has been erratic even in the rural areas. Now, the Hon'ble Chief Minister has promised to provide 9 hour free power supply to the farm sector in place of seven hours a day at present. The Government has claimed that the gas based power stations in the State have started functioning with provision of gas supply by Reliance from April 1, 2009. That looks like April Fool's joke. I would say. Sir, we have so many projects. I have details of the total power which we consume. The total required power of the State and also the details I have. How much of power would be needed for the irrigation projects and Lift irrigation projects?. If we have to calculate all that, there is a shortfall of more than 3000 MW. I do not understand how the Government is saying and I have the details of the power which was purchased last year and before last year. Where is the coal? Where is the gas? Where is the power? I do not understand. In the Budget Session when I speak on Power I will give the details.

HOUSING : About Housing also I had mentioned. One advise I would like to give to the Government. Power Ministry is with the Hon'ble Chief Minister. I think the Power Ministry should be given to Sri K.,Rosaiah garu because he knows well how to manage the finances and he will be very able to manage the power also.

SCHOOL EDUCATION : Before I conclude I would like to draw your attention to the unhealthy tradition that has crept into the bureaucracy. Senior Government functionaries have to ensure not only efficient and good governance but also fair and impartial administration. It goes without saying that the Government Officials are meant
for to carry out the programmes and policies of the Government and be loyal to the Government rather than to the opposition parties. Otherwise, there will only be chaos and anarchy. In the back drop, I want to refer to the controversial officials during the general elections. Before the elections, the Election Commission of India has shifted the then Director General of Police on the motivated complaints of the main opposition and its allies. We have represented to the Election Commission of India opposing the appointment of Senior IPS Officer.......

(INTERRUPTIONS)

DR. NAGAM JANARDHAN REDDY : He is mentioning the name.

MR.DY.SPEAKER: He is not naming anyone.

SRI AKBARUDDIN OWAISI : There is nothing wrong in that.

(INTERRUPTIONS)

Yesterday the leader of the Opposition has mentioned saying that DGP, IG......when I speak why are you so angry about it.

MR.DY.SPEAKER: Owaisi saab........Owaisi saab........

SRI AKBARUDDIN OWAISI : That DGP is going to retire next year. The TDP has history of taking the police officials; they can absorb him in their own party; they can give him the ticket from Khairatabad or if not from Chandrayangutta. Let that DGP shed his dress and come and fight democratically in the elections. That DGP never comes to the Chief Minister’s Peshi. That DGP gives instructions saying that Akbaruddin Owaisi should be arrested on 14th. On whose instructions? On the instructions of the most opportunistic alliance of Andhra Pradesh, the Grand Alliance, the TDP, CPI ,CPM TRS. Why Sir?

MR.DY.SPEAKER: Please conclude.

SRI AKBARUDDIN OWAISI : No Sir I have to say. I have to set the record straight. We have no faith in him because of his past controversial action. We have informed the Election Commissioner about the communal bias and partisan attitude of that Officer. But the then Chief Election Commissioner in his wisdom has appointed ★★ as DGP. On assuming charge, he acted in the manner that only confirms about his bias against the MIM and its leaders and supporters. He did everything to create an atmosphere of fear in the Old City and to intimidate the muslims especially those who are firm supporters of MIM. When I say this I have documentary evidence which I want to give it to you and to the Leader of the Opposition.

MR.DY.SPEAKER: Please conclude.

SRI AKBARUDDIN OWAISI : Sir, I am concluding. I would like to read a letter which was given by the then DGP★★.

" Certain inputs indicate that activists of MIM are planning to create problem, if required, depending on their assessment of trend of voting, resort to damaging religious symbols, great importance of figures, mysteries of chillas majas nishan darga etc” to evoke disturbance by vested interests is not ruled out.
A close watch therefore should be kept on all religious places of all communities and MIM. So that they get the periodical through mobile parties etc.

Mr. DY.SPEAKER: Mr. Owaisi saab I have an advise.......

SRI AKBARUDDIN OWAISI : Is he not a communal officer. Is he not biased? This Officer is being supported by the Telugu Desham Party. In Hon'ble Chief Minister's Constituency 2 IPS Officers were posted for duty.

MR. DY.SPEAKER: You can speak this in the Budget discussion.

SRI AKBARUDDIN OWAISI : The IG of Visakapatnam what words he used Sir? These officers should be suspended and enquiry should be conducted against them. The IG of Visakapatnam said that Assaduddin Owaisi, my President has a degree of Zila and words of Khasim Razvi, what does he mean that and how can he say that? We not only fought the Grand Alliance. The Grand Alliance was talking very big talks—MIM will lose, MIM is going, MIM will finish. See, the MIM has come with 7 members. You could not go back there. Everybody should realise and understand that. Minorities played a very important role. With all the welfare programmes of Congress, the Minorities and Muslims in particular have played a very major role in bringing back the Congress to power. Minorities are responsible. Telugu Desham please realize and think. You came to power in 1994 and dried out. If you would have closer to Minorities and Muslims you won’t have disclosed this time also.

I am concluding Sir. I have been in this House. I have seen the Hon'ble Nara Chandra Babu Naidu, as a Leader of the House. I have seen him as a Leader of Opposition. But I have never seen him smiling, laughing and speaking. I saw him yesterday. I wish and pray that he be always keeping smiling.

I thank you very much for giving me this opportunity.

We are with the minorities and we are for the minorities. All the time, we were with them.

(ALL THE MIM MEMBERS ROSE IN THEIR SEATS)

SRI AKBARUDDIN OWAISI : I need to be clarified. He has mentioned the word ‘minorities’

MR. DEPUTY SPEAKER : I hope you have listened what he has said. There is no need to clarify.

SRI AKBARUDDIN OWAISI : I need the clarification because my name was taken.

(ALL THE MIM MEMBERS ROSE IN THEIR SEATS)

MR. DEPUTY SPEAKER: Please take your seat.

SRI AKBARUDDIN OWAISI : Sir, why has he taken my name? When he has taken my name, shall I not clarify? I cannot keep quiet. I may definitely be given an opportunity to speak.
MR. DY. SPEAKER (Addressing the Hon’ble MIM members) : Please take your seats. I want to talk to Akbaruddin Owaisi. Please sit down.

SRI AKBARUDDIN OWAISI : Please give me a chance Sir.

MR. DY. SPEAKER : Please sit down.

SRI AKBARUDDIN OWAISI : Sir, I want to come and record and say that Muslims can never vote for a party who had joined hands with the Gujarat Chief Minister. ★★Muslims can never vote for those who shot dead Azam and Azeez in fake encounters. Muslims can never vote for a party who supported the NDA Government when Muslims were being slaughtered and burnt alive in Gujarat.

S. JAMAL (Joint MIM leader) : The name of Telugu Desam Party was not mentioned.

MR. DY. SPEAKER : Please take your seats.

SRI AKBARUDDIN OWAISI : Sir, I have not mentioned the name of Telugu Desam Party. I only said that Muslims can never vote for a party which had supported Narender Modi.

SRI AKBARUDDIN OWAISI : Sir, I never said that Muslims will not support the TDP. Why are they so worried? I only told that Muslims can never support those who joined hands with the BJP. We are not supporting those who were responsible for the demolition of the Babri Masjid. We will definitely re-construct the Babri Masjid at its original place.
SRI AKBARUDDIN OWAISI: Sir, we are not supporting those who demolished the Babri Masjid. ** was then responsible for the same. Congress Party President Ms. Sonia Gandhi is not responsible for the demolition of the Babri Masjid as she had already tendered an apology towards the Muslims. But Mr. Nara Chandra Babu Naidu, though he was hand in glove with the NDA Government when Muslims were being massacred in Gujarat, and never withdrew his support to the NDA Government at that time, has never tendered apology to the Muslims till date. Thus, it is evident that ** has always deceived the Muslims.

**10.50**

SRI AKBARUDDIN OWAISI: Sir, I want to clarify…

MR. SPEAKER: I want to put an end to this subject. Nothing will go on record.

(Both the Telugu Desam and MIM Party Members started arguing with each other)

MR. SPEAKER: Please co-operate. Let the House transact the slated business.

(At this juncture, Sri Akbaruddin Owaisi started pleading with the Chair to give him an opportunity to present his views)

MR. SPEAKER: Mr. Owaisi, you should know that nothing will go on record. You are aware of the rules. Kindly resume your seat. I will give you an opportunity later. First, let the temperaments cool down. I will certainly provide you an opportunity.

SRI AKBARUDDIN OWAISI : Sir, I may not get an opportunity.

MR. SPEAKER: Definitely I will provide you an opportunity to speak. Now, kindly resume your seat.

(Sri Akbaruddin Owaisi then resumed his seat)

The Hindu

Congress Party’s victory by default.
This is a clear anti-incumbency against your Government, but still you won because opposition votes got divided. You must remember that 64% of the voters voted against you.
MR. SPEAKER: I cannot give you any more time. Kishan Reddy Garu please cooperate with the Chair. I have given too many opportunities. Please cooperate with the Chair.

SRI AKBARUDDIN OWAISSI: What does the rule book say? Speaker Sir, has the Hon’ble Member taken permission for bringing the water bottle into the House?

MR. DEPUTY SPEAKER: One more minute. Please conclude.

There is stunning silence in the Governor’s Address with regard to this issue.
window of opportunity for this country.
1.  The House extends its deep sense of sorrow at the passing away of Smt. N. Vimala Devi, former Member of Andhra Pradesh Legislative Assembly from Chennuru Constituency of Warangal District during 1967-72. She contributed a lot for the development of her Constituency. She passed away on 13th February 2009.

2.  The House extends its deep sense of sorrow at the passing away of Sri Bandlamudi Venkata Siviah, former Member of Andhra Pradesh Legislative Assembly from Martur Constituency during 1955-1962. He worked hard for development of his Constituency. He was 80 years. He passed away on 8th March, 2009.

MR. DEPUTY SPEAKER: Let me read out Condolence Motions.

1) This House places on record its deep sense of sorrow at the demise of Smt. N. Vimala Devi, former Member of Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the members of the bereaved family.

mt. N. Vimala Devi represented the Legislative Assembly from Chennuru Constituency of Warangal District during 1967-72. She contributed a lot for the development of her Constituency.

2) This House places on record its deep sense of sorrow at the demise of Sri Bandlamudi Venkata Siviah, former Member of Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the members of the bereaved family.

Sri Bandlamudi Siviah was born on 19th June 1926. He represented twice to the Legislative Assembly from Martur Constituency during 1955-1962. He worked hard for development of his Constituency.

He was 80 years. He passed away on 8th March, 2009.
3) This House places on record its deep sense of sorrow at the demise of Sri Juwadi Sri Ranganayakulu, former Member of Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the members of the bereaved family.

Sri Juwadi Sri Ranganayakulu represented Penugonda Assembly Constituency in West Godavari District during 1989-94. He contributed a lot for the development of their Constituency.

He was 86 years. He passed away on 13th March, 2009.

4) This House places on record its deep sense of sorrow at the demise of Sri Jenna Reddi Janardhan Reddy, former Member of Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the Members of the bereaved family.

Sri Jenna Reddi Janardhan Reddy represented five times to the Mahabubabad Constituency of Warangal District in the Legislative Assembly from 1972 to 1994. He worked hard for the development of the Constituency.

He was 90 years. He passed away on 11th May, 2009.

5) This House places on record its deep sense of sorrow at the demise of Sri Venna Nageswara Rao, former Member of Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the members of bereaved family.

He was 69 years and passed away on 12th May, 2009.

Let us observe Two minutes silence as a mark of respect to the departed souls.

(The House then stood up and observed two minutes of silence as a mark of respect to the departed souls)

(Bell)
(Hon’ble Member then assumed their respective seats)

MR. DEPUTY SPEAKER : Thank you. Now, Chief Minister’s reply on Governor’s Address.

MR. DEPUTY SPEAKER : We are going by the time. Kindly resume your seats. Now, reply by the Hon’ble Chief Minister.

Please sit down. Reply by the Chief Minister.
MR. SPEAKER : Now, reply by the Chief Minister. I request all the Hon’ble Members to cooperate with the Chair. Thank you.

Mr. Speaker: Thank you.

Mr. Speaker: Hon'ble Members, you will see that there is a lot of difficulty in understanding the question. Next time we will follow the convention. I Next time there will not be any ambiguity. 

Mrs. Speaker: I am assuring you that next time, we will follow all these things. Thank you.
10th June, 09

Next time we will rectify this. You are a senior Legislator. You should be a role model for all the young MLAs. I have taken note of it. We will rectify it. Thank you.

10th June, 09
DR.Y.S.RAJASEKHARA REDDY: So now, it is all the more necessary for us to be more vigilant. We have seen instances of less than 5 per cent. marks and now we have instances of much less than 1. To take an example, if a student gets 1 mark or 2 marks, he is not even eligible for distinction marks. If the marks are 60 or so, it’s O.K., continue.

DR.Y.S.RAJASEKHARA REDDY: It is not that I am not trying to find fault with any one. I am not trying to find fault with any one.

MR.SPEAKER: Avoid such comments and running comments. You are a Senior Member. Please, we don’t expect it from you.

MR.SPEAKER: Avoid such comments and running comments. You are a Senior Member. Please, we don’t expect it from you.

DR.Y.S.RAJASEKHARA REDDY: So now, it is all the more necessary for us to be more vigilant. O.K, good, go ahead, continue. Good, O.K, continue. very Good and so. Marks distinction marks vey necessary. 60 marks necessary. It’s O.K, continue.

O.K, good, go ahead, continue.

A new system of evaluation has been introduced.

O.K. we are serious. We are talking on a serious issue.

I am not trying to find fault with any one.

...
MR.SPEAKER:- When the Leader of the House is speaking, Ruling Party Members and Other Party members should not comment.

Mr. Shri. Minister of State (Mr. A.)

When the Leader of the House is speaking, Ruling Party Members and Other Party members should not comment. We really tried for a better mandate. In 2004, we had 230 seats. In 2004, we had 184 seats. We really tried for a better mandate. In 2003, we had 230 seats. We really tried for a better mandate.
they got carried away to some extent.

politics of divisiveness and the Telangana demand. This is not relevant to Telangana problem or demand of forming separate State for Telangana.

divisive forces are creating, menacing, dividing, sowing, waging, igniting, in the name of Telangana demand. That is not about the State at all. You please be rest assured.

This is not relevant to Telangana problem or demand of forming separate State for Telangana.
Common Minimum Programme of the UPA Government had also echoed the sentiments of the people of Telangana in its categorical statement. The UPA Government will consider the demand of Telangana State at an appropriate time after due consultation and consensus.

What exactly consensus is?

The Government of Andhra Pradesh has no objection for the formation of Telangana State in principle and feels that the time has come to move forward decisively on this issue. However, before taking a decision many of the issues need to be sorted out as serious concern has been raised with regard to the State Borders. The Government has therefore decided to constitute a Committee of Members of both the Houses to deliberate the issues and to come to a consensus for the formation of Telangana and further steps will be taken after the report from the Joint Committee of
Members from both the Houses is submitted to the Government. as soon as possible. The Government will do the needful in the matter. I am quoting all the Newspapers.

"17, 2009 Eenadu Newspaper, 17th 2009 Eenadu Newspaper, Eenadu Newspaper, Eenadu Newspaper, Eenadu Newspaper. I am quoting same day Eenadu Newspaper."

10th June, 09

A new report into the world’s demand for farming has revealed that...
MR. SPEAKER: Please conclude. You are giving speeches not asking clarifications.

This is not right. While seeking clarifications, you must be specific. Now, last clarification Rajender Garu.
SRI AKBARUDDIN OWAISI: Speaker Sir, through you, I would like to seek few clarifications from the Hon'ble the Chief Minister. Firstly, I would like to remind the Hon'ble Chief Minister that five years ago, there were many friends like TRS, CPI and CPI(M) and in the period of five years, the Government lost all the friends and it was MIM and only MIM which stood beside the Government and the Chief Minister. In reply not even a single word has been mentioned by the Hon'ble Chief Minister about the issues that have been raised by the MIM. I feel very saddened about it. I hope that at least in clarifications, the Hon'ble Chief Minister will address to the issues raised by me.

Firstly, the most important burning issue of the minorities is about the protection of wakf properties and the second is improvement of standards of urdu medium schools and junior colleges. Sir, for the last ten years, I have been requesting that due respect and place should be given to urdu language and also for the establishment of second Official Language Commission for Urdu. Also Sir, what about the recommendations of the Sachar Committee?

Speaker Sir, my party is also part of the UPA Government at the Centre. Sir, there is a very beautiful programme, viz., Prime Minister's 15 Point Programme. Sir, during the last five years, this programme is not being implemented in the State of Andhra Pradesh. I would like to know as to whether the Congress Government is going to implement the 15 Point Programme for the minorities.

Sir, the single largest muslim minority community is not getting its due share in the allotment of various welfare schemes. I have the statistics with me. But as I am running short of time, I would like to just mention the names of schemes. Sir, Under Indiramma Housing, in Hyderabad city, not a single house has been given. In urban housing, in the entire districts of Andhra Pradesh, only 1% houses have been given to muslims. This is really an injustice Sir. I hope that the Government would take a note of this. Under Indiramma pensions, again the percentage is very low. Sir, it is the same case if we take the schemes like Rajiv Arogyasree, Rajiv Udyogasree, Rajiv Yuvasakthi, Pavali Vaddi Scheme, Self help groups, Rs. 2 Kg rice, land distribution, house sites distribution and Deepam, etc. Nothing has been mentioned Sir. We are the lone friend stood with the Government and we will be standing with the Government. That is the reason why I just want some answers Sir because my position becomes very embarrassing in front of the Opposition.
Next, I would like to draw your attention to the fact that new academic year has just begun and in the admissions for all the professional courses, I request that the Government should make it that 4% seats are allotted to minorities and they should also be provided with scholarships in all the courses. Many courses have been left out in the scholarships and fee reimbursement Sir.

Sir, about construction of Haj Terminal, long back it was promised that Haj Terminal would be constructed. Still it is not yet constructed. Haj season is coming after three months. I hope the Government will note of this Sir. Also about the construction of Masjid-e-Farooque Azam at the International Airport, it was demolished when the International Airport was getting constructed. In this House it was promised that the mosque would be reconstructed at the same site. I hope that the Government would take a note and start construction of the mosque.

My next clarification is pertaining to Highways. In widening of Highways, in all the National Highways, in this House, the Hon’ble Chief Minister had given an assurance that no religious structure or mosque or temple would be removed or demolished. If they are coming in the way, the route of the Highway would be changed. But in Adilabad and Nirmal and in many parts of the State wherever the Highways are getting constructed, notices have been issued. Also, two or three graveyards have been finished. I request that the Government would make a note and give specific instructions that no religious structure would be demolished.

Then, coming to the racist attack on Indian students in Australia, I request the Government to take a note of this and please talk to the Government.

About the swine flu cases, out of the 11 cases detected in India, 7 cases have been detected in Hyderabad. I hope the Government will make a note of this.

Lastly, about the old city package, I request the Hon’ble Chief Minister to have a review at least once in a week or once in a month to see that old city package is implemented. It has been three years Sir and most of the works are in pending.

Sir, I thank you very much for giving me this opportunity and I request the Hon’ble Chief Minister to reply to the queries raised.

We are very keen about it. I will have a review at my level and if need be, I will convene an All Party Meeting with regard to the implementation of the recommendations of the Sachar Committee. About 4% reservation, we will see to it that in every college and at every place, the reservation gets implemented.
Almost about 8-9 months back before elections
