MR, SPEAKER: I think that is enough.

MR, SPEAKER: You are going on asking the questions.
MR.SPEAKER: I think we have discussed this 4 or 5 times. You are having a meeting on 29th.

MR.SPEAKER: You are having a meeting on 29th, we will discuss it on that day. You should also appreciate because you have allotted 4 times to discuss on this subject.

You are talking on every subject. I am giving you an opportunity on every subject. The Minister is going to held a meeting on 29.8.2009. You express your views there.

You are talking on every subject. I am giving you an opportunity on every subject. The Minister is going to held a meeting on 29.8.2009. You express your views there.
I am really worried about your...
SRI AKBARUDDIN OWAISI: Sir, my name was mentioned. I need to clarify.

MR. SPEAKER: Please sit down. Let him finish. I will give you an opportunity.

MR. SPEAKER: He did not take your name in any derogatory way. He just said that you were angry.

SRI AKBARUDDIN OWAISI: But I need to clarify about that.

MR. SPEAKER: Please sit down. Let him complete. I will give you an opportunity.
MR. SPEAKER: The House has passed …… I said ‘please sit down’

MR. SPEAKER: Please don’t shout. 

That is the only thing he said. He did not pass any remark against the opposition party or about any one. We have to regulate the time. Either all of us to regulate or allow the Speaker to regulate the time.

That is all.
MR. SPEAKER: Again you are making aspersions on the Chair.

SRI N. CHANDRABABU NAIDU: What is the signal are you giving?

MR. SPEAKER: I am giving very good signal. I do not require your suggestions. I know what signal I am giving. I am giving very good signal. You have to keep discipline in the House. I am very clear and I want to run the House according to Rules, Regulations and conventions. I will not run the House on anybody’s will or dictation. This House has to go according to Rules, Regulations and conventions. I am very clear.

I am a Speaker, that does not mean that I came from outside. I am one among you. I respect every Member and you as I respect the Chief Minister. I am one among you. I am not opposing anything. Don’t think otherwise. I will not have anything to insult you. I am not here to insult anybody but to respect you all. All of you here are elected by the people. Moreover, I do not insult any one but respect everybody.
If you do not want to run the House, I cannot do anything. I respect every Member here as I respect the Chief Minister and the Leader of the Opposition Party.

(Mr. Akbaruddin Owaisi rose from his seat to speak)
Please sit down Abkar. I will talk to you later.

(At this point of time Mr. Akbaruddin Owaisi is showing with action to the Congress Members how he was asked to sit down forcibly on the previous day.)

Mr. Akbaruddin, Please sit down. This is my reaction. You can see the CD. Please sit down Akbaruddin. That is the respect you are giving to the Chair. I watched the CD. very closely.

(Interruptions)
That was my tone. That is what I am telling to-day also. Again you are crossing your limits. It is not proper.

(Interruptions)
Mr. Akbaruddin you are not only the person who was standing. You came in between. Then people were standing for permission. I had rejected permission to more than ten members from TDP and Congress party including Sri G. Kishan Reddy and Sri J. Ranga Reddy. I was requesting them to sit down. You came in when this was going on.

(Interruptions from Sri Akbaruddin Owaisi)
See how you are behaving.

(DR. Y.S. RAJASEKHAR REDDY)
Mr. Akbar, please sit own. What is this? After all, every one has to cooperate for running the House smoothly.

(Interruptions)
Mr. Akbar, please sit own. Ultimately, every one has to see that the House run properly. You should not get agitated so much.

(Interruptions)
MR. SPEAKER: It is the Speaker who does not have the self respect. Is it? What are you talking? Please take your seat.

(Interruptions from Sri Akbaruddin Owaisi)
DR. Y.S. RAJASEKHAR REDDY: It is not that way. Please sit down.

(Interruptions)
MR. SPEAKER: If you are not interested in running the House, I cannot do anything. Please take your seats.

DR. Y.S. RAJASEKHAR REDDY: నేను స్థాయి మాత్రం ఇద్దరు అంటే ఆంధ్రప్రదేశ్‌లో మనం తీస్తుంది. మనం తీస్తుంది.

(Interruptions)
Please sit down...

MR. SPEAKER: When the Leader of the House is speaking, please take your seats. If you do not want to cooperate, I will have to adjourn the House. We are not going to loose anything.

What is this behaviour?

MR. SPEAKER:  When the Leader of the House is speaking, please take your seats. If you do not want to cooperate, I will have to adjourn the House. We are not going to lose anything.
Sri Akbaruddin Owaisi was on his legs interrupting the House.

I would request that Sri Kishan Reddy be permitted by the Chair to ask questions as many as he likes. No problem.

(Sri Akbaruddin Owaisi was still on his legs interrupting the House)
MR. SPEAKER: Please take your seat

I have made it very clear. Akbaruddin Owaisi – if you have anything against me, I am sorry about it. I have never used anything which is objectionable. I am requesting you to please sit down.

(Sri Akbaruddin Owaisi was continuously interfering)

Let me finish.

While you were entering the House Yesterday, Kishan Reddy Garu was on his legs. I think Mr. Jaya Prakash Narayan was asking. Mr. Ranga Reddy was asking. Five or Six Members from TDP were asking and even eight or nine Congress Members were asking permission about that Question. I had already rejected permission because several Members had already spoken. By that time you have entered. You came in between while they were on legs. I was requesting them to sit down. That was the time when you entered and asked that you should be given an opportunity.

SRI AKBARUDDIN OWAISI (Chandrayanagutta): Even after I was suspended, it went on for two hours. ……..

MR. SPEAKER: It went for two more hours. That is a different issue. I was only requesting to please take your seat. I was only repeatedly asking you to take your seat.

(Sri Akbaruddin Owaisi was uttering while on legs even without Mike permission being given, “I would like to come on record. If I am wrong, I will resign.”)

How long you go on like this. What can I do? You have made personal remarks against me. That is the reason ……..

(Interruptions from Sri Akbaruddin Owaisi)

It was over. Please come to my Chambers. I will talk to you. I will explain what had taken place in person. This is not the time. Please come to my Chambers. I will explain. Now please take your seat.

SRI AKBARUDDIN OWAISI: I won’t come to your Chambers because you have found fault with me. Give me Mike. Let me say. I should say everything. I am having a right to ask Mike. It is not going on record.
MR. SPEAKER: What is this? You are disturbing the House. I will not give Mike if you stand like this. Every time you bring pressure on me and try to get opportunity.

(Most of the Hon’ble Members belonging to TDP were on legs continuously interrupting the House)

If you are not interested in the House being run, I can’t do anything. The House is adjourned for ten Minutes.

(The House then adjourned at 09.41 AM)
(After Break, the House re-assembled at 10.08 a.m.)
(Hon’ble Speaker in the Chair)

...
MR. SPEAKER: As a Speaker, I have to run the House according to the Rules, Regulations and Conventions. You should understand that I am one of you.

10.10

It is only to regulate the House, I am requesting you to please sit down. It is very difficult for me also. Moresover, the Leader of the Opposition, he is a man who has been the Chief Minister of this State for 10 years. He came from my district. Why should I insult anyone? That was not my intention at all. Please take that away from your heart. Try to please analyse viewing from my position.

As a Leader of the Opposition and also as a Chief Minister who served the State for nine years, I am making it amply clear. Try to please analyse viewing from my position.

MR.SPEAKER: I am giving it to your leader.
MR.SPEAKER: When the Leader of the Opposition was talking I interrupted because he said that I am insulting him. I wanted to make my stance clear. Please take your seat. Let your leader talk.

(INTERRUPTIONS)

Please sit down.

MR.SPEAKER: I am requesting your leader. After your leader, I will give opportunity to you.

MR.SPEAKER: Do you want me to clarify that?

© Expunged as ordered by the Chair
I have directed the Minister to prepare a Statement and be ready. Then we will take up the issue of Rama Rao. After Akbar finishes, we will take up drought.

I didn’t look at the Chief Minister. I accepted your request because when I feel that it is justified, I will take my decision. Every decision, I will take. Please do not attribute motives. On your request, I have allotted five hours time to the discussion on drought. I didn’t look at the Government. On the request of the Leader of the House I have said that. On your request, I have allocated five hours time to the discussion on drought. I didn’t look at the Government. When the Leader of the House requested to take it up tomorrow, it was not that the issue was closed.

I have directed the Minister to make a Statement. Similarly, I have directed the Minister to make a Statement. I don’t look at the Government. Every decision of mine will be according to merit. Please keep that in mind. I am not going to yield to pressures. The Leader of the House got every right to request to take up the issue tomorrow. I considered his request. I considered your request before that.
See, you take that into consideration. I request all your cooperation. I have to tell my view because what you are attributing is on the Chair. As an Opposition party, I have to tell my view because what you are attributing is on the Chair.

MR.SPEAKER: Your views should be suggestive. I will take all your suggestions. But they should not be in the way of questioning the Chair. You give suggestions. I will take all your suggestions and run the House.
I am not yielding. Yield

but not to disturb the House.
Everybody,

The Live telecast has been started. It was the private people who are giving the output. Even during Telugu Desam period, it is only the private people, who were giving the output. It is not being twisted..... Fact is not being twisted..... So the Live telecast is going on, even though we are facing difficulties. Fact is the reason why...

MR. SPEAKER: Harish Rao garu, one minute. From the time, when the Live telecast has been started, it was the private people who are giving the output. They are modern cameras, therefore, it is difficult to handle...
Your assumption is not correct.

You please put it in front of BAC.
SRI AKBARUDDIN OWAISI: Mr. Speaker, I rise to speak with lot of pain, hurt and lot of anguish.

It is not only a sad occasion for all of us but also in the history of AP Legislative Assembly. I say this not just because of the incidents happened today or day before yesterday but right from the day of the commencement of the august...
House. Sir, I am sorry to point out that during the recent past there were so many incidents where rules and regulations have been followed for once own convenience and precedents have also been followed for once own convenience. I am not mentioning for whom, but we have used rules according to our convenience and I am sorry to say that we have exploited the rules and regulations and at the same time we have also exploited the usual practices of this House.

Sir, there was one incident about which I am saddened was the incident relating to the suspension of my colleague Sri Dayakar Rao. Sir, I am not well versed in Telugu. “Rowdy laga meeru matladuthunnaru”, just like that. Later, it was discussed and the Leader of the House said that I only told “do not talk like a rowdy. Why are you talking like a rowdy?” Sir, now the question is, I won’t use it. But in future it is going to be an example for the new Legislators, in this House. I want to know when the Hon’ble Leader of the House himself states “don’t talk like a rowdy” and if the same words were used by any other person against anybody, will it going to be acceptable? Sir, I want to know, if I say the same thing to the Chair or to the Leader of the House “Rowdy laga meeru matladuthunnaru”, will you feel good about it or bad about it. You are accepting it and justifying it, which means that in future any one can use that. Is it not very sad? Sir, it is very sad and that is the reason why I say that rules and procedures are being used for one’s own convenience.

Sir, we spoke so long, long, long time about drought. God forgiven……

Now, the coastal region is now flooded with water, but our discussion on drought is still continuing in this House.

Sir, the rule clearly says to have a two hour discussion. Then it is fine. Sir, the rule also says that the Speaker’s authority is final. He can allow the discussion for two hours or 4 hours or 6 hours. Sir, I am not questioning your authority. The
question here is, why are we using the rules and regulations for our convenience? Is it good? How many demands are there and how many groups are there and how many days were they discussed? Once again I feel sorry. On drought we have discussed for about 10 days. Kindly count on the working hours. Sir, then what are the working hours? From 8-30 AM to 1-30 PM. The House will be adjourned exactly by 1-30PM. It is just like an alarming bell. Sir, 1-30 PM, it will be finished. Sir, whenever, we have a serious discussion, we can extend the time. We can have evening sessions. On drought we have discussed for ten days. But on one Demand, nine groups are there and I am surprised to see that five to ten minutes were given when one is speaking on the Demands. Sir, what happens? If I am being interrupted, my concentration is gets diverted. Hardly after one minute of our speaking, we were told “come on, finish it”. Sir, when we speak on the Budget in an elaborate manner, we will be told “you can speak on this while speaking on the related Demand when it is taken up for discussion”. But when the Demands were taken up discussion, we will be given three minutes, five minutes or seven minutes. But when we speak subjects related to the Demand, three to four minutes will only be consumed by a single subject. One Member was given two minutes and other Member was given five minutes. Sir, is it realistic? Where are we going? Sir, I want to come on record and say that all the Members come prepared to speak on the subjects. As far as I am concerned, I will spend hours and hours on my preparation. That is the way I will prepare for all the Demands. But I was only provided 10 to 15 minutes. If I do not get a chance to sufficiently speak on the subject in this august House, where shall I get an opportunity to speak? Sir, are we not killing the democracy? Sir, if a Member does not speak about an important issue and if he does not expose the lapses of the Government, on the Floor of the House, then what is the fun of coming over here?

Sir, the Chief Minister today raised and said “Akbar ku kopam vachindi” Sir, kopam means anger. Sir, why did it come? Why Sir? Did it mean, I am nothing and simply shout in the House. Sir, this is my third term as a Member of this august House. Even during the time when I was not the Floor Leader of my party, I never came into the Well of the House. Then what made me to agitate so
much? That was not shown and nobody spoke about that. All the newspapers wrote about Akbar misbehaving with the Speaker and Mr. Rosaiah Saab rose to the occasion and suspended him. Why like this? Sir, what was the reason for Akbar getting Kopam. During my three terms I always came to the rescue of the Chair. Sir, when you were the Speaker, I also came to the rescue of the Chair so many times. When the Senior Legislator Sri Ashok Gajapathi Raju was mentioning few things, which I felt should not be spoken in that way addressing the Chair. I had objected to that stating that the dignity of the Chair should be maintained. Sir, what was my demand? I was asking for one minute. Please Sir, give me one minute. Allow me to speak for one minute. That was my request.

Sir, I am not questioning the authority of the Chair. It is your prerogative and it is within your power whether to give or not to give me a chance to speak. I do not expect always to get a chance to speak. Fine, I am not disputing that. My agitation was not for my being denied to speak or not being provided me mike to express my views. My agitation was about the way in which I was treated by the Chair. I can not spell it out. I can not spell it now about the way in which I was treated by the Chair, because my father’s teaching, my parents teaching, my upbringing, my family background and my education do not permit me to do that thing. I can not repeat those words, because I am on mike. Then there would be no difference in between me and I don’t say again… I don’t want to say again. I should not be treated like that. I felt bad about that. I should not be treated like that.

(At this juncture, “please conclude” comments came from the Treasury Benches)

Yes, I will conclude. I will sit.

MR. SPEAKER : Please continue.
SRI AKBARUDDIN OWAISI: Sir, I will go on record and say the way I was treated and how badly I got hurt.

MR. SPEAKER: I have already told you that if you are hurt, I feel sorry for that. I do not want to hurt you. I have already gone on the mike and told that I never want to hurt you. I want to do nothing of that sort. I already made it clear that at the time when you entered into the House, nearly ten Members were already on their legs for a time and I had rejected their request. Nearly 40 to 50 supplementaries have raised. I had already rejected the requests Mr. Kishan Reddy and Mr. Ranga Reddy to speak on the subject. Nearly 5 Members from TDP and 5 Members for Congress and other parties were on their legs requesting for an opportunity to speak but the same was rejected by me. After rejecting the time for nearly 10 people who were agitating, I could not give you time at the given situation. Please try to understand the situation. The Chair and the House have also to function and the business has to be completed.

SRI AKBARUDDIN OWAISI: Sir, you told sorry for that, but my intention was to express as to how I felt bad about that.

MR. SPEAKER: I said that before also. My intention was not to hurt any one.

SRI AKBARUDDIN OWAISI: I do not want to elaborate more on that. I was only saying as to why I was agitated about it. Sir, there is lot of distress, heart-break and anger in the Muslim Community, because they have been denied about their rightful place in all walks of life and it is me who represents their anger and frustration…

MR. SPEAKER: But not on the Chair…

SRI AKBARUDDIN OWAISI: Sir, I was not going on that.
MR. SPEAKER: Even the Chair was also hurt by your comments. I have been in this House for four terms. You and your brother are good friends of mine. We should also have some restraint while addressing the Chair and that was the request I made.

SRI AKBARUDDIN OWAISI: Sir, I just conclude. I was saying that I represent a community which has been denied their rightful place from years and years. Lot of heart break, lot of anger and lot of frustration is there in that community. I am pacifying them. Sir, I am here. Thank God. In front of me there is a mike. Otherwise, where will I go? What will I do? Sir, day before yesterday, I was so hurt that I thought of going and joining naxal group, leaving all this because I am not getting a chance to speak in this august House.

MR. SPEAKER: That is enough. Leave it there.

SRI AKBARUDDIN OWAISI: It is so heart breaking. Sir, every body got self-respect. I am a respectful person.

MR. SPEAKER: Again, you are going into the subject.

MR. SPEAKER: I was hurt by that. Lastly, I would just like to conclude. I am not reading it to you Sir. Do not take it wrong Sir. I am reading it to the Leader of the House, through you.

“Speaker represents the House. He represents the dignity of the House, the Freedom of the House. Because the House represents the nation in particular, the Speaker becomes the symbol of the nation’s freedom and liberty. Therefore, it is right that that should be an honoured position, a free position and should be occupied always by men of outstanding ability and impartiality.”

I have just mentioned that. I hope everybody will understand that. Sir, I think that the House should not be run like this. Again, if any body thinks I was wrong… because the live telecast has been censored. The newspapers always do
not write as to what has happened inside the House. I would say Sir, let the live telecast be uncensored and let the people be judges. Let them decide the things. Everybody feels that we are misbehaving and the Speaker is very nice. Opposition is not letting the House run. Let us all come together and if any rules or regulations have to be framed on live telecasting, we will do that. Sir, I think people should know as to what is happening in this House. Smaller parties like us should get an ample opportunity to speak because we are here to protect the democracy. By not allowing us an opportunity to speak, you are not protecting the democracy but we would be killing the democracy. Let us all go together and decide upon system of running the House.

Sir, still they feel that I have done any mistake; I would tender my apology subject to the condition that a Members’ Committee be constituted and the CD should be examined. If I was found guilty of my behaviour then I would resign from this House. This will be done subject to the condition that if all the Members will see that CD and reports “yes, Akbaruddin, you are wrong. You misbehaved with the Speaker. You should not have misbehaved like that.” Sir, then I would not only submits my resignation and but also tenders my apology.

I have requested the Minister to confine to the answer and conclude it. That is when all this started. That is when all this started. I think till 01.30 pm, we discussed about the same subject. Because, Business of the House cannot run. Because, Business of the House cannot run. I request all the Members that my main function is to regulate the business and the time. If, I cannot regulate the time, it will not be properly utilized. Yes, Kishan Reddy Garu.. Please conclude.

MR SPEAKER : Kishan Reddy garu, again you are deviating from the subject. Let the Minister conclude.

Every member is responsible for the people...
(15)
Past is past.

8:30 am to 1:30 pm

(Translated from Kannada)

Past is past.
I can't help without sympathizing with your situation and position. I am not in any way trying to say that.

Ultimately, it is for the people to judge. Ultimately, it is for the people to judge. After all, what is Democracy? Democracy is a game of numbers. It is a game of numbers.
The House is adjourned

I don't think there is absolutely anything wrong in it.

I don't think there is absolutely anything wrong in it.

unintentional
SRI AKBARUDDIN OWAISI: After adjourning the House, the Hon'ble Speaker should call the Leaders to his Chambers and have a meeting with the leaders.

DR.Y.S.RAJASEKHARA REDDY: That is what I am telling. That is exactly what I said. People expect quite a lot from us. After all, we are all brothers and sisters here. Let us all forget. After all, we are all human beings.
It is no that. In your age you have done extremely well. Because I have seen him here for the past so many years, you have been magnanimous to say that you never meant like that. Let us all try to bring in some sort of a very good atmosphere.

M. 12.10

My Dear friend Akbar must have got hurt. Because I have seen him here for the past so many years, you have got lot of sympathies. In your age you have done extremely well. You got lot of sympathies. I got lot of sympathies.
Democracy is a number game.

With all humility at my command I am saying this Mr. Chandrababu Naidu garu. Democracy is a number game. Unfortunately you are not here, we are here.

MR. SPEAKER: All of you have spoken now let me speak. If it is genuine I will accept it.

I am not that type of person.
I have got no objection.

1 hour 15 minutes was the time allotted to the Telugu Desam Party for drought discussion. The time taken by the Telugu Desam Party on clarification was 3 hours 52 minutes.

As Speaker I know my duties. I know what I have to do. I am one among you. I am a servant of this House. You should not forget that. I am not the 1st Speaker. There is going to be 18th Speaker also.
to come into the
lobby at a time
It is not proper to get exhibits into the House. It is not being censored. I really don't mind. It may be harsh. Don't be under the wrong impression that it is being censored. If you want all things here, I really don't mind. It is not being censored.
If you want anything to be reviewed, we will sit in the BAC and review. There is no problem.

I request all of you, Democracy is a number game
MR. SPEAKER: We will sort out that issue in the BAC.
We will discuss in the B.A.C. Meeting. You express your views.

Tomorrow, I will call for the B.A.C. Meeting, there you can express your views. I will tell my opinion, because we cannot get into an argument. Leader of the Opposition and the Speaker cannot get into an argument like this. You give your opinion. I will tell you what is the actual position.
SRI AKBARUDDIN OWAISI: Hon'ble Speaker Sir, we had all the discussions and it's a very good ending and I think that on my part it is the responsibility of mine also as a responsible Legislator to tender my apology and also my heartfelt regrets, because at the heat of the moment and out of anger and frustration I might have also used some unwarranted words in the House or outside the House and my act or my behavior might have been hurtful to the Chair and to your kind self. So, I once again tender my apology and express my heartfelt regrets in this regard not only to you, but also to all the Members of this House. I think in that heat of the moment few things went wrong and I am sorry for that. At the same time, I also thank the Leader of the Opposition for lending me the support in this regard and building my strength in that and I also would like to say that Mr. Jaya Prakash Sahab was the first person to call me and support me in this regard. Really he supported me. For that I am thankful to him also. I thank Mr. Kishan Reddy for that. I also thank the TRS friends for calling me and supporting me the other day. I also thank all the TDP Legislators and Prajarajyam Legislators and in particular the Hon'ble Deputy Speaker. I would also like to thank Chief Whip sahab for coming to my Office and enlightening me. Mr. Nagender Sahab and C.P.I all the Members have really supported me. I once again thank the Leader of the Opposition whom I opposed for 10 years. But when we needed you came with us. For 10 years we supported (Congress) them and also thank them for getting us suspended.

DR. Y.S. RAJASEKHAR REDDY: See Akbar, my Learned Friend and Dear Friend I can only tell you this that it was not a very pleasant duty on my part to recommend for your suspension. You will have to understand that. It was not at all a pleasant duty on our part. But you know ultimately assume that even if a Speaker had done something wrong assume, you must have only taken that it is only direction against you. When so many Members were there, very distinctly. He first said, please sit down sit down. Please sit down. at a later stage in a little louder voice he said sit down. But at that point of time, when you reacted little violently, I never saw you reacting so agitatedly in my 10 years of knowledge about you. You are also very much agitated. You have gone straight on to the Podium.

(Interruptions from Sri Akbarrudin Owaisi)

No, No. I am not going into all that. I am trying to explain myself that it was not a pleasant duty on my part. It was not at all a pleasant duty but ultimately we had to do that because the Speaker wanted us to take a decision on that. The Speaker also felt very much hurt. When he wanted us to take a decision at that point of time, what option is left to us? Ultimately we had to protest the Speaker. As one of the Major Parties in the House we had to protest the Speaker. That was only the reason. Otherwise it was not at all a pleasant duty.
SRI AKBARUDDIN OWAISI: Sir, Please do not say that Democracy is a number game. Democracy is not a game. The word of game should be avoided.

Dr. Y.S. RAJASEKHAR REDDY: No, no. My intention is not to project Democracy in any lighter way. My intention is to project Democracy in its absolutely true spirit and letter. The true spirit and letter is that ultimately I only attempted to say that we had all fought, they got little less number of seats and we got little more number of seats. Ultimately, whether it is a game of Cricket or whether it is any other game, whoever gets more number of runs he will be declared elected, and just by viewing in that angle, let’s not anyone think that I am trying to denigrate Democracy. No one needs to understand in that way.

I would like to clarify to the Leader of Opposition that on that day, I don’t exactly remember. 4 or 5 days back after my reply for the drought.

Let me also tell Dayaker it was almost 2.00 p.m. when the Speaker had obliged. After the regular hours, when the Leader of the House himself is requesting that the discussion be adjourned for the next day because I have some urgent meeting then the Speaker in his own wisdom and right
he did that. So I never try to influence the Speaker or I never try to pressurize the Speaker. I am just trying to set the record straight.

MR.SPEAKER: The House is adjourned for Tea break for 5 minutes.

(The House then adjourned at 12.43 p.m. for Tea break for 5 minutes).
(The House Re-assembled at 12.43 a.m. with the Hon'ble Speaker in the Chair)

SRI AKBARUDDIN OWAISI : Hon'ble Dy. Speaker Sir, I would just like to recapitulate the introduction given by the Hon'ble Minister regarding this Bill. He had mentioned about the Committee which was constituted and the report that was submitted by the Committee to the
Government. Subject to this report, the Government has taken a decision that weightage would be given for the Intermediate marks and EAMCET ranking would be on that weightage.

Sir, my first question to the Hon'ble Minister is that, we have 3 major medium of education i.e., English, Telugu and Urdu and later on we have other medium of education. I would like to know in that Committee which was constituted, can the Minister give me the break up of the members belonging to which medium? This is very important. Did they belong to English medium or how many belonged to the Telugu medium and how many belonged to the Urdu medium? The reason for me asking this question is, when we have this weightage the direct beneficiary of this weightage would be only English medium students not the Telugu medium and Urdu medium students. If we have to see the passing percentage of the total students appeared for the Intermediate examination, what is the passing percentage of English medium, telugu medium and urdu medium students? In that Sir, the very important thing is that how many students secured 70% and more in English, Telugu and Urdu medium. When we see that breakup, the percentage is very minimum. It comes to almost zero in telugu and urdu medium. The sufferers will be telugu and urdu medium students. Sir this is a telugu State. We should see how we can protect the language and the students studying in this language. Sir, I would like to give one example of Hyderabad district. The Total number of Government Junior Colleges in Hyderabad city are 19, if I am wrong I may be corrected. Last year the upgraded new Junior colleges are 3. Total Junior Colleges in Hyderabad district are 22. Leaving apart the upgraded colleges taking the old 19 Junior Colleges, the total required strength is 424. The present lecturers working are 130 that means there is 70% shortage of the sanctioned staff in these Junior colleges. The vacant posts are 294 i.e., 70%. In this the maximum number are Telugu and Urdu medium junior colleges. Very few are English medium Junior Colleges. When we do not have ample teaching staff we can imagine what would be the passing percentage and this weightage would be benefited for only those student who secured more than 60%. If he secures less than 60% i.e., 50% weightage he will not be benefited. A telugu medium student studies Intermediate and more of his time he spends for studying EAMCET and in EAMCET he gets good marks but his hard work and good ranking in EAMCET would be getting affected because of the weightage and this weightage is really funny. When you hear about this weightage you yourself will be surprised. To arrive at the final rank, marks secured in the 3 subjects and EAMCET would be calculated for 75% and they would be add to 25% equivalent to the marks secured in the core subject. I am telling you Sir, but it is hard for me to understand. I do not know how the minister would be able to explain. For example if a student secures 140 marks out of 160 marks in EAMCET his marks would be obtained by dividing 140 with the multiplication of 160 and 75, if I am wrong I may be corrected. It would come to 65.625 marks and this would be added to the 25 equivalent on intermediate marks obtained. Using similar formula again similar procedure would be adopted for CBSE and ICSE syllabus. The best part is in case of tie when allotment in EAMCET category the comparison for better rank would be arrived by first considering the total marks in EAMCET and if they are also equal Maths and Biology will be the next consideration. Again if there is a tie, marks secured in Physics in EAMCET would come into picture and if they are also equal, the total marks obtained in Intermediate examination would be taken into consideration and if still there is a tie? Sir you see what they are doing, the date of birth would be considered and the Older would get effectively the higher rank. What weightage is this Sir? I have all the details of the students who passed out. Confused weightage is there Sir. This year 60.15% students have passed 4% lesser than last year. In this the passing percentage of Urdu is less than 40%, telugu it is 55% and 70% secure marks in Telugu medium.

I would like to bring to your kind notice through the House that from the Telugu Medium only 21% of the Candidates secured 70% and from Urdu Medium it is only 9%. The report in this connection has been given by the Committee. Unfortunately, all the Members of the Committee are from English Medium and not from either Telugu Medium or Urdu Medium. In that case, how can they do justice to the respective languages.

Therefore, through you I would like to request that this Bill may be sent to Select Committee for detailed study and with the proposal to re-
constitute the Committee keeping in view the languages interest, then only, real justice would be done to the respective languages. Otherwise, a beautiful Language like Telugu and a sweet Language like Urdu are certainly going to die. I hope, the Minister will understand my request and if he thinks that I am wrong I may be corrected. Lastly I would like to request that the bill may be sent to the Select Committee for detailed study and I would also request that the Committee may be reconstituted keeping in view the larger interest of both the languages.

The mood of the House today was quite satisfactory. However, there was a sense of urgency in many debates during the day. The government has made several announcements about the upcoming budget, which is expected to be presented in the next session. The opposition parties are preparing their strategies to challenge the government on various issues.

The House discussed several important matters, including the recent changes in the education policy. The government has decided to increase the allocation for education in the next financial year. The opposition parties have raised concerns about the implementation of this policy, and there are debates on whether the increase will benefit all students equally.

On the economic front, the government has announced several measures to boost the economy. The budget allocations for infrastructure development have been increased, and there is a focus on promoting small and medium-sized enterprises. The opposition has criticized these measures, stating that they may not benefit the lower-income groups.

Overall, the House was busy with a lot of debates and discussions, and the mood was relatively positive.
SRI AKBARUDDIN OWAISI: Sir, through you, I would like to bring to the notice of the Government about the need to effectively implement various guidelines given with regard to Urdu Language. Sir, despite Urdu being declared as Second Official Language in 14 States nothing concrete was done in this regard. Urdu is being given the step motherly treatment. Therefore, through you, I would like to request the Government to effectively implement the various guidelines given by it, declaring Urdu as Second Official Language.

Secondly, I want to say a few words with regard to EAMCET. It was known that more than 84,000 qualified students did not appear for counseling. So, all these seats going to be vacant. Apart from this, through you, my request to the Government is, let the medical, BDS and microbiology seats be allotted basing on the student’s intermediate performance. This will reduce the burden on the students. Otherwise, the students will go to cities like Bangalore and paying lakhs of rupees towards fees and studying over there.

I therefore, request the Government to consider my request for abolition of EAMCET examination and allotting seats on the basis of intermediate marks in the best interests of our State.

SRI DHARMANA PRASADA RAO (MINISTER FOR REVENUE): Mr. Deputy Speaker Sir, I beg to move:

“That the Andhra Pradesh Land Reforms [Ceiling on Agricultural Holdings] [Amendment] Bill, 2009 be taken into consideration.
MR. DEPUTY SPEAKER: Motion moved. Minister Garu, can you make a brief Statement.

SRI R. CHANDRASEKHARA REDDY (Wanaparthy): Sir, I rise to oppose this Bill. The reason is very simple. The very concept and the purpose of enacting a legislation on land reforms is being defeated. What was the hurry? Heavens are not going to fall within a week days’ time.
I am appreciating the efforts of the law-makers.
The lands vested in the Government under this Act shall be allotted for use as house sites for agricultural labourers, village artisans or other poor persons owning no house or house sites or transferred to the weaker sections of the people dependant on agriculture for agriculture or for the purposes of ancilliary thereto in such manner as may be prescribed.

Provided that as far as may be practicable, not less than one half of the total extent of land so allotted or transferred shall be allotted or transferred to the Members of Scheduled Caste and Scheduled Tribe and out of the balance not less than 2/3rd shall be allotted or transferred to the members of backward classes, classes of citizens notified by the Government for the purposes of Class IV of Article 15 of the Constitution of India.

As said by him, It is not a small Bill. It is having very bigger implications and complications.
I want to caution the Government. I am pretty happy. I welcome him. I welcome your suggestions. If I am wrong, I may be corrected. Let them come out.
I once again reiterate Sir. I have again suggested the example fabricated documents as well as fabricated stories. I once again reiterate Sir. I have again suggested the example fabricated documents as well as fabricated stories. I once again reiterate Sir. I have again suggested the example fabricated documents as well as fabricated stories. I once again reiterate Sir. I have again suggested the example fabricated documents as well as fabricated stories.

Outside the periphery of land ceiling sir.

Very simple 
you come back. You
can ask again in clarifications. So many members also have to speak.
MR. DEPUTY SPEAKER: You have already mentioned that.

Either to overcome this law, or even to utilise/sell the paucity of time, or the opposite may be more interesting. Paucity of time, or the opposite may be more interesting.

MR. DEPUTY SPEAKER: You have already mentioned in the demands.
SRI AKBARUDIN OWAISI(Chandrayanagutta): Hon'ble Deputy Speaker Sir, before going into the details of the Bill, I would like to briefly analyse few things. Sir, land reforms, after the independence, a first attempt for land reforms in the country began with the abolition of intermediaries and bringing tenants into direct contact with the State. Thus, in Andhra Pradesh area, the Madras State abolition and conversion into Ryotwari Act in 1948 was the commencement of land reforms. This Act was abolished and brought all tenants in Ryotwari system. Similarly, Inam Act had also been abolished by Inam Abolition Act and conversion of Ryotwari Act, 1956 came into force. In Telangana Area, jagirs have been abolished and the formation of Andhra Pradesh (Telangana) Area and Abolition of Inam Act 1961 was passed. Then the Agricultural Ceiling Act came into force and then Urban Land Ceiling Act came into force.

Sir, when I see the whole of the history, the basic aim of the land reforms was to give land to the landless poor. This was the basic aim and if we have to see, I would like to ask the Hon'ble Minister and if I am wrong, I may be corrected. Land under acquisition for APIIC and the land sold in the last five years by APIIC, this House would be really surprised if the figures are revealed. Sir, an extent of Ac.22,070.02 of was sold in and around Hyderabad. For Growth Centre at Zaheerabad, Tumkunta, total extent of land acquired is Ac.491.13 of land. Then in Prakasam District, an extent of Ac.16.62 of land has been sold in the last year. Like this, the total extent of land sold just in the year 2008 by only APIIC is Ac.1840.03 of land.

Deputy Speaker Sir, ten days back the Annual Report of APIIC for the year 2007-2008 was tabled in this House. I would like to invite your attention to Page 8 of the Report, Resource Mobilization. During the year 2007-2008, an amount of Rs.3529 crore was collected by way of sale of land as assigned against an amount of Rs.1,111 crore during the year 2006-2007. As per the directions of the Government an amount of Rs.3,000 crore is remitted to the Government during the year 2007-2008 as against the amount of Rs.1,000 crore during the year 2006-2007.

Sir, now I would like to invite your attention to Page 9 of the Report which says: “Your Directors are happy that the Company has taken possession of Ac.5,655.06 of patta land and Ac.16,422.73 of Government land during the year 2007-2008. The aggregate extent of land taken over by your company since its inception is Ac.40,412.76 and Ac.53,147.82 of Government land. If we club both, it comes to nearly Ac.1 lakh of land.

Coming to assignment lands, after APIIC, we have other agencies like APIDC, APUVC and Housing Board. If we go into the details, the question was admitted on 26th February, 2007. Details have been given in this. Again, if we have to see, this House would be surprised to know that for an SEZ in Chittoor District, nearly an extent of Ac.5,000 of land and an extent of Ac.10,000 of land for an SEZ in Kakinada was given. What is the purpose in this Sir? In this list of APIDC, APUVC and Housing Board, the total extent of land given to them was Ac.57,000. Sir, the assignment lands which have been recovered from the people and lateron released again. An extent of nearly Ac. 80,000 of land is being held by the Government and that also has been allotted to APIIC,
Housing Board and HUDA. Just in and around Hyderabad, Medak and Mahabubnagar District, Ranga Reddy District; the total extent of land that has been sold is nearly Ac.1,112 of land. Not only that, wakf lands and endowments lands have been allotted. Sir, LANCO Hills, ISB and IMAR are all wakf lands.

I would like to know from the Government. Sir, you have not only sold large extents of land, but small, small bits of land in the city were also sold. More than Ac.2 lakh of land has been sold in five years.

Sir, the main purpose of the Land Reforms Act coming into enforcement was to distribute the lands to landless poor. Under the Jagir Abolition Act and Inam Abolition Act, it was the muslims who lost their lands. Under Jagir Abolition Act, an extent of Ac.2 lakh was lost. Under Inam Abolition Act, nearly an extent of Ac.1 lakh of land was lost. Under the Urban Land Ceiling Act, nearly an extent of Ac.1 lakh acreage was lost. Almost an extent of Ac.4 lakh acreage, the muslims lost in the Land Reforms Act. And what did the muslims get in return? Nothing. Only today, I have received a letter under the Right to Information Act. The total land distributed in four phases to minorities is only 1.43%.

For God’s sake, whatever land is available, please protect these lands and take up housing in this land. I would like to know from the Government as to how much more money they will take and how much more lands they will acquire from the poor people. I would like to request the Government because I know they have the majority, they will pass this Bill whether we support it or not. My only submission is this. Please stop this selling of land and Telangana lands. Just in four years, nearly Rs.12,000 crore worth lands were sold. And the entire amount was spent in the development of Andhra and Rayalaseema regions. Rs.10,000 crore worth taxes go from Hyderabad. Still we do not have anything. Where is the money going? This is the injustice which is being caused to the people of Telangana particularly Hyderabad.

Stop this for God’s sake. Stop this auction of lands.

SRI R. VENKAT REDDY (Minister for Cooperation): Sir, I beg to move –

“That the Andhra Pradesh Rural Electric Cooperative Societies (Temporary Provisions) (Amendment) Bill, 2009 be taken in to consideration.”

MR. DEPUTY SPEAKER: Motion moved.

26th aug., 09 142
SRI M. LINGA REDDY (Proddutur):- Mr. Deputy Speaker, Sir, This Bill is intended to amend Section 2 of Andhra Pradesh Rural Electric Cooperative Societies (Temporary Provisions) (Amendment) Bill, 2009. The purpose of the amendment is to extend the tenure of the nominated in-charge Persons of the Committees. The nominated persons are appointed. The very purpose of the cooperative institutions is defeated. These RESCOS are there in some of the places in Andhra Pradesh and not every where, with a view to provide electric connectivity to monitor low voltage and to replace the burnt transformers etc. When the body is elected from among the users and that will be responsible for the activities, functioning and ultimate results of the Society. The societies have been functioning in the remote and scattered places where regular administration and set up cannot function effectively. The very purpose is to solve the problems of the people living in the remote and scattered areas. But here a person is dominating for the sake of political rehabilitation. So, the very purpose is defeated.

We have elected Members for Primary Cooperative Credit Societies, Weavers Cooperative Societies, Cooperative Diaries, Water Users Associations etc. Why don't we have elections for these Societies also? Because the activities of these societies are not connected with the farmers and the common domestic consumers. It is connected with the day to day activities of the farmers and domestic consumers. It is in no way connected with the future of the farmers. If any negligence is caused, there is every chance to dry up the crops and the farmers will be put incurable loss. The Government should not play a dual role in regard to cooperative societies. On hand, the Government is endeavouring to undermine and to kill the very existence of the cooperative societies. They are nominating the non-official persons. On the other hand, the Government is intending to insert the cooperative farming which is a failure in all the countries. We know, Cooperative Spinning Mills, Cooperative Sugar Factories, Cooperative Diaries were all closed. Then the Government was only a mere spectator while they were functioning.

Here there are two things involved. 1) Functioning of the cooperative system—that is defeated here. 2) Entrusting the powers to the Government to nominate the non-official body by extending the tenure of the nominated body. A person who is nominated by the Government does not evince any interest in the functioning of the society. He will not be responsible for the consumers, the persons to whom the benefit has to go. Here I cite one example. There are advisory committees for Government Hospitals. The local M.L.A. is the Chairman for the local hospitals.

MR.DEPUTY SPEAKER: Please listen. You are a new Member. What you are talking on the Bill is an amendment to the existing Bill.

SRI M. LINGA REDDY: How the Advisory Committees are functioning in the Government Hospitals land District hospitals. I will give an example. In the Karimnagar Dist. Hospitals, Mr. Kamalakar Rao, local M.L.A. is not nominated.
One second Sir,…

MR.DEPUTY SPEAKER: Please sit down. You will come back while clarifications are taken up.

SRI M. LINGA REDDY: By virtue of Government decisions, the cooperative institutions, local bodies have been deteriorating.

MR. DEPUTY SPEAKER: Your point is taken. Now Mr. T. Harish Rao from TRS Party.

Please sit down Linga Reddy Garu. You are a new Member Don’t agitate so much. Please sit down.

MR.DEPUTY SPEAKER: Motion moved. How discussion on the Bill.
MR.DEPUTY SPEAKER: It is already in force. I request all the Members to cooperate.

SRI T. PRABHAKARA RAO (Nandigama): In the first instance, I want to express my cordial regards to our beloved leader Sri Chandrababu Naidu Garu and Sri Uma Maheswara Rao Garu for having given this opportunity to a fresher like me. Let me read the text of the demand. I would like to draw your attention to Section 23(1), Clause ‘C’ of the Andhra Pradesh Municipalities Act, 1965 which was in force prior to its amendment by the Andhra Pradesh Municipal Laws (Third) Amendment Act 2005 (Act No.29 of 2005). It provided that out of the total number of offices of Chairpersons in the State, the Government shall subject to such rules as may be prescribed by notification reserve such number of offices to the SC, ST, BC and Women. Section 23(1) of the said Act which was amended by the Andhra Pradesh Municipal Laws (Third) Amendment Act 2005, (Act No.29 of 2005) provides that the Chairperson and Vice Chairman shall be elected by the elected Members and Ex-Officio Members.

MR.DEPUTY SPEAKER: Would you like to add anything further to that?

SRI T. PRABHAKARA RAO: Sir, we are Members of the Legislative Assembly and Assembly is our Floor where we can discuss or put forth our views. Members of Parliament can express their views in the Parliament. Sir what made the Ex-Officio Members to participate in the voting? They should not participate in the voting because we should not be exported or imported. We are pertaining to this Assembly and Members of Parliament pertain to the Parliament. We should not be incorporated to voting in the Municipalities. We are confined to Assembly. My point is this. We are confined to Assembly. Members of Parliament are confined to Parliament House. MLCs. confine to the Council. We should not be incorporated to vote in the Municipalities.

MR.DEPUTY SPEAKER: This is about providing reservation to Municipal Chairpersons. We cannot deviate so much.

SRI T. PRABHAKARA RAO: I am emphasizing this point now. This is our Floor. Our rights should not be snatched away because it is our Floor. Parliament House pertains to Members of Parliament. We should not be exported or imported.
MR.DEPUTY SPEAKER: Your point is taken.
