In the first instance, I would like to say that this appears to be hasty type of thing. Therefore, how can we support this 7 months' resolution right now? That too to abridge the fundamental rights. There is no way that this House can take it up. Because we, right from you, we and everyone have sworn on the Constitution of India. We have to protect the Constitution of India. In the first instance, I would like to say that this appears to be hasty type of thing. Therefore, how can we support this 7 months' resolution right now? That too to abridge the fundamental rights. There is no way that this House can take it up.
Hon'ble Deputy Speaker Sir, all the political parties, TDP, TRS, PRP, Communist Parties and myself all are one in this. I want to request the Government to please withdraw the introduction of this Bill. Earlier also, this issue has been discussed. I fail to understand as to why the Government is in haste to bring in this Bill. My learned friend, Dr. Jayaprakash Narayan has given all the details about this being in violation of Article 19(1) and 19(4) of the Constitution of India. I request the Government to please withdraw the introduction. Later on, we can have a meeting. You call for a meeting with all the Floor Leaders where we can discuss in this regard and a decision can be taken accordingly.

SRI AKBARUDDIN OWAISI (Chandrayan Gutta): Hon'ble Deputy Speaker Sir, all the political parties, TDP, TRS, PRP, Communist Parties and myself all are one in this. Mr. Dy. Speaker: Normally you cannot make a submission on this unless you give it in writing. I have allowed the Members to speak.

28th Aug., 09
How can you say like that?

Sir, there is a provision in the Cooperative Societies Act to have a Special Officer under Section 34(1). When there is a misappropriation, when the illegal activities are going on, the Government has got the power under Cooperative Societies Act. So far as the Registration Act is concerned, we are not having any such power. That is why we are introducing this Amendment. We are going to have a right to supersede any society which indulges in illegal activities and misappropriations and other things.

Let me complete, brother. You are reading only Article 19(4). What about Article 19(5)? Under Article 19(5) we are taking this one. There is no trouble. Also, the Society has been registered under Section 7 of the Registration Act. So, there is no conflict. It is not unconstitutional. It is in conformity with the provisions of the Constitution, the rules and provisions. That is why you should not object for introducing the Bill. If at all, you have got any objection, when we discuss the Bill, you can raise all these points. I also give reply to all those points which you would raise and if it is unconstitutional, then the courts are there. We feel that it is clearly on the basis of the Constitutional provisions. We have consulted the law department. We do not bring in any legislation hastily to take action.
against anybody. That is not our intention at all. Only to safeguard the interests of the Cricket Association where they indulged in malpractices, I don’t want to say more than that about this man and how this man behaved. You might have seen in the press about his activities. For that purpose only, we bring in this Amendment. In the interest of public and to safeguard the interests of the Cricket Association and to avert the activities of this man Chamundeswarinath, we would like to bring this Amendment. That is the only intention and nothing else.

(INTERRUPTIONS)
MR.DEPUTY SPEAKER: I think we will leave it here. Let me clarify the rule position in the Assembly. Summarily, no Member can oppose the introduction of the Bill unless he has given it in writing. One minute Jayaprakash Narayan Garu, why are you so animated? Once you have given it in writing, the Members are allowed to make a very brief Statement giving his reasons for opposing the Bill. We are only at the introduction stage. When the mater comes up for a detailed discussion like the Hon’ble Minister has just now mentioned, we can have a very detailed discussion and you can mention all your points. That is the rule position. So, we will leave it at that.

(INTERRUPTIONS FROM DR.N.JAYAPRAKASH NARAYAN)
You have already made your request. Members from various parties have spoken. The Hon’ble Minister has made it very clear. We will go ahead with it. We will leave it here now.

DR.N.JAYAPRAKASH NARAYAN: I am on a Point of Order?

SRI GADE VENKAT REDDY: They are relying on Article 19(4) and I am relying on Article 19(5). How it is unconstitutional, that is the point for consideration here.
Reading of the Constitution is enough.

MR. DY. SPEAKER: That is subject to interpretation. I have gone through the Bill. It says when you willfully disobey the orders of the Government.

DR. N. JAYAPRAKASH NARAYAN: It is not an interpretation. It is the letter of it. I have a right to reply because they have asked me the questions specifically.

19(4) is the only provision of the Constitution under which the liberties of 19(1)(c) can be curbed. 19(5) talks about 19(1)(d) to move freely throughout the territory of India. A simple reading of the Constitution. There is no question about it. It is unconstitutional and I am totally disappointed with the Minister when he said... I demand a full discussion under the Rules because this is outside the legislative competence of this House.

A powerful force has been unleashed. It seems to have started, but has accelerated over the weeks. The wind has changed, and the situation has become more urgent. A large storm is building, and it seems to be coming from the north. The government has declared a state of emergency.

The storm is expected to hit tomorrow, and the winds are expected to reach up to 120 km/h. The government is advising people to stay indoors and avoid unnecessary travel.

MR.DEPUTY SPEAKER: Not acceptable. You are discussing in detail this subject. Please try to complete.

There is no need. Un-necessarily, you are creating an issue.
MR. DEPUTY SPEAKER: You are not supposed to make any allegation against the Members, unless you give in writing. This is not as per procedure. You cannot make an allegation against the Member. He is your own party Member that you are making allegation. Unless you serve the notice, how can you do that?

MR. DEPUTY SPEAKER: Narsimhulu garu, you have taken sufficient time.

MR. DEPUTY SPEAKER: From both sides, we can finish the subject and take up discussion on TTD. Such an important subject we have. Kindly allow discussion on that. This is also an important subject.

please sit down.

MR. DEPUTY SPEAKER: Order has to be restored in the House first. Please sit down.
SRI G. ARAVINDA REDDY: Sir, during the last few days if we notice in this House, it is so pathetic.
We should be specific on the subject. Let us not degrade ourselves. Let us not degrade our Leaders. We are expected to speak about public issues. None of the public issues have been addressed. Let us put a full stop.

MR.DEPUTY SPEAKER : Certain practices we are following. This is supposed to be on clarification. You are going into Discussion. I will give you opportunity.

MR.DEPUTY SPEAKER : I am taking the opinion of all the Floor Leaders. You can’t go into the details of the case.

SRI AKBARUDDIN OWAISI: Sir, the issue has been accepted by the Chair and the Discussion was allowed and going on accordingly. On one particular word which I don’t want to repeat, an objection was raised by the Opposition Party saying that it is an Un-parliamentary Word. Now the question that arises is whether that word is Parliamentary or Un-parliamentary. Hon’ble Deputy Speaker needs to give a Ruling on that. If it is Un-parliamentary, that should be expunged and we should proceed with the Debate and let us finish the Debate at the earliest.

I would like to remind all the Members about taking up of other issues. One issue is on Demand. I was asked to speak two days before. I spoke hardly for Half-a-
Minute and sat down. I request you to allow me to speak on Demands wherein Minority Welfare Demand is also included.

Now, you give a Ruling on that word whether it is ‘Parliamentary’ or ‘Unparliamentary’.

MR.DEPUTY SPEAKER: Let the Member express his opinion.
MR. DEPUTY SPEAKER : I will give my Ruling.

MR. DEPUTY SPEAKER : Yes, I am very clear. We will go through the Record. If anything is found Un-parliamentary, it will certainly be expunged.

MR. DEPUTY SPEAKER : Let us go to the subject.

MR. DEPUTY SPEAKER : Muddu Krishnama Naidu Garu - We will go through the record. Anything Un-parliamentary will be expunged. I have already advised the Officers. Please sit down.

MR. DEPUTY SPEAKER : Please sit down, Muddu Krishnama Naidu Garu.

MR. DEPUTY SPEAKER : Sailajanadh Garu - Let's not get excited. Please.

He is a Doctor.

I have sufficient command over the Telugu subject.
DR. N. JANARDHAN REDDY: What is this Sir?

MR. DEPUTY SPEAKER: What is this? Why are you getting agitated. This is uncalled for.
DR. N. JANARDHAN REDDY : Point of order Sir,

DR. S. SAILAJANATH : What is this Sir?

MR. DEPUTY SPEAKER : Under what Rule?

Sir, let us forget this matter. You are a politician. Here is the discussion. I am advising you, please go back to your seat. I am sorry. No question for the Chair. Janardhan Reddy Garu. Please sit down. Please be restraint.

At that juncture, the Hon'ble Member Sri T.V. Rama Rao occupied the seat beside Sri S. Venu Gopala Chary leaving his Seat.

This is very un-democratic
MR.DY.SPEAKER: Such an important and precious time of the House is being wasted. It is being wasted. 30 days of the Assembly Budget Session have gone without any serious discussion on peoples' issues. I am very saddened. It is my second term as a legislator. I didn't expect this august House to be used for such purposes. I am very very saddened. Senior Members from all sides have to cooperate with the Chair in running the House. I am very very saddened.

It is very very unfortunate. This is a Government record. How can the Chair satisfy you? You tell me. How can I satisfy you? What is this?

(TDP MEMBERS WERE RAISING SLOGANS AGAINST THE RULING PARTY)
