“Progress means exchange of one nuisance for another nuisance.”

The concept of exchange is often misunderstood, especially when transitioning to a new place or situation. It is important to understand the context in which this quote is used. The quote is often interpreted as a commentary on how progress often involves trade-offs between different aspects of life.

In this case, the quote can be interpreted as a commentary on how progress often involves trade-offs between different aspects of life.

For example, when moving to a new city, one might gain access to better job opportunities, but at the same time, they may have to adjust to a new social environment.

Similarly, in technology, progress often involves the exchange of one set of features for another, such as when a new software release includes new features but also introduces compatibility issues with existing software.

In conclusion, the quote highlights the importance of understanding the trade-offs involved in progress and recognizing that they are often necessary to achieve the desired outcome.

MR.SPEAKER:- Ramesh Garu, let it be short.
the policy of pay principle

The policy of pay principle is a principle where the payment of rent is based on the principle of pay principle. This means that the rent is calculated based on the tenant's ability to pay. The tenant is expected to pay a portion of their income towards rent. If the tenant is unable to pay the full amount, they can negotiate with the landlord to pay a lower amount. This principle is often seen in countries where the housing market is competitive and tenants have limited income.

However, this principle can also lead to issues such as over-renting, where tenants are forced to pay a higher rent than they can afford. This can lead to homelessness and displacement of low-income families. Therefore, it is important to have regulations in place to ensure that tenants are not over-rented and have a stable living environment.

MR. SPEAKER: Akbaruddin Owaisi Garu, single person supplementary question.

SRI AKBARUDDIN OWAISI: Hon'ble Speaker, Sir, I do not know what exactly the answer is. If you see the question and see the reply, no details have been given. I do not know why this type of answer is given. The Hon'ble Minister for the question 'a' says 'yes' and question 'b' says 'yes,' and for the question 'c' instead of giving all the details, he says 'no.'
Under the Welfare for the minorities Table, there is no specific budget. There is a specific instruction given under the 15 Point Programme that a specific budget allocation has also been made under this programme and that allocation of budget has also been transferred from Central Government to State Government for the welfare and upliftment of the minorities. In the reply of the Hon’ble Minister, the details are not there.

This is the subject for which the Hon’ble Minister is concerned for 14 Departments and it is the budget allocation and the funds which needs to be utilized. It could have been better if the Minister for Finance and the Chief Minister reply.

Even when all the details like the guidelines how it should be implemented, who is the Nodel Officer, when the meetings should be convened, reports needs to be submitted etc. but the Hon’ble Minister says that no specific funds were given.

MR. SPEAKER: I think, the funds from the State and not from the Centre. You are asking about the details of the Central funds.

SRI AKBARUDDIN OWASII: Yes Sir, Central allocation is a must for every State. We spend the amount which is received from the Central Government. It is very clear that 15% of that amount under different heads, needs to be spent for the welfare of the minorities.

Sir, if we go into the details for the years 2006-07, 07-08, 08-09 and 9-10

I.C.D.S. – 15% should be implemented.

Sarva Shiksha Abhiyan - 15 %

Kasturba Gandhi Balika Education Scheme – 15 %

Sampoorna Grameena Rojgara Yozana,

Swarnajayanthi Gram Swarojgar Yojana/ Shahari Rozgar Yojana…

MR. SPEAKER: By this answer, there is an attachment to the question.

SRI AKBARUDDIN OWASII: Yes. Yes. I have seen that. For all these schemes, there is an attachment to the question. What I want to bring to the notice of this House and to the Chief Minister through you is, availing this opportunity, we have received the amounts, not the State Government’s share, but from the Central Government, the total grant amount for the years, 2006-07. 07-08, 08-09 and 09-10 are as follows:-

TOTAL FOR 9 SCHMES.    9,854.98                   1,478.24.

My question is that this amount has not been spent or might have been spent, if spent, it needs to be noted and for that we have very clear and specific guidelines. The guidelines says that State Union Territories are expected to constitute a State Level a Committee for implementation of the Prime Minister's new 15 Point Programme for the welfare of the Minorities headed by the Chief Secretary with members consisting of Secretaries and Heads of Departments, Representative from Panchayat Raj Institutions, autonomous District Councils, 3 representatives from regular non Government Institutions dealing with the Minorities Institutions and 3 such other members considered to be appropriate by the State Government , Union Territory Administration and the Department dealing with Minorities in the State or in the Union Territory may be made the Nodel Department for monitoring the 15 Point Programme.

MR. SPEAKER: You are asking whether such a Committee was constituted.

SRI AKBARUDDIN OWAISI: Sir, I know they have not constituted the Committee. If I ask questions, the Hon'ble Minister will not be able to give the reply. Let me also take this opportunity of bringing it to the notice of the Government so that the Chief Minister can make a note of this. If not today, to-morrow, the Government can implement it, that is the reason, I am reading out the statistical information. The Committee should meet at least once in every quarter and the Department dealing with the minorities welfare programmes in the State and the Union Territory may send a progress report quarterly to the Ministry of Minorities before the 15th day of the next quarter. The Committee is not yet constituted and not a single meeting is called for. Central Government asked us a question and this would be a very embarrassing for the State Government. I went into the website of the Ministry of Minority Welfare Department, Government of India. In that all the details of funds allocated for the year 2006-07, 2007-08, 2008-9 and 2009-10 were given.

Under Indira Awaas Yojana (IAY), for Andhra Pradesh funds allocated during 2006-07 were 467.74 and achievement was Nil. For 2007-08, funds allocated were 7205.55 and achievement was 1722.94 and for 2008-09, funds allocated were 12901.17 and the achievement was 177.63 crores. From our State Government, we are giving achievement report also to the Ministry of Minority Welfare, and nowhere in the budget outcome or in the economic survey we have mentioned about the 15 Point Programme. How is that? We have spent Rs. 177.63 cr under Indira Awaas Yojana for 3 years. We have given the achievement report also and this amount was released by the Ministry of Minority Welfare also. This is very important. To where this amount has gone? What are
the details of that amount? What is its head? We do not have that. Same thing under ....

MR. SPEAKER: Do you want to ask all the questions or shall I ask him to give reply?

SRI AKBARUDDIN OWAISI: Sir, I will just finish it.

MR.SPEAKER: O.K. finish it.

SRI AKBARUDDIN OWAISI: I know, it is a very tough subject for the Hon'ble Minister; he is a new Minister; I do not want …I just want to bring it to the notice of the Chief Minister and request him to make a note of it.

My submission is that my remark comes to the State Government. When you are giving an achievement report like in priority sector lending we have received Rs.105.35 cr during 2008-09 and we have also stated that we have received that amount. How many minority people have been benefited out of that? Under Housing also, we got the money for construction of houses and we have given achievement report on this also for Rs. 10.78 crs.

Under Swaran Jayanti Shahari Rojgar Yojana, we have received an amount of Rs.306.89 cr and we have given our achievement report also. My question is, when we are receiving the money and when we are giving them the report also, why it is not figuring in the State account? Another thing is Rs.50 cr for ITIs., the report we have submitted, in that we have submitted that 38 ITIs were selected in Andhra Pradesh and from out of them, Hyderabad has been taken care of. They have spent money on this ITI. I do not know on which ITI in Hyderabad this money was spent. This is either negligence or they do not want to do real justice to the money which they have received for the minorities. Rs.50 cr was spent in one year for the minorities. These are not my details. They are the details of the web site of the Ministry of Minority, Government of India.

I request the Hon'ble Chief Minister to constitute a Committee, if not call for a meeting. The Central Government's 15 Point Programme is a very beautiful programme, if not the Congress, who would implement this programme? I cannot expect the non-Congress Government would implement this. This is the UPA Government which has announced this programme in the year 2005 and from 2006 this is going on. I hope that Hon'ble Chief Minister will make a note of this, call for a meeting and when he is calling for a meeting, my only submission is, call for two or three Muslim Legislators and M.P. also for that meeting, so that we can explain the details as to how these programmes could be implemented.

Dr. Y.S. Rajasekhara Reddy: I have already made a note in my pocket dairy. I am going to do it very soon.

MR. SPEAKER: Minister Garu,
SRI AKBARUDDIN OWAISI: Sir, through you, I would like to send these
details to the Chief Minister and I request him to just look into it and call for a
meeting immediately because it is pending for the last 4 years.

MR. SPEAKER: O.K.

It is so sad that a man after his retirement at the age of 60 years who got about Rs. 7/- lakhs, invested Rs. 3 1/2 lakhs has been cheated. MR. DEPUTY SPEAKER: Reply will satisfy you.

MR. DEPUTY. SPEAKER : Please bear with us. We are giving opportunity to lot of Members today. (Addressing the Minister). Now Sri MD. Virasat Rasool Khan.
SRI MD. VIRASAT RASOOL KHAN: Thank you Speaker Sir, Sir I want to bring to the notice of the Government through you that in 1974 there were 20 jails in Andhra Pradesh now the strength has gone up to 141, and the strength of sub jails is 156. The problem in the jails is, there are about 800 vacancies. I hope that the Hon'ble Minister is noting this point. There are about 800 vacancies. Recently the Government has come forward for giving extra allowance to the people working in S.B., and Intelligence department. I do not know what punishment is being given to the Officers working in Jails Department because training is same, uniform is same, working is same but in the pay scales, Police Officers are being given more pay and the Jail Department Officers are being paid less. Sir in Maharashtra, Karnataka, Tamil Nadu and other states, equal payment is being made to Police as well as Jail Department personnel. Recently in 2008 the Jail Department officials went to the Tribunal, and the Tribunal has passed Orders asking the Government to pay equal salaries to the Jail Department and to the Police Department. What is happening Sir, when the transfer comes, the transfer should be either zone-wise or region-wise but now what is happening, the person working in Hyderabad is being suddenly transferred to Kadapa and the person working in Nizamabad is being transferred to Chittoor. I do not understand when the Police Department transfers are being done region wise and zone wise why there is discrimination in the case of Jail Department officials. Jail Department officials are being transferred and they are subjected to frustration as they have to take their entire family. About 20-40 persons are working in Jails. They are washermen, sweepers, barbers. Really you will be surprised that they are being paid Rs.1298/- pm salary for cutting hair, for sweeping and for washing. Sir anywhere in the world are they getting this salary of 1298? I request you to allot house sites for the persons working in Jails. I am sending this paper to you. Kindly ask the Hon'ble Minister and the Government to take a sympathetic view and to serve the people because they are staying day and night with hard core criminals. The police only catches and sends them to the jail. The Jail Department Officers are risking their lives. I request you...

MR. DEPUTY SPEAKER: Please send me a copy of the demands, I will send it to the Minister

SRI MD. VIRASAT RASOOL KHAN: I request you to please fix pay benefits of Jail Department people on par with the Police Department, sanction of uniform allowance annually, sanction of risk allowance, sanction of encashment of 30 days Earned Leave per year, Mobile phones to all the Gazetted Officers......... You are not giving mobile phones to the Gazetted Officers. That is why the prisoners are using cell phones from the prisons. So, you have to give cell phones to all Gazetted Officers also ...............  

MR. DEPUTY SPEAKER: Minister cannot write all those demands. You please send them to me. I will hand it over to the Minister.

SRI MD. VIRASAT RASOOL KHAN: No Sir, the Minister has to hear the grievance of the jail people. National Human Rights Commission people, they go and study what benefits are being given to the prisoners but they do not want to know what is happening to the Jail staff. That is why please have patience Sir. Just give me one minute......... I request that four wheeler vehicles may be given to all Deputy Superintendents and above cadre, compensatory pay for extra hours on duty ...
That is six Members put into one.

Bapuji, did you hear this?

Bapuji, I, Mohandas Gandhi, have decided to allocate the 10 important works to you. Please accept it.

Allot.
MR. DEPUTY SPEAKER: We are following it up. Within a week we are expecting replies from the Government. I am sure, all the Members will get replies within a week.
What is this? Do not treat the Chair in an insulting manner. Please behave yourselves.

I want everyone present: Be orderly. Do not disrupt the proceedings in any manner.

Yes, everyone, I have an important announcement to make today. As you may have noticed, the Chair has been quite...erratic...in his behavior today. I would like to take this opportunity to remind everyone of the importance of maintaining a proper level of decorum during our meetings.

We are here to conduct official business, and I expect all participants to behave accordingly. Any disruptive behavior will not be tolerated.

I would like to emphasize that this is an important meeting, and we need to ensure that everyone is able to participate without any interruptions.

Let's get back to order, please.

Statement of Dr Y.S. Rajasekhara Reddy, Chief Minister of Andhra Pradesh on 'NTPC-BHEL Project in Chittoor District, in the A.P. Legislative Assembly on 31st August, 2009

*****

Government of India has allocated power equipment manufacturing unit of the NTPC – BHEL joint venture to Andhra Pradesh. This is expected to bring in about Rs. 6,000 Crores investment to the State.

Public Sector Navaratna Companies National Thermal Power Corporation (NTPC) and Bharat Heavy Electricals Limited (BHEL) have joined hands to set up a major power equipment-manufacturing unit.

NTPC-BHEL Power Projects Private Limited will setup the green field plant that will manufacture equipment for thermal, hydro and gas based power plants.

The plant is expected to provide direct employment to 6,000 persons and indirect employment to over 25,000 persons as per the company estimates.

The State government has allotted 750 acres of government land for the unit at a nominal price of Rs.100 per acre at Mannavaram village of Srikalahasti Mandal in Chittoor district. The State Government would provide required infrastructure for the unit such as assured water and power supply, and connecting roads as per the industrial policy for the mega projects.

This is major industrial project coming up in the State in the public sector after the Vizag Steel Plant. This plant will enable setting up of about 400 ancillary units in the area giving major boost to the industrialization thus resulting in huge employment opportunities in the backward region.

The project’s location is an instance of Government of India’s goodwill for the State. On behalf of Telugu people, we thank UPA Chairperson Smt. Sonia Gandhi for her support to locate this project in Andhra Pradesh.

We are grateful to the Prime Minister Dr. Manmohan Singh for allocating this prestigious project to the State within the first 100 days of UPA government. We also thank Union Minister of Power Sri Sushil Kumar Shinde and Union Minister for Heavy Industries Sri Vivas Rao Deshmukh for their role in sanctioning the project to the State.

Dr. Y.S. RAJASEKHARA REDDY
CHIEF MINISTER
