SRI AKBARUDDIN OWAISI (Chandrayanagutta): Sir, for the past ten days i.e., from March, 16th onwards, the issue of land allotment has been figuring in the State Assembly.

MR. DEPUTY SPEAKER: Mr. Owaisi, just a minute, the Finance Minister would again like to make an appeal.
MR. DEPUTY SPEAKER: The question of how much time and hours can the House debate on this? Very brief on this point.

MR. DEPUTY SPEAKER: If you go into that then there is no sense in that.

MR. DEPUTY SPEAKER: How are you willing to co-operate with the Chair?
MR. DEPUTY SPEAKER: It is only matters as to how we can adjust and get along with the time that we have with us. Since the Government had requested to take up the Appropriation Bill first, we will take it up and complete it early. After that, I am assuring you that we can comprehensively debate on the allotment of lands. The Government will also reply on the debate.

They should have taken it up early. Two hours have already been wasted.

MR. DEPUTY SPEAKER: Please leave it at that.

MR. DEPUTY SPEAKER: We will take it up quickly. I am willing to co-operate.
MR. DEPUTY SPEAKER: It is an appeal made by the Government considering the situation. They have repeated their appeal once again.

SRI P. KESHAV: It is a lapse on the part of the Government not to co-operate with us. It is they who have wasted the time on the issue. Sir, how can they blame us now?

MR. DEPUTY SPEAKER: No one is blaming anyone. All of us help the Government to move forward.

SRI P. KESHAV: It is a lapse on the part of the Government not to co-operate with us. It is they who have wasted the time on the issue. Sir, how can they blame us now?

MR. DEPUTY SPEAKER: No one is blaming anyone. All of us help the Government to move forward.

MR. DEPUTY SPEAKER: That is not the point.

MR. DEPUTY SPEAKER: I will give you.

MR. DEPUTY SPEAKER: I will give you. The issue is, we are in a dynamic situation. There is a need to take up the Appropriation Bill as early as possible. After that, the debate can continue for which the Government is going
to reply. If you want the debate to continue for some more time, the Chair is willing to co-operate with you. We can run the House for a longer time.

MR. DEPUTY SPEAKER: Just a minute.
SRI P. KESHAV: They can have the discussion on Appropriation Bill later. We got still two more days. They can extend the session.

It is not proper. You should show some concern.
MR. DEPUTY SPEAKER: The Chief Minister has made an appeal. You should respect it.

It is not proper. This kind of slinging match is not going to help any one. We have to restore the dignity of the House.

MR. DEPUTY SPEAKER: Why are you taking up that subject again. The Government has requested you, appealed to you to take up the Appropriation Bill first. The remaining agenda is specific. We will continue the debate on lands.

Mood of the house is very clear. The debate should be taken up. There is no urgency as such for passing the Appropriation Bill. It can be passed before 31st. So, another two days are left.
MR. DEPUTY SPEAKER: Kindly understand the situation. The Government has appealed to you to be considerate in this regard.

I am assuring you once again. I am assuring you one more time that the House will go on.

MR. DEPUTY SPEAKER: We will leave it at that.

I am assuring you once again. I am assuring you one more time that the House will go on.
Constitutional crisis will come after 31st March. We are also aware of that. The Budget has to be passed by 31st March. Sir, when assurances all this time are not implemented, we are trying to say that first let us finish this debate and let us go ahead. O.K. you feel that the Opposition might not allow the debate on the Appropriation Bill. But that is unfounded. It is our duty. It is the Constitutional obligation of this House to pass the Appropriation Bill. Sir, it is also the Constitutional obligation of the Government to be collectively responsible to this House. You are to protect us. Sir, yesterday when the Minister in Government comes and attacks Members in the House, it is your duty to make a reference to the Council, i.e., the other House. That reference does not go. What are we to understand?

MR.DEPUTY SPEAKER: Please leave it at that. Let us not try to rake up the issue again.

SRI P. ASHOK GAJAPATHI RAJU: Sir, when the Government does not want to be collectively responsible as envisaged in the Constitution of India and when such fights are there and when the Members demand Committees with the idea that the Committee should not come, what are we to infer? This is the reason as to why we do not have confidence Sir. Please let us finish the discussion, then take the Appropriation Bill. We can sit late in the night. There are other ways of doing things also. Sir, please understand us and come to our rescue. We should not just be beaten physically, abused and then treated like this. We are not doormats. We are legislators and Members of the Hon'ble Legislature of Andhra Pradesh.
MR.DEPUTY SPEAKER: Let us not refer ourselves to such instance any more. We will leave it at that. The only point which we are all debating here is as to which issue to be taken first. No one is debating whether we are going to have discussion on SEZs or not. The Government is very clear and the Chair is also very clear that we will debate as long as necessary for all the Hon'ble Members to express their views and the Government also will respond according to that. There are no issues at all about that. Your fear about the House being adjourned is absolutely unfounded. It is not true at all. That will not happen. So, the Government is appealing to all the Members here to kindly cooperate and make sure that the Appropriation Bill comes ahead of time.

MR.DEPUTY SPEAKER: Ashok Gajapathi Raju Garu leave it at that. It is only an appeal. Why are you getting so agitated? All of you should somehow facilitate to move the House forward.

SRI P.ASHOK GAJAPATHI RAJU: It is very unfair on your part.

(MR.DEPUTY SPEAKER: It is not proper. It is only an appeal. Why are you getting so agitated? All of you should somehow facilitate to move the House forward.)

MR.DEPUTY SPEAKER: Ashok Gajapathi Raju Garu leave it at that. It is only an appeal. Why are you getting so agitated? All of you should somehow facilitate to move the House forward.

\[.11.50\]

SRI P.ASHOK GAJAPATHI RAJU: It is very unfair on your part.

(INTERRUPTIONS)

MR.DEPUTY SPEAKER: It is not proper. It is only an appeal. Why are you getting so agitated? It is not proper. The Chair is only facilitating between the two. It is their appeal. The appeal is very categorical and clear.

(INTERRUPTIONS)

MR.DEPUTY SPEAKER: That is exactly why I am assuring and reassuring you that you don’t have to have any fears as to whether the debate will go on or not. The debate will go on. I will ensure that the debate will go on.
MR. DEPUTY SPEAKER: See, I do not know what kind of inference you are drawing. The Chair has been very clear that the debate will continue and that there will be an answer from the Government. All that we are saying is let us complete the Appropriation Bill in five minutes and then go on with the debate.
SRI AKBARUDDIN OWAISI: Sir you want the Appropriation Bill to be passed without a debate. We should have a debate on the Appropriation Bill. How can you just pass the Bill and send it? This is nothing but bulldozing Sir. How can you pass the Appropriation Bill in five minutes?

MR.DEPUTY SPEAKER: It is very clear. What we are debating now is not listed at all. Leave it at that. You just cannot keep on saying that.
MR.DEPUTY SPEAKER: What is the best that we can do?

(INTERRUPTIONS)

What is this? Please sit down.

(INTERRUPTIONS)

The House cannot go on like this. Please sit down. See, it is very clear. All of you have to co-operate in transacting the business of the House. Once again from the Government's side, the Finance Minister has made an appeal. I am also re-assuring you that the debate on the SEZs. and the issues that are going to be raised in that regard will definitely be taken up.

12.00

MR.DEPUTY SPEAKER: Let the Government also have enough time to respond. I believe three Ministers are going to respond to that debate. So, all the three Ministers will respond. If you have any further clarifications, you can ask after that. Let the House go on in a smooth manner without any interruptions. How many hours you want to discuss on the debate, the Chair is willing to facilitate that. Where is the need for you to have such an agitated state of mind? There is no need for you to have any presumptions. Please do not have any apprehensions or presumptions.

(INTERRUPTIONS)

I am assuring you. You do not have to worry at all. We will continue with the debate without any doubt.

(INTERRUPTIONS)

It is going to be more beneficial for all of you because you can debate for a longer period. You can debate for longer period of time.

(INTERRUPTIONS)

Please don't be so rigid. You can definitely discuss. Please sit down. Let us continue with the Appropriation Bill. After that, we will definitely spend 2-3 hours that you want to discuss on this. This is not correct.

(INTERRUPTIONS CONTINUED)

What is this? We do not want that. Try to cooperate.
MR. DEPUTY SPEAKER: Yes. Let us move on with the Appropriation Bill. We can debate on that. After that, we will take up the debate on the land allotments to SEZ.
MR. DEPUTY SPEAKER: Let us not do that. Please co-operate. First we will take up this and then we will go into the debate.

SRI P.ASHOK GAJAPATHI RAJU: You suspend us and go ahead.

MR.DEPUTY SPEAKER: You must co-operate. Let us not make things in a bitter manner. Let us co-operate little bit and move forward. We will take it forward.

Absolutely, I am still standing by the word. Why are you repeatedly saying that? It is not correct. Of course. MR. DEPUTY SPEAKER: That's not correct. It is not proper. The debate will go on. Definitely, the debate will go on. Once the debate goes on, the Government will respond. From the Government side, whoever Ministers are involved, they will also respond. I don't think why should there be a deadlock? There is no need for such a deadlock. You have to resolve this in some way and make it work properly. Your cooperation is also essential. All of us have to cooperate together. It is a small technical thing and considering the situation, the Government has requested you. We are all part of the Government.

SRI D.NARENDRA KUMAR (without mike): We are part of the House. We are not part of the Government.
MR.DEPUTY SPEAKER: It is not like that. You have to understand what their appeal is. The Government has appealed to you. You have to appreciate that. The Government is repeatedly making appeals. Please co-operate. Let us not take it further. We almost lost 45 minutes debating on this issue. The Appropriation Bill would have been done. If you wanted to participate in the debate, you could have participated in the debate. Where are we going? Why are we losing time like this? In the interest of the State and the Members involved here, I think you should also collectively come forward to take this forward. Please advice the Members.

This is the way. I was hoping that all of us can debate very effectively. You can raise some issues and the Government can come forward and reply to those queries.
MR. DEPUTY SPEAKER: See, when the Leader of the House has also once again reiterated and appealed to all of you that the debate will go on and the Government is ready to answer, you should co-operate. Any issues or incidents that you want to bring it to the notice of the Government, the Government is prepared. The Chief Minister is prepared.

Why are you again holding it back?

MR. DEPUTY SPEAKER: See, Ashok Gajapathi Raju Garu, you are a very senior Member. It is only a question of facilitating the Government to go on with the business. Where have we gone wrong? If you want to debate on this, we can debate on this.

What is this? When the Leader of the House has appealed to you, three times he has appealed to you so far and you must understand and co-operate.

MR. DEPUTY SPEAKER: It is very clear. For three hours, we can debate on this.
MR. DEPUTY SPEAKER: If it was not all that important, the Hon'ble Chief Minister would not have responded and re-appealed to you so many times. I think you should also come forward magnanimously. Why are you going into all those details again?

MR. DEPUTY SPEAKER: Keshav garu, Please leave it at that.

MR. DEPUTY SPEAKER:  Keshav garu, Please leave it at that.
MR. DEPUTY SPEAKER: Leave it at that. It is not going to help. He said that he will respond to an appeal. That is not a way you need to respond to an appeal. You have lost considerable time here. Let us move forward to the debate.

(INTERRUPTIONS FROM MR. OWAISI)

Please sit down. I will call for you.

SRI AKBARUDDIN OWAISI: All the parties gave their opinion, I did not give my opinion.

MR. DEPUTY SPEAKER: We already took the opinion earlier.

SRI AKBARUDDIN OWAISI (Chandrayanagutta): Hon'ble Deputy Speaker Sir, the ongoing debate on SEZ’s on land distribution is important and at the same time, the Appropriation bill is also important. We do understand that the Hon’ble Chief Minister saying that Chairman and the Deputy Chairman is retiring. I think they will retire before 12' O Clock. So we can have a debate. Let them have evening Session there. We still have twelve hours. If not, I would like to say that if the Government comes forward for constituting a House Committee on Wakf lands and other lands then fine, let us not have a debate. Let the Government constitute a House Committee. Then we can go directly move to appropriation bills.

MR. DEPUTY SPEAKER: I think you have mastered the art of making the improbable probable.

(Interruptions from TDP Party Members)

There is a process involved. Considering the process the Government has made an appeal. There is nothing wrong. You have to appreciate that lot of efforts made to run the House. You have to cooperate to that extent. There is nothing more. I will leave it to you. We have to end this dead lock. Either we go on with the appropriation bill or... Yes Minister for Finance.

SRI AKBARUDDIN OWAISI: Hon’ble Deputy Speaker Sir, for the last ten days since March 16, the issue of land allotment has figured in the State Assembly and for the
last few days our party has been demanding for the constitution of a Joint Legislative Committee or a House Committee to go into the grabbing of Wakf land and allotment of land to private parties. Sir, It is unfair to discuss only the land allottees of Special Economic Zones leaving aside the allotment of IT parks, Power projects, Airport, Textiles, Tourism Projects, Steel plant, Mining projects, Major industries and Mega projects. Our demand is land allotment, to whatever purpose to whomsoever it was given should be debated. I would like to point out that the controversy over the land acquisition in allotment by the successive Governments, i.e. Telugu Desam Party during 1994 and 2004 Congress party 1989 and again from May 2004 till date has been debated in this House on several occasions.

Sir, I would like to say that during the regimes of the Telugu Desam Party and the Congress Party they had many things to hide. All the same, these two parties are once again engaged in war and wide blaming each other for the irregularities in land acquisition and allotment. Both Congress and Telugu Desam regime have merely allotted the extent of Government land as well as wakf and private lands running into thousands of acres to different private parties. The so-called L.P.G. for liberalisation, privatisation and globalization, era began in 1991 in the name of promotion of industries Pharma and Biotech units Information Technology, Special Economic Zones, Infrastructure Projects, IT parks, Power Projects, Airport, Textiles, Tourism Projects, Steel Plant, Mining Projects, Major Industries and Mega Projects, the successive Government have alienated the Government and other lands including wakf land to the private parties for a song. To the land worth thousands of crores of rupees has been allotted to private parties. The land whose market value rate was upto few crores of rupees per acre has been allotted for few thousands of rupees per acre by registration fees and stamp duty thereby causing loss of crores of rupees to State Exchequer.

The former Government, Telugu Desam Party had also allotted lands through APIIC. It was during that regime the Hyderabad Urban Development Authority now HMDA had begun auction of Government lands. Sir starting with Hitech city, the Chandrababu Naidu regime had allotted the land for Indian School of Business Management, Mines, IT Parks, Hitech Convention Centres, Agha Khan Foundation 100 Acres, Infosys 50 Acres. Microsoft 42 acres. Wipro Computers Associates 30 Acres, IT Park at Manikonda 49 acres, Hardware Park at Maheshwaram 18 Acres, IT park at Madhapur 9 acres, IMG Bharathi 850 acres. Shamshabad Airport 5500 acres Gangavarm Port 1800 acres, Kakinada Port 800 acres, Krishnapatnam Port 2000 acres, Malaysia Township 35 acres, Singapur Township 80 acres, Emmaar Properties 535 acres, Dabur 1000 acres Orien Seven Companies 820 acres, Kollapalli SEZs 1200 acres and Kakinada SEZ 8000 acres.

Sir when we have to see the total number of lands and many more list to go in, almost 50,000 acres of land worth more than 2 lakh crores of rupees was allotted during the Telugu Desam Party regime. 26,634 list I have given Sir. I would like to say that Congress Government or Telugu Desam Government, both these Governments are responsible for distribution of lands left and right. I think not only the Government lands but it is so unfortunate to say that wakf lands were also distributed by both the Governments. We have to go not into real details superficially if we go I want to give one example. For the Lanco Hills land was allotted by the Congress regime, 100 acres of land was allotted to it for IT development purpose. After completion of first phase, 50 acres, then second phase another 50 acres should be handed over. No commercial venture should be taken up. This was there in agreement between the Lanco Hills and the Government. There is a violation of this agreement and the Government was quiet spectator of this. The Lanco Hills was allotted land of 60 acres. Rs.60 crores have been paid by Lanco Hills. Sir, the Indian Business School was allotted 250 Acres of land. Sale Deed document No. 9728 of 99 dated 6.10.99 was allotted by TDP. This
House would be surprised to know the price on which the Indian School of Business allotted land was 25,000 rupees an acre. Sir, this land is wakf land. The entire extent of land belongs to Husssain Shah Wali Dargah. It is a wakf land. Before going into details of that wakf land a note was circulated.

MR. DEPUTY SPEAKER: It is from Government side.

I would like to know from which Minister is this? Whether from the IT Minister or Minorities Welfare Minister or Industrial Development Minister. I don’t know.

MR. DEPUTY SPEAKER: I will ask the Minister to clarify that.

SRI AKBARUDDIN OWAISI: There is no signature therein. Sir, this is the seriousness of the Government when we talk about the Wakf Board. They do not even want to attest the note or the statement given in this House to a responsible Legislator.

The same exact note was given 5 years before in this House, the same note has been again re-printed and circulated in this House. Is this the seriousness towards Wakf Board Sir?
I would like to state that it is nothing but just misleading. The note reveals the notification made by second survey is false. The addendum notification based on second survey is false. The addendum is based not on second survey. The addendum is made on first survey only. The wakf board has issued addendum notification subject to Revenue Boards judgment and Muntakhab and High Court judgment. The note is also misleading about the land given to APIIC. Whereas it was stated that APIIC has sold more than 800 acres of land from Manikonda Jagir, but the APIIC was given an extent of 745 acres only, Therefore, the question of selling land more than 800 acres according to the statement of the Minister is false.

SRI AKBARUDDIN OWAISI:- The addendum is based on the false case. The note is also misleading. The note does not speak about other false cases filed on Wakf land pertaining to Dargah Hazrat Hussain Shah Vali before the Tribunal in O.S.No.7, wherein Status quo was granted, not to sell, mortgage, exchange, lease or transfer. Nothing has been mentioned about that. Why was that not mentioned in the statement of the Minister? CRP No. 521 / 11 was filed before the High Court and High Court remanded back to the Wakf Tribunal and the Wakf Tribunal on 28-3-2011 dismissed the review petition. That is not mentioned in the note. In this case, the Wakf Board has filed an Affidavit and nothing has been mentioned about it in the note. The note does not speak of the withdrawal of the affidavit. W.P.No. 21993/2007 does not speak about the resolution taken by the Wakf Board to withdraw the affidavit and to file a fresh affidavit. The Wakf Board has filed an additional affidavit in W.P. No. 17192/2007. That is also not mentioned in the note. It is very surprising and sad I would say on the seriousness of the note which has been given.

On the other page of the note, this is about Mamidipally International Airport. One most important thing I would like to ask you Sir, the note which has been supplied, let it pertain to Mamidipally or Manikonda, the Minister himself says in the note that the land is a Government land and not a wakf land. When he says that it is not a wakf land but a Government land, then why did he give a note on these two lands? What made him to give a statement only on these two lands? That means you also in some part or some corner of your heart have a feeling that this land belongs to wakf.

In the Mamidipally International Airport land, the statement says that this wakf land was originally taken over by the Government of A.P. under Acquisition Act, 1960. It was the Nizam’s kancha land and then it was taken over. Fine Sir. My question from years and years together is that they have just given the evidence of Nizam’s Kancha. Mamidipally Hazrat Baba Sharfuddin Pahadi land is not the land of Nizam Kancha, it is the land of Dargah and it has nothing to do with Nizam’s Kancha. But they say that it is Nizam’s land. I am really surprised. The Minister for Minorities Welfare was the Chairman for Committee on Welfare of Minorities in the 12th Assembly. He was the Chairman and I was a Member. In that Committee, we had called the people of the Nizam’s Trust. I have the minutes of the meeting which I will give you. The Committee asked the people of Nizam’s Trust: “Are you from Nizam’s Trust?” They said: “Yes, we are from Nizam’s Trust.” The Secretary, Deputy Secretary and the Chairman of the
Trust have appeared before the Committee. We had asked them: “The land in Sy.No. 99/1, is it the Nizam’s private estate land? Is it included in the blue books land, or is it your land? Then they gave in writing to the then Chairman, the present Minister, that this land does not belong to the Nizam and it is not the Nizam’s private land, but it is the land of Dargah. The Hon’ble Minister should clarify whether this is right or wrong, as he himself was present at that time.

In that meeting I asked ‘if you have acquired the land, can you give me the acquisition proceedings?’ Acquisition proceedings were not given to me. The Government said that land was acquired by paying Rs.4,00,000/- to the HEH the Nizam’s Trust. In this House, once again I am asking …

This House had a debate on that. The then Rajasekhar Reddy Government gave an assurance that we will reconstruct the mosque by name Masjid-e-Omar Farooq at the International Airport, but till today, has the said mosque been reconstructed Sir?. 3,000 acres of land was taken away and the Masjid was demolished there. Every Friday and in every Ramzan month, all the Taxi and auto drivers do not have a place to perform the namaz and Jumma prayers. Sir is this justice? How many wakf properties were sold away Sir? How many acres of wakf land was given to Microsoft? Can you not give a small piece of Government land for the International Airport Sir?

Hon’ble Chief Minister Sir, I need your attention towards this statement. Hon’ble Chief Minister came to the Rachcha banda in old city. Exhibition land was in a dispute. The land which was not acquired that should be there. That land is also not there.
Dr. Y.S. Rajasekhara Reddy was a friend of Muslims. At that time, on my representation, he has accepted that 85 acres were exempted from acquisition. Where is that land? Shri Rajasekhar Reddy said “Mr. Akbar, you are right. We will give you.” Then he gave 50 acres out of 85 acres and promised that the remaining 35 acres would be given soon. Mr. Kiran Kumar Reddy, the Chief Minister came to Old city Rachcha Banda. I made a request to him. He said “Yes. Akbar, you are right and asked his officers to write what M.I.M. people demanding i.e., 35 acres are to be given. He made an announcement on the Barkas ground that 35 acres of Baba Sharfuddin Pahadi which was not acquired will be given. That is also not mentioned in the Note.

SRI AKBARUDDIN OWAISI: This is how it goes. It is really sad that 35 acres are not yet given. That announcement has not come in the note.

SRI N. KIRAN KUMAR REDDY: Announcements cannot come in the note. Once it is announced that it will be given, it will come to you. Once the Chief Minister has announced, it is a commitment on the part of the Government. It has come by file. Announcements cannot be given in the note. It is only two months since the announcement has come, once the file moves, it will be given.

MR. DEPUTY SPEAKER: That is an assurance.

SRI AKBARUDDIN OWAISI: Sir, this House assurance is an assurance and I agree. But, the assurance made in public is also an assurance.

My only question is that when you have briefed this House giving a note it should have been mentioned that the Government has already announced of giving back 35 acres of land. That also has not been announced.

Sir, you are coming for the protection of your Minister. Fine. I want to leave it at that. Sir, going ahead with the Wakf lands there are many more Wakf lands which have been allotted left and right. If I have to give details on the topic of SEZs I have just down loaded as to how many SEZs have been approved and I can say that 113 SEZs are there. Out of them 73 SEZs are approved. Out of those 73 SEZs I would like to bring to the kind notice of this House and ask as to how many SEZs fall under Wakf. To start with APIIC Hardware SEZ, Maheswaram, Ranga Reddy district the date of notification is 7.5.2007. Total extent is 376.17 acres. This land belongs to Darga Hazrat Shah Raja Kattal. Why did the Minister not give details of this? In this I have the High Court judgment. The High Court clearly said that it is a Wakf land. No information about this. Fab City SPV India. Semi Conductor Facility, Maheswaram. The extent is 1007.45 acres. This comes under Hazrat Baba Sharufuddin Pahadi Darga. It is again a Wakf land. The third SEZ is L & T Hi Tech City. Kesarapalli, Gannavaram, Krishna District.

Now, Sir, the most important thing. Brahmani Infra Tech Pvt. Ltd.

This is what? Brahmani Infra Tech Pvt. Ltd., is also on a wakf land. It is a Muslim Wakf land. Saroornagar, Maheswaram Mandal. 150 acres. Hazrat Baba Sharufuddin Pahadi. This is also Wakf land. This is 11th SEZ on Wakf land. 12th SEZ is Tafnaz Infrastructure Ltd. IT & ITES, Uppal Industries Development Area, Ranga Reddy. 35 acres. It is Darga Mirmumin Chuk. JT Holdings Pvt. Ltd. Kancha Imamrat Rabiyaral, Maheswaram. 70 acres. It is again of Darga Raja Kattal. Starkey’s Property is 14th SEZ. 170 acres. Darga Shah Raja Kattal. Nizon Properties Pvt. Ltd. Apparel Park, Tumkunta. Again, it is Pahadi Syed Shah Fakruddin Sahib Darga of Ananthapur district. Infosys Technology Limited. Ghatkesar, Ranga Reddy district. Darga Hazel Shah Sahib. 447 acres of Darga Ujale Shah. When I am giving these details it does not mean that these matters are in Court. No, Sir. The Wakf Board has won the cases. They are not just changing the records. Ujale Shah Sahib – 447 acres of IT Infosys Technology. Wipro, Gopanapalli. Hussaini Shah Vali. Cognizant Technology Solutions. Hussaini Shah Vali. The extent is 40 acres. Real Grih Nirman Pvt. Ltd. Biotech. Hindupur. Again, it is Wakf land. With regard to Hindupur I would like to give details, Sir. In Hindupur 3235 acres of Wakf land have been given away or distributed left and right. Who is responsible? In the case of Proddatur again it is Wakf land. Who is there?

About Raheza I was just reading. How negligent APIIC was? The APIIC was so negligent that out of the land given to Raheza 11% of share was that of APIIC. Just because of negligence and just because of their corrupt practices I would say that they are quiet. The newspaper cutting shows because of APIIC the State Government lost Rs. 36 crores per month towards rentals which Raheza have taken out of the total extent of land. Rs. 36 crores per month. Again, the land given to Raheza is not a Government land. It is Wakf land. Sir, you just imagine. EMAAR is a Wakf land. What does the EMAAR do? Again, the same. 11% share was sold off to others and our people kept quiet. That land is given. Again, it is Wakf land.

Sir, if you see all the details of Wakf land, which has been encroached upon, this House would be shocked and surprised. I was mentioning about Ananthapur. Darga Hazrat Syed Shah Baba Fakruddin Hussaini Sahib. This land is situated in Penugonda Mandal, Ananthapur district. It is again a notified Wakf land. Registered Wakf Deed is there. A.P. Gazette No. 26 dated 28.06.1962. Sl. No. 1346 of the land and the extent of land is 3318.40 acres. All SEZs have come on it. How many SEZs are there? I would like to point out. Real Grihan Pvt. Ltd., Bio-Tech, Hindupur SEZ. Lepakshi Knowledge Hub Private SEZ. That is in this Darga. Lepakshi Knowledge Hub Pvt. Ltd. Aero Space,
Precision Engineering. That again on this land. Santha Bio-Tech and it is 25 acres. This is 24th SEZ. It is Zamia Amas land of Medak. Deccan Infrastructure and Land Holdings. Mamidipalli. Baba Sharufuddin Pahadi. In the entire SEZs 74 SEZs have come. This House would be shocked to know this and I want the Hon’ble Minister to give me reply to this. In these 74 SEZs an extent of 6,594.54 acres is Wakf land. It is my land.

Sir, 6000 acres, does it mean a small number? Sir, today we shout and scream for what purpose? Out of these 74 SEZs, 26 SEZs are on wakf land. But the Minister replies only for two. With regard to Jamia Mosque located in Ananthapur District, Sir, Jamia Mosque is situated in Penugonda Mandal, Ananthapur District, under notified land, published in Gazette No.26, dt. 28-06-1962. The mosque is located in Survey No. 1338, in a total extent of 372 acres. Again, this land has been given away. Again Dargah Fakir Mullah located in Ranga Reddy Dist., is located on a land of 1200 acres. The Survey Nos. are 80/1, 80/2, 80/4, 80/5, 80/6, 80/6-1, 80/6-2, 8-15, 80/23, 80/28, 80/30. Sir, Revenue Records are there, Sethuvaris are also there, Vasul Bakis are there, Kasra Pahanis are there, everything is there. The Commissioner Survey and Settlements wrote a letter to the District Collector, Ranga Reddy District to make necessary corrections in the revenue records vide Lr. No.35/198/92/5594. Sir please ask the Hon’ble Minister to make a correction that it is not a ‘government land’ but a ‘wakf land’. There is a Survey and Settlement Order given in the year 1994. Sir, this is still pending and necessary corrections were not made so far. Sir, this land has been allotted to RCI, DIL, Rajiv Gruha Kalpa, Housing and others.

Again Sir, going further, Qutub Shahi mosque located in Kananmet village, Serilingampally Mandal, is a wakf land and the extent is 50 acres. Again Sir, Dargah Nabi Shah Hussaini located in Ghatakesar Mandal is a Wakf Land extending in an acreage of 2572.11 acres, for which Gazette Notification is also there. Sir, with regard to the 584.34 acres land pertaining to Dargah Shah Raju Hussaini, everything is clear; Survey Numbers, Court Orders, ORCs, Inam Lands, everything is clear, but nothing has been done so far. Sir, Dargah Saif Nawaz Jung located in Saroornagar Mandal, Ranga
Reddy District is having 490 acres. I also got Court’s Stay Orders for carrying out construction on this land. But the Stay has not been implemented so far.

MR. DEPUTY SPEAKER: Owaisi saheb, you should also see the time.

SRI AKBARUDDIN OWAISI: Yes Sir. Today is the last day. Kindly allow me to speak.

MR. DEPUTY SPEAKER: Do you want to spend all your energies on the last day?

SRI AKBARUDDIN OWAISI: Sir, in Medak District, from where our Geetha Reddy madam hails, the total extent of Wakf land, you will be surprised to know is, 23948.21 acres. Sir, moving ahead, in Kurnool District, the total extent of Wakf land is 23,305.91 acres. Sir, this book is not my own but it is a book given from the Assembly.

MR. DEPUTY SPEAKER: Kindly confine to SEZs. You have already given the details.

SRI AKBARUDDIN OWAISI: Sir, I am only speaking about SEZs. Later on, I will give the required details. Sir, in Warangal District from where our Ponnala Lakshmaiah hails, the wakf land was to the extent of 2962.91 acres.

SRI P.ASHOK GAJAPATHI RAJU: Sir, this is unfair for a political party to say like that. It is unfortunate that the Government Chief Whip, who has a responsibility to run the House smoothly and assist the Chair, chooses it fit in his own wisdom to question like this. Of course, I can not question his wisdom. For him to accuse the opposition, particularly the Leader of the Opposition is unfair and points out his lack of seriousness in the discussion. This is incorrect. Sir, kindly direct him not to behave like that.

SRI AKBARUDDIN OWAISI: Sir, in Visakhapatnam District, in Yarada village, Alamgir Mosque is there. Total acreage of wakf land is 20,162.44. Dargah Hazrat Ishaq Madani Auliya and port lands constitute a total extent of 5,307.81 acres. Dargah Shujauddin Hussaini, located in Bayyaram mandal is having 262 acres of land. The total wakf land located in Visakhapatnam District is to the tune of 7,789.91 acres. Sir, in Srikakulam District, the total extent of wakf land is 1466.40 acres.
In Mahabubnagar 9009.22 acres, in Anantapur 10,339.92 acres are Wakf Land. In YSR District – in the Home Town of the Hon’ble Minister 1887.92 acres and in Nellore 4199.02 acres in the Home Town and Home District of Hon’ble Minister – on Wakf Land three Cinema Halls are running.

Coming now to SEZs – I would like to point out and say that when we talk about Wakf Lands, after Independence, we had Police Action and we had merger of Hyderabad State and the formation of the State of Andhra Pradesh. At that point of time, a year after the Police Action, the Hyderabad Government enacted Jagir Abolition Act in September, 1949 whereby 975 Jagirs mostly belonging to Muslim Jagirdars were abolished and taken over by the Government. The former Jagirdars were given a paltry compensation of Rs. 12.00 crores for thousands of acres. Government also took over Sarfikas – the Crown Lands covering 10.00 lakh acres belonging to 7th Nizam – Mir Usmani Ali Khan in 1949. Similarly, Abolition of Inam Act was enacted in 1955 whereby dispossessing thousands of inamdars again mostly belonging to Muslim Community and lakhs of acres in Hyderabad viz., 12.00 lakh acres of inam land was taken over by the Government.

A further blow was dealt to Urban Land owners mostly Muslims in Twin Cities under Urban Land Ceiling Regulation Act 1976 under which 7830 acres of land was taken away by the Government.

The erstwhile Nizam of Hyderabad, Mr.Mukarram Jah lost his considerable land. The Government took over 390 acres of Chiran Palace under Urban Land Ceiling Act by paying a paltry sum of just Rs.50.00 crores. Thus the Nizam of Hyderabad also lost his land.

Similarly, the largest Minority Community in the State has been deprived of their land holdings through abolition of Jagirs and Inams and Urban Land Ceiling Act.
Government failed to implement the Land Reforms in letter and spirit. Moreover in the last two decades the State Government through different Wings viz., District Collector, APIIC, AP Housing Board, HUDA acquires thousands of acres from private land owners as well as farmers for various projects. In these few years the Government has auctioned thousands of acres of land through HUDA now HMDA and other Agencies for hundreds of crores of Rupees for the Government. As per the details furnished by the Hon’ble Minister Madam Geetha Reddy in the House a few days ago on March 22nd, 2011, the APIIC acquired 82,793 acres of patta land to Government in 22 districts including Hyderabad since 2004 and allotted 47,337 acres to 7,399 private parties for industrial units. According to the Data furnished by the Government of India, Andhra Pradesh accounts for the largest number of formal approvals accorded for SEZs among all the States in the Country.

The Government of India in its Website on SEZs say that 109 SEZs have been accorded formal approval till the end of December, 2010. The Economic Survey of 20.11 tabled in this Budget Session in February this year says that out of 113 SEZs approved including 74 which were notified, only 27 SEZs have become operational so far. If we go ahead further – all the 113 SEZs approved have projected the investment of Rs. 1,05,447 crores, but the investment made in the operational SEZs so far is only Rs. 12,000 crores. So far how much? Only Rs.10,000 crores. The projected direct employment generation in 113 SEZs approved the employment that would be generated is for 8.5 lakh persons, but the employment created was only for 82,000 persons in 27 SEZs which have become operational. Is it not sad? What is the target? 8 lakh 50 thousands.

Sir, I have the list of Power subsidy which has been given all these SEZs. I was shocked – 399 Companies which have been given Government Land on subsidized rates have been given 25 per cent subsidy Power supply – category changed. Then Sales Tax exemption, VAT exemption.

I am really shocked and surprised. The Hon’ble Minister for Major Industries in the Answer tabled in the Legislative Council recently says that out of 73 notified SEZs in the State, the APIIC has developed 18 SEZs to an extent of 10,803 acres. Further APIIC assisted 20 SEZs by allotting 13393 acres of land. These SEZs are supposed to provide employment to 77,950 persons. The APIIC Website on the other hand says that 17 SEZs were developed by APIIC and 33 SEZs by assisting wherein 16 SEZs were developed by Urban Development Authority in Rangareddy, Mahabubnagar, Medak, Guntur and Visakhapatnam Districts. These were allotted 31,073 acres of land besides 43 SEZs developed by Private Developers including 28 in Rangareddy, four in Medak, one in Warangal, one in Kumool and 9 SEZs in Coastal Districts.

In this entire extent of land on all the SEZs, 24 SEZs are on Wakf Land. 6,550 acres of wakf land has been given for 24 SEZs. What is the share of Wakf Board in that? Sri Ponnala Lakshmaiah, the Hon’ble Minister for Information Technology in the Answer tabled in the Legislative Council in the current Session stated that 97 IT companies and IT SEZs have been allotted 2,487 acres of land by the Government. The Information Technology & Communication Department Website says that 59 IT companies in RR were allotted 2256 acres of land by APIIC and 10 IT Companies were allotted 139 acres of land by HMDA. In all 106 IT companies were allotted 2564 acres of land in RR, Visakhapatnam and East Godavari Districts. The Social Economic Survey 20.11 says that 57 out of 109 formally approved SEZs in AP are ITES SEZs. Out of 74
notified SEZs, 43 were the ITES SEZs and only 17 ITES SEZs have become operational so far with the investment of Rs. 4,386.00 crores and direct employment generated is for 30,807 persons.

Only 17 I.T. SEZs have become operational so far with an investment of Rs. 4386 crore and direct employment was generated for 30,807 persons. Moreover 34 I.T., Park Private Developer Infrastructure Providers have been accorded notified I.T. Park status.

Sir, the Tourism Department has awarded 79 projects under private-public partnership mode with project investment of Rs. 797 crore. During the year 2010-2011, another 14 projects with project investment of Rs.1236 crore were proposed under PPP mode and they are under pipeline. The project cost of these 14 projects has been revised to Rs. 1971 Crore. The State Government is also promoting five Apparel Parks, ten Textile Parks and three Handloom parks in different parts of the State to provide Infrastructural facilities. Sir, I would like to state the reasons as to why my party is demanding for a JLC or a House Committee. Sir, so many SEZs have been created on Wakf lands and despite a Court judgment, orders were not being implemented.

Sir, today the Report of C&AG (Civil) Report has been tabled and I would like to draw your attention to Report No.2, Page No.129. If Hon'ble Minister for Minorities Welfare is here, he can see this. Sir, what has been mentioned at Page No.129 is that despite facing serious power shortage, the Government failed to cancel the allotment of land made to a private party which failed to set up power plant and allot to other parties willing to supply power at competitive rate. The Government has alienated 1122.38 acres of land in Devada village of Visakapatnam to Hinduja National Power Corporation Limited for Rs. 26.63 crore for setting up a Thermal Power Project. If we look at the details, at Page No.130, it is stated that the title of the land was vested with the A.P.Wakf Board as per the Judgment of the Hon'ble High Court of Andhra Pradesh dated February 2004. The Government directed the Wakf Board to sell the land to M.F., H.N.P.C.L., at the rate prevailing in the year 1999. What does the C&AG Report say? It says that the Government has given instructions to Wakf Board and the Government has sold this land for a mere sum of Rs. 2,25,000/-. What is the prevailing market value of that land Sir? It was more than Rs. 20 lakh Sir. It says that it is a loss to the exchequer to a tune of Rs. 240 crore. The Hon'ble Minister for Heavy Industries on the other day told me. That day also I said jokingly and I never meant anything serious to hurt any one. But Madam took it seriously and said, “Hon'ble Deputy Speaker Sir, I am a practicing Gynaecologist and Mr. Owaisi cannot say that.” I never said anything to her. She also said that…
If we look at Page No.125, it is mentioned that undue benefit of Rs.101.43 crore was passed on to parties under various categories and there was a lack of transparency and fairness in the allotment of lands. I am giving you all the page numbers. Sir, Hindujas were given away the wakf lands. Not only that Sir, Gangavaram Port land also belongs to wakf.

So much of land has been given. Again if we have to see page No.128, it says how much of loss was suffered at each and every instance. Moving ahead, all the details have been given Sir. If we take the Report of the C&AG for the year 2006, at Page No. 27, it clearly says that the company has failed to provide infrastructure and violated the Rules and Regulations. The extent of land was 1722 acres. Again it says, this has given rise to a loss of exchequer to a tune of Rs. 304.52 crore. At Page No.35, it is mentioned that S.E.Z. at Visakhapatnam is on the Wakf land. Urban Development Authority of Visakhapatnam has allotted the land. Navy has been allotted the Wakf land. This is why I am saying that there is a need for constituting a House Committee to look into the distribution of lands pertaining to Wakf Board.
MR. DEPUTY SPEAKER: Let us quickly finish the introduction of the Bill.

SRI AKBARUDDIN OWAISI: Let me be given opportunity Sir. I want to make an appeal.

MR.DEPUTY SPEAKER: Yes, Owaisi Saab.

SRI AKBARUDDIN OWAISI: Hon'ble Deputy Speaker Sir, I had come to your Chambers and requested you to permit me to make an appeal in the House for the release of the poor driver. At the same time, I had also raised an issue stating that the people behind the attack, the people who provoked for an attack and the people who instigated the attack, action should be initiated against them rather than the poor people.

SRI D.SRIDHAR BABU (Minister for Legislative Affairs ): Hon'ble Deputy Speaker Sir, on your instructions, on the appeal made by the Hon'ble Members, I beg to move:

"That this House resolves the sentence of the imprisonment awarded by this House on 18th February, 2011 to the person calling himself as Sri Mekala Mallesh for committing a grave offence and causing breach of privilege and contempt of the House be reduced to imprisonment already undergone and be released forthwith."

MR.DEPUTY SPEAKER: Motion moved. The question is:

(PAUSE)

Our Group Companies VANPIC Projects Private Limited, VANPIC Shipyard Private Limited are partners with Rock Vision Limited, Mauritius which is subsidiary of Rock Investment Authority, the Government of Ras Al khaimah, Arab Emirates which was awarded the Vodarevu and Nizampatnam Ports and Industrial Corridor Projects by the Government of Andhra Pradesh under the Government to Government Scheme.

Two of its Group Companies were awarded the projects but not the Shareholder Companies i.e., the main company Aurobindo Pharma was allotted SEZ land at Mahabubnagar.

Not our family related Group concerns, i.e. the Aurobindo Pharma Limited was allotted SEZ land the details of which I don’t know.

The above companies were allotted 75 acres of land on lease for 33 years in the SEZ for establishment of units.
It is more than coincidence that those who purchased stakes in Y.S. Jagan Mohan Reddy’s business were allotted lands, projects and contracts including Special Economic Zones by the Government of Andhra Pradesh led by this father.

In the above circumstances, the reason for making investments at huge share premium needs to be probed. In the light of discussion on valuation of shares of assessment company, JPPL has mentioned that very basis for giving high valuation is questionable as the same is not based on the actual performance of the assessee company, JPPL.

In the above circumstances, it can only be concluded that key management persons profile and other factors have played a major role in enhancing the decision making of the other shareholders who paid the premium at the rate of Rs.350/- per share rather than the financial performance of the company and also the future earning prospects of the company. It is a known fact that any prudent investor would not pay premium at Rs.350/- per share for a nascent company like the assessee company even when the fact remains that the commercial activity was yet to be started as on the date of investment.

Dr. J. GEETHA REDDY: Exactly Sir, MRMGF is not an arrangement made between APIIC and MRMGF that is an internal arrangement. That is one of the violations. We have taken the opinion of Solicitor General and accordingly we are acting upon it. They are trying to mislead the House.

The Constitutional authority should terminate the collaborate agreement. The APIIC should initiate appropriate proceedings in the Company Law Board. The APIIC and A.P. should jointly file a suit for permanent injunction in appropriate Civil Court. The APIIC should request the Government of A.P. to issue necessary instruction to the competent authority to not to register the sale of land. The APIIC may consider and initiate appropriate criminal proceedings against the person. Hence the an investigating agency has to visit the foreign countries like Dubai and Mauritius. It is requested for taking appropriate action against perpetrators of this huge fraud. Hence the an investigating agency has to visit the foreign countries like Dubai and Mauritius. MR. DEPUTY SPEAKER: Yes., Minister for Major Industries.

As asterisk before the name indicates confirmation by the Member.
of course, there is total transparency in his Government. We should welcome it and compliment him.

I am coming to the point Sir, which has relevance here. Indiramma Housing is relevant here and it has got some connection to this point.

Of course, we are doing very well in I.T. sector today also. Sir, Government is a continuous process. A continuous process creates the manufacturing sector. What happened Sir, during his time, 1983 onwards? Manufacturing sector was brought by the then Telugu Desam Party Government. Sir, what about the semi-literates and illiterates.

Now, we are adopting the best industrial policy in this Country. Today, I can proudly say Sir, that the Industrial policy of our State, which was brought in during Rajasekhara Reddy's time and also during Sri Kiran Kumar Reddy's time, is the best in the Country. Now, we are adopting the best industrial policy in this Country. What about Rosaiah garu...
same policy being continued. So, please I request our Members of the Opposition,

It has been very well said that Andhra Pradesh registered the fastest improvement in economic freedom improving from $7^{th}$ position in 2005 to $3^{rd}$ position in 2009. Sir, this is as per the study being carried out by the US based study group CATO. Exemplary Andhra Pradesh…

Sir, these are the kind of perceptions and these are the kind of realities which have been appreciated for our work. This being the scenario, in the meanwhile, from TATA group, which is one of the premier institutions in the country, four investments have come in the field of Aerospace. Britains have come in Vizag to manufacture the machinery needed for nuclear power projects. Foundation has recently been laid by a project being taken up by Mahindra and Mahindra. Royal Enfield Company is also going to set up its project in the State. Apart from that, state investment promotion board had also hit us. We should all remember this fact. ..these are facts that from TATA group, which is one of the premier institutions in the country, four investments have come in the field of Aerospace. We on our own, means APIIC on its own had cancelled lot of lands for which the allotments have already been made. Sir, APIIC is a very pro-active institution. We are responsible to the people. We all know about the consent award. We are adopting the consent award while taking the lands from farmers. We all know about consent award. We sit with the people, public representatives and officials and come to a decision as how the process should be carried out. How the rehabilitation aspect should be taken care of and how the R & R should be implemented; all these aspects would be discussed with them. Sir, even our R & R package is the best in the country.

The divine also play a part over there. SEZ, definition specially, means duty free territory, deemed to be foreign territory for the purpose of trade operations, duties and tariffs. Sir, its objectives are; generation of additional economic activity, Exports of goods and services, promotion of domestic and foreign investments, creation of employment opportunities and development of infrastructure facilities. Sir, everybody does the same thing. Sir, SEZ is a Government of India Act. We all follow the Government of India Act. Sir, the graph shows that all the States got SEZs. I think he is succeeding because in Gujarat they got a supportive opposition. ... today they have reached this stage due to the constructive role played by the opposition. 74 were notified and 73 are remaining. We have notified 73 and remaining are at different stages. Formal approval 35 in principal approval 5 and all of them put together 134 SEZs are there. Only when it comes to notified stage, the developer can start construction. With regard to APIIC it is 17, APIIC-JVC 4, Private
Developers 50 and Urban Development Authorities 2. A development authority belonging to Government of India would look after everything. He will take care of every activity. Sir, Sri Akbaruddin Owaisi was repeatedly pointing out that we lost so much of land in SEZs and our State became a landless State. Sir, let me give statistics with regard to the same.

Sir, through you, I would like to tell him that the patta land taken for SEZs is 14,107.47 acres and the total agricultural land in our State is 3.09 crore acres. It accounts to only 0.136% of the total cropped area. It means 99.863% is still available. That means we are not a landless Government. We are having quite an amount of land.

So, thereafter Investment and employment started. There is a recession. I am very clear that there is recession. These are all export oriented. This is an Export oriented activity. It means the cropped area is only 0.136% of the total cropped area. This is happening. It is not that we have totally failed. We have done an extremely good job. Now sir, lot of Member have raised roughly the same thing.

About EMMAR, EMMAR Land was given on bids during the previous Regime i.e., on 4th September, 2002. A, G.O. was issued. We have decided that three SPVS are better for implementation purpose with monitoring. We brought it down because, one is, the land and the assets are going to come back to us (Government). They will certainly come back to us. So, Boarder Hills Private Ltd. 74 and 26 which is on lease rental of 2% of gross revenue upto 33 years and 3% upto 66 years. Again on lease and again lease rental is the same as I said earlier.
Also Sir regarding the EMMAR, we have ourselves, APIIC again has been very pro-active. We have ourselves discovered the violations. It is not because the Opposition told us or any-one-else told us about it.

We have ourselves discovered the violations. It is not because the Opposition told us or any-one-else told us about it. We have realized what we have done. APIIC has sought the legal opinion on this matter because we have issued notice to JV Partner.

Thereafter, before they could reply, we have gone to the Company Law Board in January for protection of minority share holders against EHTPL. They have corresponded with us on our notice saying that we would like to come and meet you and discuss. We have decided to go for a legal opinion in the matter.

There are a lot of rumours saying that that 26% of the JV has not been taken, something new to us. There is nothing like that. We have taken multi-pronged action. We have realized what we have done. APIIC has sought the legal opinion on this matter because we have issued notice to JV Partner.

We have issued notice to JV Partner. They have not been brought to our notice. Stylish Homes also is something. That was not brought to our notice. A Gentleman behind Stylish Homes is very well known to our Chandrababu Naidu garu. He is very well known to him. So, we have been questioning them.

worth Rs. 500.00 crores in the last year. So, it is not a totally write off. We are trying out
best. I think, once recession is over in the European Countries, things will improve. I
think, Fab City is going to pick up and do well.

Jurang we are also wanting people to come to a backward District like Anantapur.

The Promotors backed out on the pretext that a Writ Petition is pending which is a public interested litigation.

No land is given. It is only identified. We will cross-check again. The Promotor Company has backed out. Accordingly, the eligible part of the EMD deposited has been refunded.

This is a Letter –
Government Order abstract. It is an approval of Special Economic Zone in Kakinada in Andhra Pradesh as proposed by Kakinada Sea Port Limited, Kakinada with private sector investments. The Order is issued on 23.04.2002.

This is the last para which I am reading now: “The Government after careful consideration recommends the proposal of Kakinada Sea Port Limited to Ministry of Commerce and Industry, Department of Commerce for its approval to set up Project with private sector investment at Kakinada.” Sir, So, this is where ....

The Promotors, Kakinada Sea Port Limited should take up the matter with the concerned Authority for necessary sanction.

We entered into an MOU on 03.09.2005. M/s. Mangalore Refinery Petro Chemicals which is a Subsidiary of ONGC and also with ILFS and Kakinada Sea Ports Limited for establishing the Special Economic Zone at Kakinada and also for setting up an export oriented Oil Refinery within the Kakinada SEZ. So, this is how the MRPL which is the actual subsidiary of ONGC and Government of Andhra Pradesh has come together along with the existing Kakinada Sea Ports Limited. They have all come to the Government of Andhra Pradesh at that time and a MOU was signed. This is the actual story of MOU.
ONGC went back because Ministry of Petroleum, Government of India directed ONGC to only focus on exploration of oil and not in refineries. In that way, the ONGC has transferred its shares to GMR. That is how GMR has come into picture. Government has nothing to do with this arrangement. GMR is working out to setting up Refinery and looking for partners.

GMR is also setting up a Power Plant outside the SEZ and the land is purchased by them. So, these are the facts about ONGC.

So, that is how we have been doing. Lepakshi Knowledge Park – it is a 8 to 10 thousand crores investment in a span of 5 to 10 years. They are supposed to be having integrated infrastructure support of University clusters, Science & Technology Parks, Medical Parks, Aviation Aero Space Parks, Agro Food Parks, ITBT parks, Logistic parks, Business Financial Districts, Energy Projects, Residential and other Infrastructure. So, APIIC has also filed requisition proposals with the District Collector, Anantapur for alienation of land. They have handed over possession of 3078.65 acres of Government land and 5811 of DKT lands totaling to 8889 acres.
we are taking action. We are cancelling nearly 2200 acres we have cancelled. I will send a List to them. We have all the facts and figures here. This is the development of the State. This is the development for Youth. This is the future of our State. We want you all to co-operate with us.

Thank you.
MR. DEPUTY SPEAKER: A very light hearted reply from the Minister.

One of the points, point No.5 I would like to read. The development of Special Economic Zones initiated by the State Governments will primely be led by private sector investors and developers to undertake international class and scale of infrastructure development. The SEZ companies will act as SEZ Managers in designing, planning, financing, building, operating and marketing the zones to investors. The SEZ company would endeavour to provide world class utility social and medical services.

Mr. Akbaruddin! There is a difference of opinion between you and the Government pertaining to the things which you tell and ask in the House with regard to the wakf properties. The lands which you feel are wakf properties, the Government feels that they are Government properties. There are different stages in that. All the properties you mentioned in Ranga Reddy District Dargah Hussain Shah Vali, Manikonda Jagir, Dargah Hazrat Baba Sharfuddin, Mamidipally, Dargah Hazrat Shah Raju Hussaini Qattal, and Sarroornagar, Penugonda, Visakhapatnam Gangavarm. I think we will have a review together. I will call all the Minority M.L.As from all the parties and we will have review along with the Minister and along with the Department to sort out the issue. We will ask the Department to get all its documents. We can exchange views. If it is Wakf property it is our duty to protect the Wakf property. Whatever has to be done about the wakf properties, we will try to do that. If it is Church property or Endowments property or wakf property, it is for a specific purpose. It is given by donors for a specific purpose for the temples or for the Masjid/Dargah or for the churches. It has to be protected. It is our duty to protect the properties. We will take all steps to protect these properties.

MR.DEPUTY SPEAKER: I will give one round of clarifications.

The report of the Public Accounts Committee is presented to me. Petitions given by Hon’ble Members are deemed to have been presented.
...
MR. DEPUTY SPEAKER: No. Only one person from the Party. You decide.

MR. DEPUTY SPEAKER: Yes, from the P.R.P. Kanna Babu garu.

MR. DEPUTY SPEAKER: No. Only one person from the Party. You decide.
SRI AKBARUDDIN OWAISI:- Mr. Deputy Speaker, Sir. In my speech, not one but I had identified 23 SEZs on wakf land. It was not just my feeling. I had proved it with the notification, with the Gazette No., with the High Court and Supreme Court judgments stating that the lands I had mentioned do not belong to the State Government but belong to Waqf Board. All the lands which the Government claims to be theirs, the justification and the reason given is that these lands had come under Inam Abolition Act or Jagir Abolition Act. In my speech, I have given a reference of Supreme Court judgment which has exempted all the Inam lands which are linked or in a waqf institution or an
Endowments Institution for a Hindu Temple, or a Masjid or a Dargah. This has been exempted. Subsequently, after the judgment, in the TDP regime when Mr. N.T.Rama Rao was the Chief Minister, he had brought an amendment -- Inam Abolition Act –all the lands which I had mentioned are wakf lands. Not only that, the Supreme Court had also given a judgment stating that once a wakf is always a wakf till the end of this world. But that has not been clarified. This is where the confusion arises. This is where the Revenue Department is not taking care in protecting the wakf lands. Till 1994, till the TDP Government had constituted Minorities Welfare Department, the protection of wakf lands used to come under the Revenue Department. This is where, the Revenue Department has done injustice to the wakf lands. This needs to be redressed. This is an important issue. Hon’ble Chief Minister has been kind enough in saying that he will convene a meeting. I have mentioned 23 SEZs which come under the wakf land. I have given documentary evidences –judgments of High Court and Supreme Court.

I had also mentioned one dispute to be cleared. This is about Hazrat Ishaq Madani Rahmatullahi alaih Dargah in Visakhapatnam where the land was allotted to Hindus. I would like to draw your attention to the CAG report which is tabled today, page no. 30 "At this stage, the title of the land was vested with the A.P. Wakf Board as per the A. P. High Court judgment of February, 2004, the Government directed the Wakf Board to sell the land at the rate prevailing in the year 1999. A.P.High Court accordingly sold the land in April, 2008 at the old rates of 1999 for a total consideration of Rs.47.55 cr. as against the market value in January, 2007 at Rs. 224.47 cr. It is a loss of Rs.200 cr. to the Wakf Board. I had gone to the Court and got the Stay Orders and cancelled the registration of Hindujas. Now I request the Government to call those people and have a meeting in this regard and see that the loss of Rs.200 cr. to the exchequer of Wakf Board is given by Hindujas and to regularize this land. I have mentioned about Alamgiri Mosque. In this case also, there is a Supreme Court judgement. 880 acres of land was given to the Gangavaram Port. 320 acres were given to the Navy, 437.64 acres were given to VUDA, -- not a single paisa is given to the Wakf Board. The District Collector was sitting on the judgment—not releasing the judgment. I have given the Supreme Court judgment for reference.

I have also mentioned about the home district of the Hon’ble Chief Minister. No answer was given to me. At Gurramkonda in Chittoor District, Agriculture University is on the wakf land. The Gazette is there and the Wakf Board has written several letters to the Agricultural University to pay the rent but the university did not pay a single paisa to the Wakf Board till today. In Ibrahimpatnam, there is one Dargah called Hazrat Peeran Hussaini. Mrs. Geeta Reddy has mentioned about it. There is one SEZ coming up on an extent of 220 acres of Dargah land. In Seri Lingampally there is one Dargah of Salar-e-Aulia, Hafeezpet, on an area of 140 acres. No clarification is given about it. In Boduppal, Mir Momin Chouk Dargah -- 800 acres, no clarification has been given. Here three SEZs are coming up, no clarifications are given. On Ashurkhana Imam-e-Qasim, Medchal, 552 acres are given to SEZ. In Hayatnagar Mandal, Syed nagar, 172 acres, and Majzed-e-Almas in Mr. Jana Reddy’s home district-421 acres are given to a SEZ. On all this, no clarification is given. The reason for our demand is that 23 SEZs are coming up on the wakf lands. Today we would like to state that these issues or problems cannot be addressed just in a meeting. A House Committee is needed to be constituted. As promised, a sub-committee has to be constituted to look into the injustice done to the Wakf Board and the land which has been illegally snatched away or illegally encroached and grabbed by the Government should be returned to the Wakf Board, for the welfare and betterment of the Muslim community. It is very important. I once again want to reiterate my demand and say that the Hon’ble Chief Minister has also not mentioned anything in his reply about the reconstruction of the mosque by name Masjid-e-Omar Farooq at the International Airport. The Chief Minister was kind enough to rise to the
occasion and come to the rescue of the Minister. He said that 35 acres would be returned. That has also not been mentioned.

MR.DEPUTY SPEAKER: It was mentioned.

SRI AKBARUDDIN OWAISI: Thousands and thousands of acres of land were taken away from us. Kindly give us some land to construct a Haj House. Hajis are facing hardship. Begumpet Airport was very near to the Haj House which was constructed by the T.D.P. Government and when Mr.Chandrababu was the Chief Minister. Now we need to construct a new Haj House near the International Airport. For that, the Government has promised to allocate some land. Nothing has been mentioned about that. I hope that the issues I have raised, would be taken care of by the Government and the Government would be kind enough to announce as per our demand, for a House Committee or a Sub-Committee to look into the wakf matters.

MR. DEPUTY SPEAKER: Please sit down. Don't you cooperate? 

When he was speaking, I gave an Assurance that 30 acres for Haj House would be given. It does not mean that after he finished his speech, it will become an Assurance. I will give 30 - 35 acres required for the Haj House.

SRI AKBARUDDIN OWAISI: No. No. Land is not required for Haj House. 85 acres which was identified was not acquired and exempted from acquisition. Out of that Sri Rajasekhar Reddy had given 50.00 acres back. He gave an assurance that 35 acres have to be given. Kindly give that 35 acres.

SRI N. KIRANKUMAR REDDY: File is under circulation.

SRI AKBARUDDIN OWAISI: Not for the Haj House. It is a different item. It is a different episode.

SRI N. KIRANKUMAR REDDY: Yes. OK.

You fix up this thing.

MR. DEPUTY SPEAKER: I will assure you that I will go through the record. I will call for a Meeting of all important Floor Leaders and issues will be identified and House Committee will be formed.

(At that juncture Sri Akbaruddin Owaisi was on his legs looking forward whether anything would be announced in respect of Wakf Properties)

Of course, definitely on Wakf issue - all the 23 - 24 SEZs which you have identified, we will form a Sub Committee for that.

I thank all the Members for extending their co-operation. Now with the consent of the House, I adjourn the House sine die.

(The House then adjourned sine die at 08.03 PM)
