10. Shri G. Raja Ram (Armoor)

as members of the Committee of Privileges

**Shri Venkata Rama Rao (Karimnagar)**: Mr. Speaker, Sir, I want to rise on a point of information. I and some other Hon'ble Members of the House, have handed over a number of questions, but nothing is known about them. The questions have to be included in the agenda day-to-day, under Rule No. 16.

**Mr. Speaker**: The questions that were handed over have been referred to the departments concerned and after receiving answers from those departments, of course, they will be put before the House.

Now I like to take item No. 5 of the agenda first, Hon'ble Dr. G. S. Melkote to move a motion "That the members of this House do proceed to elect in the manner prescribed by sub-rule (2) of Rule 116 of the Legislative Assembly Rules, six members from among them to serve on the Committee on Public Accounts for the financial year 1952-53 ".

**Motion to Constitute Committee on Public Accounts**

_The Hon'ble Dr. G. S. Melkote_: I beg to move that the Members of this House do proceed to elect in the manner prescribed by sub-rule (2) of Rule No. 116 of the Legislative Assembly Rules, six members from among them to serve on the Committee on Public Accounts for the financial year 1952-53.

**Mr. Speaker**: Motion moved. For nomination papers, I am fixing the time till 12 noon on 1st of April, 1952. By tomorrow noon, the nomination papers should be submitted in the office. On 2nd April, 1952, elections will take place from 9 a.m. to 12 noon. But the point is this: If the nomination papers received do not exceed the number required, then we will have no election.
at all. We cannot decide beforehand, whether we will receive nomination papers more than the number required, or otherwise. But anyhow I want to inform the House that nomination papers should be filed by tomorrow noon.

Now, Hon'ble Dr. G. S. Melkote will move a motion "That the members of this House do proceed to elect in the manner prescribed by sub-rule (1) of Rule 117 (B) of the Legislative Assembly Rules, seven members from among them to serve on the Committee on Estimates for the financial year 1952-53".

Motion to Constitute Committee on Estimates

The Hon'ble Dr. G. S. Melkote: Mr. Speaker, Sir, I beg to move that the members of this House do proceed to elect in the manner prescribed by sub-rule (1) of Rule 117 (B) of the Legislative Assembly Rules, seven members from among them to serve on the Committee on Estimates for the financial year 1952-53.

Mr. Speaker: Motion moved. Here again, I want the nomination papers to be filed by tomorrow noon, and then we shall have elections on the 2nd April, between 9 a.m. and 12 noon, if necessary.

I have received a notice for motion of address of thanks to be presented to the Rajpramukh which is also on the agenda. I call upon Shri S. Pratapa Reddy to move the motion.

Address of Thanks to the Rajpramukh

Shri S. Pratapa Reddy (Wanaparati): Mr. Speaker, Sir, I beg to move that an address be presented to His Exalted Highness the Rajpramukh, that "We the members of the Hyderabad Legislative Assembly, assembled in this session, offer our sincere thanks to His Exalted Highness the Rajpramukh for the address which he has been pleased to deliver".

Mr. Speaker: Motion moved. I think no speech is necessary at this stage, because this motion shall be taken up for consideration on 2nd April, 1952, after elections. We will get one full day, if there are no elections. Otherwise it will be taken up after elections. Hon'ble Members may send their amendments, if any, by way of addition at the end of the motion for raising questions of public policy (under rule 52c) by 12 noon on 1st April, 1952. If it is not possible to take it up for consideration on 2nd
April, we will have to take it up on 4th April, as 3rd April happens to be a holiday.

One more matter. I had asked the Hon’ble Members of the House to fix the time for the session. I wanted to bring one fact to the notice of the members that is from tomorrow, all the offices will work in the morning. So the office hours from tomorrow will be from 8 a.m. to 1 p.m. As such, will it not be advisable for us also to meet till the end of this session in the morning, say, from about 9 or 9-15 a.m. to 1 p.m? It will depend on the work we do. For the next session we may choose other time. But for this session, as it is a hot season and other offices will also work from 8 a.m. in the morning, if we choose the time from 2 p.m. onwards, it is likely to inconvenience the offices. Of course, we can do it, there is nothing to prevent us. But it will be more convenient if we meet in the mornings. That is the reason why I have said that elections for these two sub-committees also will be from 9 a.m. to 12 noon,—I think the House agrees to this proposal.

Mr. V. D. Deshpande: Speaker, Sir, When the time was declared we thought it was being decided for a longer period. If it is only for the coming few days, I think there is no harm. But when we suggested 2 to 5 or 2 to 7....
