HYDERABAD LEGISLATIVE ASSEMBLY

(Fifth day of the Second Session.)

THE HOUSE MET AT NINE OF THE CLOCK
[MR SPEAKER IN THE CHAIR]

Starred Questions and Answers

Mr Speaker We shall now take up Questions.

DESTRUCTION OF CROPS BY BEASTS

* 90. Shri A. Raja Reddy (Sultanabad). Will the hon. Minister for Agriculture and Supply be pleased to state
(1) Whether crops are destroyed this year by wild beasts in Sultanabad taluq?
(2) Whether farmers have no guns to fight the wild beasts?
(3) If so, what action has been taken towards this part of the 'Grow More Food' Scheme?
(4) Whether any facilities have been provided for ryots to acquire guns easily?

The Minister for Agriculture and Supply (Dr Chenna Reddy):

(1) This is a normal source of damage in areas adjacent to forests. Presumably, some damage may have been caused this year in parts of the Taluq bordering forest areas.
(2) It is true that most of the farmers have no firearms.
(3) Proposals for organising Shikar parties, giving rewards for killing wild animals, requisitioning the services of Police in case of large-scale damages, etc are under consideration, of Government.
(4) Collectors are empowered to issue licences for muzzle-loading and breech-loading guns and rifles.

Shri A. Raja Reddy. Does the Government propose to relax certain restrictions in the matter of getting guns in view of the changed conditions.
Dr. Chenna Reddy: I might suggest that this question should be addressed to the hon Home Minister.

Dr. Chenna Reddy: In cases which have been brought to our notice, necessary action has been taken.

Dr. Chenna Reddy: I cannot say at this stage the different actions taken at different stages.

Dr. Chenna Reddy: I do not know where that representation was made and if the complaint is brought to my notice I will certainly look into it.

Dr. Chenna Reddy: Nothing like that as yet.

Dr. Chenna Reddy: It would facilitate my enquiring into it if specific cases are brought to my notice.

Dr. Chenna Reddy: If this would have been brought to my notice earlier, I would have definitely looked into it.
Dr Chenna Reddy  These details I have already submitted to
the House  Certainly, there are different cases in different parts
of the State and necessary steps are being taken in facilitating
the giving of guns by empowering the Collectors and also by
arranging Shikar parties, etc

Dr Chenna Reddy  It is at the discretion of the District
Collectors who are authorised to do this

Dr. Chenna Reddy  I am sorry, I do not have any specific
information about this  But I assure the House that I will see to
it that no delay is caused in such cases

Mr Speaker  Let us proceed to the next question

ALL INDIA CONFERENCE OF SOCIAL SERVICE

*86 Shri A Raja Reddy : Will the hon. Minister for Social
Service be pleased to state

(1) Whether the Hyderabad Branch of the All India
Conference of Social Service is a Government organisation ?

(ii) If not, why Government servants like Tahsildars
are collecting monies from the ryots for the organization like
Government demands ?

Discussion on the Non-Official Resolution No 1

24th June, 1952

Lyle Keats, by voice, stated that he felt there was a need for a closer relationship between the government and the trade unions. He believed that the government should be more proactive in addressing the needs of the workers.

Welfare State

The government has made significant strides in improving the lives of its citizens. The provision of basic services such as education and healthcare has improved significantly.

Raw Material

The availability of raw materials is crucial for the industrial sector. The government should continue to support initiatives that aim to increase the country's raw material reserves.

Industrialists

The industrialists are a vital part of the economy. They play a crucial role in generating employment and economic growth.

Basic Wage

The basic wage is a critical component of the national income. It serves as a safeguard for workers and helps to maintain a minimum standard of living.

Municipal Workers

The municipal workers are an essential part of the public service. Their role is critical in maintaining the infrastructure and providing essential services.

Government concern

The government should continue to prioritize the concerns of the workers. It should work towards addressing their needs and ensuring a fair distribution of resources.

Factories’ Act (Represent

Section 240 of the Factories’ Act requires that the factories should be represented by their employers in the Tripartite Commission. The Millowners’ Association represents the employers.)

Millowners’ Association

The Millowners’ Association represents the employers in the Tripartite Commission. It has been decided that the representatives of the employers shall be elected by the members of the Association.

Efficiency

The discussion on efficiency centers around the need to improve the working conditions in the factories. The Millowners’ Association has been working towards this goal by encouraging the employers to adopt modern techniques and methods of production. The representatives of the Association have been working closely with the factories to implement these changes.

Production

The production of goods is a major concern for the Millowners’ Association. They have been working to improve the production process by encouraging the factories to adopt modern machinery and techniques. They have also been working to ensure that the factories are producing goods of high quality.

Sanatoriums

The Millowners’ Association has also been working to improve the health and safety of the workers in the factories. They have been working to ensure that the factories provide adequate medical facilities and that the workers are provided with a healthy and safe working environment.

Eastern

The Millowners’ Association has been working to improve the working conditions in the factories in the Eastern region. They have been working closely with the factories in the region to implement the changes that are needed to improve the working conditions.

Sanatoriums

The Millowners’ Association has also been working to improve the health and safety of the workers in the factories in the Eastern region. They have been working to ensure that the factories provide adequate medical facilities and that the workers are provided with a healthy and safe working environment.

Demand for raising the Dearness Allowance (DA) of railway employees.

Sir,

We are members of the Committee of Management of the Railway Service. We wish to submit to you the following points for consideration:

1. The present level of Dearness Allowance (DA) is insufficient to meet the increased cost of living. The DA formula should be revised to reflect current economic conditions.

2. The DA should be linked to the Consumer Price Index (CPI) to ensure that it keeps pace with inflation.

3. The DA should be indexed to the minimum wages in the railway sector to ensure that it is fair and proportionate.

4. The DA should be increased to at least 50% of the basic pay to provide adequate compensation for inflation.

5. The DA should be paid at the end of each quarter to allow for timely adjustments.

We request that these recommendations be incorporated into the next revision of the DA formula. Thank you for your attention to this matter.

Yours faithfully,

A Blue-print for meeting unemployment in the urban areas among skilled workers and educated persons is being worked out by the Minister for Labour, Hon. Shri V.B. Raju. Explaining the scheme to the officers concerned, Mr. Raju described it as a "humble beginning" towards the solution of what was one of the most urgent and compelling problems facing a modern democratic society. The success of the Five Year Plan, he declared, would be governed very largely by the proper organization of skilled man-power.

16th June, 1952. Discussion on the Non-Official Resolution No. 1

Abdul Jalil Khan, who was a Member of the Assembly, moved the following resolution:

"The House is aware of the recent developments in the United Nations and the inter-Parliamentary Union. The Prime Minister has already stated that Pakistan would not be a member of the United Nations until such time as it is satisfied with the Charter of Rights.

The House is hereby resolved that the Government should take all necessary steps to ensure that Pakistan remains out of the United Nations until such time as the Charter of Rights is amended to meet our demands.

The Prime Minister in his statement has also mentioned the need for a "Controversial type" of Co-operation. The House is of the opinion that this type of Co-operation is not in the best interest of Pakistan and therefore should not be entered into.

The House further resolves that the Government should take all necessary steps to ensure that Pakistan does not participate in any "Controversial type" of Co-operation until such time as the Charter of Rights is amended to meet our demands."

Resolution No 1

Mr. Speaker: Shall I continue?

Shri L K Shroff: Oh, yes

Any minimum rate of wages fixed or revised by the appropriate Government in respect of scheduled employments under Section 3 may consist of (a) a basic rate of wages and a special allowance at a rate to be adjusted at such intervals and in such manner as the appropriate Government may direct nearly as practicable with the variation in the cost of living index number applicable to such workers (hereinafter referred to as the ‘cost of living allowance’); or (b) a basic rate of wages with or without the cost of living allowance, and the cash value of the concessions in respect of supports of essential commodities at concession rates, where so authorized, or (c) an all inclusive rate allowing for the basic rate, the cost of living allowance and the cash value of the concessions, if any.”

Shri L K Shroff: Minimum wages = Basic wages + special allowance.
“Section 27  Power of Provincial Government to add to schedule—The appropriate Government after giving by notification in the Official Gazette not less than three months’ notice of its intention to do, may, by like notification, add to either part of the schedule any employment in respect of which it is of opinion that minimum rates of wages should be fixed under this Act, and thereupon the schedule shall in its application to the Province be deemed to be amended accordingly”

“Section 30  Power of appropriate Government to make rules —(1)  The appropriate Government may, subject to the condition of previous publication, by notification in the official Gazette, make rules for carrying out the purposes of this Act”

Resolution No 1

The members felt that Living Wages with cost of living Index, Fair Wages Bill in accordance with the Minimum Wages Act should be passed. The members suggested that Fair Wages Bill should be re-drafted to make it more acceptable. Basic Wages should be defined and Basic Wages should be paid as per the Minimum Wages Act.

The members felt that ‘One month’s Leave with pay’. Factory Act, 1947 should be amended to include a month’s Leave with pay. Minimum Wages Act should also be amended to include (f) clause of sub-section (2) of Section (30)—’Without prejudice to the generality of the fore-going power, such rules may provide for a day of rest in every period of seven days and for the payment of remuneration in respect of such day’.

A Resolution moved by Mr. M. R. Pujari: Living Wages with cost of living Index.
The House then adjourned for recess till-half past Eleven of the Clock.

Resolution No 1

(Strike) A political development which has made headlines in the recent past is the Bill (Act) of the governing body, which has been drafted to address the concerns of the workers. The Bill intends to protect the rights of workers in their workplace and ensure fair and just treatment. It has been welcomed by the trade unions, who have long been advocating for such measures to be put in place.

(Leave with pay) Another significant development is the introduction of a monthly leave with pay scheme for workers. This new policy aims to provide workers with the opportunity to take a month's leave with pay, which will not only improve their quality of life but also help in retaining skilled and experienced workers. The implementation of this scheme is expected to benefit a significant number of workers across various sectors.

(Steps) In discussing these developments, it is crucial to recognize the efforts of various stakeholders who have contributed to the formulation of these policies. The government, trade unions, and employers have all played a role in shaping these initiatives, which are expected to have a positive impact on the lives of workers and the economy as a whole.

(Instance) A recent instance of the implementation of these policies has highlighted the benefits of such measures. In a recent meeting, representatives from various sectors expressed their satisfaction with the new policies, citing examples of how they have positively impacted their workforce.

In conclusion, the developments discussed in this resolution are a testament to the commitment of the government and other stakeholders to improve the lives of workers. The implementation of these measures will not only benefit the workers but also contribute to the overall growth and development of the country.

Discussion on the Non-Official
Resolution No 1
16th June, 1952

273

As regards the implementation of the
Resolution, there seems to be no
objection from the Assembly. The
Government has already taken
measures to ensure its implementation.

Regarding the resolution on the
employment of women in the
Parliament, the Government has
already initiated steps to implement
the resolution.

On the resolution regarding the
employment of women in the
administration, the Government has
announced measures to achieve
gender parity in the civil service.

As regards the resolution on the
employment of women in the
judiciary, the Government has
taken steps to ensure that women
are adequately represented in the
court system.

In conclusion, the Government is
fully committed to implementing
these resolutions and ensuring
gender equality in all aspects of
public administration.

Rahman, Minister for Women's Affairs.
