Shri L K Shroff Is the hon Minister aware that villagers of 9 villages were given compensation amounts about a week or so after they were moved from the villages?

The Government has not been informed of any such incident. The policy of providing compensation to landless laborers and those who have been displaced by developmental projects has been carried out in accordance with the law and regulations. The compensation is provided as a matter of course and in consultation with the local authorities and the affected parties. 

If the hon Minister has any specific case in mind, I request him to provide the details so that the matter can be investigated and appropriate action can be taken.

Business of the House

I have to bring to the notice of the House two telegrams which I received yesterday evening.
Gaywel M L A Sri Pendam Vasudev was arrested and produced before the Munaf Magistrate Bhongir by S I Bhongir in Bhongir 79/52 107 CRPC with a charge sheet and the Magistrate rehived him on bail at 11 a m

The second telegram is also to the same effect and it reads as follows

Gaywel M L A Sri Pendam Vasudev has been arrested this morning at 8 a.m. by S I Bhongir and released by him on bail immediately in Bhongir station 90/52 143 and 506 IPC

(Pause)

Notice has been given regarding an adjournment motion by Shri K V Ram Rao M L A. It reads as follows: Shri I hereby give notice of intention to move a motion for the adjournment of the Assembly for the purpose of discussing a definite matter of urgent public importance namely the illegal detention for twelve hours by the Police of Nalgonde on 12 7 1952 of the Municipal Councillors and other workers of Peoples Democratic Front in the town of Nalgonde including detention for three hours of Shri Uppal Malchur M L A who was going via Nalgonde to Mirmalaguda with deposits and nomination papers in connection with bye election in Huzurnagar and Peddamungul constituencies and wrongful seizure of the office records of the Peoples Democratic Front and taking over of the office for twelve hours in the town of Nalgonde and the situation arising there from on the eve of bye election in the District of Nalgonde.

This notice is dated 14 7 1952.

Mr Speaker Does the hon. Member want to say anything? There are so many things here which are indefinite—names are not given and also some other facts are not given.

Mr Speaker Has the Government anything to say regarding this adjournment motion?

Shri B Ramakrishna Rao I am unaware of the facts to which the hon. Member refers. I have not had so far any report of these arrests or detentions.

Shri M S Rajalingam Is it not advisable that in all such cases, information may first be obtained from the Government.
by putting short notice questions and then adjournment motion moved?

Mr. Speaker  Permission has not been granted as yet

Shri M S Rajahmoulam: I think it would be an age time if by short notice questions we obtain information from the Government first and then move the adjournment motions

Shri I D Deshpande: In this respect I have to say one or two things. Firstly as regards short notice questions attempts have been made in an earlier case e.g. hunger strike in Warangal is going on. I have given short notice questions four or five days back. But the hon Minister for Home has not replied as yet. Secondly as regards the instances which are happening in the town of Nalgonda, this is not the first of its kind. Similar things are repeatedly happening there and this is one of them. So far as other matters are concerned as far as I know the adjournment motion has been given in time two hours before to discuss a matter of urgent public importance because elections are going to take place and incidents are happening repeatedly and the authorities concerned have not taken any notice of it and no ordinary relief is available there. I therefore request that on all these grounds the adjournment motion shall be admitted.

Shri V B Raju: Mr. Speaker Sir The hon Member admits that such incidents have been happening for the past few days or for some time. When such incidents have been happening for some time past there is no urgency for this Adjournment Motion.

Shris V D Deshpande: (interrupting) So urgency arises when people are killed?

Shri V B Raju: So the adjournment motion is brought before the House without any such urgency and as is clear from the hon Member's own statement there is no urgency for this adjournment motion.
