(c) Whether a representation was made to the local officials about the above incident?

(d) If so what action has been taken against the persons involved?

Shri Digambar Rao Bindu (a) No The facts of the incident are as follows On 28th 1952 the local Arya Samajists took out a procession in connection with Dasara Festival through the Main Bazar of Nalgonda town. When the procession was passing by the side of the Collector's Office four irresponsible persons went in advance of the procession and assaulted Abdul Rahman who was sitting in front of his hotel. He sustained simple injuries. This attack it is understood was a reprisal to an incident which occurred on 19th 1952 in which Mohd. Yousuf, brother of Abdul Rahman and another attacked one of these four persons for having furnished information to the police which led to the arrest of a wanted terrorist. After assaulting Abdul Rahman they entered the hotel and broke some cups and glass panes of the almirah.

No complaints were received about the assault on Abdul Razak or Sathyanarayan Municipal Councillor Samu Khan
orally reported at the Police station that his son was assaulted by some goondas but no injuries were found on his person.

(b) Is it a fact that some of the kisans who refused to do so were severely beaten by the above Police Sub Inspector?

If so why so?

Shri Digambar Rao Bendi (a) No The facts are that the P D F workers and underground terrorists of Huzurnagar taluq had affixed some posters on the house of Muthavarapu Kottayya of Kapugal during the first week of October. To the effect that Nana Guruvayya the Police Patel of Kapugal would be murdered. As he had actively worked for the Congress candidate during the bye elections. Similar posters were also thrown in a cart belonging to the Police Patel. On a Report about this matter from the Police Patel the S I of Kodad along with the Prob S I visited the village and made enquiries. The S I warned those who were suspected in this connection that if any harm came to the Police Patel they would be held
responsible. The SIs also requested the neighbours of the Police Patel and Muthavarupu Kotriyya to be on the lookout for catching the persons who affix such posters and try to do harm to the Police Patel. They did not issue any other instructions to the agricultural labourers and kisans of Kapugal village.

OFFICE OF THE CHIEF INSPECTOR OF OFFICES

11 (678) Shri V S Rajahgam. Will the hon. Minister for Finance be pleased to state

(a) What expenditure is incurred by the Government towards the establishment charges of the Office of the Chief Inspector of Offices?

(b) What if any benefits have been derived by the Government from the reports submitted by the Chief Inspector during the past five years?

The Chief Minister Shri B Ramakrishna Rao

(a) The actual expenditure on account of the Chief Inspectorate of Offices was as follows —

<table>
<thead>
<tr>
<th>Year</th>
<th>Expenditure</th>
</tr>
</thead>
<tbody>
<tr>
<td>1950</td>
<td>Rs 61,089</td>
</tr>
<tr>
<td>1951</td>
<td>Rs 62,968</td>
</tr>
</tbody>
</table>

As a result of the inspections carried out by the Chief Inspectorate of Offices Government have been able to effect retrenchment in certain offices which were over staffed. Retrenchment and weeding of inefficient hands have also been effected by amalgamating and grouping together small offices thereby achieving economy without loss in efficiency.

Budget allotments of a number of officers were brought down in the light of the average actual expenditure of the offices for the previous 9 years. Uniform standard of procedure in the district offices and standardization of a number of registers maintained in the offices as well as a reduction of the periodical reports sent out by subordinate offices particularly in the mofussil have also been achieved through the inspections by the Chief Inspectorate of Offices. Apart from the above Government have been able to detect major and minor irregularities obtaining in certain offices and
immediately rectify them. There has been a general improvement in almost all the offices inspected not only in the method of dealing with cases but also in the outturn of work and disposals.

The Chief Inspectorate of Offices was established in August 1949 on a temporary basis and as such it has been in existence for a little over three years only and not for the last 5 years as stated in the question.
