A Bill No XXX of 1952 26th Nov 1952 281
A Bill for the Suppression of Brothels and Immoral Traffic

Mr Speaker If any hon Member has to offer any remarks he may do so

Mr Speaker So the hon Minister accepts the first amendment moved by Shri K Ananth Ram Rao

Shri D G Bhoodu Yes

Mr Speaker Does the hon Member want that this amendment be put to vote?

Shri K Venkat Ram Rao Yes Sir

Mr Speaker The Question is that in paragraph (a) of Clause 8 of the Bill omit the following words namely—

inclus of the Commissioner of Police

The Motion was negatived

Mr Speaker Shrimathi Masuma Begum has come now Does she want to move the amendment to Clause 8

Shrimati Masuma Begum (Shahibanda) I do not wish to move the amendment to Clause 8 but I would suggest something to Clause 5

Mr Speaker Clause 5 comes later on Does the hon Member want to move the first amendment

Shrimati Masuma Begum No I don't
Mr Speaker  The Question is
That Clause 3 of the Bill as amended stand part of the Bill
The Motion was adopted
Clause 3 was added to the Bill

Mr Speaker Now there is no amendment to Clause 4
The Question is
That Clause 4 of the Bill stand part of the Bill
The Motion was adopted
Clause 4 was added to the Bill

Mr Speaker Now we shall proceed to Clause 5 Shumati Masuma Begum

Shumati Masuma Begum I wonder if it will be possible for me to change the wording of the amendment. Instead of Social Service Department the words a Member of the Women's Association may be inserted considering the fact that the Women's Association has been doing this work since 15 years. If you allow this change I shall move my amendment

Mr Speaker It is merely a change of name. You want to say only in company with a recognised member of the Women's Association. Which Women's Association anything in particular?

Shumati Masuma Begum The Women's Association for Educational and Social Advancement

Shri Ratangal Kotecha (Patodia) Has the Women's Association for Educational and Social Advancement got branches all over the districts?

Smt Masuma Begum Yes in some of the Districts

Shri Ratangal Kotecha I am asking this because this Act is going to apply to Municipalities?
Mr Speaker Will the hon Member please say how many lines from the top the word Police Officer occurs—because the word Police Officer has been used at several places.

Smt Masuma Begum Page 8 line 7 from the top

I shall explain my amendment and say why I want recognition of this Women's Association 15 years ago a Vigilance Sub Committee was formed by the Women's Association for Educational and Social Advancement and a Home opened at Neeradunet. Here the girls were taught weaving and sewing and other handicrafts. Some were married off and some were provided with jobs. In recognition of the work of the Association a Member should be allowed to go along with the Police Officer then I don't think anybody will object to their entering the house.

Mr Speaker The point is whether branches are there all over the districts?

Smt Masuma Begum Yes they are in some districts and in others they could be opened.

Mr Speaker I am asking this because this Act will apply to all the districts. So I want to know whether Members of this Association will be available in all districts?

Smt Masuma Begum I am sure they will be available if the Police Officer cares to ask for the help of any social worker. Besides the Women's Association has already got some branches and can develop more branches in other districts also.

Shri Digambar Rao Bundu I think the hon Member will be willing to withdraw her amendment after I say something.

Smt Masuma Begum May I ask an assurance from the hon Minister Sir? In case the Mover thinks that I am wrong and he is not able to insert my amendment I would request him to bear in mind the fact that while executing the order of the Court under section 8 the Police Officer should be authorised to take with him a Member of the Women's organisation. At least when the Rules are framed this can be inserted.

مریام کنر زبیدو حسین بمد کے حب کے اساتذہ لاگنچہ سے اسمعیل یہم ہی آفیس سے یہونے جو مبیم کے حب کے نگرفہ سی کسی طرح کی
Mr Speaker  Does the hon Member want to move her amendment in spite of the assurance given by the hon Minister?  

Smr Masuma Begum  I do not want to move my amendment  I hope at the time of framing the Rules  the hon Mover will bear in mind what I have said. 

Mr Speaker  The Question is  

That Clause 5 stand part of the Bill  
The Motion was adopted  
Clause 5 was added to the Bill  
Mr Speaker  We shall now take up Clause 6  

Shri K Venkataram Rao  

Shri K Venkat Ram Rao  Mr Speaker Sir I beg to move  

That between the words count and cause in line 5 of Clause 6 of the Bill the following word and comma be inserted namely  

Immediately  

When a girl has been removed from a brothel or disorderly house or place of assignation under the provisions...
of sub section (1) of section 8 the police officer carrying out the removal shall until such girl can be brought before the Court immediately cause her to be detained in a rescue home or in such other suitable custody (other than a police station or jail).

Mr Speaker Probably his intention is that the Police Officer should immediately take her before the Magistrate. But I am afraid the word immediately there does not carry that meaning.

carrying out the removal shall cause her to be detained immediately
shall immediately cause her to be detained

until such girl can be brought before the Court

the Police officer carrying out removal immediately cause her to be detained in a rescue home or in such other suitable custody etc

Mr Speaker Will the comma after the word immediately fit in there?

Shri A Ray Reddy No comma That comma is a mistake

Mr Speaker Please read the amended version

Shri A Ray Reddy It will come like this

until such girl can be brought before the Court immediately cause her to be detained
Mr Speaker, the Police officer carrying out the removal shall until such girl can be brought before the Court immediately cause her to be detained.

Mr Speaker, will this immediately serve any purpose? Immediately also means in time.

Motion moved that between the words Court and cause in line 8 of Clause 6 of the Bill the following word be inserted namely—immediately.

**INTERMEDIATE CUSTODY OF GIRL REMOVED FROM BROTHEL ETC**

The Question is that Clause 6 as amended stand part of the Bill. The Motion was adopted.

Clause 6 as amended, was added to the Bill.
Mr. Speaker There being no amendment to Clause 7
I shall now put Clause 7 to vote

The Question is

That Clause No 7 stand part of the Bill

The Motion was adopted
Clause 7 was added to the Bill
We shall now take up Clause 8

Shri A. Ray Reddy I beg to move

That in the first line of the proviso to sub-clause (2)
of Clause 8 of the Bill the following words namely
or a son or daughter
be omitted

There is a consequential amendment May I read that also?

Mr. Speaker Yes

Shri A. Ray Reddy Su I beg to move

That to sub-clause (2) of Clause 8 of the Bill the following vis

Provided further that the provisions of subsection
(1) of section 8 shall not apply to a son or daughter of a
person living in prostitution
be added

Mr. Speaker Motions moved

That in the first line of the proviso to sub-clause (2)
of Clause 8 of the Bill the following words, namely
or a son or daughter
be omitted

That to sub-clause (3) of Clause 8 of the Bill, the
following vis

'Provided further that the provisions of subsection
(1) of section 8 shall not apply to a son or daughter of a
person living in prostitution
be added
L A Bill No XXX of 1962
A Bill for the Supp cession of
Brother A / Immoral Traffic

Provided further that the provisions of sub-section (1) of section 8 shall not apply to a son or daughter of a person living in prostitution.
Mr Speaker By the addition of the second proviso as suggested by the hon Member practically the result will be the same as that of the original Bill

Shri A Raj Reddy No

Mr Speaker How? The first paragraph in the Bill so to say is accepted—a son or daughter. By the second proviso the hon Member says again that they should be accepted. Practically again the hon Member comes to the Bill itself

Shri A Raj Reddy No I shall explain the matter

Any person not below the age of eigh teen years who knowingly lives wholly or in part on the earnings of the Prostitution of another person shall be punished with imprisonment which may extend to two years or with fine which may extend to one thousand rupees or with both

Provided that the mother or a son or daughter of a person living in prostitution shall not be punished under Section 1 for living on the earnings of such person unless it is proved to the satisfaction of the Court that such mother son or daughter is aiding abetting or compelling her prostitution

के, में आई दिनों देव दिनों देव दिनों देव दिनों
Shri Gopal Rao Ekbote A point of information Sir according to his first amendment, the hon Member wants to omit in the first line of the proviso to sub clause (9) of Clause 8 the words 'or a son or daughter' If this amendment is accepted the result would be like this

'Provided that the mother of a person living But does he want to retain the same words son or daughter appearing in the last but one line of the said proviso as he has not moved any amendment to omit them'

Mr Speaker That is what he seems to mean

until the contrary is proved that such person is knowingly living on the earnings of the prostitution of another within the meaning of sub section (1)

until it is proved to the satisfaction of the Court that such mother, son or daughter is aiding or abetting that prostitution

A Bill for the Suppression of Brothels and Immoral Traffic

(General Discussion)

Sir, I would like to briefly outline the objectives of this bill. It is evident that the current laws are insufficient to address the issue of brothels and immoral traffic. The proposed amendments aim to close all brothels and immoral traffic establishments. The bill seeks to ensure that all brothels are closed, and the offenders are prosecuted to the fullest extent of the law.

The amendments are designed to address the root causes of brothels and immoral traffic. They aim to deter the establishment and operation of brothels by imposing stringent penalties and increasing the effectiveness of law enforcement. The bill also seeks to protect and empower women and girls, ensuring their rights are respected and their safety is prioritized.

In conclusion, this bill is a vital step towards creating a safer and more equitable society. I urge all members of this esteemed body to support these amendments and work towards a future where our women and girls are free from the threat of brothels and immoral traffic.
The House then adjourned for recess till Two minutes past Five of the Clock.

The House reassembled after recess at Two minutes past Five of the Clock.

[Mr Speaker in the Chair]

Shri A. R. Reddy: Mr Speaker, Sir, in reply to my amendment, I wish to say a few words.

Mr Speaker: There can be no reply to an amendment.

Shri R. R. Reddy: Sir, there can be, under Rule 41.

Mr Speaker: Yes, provided the Speaker allows it.

Shri P. S. Reddy: It is always a reservation, Sir.

Shri R. R. Reddy: It is not like that. I am entitled to speak.

Mr Speaker: Rule 41 permits the Mover of a Motion to speak a second time, but there is a big proviso there. Rule 41 says:

"the mover of a motion other than an amendment to a Bill or to the Rules may speak a second time on the conclusion of the debate by way of reply."

But this is qualified by another proviso of the same Rule.

Provided that nothing in this sub-rule shall be deemed to give any right of reply to the mover of a motion to reduce any demand for grant or to the mover of an amendment to a Bill or a resolution save with the permission of the Speaker.

Shri R. R. Reddy: Of course, everything is done with the permission of the Speaker.

Mr Speaker: The right arises only after obtaining the permission of the Speaker.
Shri Ray Reddy  It is only in extraordinary circumstances when you consider a speech unnecessary that you would exercise your power under this rule. Ordinarily it is a right

Mr Speaker  So the hon Member wants to say a few words in reply

Shri Ray Reddy  Yes Sir

Mr Speaker  All right the hon Member may proceed

vote So it may be withdrawn

Mr Speaker The question is

Mr Speaker The question is

That Clauses 8 9 10 11 12 and 13 were added to the
Bill

Mr Speaker: The question is

That for the word without in line 2 of sub clause (1) of Clause 14 of the Bill substitute the following word namely on

The House divided

Ayes 54  Nocs 78

The motion was negatived

Mr Speaker: I suppose the consequential amendment need not be put to vote

Shri Shamrao Naik: Yes Sir I beg leave of the House to withdraw my second amendment

The amendment was by leave of the House withdrawn
Mr Speaker. The question is

That Clause No 14 stand part of the Bill

The motion was adopted

Mr Speaker. Next we shall take up amendments to Clause 15 Shri Ankushao Venkata Rao

Shri Ankushao Venkat Rao (Partiu) Mr Speaker Sir. I beg to move

That in lines 6 and 7 in sub clause (2) of Clause 15 of the Bill omit the following words namely:

removed as if she had been removed

Mr Speaker. Motion moved

That in lines 6 and 7 in sub clause (2) of Clause 15 of the Bill omit the following words namely:

removed as if she had been removed

Shri Ankushao Venkat Rao Mr Speaker Sir. Some part of the speech which I wanted to make in support of my amendment was already made by the hon Minister for Law and Endowments. He had admitted that under section 5(1) it is necessary that a warrant should be issued by a Magistrate for removing my minor girl when she is found in a brothel house. On the other hand, according to this section when a Sub Inspector of Police or Inspector goes to detect a crime in such a house he is empowered to remove a minor girl from that place without a warrant. Just as under section 5(1) a warrant from a Magistrate is necessary for removing a minor girl. I also want to make it necessary for an Inspector to have a warrant to remove a girl from a suspected brothel house. A similar warrant as under sub section 5(1) must be issued before she can be removed from a brothel house because if that minor girl is to be removed without a warrant that power will be too much and can be utilized in an adverse way. Our Minister for Law and Endowments said that we must have some faith in the goodness of human nature and all that. That I think is mere tall talk. We have to face realities as they are. When we are dealing with the fair sex the initiative of the energetic and enthusiastic Sub Inspectors and Inspectors of Police must be curtailed. He should not be given the power to remove minor girls without a warrant.
In the light of these things I hope the mover of the Bill will accept my amendment.

Shri Gopal Rao Ekhote (Chanderghat) Point of information, Sir, The amendment moved does not seem to carry any
meaning. As it stands some classification seems to be necessary. The mover of the amendment wants evidently the words removed as if she had been removed to be omitted. But if the whole sentence is read with the amendment it does not read anything. With the Amendment the sentence will read as follows:

All the provisions of this Act shall apply in regard to any girl under sub-section (1) of section 5.

Let the mover clarify and then we will be in a position to know what he wants. As it is, I am not in a position to know what really the mover wants.

Shri Ankushrao Venkhatrao The fact is this. Sub-section (2) of section 15 is superfluous in view of section 5 (1) of the Bill. The Inspector can remove the girl only under the condition laid down in section 5 (1). That is what I wanted to say.

Mr Speaker The hon Member has given the explanation. Probably he means all the provisions of this Act shall apply to any girl under sub-section 1 of section 5.

Shri Gopal Rao Elkote He does not want the word 'so' to be omitted.

Mr Speaker Yes. All the provisions of this Act shall apply to any girl so under sub-section (1) of section 5. (Laughter)

Shri Ankushrao Venkhatrao The word 'so' should be omitted.

Mr Speaker Then it means an amendment to amendment.

Shri Gopal Rao Elkote There cannot be any girl under sub-section (1) of section 5. It should be referred to in sub-section (1) section 3. There is no girl in sub-section (1).

Shri Ankushrao Venkhatrao There is already a girl in sub-section (1) of section 5. (Laughter)

Mr Speaker Let us take it as explained.
and thereupon such police officer shall have the power to enter into such brothel disorderly house or place of assignation and shall be entitled to remove forthwith from such brothel disorderly house or place of assignation such girl and any other gal found therein in his opinion she is under the age of 18 years and is living or is carrying on or being made to carry on the business of prostitution in such brothel disorderly house or place of assignation.

All the provisions of this Act shall apply to any girl under sub-section (1) of section 5.

Does the hon. Member want his amendment to be put to vote?

Shri Anilchandra Venkatram Su I beg leave of the House to withdraw my amendment.

The amendment was by leave of the House withdrawn.
Mr. Speaker The question is
That clause 16 stand part of the Bill
The motion was adopted
Clause 16 was added to the Bill

Mr. Speaker There is no amendment to clause 16
The question is
That clause 16 stand part of the Bill
The motion was adopted
Clause 16 was added to the Bill

Shri Gopal Rao Ekbote I take objection to her amendment before it is allowed to be moved. It is not only misconceived but inappropriate also. Evidently the Learned Mover has misunderstood section 16. Section 16 only authorises a particular Magistrate to try those offences referred to in sections 4, 8, 9, 10, 11 or 12. It does not say anything more than that. The amendment which is sought to be moved now states

In spite of the fact that no legal proceedings can be instituted under the above sections until the Punch Committee
gives its decision in a case action can be taken before the Magistrate against the decision of the Punch Committee.

Where is that Punch Committee?

So the amendment of Smt. Rajani Devi is not moved.

Uj Speaker The Question is

That clause 16 stand part of the Bill
The Motion was adopted
Clause 16 was added of the Bill

Uj Speaker Shri Makhdoom Mohuddin

Shri Makhdoom Mohuddin (Humara) Mr Speaker
Sir I beg to move

That the following proviso be added to sub paragraph (c) of Paragraph (e) of sub clause (1) of clause 17 of the Bill namely—

Provided that the rules as adopted and amended shall be laid before the Assembly

Uj Speaker Motion moved

That the following proviso be added to sub paragraph (c) of Paragraph (e) of sub clause (1) of clause 17 of the Bill namely—

Provided that the rules as adopted and amended shall be laid before the Assembly

Provided that the Rules as adopted and amended shall be laid before the Assembly. There is nothing like sanction or discussion or anything of the sort. If it is the intention of the hon. Member that it should be brought to the notice of the House and all the hon. Members then it is a different matter. I do not know the legal or constitutional position of it but as the wording stands I feel like this and I want to know what exactly is the intent on of the hon. Member. If as has already been expressed by the hon. Member it should be taken that sanction is not there then the sanction could not be given by the House as worded by this amendment.
Shri G. Raya Ram: I think it is quite irrelevant to the subject that is being discussed.

Shri Anand Rao: That discussion is completely irrelevant to the subject matter now. It reflects upon the House. The Hon. Member is referring to the Police, their character and all those things which are not at all concerned with the section and much less with the amendment under discussion.

Mr. Speck: Before we proceed further, I just want to invite the attention of the House to Rule No. 202 of the Hyderabad Legislative Assembly Rules. Rule 202 runs thus:

Each Regulation Rule Sub-rule by-law etc. framed in pursuance of the legislative functions delegated by Assembly to a subordinate authority and which is required to be laid before Assembly hereinafter referred to as Order,
shall subject to such rules as the Speaker may in consultation with the Leader of the House propose be numbered consecutively and published in the Gazette immediately after they are promulgated and numbered.

Rule 208 is to the following effect:

After each such order referred to in rule 202 is laid before Assembly the Committee shall in particular consider—

(i) whether it is in aid with the general objects of the Act pursuant to which it is made
(ii) whether it contains matter which in the opinion of the Committee should more properly be dealt with in an Act of the Assembly
(iii) whether it contains imposition of taxation
(iv) whether it directly or indirectly involves the jurisdiction of a Court
(v) whether it gives retrospective effect to any of the provisions in respect of which the Act does not expressly give any such power.

To these two rules, I wish to invite the attention of the House. This provision has already been there in our Rules. At the time of making rules as it was considered that in case it has been found that whenever rules are ordered to be made rules are not made this provision was made.

Mr. Speaker: The order is that it should be laid before the House. It is not that every matter would come before the House unless it is required to be laid before the House.

Reside members, I have no objections to the insertion of the following words:

Assurance in the context of Assurance.
The transfer from Vigilance Homes to prisons of women fund to be incontrgible or exercising a bid influence and the period of their detention in such prisons provided that such period shall not exceed one year.

Mr Speaker: Does the hon Member want that his amendment be put to vote even after the assurance of the Government?

The amendment was by leave of the House withdrawn.

Mr Speaker: The Question is

' That Clause 17 stand part of the Bill '

The motion was adopted

Clause 17 was added to the Bill

Mr Speaker: There is no amendment to Clause 18 The Question is

' That Clause 18 stand part of this Bill '

The motion was adopted

Clause 18 was added to the Bill
Mr Speaker There is an amendment tabled by Smt Rajamani Devi namely--

After Clause 18 of the Bill add the following as Clause 19 namely--

"19 The Hyderabad Outside Dancing Girls and Prostitutes Act (No XXI of 1950) is hereby repealed"
So the amendment tabled by Smt. Rajamani Devi has not been moved
The Question is

That Clauses 1 and 2 and the Preamble stand put of the Bill

The motion was adopted

Clauses 1 and 2 and the Preamble were added to the Bill

Shri D G Bindu Mr Speaker Sir I beg to move

"That L A Bill No XXX of 1952 a Bill for the suppression of brothels and immoral traffic be read a third time and passed

Mr Speaker The Question is

"That L A Bill No XXX of 1952 a Bill for the suppression of brothels and immoral traffic be read a third time and passed

The motion was adopted

Business of the House

Mr Speaker Tomorrow after question hour we shall take up continuously the first second and third readings of L A Bill No XXXII of 1952 the Hyderabad Compulsory Primary Education Bill 1952 So if any amendments are to be tabled they must be given in the Office by 10 30 a.m tomorrow if not it becomes rather difficult for the Office to put them in proper form and then get them cyclostyled and distributed

Shri Jagannathrao Chanderli Mr Speaker Sir Yesterday time was given up to 11 a.m

Mr Speaker I want to reduce the time as we experienced some difficulty yesterday

If he has declared it as 11 a.m it will stand then

Hyderabad: The Ministry for Education has declared the Hyderabad Habitual Offenders Restriction Bill
Shri Vall R. Reddy Mr. Speaker Sir I would suggest that the other Bills which are not complicated and which are easy may be taken up. The Hyderabad Habitual Offenders Restriction Bill requires study and examination and it may be taken up later. Meanwhile we shall finish the other Bills which are not so very important.

Mr. Speaker I think it is more than a week since the publication of that Bill.

Mr. Speaker Has the Leader of the House got any objection?

Shri B. Ramakrishna Rao I have no objection.

Mr. Speaker Tomorrow at any rate the Hyderabad Habitual Offenders Restriction Bill will be taken up for first reading.

Shri I Ray Reddy Mr. Speaker Sir the purpose of our asking for time is that the first reading is more important because general discussion and discussion of principles will take place at this stage. That is why the first reading is more important. Meanwhile we may take up other Bills.

Mr. Speaker But then regarding the other Bills, the Hyderabad Municipal Corporations (Second Amendment) Bill—there is only an amendment to one section of the Act in this Bill—the Hyderabad Contingency Fund Bill, the Hyderabad Land Revenue (Second Amendment) Bill, the Hyderabad Village Panchayat (Amendment) Bill.

Shri A. Ray Reddy All these can be taken up tomorrow.

Mr. Speaker I want to know the convenience of the hon. Members in the matter whether all these small Bills except the Hyderabad Habitual Offenders Restriction Bill can be taken up tomorrow for first and second readings and of course it means that amendments if any, for all these Bills must reach the Office before 11 a.m.

Shri Annayya Gavane I think it is impossible to give amendments to all these Bills.
Mr Speaker: Nothing is impossible if one tries. The thing is that if these Bills are taken up for first reading then again the hon. Members will ask for time for submitting amendments. These Bills are already before the hon. Members and to some extent if not fully they should have studied them.

Shri A Ray Reddy: Mr. Speaker Sir, at least two Bills may be taken up e.g., Hyderabad Municipal Corporations (Second Amendment) Bill and the Hyderabad Village Panchayat (Amendment) Bill and we can finish all the three readings. If time still remains we will take up other Bills.

Shri Jagannath Rao Chander: I think some amendments have already been tabled in respect of the Hyderabad Municipal Corporations (Second Amendment) Bill.

Shri Annayvaro Gavane: The Hyderabad Municipal Corporations (Second Amendment) Bill and the Hyderabad Village Panchayat (Amendment) Bill may be taken up.

Mr. Speaker: I do not want to hustle. But at the same time I desire that some work should be done.

Shri A Ray Reddy: We are doing some work.

(Laughter)

Mr. Speaker: Tomorrow we shall complete the Hyderabad Municipal Corporations (Second Amendment) Bill the Hyderabad Village Panchayat (Amendment) Bill and the Compulsory Primary Education Bill and if after that time permits let us take up the first reading of any other Bill.

Shri A Ray Reddy: On a point of information Sir as per Rules Business Advisory Committee has to be formed. Uptill now no such Committee has been formed.

Mr Speaker: I am considering that question. In this connection some preliminary consultation is necessary and I am at it.

We adjourn till tomorrow 2.30 p.m.

The House then adjourned till Half Past Two of the Clock or Thursday the 27th November 1952.
