acquiring the administrative control of Mungala as it does not
form part of the several villages which were taken over in

Shri Uddhav Rao Patil  Sir I beg to move

That after the words a Local Committee in line 8 of sub clause (1) of Clause 8 of the Bill, the following words shall be added namely—

shall be elected

Shri Gopal Rao Ekbote  Sir I object to this amendment. It is meaningless to add the words shall be elected at the end of the Clause as the Clause would then read like this

For each area of compulsion or two or more such areas which are contiguous Government shall appoint a Local Committee shall be elected

Shri Uddhav Patil  I shall explain it, Sir. In my first amendment I want the deletion of the words Government shall appoint and in this amendment I seek the addition of the words shall be elected, and the Clause so amended reads thus

For each area of compulsion, or two or more such areas which are contiguous a Local Committee shall be elected

Shri Gopal Rao Ekbote  My objection still stands. Even if the two amendments go together still my objection stands in as much as there is no process of election laid down anywhere in the Bill and even the hon. Member has not suggested any process of election. Since that is not provided under the Act the words shall be elected even if they fit in, cannot be added

Mr Speaker  If two amendments are read together it makes some meaning. I would therefore allow the amendment. Amendment moved

' That after the words a Local Committee in line 8 of sub clause (1) of clause 8 of the Bill the following words shall be added namely,—

'shall be elected.'
