Discharge of Employees at Himayatsagar Farm

Receipt of House Rent Allowance

87 (555 B) Shri Dayan Shanker Rao Will the hon Minister for Agriculture and Supply be pleased to state

Why is it that the Labourers and other employees in the Rice Section of the Himayatsagar Farm receive House Rent Allowance while those of the Farm Section do not receive any?
Dr Cheema Reddy As Humayatsagar Farm does not come in either of the classes mentioned in the Accountant-General's Circular no house rent is being paid by the Farm. It appears that by mistake this allowance was paid to some employees in the Rice Section but it has since been stopped and the amount paid already is being recovered.

Delay in Payment of Salary

88 (555C) Shri Dayal Shankar Rao Will the hon. Minister for Agriculture and Supply be pleased to state

(a) Whether it is a fact that the pay of the labourers of Research Section of Humayatsagar Farm for the month of December 1952 was disbursed in February 1953?

(b) If so the reasons therefor?

Dr Cheema Reddy (a) Yes

(b) There was a delay in the payment of wages to labourers due to the fact that the budget provision for the Farm had to be utilised to meet expenditure on the items mentioned below—

(i) Payment of wages to the labourers employed for cultivation at the Military Farm This Farm was acquired by the Agriculture Department on 16.6.52 without any additional funds.

(ii) Enhanced rates of temporary and permanent labour.

(iii) Increased cost of manure and heavy manural programme to bring up the fertility level of the land.

(iv) Increase in the gross cultivated area and also the area under paddy.

(v) Increase in the area under experiments.

(vi) Increase in the number of electric motors for irrigation purposes.

As the budget provision got exhausted, a requisition was made for additional funds and this took some time. Wages were disbursed on February 3, 1953.

That L A Bill No III of 1953 the Code of Civil Procedure (Hyderabad Amendment) Bill, 1953 be read a first time.

Dr G S Melkote Mr Speaker Sir The Hyderabad State Life Insurance Fund was constituted to make provision for old age Government Servants as well as for the dependents of Government Servants in the case of premature death. But the Fund itself could be attached by decree from the Court of Law. The Hyderabad Life Insurance office, therefore, made a Rule which prevented such things taking place. After the Police action when this Rule was examined, it was found that it was not sufficient in law. Hence Rule No 807 of the Hyd Civil Procedure Code was amended to make up the deficiency. In 1951, the Indian Civil Procedure Code was extended to Hyderabad, but this particular amendment was not included there. Therefore, we are bringing an amendment to the Civil Procedure Code as applicable to the Hyderabad State so that any attachment by a decree from the Court shall not take place and these people may get protection.

Mr Speaker Motion moved

That L A Bill No IV of 1958 the Nullification of Transfers Regulation (Repealing) Bill, 1958 be read a first time

Dr G S Mulkote Sir after the Police-action, it was found that during the Laik Ali Regime many persons both Government servants and private individuals squandered, misused or embezzled Government monies in various ways. They were suspected of having transferred or having the intentions of transferring their properties (by sale or otherwise) to save themselves from consequences of law. In order to nullify such transfers of properties, Nullification of Transfers Regulation was promulgated by Government according to which the transfers of both moveable and immovable properties of persons notified thereunder or of their relatives (as defined in the Regulation) have been declared void.

The Nullification of Transfers Regulation received the assent of H E H the Nizam on 30th October 1948 and was published in Government Gazette, dated 31st October, 1948. The Regulation has been given retrospective effect from 15th August, 1947.

872 names were notified under the Nullification of Transfers Regulation since its promulgation of which 182 have so far been denotified according to the decisions taken in their cases. Since the present Ministry took charge no names were notified but 18 persons were denotified.

The Regulation is now being repealed as the circumstances that necessitated the promulgation of the Regulation no longer exist in the State.
