ALLOTMENT OF A NON-OFFICIAL DAY FOR DISCUSSION OF
THE QUESTION OF THE LOCATION OF THE CAPITAL OF
ANDHRA GOVERNMENT

[The Hon. Sri T. Prakasam] [28th November 1953]

...
28th November 1953

Mr. Speaker:—Mr. Chief Minister narrated the history of the question of the location of the capital of Andhra Government. Further, he introduced a non-official day for the discussion of the question. The Leader of the House moved, under the rules resolution, that the notice be accepted on the agenda. The resolution was moved under the Constitution proviso 120. The House, having considered the resolution, accepted the amendments. The Leader of the House moved a non-official resolution. Sri T. Nagi Reddi:—"That this House takes into consideration...."
As far as our party is concerned, I would like to make it clear that the vote on the capital issue need or need not be taken by the Government as a vote of confidence. But when a matter is put forward either as an amendment to the Governor's speech or as a separate resolution, any defeat sustained is a defeat to the Government. As far as I can understand, once an amendment is moved to the Governor's Address and the Government sustains a defeat today or if the Government puts forward another proposition on Monday and is lost, the Government should treat both the defeats in the same way. On the other hand, the Government, whether it loses today or loses on Monday, on whatever proposition it may be, has gone back on the position it took up yesterday in suggesting the capital in one of the three places. Obviously, these negotiations are not yet complete.
28th November 1953] [Sri P. V. R. Gajapathi Raju]

As far as I and my party are concerned, we are not a party to those negotiations and will not be a party to those negotiations. If the Communist Party is afraid that if our amendment is lost today, it will not be in a position to move the resolution on the capital being taken to Vijayawada, if one is moved on Monday, I can assure them here and now that this Government is going to consistently thwart any proposition put forward by the Opposition. Today they may be saying that a vote against the Governor's Address is a vote of no-confidence in the Ministry and tomorrow they will say that a non-official resolution is not binding on them, and it is merely recommendatory. Therefore, if the Communist Party is really and genuinely desirous of fixing a capital for this State and the Treasury Benches are genuinely keen on this matter, the matter must be decided today. The Government may treat it as a vote of no-confidence or not, I am not anxious that they should vacate their seats. If they are not anxious in maintaining the democratic system in this country, they are welcome to do it. I know many people are not interested in maintaining and furthering the democratic system in this country. Under one garb, people accuse the other party and the other party accuses this party and they are demonstrating it today to the hilt. Therefore there is nothing to achieve by the negotiations that are going across the Table there. The Socialist Party will definitely put forward the view that we will stand by the amendments of which we have given notice and will not be a party to the subversion of the democratic principle.

The Hon. Sri T. Viswanatham:—Will these things be
put in the shape of Resolutions? The language should be

The Hon. Sri N. Sanjeeva Reddi:—Naturally when
they give notice of resolutions, they will reshape these
amendments.

hearing that any new matter or anything which is not con­
tained in these amendments will not be accepted tomorrow
and that we should refer only to the amendment now before
the House in the resolutions that are coming up on Monday.
That means we will be deprived of our right to move
non-official resolutions on other matters.

28th November 1953]

The Hon. Sri N. Sanjeeva Reddi:—The amendment to the resolution on the location of the capital of Andhra Government does not arise.

Mr. Speaker:—The resolution on the location of the capital of Andhra Government does not arise.

The Hon. Sri N. Sanjeeva Reddi:—That question does not arise.

Sri T. Nagi Reddi:—It is a question whether the location of the capital of Andhra Government should be in the north or the south of the state. It is a question of importance and should be discussed at length. It is a question that should be decided by a commission of experts. The resolution on the location of the capital of Andhra Government does not arise.

Sri K. V. Ramesam:—On a point of order, Sir. I invite your attention to Rules 60 and 61 of our Rules: Rule 60 says:

"A motion must not raise a question substantially identical with one on which the Assembly has given a decision in the same session."

According to Rule 61:

"A member who has moved a motion or an amendment to a motion may withdraw the same with the leave of the Assembly expressed without a dissenting voice. If, at the time of putting the question on a motion to the vote of the House, the mover of the motion is absent, it shall be considered to have been withdrawn by him, unless any member of the House asks that the question on the motion be put."

The Hon. Sri T. Viswanatham: When there is an agreement between the parties, everything will be done according to the agreement.

The question of rules does not arise.

Mr. Speaker.—The agreement between the parties, everything will be done according to the agreement.

Sri P. V. R. Gajapathi Raju:—We are not withdrawing our amendments; I want to make it clear again. With due respect to you, Sir, you have been accommodating so far as the non-official day is concerned. You have waived the 14 day notice period and so on. I do not want to be misunderstood, but the Government is bound to fulfil the policies arrived at in this Assembly. Mr. Sanjeeva Reddi as Deputy Chief Minister said that it was a matter of doubt, while Sri Prakasam has announced to the Communist Party.—What happens at that end of the Table we do not know.—“You need not misunderstand what Sri Sanjiva Reddi has said. Something will happen on Monday or Tuesday”. But nothing definite has been said. Therefore, what I would say is that the question has to be
debated today. It is for you to decide the issue. They have already quoted some rulings, and it is within your power to give a few more rulings and I hope that these new rulings will be incorporated into the procedure of this House. The other day when you occupied the chair, a member suggested that you should give absolutely new rulings irrespective of the past. Therefore I welcome the new rulings. These new traditions may accommodate the Government and accommodate the Opposition. But as far as we are concerned, we want to make it clear here and now, let us go by the parliamentary procedure already established. We stand by our amendments and we will not be a party to their withdrawal. We know that many things have been happening in this strange world of Kurnool. Many offers of shifting the capital are being made every moment. The fear of Governor’s Rule and the fear of the effect if the Ministry is lost, are being put before the various members of this House. Whatever that may be...

Sri Pillalamarri Venkateswarlu:—అందరికి సందర్భం చాటించింది. బాగా మరొక సందర్భం విషయంగా ఆమదేనున్న అమెన్డ్మెంట్స్ (పాలన కార్యం చేయడానికి అమెన్డ్మెంట్స్), rules స్థాయి పని, point of order నిర్ణయ కరిగింది. లేకుండా ప్రత్యేక విషయం ఉన్నంది. భావించినంది. ప్రత్యేకప్పుడు ప్రదర్శించినంది. అది అమెన్డ్మెంట్స్ ప్రామాణిక పదనిర్ణయం. మరొక పదనిర్ణయం అమెన్డ్మెంట్స్ ప్రదర్శించినంది.

Sri P. V. R. Gajapathi Raju:—I thank Mr. Venkateswarlu. I know he is now trying to affect the morale of the Opposition. It is quite true that the Communist Party wants to maintain the Congress Party in office. (Laughter)

Mr. Speaker:—Order, order. There is much noise in the House. Members withdraw their amendments. Discussion must be adjourned.

Sri V. Chidanandam:—

Mr. Speaker:—Visitors gallery is being disturbed. Members withdraw their amendments. Loud speakers are allowed.

Sri M. Narayanasamy:—

(Sri P. V. R. Gajapathi Raju rose to speak)

Mr. Speaker:—I think the Rajah of Vizianagram had already more than one chance, and I do not think I can permit him any more chance to speak. Under the rules a member who had had a chance to speak once on a subject should not speak again. So, I would like the Hon. Member to allow other members to speak.

I would like to say, so that the House may know it. It is not
about my amendment. As far as I know the constitutional
position...

Mr. Speaker:—Order, Order. I want to know what the
Hon. Member wants to speak about now.

Sri. P. V. R. Gajapathi Raju:—Unless you listen to
me, Sir, how can you know. I know there is a time factor
to my expression of views.
Mr. Speaker:—The Hon. Member will please resume his seat.

II. POINT OF ORDER RE: RULES OF PROCEDURE

Sri P. V. R. Gajapathi Raju:—I rise on a point of order, Sir, and I want you to give your ruling on it. As far as I understand constitutional matters, the rules of procedure once framed for the conduct of business in the House by the legislators cannot be changed without such rules being brought before the House on a motion for the amendment of those rules. Then the House duly constitutes a committee to go into the matter, into the necessity for the change of such rules of procedure. That is my understanding of the constitutional position. So, the rules made by you to-day changing the procedure cannot be acceptable, unless a duly constituted committee of this House is set up, it goes into it and recommends the changes for the House, and this House in its turn adopts them. Sir, I want your ruling on this matter.

Sri K. Krishna Rao:—Sir, may I submit, that these rules are made under clause (2) of Article 208 of the Constitution of India. These rules can be amended by the Speaker. These rules need not go to the Assembly for their amendment. The Speaker can alter them at his will and pleasure without any legislative sanction. There is another provision for the total amendment of the rules by the House. That is something different. Those rules, the Speaker cannot amend. Till those rules are made, the present rules will be in vogue and the present procedure also will be in vogue. I fear the Hon. Member, the Rajah of Vizianagram, is speaking without a clear knowledge of the existing rules.

Sri P. V. R. Gajapathi Raju:—On a point of order, Sir.
Mr. Speaker:—How many points of order? (Laughter) Let me answer the points raised by the Hon. Member. The doubt expressed by the Hon. Member does not arise at this stage. Because I am allowing discussion on the amendments and we are continuing yesterday’s debate, and when it comes to the question of votes being taken I will give my ruling. As regards the rule pointed out by the Hon. Member, Sri Ramesam, I feel it is the same thing which is contained in the doubt raised by the Rajah of Vizianagram. I will answer that at the time when vote is taken.

Sri P. V. R. Gajapathi Raju:—You mean the vote will be taken to-day? Or, will it be taken day after to-morrow?

Mr. Speaker:—I will do it soon after this discussion is closed; it will be taken to-day itself.

Sri P. V. R. Gajapathi Raju:—May I say this; As this is a matter of constitutional importance, your ruling will determine to a large extent not merely the future policy of this Government. So I am making this point of order, and I would like you to give a definite ruling; it is important, for on it depends whether Government will ultimately push through their policy or not. So, your ruling maintains the integrity of the House and the right of the members to force the policy of Government, (which Government do not propose to do.) In the alternative, if there is total support for Government policy, such policy should always be carried through. Therefore, it is vital to the legality of the procedure we are now having and to the legality of the vote that is proposed to be taken on Monday. After all, to-day is a day of total compromises and postponement of decisions. (Laughter) Therefore, I would request you to give your ruling here and now.

Mr. Speaker:—I quite understand the objection taken by the Hon. Member. It only arises when votes are being taken. So, I will answer that at that time. I shall now call upon hon. Members who want to support the amendments to speak. I have received several names. Mr. C. Subbarayudu will now speak.
Sri Ch. Subbarayudu:—Sir, I feel that the Governor's address contains several suggestions which are very vital for the development of the state. It is my pleasure to congratulate the Governor on his ably steering the state through a very trying period. I would like to particularly draw attention to the emphasis on education and industrial development. Education is the key to the future of our state, and we must ensure that every child has access to quality education. Similarly, industrial growth is essential for economic prosperity and job creation. I hope the state government will take steps to implement the Governor's recommendations.

Sri K. Krishna Rao:—On a point of order, Sir. I would like to correct a statement made by the Governor regarding the state's economy. The Governor mentioned that the state's economy has shown significant growth. However, I believe this is not completely accurate. While there has been some growth, the state still faces several challenges, such as unemployment and poverty. I would urge the Governor to review his address and address these concerns.

Mr. Speaker:—I thank Hon. Sri Ch. Subbarayudu for his valuable points. Hon. Sri K. Krishna Rao has raised a concern that requires careful consideration. I call on the Governor to respond to these points in his reply.

Sri P. V. R. Gajapathi Raju:—Mr. Speaker, I would like to say a few words about your promised ruling. You have promised to give a ruling and I just wanted to remind you about that. Apart from this, I would like to point out one thing to this House and to the Treasury Benches in particular. It was raised that a substantial amendment to the Governor's Address would tantamount to a vote of confidence. I want to inform this House that in a similar instance in British History in 1924 when Mr. Baldwin was Prime Minister of England, an amendment was moved to the speech of the Crown and the Government accepted that amendment and they did not resign. The Government

The House then adjourned to meet again at 3-0 P.M.

(After Lunch 3-00 p.m.)
did not consider it tantamount to a vote of confidence. We follow the British parliamentary system and it is not correct for the Government to say that any amendment to the Governor's Address would be tantamount to a vote of confidence. But I want to make it clear that in the instance of capital the Government are not fair both to the Legislature and to the public at large in Andhra.

Sri T. Nagi Reddi:—

"The Government should not consider it as a vote of confidence to amend any part of the Governor's Address. According to the British parliamentary system, any amendment to the Address is not a vote of confidence. But in the case of capital, the Government are not fair to the Legislature and the public at large in Andhra."

DISCUSSION ON THE GOVERNOR'S ADDRESS

28th November 1953] [Mr. Speaker]

Raja of Vizianagram wants to raise a point of order to raise a point of order, to raise a point of order, and to raise a point of order, to raise a point of order, to raise a point of order, to raise a point of order, and to raise a point of order. Mr. Speaker: Does the Hon. Speaker expect me to repeat everything that I have said so far?

Mr. Speaker: I only want the hon. Member to tell me what his point of order is, and not repeat his speech.

Sri P. V. R. Gajapathi Raju: I want a ruling on the point whether the Speaker can change the substantial rules of procedure of this House without first obtaining the recommendations of a duly constituted Committee of this House and the approval of such rules by a vote of this House.

Mr. Speaker: The hon. Member will please tell me the facts instead of putting the question in such an abstract form. Let him put the point in a concrete form, with reference to which particular matter the hon. Member wants to have a ruling, and then I will be able to tell him whether I can over-ride or review or revise the rules.

Sri P. V. R. Gajapathi Raju: With due respect to you, Sir, it is not a reflection on the Chair. Certain rulings have been given by you so far which run counter to my interpretation of the rules and procedure under which this House can act. A non-official day is being allotted with necessary time for sending various amendments or motions, being waived. That is one aspect in which we have substantially changed the rules of the House.

Another thing is that under the rules when a vote is taken on a particular issue, an identical issue cannot be raised again within 30 days or during the currency of the session. Now by the allotment of a non-official day, the
day after tomorrow and agreeing to allow the same problem
that is being raised today to be debated again the day after
tomorrow, a substantial change in the rule I have referred
to is being made. These are the two changes that have
taken place. I have no objection to new rules of procedure
being evolved in this House. But I feel that any rule that
is evolved must be again under the rules and must be
systematic. If today, Sir, you allow these changes as you
seem to allow, it will be tantamount to giving support to
an attitude of mind or support to a convenient procedure.
I hope you will not take objection to the way in which I
have put these things, but that is what I feel.

* The Hon. Sri T. Viswanatham:—

RAW TEXT
28th November 1953] [The Hon. Sri T. Viswanatham]

Sri P. V. R. Gajapathi Raju:—I was here when Mr. Viswanatham spoke. I understand from what he says that he has taken upon himself to make the rule on your behalf. I do not accept that position.

The Hon. Sri T. Viswanatham:—That is another misunderstanding of the language.

Sri P. V. R. Gajapathi Raju:—I am not misunderstanding the language. I am objecting to your right of replying to me when the Speaker had specifically asked me to state the issue as clearly as possible.

The Hon. Sri T. Viswanatham:—The Speaker had specifically asked me to state the issue as clearly as possible.

Sri P. V. R. Gajapathi Raju:—I do not think Mr. Viswanatham requires heckling to prove his point. Therefore, whether you can waive the rules or not, it is for you, Mr. Speaker, to decide. I know the Treasury Bench and a certain section of the Opposition would like you to do so, and if you do so, as a member of this House, I accept it. But, it is the justice of your ruling that posterity and the future will decide. It is up to you to do so. I cannot stand before you and your rulings.

Mr. Speaker:—Now I give my ruling on the point of order raised by the Raja of Vizianagram.

On all other days, no business other than Government business shall be transacted except with the consent of the Leader of the House given on behalf of
of Government.” I therefore rule out this point of order.

Sri K. V. S. Padmanabha Raju:—The question is:

Add the following at the end: “but regrets the Address does not indicate that by April 1, 1955, the seat of the Government of Andhra State will be moved to Vijaya Vittala-Guntur area, without prejudice to the formation of Visala Andhra and the location of the Capital of Visala Andhra State at Hyderabad.”

Sri K. V. S. Padmanabha Raju:—The amendment was declared lost and Sri K. V. S. Padmanabha Raju demanded a pole and the House divided.

Mr. Speaker:—Now the other amendments, I shall put them all together to the vote of the House.

Mr. Speaker:—All these amendments will go into the proceedings of the Assembly and the Government are bound to give them consideration.

Sri V. Chidanandam:—Sir, I bring to your notice whether it will not be illegal technically, if all the remaining items on the agenda are put together in a lump. In our Cuddapah District Board once the Chairman said that all the items on the agenda have been sanctioned. (Laughter) I want to know whether it is not illegal to do so technically, though it may be a quick method of disposing of the business of the House. Please clarify the position.

Mr. Speaker:—It is the Speaker’s ruling that has to be taken into consideration. I, therefore, hold there is nothing illegal in it.

The remaining amendments given notice of by members noted against each, were then put together to vote and lost, viz:—

“but regret to note that nothing has been mentioned about the over-burdened, ill-paid, and ill-treated public servants and also about their just demands which have been overlooked, namely—

(a) implementation of the scales of pay according to the Central Pay Commission;

(b) abolition of the maintenance of the conduct and confidential sheets which are mainly responsible for a psychological development of degenerating and slavish mentality in the N. G. Os who form the nucleus of the educated classes of our society;

(c) revision of Fundamental Rules to suit the present conditions in the society;

(d) recognition of N. G. Os’ Association on a trade union basis;

(e) free education to the children of all N. G. Os in the secondary and collegiate courses;

(f) abolition of the unnecessary and much expensive supervisory staff and to increase the clerical working staff for quick disposal and efficiency;

(g) scrapping off of the terms like ‘menials’, ‘subordinates’ from the Service Rules and replace them by ‘grades’;”

the red-tapism, corruption and incivility rampant in the administration."

Sri G. Rama Rao:—Add the following at the end:
"but regret to note that no mention has been made about Prohibition which is a failure and which is mainly respon­sible for illicit distillation and for anti-social, lucrative and dangerous activities in the State."

Sri G. Rama Rao:—Add the following at the end:
"but regret to note that no mention has been made about the land Reforms on which depends the welfare of the State and the people; nothing has also been mentioned about the stoppage of the payment of compensation to zāmīndars."

Sri G. Rama Rao:—Add the following at the end:
"but regret to note that no mention has been made about the prevailing economic crisis and unemployment causing distress to all classes, i.e., educated, skilled and unskilled labourers, ex-toddy tappers who were thrown out of their jobs and weavers who are almost famishing and the agricultural labourers who have no guarantee of work in all seasons due to the existence of surplus labour etc."

Sri G. Rama Rao:—Add the following at the end:
"but regret to note that no mention has been made about the distressing and helpless conditions of the agricultural labour who form the major section in the society and about the preventive measures taken against the unscrupu­lous economic exploitation of the poor by the landlords and also about the indifference on the part of the Government to raise the economic standard of the poor to counteract the dangers of exploitations by the landlords by way of—

(a) granting Takkavi loans to the poor ryots instead of to the landlords and also to the agricultural labour;

(b) forming co-operative credit societies separately for the landless agricultural labour;

(c) granting them assessed waste lands and unobjec­tionable porambokes free of market value;
(d) stopping heavy penalisation of cultivation by the poor agricultural labour;

(e) abolishing sale of lease in public auction of lankas, railway porambokes as the poor cannot withstand the rich and to lease out such lands to the poor on nominal rentals;

(f) evicting the landlords from the possession of the Government waste lands and grant the same to the poor;

(g) prohibiting the grant of lands to the rich political sufferers who have become a regular menace to the suffering poor;

(h) taking over the possession of the lands not cultivated by the landlords and zamindars and the wastes under dispute in courts in zamindari villages and place them at the disposal of the poor for cultivation on nominal rentals;

(i) forming F. L. C. S. for collective cultivation by the poor by the State's help.”

Sri G. Rama Rao:—Add the following at the end: “but regret to note that no mention has been made about the measures taken up by the Government in respect of social disabilities under which the Harijans are still groaning. The ameliorative measures taken up by the Government in respect of the provision of house-sites, granting of scholarships, is disappointing. The reservation of appointments in the State’s Services is nothing but an eye-washing affair as no weightage of appointments of Harijans is maintained in the several categories of jobs; thus no social, economic and administrative justice is shown to Harijans.”

Sri S. Vemayya:—Add the following at the end:

(a) but regret to mention that no mention was made about the caste distinction stigma of untouchability which barred the scheduled caste from economic emancipation and social equality;

(b) but regret to note that nothing was said about the conditions of scheduled tribes in the State;

(c) but regret to note that nothing was said about the low paid Non-Gazetted Officers including School Masters;

(d) but regret to see nothing was mentioned regarding the working of Prohibition;
(e) but regret to disagree as there is no mention of unemployment prevailing in rural and urban areas particularly in Agricultural Labourers, Industrial Labourers and Educated young men in general;

(f) but regret to see that no mention was made regarding the assignment of lands to the landless labourers and land reforms in State;

(g) but regret to note that nothing was said about the beggers, leppers, and T.B. patients particulars in the State;

(h) but regret to see that nothing was said about "Modified Elementary Education Scheme;"

(i) but regret to mention that nothing was said regarding the various Co-operative Societies the manner in which they are preferred to other individuals;

(j) but regret to see that nothing was said about unhealthy conditions of the slums in which they are struggling for want of lighting, water, air etc., which are essential elements for the maintenance of human life.

Sri M. Veerabhadram:—Add the following at the end:

(a) but regret to note the failure of the Government in not taking the necessary steps to affiliate the Colleges situated in Rayalaseema districts to Andhra University;

(b) but regret to note that there is no indication of the policy of the Government to abolish Madras Leave Rules 1933, thereby reverting to Fundamental Rules; and

(c) but regret to note the failure of the Government to improve the conditions in the medical institutions in the State;

Sri P. Narasimha Reddi:—Add the following at the end—

(a) but regret to note that the Government have failed to attend to the improvement of the road communications in the backward areas and in particular by not taking over to the Highways Department the seventy miles long Cuddapah Balugalla Road, inspite of the requests of the local people, the Legislators, the District Board and the Rayalaseema Development Board;
(b) but regret to note that the Government have not taken immediate concrete steps to speed up the supply of Electricity for agriculture and horticulture in Cuddapah district and in particular in Rajampet and Sidhout taluks and to the Government Fruit Canning Factory at Kodur;

(c) but regret to note that the Government have not provided free educational facilities to the lowest rank of the Government and Local Boards Servants like Peons, Duffadars, Attenders, Forest Guards, Police Constables, etc.;

(d) but regret to note that the Government have not taken immediate concrete steps to repair and improve the minor irrigation sources in the non-deltaic areas;

(e) but regret to note that the Government have not provided gruel centres to the starving Handloom Weavers in the rural area;

(f) but regret to note that the Government have not postponed the collection of different Governmental loans granted to the Agriculturists in Cuddapah district, though they have not yet recovered from the effects of land famine; and

(g) but regret to note that the Government have not paid proper attention to improve the lot of the Horticulturists by granting loans and providing proper marketing facilities and also by not starting the work of canning at the Government Fruit Canning Factory at Kodur."

Sri N. Sivarami Reddi :—Add the following at the end:

“(a) but regret to note that the Governor's Address does not contain any promise of immediate relief to the indebted peasantry by declaring moratorium for a certain period over debts due to the money lenders, Government and Co-operative Banks;

(b) that on the other hand the Government are collecting loan instalments in Cuddapah District from peasants who are still struggling in distress and who are being compelled to sell away their harvest at low prices;

(c) that the loss caused by heavy and continuous rains and the destruction caused by pests have not been taken
(d) that the Government have decided to enforce Prohibition more rigorously in spite of the fact that it is a total failure;

(e) that the Government have decided not to take up Gandikota, Thungabhadra High Level and Remodelling of Kurnool-Cuddapah canal projects by spending State Finance which could be secured through the abolition of Prohibition;

(f) that the Government have not made any effort to keep up the prices of commercial crops like groundnut, onion, etc.;

(g) that the Government have not revised the policy of the previous Government of the Composite Madras State regarding the holding of elections to the Second Class Panchayats by open method of voting;

(h) that the new modified scheme of elementary education is being implemented, though it was voted by the Assembly of the Composite Madras State;

(i) that the prolonged traffic dislocation caused by the recent floods in the Pennar river in Cuddapah district which can be prevented by constructing a bridge at Chennur and by widening and raising the level of the cause way on the Proddatur-Yerraguntla road, is not mentioned;

(j) that preventive measures have not been undertaken during the out-break of cholera in Cuddapah district;

(k) that the Government have not decided to carry on the administration of the State in the language of the people, for which the people of Andhra have fought since long time;

(l) that the Government have closed almost all the gruel centres in villages where large numbers of weavers lived;

(m) that no steps have been taken to protect the ryots from the eviction of the inamdars in the inam villages;
28th November 1953]  [Sri N. Sivarami Reddi]

(n) that no attention is paid to the just demands of the Non-Gazetted Officers and no steps are taken to put down corruption, nepotism and red-tapism.”

Sri G. C. Kondaiah:— Add the following at the end: “Since the major river valley projects will definitely take much time and since the tanks and channels in the Province are almost defunct, minor irrigation projects and improvements to the tanks, dams, channels etc., which will become useful even under any major scheme, will at once be taken up to be built all over the Province especially in non-delta and backward areas.”
