Dry battery sets.

* 280Q:—Sri G. Yellamanda Reddi: Will the Hon.
The Deputy Chief Minister be pleased to state—
(a) Whether the Government propose the installation
of dry battery sets for community listening purposes; and
(b) if not, why?

The Hon. Sri N. Sanjeeva Reddi: Clause: [a] and [b]
The Government do not propose to use dry batteries for the
operation of Community Receiver Sets for the following
reasons:
[i] For a reasonable current drain from the battery
by a radio set, the output of a dry battery set is generally
lower than that of other types;
[2nd March 1954]

[ii] The life of dry batteries is very limited, as they get discharged even on storage without even being used. Consequently the stocking of spare battery sets will be a liability;

[iii] Dry batteries will not be readily available in quantities required by the Government to work the radio sets.

[iv] The life of the valves used in a dry battery set [1, 5 volt filament type] is much less than that of the valves used in other types of sets;

[v] A dry battery radio set cannot economically be converted for mains operation when a village having such a community receiver, is electrified.

Veterinary doctors.

* 225 Q.—Sri G. Yellamanda Reddi: Will the Hon. the Minister for Local Administration and Agriculture be pleased to state whether the Government will instruct the Veterinary doctors in the taluks to camp at central places of the firkas once in a month so that the villagers may receive medical aid regularly for their livestock?

The Hon. Sri P. Thimmá Reddi: The Touring Veterinary Assistant Surgeon who is in charge of a Taluk usually is expected to do systematic touring for a minimum period of 20 days in a month visiting various villages in his jurisdiction. On days he remains at Headquarters he treats cases brought to him. In order to enable farmers to have the benefit of continuous treatment for sick animals, these veterinary ‘Touring Billets’ are being converted into Minor Veterinary Dispensaries and placed in charge of another Veterinary Assistant Surgeon or Veterinary and Livestock Inspector. They are located at the Headquarters of a Veterinary Assistant Surgeon. This arrangement ensures the presence of a Veterinary Assistant Surgeon or Veterinary and Livestock Inspector at Headquarters and continuity of treatment for sick animals brought there. Apart from this arrangement, it is proposed to entrust the Veterinary Assistant Surgeons in charge of minor Veterinary Dispensaries with systematic touring in the villages in his jurisdiction. In view of these arrangements, it is considered unnecessary to instruct the Veterinary Doctors to camp at central places of firkas once in a month.

Financial criteria for taking up new works.

* 227 Q.—Sri G. Yellamanda Reddi: Will the Deputy Chief Minister be pleased to state:

(a) the details about the financial criteria to be for taking up new works into consideration; and

(b) whether the Government relax the same proposals in backward areas?

The Hon. Sri N. Sanjeeva Reddi:—(a) The Government have been pursuing from 1946 onwards a liberal policy in executing schemes not solely on considerations of direct financial return on the capital outlay but with due regard also to the need for augmenting supplies of food and improving the well-being of the people. In view of this, less stress is laid on the productivity test and more weight is given to such considerations as the additional food production expected, protection against the vagaries of the seasons, general economic benefit and national well-being. Having regard to this and the recurring commitments of the Government, schemes which promise to yield a return of at least 2% on the capital outlay are taken up for investigation.

(b) The answer is in the affirmative.

Inundation of huts in Nellore Taluk.

*231 Q.—Sri K. Krishna Rao:—Will the Hon. the Minister for Land Revenue be pleased to state—

(a) whether it is a fact that the out-skirts of Gamallapalem near South Amalur in Nellore taluk have had high bunds of earth stacked by which the drainage and flood water, being denied the usual course inundated and is inundating the huts and lanes of the village;

(b) whether representations for the past one year to the Government and the Revenue authorities have been received in this behalf; and

(c) if so, the action taken by the Government thereon?

The Hon. Sri K. Koti Reddi:—[a] Yes. In 1952, the pattadars of the lands lying to the South east of Gamallapalem reclaimed their lands and dumped the surplus earth
on the adjacent donka with the result that the level of the
donka rose high and obstructed the flow of the drainage
water which stagnated around Gamallapalem and inundated the houses.

[b] Representations in this matter were received in December 1952.

APPENDIX IV

Bill to be introduced in the Legislative Assembly of the State of Andhra.

Under the proviso to rule 77 of the Assembly Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:

A Bill to amend the Madras Hindu Religious and Charitable Endowments Act, 1951.

Whereas it is expedient to amend the Madras Hindu Religious and Charitable Endowments Act, 1951 (Madras Act XIX of 1951), for the purposes herein-after appearing. It is hereby enacted as follows:

1. Short title, extent and commencement:—(1) This Act may be called the Madras Hindu Religious and Charitable Endowments (Andhra Amendment) Act, 1954.

(2) It extends to the whole of the State of Andhra.

(3) It shall come into force on such date as the State Government may, by notification in the Andhra Gazette, appoint.

2. Amendment of section 3, Madras Act XIX of 1951:—Section 3 of the Madras Hindu Religious and Charitable Endowments Act 1951 (Madras Act XIX of 1951 herein-after referred to as the principal Act), shall be renumbered as sub-section (1) of that section and to the section as so renumbered, the following sub-section shall be added, namely:

“(2) The Government may, at any time, on application made to them, cancel any notification issued under sub-section (1) and thereupon the charitable endowment concerned shall, except as regards things done or omitted to be done, be governed by the law (including any scheme) applicable to it before the said notification was issued.”

3. Amendment of section 39, Madras Act XIX of 1951:—In section 39, sub-section (3) of the principal Act, for the words “five years”, the word “three years” shall be substituted.

4. Insertion of new section 45-A in Madras Act XIX of 1951:—After section 45 of the principal Act, the following section shall be inserted, namely:
45-A. Removal of Trustees.—(1) Notwithstanding anything contained in this Act, the Government may, in the interest of proper administration of the endowment or for any sufficient cause, remove any trustee appointed, or any member of the Board of Trustees constituted, for any religious institution under section 39, section 41 or section 41 or section 80, provided that before doing so, the trustee or member concerned shall be given a reasonable opportunity of showing cause against the action proposed to be taken in regard to him.

(2) The vacancy caused by the removal of any such trustee or member shall be filled in by the appointment of another trustee or member in accordance with the provision of this Act”.

5. Amendment of section 59, Madras Act XIX of 1951—in section 59, sub-section (1), of the principal Act, at the end of clause (j), the following words shall be added namely:

“or which requires renovation.”

6. Amendment of section 80, Madras Act XIX of 1951—In section 80, sub-section (3), clause (a), of the principal Act, for the words “five persons” the words “not exceeding eleven persons” and for the words “five years”, the words “three years” shall be substituted.

7. Amendment of section 99, Madras Act XIX of 1951:—In section 99 of the principal Act, after sub-section (2) the following sub-section shall be inserted, namely:

“(8) The Government may suo motu, or on application from any person interested, in either case within ninety days of the passing of an order under sub-section (1) review any such order if it was passed by them under any mistake whether of fact or of law, or in ignorance of any material fact. The provisions contained in proviso to sub-section (1) and in sub-section (2), shall apply in respect of any proceeding under this sub-section as they apply to a proceeding under sub-section (1).”

8. Amendments of Schedule I, Madras Act XIX of 1951:—In Schedule I, item IV, of the principal Act, after the entry relating to section 99, the following entry shall be inserted namely:

“99. Application to Government for review—50.”

9. Transitional provision:—Notwithstanding anything contained in the principal Act, or in the principal Act as amended by this Act.—
(a) every trustee appointed, and every member of the Board of Trustees constituted for any religious institution under section 39 or section 41 of the principal Act, and

(b) every member of the Board of Trustees constituted for the Tirumalai-Tirupati Devasthanams under section 80, sub-section (3), of the principal Act, and holding office immediately before the commencement of this Act, shall cease to hold his office as a trustee or as a member of the Board of Trustees, as the case may be, on the date on which this Act comes into force; and with effect from that date the Commissioner or the Area Committee or the Government, as the case may be, shall appoint a new trustee or trustees or constitute a new Board of Trustees, in accordance with the provisions of the principal Act, as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

Section 3 of the Madras Hindu Religious and Charitable Endowments Act, 1951, enables the Government to extend, by a notification; all or any of the provisions of the Act or the rules made thereunder to any Hindu or Jain public charitable endowment. But there is no specific provision in the Act for the cancellation of a notification once issued under that section. The Government consider it necessary to have such a provision on the lines of Section 64 (4)—See clause 2.

2. Section 39, sub-section (3) of the Act lays down that every trustee appointed for a religious institution under sub-section (1) or sub-section (2) of that section, shall hold office for a term of five years unless in the meanwhile the trustee is removed or dismissed or his resignation is accepted by the Commissioner or he otherwise ceases to be a trustee. Similarly section 80 (3) (a) of the Act lays down that any person appointed to the Board of Trustees constituted for the Tirumalai-Tirupati Devasthanams shall hold office for a term of five years unless in the meanwhile he is removed or his resignation is accepted by the Government or he otherwise ceases to be a trustee. On the other hand, the period of office of the members of the Area Committee is three years under section 13 of the Act. It is felt that for administrative purposes the present period of office of the trustees appointed under the Act is too long and that it should be restricted to three years.

3. The Tirumalai-Tirupati Devasthanams is a premier religious institution in the State having vast resources. Before 1951, the management of the Devasthanams was vested
in a Committee of seven members under the Tirumalai-Tirupati Devasthanams Act 1932. It is considered that the existing strength of five members of the Board of Trustees of Devasthanams is hardly sufficient to give fair representation on a wider basis and to learned men and that it should be increased to not exceeding eleven members.

The Government therefore consider it necessary to:

(i) reduce the term of office of every trustee appointed and every member of the Board of Trustees constituted, under the Act;

(ii) increase the strength of the Board of Trustees of the Tirumala-Tirupati Devasthanam from five to not exceeding eleven members.

(iii) appoint new trustees and reconstituted Board of Trustees in accordance with the provisions of the principal Act as amended by this Bill—See clause 3, 6 and 9.

4. A trustee appointed, or a member of the Board of Trustees constituted, under the Act can be suspended, removed or dismissed by the Commissioner or the Deputy Commissioner, as the case may be, for any of the reasons mentioned in section 45. It is considered that there should also be a provision enabling the Government to remove such trustee in the interest of proper administration of endowments or sufficient cause, after giving a reasonable opportunity to the trustee concerned against removal—See clause 4.

5. It is also proposed to make an express provision in section 59 (j) to enable the incurring of expenditure on the renovation of buildings of religious institutions out of the surplus funds of religious institutions including those which have become defunct. —See clause 5.

Section 99 gives power to the Government to revise any orders passed by the subordinate authorities. It is considered necessary to make a provision in that section giving power to the Government to review the orders passed in revision in certain cases, as for instance, where the order was passed under any mistake of fact or of law. The power of review will however, be available only for a limited period, namely days from the passing of the order—See clauses 7 and 8.

The Bill gives effect to the above proposals.

Minister for Law and Finance.
