Sri T Nagi Reddi—Is the market search delegation having any objections? In that case, it seems there would be no objection. I propose that the motion be adjourned for another day.

Sri C. Pulla Reddi.—I second the proposal that the delegation proceed to the market search.

IV MOTION UNDER RULE 48 OF THE MADRAS ASSEMBLY RULES

MOTION EXPRESSING WANT OF CONFIDENCE IN THE MINISTRY

Mr. Speaker.—Sri T. Nagi Reddi may move the motion standing in his name.

Sri Rokkam Lakshmi Narasimham Dora:—Mr. Speaker, yesterday the House has given him leave to move the motion. It was only leave to move the motion that was granted to him yesterday because for these special motions leave has got to be obtained. The leave was got by the hon. Member and now he will move the motion and points of order will be raised.

Sri T. Nagi Reddi:—I am not moving the motion standing in my name.
Sri G. Latchanna—Mr. Speaker, I move:

"That this Assembly expresses its want of confidence in the Ministry, for they have failed to respect and implement the recommendations of Ramamurthy Committee as decided by the Assembly on 27th May, 1954."

Sri M. Hanumantha Rao:—Sir, I second the amendment.

Sri Pillalamarri Venkateswarlu:—There is another motion of mine, Sir.

Mr. Speaker:—

Sri Rokkam Lakshminarasimham Dora:—Mr. Speaker I rise on a point of order. I take you to Rule 60 of the Assembly Rules: "a motion must not raise a question substantially identical with one on which the Assembly has given a decision in the same session". Our session commenced three days back and yesterday we had a motion before the House and the wording used in today's motion is substantially identical with that of yesterday. The question involved in both the motions is substantially identical. I think this House will be barred from considering the same point. Now, the motion before the House is that the Government have not implemented the recommendations of the Ramamurthy Committee. On that ground, the Mover of the motion Sri G. Latchanna wants to say that this House has no confidence in the Ministry. Yesterday substantially the same question was before the House. The motion moved by the Praja-Socialist Member Sri K. V. S. Padmanabha Raju, I may invite your attention, Mr. Speaker, involves the same question, namely, the Ramamurthy Committee Report was not implemented by this Government. He wanted to add this rider to the Motion of Thanks to the Governor and in that way he wanted to express regret or disappointment. The question before the House today is the same. I am reading the motion:

"That this Assembly expresses its want of confidence in the Ministry, for they have failed to respect and implement the recommendations of Ramamurthy Committee as decided by the Assembly on 27th May, 1954."
If the motion had not mentioned specially the Ramamurthy Committee Report and mentioned any other reason as to why they should express their no-confidence in this Ministry, of course the motion would have been in order. But the motion having taken one particular subject of the administration of the Government, namely, the implementation of the recommendations of the Ramamurthy Committee and in so far as it relates to the Prohibition policy pursued by the Government, I think no-confidence has been restricted to the main subject, namely the implementation of Ramamurthy Committee’s Report. As this question has once come up before the House yesterday, I feel we shall be barred from reconsidering the same question.

There is also an important matter of procedure involved. Of course, the Government have decided to face the motion. But there is a question of procedure. This will be a precedent for future. If once this motion is allowed to be considered in the House in the same session, it will be a bad precedent for the future. This is an aspect which the Speaker has got to consider apart from the merits of the question or just in the light of other things. I am particularly interested in this one aspect, namely, we are laying down a precedent by allowing a motion which was discussed and rejected by this House, to be mooted again in the same session. We will be offending Rule 60 of the Assembly Rules which we have framed and have been following. Therefore, if the motion is allowed, I am afraid we will be committing a mistake and offending the rule which we ourselves have framed and is bound to be objected.

Sri Pillalamarri Venkateswarlu:—"That an humble Address be presented to His Excellency the Governor as follows:"
MOTION UNDER RULE 48 OF THE MADRAS ASSEMBLY RULES

[4th November 1954]

"That this Assembly expresses its want of confidence in the Ministry, for they have failed to respect and implement the recommendations of Ramamurthi Committee as decided by the Assembly on 27th May, 1954."
Add the following at the end:

"but regret to note—

(i) the failure of Government to indicate clearly the policy in regard to—

(a) the necessity of introducing legislation aiming at the total control and abolition of all intermediary feudal landlord tenures in the State of Andhra by introduction of a Bill;

(b) the necessity of bringing all types of inams (inclusive of those still pending abolition) under the definition of Clause 3 (2) (b) of the Estates Land Act of 1908;

(c) applying the Rent Reduction Act, 1947, to all types of inams (inclusive of those still pending abolition);

(d) the necessity of giving protection and reinstatement to all categories of evicted tenants in all types of inams (inclusive of those still pending abolition) from 1947;

(e) the failure of Government to implement the decision of the Andhra Assembly on the recommendations of the Ramamurthy Committee Report; and

(f) the failure of Government to give adequate protection and employment to the ex-toddy tappers of Andhra.

Sri Vavilala Gopalakrishnaiah:—substantially identical
provisions of the address, substantially identical provisions of
the address, substantially identical provisions of the address.

Mr. Speaker:—In the debate on the amendments to the
motion of thanks to be presented to the Governor in reply to his
speech, all matters of policy may be discussed. But the
matters discussed do not come up for decision directly but only
incidentally. On the other hand, a motion under Rule 48 is a
distinct motion wherein censure of, or, expression of want of
confidence in the Ministry comes up directly for decision. I am
therefore of opinion that the vote
on the Address to the Governor or any matter will not operate as a bar against the motion under Rule 48 being discussed and decided

The point of order is therefore disallowed.

report to that effect that on the 28th of October 1954 a constitutional head, namely, the Governor, was appointed by the President to constitute the first assembly of the Madras State under the provisions of the new constitution. The Governor, however, was absent from the State on that day and the President, by a notification in the Madras Government Gazette, appointed the Speaker of the former assembly to constitute the first assembly of the Madras State under the provisions of the new constitution. The 28th day of October 1954 was, therefore, declared by the Governor to be the first day of the new assembly.

The Speaker was expected to take action in accordance with the provisions of the constitution. However, the Governor, in the absence of the Speaker, did not take any action. The Speaker, therefore, was appointed by the Governor to constitute the first assembly of the Madras State under the provisions of the new constitution.

On the 29th of October 1954, the Government of India informed the Governor that the appointment of the Speaker was unconstitutional and that the Governor had no power to appoint a constitutional head without the consent of the Governor-General in Council. The Governor then appointed a new Speaker on the 30th of October 1954.

The House then adjourned without any action having been taken by the Speaker.
