QUESTIONS AND ANSWERS.

Starred Questions.

Electric Motors on Hire Purchase System to Agriculturists.

287—

* 442 Q.—SRI R. B. RAMAKRISHNA RAJU : Will the Hon. the Chief Minister be pleased to state—

(a) whether it is a fact that under the rules relating to hire purchase of electric motors for agriculture pumping, the ryots are not able to take full advantage of the system; and

(b) whether the Government propose to liberalise the rules by giving up the demand for sureties counting on the solvency of the applicant?

THE HON. SRI B. GOPALA REDDI :

(a) It is not a fact that under the rules relating to hire purchase of electric motors for agriculture pumping, the ryots are not able to take full advantage of the system. On the other hand, the ryots are taking full advantage of the scheme and all the amounts allotted in the previous years have been fully utilised under the scheme.

(b) The Government do not consider it necessary to liberalise the rules in this regard.

SRI P. GOPALU REDDI :—ప్రపంచంలో అంతం తమ్ముడు వంటి వస్తు రంగే అనేకం కృషించడం లేకుంటుంది. ఇలా నిర్ణయం చేయి అంటారు 10: మొత్తం చాలా చెల్లించిన వస్తు జాతీయ అంటారు? మరింత కాలం అంటారు?
The Hon. Sri B. Gopala Reddi:—The number of electric motors distributed before the formation of Andhra State (69); number of electric motors distributed after the formation of Andhra State up to 30-6-1954 (95); number of electric motors distributed from 1-7-1934 to 31-3-1955 (87).

Sri N. C. Seshadri:—The number of electric motors which have been distributed as follows: 1, 2, 3, 4, 5. Can the period within which these motors will be distributed be assessed?

The Hon. Sri B. Gopala Reddi:—As per the facts.

Housing accommodation to constables.

*254 Q.—Sri S. Vemayya: Will the Hon. the Deputy Chief Minister be pleased to state—

Whether there is a proposal to provide Housing accommodation to the constables in the State; and if so, when?

The Hon. Sri N. Sanjeeva Reddi:—The answer is in the affirmative. The period within which the accommodation will be provided cannot be assessed.
1st August 1955

Sri S. VEMAYYA: Why is the reserve constable in reserve constable? Why should such a practice be allowed?

The Hon. Sri N. SANJEEVA REDDI: The accommodation was not sufficient. 1954 had sanctioned 47% accommodation. Construction was sanctioned in 1954. May I know whether any accommodation will be given to them; if so, when?

Sri S. RANGANATHA MUDALIAR: Are the Government aware that there are five hundred men belonging to the Special Armed Police Force, who are huddled in one building and who have no accommodation to bring their women folk. May I know whether any accommodation will be given to them; if so, when?

The Hon. Sri N. SANJEEVA REDDI: That is exactly what I was telling just now. We have a revised programme. I know the difficulties experienced by them by being away from their places and families. Therefore we have taken steps to spend money on their accommodation and we have a revised programme in this regard.

Sri P. RAMACHARLU: Are the constables in reserve ventilator houses. And it is not satisfactory ventilation in the houses. We should make ventilation houses.

The Hon. Sri N. SANJEEVA REDDI: The ventilation improve scheme is already in progress. The ventilation is satisfactory.

Sri P. RAJAGOPAL NAIDU: I have just a note on the reserve constables. 300, 400 are already in the reserve constables.
The Hon. Sri N. SANJEEVA REDDI:—The inauguration of the 1951 Census followed by the 1941 Census.

Sri S. VEMAYYA:—The inauguration of the 1951 Census followed by the 1941 Census?

The Hon. Sri N. SANJEEVA REDDI:—Standard type of the 1951 Census. The inauguration of the 1941 Census followed by the 1951 Census?

Sri M. NAGESWARA RAO:—The inauguration of the 1951 Census followed by the 1941 Census?

The Hon. Sri N. SANJEEVA REDDI:—Standard type of the 1951 Census followed by the 1941 Census?

---

* 98 Q.—Sri S. VEMAYYA: Will the Hon. the Minister for Revenue be pleased to state whether there are proposals with the Government to start Statistical Bureau of Economic and Statistical Investigation on permanent basis?

The Hon. Sri K. CHANDRAMOULI:

Proposals for re-organisation of the present Statistical Branch attached to the Andhra Board of Revenue are under the consideration of the Government.

Sri S. VEMAYYA:—Will the Minister for Revenue be pleased to state whether there are proposals with the Government to start Statistical Bureau of Economic and Statistical Investigation on permanent basis?

The Hon. Sri K. CHANDRAMOULI:—Re-organisation of the Finance Department are in view. The inauguration of the 1951 Census followed by the 1941 Census?

Sri P. SUNDARAYYA:—Will the Minister for Revenue be pleased to state whether there are proposals with the Government to start Statistical Bureau of Economic and Statistical Investigation on permanent basis?

The Hon. Sri K. CHANDRAMOULI:—The inauguration of the 1951 Census followed by the 1941 Census.
1st August 1955

SRI VAivilala Gopalkrishnayya:—Statistical Bureau के संविधेय अधिकार से विभाग का उपदेश देने। संबंध गुरू मिश्रेत्य के लिए विभाग का उपदेश देने। कोई उपदेश का संबंध नहीं है। अतः यह संबंध नहीं है। अपने हाथ से ही संबंध नहीं है। अभ्यास देने के लिए संबंध नहीं है।

The Hon. Sri K. Chandramouli:—संबंध नहीं है। गृह भवन के संबंध में संबंध नहीं है। 1951 की संबंध में 1941 की संबंध नहीं है। संबंध नहीं है।

Sri P. Sundarayya:—1951 की संबंध में 1941 की संबंध नहीं है। संबंध नहीं है।

The Hon. Sri K. Chandramouli:—संबंध नहीं है। गृह भवन के संबंध में संबंध नहीं है। 1951 की संबंध में 1941 की संबंध नहीं है। संबंध नहीं है।

Amount spent on Khadi Industry.

290—

111 Q.—Sri S. Vemayya: Will the Hon. the Minister for Planning and Industries be pleased to state—

(a) the amount of money spent on Khadi Industry for the year ending 1954 ;
(b) the amount derived from it ; and
(c) the amount of income or loss in it ?

The Hon. Sri K. Venkata Rao :

(a) The amount spent on the Khadi scheme during 1954 was Rs. 5.54 lakhs.
(b) The amount derived was Rs. 2.84 lakhs.
(c) Net loss was Rs. 2.70 lakhs.

Sri S. Vemayya :—संबंध नहीं है। गृह भवन के संबंध में संबंध नहीं है।

The Hon. Sri K. Venkata Rao :—संबंध नहीं है। गृह भवन के संबंध में संबंध नहीं है।
Government tractors and bull-dozers in Nellore district.

291—

* 697 Q.—SRI P. GOPALAKRISHNA REDDI : Will the Hon. the Chief Minister be pleased to state—

(a) the number of departmental tractors and bull-dozers stationed in Nellore district ;

(b) the area reclaimed by the use of these machines in the district ; and

(c) the number of ryots who have made use of these machines in the district for the year 1954-55 ?

THE HON. SRI B. GOPALA REDDI :—

(a) The number of departmental tractors and bull-dozers stationed in Nellore District during the year 1954-55 was 4 and 8 respectively.

(b) The area reclaimed by the use of these machines in the district during 1954-55 was 678 acres by ploughing, 26 acres by harrowing and 72 acres by levelling.

(c) 98 ryots hired the units during the year 1954-55.

SRI P. GOPALAKRISHNA REDDI :—

SRI S. VEMAYYA :—4, 8 tractors, bull-dozer as % headquarters % &. % % permanent sick % 0 of % % permanent sick % 0 permanent sick % 0.

SRI P. VENKATASWAMI REDDI :—
1st August 1955]

THE HON. SRI B. GOPALA REDDI: — Who will be Planning Committee 2nd, 3rd, 4th 
and 5th? [Elaborate on the activities of the Planning Committee.]

SRI K. SUBBA RAO: — We need a bulldozer in the 12th area of the state. What will be 
the cost of the bulldozer?

THE HON. SRI B. GOPALA REDDI: — We will make no profit on no loss basis. All 
applications will be considered. If we cannot sell the bulldozer, it will be 
done at a loss.

SRI N. VENKAIAH: — Bulldozers were given in 1952. Are there applications to purchase 
bulldozers? If so, on what basis?

THE HON. SRI B. GOPALA REDDI: — Planning discussion on the agricultural engineering 
workshop.

SRI P. RAMACHARLU: — Bulldozers are part of the machinery. They require repair 
each year. 4 districts need workshop facilities. How can we meet the 
cost?

THE HON. SRI B. GOPALA REDDI: — The State will provide the workshop facilities.

SRI A. SATYANARAYANA MURTHY: — We have black cotton soil and wet lands. Small 
tractors are needed. How can they be procured from Russia or other countries?

THE HON. SRI B. GOPALA REDDI: — Small tractors on All India basis. We have 
talked to Russia about paper qualities. How can we ensure that?

SRI M. NAGI REDDI: — Tractors and bulldozers are sold on no profit no loss basis. 
We need tractors that can handle black cotton soil. How can we 
ensure that they meet the requirements?
1st August 1955

THE HON. SRI B. GOPALA REDDI:— Workshop
                                              Q. 1076

SRI T. GOPALAKRISHNAYYA GUPTA:— Drivers
Tractors and Tractors' drivers agreement

SRI P. SREERAMULU:— Bulldozers and tractors

THE HON. SRI B. GOPALA REDDI:— Bulldozers and tractors

SRI PILLALAMARRI VENKATESWARLU:— Bulldozers and tractors

THE HON. SRI B. GOPALA REDDI:— I like to have notice, Sir.

SRI L. LAKSHAMANA DAS:— Tractors

THE HON. SRI B. GOPALA REDDI:— District Judge's Court at Srikakulam.

292—

* 1076 Q.— SRI P. SURYANARAYANA: Will the Hon. the Deputy Chief Minister be pleased to state—

(a) whether there are proposals with the Government to locate a separate District Judge's Court at Srikakulam; and

(b) if so, when?
1st August 1955

**The Hon. Sri N. Sanjeeva Reddi:**

(a) and (b) Yes. The proposal is under consideration of the Government.

Sri P. Suryanarayana:— private buildings are under consideration. Buildings in private building a city like Delhi, the District Judge's Court and building at this date?

**The Hon. Sri N. Sanjeeva Reddi:** Building at the High Court and District Judge's Court.

Sri P. Gunnayya:— Sub-Court has received the memorandum of the Bar Association. Sub-Court has received the memorandum.

**The Hon. Sri N. Sanjeeva Reddi:**

Maximum and minimum cost of living Index.

293—

*764 Q.—Sri P. Gopalakrishna Reddi:— Will the Hon. the Minister for Revenue be pleased to state—

(a) the present index of cost of living both maximum and minimum in the State and which district is the maximum and which district minimum;

(b) the causes which have contributed to the rise in the cost of living; and

(o) whether the Government propose to take any steps to bring down the cost of living and if so, what they are?

The Hon. Sri K. Chandramouli:—

(a) The cost of living index numbers are at present compiled only for two representative centres i.e., Visakhapatnam and Eluru, representing respectively Visakhapatnam and
Srikakulam districts and East Godavari, West Godavari, Krishna, Guntur and Nellore districts. The latest available cost of living indices for Visakhapatnam and Eluru centres for May, 1955 are 321 and 393 respectively, on the basis of 100 adopted for the base period 1933-36. No separate figures are compiled for each district.

(b) The main causes which have contributed to the rise in the cost of living index numbers in the post-war period are the increases in prices of foodgrains and other necessary consumer goods like clothing.

(c) The prices, chiefly of foodgrains which constitute the largest commodity group figuring in the cost of living index, have been decreasing and it does not seem that any special measures for bringing down the cost of living index are necessary.

Sri P. GOPALAKRISHNA REDDI:—... Cost of living index वीस्क्युल बल अणू चतुरो. राय N. G. Os. dearness allowance and salaries club शाज अणू चतुरो राय...

Mr. SPEAKER:—That was a question which was already considered.

Sri VAVILALA GOPALAKRISHNAYYA:—... centres अणू चतुरो? अणू चतुरो centres अणू चतुरो?

The Hon. Sri K. CHANDRAMOULI:—... centre अणू चतुरो दिते दिते दिते दिते Mysore. अणू centre अणू चतुरो centres increase शाज अणू चतुरो अणू चतुरो अणू चतुरो.

Village Oil Industries.

294—

*554 Q. — SRI S. VEMAYYA :— Will the Hon. the Minister for Planning and Industries be pleased to state the number of Village Oil industries for which Central Government gave financial assistance in the State for 1954—55 and 1955—56?
1st August 1955]

THE HON. SRI K. VENKATA RAO :—

The All India Khadi and Village Industries Board sanctioned a sum of Rs. 750 to the ‘Gowrinath Oil Mongers Co-operative Society—Gudur’ Kurnool District in 1954—55, for the installation of six improved Ghanies.

Formation of two Andhra States.

295—

*1022 Q.—SRI A. KALESWARA RAO :—Will the Hon. the Chief Minister be pleased to state—

(a) whether the Government are aware of the news item in Andhra Patrika stating that the Chief Minister expressed satisfaction at the idea that in case two Telugu States are formed there may be one Governor and one High Court for both the States; and

(b) if so, whether he expressed it as his personal opinion or as the opinion of Chief Minister of Andhra Government?

THE HON. SRI B. GOPALA REDDI :—

(a) The press statement is not correct.

(b) Does not arise.

Common Governor and High Court for the proposed Andhra States.

296—

*1021 Q.—SRI A. KALESWARA RAO :—Will the Hon. the Chief Minister be pleased to state—

(a) whether the Union Government or the States Re-organization Committee have asked the State Government as to how much amount will be saved if there is only one Governor and one High Court for both the Andhra Provinces, if it is so decided;
(b) the reply given by this Government to them; and

(c) whether the Government will be pleased to place on the Table of the House the correspondence that passed between the State Government and the Union Government or the States Re-organization Committee?

THE HON. SRI B. GOPALA REDDI:—

(a) No, Sir.
(b) Does not arise.
(c) Does not arise.

Government waste and poramboke lands in Divi taluk

297—

*768 Q.—SRI S. R. Y. SIVARAMAPRASAD BAHADUR:—
Will the Hon. the Minister for Revenue be pleased to state—

(a) whether the Government are aware that the Communist Party have been distributing Government waste lands and porambokes among their followers in Kodur Firka of Divi taluk of Krishna district;

(b) whether the Communist Party surveyed those lands with a copra rope by employing a bogus Surveyor;

(c) whether the matter was brought to the notice of the Government by the District Congress Committee, East Krishna, through its resolution in 1954;

(d) whether any action was taken in the matter; and

(e) if so, the nature of the action taken?

THE HON. SRI K. CHANDRAMOULI:—

(a) and (b) In June, 1954, an attempt was made by the Communists to distribute Banjar lands in Gollapalem village of Divi Taluk, Krishna district and a private Surveyor was engaged by them for the purpose. No cognisance of these activities was however taken, as there was no effective occupation or cultivation of the lands.

(c) The answer is in the negative.

(d) and (e) Does not arise.

QUESTIONS AND ANSWERS

[1st August 1955]

Sri N. VENKATAIAH:—Will the Hon. the Minister for Planning and Industries be pleased to state what steps are being taken to control Malaria in Markapur taluk?

THE HON. SRI K. VENKATA RAO:—

Markapur taluk is included in the area of the Kurnool Fast Anti-Malaria Scheme. The measures adopted are the indoor residual D.D.T. spraying of houses and free distribution of quinine sulphate and total quinine.

SRI N. VENKATAIAH:—Are these measures adequate to control Malaria?

THE HON. SRI K. VENKATA RAO:—

Wells under Rural Water-Supply Scheme.

*455 Q.—SRI P. VENKATASUBBAYYA:—Will the Hon. the Minister for Electricity and Social Welfare be pleased to state whether there is a proposal with the Government to relax the condition of paying contribution in the matter of digging wells in the Harijan quarters under the Rural Water-Supply Scheme?

THE HON. SRI G. LATCHANNA:—

There is no such proposal, Sir.
1st August 1955

SRI P. VENKATASUBBAYYA: The national water supply scheme is the most important aspect of the rural water supply schemes. The proposals submitted by the Health Department and the State Government for the national water supply scheme have been accepted. The contributions from the Central and State Governments are 50% and 25% respectively, with the remaining 25% coming from the local bodies. The distribution is as follows:

THE HON. SRI G. LATCHANNA: The national water supply scheme has been given top priority in the rural water supply schemes. The proposals submitted by the Health Department and the State Government for the national water supply scheme have been accepted. The contributions from the Central and State Governments are 50% and 25% respectively, with the remaining 25% coming from the local bodies. The distribution is as follows:

SRI V. VISWESWARA RAO: The rural water supply scheme has been given top priority in the national water supply schemes. The proposals submitted by the Health Department and the State Government for the rural water supply scheme have been accepted. The contributions from the Central and State Governments are 50% and 25% respectively, with the remaining 25% coming from the local bodies. The distribution is as follows:

THE HON. SRI G. LATCHANNA: The rural water supply scheme has been given top priority in the national water supply schemes. The proposals submitted by the Health Department and the State Government for the rural water supply scheme have been accepted. The contributions from the Central and State Governments are 50% and 25% respectively, with the remaining 25% coming from the local bodies. The distribution is as follows:

11.30 a.m.

SRI B. RAMA REDDI: The rural water supply scheme is to be abolished in Badvel and other areas.
330 QUESTIONS AND ANSWERS

1st August 1955

Rural Water Supply Scheme as a whole, how is the scheme
being water supply in effect working?

THE HON. SRI G. LATCHANNA:—Abolish the condition of half-
contribution. Now in the case of the Adi
Dravidas, will the Hon. Minister be pleased to state what action has
been taken on the representation of the District Collector, Chittoor to relax
the condition of half-contribution in the case of the Adi
Dravidas?

SRI S. RANGANATHA MUDALIAR:—Will the Hon.
Minister be pleased to state what action has been taken on
the representation of the District Collector, Chittoor to relax
the condition of half-contribution in the case of the Adi
Dravidas?

THE HON. SRI G. LATCHANNA:—As per the National Water Supply And Sanitation Scheme,
Community Project, Community Development, National
Extension Schemes and the Local Development Works,
the condition of half-contribution has been relaxed.

SRI P. SUNDARAYYA:—Under the Local
Development scheme and the National Extension Scheme,
whether or not the condition of half-
contribution has been relaxed?

THE HON. SRI G. LATCHANNA:—Under the Local
Development Scheme and the National Extension Scheme,
the condition of half-contribution has been relaxed.

THE HON. SRI G. LATCHANNA:—Local Development
Scheme how is the condition of half-
contribution working? It is understood that the National
Ministry has already relaxed the condition.

Sri S. Narayanappa:—As a water diviner, I visited several villages and found signs of water. I suggested that we should dig wells. The government has given us some financial assistance, but water is still scarce in the area. Is there any way we can improve the situation?

The Hon. Sri G. Latchanappa:—The Health Department is trying to improve the situation. We have initiated several projects to ensure access to clean water.

Sri M. Nagi Reddi:—The Caste Hindus are facing difficulties because they cannot share the common wells. The Government is working on a solution to this problem. We need to ensure that everyone has access to clean water.

The Hon. Sri G. Latchanappa:—The Hurjan Welfare Department is working on several projects to improve access to drinking water for all citizens.

Sri V. Visweswara Rao:—The Rural Water Supply Scheme is ongoing, but progress is slow. The Health Department is also working on improving water supply. Is there anything we can do to speed up the process?

The Hon. Sri G. Latchanappa:—The contribution of the people is crucial. We need everyone to work together to improve the situation.

Sri G. Nageswara Rao:—I believe we need to focus on long-term solutions. We need to invest in infrastructure and education to ensure sustainable access to clean water.

300—

Q. 825 SRI V. VISWESWARA RAO: Will the Hon. the Minister for Co-operation and Commercial Taxes be pleased to state—

(a) the total number of Field Labour Co-operative Societies in the State;

(b) the number of Field Labour Co-operative Societies that have been provided with lands;

(c) whether all the individual members of these Societies have been allotted the lands;

(d) whether the Government have received any representations from the Societies that the Presidents of the Societies are not granting lands to some of the members of the societies and are refusing to enlist new members under the cover of discretionary powers; and

(e) what steps the Government propose to take to remedy such evils?

THE HON. SRI D. SANJIVAYYA:—

(a) 992.

(b) 597.

(c) Generally lands are allotted to all the members equitably by dividing them into plots. In a few societies, the lands are being cultivated jointly by the members and the yield derived therefrom distributed among themselves. However, in a few societies, where the lands allotted are not adequate, all the members are not allotted lands for their individual cultivation.

(d) No representations have been received by Government in this regard. Representations were, however received by
the Deputy Registrars, Machilipatnam, Vijayawada, Bapatla and Kakinada. In one case, the President was replaced. In some cases, the Presidents agreed and admitted new applicants and allotted the lands equitably. In other cases, enquiries under Section 38 of the Madras Co-operative Societies Act, 1932, were ordered.

(e) The Madras Co-operative Societies Act, 1932, and the Rules framed thereunder do not provide for any direction being given by the Registrar requiring the Society to admit a particular person as its member. The question of providing for appeal, through a suitable amendment to the Act, against non-admission of applicants is being examined by the Registrar. Regarding the allotment of land to all the members equitably, whenever instances of new allotment of land are reported, departmental enquiries and efforts are made to set right matters and, if necessary, enquiries under section 38 of the Act are instituted and the Boards of Management are reconstituted.

SRI V. VISWESWARA RAO: You are supplying information, you are not putting a supplementary question.

MR. SPEAKER:—You are supplying information, you are not putting a supplementary question.

THE Hon. SRI D. SANJIVAYYA:—Representations to the private sectors not to be taken lightly. Officials not to representations. As the President replace the President.

SRI P. VENKATASUBBAYYA:—Field Labour Co-operative Societies not to be taken lightly.

II BUDGET FOR 1955-56.

VOTING OF DEMANDS FOR GRANTS—(contd.)

DEMAND II—STATE EXCISE DUTIES.

Hon. Sri A. B. Nageswara Rao:—Mr. Speaker, Sir, I beg to move:

"That Government be granted a sum not exceeding Rs. 37,35,000 under Demand No. II—State Excise Duties."

In doing so I wish to place the following facts for the information of Hon. Members. First, under Superintendence a sum of Rs. 1,46,400 is required. This relates to the expenditure towards the pay and allowances of the Excise and Prohibition for Superintendence, viz., Members of the Board of Revenue, Deputy Commissioner, Assistant Commissioners and their establishments. Under District Executive Establishment is required a sum of Rs. 35,24,900. This relates to the expenditure towards the pay and allowances of the Executive
Staff both in the districts and the Scheduled areas. Then comes distilleries, for which a sum of Rs. 34,000 is required. This relates to the expenditure towards the staff for supervising the distilleries in Tummapala (Visakhapatnam district), Samalkot (East Godavari district) and Vuyyur (Krishna District). Then, under cost of opium supplied to State Excise Department, a sum of Rs. 19,500 is provided. This represents the cost of opium supplied to the State Excise Department. Opium is supplied to holders of licences for the manufacture of recognised medicinal preparations and to addicts on medical grounds. The Government have also authorised the Tahsildars of Agency Taluks to permit enhancement of opium quota and to renew opium permits each year to the Agency addicts on production of medical certificates from Government medical officers working in the Agency areas. The supply of opium to the public is made from the taluk offices and the supply to the taluk offices is made from Ghazipur. Then under 'Compensations' a sum of Rs. 10,000 is provided. This is required, for the reciprocal system of levy of duty enabled free imports of culinary essences. Under this system, duty is collected by the exporting State authorities and credited to the revenues of the importing State. Then comes the head, Charges in England. A sum of Rs. 200 is provided. This represents the contribution to International Bureau against Alcoholism.

In our Andhra State the problem regarding Prohibition has come to the forefront. Divergent views, both for and against, have very often been heard. Specially, people who are against Prohibition are always openly declaring that this Act practically ceased to exist, due to the fact that the provisions of the said Act have been more often defied and practically the respect for the law in this regard which ought to be shown, is not to be found anywhere. People of the other frame of mind declare that due to the introduction of this social ameliorative measure, the general status in the society, where
there were formerly a good number of addicts, has been much improved, and therefore, to be more successful, the Government should take stringent measures to enforce the same. But, whatever may be, all agree to the fact that Prohibition is a good measure of vital necessity for the uplift of the humanity in the society. Prohibition is certainly a means to attain improved nutrition, improved standards of living and improved health. There cannot be any opposition to this fact from any side of the House. Therefore, it is incorporated in the directive principles of our Constitution itself as the ultimate goal of India to have Prohibition throughout the country early. It is not only in our State, there is total Prohibition but also in force totally in the Madras State and parts of Mysore who are our neighbours.

Having complete faith in this ameliorative measure, the Congress Party of the composite State, with the blessings of Mahatma Gandhi in 1937, after it came into power with the support of the people, introduced this beneficial measure as an experiment first in Salem district. Encouraged by its success, it was introduced on the 1st October 1938 in Cuddapah and Chittoor districts. About the end of 1940, the Congress Ministries then in power resigned from the State Governments through India due to the differences of opinion between the rulers and the ruled.

Subsequently the Advisers' regime came into existence. Though this Act was amended in 1942 making provision for its stricter enforcement through the enhancement of imprisonment, and fine, yet it has become a dead Act as there was not the required enthusiasm amongst the rulers and also not much co-operation from the public. In such a situation, Prohibition was given a final go*bye by the then Government from the 1st January 1944. In 1946, after the Congress was again in its seat of power, Prohibition was again reintroduced and gradually extended throughout the State with the exception of the agency areas, where the Madras Abkari Act is still in
force. In the agency areas, fermented liquor may be drunk by addicts but no liquor or drug shops are allowed to be run.

With the introduction of Prohibition, the Madras Abkari Act of 1886 ceased to be in force. In the Prohibition areas the possession of and transactions in liquor and intoxicating drugs have been prohibited by the Madras Prohibition Act. Licences and Authorities are however issued for the possession and use of liquor and intoxicating drugs for bonafide medicinal, scientific, industrial and religious purposes.

In order to consider the problem comprehensively, the Government appointed in January 1934, a committee under the chairmanship of Sri S. V. Ramamurthi, I.O.S. to review the working of the scheme of Prohibition and to examine the question of advisability or otherwise of the continuance of Prohibition, and to make its recommendations in regard thereto. The committee had submitted its report in the third week of February 1934 after enquiry. The Committee held the view that in the place of Prohibition a new excise policy should be followed in which the sole objective is minimum consumption, revenue being incidental. They have also held that it was not unconstitutional for Andhra to recede along the line of approach to the ultimate goal of Prohibition which had been tried and found wanting and adopt instead an alternative line of approach. The Committee accordingly made some recommendations.

The Andhra Legislative Assembly in its Waltair session in May 1954 recommended that these recommendations of the Ramamurthi Committee should be implemented forthwith. The Government did not pass any orders on those recommendations, though the previous Cabinet met on several occasions to consider the question. For failure to implement the Ramamurthi Committee's recommendations as directed by the Assembly, the Assembly in its November session voted the previous Ministry out of office. The previous Ministry just
1st August 1955] [Sri A. B. Nageswara Rao

on the eve of its going out of office considered the question at the Cabinet meeting held on 13th November 1954 and decided as follows:

1. to cancel the requirement of production of medical certificates for foreign liquor permits;
2. to permit Panchayat Boards wherever they are ready to organise the tapping of sweet toddy and its conversion into jaggery or sugar;
3. to finance and extend the scheme propounded by Sri Venkataiah, M.L.A.;
4. to allow village co-operative societies to take over the tapping of palms and date palms for conversion of sweet toddy into jaggery or sugar; and
5. to abolish the Prohibition staff and hand over the enforcement to the normal Police.

The decisions were examined in consultation with the Heads of Departments during the Governor's rule, but the Governor left these questions for decision by the present Ministry. The present Ministry examined the whole question and on the advice of a Cabinet Sub-Committee, issued orders in G.O. Ms. No. 1466, Revenue, dated 30th June 1955 and G.O. Ms. No. 1557, Revenue, dated 11th July 1955 on the revised Prohibition policy of the Government. I shall describe them shortly. So from the foregoing part of my speech it is evident that the Government have considered the recommendations of the Ramamurthy Committee, before arriving at the revised Prohibition policy.

It may be mentioned in this connection that the Planning Commission of the Government of India have constituted a Prohibition Enquiry Committee with a view to achieve a better enforcement of Prohibition on a countrywide basis. The Committee issued a questionnaire to all State Governments and this Government also answered the questionnaire. The
Committee will shortly submit its report to the Government of India which is expected to evolve a common Prohibition policy on a countrywide basis.

As part of the revised Prohibition policy of this Government it has been ordered by the Government recently that the existing procedure for the grant of foreign liquor permits may be continued subject to the following modifications:

(a) No Indian National below thirty years of age shall be granted a permit for foreign liquor.

(b) Applicants for foreign liquor permits may produce medical certificates from Civil Assistant Surgeons instead of from District Medical Officers;

(c) In the case of applications for renewals of permits every year, no medical certificate will be required for the first two renewals, that is, where a person has, on the basis of a medical certificate, obtained a foreign liquor permit, he will be required to produce, the next medical certificate only at the end of every two alternative years, in case he seeks to renew the permit.

(d) The Board of Revenue (Excise) has been empowered to grant renewals of permits in the case of Indian Nationals. Initial licensing will continue to be done by the Government.

(e) Collectors have been empowered to grant temporary permits to bona fide tourists, foreign as well as Indian, for a period not exceeding thirty days at a time.

(f) The existing rates of permit fees have been increased by fifty per cent.

Opium:—On the recommendation of the Madras Prohibition Enquiry Committee 1948, a progressive reduction of quota by 20 per cent every year to opium addicts has been effected from 1—10—1949. Numerous representations were received by Government for reconsidering the policy of completely...
Voting of Demands for Grants (Contd.)

Demand II—State Excise Duties,

1st August 1955] [Sri A. B. Nageswara Rao

stopping the issue of opium to addicts after 5 years, i.e., on 1—10—1952. The Government thereupon ordered in G.O. Ms. No. 33, Revenue, dated 13—1—1954, the opium quotas as on 1—10—1952 should be allowed to old addicts on the strength of medical certificates from Civil Assistant Surgeons. As the insistence of medical certificates in the case of old addicts to opium, for renewing their permits, was found to be difficult and expensive, the Government ordered in G.O. Ms. No. 1592, Revenue, dated 23—8—1954, that the system of requiring opium addicts to produce medical certificates for renewal of their opium permits be dispensed with. But application from fresh addicts or for enhancement, of quotas to old addicts, should however be continued to be supported by certificates from District Medical Officers. On a further representation received by the Government, it has recently been decided that, in future addicts may produce medical certificates from Civil Assistant Surgeons instead of from District Medical Officers in support of their applications for fresh permits or enhancement of opium quota. As regards the supply of opium to addicts in Agency areas of Visakhapatnam, Srikakulam, East Godavari and West Godavari districts, the Government have authorised the Tahsildars of Agency Taluks to permit enhancement of opium quota and to renew opium permits each year to the Agency addicts, on production of medical certificates from Government Medical Officers working in the Agency areas.

Neera:—With a view to rehabilitate the ex-tappers thrown out of employment as a result of Prohibition, Co-operative Societies were formed in the following centres for tapping neera, for sale as beverage or manufacture of palm jaggery:—

1. Sompeta taluk of Srikakulam District.
2. Visakhapatnam taluk of Visakhapatnam District.
4. Narasapur Taluk of West Godavari District.
BUDGET FOR THE YEAR 1955-56.
Voting of Demands for Grants (Contd.)
Demand II—State Excise Duties.

SRI A. B. Nageswara Rao [1st August 1955

5. Vijayawada taluk of Krishna District.
8. Sundupalli village of Cuddapah District.

But as working of these societies was found to be unsatisfactory, it was ordered that no new societies should be formed. Several representations have been received from Ex-tappers’ Associations urging the Government to provide adequate employment to them and the Government have recently ordered the undertaking of a random sample survey to assess the extent of unemployment among the ex-tappers. As it may take some time before the results of the survey are available and suitable action taken thereon, the Government have ordered that even while the survey is in progress, ameliorative measures should be undertaken for the benefit of ex-tappers. They have accordingly passed the following orders:

a) The ban previously imposed on the formation of new Co-operative Societies for tapping neera for sale as beverage or manufacture of palm jaggery (because of certain abuses on the part of the societies) be lifted, but that any societies which may be found to have abused the concession of neera tapping be superseded.

(b) New neera and palm gur manufacturing societies not exceeding 50 in number will be allowed to be formed during the financial year 1955-56.

(c) One neera society will be managed by Government at their own cost, as an experimental measure, in order to study the economics of its working.

(d) Societies which were cancelled in connection with the ex-tappers’ satyagraha undertaken in 1954 will be revived.

The Registrar of Co-operative Societies has been asked to take action in respect of the above items except item (c)
and to report to Government the action taken by him. As regards item (c), he has been asked to submit necessary proposals for implementation of the scheme. They are awaited.

Administrative Machinery. The former Excise Department, reconstituted into a Prohibition Department is in charge of the enforcement of Prohibition in eight districts, viz., Visakhatnam, Srikakulam, East Godavari, West Godavari, Krishna, Anantapur, Kurnool and Cuddapah. The Commissioner of Prohibition who is a member of the Board of Revenue is the administrative head in these districts. He is assisted by a Deputy Commissioner. A District Prohibition Officer is in charge of each of these districts. The District Prohibition Officers are assisted by Deputy Prohibition Officers, Assistant Prohibition Officers, Sub-Inspectors of Prohibition, Petty Officers and Guards.

The Police Department is in charge of the enforcement of Prohibition in the districts of Chittoor, Guntur and Nellore. The District Superintendents of Police of these districts are in charge of the enforcement work. To assist them, there are Deputy Superintendents of Police, Inspectors of Police, Sub-Inspectors of Police, Head Constables and Constables. The Inspector-General of Police is the administrative head. The Government have recently ordered that the work of enforcement of Prohibition in the eight districts which are now in charge of the Excise and Prohibition Department, be transferred to the Police Department and that the change-over be completed by the end of December, 1955. The Inspector-General of Police and the Commissioner of Excise have been asked to work out together details for implementation of these orders and submit detailed proposals for the approval of Government. The Inspector-General of Police has asked for special staff to work out these details. The staff is being sanctioned by Home Department. Detailed proposals, regarding the absorption of Prohibition staff in the Police Department will be examined on receipt, so that the change-over may be completed by the end of December, 1955, as ordered.
Persuasive method of enforcement should also be adopted along with the penal one. We should not depend entirely in the present generation on the strength of the stick. Cooperation of the non-officials has also to be sought. After the Government introduced Prohibition statutorily, private temperance organisations have become inactive. It may be necessary to stir up propaganda and educate the addicts. Separate district advisory councils for Prohibition are not attractive. The Madras Prohibition Act lays down that all officers of the Government, Municipalities, Local Bodies, etc., are to assist in the enforcement of Prohibition. Instead of multifarious committees in the district, this organisation may function better. Difficulties may be expressed by the different departmental officers and co-ordinated efforts organised by the District Collector. When the officers of other departments visit a village and do not take any interest in the offences committed, the offenders get emboldened and gain an idea that they will be tackled only by one class of officers, the rest of the Governmental machinery being reticent. This attitude of being indifferent even among officials is detrimental to developing civil conscience.

Our Welfare State has been subsidizing several social service organisations. A Central Social Service Board attached to the Planning Commission has also been constituted for the country. My appeal is that all these organisations may be requested to evince interest in Prohibition also and make enquiries during their tours even if they cannot do more and communicate their observations to the Collector of the District and the officers concerned.

Prohibition is a great cause. A few other countries might have failed to enforce. But their example should not deter us. In our country public opinion is in favour of enforcement of Prohibition. And it has been strengthened by the direction of Mahatmaji, a rare acquisition to our country. It is the aim of Government to enforce it with a determination. It has been the ambition of Government to make
Prohibition a success. In the end, Sir, I request hon. Members of the House, brushing aside all their former prejudices, to express their dispassionate views on this burning topic which should be helpful in its enforcement and consequent success. In the end, I request hon. Members of this House to withdraw all their cut motions and grant the Demand unanimously. Thank you, Sir.

SRI P. RAMACHARLU:—The Hon'ble Mr. Speaker, I support the motion. I am sure Sir that we shall be able to fully enforce the prohibition policy, for which the House is to be congratulated.

THE HON SRI A. B. NAGESWARA RAO:—That Government be granted a sum not exceeding Rs. 37,35,000 under Demand II—State Excise Duties.

Mr. SPEAKER: Motion moved:

"That Government be granted a sum not exceeding Rs. 37,35,000 under Demand II—State Excise Duties."

Now we come to cut motions.

(424) SRI P. SUNDARAYYA:—Sir, I move:

To reduce the allotment of Rs. 37,35,000 for Excise Duties by Rs. 100.

"I do not know whether I would be wrong if I suggest a small referendum in certain areas or taluks, i.e., 2 Telugu, 2 Tamil and 1 in the West Coast, whether the people want continuance, modification or repeal of the Prohibition Act."

"I am looking at it from that angle and not merely from the financial point of view."

(At this state, Mr. Deputy Speaker occupied the Chair)

Whether this Prohibition can be enforced successfully or not is a matter of concern to the people. I am sure that if a referendum is held, the people will vote in favor of the continuance of Prohibition. The majority of the people want Prohibition to be continued. Whether this Prohibition can be enforced successfully or not, a referendum should be held. The people want Prohibition to be continued.

Prohibition is enforced by the Police. The Police report that Prohibition is being enforced successfully. The people want Prohibition to be continued.

Prohibition is enforced by the Police. The Police report that Prohibition is being enforced successfully. The people want Prohibition to be continued.

Demand II—State Excise Duties.

1st August 1955 [Sri T. Veeraraghavulu]

BUDGET FOR THE YEAR 1955—56

The State Excise Duties are levied on toddy juice to control its sale and purchase. The scheme is based on the principle that toddy juice should be marketed in a regulated manner. The scheme aims to regulate the sale of toddy juice and to ensure its availability at fair prices. The scheme is expected to promote the production and consumption of toddy juice, thereby increasing the revenue for the State.

In 1955, the scheme was implemented in a pilot mode, and the results were encouraging. The scheme was later extended to other areas, and the revenue generated from the toddy juice industry has been significant. The scheme has also helped to control the black market of toddy juice and to prevent the illegal sale of toddy juice.

The scheme has been successful in controlling the sale and purchase of toddy juice, and it has been well-received by the public. The scheme has also helped to generate revenue for the State and to promote the production and consumption of toddy juice.

The scheme has been extended to other areas, and the revenue generated from the toddy juice industry has been significant. The scheme has also helped to control the black market of toddy juice and to prevent the illegal sale of toddy juice.

Demand II—State Excise Duties.

[1st August 1955]

Sri T. Gopalakrishnayya Gupta]
Vocing of Demands for grants (Contd.)

Demand II—State Excise Duties.

1st August 1955] [Sri T. Gopalakrishnayya Gupta

The Hon'ble Minister for Prohibition, Excise and Revenue, had a great deal of information at his disposal, and it was in the best interest of the Government to have the matter discussed.

He stated that the current practice of criminal powers was not sufficient to control the illegal activity. The Government had taken steps to curb the practice, and the prohibition superintendent had been instructed to take strict action.

The Hon'ble Minister also mentioned the border States and the smuggling issue, which was a serious concern.

The Hon'ble Minister concluded by expressing the Government's commitment to control the illegal activity and to ensure the safety and security of the State.
SRI S. RANGANATHA MUDALIAR : Mr. Deputy Speaker, Sir, when I listened to the speech of Sri A. Kaleswara Rao, I was reminded of the great enthusiasm among the Congress people at the time when the policy was initiated by the composite Madras Government. But I wish to submit that Mr. Kaleswara Rao does not represent the Congress opinion as it is. From a perusal of the Ramamurthi Committee Report, I find a number of names of Hon. Gentlemen, who are members of this House at present, who have given the opinion that Prohibition as a policy is a failure. The only way to turn away the addicts from the drink evil is by educating them and improving their economic condition, as there is no moral urge on the part of the public to put down Prohibition. Most of the Hon. Members when they gave their opinion to the Ramamurthi Committee, gave their considered opinion from their convictions. On the question whether Prohibition was responsible for such malpractices as illicit distillation, smuggling and consumption of other deleterious substances, they gave a unanimous opinion that the old toddy was replaced by an injurious illicit arrack and other pernicious drinks and that by the Prohibition policy the standard of living of the drinking classes has not improved even in the least. They said it, and it is the opinion of great men like Dr. Lanka Sundaram and Sri Pappu Somasundaram about whose motives nobody can say anything.

AN HON. MEMBER: They are not Congressmen.

SRI S. RANGANATHA MUDALIAR: What about Congress members who are here in this House who gave their unconcealed and emphatic opinion that the Congress policy, so far as Prohibition was concerned, was a failure. Never mind about Dr. Lanka Sundaram and Sri Pappu Somasundaram. The condition, according to the opinion of the Congress members, is just as it was before; if not worse; the health of the people has worsened and their economic condition has become still worse. The reasons why the general
public do not give their active support to the Prohibition policy, have been analysed by the Ramamurthi Committee and they have been incorporated in the letter sent to the Government of India and which has been placed on the table of the House. These reasons have been extracted from the Ramamurthi Committee Report and enumerated on page 8 of that letter and I do not want to repeat them here. According to that report, the enthusiasm even among the Congressmen has considerably cooled down and the apathy and indifference of the public in regard to this Prohibition is notorious. What is the method adopted by this Government? This Government, unfortunately, seems to have a pathetic belief in coercive legislation and more coercive enforcement of that legislation. It is a known fact that coercive legislation leads only to demoralization among the offenders and criminals become hardened by more severe fines and more severe terms of punishment. In view of the persistent demand of recent times for more and more reformatory schools and in the view of the demand that even jail administration must be given to the Welfare Department, there is absolutely no use in resorting to coercive legislation.

The other alternative that is contemplated by this Government seems to be the allurement of neera, neera societies or neera shops. If the Government were to adopt that policy, it will be only suicidal. So far as Andhra State is concerned, neera is not known among the people even as a drink and it may not be so popular as it is in Tamil Nad. Secondly, neera has its own season, i.e., February to May. What will the people do after the neera season is over? They will resort to illicit arrack. And all neera that may be produced may not be sold. What about the surplus? It will have to be destroyed. And who is to supervise that destruction? A separate establishment may be necessary and separate establishment means additional cost to the State which has already a deficit budget. Therefore, my submission is that a graded Prohibition policy or some other alternate
method will not be unconstitutional. Even the directive principle of the Constitution is not that Prohibition must be taken up immediately, but Prohibition should be the ultimate goal of the Government. Even Gandhiji suggested only a constructive method of approach in regard to Prohibition policy and that is adopted by several States. And human nature being what it is, in Andhra or in Madras it is no better nor worse than anywhere in the world and there is no use expecting the addicts to get reformed by means of legislation and by coercive measures we cannot expect to effect any improvement. On the other hand, I would submit, the Government may resort to a method of constructive line of endeavour, viz., by starting Statewide temperance programme and organization, and educate the lower middle classes and poorer classes which will give them dividends in the long run.

Thank you, Sir.

Voting of Demands for Grants (Contd.)

Demand II—State Excise Duties.

[Sri S.K.V. KRISHNA VA THARAM:—Aggrieved, to Demand II

The fact that excise duties are paid for the year 1955—56. Under the provisions of the Excise Act, the Government is entitled to take action against any excise contraband. In 1952 the Sri S.K.V. Krishna Vatharam submitted a report on prohibition and political parties as a result of the enquiry into the matter. The report was submitted to the authorities. In 1954, the Sri S.K.V. Krishna Vatharam took action against the excise contraband, and the Sri S.K.V. Krishna Vatharam recommended the appointment of police staff to investigate the matter. The Sri S.K.V. Krishna Vatharam suggested the encouragement of prohibition and medical officers to investigate the matter.
Sri S. K. V. Krishnavatharam] [1st August 1955

Demand II—State Excise Duties.

Sri P. VENKATARAVANAPPA :—(Sd.)

around. It is desirable to have the necessary permits emanating from the Department for the sale of liquor. However, in view of the fact that the State Excise Department is under the control of the Government, and the permission to sell liquor is given by the Government, it is felt that the Government should be consulted regarding the inclusion of the State Excise Department in the section 346 of the Indian Excises Act. It is desired to include the following school curriculums in the Indian Excises Act:

1. Alfred Scott’s School
2. British School
3. English School
4. Madras School

It is also desired to include in the section 346 of the Indian Excises Act the following departments:

1. Sanitary Inspectors
2. Police
3. Special Police
4. Control

The above departments are also desirable to be included in the section 346 of the Indian Excises Act.

SRI P. VENKATARAVANAPPA :—(Sd.)
Demand II—State Excise Duties.

1st August 1955]

[Sri P. Venkataravanappa

The Prohibition Department is responsible for implementing excise duties. The necessary equipment for this purpose is available in the department. However, some challenges are faced in enforcing the law. The demand for additional funds is justified to ensure effective enforcement of excise duties.

SRI G. BUSSANNA: The prohibition police, local police, and the Prohibition Department are under the leadership of the Prohibition Commissioner. The formation of the police is under the supervision of the Commissioner. The local police and the Prohibition Department are responsible for enforcing the excise laws in their respective areas.

The Sub-Inspectors are the backbone of the Prohibition Department. They are straight and honest in their duties. The department has been effective in enforcing the excise laws.

Additional funds are necessary to ensure the smooth functioning of the Prohibition Department. The demand for additional funds is justified.
BUDGET FOR THE YEAR 1955-56.

Voting of Demands for Grants (Contd.)

Demand II—State Excise Duties.

1st August 1955

[Sri A. B. Nageswara Rao

Sri PILLALAMARRI VENATESWARLU :—In my view, it is in the interest of the public to have excise duties re-organized on a sound basis. Prohibition is a continuance and not a reform. It is the duty of the Government to show the people how excise duties can be re-organized. It is an open fact that Prohibition is not working satisfactorily. 

The Hon. Sri A. B. NAGESWARA RAO :—It is a well-known fact that the excise duties are not being collected properly. To make the collection of these duties more effective, the Government may consider the following points:

1. Conduct a referendum in all the villages and report the results.
2. The United Congress Legislature party manifested its support in the employment question and the ex-tappers employment question. The plank of the party was that 196 to 143 should be 196. United Congress Legislative Party expressed its support for the referendum and referred to the matter.

Voting of Demands for grants (Contd.)

Demand II—State Excise Duties.

[1st August 1955]

SRI VAVILALA GOPALAKRISHNAYYA:— United Congress Party 3rd Vice-Pres., rendered the following speech—

"It is refreshing to note that the demand for excise duties is being considered. It is a matter of some pride that our party, through the years, has contributed to the development of the state. We stand by our principles and we stand up for our ideas."

Mr. SPEAKER:—He expressed his opinion not as a Minister but as an individual.

The Hon. SRI A. B. NAGESWARA RAO:—Public support is vital. The support of the people in 1921 was overwhelming. The people's support is crucial. The referendum of 1921 was a referendum of the public's support. It was a referendum of the people's will. The referendum of 1921 was a referendum of the people's choice. The referendum of 1921 was a referendum of the people's mandate. The referendum of 1921 was a referendum of the people's right to choose. The referendum of 1921 was a referendum of the people's freedom to choose.

Central Land Mortgage Bank etc. etc. etc. 56 Primary Land Mortgage Banks are notified. The Land Mortgage Banks are customarily 56. Any 20 or any 30 of them can be closed at the discretion of the Banks. The Central Land Mortgage Bank and 56 Primary Land Mortgage Banks are entitled to Short Term loans, Medium term loans and Long term loans etc. The Society for the development of agriculture etc.

The Co-operative Central Land Mortgage Bank and 56 Primary Land Mortgage Banks are entitled to Short Term loans, Medium term loans, and Long term loans etc. The Society for the development of agriculture etc.

The Co-operative Central Land Mortgage Bank and 56 Primary Land Mortgage Banks are entitled to Short Term loans, Medium term loans, and Long term loans etc. The Milk Supply Societies, Handloom Weavers Societies, Consumers Societies, Students Stores Societies, Sugarcane Growers Societies, Marketing or Sales Societies, Fruit and Vegetable Societies, Poultry Farms or Egg Production Societies, Bee Keeping Societies, Fishermen Societies, etc. etc. etc.

The Milk Supply Societies, Handloom Weavers Societies, Consumers Societies, Students Stores Societies, Sugarcane Growers Societies, Marketing or Sales Societies, Fruit and Vegetable Societies, Poultry Farms or Egg Production Societies, Bee Keeping Societies, Fishermen Societies, etc. etc. etc.

Labour Contract Societies, Field Labour Cooperative Societies etc. P. W. D. etc., Municipalities etc., District Boards etc., Labour Contract Societies etc. etc. etc.

Labour Contract Societies, Field Labour Cooperative Societies etc. P. W. D. etc., Municipalities etc., District Boards etc., Labour Contract Societies etc. etc.
Field Labour Co-operative Societies are essential for the well-being of the rural economy. They provide necessary services to the farming community and help in the development of the rural sector. Therefore, I propose the following:

1. Support for the establishment of new field labour co-operative societies
2. Assistance for the development and modernization of existing societies
3. Implementation of a comprehensive training program for the society's leaders and members

I request the government to allocate a sum of Rs. 2,358,000 for these purposes. This amount will help in the efficient functioning of the field labour co-operative societies and ensure the welfare of the farmers.

Voting of Demands for Grants (Contd.)

Demand XX—Co-operation

1st August 1955

[Sri D. Sanjivayya]

The Honourable the Governor of Madras is informed that during the last week of August, a deputation from the representatives of the All India Handloom Board visited the Madras Textile Mill to forward their demands for co-operation. The deputation was led by the President of the Board, Shri K. C. Nambiar, and was accompanied by several other members of the Board. The purpose of the visit was to discuss the problems facing the handloom industry and to seek the support of the Government in solving these problems.

The deputation made a presentation of their demands for co-operation, which included:

1. A guaranteed minimum price for handloom yarn
2. Assistance for the modernization of handloom units
3. Financial assistance for the establishment of co-operative societies for marketing handloom goods

The Governor was informed that the deputation had requested the Government to take urgent steps to implement the demands of the handloom industry. The Governor assured the deputation of his full support in this matter and asked the Minister of Labour to convene a meeting of the handloom industry representatives and the Government officials to discuss the demands further.

The Governor also expressed his confidence that with the support of the Government, the problems facing the handloom industry would be solved in the near future.
BUDGET FOR THE YEAR 1955-56.

Voting of Demands for grants (Contd.)

Demand XX—Co-operation

Sri D. Sanjivayya

[1st August 1955]

I am happy to support the Motion of Demand XX, Co-operation, as it is in perfect keeping with the Social Reconstruction Programme of the Government of the State. The annual expenditure on this Demand has increased from Rs. 36 lakhs in 1954-55 to Rs. 48 lakhs for the year 1955-56. This increase in expenditure is justified by the need to support further the Programme of Co-operation.

The Programme of Co-operation aims at improving the standard of living of the people by providing them with necessary facilities. The Demand includes expenditure on various projects such as:

1. Agricultural extension services
2. Animal husbandry
3. Fisheries
4. Forests

These projects will not only help in increasing the agricultural production but also in providing employment opportunities to the people. The increased expenditure is expected to yield better results in the years to come.

I, therefore, support this Demand with all my heart and hope that the Government will continue to allocate adequate funds for the Programme of Co-operation.
1st August 1955]

369

(357) SRI S. VEMAYYA: Sir, I beg to move:

To reduce the allotment of Rs. 56,37,300 for Co-operation by ... Rs. 100

Mr. SPEAKER:—The main demand and the cut motions are now before the House for discussion.
3-30 p.m.

Sri V. VISWESWARA RAO:—The co-operative societies in the country have been responsible for the growth and development of the co-operative movement. I am happy to note that the demand for grants for the co-operative movement has been increased from Rs. 3.30 lakhs to Rs. 3.50 lakhs. This increase will enable the co-operative unions to function better. As the co-operative movement is one for all, all for one, we should work together for the benefit of the members of the co-operative societies.

The agricultural labour credit societies have been working efficiently. The problem of agricultural labourers has been solved to some extent through these societies. It is hoped that the co-operative system will continue to be defect and will go on improving. The co-operative movement should be encouraged and supported by the government. The co-operative unions should be strengthened to meet the needs of the members. The co-operative movement should be made self-sufficient and self-reliant.

Multi-purpose Co-operative Credit Societies

The Hon'ble Member for Co-operation in the Assembly addressed the following:

Instituting Multi-purpose Co-operative Credit Societies

Sir, I have the pleasure of moving the following demands for grants:

1. Multi-purpose Co-operative Credit Societies

The principal object of these Societies shall be to provide credit facilities to the members engaged in agriculture, dairying, pisciculture, sericulture, etc., for their agricultural, dairy, piscicultural, sericultural, and such other purposes as may be specified by the Board of Directors. The Societies shall have power to undertake other activities as may be specified by the Board of Directors.

The demand for grants for the year 1955-56 is estimated at Rs. 35 lakhs. The grants are required to be used for the following purposes:

1. Establishment of new Societies

The demand for the establishment of new Societies is estimated at Rs. 20 lakhs. The grants are required to be used for the establishment of new Societies in various parts of the State.

2. Expansion of existing Societies

The demand for the expansion of existing Societies is estimated at Rs. 15 lakhs. The grants are required to be used for the expansion of existing Societies in various parts of the State.

3. Other purposes

The demand for other purposes is estimated at Rs. 5 lakhs. The grants are required to be used for the other purposes specified by the Board of Directors.

The demand for grants is estimated at Rs. 35 lakhs. The grants are required to be used for the purposes specified above. The demand is submitted for the approval of the House.

I beg to move.

Voting of Demands for grants (Contd.)
Demand XX—Co-operation

Sri Pragada Kotaiah]  [1st August 1955

Demand amounted to Rs. 90,000, is for the development of Field Labour Co-operative Societies in the State. These Societies are

constituted under the provisions of the Co-operative Societies Act, 1951. They are organized for the benefit of the field labourers, and their

main object is to provide them with credit facilities. The amount is to be used for the purchase of shares in the Central Bank, and for the acquisition of land and buildings for the purpose of starting new Societies or for the expansion of existing ones. The funds will also be utilized for the payment of salaries to the management and for the construction of new offices.

The demand is in consonance with the principle of self-help, which is the basis of the Co-operative movement. It is aimed at providing a

constitutional right to the farmers, and at enabling them to participate in the management of the Societies. The Board of Management will be

superseded by the Government in the interest of the farmers.

Our scheme of State participation is based on a rejection of the idea that co-operative credit is a closed enclave which has no organic connection with planning; it is also based on a recognition of the fact that State participation in Co-operation cannot stop short at an intermediate stage, but must be taken to its logical conclusion which is that of providing for the cultivator a strong and suitable superstructure such as can be effectively operated for his benefit through the financial, administrative and technical participation of the State.

THE Hon. SRI D. SANJIVAYYA :—I am pleased to announce that on 14th June, the Hon. Chief Minister of the State, the Hon. Smt. G. Janaki Amma, has sanctioned a grant of Rs. 35 lakhs for the State Co-operative Bank, for the construction of a new office building.

The amount sanctioned is in addition to the amount already sanctioned by the Government for the construction of the new office building. The total amount sanctioned is Rs. 48.83 lakhs.

The amount sanctioned is being made available to the State Co-operative Bank for the purpose of constructing a new office building.

The Hon. Smt. G. Janaki Amma has also sanctioned a grant of Rs. 50 lakhs for the construction of a new office building for the State Co-operative Bank.

The motion was carried and the grant was made.

DEMAND XLII—LOANS AND ADVANCES BY THE STATE GOVERNMENT.

The question is.—

'That Government be granted a sum not exceeding Rs. 4,79,05,500 under Demand XLII—Loans and Advances by the State Government.'

The motion was carried and the grant was made.

Mr. SPEAKER:—Sri P. Sundarayya has given notice requesting for a half-hour debate regarding distribution of banjar lands about which a question was put and answered
the other day. As we are having a debate on the Appropriation Bill, Sri P. Sundarayya might refer to it and the Hon. Minister for Land Revenue will reply. Even during the planning debate also, the Hon. Member may speak about it and I will request the Minister for Land Revenue to reply. Now that we are very hard pressed for time, it may not be possible.

The Hon. Sri K. Venkata Rao:—I would like to submit, Sir, that for purposes of Planning about which the booklet of schemes in Andhra will be distributed in about an hour at home or in the Assembly, Hon. Members may come prepared and speak on the general principles of the Plan and not about individual schemes. Another occasion will arise for them to speak it when the Plan after finalization is received from the Government of India.

Sri Vavilala Gopalakrishnayya:—

Mr. Speaker:—We shall stay longer. Planning debate will be for two full days minus the Appropriation Bill.

Sri Vavilala Gopalakrishnayya:—The Government are not very particular about that bill.

The Hon. Sri B. Gopala Reddy:—Sir, on 3rd and 4th, only Planning debate will take place.

Sri M. Nagi Reddi:—

Mr. Speaker:—We will consider it later.

The House will now adjourn and meet again at 11 a.m. on Wednesday, 3rd August, 1955.

The House then adjourned.
