(a) the number of Neera Co-operative Societies started after 1-7-1955 as per G. O. No. 1466 Revenue Department dated the 30th June 1955; and

(b) whether licences have been granted to all of them to draw Neera?
1st March 1956]

The Hon. Sri A. B. NAGESWARA RAO :—

Clause (a):

In pursuance of the orders issued in G. O. Ms. No. 1466, Revenue dated 30-6-1955, permission has so far been accorded to register 34 neera and palm-jaggery co-operative societies of which 15 societies have been registered.

Clause (b):

27 licences to sell neera were issued to Vemavaram Neera and Palm-jaggery Society in Tuni Taluk in East Godavari District. Action is being taken by the Deputy Registrars concerned for the issue of licences in other places in consultation with the concerned Collectors.

“Formation of Neera Societies”

422—

*S 557 Q.—Sri A. BHAGAVANTHA RAO: Will the Hon. the Minister for Local Administration and Prohibition be pleased to state:

(a) Whether there are proposals with the Government for the formation of “Neera Societies”; and

(b) whether the Government have issued instructions for the formation of “Neera Societies” and if not, the reasons therefor?

The Hon. Sri A. B. NAGESWARA RAO :—

(a) and (b):

The Government have recently sanctioned the registration of 50 new palm-jaggery manufacturing co-operative societies in the State during the financial year 1955-56. So far proposals for the formation of 34 societies have been approved by Government. In view of the delay involved, the Government have issued instructions to the Registrar, the Board Member and the Inspector General of Police to see that the formation of the remaining 16 societies is completed before 31-1-1956 itself.

The delay in the registration of societies is due to the delay in obtaining the consent of the Police or Prohibition (Enforcement) Department for the formation, as those Departments are in charge of “Enforcement” work.
Sri PRAGADA KOTAIAH:— It is true that prohibition is being enforced in various departments, but I think it is necessary to consult the departmental heads before issuing licences. Enforcement of prohibition is a matter of consultation with the departmental heads, and licences should be issued only after consultation. The Inspector-General of Police and the Registrar of Co-operative Societies have also issued instructions on the matter.

The Hon. Sri A. B. NAGESWARA RAO:— It is true that showing of licences is not possible, but licences should be renewed after consulting the departmental heads. Enforcement of prohibition is a matter of consultation with the departmental heads, and licences should be issued only after consultation. The Inspector-General of Police and the Registrar of Co-operative Societies have also issued instructions on the matter.

(b): Out of the 692 Palm Jaggery Co-operative Societies, licences were issued to 462 Societies as on 1-9-1955. There are two reasons why licences were not issued to all the Societies in the State. The first and the main reason is that the Enforcement Department did not recommend the issue of licences to some of the Societies, taking into consideration the number of prohibition offences committed in the area and the other reason is that the members of some of the societies did not apply for licences as they found that the manufacture of palm jaggery was not remunerative in view of the low prices fetched by it.

(c): 4,98,377 Maunds of palm jaggery was produced during the year 1954-55.

(c) whether these societies are affiliated to the Central Banks;

(d) whether the Central Banks are granting loans to them;

(e) if not, how these societies are working; and

(f) whether the Government propose to grant any loans to these societies?

The Hon. Sri D. SANJIVAYYA:—

(a): Yes, Sir. With a view to provide employment to the landless poor, the Government have been encouraging the formation of Labour Contract Co-operative Societies. During the Second Five Year Plan period, it is proposed to organise 15 labour Contract Societies. To enable the Labour Contract Co-operative Societies to obtain contracts without competition from contractors and others, Government have ordered that works relating to the Public Works Department, District Boards, Irrigation and Highways Departments, whose estimated cost does not exceed Rs. 2,500/- in each case, should be given to Labour Contract Co-operative Societies at their estimated cost without calling for tenders. The question of granting further concessions to these societies is under the consideration of Government.

(b): There are 44 Labour Contract Co-operative Societies in the State.

(c): Yes, Sir.

(d):—The Central Banks have been assisting these Societies with finance to pay earnest deposits besides making advances towards the work. The Chitvel Labour Contract Society in the Cuddapah District and the Panduvagandi Reservoir Labour Contract Co-operative Society have executed large contracts with effective financial aid from District Banks.

(e) Out of 44 Societies as on 30-6-1955, only 14 societies were able to obtain contracts and they executed the contracts either with their own funds or with the loans obtained by them from the Co-operative Central Banks. 16 Societies could not secure any work, while the remaining 14 societies were dormant either for want of sufficient funds or due to the disinterestedness of the Panchayatdars. With a view to help the societies which are dormant for want of funds, the Registrar of Co-operative
Societies has proposed the grant of subsidies to eight of such societies and the proposals are under the consideration of Government.

(f) In respect of the societies to be newly formed, provision has been made in the Second Five Year Plan for the grant of interest-free loans at the rate of Rs. 2,500/- to each society towards working capital, repayable within a period of ten years out of the profits earned by them.

Council rates ने fix दिया है council ने लगाया. Council में मत्रात्मक बुलोकोट करखाने ४ मास होते हैं वहां नियंत्रण करना होता है. यदि किसी नहीं करखाने की नीति कोई तथा, तो २, ३ राष्ट्रीय नियंत्रण करखाने वाले वाले वाले ही हैं यह सभी नहीं वाले हैं. मंत्री council ने कहा. अर्थात् यदि निर्णय करने वाले fix किया है, तो अग्नि में कोई नियंत्रण करना नहीं है और option दी जाएगी.

वर्तमान में बुलोकोट करखाने के लिए excess tax Municipality pay करना है. Municipality में निर्माण करखाने २ मास तक तय रहने है. २ मास तक अग्नि करखाने हैं तो अग्नि करखाने केंद्र में, contractors हेडक्वर्टर के अधिकारी में अपना वर्तमान में Municipality के लिए २ मास तक तय रहने है. अर्थात् लोगों द्वारा संवाद में, अर्थात् किसी की निर्माण २ मास पर समय दिया जाएगा. इस रूप से अग्नि करखाने के मुकाम में tax को Municipality के लिए Government orders करना है. अर्थात् अग्नि करखाने वाले volience करने हैं, तो वे किसी तरह से कोई भी नाम करखाने के लिए, जिस कक्ष में निर्माण करखाने हैं तो उन्हें मुक्ति दी जाएगी. यदि taxes दिया है तो मुक्ति ही माना जाएगा मान्यता (स्वाभाविक संतुलन), अर्थात् अनियंत्रित अनुभव नहीं करखाने के लिए अधिक करखाने के लिए. इसके लिए अदालत में यह करखाने के मुकाम में cart stand के लिए option मिला है. Cart stand के तौर पर cart stand के लिए १७ महीने, अधिकतम २८ महीने तक अधिक हुआ हो सकता है. यदि Section २७० का प्रयोग हो तो commodities अन्यथा किया जाएगा
