Andhra Pradesh Legislative Assembly

ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Wednesday, the 13th August, 1958.

The House met at Half Past Eight of the Clock.

(MR. SPEAKER IN THE CHAIR)

QUESTIONS AND ANSWERS

(See Part I)

Point of Information Re: Supply of Copies of the
Hanumantha Rao Committee Report.

Mr. Speaker: The hon. Deputy Chairman of the Legislative Council has come here. So, we all welcome him here and we are all glad. He is sitting and nothing how we are conducting the proceedings of the House.
[13th August, 1958]

Mr. Speaker: The House will remember that a Protest has been filed against the inadequate arrangements in the President's Gallery and the Speaker's gallery. We shall examine and try to make better arrangements.

Mr. Speaker: I shall put it before the Business Advisory Committee.

Mr. Speaker: (The Speaker): The matter is being referred to the Business Advisory Committee. How about a second reading?
PRIVILEGE MOTION RE: REMARKS ALLEGED TO HAVE BEEN MADE BY THE CHIEF MINISTER AT KOILKUNTLA

13th August, 1958]

M. B. Subbareddi: Privilege motion.

PRIVILEGE MOTION RE: REMARKS ALLEGED TO HAVE BEEN MADE BY THE CHIEF MINISTER AT KOILKUNTLA.

(Sir) Mr. Speaker: 12-5-1958 Sir, listen. First of all, it is, I understand, a privilege motion. On 13th August, 1958, the Chief Minister, in his speech at Koilkunta, alleged that I made certain remarks which I had to stop because, Sir, as I say, there is nothing else. Therefore, Sir, I am ruling this as out of order.

Sir. M. B. Subbareddi: Privilege motion.

M. B. Subbareddi: The Chief Minister, Sir, the M. V. Subbareddi in his speech yesterday made a very irrelevant and confused attack on the Chief Minister. Therefore, I had to stop it. Except that, there is nothing else. Therefore, Sir, I am ruling this as out of order.

Sir. M. B. Subbareddi: As you know, Sir, the Chief Minister alleged that I made certain remarks in his speech yesterday which I had to stop. Therefore, Sir, I am ruling this as out of order.
On a point of order, Sir, is it not true that the Chief Minister at Koilkuntla?

The Speaker: On a point of order, Sir,

Leader of the House: On a point of order, Sir,

Hon'ble Member: The Leader of the House

Leader of the House: The Leader of the House...

Leader of the Opposition: Serious...

Leader of the Opposition: Irrelevant.

The Speaker: Irrelevant. I, as the Speaker, give my ruling that the whole discussion yesterday was irrelevant. There is no matter for privilege in this. I disallow this motion.

Leader of the House: Privilege motion so rule out accordingly.

Leader of the House: Leader of the Opposition...
PRIVILEGE MOTION RE: REMARKS ALLEGED TO HAVE BEEN MADE BY THE CHIEF MINISTER AT KOILKUNTLA

13th August, 1958]

Leader of the House Leader of the Opposition

Sri E. Ayyapu Reddi (Nandikotkuru - General): We are not able to follow on which subject the Leader of the opposition is speaking.
130 PRIVILEGE MOTION RE: REMARKS ALLEGED TO HAVE BEEN MADE BY THE CHIEF MINISTER AT KOILKUNTLA

[13th August, 1958]

Sri E. Ayyapu Reddi: We are not able to follow the Leader of the Opposition as to on what topic he is speaking. The hon. Speaker has already ruled out the privilege motion. Yesterday the whole subject was discussed...

Mr. Speaker: Mr. Ayyapu Reddi will please take his seat.

Sri P. Venkatasubbayya: (Rajamepet-Reserved) On a point of clarification, Sir.

Mr. Speaker: No clarification now. Please sit down.

Sri B. V. Subba Reddi: (Koilakuntla) On a point of order, Sir. I take exception to the remark of the hon. Speaker that my statement was an irrelevant one, because I am a practising lawyer and I know what is relevant and what is not relevant. I take objection to the remarks of the hon. Speaker. Then, there is another point. Sri N. Sanjeeva Reddi was saying that he went to Koilkuntla in his individual capacity as a Congress Leader. But, I cannot understand why the police, the armed reserve police, and a number of officials, all of them, came along with him if he came in his individual capacity. He came as Chief Minister escorted by them and he made the remark. I feel, and every Member of this House feels equally as myself, that the privileges have been violated by such a speech.

Mr. Speaker: Thank you. Let us proceed to the next item on the agenda.

Sri P. Venkatasubbayya: Since you have allowed him, please allow me also to speak on a point of clarification.

Mr. Speaker: No.

Sri P. Venkatasubbayya: I will cite an incident which happened in the Madras Legislative Assembly.

Mr. Speaker: Please sit down. Otherwise I will ask you to withdraw.

Therefore I do not allow anybody else to speak now.
13th August, 1958]

Sir B. V. Subba Reddi: I have got Express Newspaper cutting with me now.

Sri E. Ayyapu Reddi: Sir, you are giving time and occasion for people who violated your orders. For people who want to raisea point of order or point of information, the Speaker is not giving time. As a matter of fact, when a ruling is given by the hon. Speaker, it has to be obeyed, but those people who have disobeyed your order are given time and occasion. I protest against this type of rulings.

Mr. Speaker: You are committing contempt of the Speaker. You are imputing the Speaker with partiality and improper behaviour. Therefore, will you please withdraw those words, or shall I ask you to get out?

Sri E. Ayyapu Reddi: What is it I have to withdraw?

Mr. Speaker: I do not want to allow such things that the Speaker is allowing some members ....

Sri E. Ayyapu Reddi: I have merely brought to the notice of the hon. Speaker that the rulings given by the Speaker are being violated by Members.

Mr. Speaker: You should not talk like that here. If you have anything to say, you can talk to me in my Chamber.

Sri E. Ayyapu Reddi: I am only bringing to the notice of the hon. Speaker......

Mr. Speaker: You must withdraw those words.

Sir E. Ayyapu Reddi: Sir, I have no objection to withdraw those words. I am only bringing to the notice of the Speaker the general feelings of the Members of the House. When the Speaker gives a ruling it has to be obeyed, let it be Leader of the Opposition or the Leader of the House.

Sri P. Sundasayya: Let it be Sri Ayyapu Reddi himself.

Mr. Speaker: I have allowed Mr. Subba Reddi because it is he that raised this subject in the begining. Therefore, there is no point of order now. Let us see when the question comes up again in a proper manner.

Sri E. Ayyapu Reddi: Simply because that it does not come under the ruling given by the Speaker, the very same thing is being
discussed and it is not a different thing. Saying that it does not come under the ruling given by the hon. Speaker, at the same time members are going on repeating it as it pertains to the whole discussion in general.

Mr. Speaker: It is in my discretion to allow, and I have allowed it.

Leader of the House: "Leader of the House: 'It is in my discretion to allow, and I have already withdrawn.'"

Privilege motion: "Mr. E. Ayyapu Reddi: As per your ruling, has Mr. E. Ayyapu Reddi withdrawn the statement?"

Mr. Speaker: Yes, he has already withdrawn.

Mr. Speaker: No.

Mr. Speaker: You have raised that point and I shall consider it.

MOTION ON ADDRESS BY THE GOVERNOR

[Following text in Urdu]
Mr. Speaker, Sir, I would like to make certain observations in connection with the Motion of Thanks to the Governor for his address which is before us for discussion. At the outset I would like to submit that the Address given the other day by the Governor contains some bald outlines of our programmes and also of our activities in the various fields of reconstruction work. I am glad that the Governor in his Address has been kind enough to give us a correct appraisal or assessment of our progress and of our work. As the time given to me is very very limited, I propose to deal only with some of the important and salient features of the Address.

In the first place, I would like to submit that in the field of planning, our achievement is really something of which we can take legitimate pride. As a matter of fact it is only very recently, though not late, that we have taken a measure in the field of decentralisation of power. It is a very important measure and it is a very desirable step which will take us on our onward march to progress. As an experimental measure we have decided to set up Panchayat Samithis in almost all Districts, one in each District. This helps us to see that the local men get the initiative and the question of responsibility has been for the first time given to the man in the village and it really goes a long way in making our plan successful because I find wherever I go in the rural places there is a tremendous amount of change in the atmosphere in the basic outlook on life. They have become, in one word, plan-minded; they do not any longer stand on Government help or any other help; they want to do things themselves and are taking legitimate pride in doing certain things by themselves and they are willingly co-operating with our planning work. That is a splendid achievement under the able stewardship and the unparalleled statesmanship of our Chief Minister. I hope and trust that our feet will be set, firmly on the road to progress and in a very short time we shall be able to get over most of our hurdles.

In the field of foodgrains, no doubt we are facing a problem, but I do not think it is an impossibility to get over the problem although it is a herculean task and we have got to put our shoulder to the wheel. I hope we shall be able to satisfactorily tackle the problem.

In the field of Education also, we have done something. As a matter of fact, Government have rightly decided to take over the management of elementary schools and as an experiment we have tried it in Visakhapatnam and steps are being taken to expend this experiment to other Districts, for instance Anantapur.
13th August, 1958]

In the field of ameliorating measures and social welfare schemes also, we have done something. Here, I cannot but mention the splendid work we have done in respect of ameliorating the conditions of the scheduled castes and tribes. As a matter of fact, the other day I was very happy to hear that in the matter of selections for admission to Medical and Engineering Colleges, 60 or 65 per cent Marks was taken as the basic qualification even in respect of Harijan candidates. That shows that most of the Harijan boys are coming up inspite of so much of competition; there is considerable advancement in the scheduled casts and scheduled tribes. I was really surprised to hear that because of the excellent facilities afforded to them in the field of education, Harijans have been coming to the forefront. For that, I place myself under a heavy debt of gratitude to Government and I hope and trust that very soon we shall be able to achieve a socialistic pattern of society.

As regards land reforms, I do not wish to touch the subject now. I refer of my views on the subject and shall express them when the subject comes up before the House in the shape of a Bill.

Thank you, Sir.

Nominal muster roll & Temporary & Workcharges & Workcharge
basis Categories Local Boards' employees & Municipal Employees & Pay Scales, emoluments & Pay committee & Opposition Party & Non - Gazetted Officers & 

To the Hon'ble Governor of the State of Karnataka,

This is to bring to your notice that there is a gross discrepancy between the nominal muster roll and the temporary workcharges as well as the workcharge on the basis of categories.

The Local Boards' employees and Municipal Employees have been working on various grades and categories without any increase in their pay scales and emoluments. The Pay Committee has already recommended an increase in their pay scales and emoluments. However, the Opposition Party has not supported this recommendation.

Sincerely,

MOTION ON ADDRESS BY THE GOVERNOR

I have withdrawn that proposal. It is an unpopular measure. I have public support for it. It is expected to be passed, as it is an unpopular proposal.
13th August, 1958

In the House of the Legislature (Andhra Pradesh),

Hon'ble members,

I am pleased to present the Governor's Address.

In this Address, I would like to discuss the agriculture sector, which is the backbone of our state. The black cotton area has been identified as a key area for agricultural development.

The black cotton area is known for its high-quality cotton, which is grown during the monsoon season. The yield is around 10-20 quintals per hectare.

The government has been working closely with farmers to improve their productivity. Various measures have been taken to provide them with the necessary inputs and support.

In addition, forest areas are being protected and managed to ensure sustainable use.

In conclusion, I urge all members to support the efforts of our government to make our state a hub for agricultural development.

With these words, I present the Governor's Address.

The Governor's small savings account may be increased. T. C. C. presidents function as unofficial tahsildars or类似, effective during the current financial year. A proper economy may be maintained. It is to be noted that the Governor has been informed, through the Ministry of Finance, of the recent decrease in the value of the rupee.

Council has ordered that the recent decrease in the value of the rupee be credited to the Governor's account. This order is in line with the recommendation of the Vigilance Committee on the Governor's account and follows the recent decrease in the value of the rupee.

Individual cases of increased savings do not have a direct impact on the overall economy. However, Intensive cultivation is encouraged. Extensive cultivation is discouraged.
