If the Speaker is of opinion that the question is of an urgent character, he may direct that an enquiry may be made from the Minister concerned, if he is in a position to reply and, if so, on what date. Am I in a position to reply on the 30th? I am not in a position to reply on the 30th.

It must come in the usual course and the hon. Ministers are expected to give such information as is possible, within as short a time as possible.

Sri R. B. Ramakrishna Raju: What is the usual course for short notice question?

What I have written earlier cannot be revoked.
I have absolutely no objection. Please follow the rules. We will simply say whatever information is available. We have absolutely no objection. Please follow the rules strictly.

Other things cannot be treated as short notice questions.

(At this stage, many Members rose in their seats to speak)
Mr. Speaker: I shall consider about it.

Mr. Speaker: Sir, on the recommendation of the Governor, I beg to move:

“That the Government be granted a sum not exceeding Rs. 46,96,400 under Demand No XXXVI - Local Administration”.

Mr. Speaker: Motion moved.

BUDGET - DEMANDS FOR GRANTS

Block Councils as statutory bodies in their areas. They were established under the White Paper of 1956. The Block Councils are similar to the Block Councils of Madras Local Boards Act. Executive Order of 1957 was issued to regulate the affairs of the Block Councils. The law department issued an Amending Bill for the Madras Local Boards Act. A similar opinion was given by the Law Department. The Amending Bill was passed in the Assembly. Education was increased to 300, Health Education to 800, Elementary Schools to 8,854, High Schools to 800, Maternity Homes to 700, Medical Dispensaries to 700.

Local Administration is the responsibility of elected bodies. Nominated bodies are Commissioners and Chief Executive Officer. Councillors of Municipalities and elected bodies need to understand the cooperation and coordination. Local planning, urban design, public health, and sanitation are administered by the Chief Executive Officer. A conference of councillors is convened by the Chief Executive Officer. The Integrated Municipal Act gives unified control in the hands of the Chief Executive Officer. Octroi and levy of integrated Act are levied by the Chief Executive Officer.

Motor vehicle compensations in 1955 were Rs. 1.40 lakhs. Andhra Chamber of Commerce, individual councils, and Brake Chamber of Commerce revised the rates.

Cantonment area is 26 million. The demand for grants for the year 1958-59 is Rs. 31.4 crores. This includes Rs. 26.5 crores for the Cantonment areas and Rs. 4.9 crores for other areas. The demand for grants for the year 1957-58 was Rs. 29.9 crores. The increase in grants is due to the increase in the cost of living and the need for additional funds to meet the increasing demands of the Cantonment areas.

Administration and efficiency are of utmost importance. The Corporation has been asked to ensure that the funds are utilized in the most efficient manner. The Administration has been asked to ensure that the Corporation is functioning efficiently. The Corporation has been asked to ensure that the water supply and drainage system is efficient. The Corporation has also been asked to ensure that the slum clearance is carried out efficiently.

The Corporation has been asked to ensure that the local bodies, ministers' conference and the local government are functioning efficiently. The Corporation has also been asked to ensure that the local government is functioning efficiently.
interference in the Local Bodies of various associations. It is essential to ensure that the interests of the public are not compromised. In this context, it is important to review the guidelines for the distribution of funds to ensure that they are in line with the needs and priorities of the communities. Any deviation from these guidelines should be considered a deviation from the public interest. It is crucial to maintain transparency and accountability in the allocation of funds to prevent any form of corruption or misuse of resources. The government should also ensure that the funds are used efficiently and effectively to address the developmental needs of the communities.

The government should also consider the impact of its policies on the local bodies and ensure that there is no interference in their functioning. It is important to have a clear framework for the distribution of funds that ensures that the local bodies have the autonomy to decide on how to use the funds. Any intervention by the central government should be done in consultation with the local bodies to ensure that it aligns with their priorities and needs. It is also important to have a mechanism for monitoring the use of funds to ensure that they are being used for the intended purposes.

In conclusion, the government should ensure that the funds are distributed in a fair and transparent manner. The guidelines for the distribution of funds should be reviewed and updated regularly to ensure that they are in line with the needs and priorities of the communities. The government should also ensure that there is no interference in the functioning of the local bodies and that any intervention by the central government is done in consultation with the local bodies. It is crucial to have a mechanism for monitoring the use of funds to ensure that they are being used for the intended purposes.

The Hon'ble Governor, 
Sri P. V. Rajam, I.A.S.,
Governor of Madras,

To the Hon'ble Governor,

Sri T. Sundarayya, I.A.S.,
Chief Minister of Madras,

On the 26th March 1958,

Subject: Demands for Grants

The Governor is pleased to note that the demands for grants presented by the Chief Minister for the year 1958-59 have been approved by the legislative assembly.

The demands are for the following:

Class I
Amount: Rs. 215,000

Class II
Amount: Rs. 0.058

The demands are in accordance with the provisions of the Madras Panchayat Act 1950 and the Hyderabad Village Panchayat Act 1956. The demands are to be examined by the Law Department and integrated in the budget for the year 1958-59.
364 26th March 1958  Budget - Demands for Grants

The total amount is 1,86,00,000 as per the budget. The total expenditure is 1,08,00,000

which is as follows: 25,000 rupees for salaries, 12,390 rupees for rent, 11,800 rupees for

repairs, 19,800 rupees for contingencies, and 75,000 rupees for other items. The
total expenditure is 108 rupees for salaries, 12,390 rupees for rent, 11,800 rupees for

repairs, 19,800 rupees for contingencies, and 75,000 rupees for other items. There is

a deficit of 76,000 rupees, which is due to the removal of the existing deficit.

The total expenditure is 2,000 rupees, which is not financially viable. The deficit

is to be removed in the future. The total expenditure is 2,000 rupees, which is

not financially viable. The deficit is to be removed in the future.

Municipalities or proportionate allotment of 125 sections. In addition, 15 municipalities have a maximum profession tax. For these 15 municipalities, maximum profession tax is imposed, along with other applicable charges. The maximum profession tax is adjusted as per the provisions of the Municipal Act.

Municipalities are proportionate to the proportion of the population they represent.

The Municipal Act allows for a maximum profession tax. Municipalities are required to assess and collect this tax. The maximum profession tax is determined based on the population of the municipality. The tax is collected annually and is subject to amendments as necessary.

As per section 77 of the Municipal Act, Local Administration Demand & Local Administration Demand items are included in the budget memorandum. (1) contributions (2) charges in connection with the Village Panchayat Act; and (3) Miscellaneous and unforeseen charges. Municipal Act and the Composite Madras State Act may be amended to integrate laws and promote integration of laws.

Local Administration Demand includes: eye-wash, waste paper basket, water supply, and drainage schemes. Municipal Act may be amended to allow separate sections.

Composite Madras State. Municipal Act may be amended to allow separate sections.

The Indian Institute of Science

To the Secretary

The Indian Institute of Science

The 26th March 1958

Sirs,

We, the Directors of the Indian Institute of Science, are writing to you with reference to the demands for grants for the year 1958-59. The Institute is in the need of an increase in its financial resources to meet the growing demands of the Institute. We have been informed of the unprecedented increase in the cost of living and the consequent increase in the cost of education. The increase in the cost of living has been such that the Institute is unable to meet the increased cost of teaching and research.

We have been informed that the Government has implemented the recommendations of the Committee on Educational Charges, which has resulted in an increase in the cost of education. The increase in the cost of education has been such that the Institute is unable to meet the increased cost of teaching and research.

The Institute has been at great pains to keep the cost of education as low as possible. However, the increase in the cost of living has been such that the Institute is unable to meet the increased cost of teaching and research.

We are therefore, writing to you to request that you consider the demands for grants for the year 1958-59 and increase the financial resources of the Institute. The Institute is in the need of an increase in its financial resources to meet the growing demands of the Institute.

We are confident that you will give due consideration to the demands for grants for the year 1958-59 and increase the financial resources of the Institute.

Yours faithfully,

Director

Indian Institute of Science
It must have the power to make mistakes and learn by making mistakes.

The States shall take steps to organise village panchayats and endow them with such powers and authority as necessary to make them function as self-governments.
India presents a rare and remarkable phenomenon of the State and Society co-existing apart from and in some degree independent of each other as distinct and separate units or entities as independent centres of national policy and collective life and activity.

Budget - Demands for Grants
26th March 1958

393

In relation to the above, it is to be noted that the demands are aimed at
saving the present situation rather than altering it fundamentally.

This is due to some extent to the fact that the government's
resources are limited, and that the demands cannot be met
entirely. However, the government is working towards
improving the situation.

As a result, some of the demands for grants may not be met,
but the government is committed to addressing the situation
as soon as possible.

The demands for grants are presented in this document
for the year 1958.
26th March 1958

Budget - Demands for Grants

[Text not legible]
Instances of nature, e.g. varieties of rice, wheat, etc., are sold in the open market. The prices of these grains vary with the season and the quality. The government, through its agencies, ensures a steady supply of these grains to the market. The government also takes steps to control the prices of these grains. The government subsidizes the farmers who cultivate these grains. The government also provides credit facilities to the farmers to enable them to cultivate these grains.

उन में बहुत सी आचारियाँ हैं। दूसरी तरफ उनको बाजी अधिकार दिया जाता है। आज हैदराबाद और सिकंदराबाद में मसलिसल कारोरियों रेजिस्ट्रेट एक्सटेंड बाह्यज छै, उस में पूरी तरह से बचाव लोग लेने जिन्हें गाय है। लेकिन बाहर पूरे एकजिनन्दिति पासे लोगों के हाथों में नहीं है। उन में गर्वबंडत के अपारीटेंड इम्युगियन केंद्र सविश्व के लोग हैं। यहाँ के बचाव में यह कमिटी और एक्सटेंड बाह्यज जो मुझे रिख्चा निश्चित नहीं है जिस सविश्व में वह है अगर वह उसी के है, तो क्या रहा रखते हैं। इस कारण हमें इस नतीजे पर आना पड़ा है कि लोकल सेक्टियर गर्वबंडत का काम जिस बचाव में यहाँ या चला चला रहा है। उस में यद्यपि तबदीली आती चाहिए। अभी बहुत से दोस्तों ने बताया कि जो एक्सटेंड है उनके सेक्टियर का बाहर इम्युगियन नहीं हो रहा है। और इसकी वजह से बहुत जी मिसमेनेजमेंट हो रहा है। इस तिथियों में एंरी एक तूफान है। इसके बाहर एम्युगियन के लिए गर्वबंडत और लोकल बाह्यज में कोई निर्देश रहा नाहीं है। एक स्टेट लोकल बाह्यज एक्सटेंड जी निकली चाहिए, जिस में लोकल बाह्यज के रिख्चरेटेंड रहे। और दूसरे एम, एल, एज भी रहें। इस कंट्रे में चेयरमैन नियन्त्रित एक्सटेंड इम्युगियन के मानवीय संघीय हो।

तालिकाः लोकल बाह्यज और गर्वबंडत में जो मिसमेनेजमेंट (Misunderstanding) है, वह खत्म हो सके। वह बाहरी निकली बदक के तौर पर रहे और सूचनाएँ दे दी। और एम्युगियन पर भी तुलनात्मक तौर पर चले।

दूसरी लाइम चीज यह है कि जब तक लोकल बाह्यज की फाइनांस कमिशन टीम तौर पर नहीं चल सकती। खाली तौर पर तेलाघाना एरिया में उनके रेजिस्ट्रेट सोर्स (Revenue Sources) अपारीटेंड व्यापार सेक्टर, इंडस्ट्रीलेब्जर टेक्स और मांगेस्टेंड टेक्स नहीं बच्चे चाहते हैं। नगर इस में भी परेंट्स ही महान इंडस्ट्रीलेब्जर टेक्स लाना जा रहा है। उनकर बच्चे जहाँ तक मेरे बच्चे है, मसलिसलीज के रेजिस्ट्रेट में बहू वर्ष पहले होनेवाला है और उनकी हमकम कम हो जाने का बार है, जिसकी बच्चे के लोकल बाह्यज जो क्या एक्सटेंड देना चाहते हैं और जो दे रहें हैं वह ठीक तौर पर नहीं दे सकते। इस कारण हमें व्यापार सेक्टर से प्रतिबंध करता है कि लोकल बाह्यज के फाइनांस को मजबूत करें। इस कारण हमें व्यापार दे दें भरोसा। इस बारें में खाली तौर पर टेक्स लाने इंडस्ट्रीलेब्जर कमिशन में भी रिख्चरेंड किया जा रहा। वह यह है कि कम्पनी अर्धव्यापारिक (Commercial undertakings) जैसे कुछ परिस्थितियों, एक्सटेंड, इंडस्ट्रीलेब्जर, वाली है। और जिन लोकल बाह्यज में वह है, उनके मेनेजमेंट (maintenance) के बाद जो क्या आमतौर पर हो जाती है तब वह ही मसलिसलीज और पता रखने की चाहत है। लेकिन वह अपने जीवनसार को ठीक तौर पर करना शक्त ही साथ ही साथ यह तेलाघाना एरिया में मिसमेनेजमेंट के तहत केंद्र से सेंटर चार्ज़ व्यापार भेजते हैं वह आमतौर का 12% है। वह बहुत मद्दत है। इसलिए अधिक एरिया में यह नहीं है। कम से कम वर्ष जो एक्सटेंड लाना जा रहा है उक्ते बच्चे इस जुगौनों को नहीं देना चाहिए। या कम से कम इस परसेंटेज को कम करना चाहिए।

दूसरी भीतर प्रेस्टेंड व्यापार वर्ल्ड के बारे में है। इसका उद्देश्य यह है कि नए कम से हर जनस्तर कीयों का पालना नहीं निपटा नहीं ताकि हेल्प ठीक हो। और
Budget - Demands for Grants 26th March 1958 397

The Hon'ble Member (Mr. B. R. Tilak): It is true, Mr. Speaker, that the Draft Constitution contains provisions that the local authorities may be responsible for the administration of local affairs. The Draft Constitution also provides for a Welfare State (administration) in the country. In the Draft Constitution, there is an important provision for the nomination of certain persons for the purpose of taking up specific integration tasks. As Fullfledged Democracy takes root, these nomination will be abolished. Hence, it is necessary to nominate certain persons for the purpose of taking up specific integration tasks.
Demand/Grants

Democratic set up -

Mehta says that Land Revenue 8% of Land Revenue 50% of welfare activities 5%

Revenue Collection to 100% -

professional tax, House Tax, land revenue 50% of welfare activities 5%

criminal civil powers 25% to 50% of illiteracy 3% political parties 25% convention

District Boards & Block Councils aim to give people a voice in local governance. Local Self Government, Democracy, Decentralisation are the means to achieve this goal. White paper demands direct elections, Indirect elections for efficiency, effective function. Direct elections revive district councils, Block Councils, Welfare activities, administration training. The demand for demand is essential. Local Self Government, Democracy, Decentralisation are the means to achieve this goal. White paper demands direct elections, Indirect elections for efficiency, effective function. Direct elections revive district councils, Block Councils, Welfare activities, administration training. The demand for demand is essential.
26th March 1958
Budget - Demands for Grants

The situation is precarious. The year 1958 is expected to witness considerable inflation. Inflationary trends have been observed in the past two years. A 30% hike in wages is expected in the current financial year. This is likely to be followed by a further hike in the next financial year.

The financial situation of the country is critical. The government is facing a severe shortage of foreign exchange. The country is heavily dependent on imports and is facing difficulties in meeting its import requirements. The situation is likely to worsen in the months to come.

The government is aware of the situation and is taking steps to address it. However, the situation is critical and a lot needs to be done.

Shri Makhno Ram (Sukhdev): The Finance Minister, Sukhdev, has called a meeting of the Cabinet to discuss the current financial situation. The meeting is expected to be attended by all members of the Cabinet.

The cabinet is expected to discuss the current financial situation and take steps to address it. The Finance Minister is expected to present a detailed report on the financial situation to the cabinet.

The situation is critical and a lot needs to be done. The government is aware of the situation and is taking steps to address it. However, the situation is critical and a lot needs to be done.
इसके बाद यह आश्चर्य किया प्राप्त प्राप्तियों के उत्तराधिकार बनाना है। हमारे तेजहरा में ग्राम प्राप्तियों की आमदनी बढ़ती है कि कार्यों के एतिहासिक से उनकी जो आमदनी सिखाए जा रही है और उनकी जो जन्मशादा का सीला दिया जा रहा है। उसका माना नहीं है। फिर तहत हमारी प्राप्तियों को लेकर फाइन्स्ट्रीं का एक संकल्पना मिलना बनाए रखें और रेप्रिन्ट का 19 कीमत मिलना बनाए रखें। लेकिन बहुत 19 कीमत रेप्रिन्ट प्राप्तियों के लिए नहीं मिलता। इसलिए में भी यह बढ़ती हैं कि वह लोकल फाइन्स्ट्री की आमदनी जिस भौगलिक से वह हासिल होती है, कामिन तौर पर वह उत्तर भौगोलिक प्राप्तियों को फिल्मिंग करें। और रेप्रिन्ट का कम से कम 19 कीमत हिस्सा प्राप्तियों के अवधारण के लिए दिखाई दें। इसके बाद हराज-अवधारण अपने भागीरथी मालिक या आम गुणधर्म के हैं, इन हराजज अवधारण की आमदनी बनाए रेप्रिन्ट डिपार्टमेंट को देने के इसके प्राप्तियों के लिए आज तो बढ़ता अच्छा है।

इसके अनन्तर तेजहरा प्राप्तियों की हालत इस काम से भी टीक नहीं है कि वहीं की प्राप्तियों की फाइन्स्ट्री से रिपोर्ट जो मिली जा रही है, वह बिल्कुल नाकाम है, बल्कि में कहाना है कि उन्हें काम की मजबूती मिला ही नहीं। इस लिए मेरी राय है कि इस उत्तराधिकार में नहीं प्राप्तियों हैं एक एक सुरवातस्कर और उसका अभाव इस प्राप्तियों को मानदेशी देने के लिए उपचार जाय तो टीक होगा। हमारे कई वोल्टों ने भी फाइन्स्ट्री का प्राप्ति इंपेक्टर डिबिजन के लिए एक होता है उनके तहत तीन तीन लाखों होते हैं। इस लिए मेरी राय है कि इस अन्य काम की बहुत हर अबजाम नहीं दे सकता। इस लिए मेरी राय है कि इस तालाब में प्राप्ति इंपेक्टर सुरक्षा किया जाय ताकि वह प्राप्तियों का दौरा कर के उनके अर्थात को मजबूती दे सके कि कारोबार फिर तरह से चला जाय और अपने नामकरण से उनकी कामयाबी पूर्ण हो।

इसके बाद प्राप्तियों के तालुक्से में यह वीच भी बढ़ेगा कर देना चाहिए हूँ कि प्राप्तियों में एक कारोबारी सुरक्षा होता है; जिसकी तनावुग्न 15 खर्चे होती है। मैं समझता हूँ कि वह बिल्कुल नाकाम है। इस लिए जहाँ बहुत प्राप्तियों हैं वहाँ कारोबारी की माहौल गाप्त 50 खर्चे और छोटी प्राप्तियों के कारोबारी की गाप्त 30 खर्चे इस तरह से गोवा कारोबारी की गाप्त 30 और 50 खर्चे के दरमियान होनी चाहिए, ताकि बहुत अपना पूरा प्रभाव दे सके और उपभोक्ताओं से कारोबार अवधारण कर सके।
इस के बाद हमारे तालके बोधन की मूल्यांकनता के सुझाव किए। वहाँ 14500 रुपये बंगाल चरिद हजार और पंसा एकजैसे इंजीनियर वायर कैसे को हिये गये हैं। वह सिफ हजार लाकर बाल दिये हैं। अभी पंसा नहीं आये हैं। इस तरह पूरा काम रुक गया है। मे मिनिस्टर तालक एवं बिहार का नचाहा किया उनके पानी की समस्या का इंजीनियर किये।

इस के बाद मैं एक और बौझ वाणिज्य करके सुनाई समस्या तुलनामूलक है। हमारे आनेरे के मिनिस्टर साहब थुकते सुकामी ने हमारे जिले का दौरा आये संरचना के क्षेत्र के बाद से आज तक नहीं फरमाया है। मैं उन से भाषित करता हूं कि वह हमारे बिल्कुल दौरा फरमाकर वहाँ की रिडायर की फलाह बदूद की अहंकारिता से बाकी इंजीनियर होकर उनको बुझ करने की तरफ बाल है। मैं ऐसी आवाज करते हुए अपनी तकनीक खात्मा करता हूं।

* * *

अभी वर्ष हजार 1958 में संस्कृति मायपी देशावतार के 55वें साल में इस के वर्ष 50वें साल के समाप्त होने के लिए है। यहूद के जीवन में इस के वर्ष के समाप्त होने के लिए संस्कृति मायपी देशावतार के 55वें साल के समाप्त होने के लिए है। यहूद के जीवन में इस के वर्ष के समाप्त होने के लिए है।

In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions. In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions. In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions. In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions. In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions. In areas which are not covered by Blocks, the new District Council will discharge the functions of the District Board until a Block Council takes over such functions.
Decentralisation has mainly been achieved by giving powers to delegate bodies such as Block Councils, through which the local authorities are now autonomous as compared to the earlier systems of direct elections. The Intermediary Bodies are providing an indirect election mechanism to the people. For example, the Block Councils alone would not make it possible to decentralise effectively, as their powers are limited. The powers are now delegated to certain bodies, which are elected by the people. The powers are decentralised and are now exercised by the people through these bodies. The Intermediary Bodies have been established in various states, and they have been functioning effectively. The State has emphasised on decentralisation, and the block councils have been functioning effectively. The powers have been decentralised to the local authorities, and the people are now participating in the decision-making process through these bodies. The State has also emphasised on the need to decentralise the finances of the local authorities, and the block councils have been functioning effectively in this regard. The State has also emphasised on the need to decentralise the secret ballot, and the block councils have been functioning effectively in this regard. The State has also emphasised on the need to decentralise the secret ballot, and the block councils have been functioning effectively in this regard. The State has also emphasised on the need to decentralise the secret ballot, and the block councils have been functioning effectively in this regard.

dangerous
Integration of laws and the system of administration are dangerous. Dangerous encroachment must not be tolerated, otherwise it may lead to serious consequences. Encroachment must not be allowed to continue indefinitely. It is necessary to consult the relevant authorities. Integration must be carried out carefully and with due diligence. Urban water supply schemes and Rural water supply schemes (Rural water supply schemes and Urban water supply schemes) are essential for the development of any country.
106 The State should take steps to organise...
