CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

re: Action taken on the representations of the agriculturists in Guntur and Bapatla Taluqs

Mr. Speaker: Under Rule 74 of the Assembly Rules, Sri Pragada Kotaiah draws the attention of the Minister for Irrigation and Power regarding action taken on the receipt of representations of the agriculturists in Guntur and Bapatla Taluqs. Sri Kotaiah is not here. The hon. Minister himself may say something about the matter for the benefit of the House.

The Minister for Irrigation and Power (Sri J. V. Narsinga Rao): The Guntur Channel Scheme which is the same as Daggupadu Canal Scheme is estimated to cost Rs. 60 lakhs for works or Rs. 68.92 lakhs including direct and indirect charges, and will irrigate an additional ayacut of 24,000 acres in addition to stabilising the supplies to the existing ayacut of 26,400 acres in upland backward areas in Guntur and Bapatla Taluqs.

It is proposed to be taken up as a medium Irrigation scheme and the Government of India were
addressed for its inclusion in the current five-year plan, but they replied that its inclusion in the current plan would not be feasible in view of the reduction in the plan provision.

The Development Committee of the Nagarjunsagar Project considered that it would be proper to take up the Guntur Channel Scheme as part of Nagarjunasagar Project. The Chief Engineer, Nagarjunasagar Canals, has accordingly submitted estimates to the tune of over Rs. 2 lakhs and this question is engaging the Nagarjunasagar Control Board. Pending a decision on this issue, the question whether it should not be included in the second five-year plan as suggested by the Government of India has been held over.

we agree to sanction the scheme in two stages first stage sanction two stages Rs. 13 crores out of Rs. 25 crores. It is a question of finding money.

For Nagarjunasagar, they say: "It is a whole scheme of Rs. 80 crores. There is no stage question." But here they accepted the second stage—they say: first stage and the second. For the present sanction is only given for the first phase. When we can find money, the second stage also will be sanctioned. that is the difference between the Nagarjunasagar and the Tungabhadra High Level Channel.

Sri N. Sanjeeva Reddy: We cannot say that the whole thing is sanctioned. The whole scheme is approved but the sanction of the scheme for execution will be by two stages. That means there will not be any inter-state trouble for this. They said: "You cannot find money for the whole scheme; therefore you will be allowed to spend Rs. 13 crores out of Rs. 25 crores." It is a question of finding money.
