ORAL ANSWERS TO QUESTIONS.

HYDROGRAPHIC SURVEY OF THE CHRONICALLY FAMINE AFFECTED TALUKS OF THE STATE.

862—

*1003 Q.—Sarvasri D. Seetharamaiah (Madanapalli), P. Raja- gopala Naidu (Tavanampalli), C. D. Naidu (Chittoor) and Ramachandra Rao Deshpande (Narayankhed):—Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government propose to institute Hydrographic survey of the Chronically affected taluk of the State to find out the levels of the underground water;

(b) whether the Government have any machinery for conducting the above; and

(c) if not, whether they propose to secure one such unit?

The Minister for Revenue (Sri N. Ramachandra Reddy):—(a), (b) and (c) The matter is under consideration.

[295].

101/3—1
Sr D. Seetharamayya:—Have they got sufficient machinery for that? What are the efforts the Government is going to make.

Sr N. Ramachandra Reddy:—There is one Superintendent of Geological Survey, Government of India who is conducting the surveys.

Sr P. Rajagopal Naidu:—Already some survey has been conducted in Chittoor and Medak some time ago. What are the results?

Sr N. Ramachandra Reddy:—That is general survey. Intensive survey is being conducted in Anantapur and Nalgonda.

Sr P. Rajagopal Naidu:—What are the results?

Sr N. Ramachandra Reddy:—The general report is that open mouth-wells can be dug in Telangana and Rayalaseema but bore wells are not successful in those areas because the soil is rocky. About 35,000 sq. kilometres in Anantapur and 3,000 sq. kilometres in Nalgonda part of Devarakonda block were covered.

Sr N. Ramachandra Reddy:—There is one Superintendent of Geological Survey of Government of India. They are doing it for our purpose. They wanted that the drought affected areas should be given to the Government of India. He wants that 20 well-trained officers are necessary so that areas may be delineated and fixed up. He will then be in a position to explain the actual
position. That is why Nalgonda and Anantapur districts have been taken up in the first instance. Four or five taluks in Anantapur have been examined as also Devarkonda taluk in Nalgonda district.

Sri N. Ramachandra Reddy:—A map also is enclosed to show as to where a survey has been conducted and as to where it will be successful. I have already given the extent. For example in Uravakonda, he has not shown that it will be successful. In Anantapur he has located some spots where it will be successful. Even the Government of Andhra Pradesh is also considering whether it is possible to start as it existed in the erstwhile Hyderabad State a Well-sinking Department. It is also under the consideration whether to start a Well-sinking Department and start excavation of wells.

Sri N. Ramachandra Reddy:—I am not in a position to answer because general surveys are being conducted here and there. Intensive survey has been taken up in two districts. Even in those places quantitative assessment has also to be made and yield tests have to be made. One officer will be able to cover up 2,000 sq. miles. All these difficulties are being encountered. Pump sets are necessary to draw out water and experiment. Yield tests have also to be conducted. It is more useful.
That is a very difficult matter. I have not got the villagewise information.

Sri N. Ramachandra Reddy:—Generally they are submitting their reports to the Director of Agriculture.

Water diviners are also helping. Open mouth wells and blast in hard rock, expenditure is very high. A bore machine costs 29,000 rupees and work is done by the State. Which is the best method?
"b) if so, the facilities contemplated for the ryots of the affected areas; and

c) the total extent of lands and number of villages in which the crops have been affected in the district according to the Government estimates?

Sri N. Ramachandra Reddy:—(a) The Collector has reported that most of the dry crops in the district have been affected due to drought conditions.

(b) An amount of Rs. 7.20 lakhs has been allotted to the district for distribution of taccavi and fodder loans and execution of relief works, etc.

(c) Area in which dry crops have been affected is 3,33,068 acres. Number of villages affected 566 villages.

Sri N. Ramachandra Reddy:—I do not have the break up of the figures.

Sri N. Ramachandra Reddy:—Drought affected areas are declared famine areas. Are the ordinary rules to be applied in such areas? Do the affected areas receive any remission rules? When drought conditions exist, special remission rules are applied and full remission will be given and in other cases half remission will be given. If an agriculturist receives more than 6 annas crop he will not be entitled to any remission even if it is a drought affected area.
Oral Answers to Questions 16th March 1966 301

Sri N. Ramachandra Reddy:—If it is not followed, certainly we will issue instructions.
From a ryot who is not eligible in that area, certainly land revenue will be collected from him.

Sri N. Ramachandra Reddy:—Area-wise remissions are not given. Individual remission is being given even in drought-affected areas, but the scale will be different in drought-affected areas. In non-drought affected areas, there is no remission for dry lands but in drought-affected areas there is remission even for dry lands. The scale is different for drought-affected and non-drought affected areas even for wet lands.

Sri N. Ramachandra Reddy:—The same point has been raised by hon. Member Poolla Subbiah. If the instructions are not specific, certainly instructions will be issued. There is some justification in the point that has been raised.
Sri N. Ramachandra Reddy:—There is some justification in the point that has been raised. I am admitting. Consequently, on that basis, instructions will be issued.

Sri N. Ramachandra Reddy:—This aspect was also discussed and already instructions are there. If in some places it is not being followed, further instructions will be issued. But further instruction on that point is not necessary because categorically and specifically instructions have been issued to all the Collectors on the point raised by the hon. Member.

BREACHES TO RAJU CHERUVU IN BHIMLI VILLAGE.

864—

*1641 Q.—Sri K. Appala Naidu (Put by Sri Venkata Reddy):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government are aware of the breaches that occurred 30 years ago to Raju Cheruvu, the principal source for the lands in Bhimli village, Sringavarapukota taluk, Visakhapatnam district;

(b) whether estimates for the repair of the said tank have been prepared;

(c) if so, the estimated expenditure therefor; and

(d) when the said work will be taken up?

101/3—2
The Minister for Irrigation and Agriculture (Sri A. C. Subba Reddy):—
(a) It is not known when exactly the breaches occurred to the Raju tank of Bhimli village, as the village was not taken over by Government till January 1965.

(b) The estimate for restoration of the source is under preparation.

(c) Approximately Rs. 1.00 lakhs.

(d) The work can be taken up only after the proposal is finalised and sanctioned by the competent authority.

Sri A. C. Subba Reddy:—Restoration, if I remember right, is being done by the Public Works Department of any tank in zamindari areas. After restoration, it is handed over to the zilla parishad.

Breaches to Hemadri Tank.

865—

*669 Q.—Sarvasri A. Vasudeva Rao (Huzurnagar) and K. Rajamaiiu (Chinnur):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that the bund of a tank, namely Hemadri Cheruvu situated in the Bechirag village of Gopalapuram near Thummalapalli village in Suryapet taluk, Nalgonda district was demolished by some unsocial elements during the years 1947 and 1948;

(b) is it a fact that a total ayacut of about 200 acres have been affected due to the same;

(c) is it a fact that inspite of making several representations for its restoration, no action has been taken so far for its repairs; and if so, the reasons therefor; and
(d) will the Government consider to restore the tank immediately?

Sri A. C. Subba Reddy:—(a) It was represented to Government in April 1963 that Hemadri tank was breached in 1947, by certain people.

(b) No, Sir.

(c) and (d): This scheme was dropped in 1961 as the restoration of the tank would have benefitted about 100 acres, while the compensation involved was to the tune of Rs. 79,700. However, in view of the representation of the ryots in 1963, the question of restoring the tank to its original F.T.L. is under consideration. The Scheme is under investigation.

Sri A. C. Subba Reddy:—An extent of 28 acres came under submergence of the lower restored tank called Gundala Cheruvu.

Sri Tenneti Viswanatham:—I think it is worth local inspection.
Sri. N. Mohan Rao:—On a point of order Sir. (In Telugu)

Mr. Deputy Speaker:—What is it? His reference is that Communists in the old Hyderabad days have destroyed that.

Sri P. Subbiah:—He has again repeated it—

Mr. Deputy Speaker:—I don't think so.

Sri P. Subbiah:—If that is not the case all right, but he says—

Mr. Deputy Speaker:—I don't think so.

19th Mr. 4. 339

Rural water supply scheme
The rural water supply scheme is satisfactory on the whole,

Will the hon. Minister for Law and Prisons be pleased to state:
(a) whether the Government proposes to publish the histories of important temples in our State;
(b) the names of temples selected for writing histories;
(c) whether any staff has been appointed for the compilation of history; and
(d) when are the volumes likely to be published?

The Minister for Law (Sri P. V. Narasimha Rao):—(a) The answer is in the affirmative.
(b) and (c) The matter is under consideration.
(d) Does not arise in view of the answer to clauses (b) and (c).
Sri P. V. Narasimha Rao:—That is why, I said the matter is under consideration. We are preparing a list of temples whose histories and Sthala Mahatmayams are to be compiled. The list is still under preparation. Mantralayam mutt is not a temple. It is a religious institution and at the moment I cannot say whether it will be included. That will be seen later on.

(d) The answer is in the negative.

Sri P. V. Narasimha Rao:—Sir, it is very difficult to say on what basis the surprise visit was made because it was made by my late predecessor, and not by me.

Oral Answers to Questions.

Sri Pillalamarri Venkateswarlu:—Why was he discriminated?
Sri P. V. Narasimha Rao:—No, Sir, there is no question of discrimination. We have appointed five persons.

Sri Pillalamarri Venkateswarlu:—Why was he not included?
Sri P. V. Narasimha Rao:—He must properly answer my question. He has already answered the question of the hon. Member.

Mr. Deputy Speaker:—He has already answered the question of the hon. Member.

Sri Pillalamarri Venkateswarlu:—Final accounts of misappropriation after and before? What are his special qualifications?
Mr. Deputy Speaker:—It is a very delicate thing. At this moment, I would request the members not to ask me any further particulars relating to the steps already taken because it is still in the process. Permanent sources of income from temple & create income for temple & temple funds?

Sri P. V. Narasimha Rao:—It is a very delicate thing. At this moment, I would request the members not to ask me any further particulars relating to the steps already taken because it is still in the process. Permanent sources of income from temple & create income for temple & temple funds?

Mr. Deputy Speaker:—Let us come to a procedure. It is not as if he can raise everything. There are others.

Mr. Deputy Speaker:—There are three members. That won't do. Not that the hon. Member is alone there. He rises and asks for certain supplementaries. That is not the procedure.

Sri Pillalamarri Venkateswarlu:—I am raising an important question. Serious allegations చూడాం, ఆ ప్రశనం బిగ్డీ పొందాలి. 

Sri P. V. Narasimha Rao:—This supplementary question strictly speaking, does not arise from the main question. ఎంపరాదంగా సహజంగా ఉండాలి. అంటే, మనకు బిగ్డీ పొందాలి. Naturally, I would require notice. Even if that question is to be answered, I would require notice because that information is not with me.

SHORT NOTICE QUESTIONS AND ANSWERS.

WATER SUPPLY SCHEMES IN SRIGAKULAM DISTRICT.

881-A—

S.N. Q. No. 2747-G:—Shri P. Gunnayya:—Will the hon. Minister for Panchayati Raj be pleased to state:

(a) the Samithi-wise number of villages for which water supply schemes have been sanctioned during 1965-66 in Srikakulam district; and

(b) the expenditure so far incurred therefor?

Dr. M. N. Lakshminarsayya:—(a) 921 well works have been taken up during 1965-66 in Srikakulam district. Out of 921 well works, 97 works have been completed. The particulars relating to Samithi-wise number of villages for which water supply schemes have been sanctioned during 1965-66 in Srikakulam district are not available. Names of the villages are not available. The Secretary, Zilla Parishad, Srikakulam, has been addressed to furnish these particulars.

(b) An amount of Rs. 6.00 lakhs has been released to the Zilla Parishad, Srikakulam under Local Development and
Equalisation grant for expenditure on Rural Water Supply Schemes during the current year 1965-66. Out of Rs. 6.00 lakhs an expenditure of Rs. 3.62 lakhs has been incurred up to the end of January 1966.

**APPOINTMENT OF PUBLIC PROSECUTOR IN THE SESSIONS COURT, WARANGAL.**

S.N. Q. No. 2746-K.—Shri N. Mohan Rao:—Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether any panel has been submitted to the Government by the Collector and Sessions Judge for the appointment of Public Prosecutor in the Sessions Court, Warangal;

(b) if so, whether it is a fact that a different person other than those recommended by the said officers has been appointed for the said post; and

(c) if so, the reasons therefor?

Sri P. V. Narasimha Rao:—(a) The answer is in the affirmative.

(b) The answer is in the negative.

(c) Does not arise.
Sri P. V. Narasimha Rao:—In the first place it is not necessary for the Government to stick to the panel. We can appoint anybody even from outside the panel. Now having said that, in this particular case since we have appointed persons from amongst the persons included in the panel itself I have no objection in reading the names in the panel, Sir. But the fact remains that it is not obligatory on the part of the Government to stick to the panel. The names sent in the panel are these:

Sri V. Manohara Rao.
Sri B. Kesava Reddy.
Sri V. Harimohana Rao.
Sri P. Kesava Reddy.
Sri P. Mrutyunjaya Rao, and
Sri V. Rajeswara Rao.

These are the names sent in the panel.

Sri P. V. Narasimha Rao:—Sir, I can place the G.O. on the Table of the House any time. There is no difficulty about that. We asked for some more names because we did not want to choose only from two persons in the panel and appoint the same choice standard. Therefore it is obvious that we have to call for further names. So further names were called. Another three names were sent.

Sri P. V. Narasimha Rao:—Seven years.

S. C. A. S. வாத்து panel அறிவித்தான். மூன்றும் எடுக்கவில்லை. என்று எடுக்கும்போது நம்பிக்கை கைத்து வைத்தான். தொடர்புப்படுத்தும் முறையால் என்ற வைத்து வைத்தான் என்று எடுக்கிறேன். என்று எடுக்கி வைத்து, என்று எடுக்கிறேன். என்று எடுக்கிறேன். என்று எடுக்கிறேன். 我们进一步了解他。两方面都了解。因此我们不得不从一个更大的范围中选择。我们问了他更多的人。我们没有指定他要送多少个名字。我们只是说，送更多的人。所以，他就送了六个人。当然，他没有送他认为应该被送的人。所以，他取消了那个名单，送了六个名字。我们从中选出了一个，Sır.

Sri P. V. Narasimha Rao:—Second list என்று அறிவித்தான். எந்தவொரு பண்டைய நுழைவுவாள் என்று அறிவித்தான். எந்தவொரு பண்டைய நுழைவுவாள் என்று அறிவித்தான். எந்தவொரு பண்டைய நுழைவுவாள் என்று அறிவித்தான்.
Sri P. V. Narasimha Rao:—Any number of districts I can cite, Sir. There are any number of districts where five names, six names are sent.

Sri P. V. Narasimha Rao:—In the G.O. there is nothing stated regarding the obligation on the part of the Government to appoint only from the panel. I am positive about it. They want the G.O. It can be placed on the Table of the House, Sir.

Sri P. V. Narasimha Rao:—In Andhra, Sir, generally we would get a panel either for the G.P. or for the P.P. If we get for both, naturally the number will go to ten, not six. The question of bifurcation is a separate one.
Mr. Deputy Speaker:—No question of calling. 

Mr. Deputy Speaker:—He desires to re-open it again.

Sri Tenneti Viswanatham:—Yes. I am going to ask him about that.

Sri Pillalamarri Venkateswarlu:—I am raising another point, Sir. That is the reply given by him. If you want you can refer to tape recorder & G. O. & Nareswararao says he has not heard me. The only thing is, three names came. Out of that one man refused. We wanted to appoint two persons—one for G.P. and one for P.P. Since only two names were left if we wanted to appoint both of them it was no choice; we would have been criticised; we would have been condemned for having made a very wrong appointment, because only two names would be left in the panel and we would be appointing both. Where is the choice? We should choose from a larger number of people. That is why we called for further names, Sir.

Sri P. V. Narasimha Rao:—He has not heard me, Sir. He has not been kind enough to hear me out. The only thing is, three names came. Out of that one man refused. We wanted to appoint two persons—one for G.P. and one for P.P. Since only two names were left if we wanted to appoint both of them it was no choice; we would have been criticised; we would have been condemned for having made a very wrong appointment, because only two names would be left in the panel and we would be appointing both. Where is the choice? We should choose from a larger number of people. That is why we called for further names, Sir.
Government suggest the number?

Sri P. V. Narasimha Rao:—We do not call for a specific number. 'A panel may be sent' as we have done in Telangana—the idea was that we should bifurcate here also. When we found only three names, and out of those three names one has refused to serve—we called for some other names.

Sri P. Ramachandra Reddy:—Is there any G.O. by which the Sessions Judge must give a certificate to all the candidates stating the work which they have turned out in sessions trials, and appearing in the cases, the number of cases, etc. If so, whether the Sessions Judge has given certificates for all these five people. If so, what is the number of cases in which they have appeared in Sessions trials.

Sri P. Ramachandra Reddy:—Is there any G.O. by which the Sessions Judge must give a certificate to all the candidates stating the work which they have turned out in sessions trials, and appearing in the cases, the number of cases, etc. If so, whether the Sessions Judge has given certificates for all these five people. If so, what is the number of cases in which they have appeared in Sessions trials.
Mr. Deputy Speaker:—There are demands, etc.

Mr. Deputy Speaker:—After that G.O. is received he may have some more questions to put.

Sri P. V. Narasimha Rao:—No, Sir. I am not prepared to place that thing on the Table of the House. It ultimately rests in the discretion of the Government. That I have made very clear in the beginning itself. I can place the G.O. on the Table of the House. Some information which they want I can also give to the House. But it is impossible for me to place all these things on the Table of the House because ultimately it rests with the discretion of the Government and this cannot be divulged.
Mr. Deputy Speaker:—All the four of them can decide themselves............

Generally it does not come to the Minister or to the Chief Minister or to anybody, Sir. It is the Deputy Secretary or the Assistant Secretary who just looks at the date on which the present man's turn is going to end, and before one or two months they will in routine ask the Collector to send a panel in consultation with the District Judge. At that stage Sir, nobody knows what is going to happen because the matter does not come to the Minister. After the first panel is received it will be sent to the Minister. In cases of Telangana districts wherever we find that there is need for bifurcation—it is not as though we are bifurcating in all the districts everywhere, Sir as I have submitted Khammam and Mahabubnagar have been bifurcated already and Warangal has been now bifurcated. Other districts have not been bifurcated.
That is not a supplementary question, Sir. He is making allegations about the appointment made by the Government. He can very well do it. He has got full powers to do it; rights to do it but only as a speech not as a supplementary. G. O. alleging that the appointment is made on a point of information allegations. Anywhere allegations are made, where, innuendoes are made of which it is made. He has given that information. Mr. Deputy Speaker:—As it is we have covered 15 minutes for this question only.

Sri Tenenti Viswanatham:—Sir, Short notice question is most important.

Mr. Deputy Speaker:—We have taken 15 minutes.

Sri Pillalamari Venkateswarlu:—Let me make myself very plain. There is short notice question purpose. The person speaking information or not. Where is the information asked for? Where is it?

Mr. Deputy Speaker:—Definite information.

Sri Pillalamari Venkateswarlu:—Let me make myself very plain. There is short notice question purpose. You have given him only one chance in a period of 15 minutes.

Mr. Deputy Speaker:—He has covered larger portions.

Sri Pillalamari Venkateswarlu:—We are co-operating. He has an important question.

Mr. Deputy Speaker:—Let it be asked.

Sri T. K. R. Sarma:—That particular information must be with the Minister. It has not been put by any of the friends here. That is why I am trying to get that information,
Sri T. Venkata Viswanath:—The point asked was, when was the decision to bifurcate these two posts taken by the Government.

Sri P. V. Narasimha Rao:—That is what I am trying to explain Sir. Even before hearing me what is the point..........

Mr. Deputy Speaker:—For that he has a preamble. He is coming with so many preambles. Therefore the decision is not..........

Sri P. V. Narasimha Rao:—I must also have my own preamble Sir, as I have already submitted..........

Sri P. V. Narasimha Rao:—Answers to both the questions are in the affirmative.

Sri P. V. Narasimha Rao:—Chief Minister why should he become a target?

Sri P. V. Narasimha Rao:—No, Sir. I am prepared to be a
target where I have committed something wrong or the Govern­
ment have committed something wrong. I am perfectly con­
vinced that there is nothing wrong in the decision taken by the
Government and therefore the question does not arise, Sir.

LONG STANDING DEMAND FOR BONUS BY THE EMPLOYEES OF THE GOVERNMENT DISTILLERIES.

Calling attention to matters of urgent public importance: 

re: long standing demands for bonus by the employees of the Government Distilleries.

The Minister for Excise and Prohibition (Sri M. R. Appa Rao):—The Government Distilleries' Employees' Union has given a strike notice to the Manager, Government Distilleries, Hyderabad, on 16th February 1966 to the effect that the workers would go on strike from 2nd March 1966 if the following demands are not accepted:—

1. Bonus.
2. Deleterious works allowance.
3. Interim relief.
4. Transfer of staff.

In their second notice, dated 1st March 1966 they have intimated to the Manager, Government Distilleries, Hyderabad about the postponement of the strike to 15th March 1966 making the following demands:—

1. Bonus.
2. Deleterious allowance for all the employees.
3. Interim relief at Rs. 15. per mensem.
4. Transfer of staff.
5. Counting of service of the ministerial staff working in the Government Distilleries for seniority from the date of their appointment.

Sri G. Venkataswamy, President, Government Distilleries Employees' Union has also submitted a memorandum making various requests.

The position regarding the various demands of the Union is as follows:—

In G.O. Ms. No. 595, Revenue, dated 4th April 1964 orders were issued for payment of bonus to all the employees working in the Distilleries at Narayanaguda and Kamareddy except Gazetted Officers at the rate of one month's basic pay and D.A. per year from 1958 onwards. According to the above

orders, bonus was to be paid from the financial year 1958 but the distillery authorities by mistake claimed the bonus from the financial year 1957-58 and the amount was paid to the workers. This fact was brought to the notice of Government. Orders were issued for adjustment of the amount paid for 1957-58 from the amount due to them for later years. The Union have now represented that the proposed adjustment may be dropped. The Government have considered the waiver of recovery of bonus paid to workers for the year 1957-58 by mistake and they have now finally decided to waive it.

Deleterious workers' allowance: G.O. Ms. No. 43, dated 6th January 1958—Orders were issued that a sum of Rs. 6 per mensem be paid from 1st October 1957 in addition to the salaries to such of the employees of the distilleries whose salary is less than Rs. 106 per mensem subject to the condition that the total emoluments should not exceed Rs. 106 per month. The above increase was sanctioned for a period of two years in the first instance. The amount was subsequently ordered to be paid up to 31st December 1959. In G.O. Ms. No. 725, Revenue, dated 28th April 1965 sanction was accorded for the payment of deleterious allowance at the rate of Rs. 6 per mensem to all the workers at the Government Distilleries at Narayanaguda and Kamareddy with effect from 1st April 1964. It was, however, clarified that the ministerial staff working in the distilleries will not be eligible for the allowance. The Workers' Union have made representation making the following demands:

(a) Deleterious allowance be paid for the period 1st October 1960 to 31st March 1964;

(b) Ministerial staff also be paid this allowance as the offices are situated in the premises of the factory;

(c) that the allowance may be paid during the leave period also.

Government do not propose to concede the demands.

Interim Relief:—The Union has demanded payment of extra D.A. of Rs. 15 per worker per month to meet the high prices of food commodities with the stipulation that the interim relief be adjusted against the final recommendation of the 1-man Pay Commission. Government are not agreeable to concede this request.

Transfer of Staff:—The Distilleries Employees' Union in their strike notice have pointed out that some jawans of the Excise Department who are posted at the factory and who are...

In charge of the Attendance Register are harassing the workers and some of the Jawans of the Excise Department are working in the same place for the last 10 to 15 years. The Union has requested that these personnel may be transferred. This is an administrative matter. If and when a case of harassment by individual Jawans is brought to the notice of the General Manager, he will attend to such cases.

Seniority:—In G.O. Ms. No. 1567, Revenue, dated 1st October 1964 orders were issued that the seniority of the persons working in the Government Distilleries be counted from 25th March 1964, the date on which the staff working in the distilleries were merged with that of the Excise Department. The Union’s demand is that the seniority of the employees be fixed with reference to the first appointment in the distilleries. The above demand and other requests of the Union are being examined separately.
