M. Constituting small teams of three members each to visit the Block and that the Block Development Officers concerned would take the teams in their jeeps and show them various development activities in the area.
Sr. D. Gopal Rao (Jaggampeta): Will the hon. Minister consider making these jeeps available on payment?

Sri K. Bhramananda Reddy: The jeeps are not for hire. It is not a question of money. It is a question of convenience. We should also see that development work in the particular Block should not suffer. When members form themselves into a group, that can be arranged. But supposing an individual member wants to go and says: "I will pay Rs 5" and another man says: "I will pay Rs 4". So it is not a question of money alone. It is a question of convenience and such other things.
