1. Have you got any more information?
information regarding any specific case, I shall get it. I can get information for one or two cases or ten cases, but if you say, 'give him information for all the cases in the entire state', then I say 'it is impossible'.

Sir, the Hon'ble Member for Mysore:—Information ready. I shall get it. I can get information for one or two cases or ten cases, but if you say, 'give him information for all the cases in the State', then I say 'it is impossible'.

Sir, the Hon'ble Member for Mysore:—Mr. Speaker, Sir, is it totally wrong question. Overload in power station, are they not. There are cases where overload is going on. The Hon'ble Member for Mysore:—Are there any cases of overload in power station? Mr. Speaker:—Are there any cases of overload in power station?

Mr. Speaker:—Law 30. There are cases where overload is going on. The Hon'ble Member for Mysore:—Suppose if the bus is taken the driver may refuse to take it. When does expense part. He has already been paid. The Hon'ble Member for Mysore:—It is not a question of any law.
This is the nature of the case. Anything that is against the law of the land which we have enacted here, the case goes against either the person or the Corporation.
Sri Vavulala Gopala Krishnayya.—Thanks.

order to the driver to drive a passenger R.T.C. order procedure the magistrate of the circle transport department would like to advise the R.T.C. order would be issued. The driver has to follow the chief inspector. If the driver does not follow the R.T.C. order, the chief inspector would advise.

Minor Irrigation Schemes

Sir,

The Chief Secretary,

The Secretary,

The Minor Irrigation Schemes Committee has discovered certain irregularities in the selection of sites for minor irrigation schemes. The Committee has recommended the following amendments to the existing provisions.

1. The selection of sites should be based on the following criteria:
   - Availability of water resources
   - Potential for agricultural development
   - Accessibility

2. The Committee also recommends the establishment of a separate department to oversee the implementation of these schemes. This will ensure better coordination and management of resources.

Yours sincerely,

Sri Mehdi Nawaz Jung—Sir, about this question, there are two points. Agricultural labour also can have a co-operative credit society. On the strength of the share capital, they can borrow money from the Bank. Secondly, agricultural labour is always landless labour. So, they can be accommodated in supplementary grants which is coming into force very shortly, I hope.

E.6. Rooms Tenement Allotments under Hire-purchase System at Mallepally.

[117]

13. (1164) Q. Mr. P. Venkatesh Rao (Rural Development):—Will the Hon. Minister for Co-operation and Housing be pleased to state:

(a) whether it is a fact that some of the 2 room tenements (Class 4 houses) in Mallepally have been allotted under Hire-purchase system during November, 1958;

(b) whether it is also a fact that the allottees have not been given possession of the houses allotted in the month of November.
(c) whether the Government propose to transfer the present occupants of the allotted houses to some other vacant houses, and thus give possession to the allottees at once?

_Sri Mehdi Nawaz Jung_—(a) Yes, but only during the month of October 1958.

(b) Out of 44 houses (2 RT) allotted on Hire-Purchase system, possession of sixteen houses has yet to be given to allottees.

(c) This is under active consideration of Government.

_Sri P. Narasimha Rao_—May I know why these allottees have not been given possession of the tenements?

_Sri Mehdi Nawaz Jung_—The hon. Member knows that in view of the Reorganisation hundreds and thousands of persons came from Andhra area and they have got to be accommodated there and as a matter of urgency they were given these houses. In a year’s time the allottees will get their houses.

_Sri P. Narasimha Rao_—Is the hon. Minister aware that these tenements are very leaky and there is a danger of their collapsing?

_Sri Mehdi Nawaz Jung_—This is rainy season, Sir. (Laughter).

_Sri P. Narasimha Rao_—Have the allottees been given alternative accommodation during rainy season?

_MR. Gopala Rao_:—Do the Government buildings leak during rainy season?

_Sri Mehdi Nawaz Jung_—New houses always leak. That is the experience all over.

_Sri P. Bhilalamarri Venkateswara Rao_—When they are constructed by private individuals, they are not leaky. They are quite all right.

_Sri Mehdi Nawaz Jung_—But my own house is a very strong house. It is leaky.

_Sri P. Bhilalamarri Venkateswara Rao_—Your house is not constructed by recently. It is a very old house.

_Sri P. Bhilalamarri Venkateswara Rao_—May I know the estimated cost of our Two Room Tenements?

_Sri Mehdi Nawaz Jung_—I cannot tell you. It ranges from Rs. 15,000 to about Rs. 20,000.
Sri Mehdi Nawaz Jung — How is it possible?

Industrial Housing Colonies in Twin Cities.

118. —

*156 (3183) Q. Sri K. Sudarshan Rao [Put by Sri Natt T. Lakshman Kanthamma]: — Will the hon. Minister for Co-operation and Housing be pleased to state:

(a) whether there is any allotment Committee for the Industrial Housing Colonies in the twin cities of Hyderabad and Secunderabad and in other towns in the State;

(b) if not, whether the Government are taking immediate steps to constitute such a committee; and

(c) whether the Government are aware that due to non-functioning of the existing Committee the workers occupying the houses in industrial colonies are experiencing many difficulties?

Sri Mehdi Nawaz Jung. — (a) An allotment Committee consisting of 4 members is in existence at Vijayawada. No such Committee is in existence in other places of the State including the cities of Hyderabad and Secunderabad.

No, Sir.

What is the current status of Small Scale Industries in Anantapur district?
Oral Answers to Questions
13th August, 1958

Sri P. Gunnlich (Pathapatnam-Reserved)—Will the hon. Minister for Endowments and Industries be pleased to state:
the steps taken by the Government to encourage the cottage industries in the State during 1958-59 in pursuance of the policy of the Government to encourage the same?

Sri A. Bhagavant Rao—All possible steps have been taken by Government to promote and develop cottage industries in the State. The programme for 1958-59 for development of Cottage Industries includes the following:

Handicrafts—24 Schemes at a total cost of Rs. 4.50 lakhs for development of handicrafts like Silver Filigree, Kondapalli and Nirmal toys, Bidriware, Himroo, Warangal and Eluru carpets, etc.

Sericulture—A sum of Rs. 4,18,000 is allocated during 1958-59 for Sericultural scheme which includes establishment of sericultural farms at various places in the State.

Village Industries—The development of village industries like hand made paper, palanquin, spinning, pottery, soapmaking, etc., in the entire State except in block areas is entrusted to the newly constituted Andhra Pradesh Khadi and Village Industries Board and the Hyderabad Khadi and Village Industries Board. During 1958-59, the Hyderabad Khadi and Village Industries Board disbursed an amount of Rs. 37,125 to various institutions and societies for development of Khadi and Village industries in Telengana area.

The Andhra Pradesh Khadi and Village Industries Board, in pursuance of the Government Resolution, inaugrated 173 khadi centres in various parts of Andhra Pradesh for implementing the Cottage Industries scheme in the form of training and production centres and
subsidies and loans to artisans and the amount spent for these schemes in block areas during 1958-59 is Rs 5,74,815.

Under the Hyderabad State Aid Act, and Madras Cottage Industries Loans and Subsidy Rules, the Government are also sanctioning loans to Cottage Industries workers and the amount so sanctioned during 1958-59 so far is Rs. 4,60,605/-.

The Honourable Member asked:—What Handicrafts (tribal and rural) 24 handicrafts have been sanctioned? 31

Under the Hyderabad State Aid Act, and Madras Cottage Industries Board Act, loans are sanctioned to Cottage Industry workers and the amount so sanctioned during 1958-59 so far is Rs. 4,60,605/-. 

The Honourable Member asked: — What is the artistic value of Handicrafts? Can you give the details? 

Handicrafts have artistic value. They can be acknowledged as a national treasure.
Village Industries Board (VIB) and Cottage Industries Board (CIB) are two of the main bodies responsible for promoting small scale industries in the country. The VIB assists in the development of village industries through various schemes and programmes. The CIB, on the other hand, focuses on cottage industries, providing assistance to artisans and small-scale manufacturers.

Historically, India has a rich tradition of traditional handicrafts, which are an important part of the country's cultural heritage. The Government of India has been actively promoting the development of these handicrafts through various schemes and programmes. The Handloom Board, Coral Industries Board, All India Village Industries Board, and the Handloom Board are responsible for the promotion of small scale industries and handicrafts in the country.

The government has been providing assistance to small scale industries and handicrafts through various schemes and programmes. These schemes aim to provide financial assistance, training, and technical support to small scale industries and handicrafts. The government has also been encouraging the use of traditional handicrafts in the modern world, by promoting them as a means of generating income and employment opportunities for artisans and small-scale manufacturers.

In conclusion, the development of small scale industries and handicrafts is an important aspect of India's economic development. The government has been providing significant support to these industries through various schemes and programmes, and there is a need to continue this support to ensure the continued growth and development of these industries.
Smt. Masooma Begum (Putthergatti).—Loans are being given for small scale industries. Will the Minister please tell us why there is such long delay in giving loans to people applying for such loans?

Sri A. Bhagavantha Rao.—There is absolutely no delay in granting loans under State Aid to Industries Act.

ANDHRA PRADESH LEGISLATIVE ASSEMBLY
Monday, the 3rd August, 1959

The House met at Half past Eight of the Clock.

[Mr. Speaker in the Chair]

QUESTIONS AND ANSWERS
(See Part I)

BUSINESS OF THE HOUSE

...
Mr. Speaker: Is it dropped?

Sri B. Ratnasabapathi: I have nothing to do with it. It is for Government to say whether it was dropped or not. It is for the Chief Minister to say. That is a different matter altogether. There are certain things on which I have got to reply and clear my name and on that point the Speaker was pleased to assure the Assem-
bly last time that opportunity would be given to me to make a statement.

Mr. Speaker : Is it dropped or is it still going on?
Sri N. Sanjeeva Reddy : The enquiry is dropped.
Mr. Speaker : Is there any action pending?

Sri N. Sanjeeva Reddy : No. The case was dropped completely. Here, some wild allegations were made against the District Officers and of course I sent the senior most Revenue Board Member. We requested the Member to go along with the Revenue Board Member. These gentlemen went there; they held an enquiry, came back and I gave the information. There it ended.

Mr. Speaker : So, there is nothing pending.

Sri N. Sanjeeva Reddy : There is nothing pending with the Government.

Mr. Speaker : Is any action contemplated against the Member?

Sri N. Sanjeeva Reddy : I do not think we shall go to the extent of taking action against the Member. It is dropped. At least, today I feel it is all over, unless the hon. Member wants to raise it again and wants a further enquiry. It was dropped.
3rd August, 1959

Business of the House

Mr. Brahmmananda Reddy: This matter raises grave issues and I would request you to consider all the pros and cons before giving a ruling.

Mr. Brahmmananda Reddy: I do not want to go into the case further. I will get better information. I take this view in the interests of the House. Therefore, I want to place all the facts before this House. I do not want to go into the case further.
He is under the impression that we made the allegations. It is not that we made the allegations against him. The allegations made by the Member were enquired into by an Officer along with him.

The Member's allegation was a serious allegation, but I was only warning him. Even in the House, when he was making the wild allegation, I warned him. The allegation made by the Member was enquired into by an Officer along with him. He was told that he would have to stand by it and announce it as a Revenue Board Member. Despite that, the report was prepared.

I never made any allegation against any member. I was the person who enquired and the revenue member was the person who presented the report. I placed it. I gave the information to the House.

The Member's allegation was from the other side.

Mr. Speaker: I shall go through the proceedings. I feel that the hon. Member...

Serious or not, I shall go through the proceedings.

Adjournment Motion Re: The high-handed behaviour of the Circle Inspector of Police, Suryapet, Nalgonda District

Mr. Speaker: I have received notice of the following adjournment motion from Smt. A. Kamaladevi and Sri G. Yellamanda Reddy:

"We herewith give notice to move a motion to adjourn the House to discuss a matter of urgent public importance viz.

The high-handed behaviour of the former Sub-Inspector of Police (present Circle Inspector), Suryapet, Nalgonda District, who, with a batch of ten constables, raided the house of Sh. B. Narasimha Reddy, M.L.A., in his own village, Kamvitala in Suryapet Taluk on 12-4-59 at 8 p.m. and beat the inhabitants and created havoc.

When will the Hon. Chief Minister give information on this?"
Sri N. Sanjeeva Reddy: If you give me three or four days’ time, I shall get the information.

Mr. Speaker: I shall post it to the 10th August 1959.

Calling attention to matters of public importance re:

High-handed behaviour of the Police Circle Inspector of Mulug Taluk, Warangal District

Mr Speaker: I have received notice of the following motion under Rate 74 of the Assembly Rules from Sri S.V.K. Prasad and Sri S. Rajeswara Rao:

“We want to draw the attention of the hon. Home Minister to the high-handed and illegal activities of the Circle Inspector of Mulug, Warangal District, viz. Chandramouleswar Rao, by his help to those evicting tenants in Ghanpur, by hand-cuffing important leaders of Mulug Taluk Communist Party and parading them in this condition before the landlords, by openly propagating on behalf of the landlords against Communist Party Leaders and M.L.As.”

The motion is posted to the 7th August 1959.

Distribution of agricultural loans to the tune of Rs. 16 lakhs to the Ryots of Guntur District.

Mr. Speaker: I have received the following motion under Rule 74 of the Assembly Rules from Sri B. V. Sivaiah and Sri Kolla Ramaiah:

“We would like to draw the attention of the hon. Minister for Agriculture to the following matter of urgent public importance, with your kind permission:

“The Government (State) have allotted Rs. 16 lakhs for distribution as agricultural loans to the ryots in Guntur District for this year. The season for application of manures has already been commenced. An amount of about Rs. 8 lakhs was sanctioned by the District Agricultural Authorities by 25-7-59 from the commencement of the season, for the purchase of chemical fertilisers. These loans have to be disbursed only in the shape of fertilisers. The District Co-operative Marketing
Society, Guntur is the Chief Distributing Agency of the chemical fertilisers. The District Co-operative Marketing Society is flatly refusing to supply the chemical fertilisers to the loanees by honouring the loans sanctioned by the District Agricultural authorities. The Society is selling the fertilisers through their agencies by way of cash sales. Thus the needy ryots, who are in distress are put to much inconvenience and hardship. When this matter was brought to the notice of the District Agricultural authorities, they expressed their helplessness in securing the fertilisers to the loanees. Thus almost all loaneess are in wilderness to get the fertilisers in the right time. It was reported that the District Agricultural Authorities were able to disburse an amount of Rs. 80,000 only out of an allotment of Rs. 16 lakhs by 24-7-59.

Hence the need for calling the attention of the hon. Minister for Agriculture to this matter of urgent public importance and to urge upon the hon. Minister to give immediate orders to the District Co-operative Marketing Society, Guntur to honour the loans sanctioned by the District Agricultural Authorities and to distribute 80% of the chemical fertilisers allotted to them to the loanees till the entire loan is disbursed.

The motion is posted to the 10th August 1919.

MOTION RE:

Extension of time for presentation of the report of the Regional Committee on the Panchayat Samitis and Zilla Parishads Bill, 1959.

Sri K. Brahmananda Reddy: Sir, I move that the time for presentation of the report of the Regional Committee on Panchayat Samitis and Zilla Parishads Bill, 1959 be extended up to 5th August, 1959.

Mr. Speaker: Motion moved.

Mr. Speaker: ...
Motion re
Extension of time for presentation of the report of the Regional Committee on the Panchayat Samithis and Zilla Parishads Bill, 1959

3rd August, 1959

I would like to move a motion to extend the time for presenting the report of the Regional Committee on the Panchayat Samithis and Zilla Parishads Bill, 1959. This extension is necessary due to some unforeseen circumstances. Could we take up this matter?

Mr. President, may I move this motion?

Mr. President, may I move this motion? May I move this motion?

Mr. President: I move to announce that the motion for extending the time for presenting the report of the Regional Committee on the Panchayat Samithis and Zilla Parishads Bill, 1959, is not urgent. Therefore, the motion is not taken up for discussion.

(The discussion is interrupted.)

Mr. President: The discussion is interrupted.
3rd August, 1959

Motion 1(e).

Extension of time for presentation of the report of the Regional Committee on the Panchayat Samithis and Zilla Parishads Bill, 1959

Sri N. Sanjeeva Reddy: Mr. Speaker, Sir !....

Sri Pillalamarri Venkateswarulu: I am on my legs, Sir.

Mr. Speaker: Yes. You are on your legs.

(Laughter)

Now we shall go to the next subject. Flood situation in the state.

Sri A. Venkat Reddy: On a point of order, Sir. I have a point of order. It seems that the Business Advisory Committee has fixed some business. You have to fix the Business Advisory Committee as per Procedure 26. Sir, I would like to point out that there has been no notice and due to the Business of the House being spread over the day, I would like to follow, under Procedure 26, Business Advisory Committee as per Procedure 26, since it is a long subject and the situation of the flood is betterment. I am mentioning this for future intimation and next time, when we are practical, we will discuss further about the
Motion re:

Extension of time for presentation of the report of the Regional Committee on the Panchayat Samithis and Zilla Parishads Bill, 1939

Flood situation is getting worse with every day. The demands for Business arose, and the Speaker has agreed. Business shall proceed as per agenda. No variation in the allocation of time order shall be made except on request of the Leader of the House who shall notify to the House that there was general agreement for such variation which shall be enforced by the Speaker after taking the sense of the House.

Mr. Speaker, Sir, the Regional Committee has passed a resolution, which is in the interest. The Government has nothing to do with it. It is a separately constituted Committee. The Chief Minister is not a member of that Committee. I am not taking part in the Regional Committee Proceedings. I am not trying to force anything on the House. If the Leader of the Opposition also agrees, we shall proceed with the work. If you say that we shall have
a holiday for to-day, I entirely agree with you. Let the Leader of the opposition say something. I am prepared to accept it.

Motion re Extension of time for presentation of the report of the Regional Committee on the Panchayat Samithus and Zilla Parishads Bill, 1959

Mr. Speaker: The question is: That the time for presentation of the report of the Regional Committee on Panchayat Samithus and Zilla Parishads Bill, 1959 be extended up to 2nd August, 1959.

The motion was adopted.

Mr. Speaker: Now we go to the next subject viz., Flood situation.
DISCUSSION ON THE FLOOD SITUATION

3rd August, 1959

West Godavari

The discussion on the flood situation in West Godavari district was held on 22nd August. The district administration has been working day and night to ensure the safety of the people affected by the floods. The district officials have been visiting the affected areas, distributing relief materials, and providing medical care. The administration has also been closely monitoring the water levels of the rivers in the region.

West Godavari has been declared a flood-affected area. As of 20th August, 116 villages have been affected by the floods. The district administration has been working closely with the affected villagers, providing them with necessary assistance.

The administration has also been closely monitoring the water levels of the rivers in the region. As of 20th August, the water level in the Godavari River has been kept to a minimum to prevent any further damage. The administration has also been closely monitoring the water levels of the rivers in the region.

Birds sanctuary, irrigation, relief measures, and other non-official schemes have been combined with the water conservation measures. A separate department is needed for these non-official schemes. The various departments are functioning separately, and the combined schemes have been taken up jointly with the non-official schemes. The joint execution of the schemes has been taken up by the department.

Discussion on the Flood Situation

The government has decided to carry out the works immediately. The required materials such as rough stone, packing, cement and grout will be supplied as per the order.

The government is continuing to provide food relief to the affected people. The government is also considering the possibility of implementing other schemes such as flood control and land development.
Discussion on the Flood Situation  
3rd August, 1959

The situation regarding the flood is very serious and we are taking all possible steps to mitigate it. The affected areas are in close proximity to the river, and we have been monitoring the water levels closely. The administration has been taking immediate action to ensure the safety of the residents. The flood has caused damage to crops and infrastructure, and we are working on recovery plans to help the affected communities.

We are also providing emergency food supplies and medical aid to the affected areas. Our priority is to ensure that everyone's basic needs are met during this time. We are closely coordinating with the relevant authorities to provide timely assistance.

The situation is under control, and we are working towards a quick resolution. We appreciate the support of the local community and the government in this crisis. We will continue to update you on the progress of the situation.

Thank you for your understanding and support. We are working tirelessly to ensure the safety and well-being of everyone affected by the flood.

Discussion on the Flood Situation

The flood situation has been a major concern in recent months. The government has taken several measures to address the crisis. The authorities have been working on relief and rehabilitation efforts. The focus has been on providing assistance to those affected by the floods.

In many areas, the situation has worsened due to continuous rainfall. The government has urged the people to remain vigilant and take necessary precautions. Special powers have been invoked to expedite the acquisition proceedings and start development work. The government has also initiated correspondence with various stakeholders to ensure effective implementation of the Intensive Manoroh Samyukta (Integrated Manpower Scheme) in flood-affected areas. This scheme aims to provide immediate relief to the affected people.

Local residents have been actively involved in the rescue and relief operations. They have been working tirelessly to save lives and property. The government has appreciated the efforts of the community and has promised support to continue the relief work.

Despite the challenges, the government is committed to overcoming the flood situation. The focus remains on providing necessary assistance to the affected people and restoring normalcy as soon as possible.

*Sir Dr. N. V. Patil (Union Minister):* 
As you know, the recent heavy floods have affected many parts of the country. The losses caused by floods are enormous. The situation is very grave. 

*Sir K. B. Doshi (Member):* 
I would like to comment on the recent floods. The Central Government has taken several measures to mitigate the effects of the floods. However, the situation is still critical. 

*Sir V. P. Desai (Member):* 
I would like to mention the Upputuru Widening Scheme, which has been instrumental in reducing the impact of floods in the region. 

*Sir P. V. Kuria (Union Minister):* 
The Government is committed to providing assistance to affected areas. We are working closely with the state governments to ensure that the affected people receive the necessary help. 

*Sir R. V. Desai (Member):* 
I would like to express my concern over the lack of preparedness for such events. There is a need for better planning and implementation of flood control measures. 

*Sir V. P. Desai (Member):* 
I would like to propose that we look into the possibility of using technology to improve our flood management strategies. 

*Sir K. B. Doshi (Member):* 
I would like to express my deep concern over the loss of life and property caused by the floods. The Government should take immediate action to address these issues.

Discussion on the Flood Situation

3rd August, 1959

In view of the situation in some parts of India, particularly in the states of West Bengal, Assam, and Orissa, where floods have resulted in widespread damage to infrastructure and loss of life, the Prime Minister, Mr. Jawaharlal Nehru, addressed the nation and outlined measures to provide aid. The government has declared a state of emergency in affected areas and has initiated a massive relief operation. The efforts include the deployment of military personnel, the distribution of food, medicine, and shelter, and the restoration of damaged infrastructure.

The Prime Minister emphasized the importance of coordination among various agencies to ensure effective relief operations. He appealed to the people to remain calm and cooperate with the authorities to mitigate the effects of the flood. The government has also requested international aid to support the ongoing relief efforts.

The situation remains critical, with several regions still experiencing heavy rainfall and flooding. The government is closely monitoring the developments and will take further steps as necessary to address the needs of the affected populations.

Discussion on the Flood Situation

3rd August, 1959

In the recent monsoons, there have been numerous incidents of flooding in various parts of the country. The 1959 monsoons were particularly heavy, leading to widespread flooding and damage. According to reports, the rivers were swollen beyond their normal capacities, inundating many areas. The affected regions include several districts in the southern and eastern parts of the country. The situation was particularly critical in the Rayalaseema region where the Godavari and Krishna rivers breached their banks. The heavy rainfall and the overflow of these rivers led to the flooding of low-lying areas, causing damage to crops and infrastructure. The authorities have been working tirelessly to mitigate the situation, including the release of water from reservoirs and the deployment of relief teams. However, the ongoing situation continues to be challenging due to the persistent nature of the monsoons. The government has called for increased vigilance and preparedness to handle any further incidents.

Discussion on the Blood Situation

3rd August, 1959

The situation regarding the blood was described by Mr. (Name) during the discussion. According to him, the blood situation in the country has been a major concern for some time. There have been reports of blood shortages in various parts of the country. The government has taken several steps to address this issue, including setting up blood banks and encouraging voluntary blood donations. However, the situation remains critical, and more efforts are needed to ensure a stable blood supply. The discussion highlighted the importance of continued awareness and education about the need for blood donations.

Discussion on the Flood Situation

conference wise, the situation in the districts of Mysore, Mandya, Chamarajanagar, and Hassan is critical, with a heavy flow of water. The administration is on high alert, with regular reports being submitted to the government. The river levels are rising, and the risk of flooding is increasing. The district authorities are working round the clock to ensure the safety of the residents. The situation is particularly critical in the areas along the riverbanks. The administration is taking all necessary precautions to prevent any loss of life or property. The water levels are expected to peak in the next few days, and the residents are advised to stay indoors and follow the instructions of the authorities.
Mr. Speaker: Will the Minister for Irrigation and Power make any statement?

*Sri J. V. Narsinga Rao: I have got a short statement to make.

The Krishna-Eluru canal had breached for a length of about 150 feet. It has been fully made up and the supply to the Canal restored.

There was also a breach near Eluru due to a breach in the Thammileru banks. Both the breaches in the Thammileru banks and the Eluru canal have been made up and supply restored.

Godavari: The Enamanduru drain, itself a continuation of Errakaluva has breached extensively near Bhimavaram. This has been fully made up and there is no flow there now.

There were breaches on Eluru Canal near Pulla near Tadepalligudem. These are being made up and the latest report is being awaited.

Record: Record

The Hon'ble Secretary, Department of Water Resources, said:

"The floods of 1959 have been exceptional. The losses are estimated to be in the order of $50 million. This is a frightening figure. The government has already incurred commitments of $30 million. We have to face the fact that the floods have been unprecedented. The damage is immense. The government has already taken steps to assess the damage and to assist in the restoration of the affected areas. It is estimated that the cost of the flood control measures will be in the order of $30 million. The government is committed to implementing these measures."

Up-to-date reports are being received from the Special Chief Engineer. These reports indicate that the situation is under control. Permanent measures, namely, the construction of flood control measures, are being undertaken. The government is also considering the construction of an irrigation scheme to help in the rehabilitation of the affected areas. The government is committed to implementing these measures. The Secretary concluded by saying that the government is committed to ensuring the safety and well-being of its citizens.

I put you to the proof. If any member has a paper ready, will you please put it to the desk? Other wise, how can we except? How can the Assembly take seriously the statements of a member who says, 'In jajagat'?

I do not want to make any serious allegation upon the government. But does any one ought not to be allowed to put down what a member has on the desk?
