Oral Answers to Questions.

Gazetted Officers’ Tour Programmes to M. L. As.

621—

*356 Q. Sri Basava Maniah (Andole) : Will Hon. the Chief Minister be pleased to state:

(a) whether it is a fact that every gazetted officer of the District is required to send a copy of his tour programme to the M.L.As. of the District;

(b) is it a fact that the Gazetted Officers of Medak District are not sending their tour programmes to the concerned M. L. As. since 3 years; and

(c) if, so the reasons for the same?

The Chief Minister (Sri N. Sanjeeva Reddy) : (a) There are instructions in the Andhra area that the Gazetted Officers should communicate their Tour programmes to the Members of the State Legislature. No such instructions were issued in the Telengana area either by the erstwhile Hyderabad State or by this Government after the formation of the enlarged State of Andhra Pradesh. Revised instructions applicable to the entire State have since been issued.

(b) & (c) As instructions were issued to the officers in the Telengana area only recently, the Gazetted Officers
of Medak District might not have sent their tour programmes to the Members of the State Legislature till now.

Sri N. Sanjeeva Reddy: Notice please.

(a) Yes, except the 14 individual Departmental Administration Reports appended to G. O. Ms. 1974, G. A. (General-C) Department, dated 17–12–1958.

(b) A copy of G. O. is placed on the table of the House. As the State Administration Report in its enlarged form in two volumes brings within its compass all the individual accounts furnished by the several Heads of Departments in a condensed form, it was considered that such a handy publication would meet the purpose of the majority of the individual departmental Administration Reports which have been dispensed with from 57–58
onwards except the 14 reports mentioned in the appendix to the G O. referred to above.

Paper laid on the Table of the House with reference to Clause (b) of answer to question No. 776 (starred) put by Sri Vavilala Gopala Krishnayya, M.L.A.

GOVERNMENT OF ANDHRA PRADESH

Abstract.

REPORTS--Individual Departmental Administration Reports published by the various Departments Discontinuance as a measure of economy and preparation of the State Administration Report in two volumes - Orders - Issued.

GENERAL ADMINISTRATION (GENERAL C.) DEPARTMENT

Read the following :

(1) General Administration (General-C) Department U.O. Note No. 9116/57-2, dated 20-9-1957.

(2) General Administration (General-C) Department U.O. Note No. 9116/57-3, dated 25-10-1957.

(3) Government Memorandum No. 9116/57-19, General Administration (General-C) Department, dated 9-8-'58.

(4) General Administration (General-C) Department U.O. Note No. 9116/57-22, dated 28-8-1958.

ORDER:

In the former Andhra State there were about 60 departmental Reports (now in Andhra Pradesh with new additions they number about 70) printed and published by the Heads of Departments which are being continued in the new set-up of Andhra Pradesh. Some of the departmental Administration Reports are published for the Calendar year, some for Financial Year and some for Fasli Year. These reports, after their publication, are distributed by Heads of Departments to various address entries according to the free distribution lists approved by the Department of the Secretariat thus entailing heavy expen-
diture in their printing. On a review of the progress in the printing and publication of the departmental Reports it was observed that many of the individual departmental Reports were not published by the due dates prescribed by the various Departments of Secretariat with the result that such delays in the publication of reports rendered them useless by the time they came out from the Press.

2. In view of the abnormal delays in the publication of the individual departmental Administration Reports and also the imperative need for observing economy in the expenditure of the Government Departments it was suggested that the printing of series of individual departmental Administration Reports, the printing of most, if not all of which, could be dispensed with, if their subject matter was brought within the compass of the State Administration Report by giving more details than at present as this would not only result in economy but also have the advantage of giving the public and legislators beside Government Departments the contents of the various Departments in one handy volume.

3. After consulting the select Heads of Departments and the Departments of the Secretariat in the matter, Government have decided as under:

(1) The State Administration Report should be brought out for each financial year in two volumes - one part being narrative and the other containing exhaustive statistics;

(2) The next State Administration Report should be for the full financial year, viz., for the period from 1-4-1957 to 31-3-1958 which is under compilation at present;

(3) The individual departmental Administration Reports mentioned in the Appendix to this Order should continue to be published as usual and the rest of the Reports of the Departments need not be prepared and published from 1957-58 onwards (i.e., Reports relating to Calendar Year 1957, Financial Year 1957-58 and Fiscal Year 1957-58).

(4) The Departments which will publish their departmental Reports separately should, nevertheless, furnish material for the State Administration Report which will be incorporated therein in a condensed form.

4. The detailed material in two parts for incorporation in the State Administration Report for the financial year 1958-59 onwards should be furnished by the Heads of Departments through the concerned Departments of the
Secretariat so as to reach the State Administration Report Officer in General Administration Department invariably by the end of July each year, and every attempt should be made by him to bring out State Administration Report by the end of October every year.

List of individual Departmental Administration Reports which should continue to be published separately.

(c) whether there is any proposal before the Government to give age and other exemptions to the political sufferers at the time of appointment; and

(d) if so, the details thereof?

Sri N. Sanjeeva Reddy: (a) & (b) Under the existing orders where the prescribed conditions regarding qualifications are strictly fulfilled and any other considerations affecting the assessment of merits of candidates are equal, participation in national work should be regarded as an additional qualification and preference accorded to candidates who made sacrifices in the cause of the country's independence in the matter of appointment to Public services. Political sufferers are eligible for such preference in the matter of appointments in all departments.

(c) & (d) There is no such general proposal before the Government. But the Government have recently given certain concessions in the matter of age and educational qualifications to political sufferers for appointment to certain posts in the Community Development Programme. Smt. Masoona Begum (Pathergatti): There are so many questions regarding house sites for Harijans. Can not something be done by holding a conference of the District Officers and settling the matter once for all?

Sri S. B. P. Puttabhirama Rao: The matter can not be settled so easily. There are some difficulties in some cases, for instance, the Harijans want house sites in a
particular spot which is not convenient nor advisable for the ryot to release. They may want it in the centre of a big field which is cultivable land. In some cases there are political parties working up. It is difficult; it cannot be done overnight. In some cases they go to the High Court for a writ and if a stay is given it will be difficult. I may assure the hon. Member however that we are doing our very best.

Mr. Speaker: What she wants is to expedite the matter.

Sri S. B. P. Pattabhi Rama Rao: In most of the Districts we have put additional Officers for the Department of Harijan Welfare. So, we are doing our best.

The cost of acquisition is a difficult. Political parties encourage it and it is difficult. I may assure the hon. Member however that we are doing our very best.

Mr. Speaker: What she wants is to expedite the matter.

House sites for Harijans of S. Thimmapuram.

644—

1033 Q. Sri G. Nageswara Rao (Razole):— Will the hon. Minister for Education be pleased to state:

(a) whether it is a fact that Harijans of S. Thimmapuram, Peddapuram taluk, East Godavari district were granted house-sites and the lands were surveyed in 1955:

(b) if so, the reasons for not acquiring the sites till now?

Sri B. P. Pattabhi Rama Rao:— (a) Yes, Sir.

(b) Necessary orders have since been issued to the concerned authorities for the issue of pattas to the grantees.

Sri S. B. P. Pattabhi Rama Rao: An area of 3.24 acres was acquired to provide house-sites to 39 Harijan families of S. Thimmapuram, Peddapuram Taluk, East Godavari District under G. O. dated 12—9—1956. The award could not be passed, the possession of lands could not be taken and assignment of plots could not be made to Harijans for want of funds during the past 3 years. The Collector, East Godavari has reported that the R. D. O. passed the award on 17—3—1959 and has furnished the approved lay-out plans to the Tahsildar, Peddapuram on 7—7—1959 for the issue of pattas to Harijans.

* Question No. 645 together with Answer is printed at the end of the proceedings as the Member was not present.
(b) if so, the number of members of the society; and
(c) whether it is also a fact that members do not belong to the locality?

The Minister for Co-operation (Sri Mehdi Nawaz Jung)
(a) Yes, Sir;
(b) There are 49 members on rolls of the Society.
(c) All the members are residing in Thokalapally village.

Survey of big cities and towns.

647—

*733 Q. Srimathi T. Laxmikantamma: Will the hon. Minister for Co-operation and Housing be pleased to state:

the progress made so far in the survey of big cities and towns in Andhra Pradesh made by the Town Planning Teams appointed for the purpose?

Sri Mehdi Nawaz Jung: The Physical survey of the different parts of the twin cities of Hyderabad and Secunderabad which will be affected by the Master Plan is in progress and is expected to be completed within the next six months. The City unit is also responsible for the scrutiny of various development schemes for Housing and Public Buildings etc., now in progress and also schemes which are likely to be taken up in the near future keeping in view the aspects of the Master Plan.

Similarly, the Urban unit is also busy in preparing the physical survey and the factual survey of the three important towns viz., Vijayawada, Guntur and Visakhapatnam, which is almost ready and a draft Master Plan for each town will be taken up in the next month.

The City and Urban Units are also busy in preparing a Zoning Plan and a Plan showing the use of land for each town. The factual survey regarding the density of population, housing conditions, traffic, shopping areas and slums is also in progress.

Eviction of Harijans in Rajahmundry Municipality.

648—

*1050 Q. Sri G. Nageswara Rao: Will the hon. Minister for Co-operation and Housing be pleased to state
(a) whether it is a fact that the Rajahmundry Municipal authorities are compelling 14 houseless Harijans to evict from T. S. No. 961/1-AG of S. Ward No. 1; and

(b) if so, whether Government propose to order not to evict them?

_Sri Mehdi Nawaz Jung:_ (a) T. S. No. 961/1-AG of S Ward 1 is not traceable in the Survey Records of the Rajahmundry Municipality.

(b) Does not arise.

_Sri Mehdi Nawaz Jung:_ The position is this. These lands were acquired by the Municipality. One of them was given to Ramakrishna Mut for having a Harijan colony. The number has been given wrongly by the hon. Member. The land was acquired with the idea of development. But it is a low lying lane and it should be raised by two feet or so. Till then it cannot be occupied. In the meanwhile Harijans have encroached upon that land and they have to be evicted from there. At the same time the Municipality is looking for a land to settle them amicably and well.

_Sri Mehdi Nawaz Jung:_ We cannot interfere with the proceedings taken by the Municipality there. They are acting according to law.

_Sri V. Visweswara Rao:_ Where poor people occupy the sites, unless they are provided with alternative sites, will the Government take steps to see that no eviction takes place?

_Sri Mehdi Nawaz Jung:_ Government should not interfere in the affairs of the Municipalities and the local bodies. They can decide these things very well.
Mr. Speaker: You mean P. W. D. lands and Revenue Lands?

Sri V. Visveswara Rao: Yes, Sir.

Sri Mehdi Nawaz Jung: All that is looked into by the Municipalities and the local authorities. Government cannot go into that.

Mr. Speaker: In the Revenue and P. W. D. sites which are in Municipal areas, Government directly is giving notice to the people to vacate the lands. The question is whether you will see that they are not evicted till they are provided with alternative sites?

Sri Mehdi Nawaz Jung: It is difficult for me to say anything in the matter. I would again submit respectfully that these things should be decided by the local authorities, Sir.

Sri V. Visveswara Rao: It has to be decided by the Government.

Sri Mehdi Nawaz Jung: Not at the Assembly Table, Sir.

Mr. Speaker: Do you mean that the District Revenue or P. W. D. Authorities will decide?

Sri Mehdi Nawaz Jung: The decision of the Government will be communicated to the Municipalities.

Mr. Speaker: They are not municipal sites. They are Revenue or P. W. D. sites. What do you do with regard to them?

Sri Mehdi Nawaz Jung: You tell me, Sir, what to do.

Mr. Speaker: The Speaker has no opinion.

Mr. Speaker: Or you leave it to the discretion of the district authorities. What is the general policy?
Sri Mehdi Nawaz Jung: The general policy is that those who are evicted should be found another suitable place and should be rehabilitated there. That is the practice.

Representation from the Pradesh Marketing Society

114 Q. Sri V. Visveswara Rao: Will the hon. Minister for Co-operation and Housing be pleased to state:

(a) whether it is a fact that the Pradesh Marketing Society represented to the Government to permit them to do business in iron, cement, wheat and manures; and

(b) if so, the action taken thereon?

Sri Mehdi Nawaz Jung:— (a) It is presumed that the Honourable Member refers to the Andhra Co-operative Marketing Federation, since there is no society by name ‘Pradesh Co-operative Marketing Society’ The Federation represented that it might be permitted to undertake business in Iron, Cement, Wheat and Manures.

(b) Action taken on each of the above items is as below:

Iron & Steel: The Federation applied for appointment as a controlled stockist for distribution of Agricultural quota of Iron and steel for Andhra Districts. The Application was forwarded to the Iron and Steel controller-Calcutta, for issue of a licence and the matter is under correspondence with the Iron and Steel Controller, Government of India.

Cement: As the permit system for the distribution of Cement to the consumers is abolished, the question of enlisting the co-operatives as stockists does not arise. The Federation has been informed of the position.

Wheat & Wheat Products: The Federation has been appointed in March 1959 as import dealers in wheat products for Andhra area but by the time the institution took up distributorship in June, the distribution of Maida and Sooji was discontinued. The question of entrusting the Federation with the business in wheat is separately under consideration.
Manures. The matter is under consideration of the Government.

Sri V. Visveswara Rao: When was it forwarded? Why has the Controller not taken a decision? When will he take a decision?

Sri Mehdi Nawaz Jung: Perhaps, it was not for Government to take any action.

Sri V. Visveswara Rao: It is for the Director of Controlled Commodities to take a decision.

Sri K. Vijaya Bhaskara Reddy: May I know when the Federation applied to the Government to forward their application to the Director of Controlled Commodities and what action the Government has taken to see that the Federation is registered as Stockists?

Sri Mehdi Nawaz Jung: Government is annoyed at the behaviour of the Controller and the indifference on their part. The hon. Minister for Agriculture is trying to get him over to discuss the matter and take a decision. But he has not been successful as yet. All the same the hon. Minister for Agriculture is trying to do his best.

Co-operative Credit Societies in Parvathipuram Revenue Division.

650—

Q. Sri B. Srirama Murthy: Will the hon. Minister for Co-operation and Housing be pleased to state:

(a) whether there is any proposal before the Government to disaffiliate the Co-operative Credit Societies in Parvathipuram Revenue Division from the Central Co-operative Bank Vizianagaram, with a view to attach them to Central Co-operative Bank at Srikakulam;

(b) whether any representation was received in this regard by the Government;

(c) the reasons for disaffiliating the said societies; and
(d) whether the Government propose to ascertain the viewpoint of the various village co-operative credit societies in Parvathipuram Division in this regard?

Sri Mehdi Nawaz Jung; (a) & (b) Yes, Sir. A representation has been made to Government to exclude the Taluks of Salur, Bobbili, Parvathipuram, Palakonda and Cheepurupalli of Srikakulam District from the area of operations of the Co-operative Central Bank, Vizianagaram and to include them in the area of operations of the Co-operative Central Bank, Srikakulam.

(c) This will facilitate to bring the entire Revenue District of Srikakulam under one Co-operative Central Bank.

(d) The disaffiliation of a society from one bank or its affiliation to another Bank is to be decided by the general body of the particular society, as per its bye-laws.

Sri M. Satyanarayana Raju: Suppose all the co-operative societies in these four taluks or five taluks are against this move. Will the Government force them to join in Srikakulam Bank still?

Sri Mehdi Nawaz Jung:- The Srikakulam Central Bank have passed a resolution in their general body that they are prepared to take these five taluks in their jurisdiction. The Vizianagaram Bank also passed a resolution for their affiliation. It will be decided according to their wishes.

Sri B. Srimanamurthy:- At present, the Central Cooperative Bank, Srikakulam has been superseded. Therefore, when the normalcy returns, to that particular central cooperative bank, then alone this proposal may be considered by the Government, if it is necessary, at all. Will the Government do so?

Sri Mehdi Nawaz Jung :- As far as we understand, all these five taluks wish to go to Srikakulam. That is our impression, and accordingly we are acting.

Sri M. Satyanarayana Raju :- First of all, the Bank at Srikakulam is not in a position to have elections there. In that case, is there any meaning of affiliating these five taluks in that Bank when there is no stability of the bank itself?

Sri Mehdi Nawaz Jung :- Government is entirely impartial. It does not matter whether they are here or there. But it is left to their own decision.
Sri B. Srinarammurthy: The bank at Srikakulam itself is not functioning well. When the Vizianagaram Bank is functioning well and all these four or five taluks are amicably going on, what is the necessity for the authorities to affiliate these five taluks in Srikakulam Bank.

Sri Mehdi Nawaz Jung: I fully endorse the views of the hon. Member. Vizianagaram Bank is doing very well. But we will have to depend on the decisions of the societies. If the five taluks join together and wish to have their own Bank, they can have it. Now the general policy is that there must be one Central Bank in each district excepting those areas such as Krishna and other districts.

Sri M. Satyanarayana Raju: The move should come from these five taluks and not from any outside taluk or taluks.

Therefore other questions do not arise. The hon. Members feel that Srikakulam Bank is not doing properly and still no action has been taken.

Central Co-operative Bank, Vizianagaram.

*1362 Q. Sri Srima Murthy: Will the hon. Minister for Co-operation and Housing be pleased to state:

(a) whether the Government have decided to take steps to supersede the Central Co-operative Bank, Vizianagaram; and

(b) if so, the various irregularities and defects found out for taking such action?

Sri Mehdi Nawaz Jung: (a) No, Sir.

(b) Does not arise.
Besides, I may say that the Vizianagaram Bank is one of our best Banks.

*1306 Q. Sri Vavilata Gopalakrishnayya: Will the hon. Minister for Law be pleased to state:
(a) whether the Government propose to publish the List of Acts, Regulations and Ordinances in force in the State of Andhra Pradesh up-to-date; and
(b) if so, in what languages?

The Minister for Law (Sri G. Venkata Reddy Naidu):—
(a) Yes, Sir.
(b) In the English and Telugu languages.

*944 Q. Sri B. Sanarayya:— Will the hon. Minister for Finance and Planning be pleased to state:
(a) the quantity (in tons) of rice exported to Madras from Nellore District from January to the end of June of 1959;
(b) the quantity (in tons of rice) thereof exported in the name of the merchants after paying purchase tax to the State Government; and
(c) the quantity (in tons) of rice exported without paying the purchase tax?

The Minister for Finance and Planning (Sri K. Brahmamandala Reddy): (a) The quantity of rice exported from Nellore to Madras and also to other places outside the State of Andhra Pradesh is 28,318 tons. Particulars of exports exclusively to Madras are not available.
(b) 26,905 tons.
(c) 1,413 tons.
Several measures are being taken to check this kind of illicit transport, if there is any.

The quantity of rice exported from Nellore to Madras and also to other places outside the State of Andhra Pradesh is 28,318 tons.

No answer.

Scheme for Old-age Pension.

1590 Q. Smt. T. Lakshmikantamma: Will the hon. Minister for Finance and Planning be pleased to state:

(a) whether the State Government is aware that scheme for old-age pension has been introduced by the
Utter Pradesh Government and that a similar scheme is being considered by the Punjab Government;

(b) whether the State Government propose to consider introducing a similar scheme in Andhra Pradesh; and

(c) whether the State Government will be pleased to obtain the scheme of the Utter Pradesh Government and place it on the Table of the House?

Sri K. Brahmananda Reddy: (a) Some information has appeared in the Press regarding the Utter Pradesh scheme.

(b) No proposal is under consideration of this Government.

(c) The Utter Pradesh Government has been addressed in the matter and as soon as their reply is received, it will be placed on the Table of the House.

* Rebate on the Sale of Handloom Cloth.

1054 Q. Sri S. Kasi Reddy (Podili) :- Will the hon. Minister for Endowments and Industries be pleased to state:

(a) whether the delegates that assembled at the All India Handloom Meeting held during May 1959 at Ootacamund discussed the question of abolition of the rebate on the sale of handloom cloth; and

(b) if so, the result thereof?

The Minister for Endowments and Industries (Sri A. Bhagawantiha Rao): (a) and (b): Presumably the Member refers to the Handloom Seminar originally proposed to be held at Ootakamund during May 1959. If so, the Seminar on Handloom Industry was held on the 4th and 5th June 1959 at Madras instead of at Ootacamund and the question of abolition of the rebate on the sale of handloom cloth was discussed among other questions. The general consensus of opinion was that time was not opportune yet for the immediate abolition of the rebate scheme and that therefore it may be allowed to continue. The matter is under consideration of Government in consultation with the Director of Handlooms.
