*716 Q. Sri Basava Manikah and Sri D. K. Sutya Reddy: Will the hon. Minister for Public Works be pleased to state:

\*Q. Sri V. Visweswara Rao (Mylavaram): Will the hon. Minister for Public Works be pleased to state:

(a) whether the Government propose to develop Horsely Hills as a summer resort to the Government; and

(b) if not, why?

The Minister for Co-operation (Sri Mehdi Nawaz Jung): (a) It is not the intention of the Government to develop Horsley Hills as a summer resort of the Government. The Horsley Hills have been developed as a Health Resort for the benefit of all and particularly for low-income groups.

(b) Does not arise in view of answer to Clause (a) above.

Sri V. Visweswara Rao: When will the work be taken up and what are the proposals under consideration?

Sri Mehdi Nawaz Jung: The proposals are to provide family tenements for low-income groups, to provide accommodation for low-income groups for 16 people, a post office and a police naka. There is also provision for a building for the Consumers’ Co-operative Stores, a cafetaria and a club for recreation purposes with an open-air theatre. There is a tourist centre provided there from the grant that we got from the Government of India spending about Rs. 75,000. Electricity which was available nearby has come. Water is there and roads are being improved. Furthermore, there is going to be a building — a sort of circuit house — for officers and others who wish to go and stay there. That is the position.

Sri V. Visweswara Rao: Will the Government allot land for private people also?

Sri N. Sanjeeva Reddy: A co-operative society is formed there and houses will be constructed through the society, and not by individuals by themselves.

Sri V. Visweswara Rao: How many persons are there in the co-operative society?
Sri N. Sanjeeva Reddy: The co-operative society has got some members, perhaps, about 120. There is a Committee which consists of the Collector, Mr. Chengalraya Naidu and others. I think they have got money for about 25 or 30 houses. I do not have the correct information. Perhaps, the hon. Minister for Co-operation will be able to give some information on that point.

Sri Mehdi Nawaz Jung: There are applications for 100 houses. The cost of house is Rs. 5,000 only, because the material is cheap there and is available easily.

Sri Mallapudi Rajeswara Rao (Divi — Reserved): It appeared in newspapers that the Government propose to construct necessary buildings in this place for having some Session of the Assembly.

Sri Mehdi Nawaz Jung: No. Accommodation does not permit it, but the members of the Assembly are welcome to spend their holidays there. (LAUGHTER)
