Monday, the 7th March, 1960
The House met at Half Past Eight of the Clock

[Mr. Speaker in the Chair]

QUESTIONS AND ANSWERS

(SEE PART I)

ANNOUNCEMENT

Re: Election of a member on the Zonal Railway Users' Consultative Committee of the Central Railway

Sri K. Satyanarayana is duly elected to be a member on the Zonal Railway Users' Consultative Committee of the Central Railway.

PAPER LAID ON THE TABLE OF THE HOUSE

Annual Financial Statement for 1960-61 and Supplementary Financial Statement for 1959-60 of the Andhra Pradesh State Electricity Board.

*The Minister for Planning (Sri P. Ranga Reddy)
(Deputizing for the Minister for Public Works): Sir, I lay on the Table under sub-section (3) of Section 61 of the Electricity (Supply) Act, 1948 (Central Act No. 54 of 1948), a copy of the Annual Financial Statement for 1960-61 and Supplementary Financial Statement for 1959-60 of the Andhra Pradesh State Electricity Board.
Mr. Speaker: Paper laid on the Table.

PRIVILEGE MOTIONS
Presentation of Report

*Sri S. V. K. Krishnavatharam (Tadepalligudem General):

Sir, I move that the Third Report of the Committee of Privileges (Vani Ramana Rao case) may be taken into consideration.

I move, Sir, that the 4th Report of the Committee of Privileges (the S. V. K. Prasad and G. Gopalareddi case) may be taken into consideration.

I move, Sir, that the 5th Report of the Committee of Privileges (The Deccan Chronicle case) may be taken into consideration.

Mr. Speaker: Motions moved.
Privilege Motions
Presentation of Report

7th March, 1960

The question is:

That the Third Report of the Privileges Committee (The Vani Ramana Rao's case) be adopted.

The motion was adopted.

Privilege motion is dropped in this case.

The question is:

That the Fourth Report of the Committee of Privileges (The S. V. K. Prasad and G. Gopala Reddi case) be adopted:

The motion is adopted.

Privilege motion is dropped in this case.

*命题. ప్రివాసిస్ కమిటీ అంశాబంది (చాలా) : ఏంధ్యా ప్రేములాంతరం మేన్న పరిశీలించినది ఏఖాదు చేసాలనుకుంది పరిశీలన సమాప్తి లభించింది.

*ప్రత్యేక సమయం (చాలా సమయం) : ఆధ్యాత్మిక ప్రత్యేకం చాలా పరిశీలన సమయం కాయలు రాయాలని కోసం ప్రేములాంతరం కేంద్రం ప్రత్యేక సమయం లదించింది. బయట పతియిందేpetition అభిప్రాయం సంపూర్ణం చేయబడింది. పరిశీలన సమయం ప్రారంభం చేయబడింది.

Budget for the Year 1960-61

Voting of Demands for Grants

Mandir: The leaders of the opposition have welcomed the approval of the budget proposals for the year 1960-61. They have termed the proposals as a step in the right direction.

For the year 1960-61, proposals have been approved for land revenue, and proposals for Local Development Works.

Local Development Works: The budget for Local Development Works has been approved. The budget has also approved proposals for revenue and expenditure.

Sanction: The proposals have been approved and sanctioned. The proposals include proposals for revenue and expenditure.

Local Development Works: The budget for Local Development Works has been approved. The budget has also approved proposals for revenue and expenditure.

Sanction: The proposals have been approved and sanctioned. The proposals include proposals for revenue and expenditure.
Budget for the Year 1960-61

Voting of Demands for Grants

Sir: In the course of the discussion on the Financial Statement of Receipts and Expenditure, which I have the honour to make before this House, I have already at some length referred to the various aspects of economic development in the country. It is now my duty to call the attention of the House to some of the more urgent problems which have arisen during the past year and which in my opinion are of the utmost importance. These problems include the question of the betterment levy, the question of wet rates, and the question of the Betterment tax.

Betterment levy is a tax imposed on the increase in the value of property due to improvements made by the owner. It is levied by local authorities and is intended to provide funds for the improvement of public amenities and the maintenance of public works. The levy is usually paid by the owner of the property and is deductible from the tax liability of the owner.

Wet rates are a tax on the value of property which is levied by local authorities in order to provide funds for the improvement of public amenities and the maintenance of public works. The rates are usually paid by the owner of the property and are deductible from the tax liability of the owner.

Betterment tax is a tax imposed on the increase in the value of property due to improvements made by the owner. It is levied by local authorities and is intended to provide funds for the improvement of public amenities and the maintenance of public works. The tax is usually paid by the owner of the property and is deductible from the tax liability of the owner.

The M.P. in his budget speech stated that the financial year 1960-61 was a challenging one for the Government. The M.P. highlighted the need for prudent financial management and emphasized the importance of prioritizing essential expenditures. He mentioned that the Government was focusing on infrastructure development, education, and social welfare programs. The M.P. assured the House that the budget would be presented in a way that reflected the Government's commitment to the welfare of the people.

The A.G. Office presented the financial report for the year 1960-61. The report highlighted the progress made in various sectors, including education, health, and infrastructure. The A.G. Office emphasized the challenges faced during the year and the measures taken to address them. The report also highlighted the Government's commitment to transparency and accountability in financial management.

The Finance Minister presented the budget speech, which was followed by a discussion in the House. The Minister highlighted the need for a balanced approach to taxation, and the importance of addressing the concerns of small and medium enterprises. The Minister assured the House that the Government would continue to work towards a vibrant and dynamic economy.

The M.P. in his closing remarks emphasized the importance of fiscal responsibility and the need for a transparent and accountable financial system. He thanked the House for its support and assured the Government's commitment to continue working towards the betterment of the people.

Validation Bill continued from previous day. The Hon. Chief Minister
noted that the Validation Bill had been delayed due to procedural
issues. He stated that the process had been started and would be
completed soon. The Hon. Chief Minister reminded the House
that the bill was a crucial step in the process of validation.

A stay order had been issued by the Honourable Court of
increasing the demand for grants. The Hon. Chief Minister
noted that the increased demand was due to the current
situation and requested that the House consider the proposal
immediately.

The Hon. Chief Minister also informed the House that
100 per cent of the sources had been utilised. He stated
that the government had requested an increase of 200 per
cent in the budget for validation. He added that the
proposal had been approved by the House.

Finally, the Hon. Chief Minister thanked the House for
their support and asked for the House's approval for the
budget for validation.

Srinivas Rayachoti Kollamala Srinivas Rao

Mr. President, Sir, Madam Members of the House, I beg to move the following

estimate for relief for the year 1960-61. The estimate is necessary to meet the

exigencies of the Government and the public in the event of a drought. The

Government has been informed by the Department of Agriculture that the

rainfall in the State is likely to be normal. The Department has therefore

recommended that the estimate for relief should be left open for the time

being. I therefore move that the estimate for relief be left open for the

time being.

Mr. Speaker, Sir, I beg to move the following estimate for Police

Action for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Action be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Protection for the year 1960-61. The estimate covers the following items:

(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Protection be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Maintenance for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Maintenance be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Training for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Training be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Building for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Building be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Salaries for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Salaries be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Retirement for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

I beg to move that the estimate for Police Retirement be passed.

P. C. Reddy

Mr. Speaker, Sir, I beg to move the following estimate for Police

Deposits for the year 1960-61. The estimate covers the following items:

(i) Loans
(ii) Subsidy on loans
(iii) Material

..
Budget for the Year 1960-61

Voting of Demands for Grants

On 7th March, 1960

Delivering his Budget speech, G. R. J. R. K. Waidyananda, the Finance Minister, recommended land reforms in the country which, he contended, would bring about a fruitful Economic development. Among the major reforms, the Minister mentioned:.

1. Agricultural Income Tax
2. Tenancy Commission
3. Tenancy Act
4. High Court
5. Validation of Provision
6. Land Reforms
7. Tenancy
8. Circulars
9. Session

The Minister also expressed his appreciation of the programme for economic development.
I wish to bring to the notice of the hon. Speaker a very important statement made by the Hon. Deputy Chief Minister. He has made a statement as regards the Panchayat Samithi President and others who are elected. That should be withdrawn or expunged.

Sri Vijaya Bhaskara Reddy: That should be withdrawn or expunged.

*** Expunged as ordered by the Hon. Speaker.
Mr. Speaker: Anyhow, you can kindly withdraw that.

(PAUSE)

Mr. Speaker: The hon. Minister withdraws that.

Sri Vijaya Bhaskara Reddy: Mr. Speaker, Sir, will this be expunged from the proceedings?

Mr. Speaker: Oh, Yes.

Sri Ravi Narayana Reddy: Naturally.

Mr. Speaker: Now, I shall put the Cut Motions to vote.

DEMAND No. I - Land Revenue - Rs. 3,29,69,000

Mr. Speaker: The question is:

To reduce the allotment of Rs. 3,29,69,000 for Land Revenue by Rs. 100

1960-61 Budget: A detailed overview.

...
7th March, 1960

Budget for the Year 1960-61

Voting of Demands for Grants

The Budget for the Year 1960-61 was presented in the Assembly on 7th March, 1960. The Hon'ble Finance Minister, Shri. R. Venkatarama Reddy presented the Budget in the Assembly. The Budget for the year 1960-61 is estimated to be Rs. 1,78,60,00,000. The revenue receipts are estimated to be Rs. 1,50,60,000, while the revenue expenditure is estimated to be Rs. 1,40,60,000. The surplus or deficit is estimated to be Rs. 10,00,000.

The Hon'ble Finance Minister briefly outlined the various schemes and projects that are to be undertaken during the year 1960-61. The schemes include the development of irrigation projects, the development of road infrastructure, the development of industrial areas, and the development of educational institutions.

The Hon'ble Finance Minister also announced a number of measures to be taken for the benefit of the people. These measures include the provision of subsidies to farmers, the provision of loans to the poor, and the provision of education to the children.

The Hon'ble Finance Minister also outlined the steps that are to be taken to ensure the proper utilization of the funds that are to be provided. He emphasized the need for transparency and accountability in the utilization of the funds.

The Hon'ble Finance Minister concluded his speech by assuring the people that the Government is committed to the welfare of the people and that every effort will be made to implement the schemes and projects that have been outlined in the Budget.
Budget for the Year 1960-61
Voting of Demands for Grants

7th March, 1960

The Hon'ble Members were supplied with the following papers:

For the financial year ended 31st March 1961 the Government of Andhra Pradesh presented a budget of Rs. 22 crores. The Appropriation Bill has been passed by the House.

The House then adjourned at 10.30 a.m. in the forenoon.

Note: The above translation is for easy understanding. A note type is included to indicate any necessary additions or clarifications.
Inland fishing Nowadays there are many experts in the field of inland fishing. There are two main types of inland fishing: 1) Basket fishing (where one person uses a small net to catch fish) and 2) Net fishing (where a large net is used to catch fish). There are two types of basket fishing: 1) Small-scale fishing, which involves fishing with a small net, and 2) Large-scale fishing, which involves fishing with a large net. In large-scale fishing, experts are needed to operate the nets and ensure that the fish are not caught too often. Expertise in basket fishing is also needed to ensure that the fish are not caught too often. Capital investment is the key to developing the inland fishing industry. The capital investment required for large-scale fishing is much higher than for small-scale fishing. There are currently 32 experts in basket fishing and 7 experts in large-scale fishing.

Deep sea fishing Nowadays there are many experts in the field of deep sea fishing. There are two main types of deep sea fishing: 1) Trolling (where one person uses a large net to catch fish) and 2) Trawling (where a large net is used to catch fish). There are two types of trolling: 1) Small-scale trolling, which involves using a small net, and 2) Large-scale trolling, which involves using a large net. In large-scale trolling, experts are needed to operate the nets and ensure that the fish are not caught too often. Expertise in small-scale trolling is also needed to ensure that the fish are not caught too often. Capital investment is the key to developing the deep sea fishing industry. The capital investment required for large-scale trolling is much higher than for small-scale trolling. There are currently 32 experts in small-scale trolling and 7 experts in large-scale trolling.

Animal husbandry Nowadays there are many experts in the field of animal husbandry. There are two main types of animal husbandry: 1) Small-scale husbandry, which involves raising animals on a small scale, and 2) Large-scale husbandry, which involves raising animals on a large scale. In large-scale husbandry, experts are needed to ensure that the animals are healthy and well-fed. There are currently 32 experts in small-scale husbandry and 7 experts in large-scale husbandry.

Sea fishing Nowadays there are many experts in the field of sea fishing. There are two main types of sea fishing: 1) Basket fishing (where one person uses a small net to catch fish) and 2) Net fishing (where a large net is used to catch fish). There are two types of basket fishing: 1) Small-scale fishing, which involves fishing with a small net, and 2) Large-scale fishing, which involves fishing with a large net. In large-scale fishing, experts are needed to operate the nets and ensure that the fish are not caught too often. Expertise in basket fishing is also needed to ensure that the fish are not caught too often. Capital investment is the key to developing the sea fishing industry. The capital investment required for large-scale fishing is much higher than for small-scale fishing. There are currently 32 experts in basket fishing and 7 experts in large-scale fishing.
Budget for the Year 1960-61

Voting of Demands for Grants

7th March, 1960

In the House of the Legislative Assembly of Andhra Pradesh, on the 7th March, 1960, the Hon. Speaker, Mr. K. N. Menon, presided over the House for the quorum of 40 members.

Mr. A. A. Sahat: On the Vote of Credit, the House moved into Committee.

Mr. H. V. N. Reddy: The Government has shown a total of 20,000 trainees of which 16,000 are cold storage trainees. The cold storage trainees will be trained in cold storage units and will be assigned to various cold storage units in the State. The Government has planned to install 2 motor vans and 8 vans for the cold storage trainees. The Government has also decided to construct a cold storage unit in the State.

Mr. M. V. Reddy: The Government has decided to construct a cold storage unit in the State. The Government has also decided to install 2 motor vans and 8 vans for the cold storage trainees. The cold storage trainees will be trained in cold storage units and will be assigned to various cold storage units in the State.
82 7th March, 1960

Budget for the Year 1960-61

Voting of Demands for Grants

revised budget £4 2, 3 and 6 was allotted to inland fishing and £1 to deep sea fishing.

Technical side shows that 31 fishing yards in inland fishing are subsidised with £5 yards for

subsidising 31 6 yards to subsidise 36 yards. In deep sea fishing, 36 yards (£5 yards) can

be subsidised with £5 yards. 

deep sea fishing for 36 yards, can be subsidised with £5 yards.
Animal Husbandry

The live stock population in 1960-61 was estimated to be 1,42,80,000, an increase of 30,000 from the previous year. The Department of Animal Husbandry is responsible for the maintenance of these livestock and the development of breeding centres. The following measures are taken to ensure the health and productivity of the livestock:

1. **Curative Measures**
   - Animals are treated when they fall sick.
   - Veterinary services are provided.

2. **Preventive Measures**
   - Vaccination and deworming of animals are conducted to prevent diseases.
   - Sanitary measures are taken to prevent the spread of diseases.

The stock population is also monitored to ensure its sustainability and productivity.
7th March, 1960
Budget for the Year 1960-61
Voting of Demands for Grants

This year, the demand for Animal Husbandry Farm and Veterinary Services has been increased from Rs 65 lakhs to Rs 68 lakhs. The expenditure on Veterinary Education and Research has been increased from Rs 5 lakhs to Rs 7 lakhs. The demand for the Middle Course in Animal Husbandry has been increased from Rs 3 lakhs to Rs 5 lakhs. The demand for the minor veterinary dispensaries has been increased from Rs 20 lakhs to Rs 25 lakhs. The demand for touring vans has been increased from Rs 60 lakhs to Rs 90 lakhs. The demand for aid centres has been increased from Rs 50 lakhs to Rs 80 lakhs.

85

Milk Supplying and Milk Powder Factory 3, adult cattle, poultry. Also, the establishment of pilot schemes in adult cattle and poultry. The scheme will be financed by a 50% grant from the Government. The scheme will cover the purchase of cattle and poultry. The Animal Husbandry Department will acquire these animals and will manage the feeding farm for adult cattle, pig breeding, sheep breeding, etc. The results of the Animal Husbandry Department will be published annually. The scheme will be managed by the Animal Husbandry Department and will be supervised by the Department. The scheme will be financed by a 50% grant from the Government. The scheme will cover the purchase of cattle and poultry. The Animal Husbandry Department will acquire these animals and will manage the feeding farm for adult cattle, pig breeding, sheep breeding, etc. The results of the Animal Husbandry Department will be published annually. The scheme will be managed by the Animal Husbandry Department and will be supervised by the Department.
To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for not afforesting the demanded hills in the reserve forests in Chittoor District.

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for not completing working plans in many districts.

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 to criticise the Government for not developing zoological gardens.

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for the failure of the Government to start forest industries like saw mill, lac production etc., in as many places as possible.

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for the failure of the Government to start a research station in Chittoor district to conduct researches in forestry especially on fast growing species in eroded soils.

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for not training personnel in soil conservation.

Mr. Speaker: Motions moved.

Sri B. Dharmabhiksham: Sir I beg to move:

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100 for the failure of the Government to provide adequate facilities and facilities for training personnel in soil conservation.
To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100

Mr. Speaker: Motions moved:

Si G. Yellamandareddy: Sir, I beg to move:

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100

Mr. Speaker: Motions moved:

Sri Vavilala Gopalakrishnayya: Sir, I beg to move:

To reduce the allotment of Rs. 1,22,56,600 for Forest Department by Rs. 100
to impress upon the Government to allow forest areas where no regeneration was possible to the poor Harijans and Vimuktajati people for cultivation.

Mr. Speaker: Motion Moved.
To reduce the allotment of Rs. 1,43,30,000 for Animal Husbandry by Rs. 100
to criticise the Government for not providing permanent quarters to Palamaner cattle farm.

Mr. Speaker: Motion moved.

Sri Mohammad Tahaseel: Sir, I beg to move.

To reduce the allotment of Rs. 1,43,30,000 for Animal Husbandry by Rs. 100

Mr. Speaker: Motion moved.

Voting of Demands for Grants

V. K. Narayana (Member): Mr. President, the Finance Ministry has suggested the following proposals for your consideration. These proposals are unclassified and are as follows:

1. Facilities to improve the existing facilities.
2. To reserve certain funds for future needs.
3. To declare certain proposals as classified.

I do request you to consider these proposals carefully and make the necessary budgetary arrangements.

Budget for the Year 1960-61
Voting of Demands for Grants

7th March, 1960

...
I now adjourn the House to 8-30 a. m. on Tuesday the 8th March 1960.

(The House then adjourned till Half Past Eight of the clock on Tuesday, the 8th March, 1960.)
Sri M. Pallam Raju: Mr. Speaker,

I rise to present the demand under grant No. IV Forests.

Andhra Pradesh is essentially an Agricultural State. It is needless to over emphasise the beneficial effects of Forests on the agrarian as well as agronomic economies of a Country. Not only do the forests prevent the huge reservoirs from being silted up; they also safeguard the fertility and moisture of the agricultural soil and check the dangers of erosion and shifting sands which occur in areas bereft of tree growth. By the systematic management and exploitation of forests, the demands for fuel and timber are met and the grazing needs of the cattle are also fulfilled.

The National Forest Policy evolved by Government of India prescribes that 33½ per cent of the total land area should be under forests. The total area of our State is 1,06,975 Square miles of which an area of 24,617 Sq. miles is under Forests. Thus the forests constitute, about 23% of the total area of the State as against 33½% prescribed in the National Forest Policy. It is therefore the aim of our Government of Andhra Pradesh, to adopt the policy laid down by the Government of India and to strive the increase the forest area in the state to come to the target fixed by the National Forest Policy.

With the abolition of the Zamindaris and Jagirs and the restoration of Panchayat Forests to the Forest Department, large tracts of maltreated and recklessly exploited forests have come under the control of the Forest Department, and it has become the task of the Government to rehabilitate these Forests. The preliminaries for the reservation of these areas namely demarcation, settlement, and survey of the areas are under progress by the Special Parties appointed for the purpose and the areas will be ultimately added to the Reserved Forests of the State.
Systematic Management:

The policy of the Government is to work the Forests to the best advantage of the community subject, however, to the silicultural principles. Attempts are continued to increase the potential value of the Forests by bringing suitable areas under teak. In coastal forest divisions, large scale planting of Causarina and Cashew is continued. The Reserve Forests, the Panchayat Forests, the Ex-estate and Ex-Jagir Forests are continued to be managed under regular working plans and working schemes.

The cry for Forest land and agitation for disreservation for agriculture is ever on the increase. However the Government are considering the question of assignment of lands under cultivation in the panchayat and ex-Estate Forests in all genuine cases.

Our Forests and their Exploitation:

The Forests in Srikakulam, Visakhapatnam, East Godavari, West Godavari, Kurnool, Adilabad, Khammam, Karimnagar, Nizamabad and Warangal Districts contain mainly timber. In Rayalaseema where the rainfall varies from 20" to 30", the Forests are capable of producing only fuel and small agricultural implements and provide grazing ground for the cattle. Teak, Maddi, Red sanders, and Sandalwood and other important species occur in our forests. Besides these bamboo is found in plenty. The Forests also contain important Minor Forest Produce like Tooki leaves, Soapnuts, Tamarind, Myrobalans and Tan barks. The exploitation of the Forests is generally through the agency of the Contractors who buy timber, fuel and bamboo and Minor Forest Produce Coupes. Besides this, the Forest Department have taken up the following schemes departmentally to meet the demands for timber from the Railways, Post and Telegraphs, Department, Electricity Department and to supply bamboos for the manufacture of paper by the Andhra Paper Mills.

(i) Departmental extraction and sale of timber in Godavari Lower and Upper Divisions.

(ii) Departmental extraction and supply of bamboos to Andhra Paper Mills, Rajahmundry, from the Forests of Godavari Upper and Lower Divisions.
Departmental extraction and sale of timber in Jannaram Range of Mancherial Division of Adilabad District.

Departmental working of timber in Warangal Division.

Departmental working of Casuarina coupes in Guntur Division.

Departmental collection and sale of soapnuts in Guntur and Kurnool Districts.

Departmental extraction of sandal in Chittoor, Anantapur, Giddalur and Tandur Division.

Through these Commercial undertakings the department has secured about 15 lakhs of additional revenue to the State. The total out turn of timber from the Forests under the control of the Forest Department per annum is 32,36,202 Cft. and 27,73,316 Cft. of fuel. The annual revenue during 1958-59 was 274 lakhs and the estimate of revenue during 1959-60 is 271 lakhs. The estimated revenue for 1960-61 is 267 lakhs. The detailed statement of revenue and expenditure for the years 1957-58, 1958-59, 1959-60 and 1960-61 is appended. It as the aim of the department to get sustained yield of revenue and to increase it in all possible ways without depleting the growing stock. This is possible only through the improvement of the quality and quantity of the crop. Systematic management and scientific treatment are the objectives of the Working Plans. Such Working Plans cover already an area of 18,508 sq. miles roughly about 2/3 Forest area and the remaining area will be brought under proper working plans in due course.

Measures taken to increase the revenue and achievements during the last year and proposals:

The existing inferior types of forest area are being improved by introducing more valuable species and new forests are created by Forest regeneration operations undertaken in several divisions. The following are some of the very important species regenerated in the forests:

Teak:

An area of 1,200 acres is planted with teak annually in different districts of the State.
Casuarina:

An area of 1500 acres is planted annually in coastal districts of the State. During 1959-60 an additional area of 359 acres is being planted in Nellore North and South Divisions this bringing the total area regenerated with Casuarina to 1859 acres during the year.

Cashewnut:

Cashewnut is a dollar earner. An area of 5000 acres was planted with cashew during 1958-59. During 1959-60 an area of about 9400 is planted and the plantation raised during the previous years have been maintained. Thus the total area regenerated with cashewnut plantations is 23,400 acres.

The plantations of 1957-58 are expected to begin yield in fruit from 1960 onwards and fetch an estimated revenue of Re. 1 lakh. Thus all the subsequent plantations also begin to yield in their fourth year and add to the revenues of the State.

Eucalyptus:

This very important fast growing fuel species is being raised in Chittoor West and Godavari Lower Division. An area of 272 acres was planted with Eucalyptus during 1958-59. It is proposed to undertake large scale regeneration of this species round about Hyderabad to meet the demand for fuel in the twin cities of Secunderabad and Hyderabad.

During 1959-60, an area of about 1000 acres is being raised with Eucalyptus and during 1960-61, 300 acres are proposed for planting in Nellore North and Nellore South Division.

The Department has also undertaken planting of Pineapple, Coffee, Pepper, Wine, and other revenue fetching crops in the forests.

Afforestation of dry eroded lands is also being continued under Second Five Year Plan and an area of 2882 acres was taken up for afforestation with Miscellaneous species in Hyderabad, Tandur and Nalgonda Divisions during 1958-59.

A special Afforestation Division was created for afforestation of denuded hills outside Reserved
Forests in Andhra during 1959-60. 350 acres of denuded hills have been surveyed and taken up for clothing those with suitable tree species to prevent soil erosion and also preservation of fertility of the soil.

Besides the management of the Forests, as explained above, the Forest Department has also undertaken the improvement of communications in Agency areas and Nallamalies by laying out roads to open up these areas for exploitation under Second Five Year Plan. This acts as an ameliorative measure for the welfare of the hill tribes. The Construction of Quarters for subordinates in suitable places both in plain and agency areas has also been undertaken.

The Forest Department has also launched a new scheme for Establishment of Zoological Gardens at Hyderabad on most modern lines, for which a provision of Rs. 7.50 lakhs has been made for the current year and 3.00 lakhs for next year. A Director has been appointed with necessary staff in this regard and the scheme is in good progress.

Activities Helpful to the Public: Hill tribes:

The Hill tribes namely Chenchus, Koyas, Kondadors, Ghonds and Yanadis that inhabit in our Forests are being taken care of by giving them various facilities like cultivation, timber and fuel for their domestic use and free grazing. The department has been incurring large expenditure on their rehabilitation every year. Forests provide grazing facilities to the cattle of the State on a nominal licence fee. Schools are run by the department to import education to the Chenchus boys. Bull loans are also given to them. Medical aid is also provided for them, by maintenance of a hospital at Pecheruvu and also by engaging a mobile medical van to visit the interior villages of Chenchus and attending the sick.

The Forest Department has undertaken the scheme of planting denuded hills is various districts of the State by contour trenching as an anti-erosion method. Ryots are given the concession of free removal of grass in head loads from the Forests. The concession of removal of green manure leaf from the reserved
forests is given at a nominal rate of 4 annas per cart load. The Government have also granted the concession of free removal of thorn material from the reserved forests throughout the state. To benefit the poor fuel sellers in the Estate areas the system of allowing them the removal of fuel in head loads and Kavadi loads from fuel coupes at 6 and 12 naya paisa respectively, is continued. Relief is provided to the poor victims of fire and flood by allowing them to remove building material from the forests.

General:

In an expanding economy the importance of Forests need not be over emphasised. They constitute the basis of the national wealth and they have therefore to be managed chiefly, in the interest of the nation as a whole and as such their organisation and development is one of the important functions of the Forest Department. In this regard, the basic policy is to attain national self sufficiency in the Forest resources. Forestry is a long term enterprise which the State only can undertake. The Forests constitute one of the main sources of income to the State Exchequer. A steady flow of funds is therefore essential to maintain the sustained forest operations and income therefrom. They have to be based on phased schemes which should not be underrated. Budget cut can therefore be made only at the expense and detriment to the continuity in Forest management.

As per the statement attached, the estimated revenue for 1960-61 is Rs. 2,67,00,000. The estimated revenue expenditure is 1,22,56,600. The percentage of expenditure against the Revenue is 45.25. According to the accepted principles in all the countries of the World 60% of the revenue is to go back to the Forest for all its protection, preservation, regeneration and development. As the percentage of expenditure is within the limit of 60% the department is fully justified for the estimated demand of Rs. 1,22,56,600. The demand may therefore please be voted.
