General Discussion on the Budget for the year 1960-61.

1st March, 1960

The situation in the country needs a concerted action for controlling the inflation in the economy. The prices of essential commodities have been on the rise recently. The government has taken several measures to control inflation, including setting up of price control committees and imposing excise duties on certain goods. The public is also being educated about the need for controlling inflation.

Flood control measures have been decided on. The construction of dams and irrigation projects in the river valleys is being speeded up. The government has allocated a large amount of money for these projects. Flood control measures will help in reducing the damage caused by floods in the country.

General Discussion on the Budget for the year 1960-61

1st March, 1960

The Hon'ble Member referred to the general financial situation. He expressed the view that the government has been faced with the situation of having to meet the expenditure of the Union as well as the States during the financial year 1960-61. He pointed out that red-tapism and stagnation are the major factors that have contributed to this situation. The administration, therefore, needs to be improved to reduce red-tapism.

The budget for 1960-61 reflects the overall situation. The tax burden has been increased to cater to the needs of the Union and the States. The budget for 1960-61 is expected to meet the expenses of the Union and the States.

General Discussion on the Budget for the year 1960-61.

The Members present were Mr. Prabhakar, Mr. Pathak, Mr. Dixit, Mr. Shastri, Mr. Mehrotra, Mr. Dinkar, Mr. Jha, Mr. Singh, Mr. Chavan, and Mr. Sinha.

Mr. Pathak: I would like to draw your attention to the budget for 1960-61.

Mr. Dixit: Please note that the details of the expenditure have been worked out in the statement attached.

Mr. Shastri: It is clear from the statement that the expenditure for 1959-60 is Rs. 1,47,56,900, whereas for 1960-61 it is Rs. 1,88,41,800.

Mr. Mehrotra: The increase in expenditure is mainly due to the increased demand for electricity. The demand for electricity has increased from 14,15,000 units in 1959-60 to 22,00,000 units in 1960-61. The Electricity Board has recommended a scheme to meet this increased demand. The scheme has been sanctioned by the government.
