On a point of submission, Sir. My information is that every State has got only one representative on the Committee. Madras has got one, we have got one.

That is the position, as it stands. Where a division is there, there are two representatives. It is not as if we are singled out for discrimination.

Legislature. He says that each state has got one representative on the Committee. We will request Mr. Punnayya to enlighten us on this point.

Sri R. Narayana Reddy: We would like to know the total number of members on the Committee.

Sri K. Punnayya (Cheepurpalli-Reserved): Mr. Speaker Sir. For each zone, there are certain states. There is one representative on the Committee representing each State. On behalf of the Andhra Pradesh Legislature, one representative was there. The same is the position with regard to Orissa, Bihar as also Bengal. There are no two or three members representing any one State on that Committee. Therefore, only one representative is there from Andhra Pradesh.

Sri R. Narayana Reddy: The same information which the hon. Finance Minister has given, the hon. member is also giving. What we would like to know is what is the total number of members on the Committee.

Sri K. Punnayya: We have nothing to do with the total number.
