PAUCITY OF TELUGU TYPISTS AND TELUGU STENOS

511—

*609 Q.—Sri P. Rajagopala Naidu [Put by Sri N. Venkayya (Addanki)]—Will hon. the Chief Minister be pleased to state—

(a) whether it is a fact that there is a paucity of Telugu Typists and Telugu Stenos.
(b) if so, whether any proposal is under consideration of the Government to provide higher salaries and allowances to them than those being paid to their English counterparts to overcome the said paucity,

(c) in view of the fact that the Government have accepted the recommendations of the 'Pay Committee' which has suggested attractive salaries for those posts for which there is dearth of candidates, whether the Government will consider on the same analogy to provide attractive salaries and allowances to the Telugu Stenos, and

(d) the steps intended to be taken by the Government to attract more persons to take to Telugu Shorthand and Typewriting through financial inducements in view of the intention to introduce Telugu as the 'official language of the State'?

[The Minister for Planning and Information deputised the Chief Minister and answered the questions]

The Minister for Planning and Information (Sri P Ranga Reddy) -

(a) No instances have been brought to the notice of the Government in recent years about the paucity of Telugu Typists and Telugu Stenos,

(b) & (c) Do not arise

(d) The Government have considered the question of giving training to English Typists working in various offices in Telugu typewriting after the standard Key Board is finalised and Telugu Typewriters are made available. As there is no paucity of Telugu Typists and Telugu Stenos at
present the question of attracting more persons by financial inducements has not arisen.

Give you repeat revised estimate 85,5,000 vessels of 85,000 tons. Estimate revised 1962 vessels of 85,000 tons. Engineers said so. What can we do?

What can we do?

Whether the Government decided to complete the required height as well as the tunnels of the Right side Canal of Nagarjuna Sagar Project.

*441 Q.—Sri B Sankaraya (Buchhreddipalem General). Will the hon Minister for Public Works be pleased to state.

Whether the Government decided to complete the required height as well as the tunnels of the Right side
canal at the first stage itself consistent with the entire Nagarjunsagar Project?

**SRI P RANGAREDDY -**

The sanctioned project estimate provides for the construction of the Nagarjunsagar Dam to level 525 and for the construction of one tunnel 27 feet diameter at the head of the Right Canal. These works have been taken up as sanctioned and are under construction.

The House was informed that keeping in view the advantages of taking up the second bore also of the twin tunnels during the first phase itself, the Government of
India would be approached at the appropriate time for approval to excavate the second bore. The House was also informed that it would take about three years for completing the first bore tunnel and during that period efforts would be made to start excavation of the second bore so as to complete both the tunnels before the water is let into the canals in the year 1965 on the completion of the first phase.

*880 Q—Sri S Vemana—Will the hon Minister for Public Works be pleased to state

(a) whether the Government are aware of the fact that the work at Nagarjunasagar is suffering at present due to the differences in respect of the fixation of rates arising between the contractors and Officers, and

(b) if so, the steps being taken by Government therefor?

Sri P Rangavedi

There have not been any serious differences with contractors in respect of fixation of rates as to affect the progress of work. Generally all works are allotted on the open tender system and rates upto a maximum of 10 per cent over schedule are accepted. No special difficulty has been experienced to execute works in the Project except the normal features connected with the execution of all large Engineering works.

**ABSTRACT**

TANKS – Municipal Councils and Panchayats – Tanks for use by Rajakas to be set apart – Instructions issued

Read the following –

**ORDER**

It has been suggested that, with a view to the provision of facilities to washermen, the following arrangements may be made in the Municipalities and Panchayats –

1) Separate tanks other than those set apart for drinking purposes should be reserved for washermen in every village and town.

2) Fishing in the tanks so reserved should be allowed only after the water gets almost exhausted and while fishing operation are allowed in such tanks, an alternative tank should be found so that washermen have clean water for washing purposes,
3) Provision should be made in the budget of local bodies for the removal of silt from and for enlarging the tanks set apart for washing clothes, which will be useful from the health point of view.

4) Whenever possible fishing rights in these tanks could be leased out to washermen without selling them in auction.

2 The Inspector, Municipal Councils and Local Boards, who were consulted in the matter have suggested that the desirability of having separate tanks for washing purposes may be commended to the Panchayats and Municipal Councils. The Government agrees with the Inspector and commend the arrangements mentioned in para 1 above to all Municipal Councils and Panchayats for necessary action.

HOUSE-SITES FOR HARIJANS IN KARIMNAGAR DISTRICT

537—

*841 Q — Sri P. Chokkara (Indurthi) — Will the hon. Minister or Social Welfare be pleased to state,
(a) the number of cases pertaining to house sites for Harijans which are pending in Kalinagar District, and

(b) since how long they are pending and at what stage they are at present?

Smt Masuma Begum —

(a) 85 (Eighty five cases)

(b) The pendency is ranging from 1955 to 1961. The cases pending from 1955 to 1957 are at the Award stage. In the rest of the cases, enquiry and inspection of the Tahsildar concerned, and submission of Draft Notification and Draft Declaration by the sub-ordinate offices and settlement of disputes have to be done.

Srimathi Masuma Begum — In the initial stages, Sir, in which the information is being collected to send requisition Form No 1 by District Social Welfare Officer, the number of cases is 72. Then the number of cases pending at the Revenue Divisional Officer’s office is 1. Like this the draft notification and draft declaration were submitted to Government for publication. These are six cases. Then cases pending at Revenue Divisional Officer’s office to pass awards are 2 and the cases pending at the Revenue Divisional Officer’s office to take possession of the land acqui-
The complaint is that there is inordinate delay. Will the hon. Minister try to make the whole process quicker?

Sir, in these cases, it is always the experience that when the acquisition is about to end, there is some representation that the land belongs to somebody who does not want to sell and all such sorts of things, and naturally there is delay.
