Oral Answers to Questions 5th August 1961

When there is possibility of persons committing suicide if they are made known to us or if we ourselves are able to spot it, we will certainly take precautions to prevent such things.

We believe in the saying prevention is better than cure.

Contribution by the Panchavats for Relief Works

306–

*S350 Q — Sri N C Seshadri [Put by Sri P Bapayya] (Tiruvuru) — Will the hon Deputy Chief Minister be pleased to state whether it is a fact that the Government issued instructions to the effect that Panchayats should contribute 50% of the total estimate of the roads to be started under the relief works?

Sri K V Ranga Reddy — No, Sir. In connection with the execution of famine relief works in Kurnool district during the year 1960–61, the Zilla Parishad and Panchayat Samithis volunteered to contribute 50% of the cost of the works. Pointing out this position, the other Collectors have been requested to see whether they could get similar contribution from Panchayat Samithis and Zilla Parishads keeping in view that relief is the prime condition in the selection of relief works.

Construction of Lothuvagu Project at Samissettypalli

309—

*81 (1471) Q—Sri Vavilala Gopalakrishnayya (Sattenapalli).—Will the hon. Minister for Public Works be pleased to state

(a) whether the construction of Lothuvagu Project at Samissettypalli, Badvel taluk, Cuddapah district, was under consideration of the Government, and

(b) if so, at what stage it stands?

Sri A Satyanarayana Raju —(a) Yes, Sir

(b) The stream Lothuvagu is a tributary of the River Sagileru and on an examination of the availability of supplies of the Sagileru above the Lower Sagileru Project site it was found that the dependable yield figures were not available and that further observation had to be still made. The Chief Engineer (Irrigation) had therefore been asked to examine and submit proposals after watching the effects of the Lower Sagileru Project. It is now reported that the entire ayacut contemplated under the Lower Sagileru Project has not yet developed and it is too early to contemplate taking up the scheme.

The workmen have claimed the amounts noted against each, mentioned in column (4) above, from the Mica Mine.
owners due to the contraction of Silicosis disease while they were in their employment. The Mica Mine Owners have disputed the employment of the workmen and also the contraction of Silicosis disease and the rate of wages. The cases are proceeding in accordance with the Law and the entitlement and amount of compensation will be decided after the hearing is over.

Reasons for delay in the payment of compensation to the workers

In all these cases the employers have disputed the medical certificates produced by the workmen and the employment of the said workmen in their mines. The parties have agreed to refer these cases for medical opinion to the Medical Board, at Nellore and accordingly they have been referred to them. The opinion of the Medical Board is awaited in most of these cases and they will be disposed off when their opinion is received in the manner required under Law.
