Oral Answers to Questions
30th March, 1965

Mr. J. R. G. S. S. G. H. N.:

(Question 30th March, 1965)

Oral Answer: The answer to the question is as follows:

1. J. R. G. S. S. G. H. N. asked about the rehabilitation of Agriutural colonies. The answer stated that the land colonies are being rehabilitated with the help of Exclusive and non-exclusive trades. Repatriates are being rehabilitated in Transit Camps.

2. The answer was given in detail regarding the information on repatriates in Transit Camps and the rehabilitation of Agriutural colonies.

3. The answer concluded with a statement regarding the rehabilitation of land colonies and the information provided on repatriates in Transit Camps.

Mr. J. R. G. S. S. G. H. N.:

(Question 30th March, 1965)
Mr. Speaker: One question at a time, please. He may not be able to remember all the questions.

Mr. N. Venezia: - Will the Government arrange for immediate cash relief to cash dolls and staggard dolls who have returned to their former place of work?

Mr. Speaker: Rapatriates who have returned to their former place of work will be given immediate cash relief. Cash dolls and staggard dolls are not permanent camps. The camps are only transit camps. They are not permanently rehabilitated. Staggered cash dolls have been given immediate relief. This is not permanent rehabilitation. But permanent rehabilitation is also being taken up simultaneously. When they are permanently rehabilitated of course they will adjust themselves to the circumstances.

Mr. S. Industrial Training Institute: - What is the policy of the Indian Embassy, National Congress Workers Union and the other workers of the Indian Embassy, National Congress Workers Union?

Mr. Speaker: ...
Sri N. Ramachandra Reddy:— Not only to the trainees but also to the repatriates, if the cash doles that are given do not immediately give relief and if it is found insufficient, it has to be considered in a big way and a decision by the Government of India has to be taken. We are corresponding with the Government of India and as soon as a decision is taken, cash doles and other facilities will be given.

REHABILITATION OF REFUGEES

1626—

*1837 Q.—Sri Ch. Mallikharjuna (Yellavaram):—Will the hon. Minister for Revenue be pleased to state:

What exactly are the steps taken so far by the Government for rehabilitating the refugees coming into the State?

Sri N. Ramachandra Reddy:—A brief note containing the steps taken so far by the Government for rehabilitation of the East Pakistan refugees coming into this State is placed on the Table of the House.

PAPER LAID ON THE TABLE

_Brief note on the steps taken for rehabilitation of the refugees from East Pakistan in the State of Andhra Pradesh._

Arrangements for rehabilitation of the new migrants from East Pakistan have been dealt with in two phases.

(i) immediate arrangements for temporary rehabilitation; and
(ii) Measures for permanent rehabilitation.

I. Immediate arrangements for temporary rehabilitation.

The following arrangements have been made for temporary rehabilitation of the refugees from East Pakistan:

1. Sheds have been erected and transit camps have been opened at Bellampalli and Ramakrishnapuram in Anrabad District; at Nagajunassagar Dam site and at Musi Project Aqueduct, on the left side canal of the Nagajunassagar Project, in Nalgonda District; and at Zulakallu on the right side Canal of the Nagajunassagar Project, in Guttikonda village of Palnad Taluk, Guntur District.

2. Water supply has been provided for all these camps.

3. Sanitary arrangements have been made, medical facilities have been provided in all these camps.

4. On arrival of the refugees, necessary medical aid was rendered at the Railway Station as these refugees were emaciated and showed signs of exhaustion and were subjected to anaemic dehydration and were served with light refreshments.

5. Free transport was provided from the Rail Head to the transit camp.

6. Cooked food was supplied for three days.

7. Cash doles at the rates prescribed by the Government of India are being paid to the refugees.

8. Clothing and blankets have been given to them and utensils also have been supplied to them.

9. Fair price shops for supply of food grains at the prescribed prices and for supply of essential commodities at reasonable prices have been opened.

10. Police bandobust arrangements have been made,
Oral Answers to Questions 30th March, 1965

11. Primary Schools have been opened and the literates among them have been employed as teachers.

12. Institutions and individuals engaged in social work have been associated with the rehabilitative work. Representatives of the Bharat Sewashram Bharat have been visiting the Nagrajna-Sagar Dam site and have also distributed clothes and blankets etc., to the refugees.

13. Casual labour like earth work leading and unloading of lorries has been provided for them. Some of the refugees have been absorbed as teachers, peons, watchmen, guards etc.,

14. In order to provide gainful employment to the migrants, particularly the women and the old folk, proposals for starting rural industries like sewing centre, weaving centre etc., have been sent to the Government of India for their sanction.

II Measures for permanent rehabilitation:

1. The State Government have decided to reclaim 12,000 acres of land in the Esgaon and Kadamba in Adilabad District.

2. As the refugees have been agitating for immediate grant of land, as the reclamation of forest lands would take some time, the Government have decided to release about 11,500 acres of Government waste lands in blocks of 250 acres or more out of 2,000 acres undertaken for reclamation and resettlement of landless agricultural workers on Cooperative Farming basis under the Uppal Committee Scheme.

COMMON GRADATION LIST OF TAHSILDARS

1027—

*1259 (Q) Q.-- Sarvasri A. Narayana Reddy (Buggaram) and M. Ramagopala Reddy:— Will the hon. Minister for Revenue be pleased to state:

(a) whether the common Gradation list of the Andhra and Telangana Tahsildars has been finalised by the Government without disposing off the objections filed against it, on being called for by the Board of Revenue;

(b) whether in doing so, the entire non-Gazetted service of the Andhra Tahsildars has been equated with the Gazetted Service of the Telangana Tahsildars including those of the directly recruited Tahsildars and if so, whether it is a clear infringement of the safeguards given to the Telangana services under sections 115 and 116 of the Act:

(c) whether it is a fact that such an anomalous seniority list has resulted in only four Telangana officers being promoted as Revenue Divisional Officers against 20 from the Andhra Region;

(d) whether it is a fact that the Board of Revenue as the custodian of the personal files of the Gazetted Tahsildars of Telangana failed to communicate unfavourable remarks to the concerned Tahsildars ever since 1956;
(e) if so, the action taken by the Government thereon?

Sri N. Ramachandra Reddy:— (a) and (b) No, sir.
The common Gradation list has yet to be finalised. According to the procedure, a provisional list is approved by the Government and representations received against it are being examined in consultation with the Government of India.

(c) The position stated is not correct. While for 1963-64 list 18 Tahsildars on the Andhra side and 5 Tahsildars from Telangana side were promoted as Deputy Collectors, the total number of Tahsildars promoted from both the regions from 1-1-57 to 31-12-64 are 73 from Andhra area and 72 from the Telangana area.

(d) and (e) From 1-11-56, the Joint Secretary Board of Revenue in whose custody the Personal files of the Telangana Tahsildars were kept did not find any occasion to communicate any adverse remark in the case of any Tahsildar. Under the existing instructions adverse remarks made in the Personal files of Tahsildars by Revenue Divisional Officers are required to be communicated by Collectors while those made by Collectors by the Board of Revenue. Recently in Government Memo. 3841/65 General Admn. (Ser.) dt. 2-1-65 instructions were issued authorising Collectors to communicate adverse remarks in the Personal Files of the Tahsildars made even by the Collectors themselves. The Collectors will take action in the light of those instructions.

(e) if so, the action taken by the Government thereon?
Deviation from the integrated list is necessary. The integrated list is fixed for the following reasons:

1. Criteria for selection by seniority in general should apply.
2. The integrated list should not be permanent.

Even though the list is published, we have to call for objections and they have to be heard and decisions have to be given. That time, these lists are supposed to be provisional.

Sri Ramchandra Rao Deshpande:—Mr. Speaker, Sir, do the Government realise that due to the equation of the posts of these non-gazetted Andhra Tahsildars with the gazetted Telengana Tahsildars there is a feeling of frustration in the services of Tahsildars in Telengana and all that and if so what are the steps taken to rectify it?

Sri N. Ramachandra Reddy:—I don’t think so. Some persons might be feeling so, but we have not received any representation to that effect. But any way we are trying to integrate the list.
in work, lazy in work & delays. Delays openadministration & complaints. Adverse remarks communicate explanation.

Adverse remarks communicate explanation, confidential rules, efficiency & promotions. Examinations reflect disparity & complaints. UDCS levels ensure equalisation.
As far as possible rules have been integrated and there are some rules of course which have to be integrated. Action is being pursued.

Mr. Speaker:— What Dr. Chalapathi Rao says is this: Supposing there is a dishonest officer who is corrupt, he expects his subordinates to give supplies or something like that and if they fail to oblige him in these things naturally sometimes he writes adverse remarks and then when the subordinate against whom adverse remarks are communicated gives his explanation that the officer himself for this reason has written against him like this, what is the position?

Sri N. Ramachandra Reddy:— An appeal lies in this and the superior officer will scrutinise and the reporting officer will have to substantiate his remarks. If the remarks are vague and general in nature, they are generally expunged.
Mr. Speaker: — That is why, even in the case of the officer who is writing the adverse remarks, you must also consider the remarks against that officer.

The Chief Minister (Sri K. Brahmananda Reddy):— Sir, generally, these confidential reports are a well-known method for assessing the work of an officer. Whether it has been introduced in the British time or later, it is beyond the question. Generally, we have the confidential sheet of an officer which is continued from year to year. Therefore, there is a good opportunity for the many superior officers to assess the work or the character or the conduct of the individual. As my friend said, if this has to be dispensed, it will lead to more dangerous consequences like nepotism which must be avoided. Generally, this is working satisfactorily, I should say. Of course, there may be cases where individual opinions either justified or unjustified might have crept into these things. There is however a safeguard. If any damaging remark is made, naturally the individual's explanation is called for. He can make anything in his own statement. Supposing the superior officer, for some various reasons, extraneous reasons, has written something, certainly he has a right to explain that these are the circumstances, these are my relations with him and therefore this thing has crept in. Therefore, the Government and the superior officers in the Secretariat and others will carefully scrutinise and then against the punishment proposed to be awarded they are given a show-cause notice and they have a right to explain. More than that, Sir, supposing, as Mr. Vemaya was saying, he is tactless, slack or slow, if such fairly harmless things are there, there will be a chance for the officer to rectify himself. If it is said by some superior officer that he is little slow, then whenever the officer knows that, naturally it will be a good ground for him to rectify that mistake and try to speed up matters. Therefore, all said and considered, Sir, taking an over-all view of the situation and the entire thing, I do not think it would be proper to discontinue these confidential reports.
Sri K. Brahmananda Reddy:—Yes, Sir.

Sri P. Rajagopal Naidu: Then it becomes open. Therefore, why should not the Government have open sheets? After all, when adverse remarks are communicated to the person, then it becomes open. Then why not open sheets are maintained?

Sri K. Brahmananda Reddy: Not necessary, Sir.

Mr. Speaker:—Only one thing I would ask the Government to bear in mind. Sometimes just at the time of promotion suppose the superior officer or some interested persons or somebody want to mar the chances of that particular officer they make somebody send an anonymous petition making all kinds of baseless allegations and then send it for an enquiry. Then, his promotion is withheld on the ground that since an enquiry is pending on the officer, his name is not recommended. Such a practice is resorted to by many interested persons.

Sri N. Ramachandra Reddy:—Anonymous petitions we, Pseudonymous petitions we will not take cognizance of those petitions.
Oral Answers to Questions 30th March, 1965

Sri K. Brahmanna Reddy:— Even if enquiry is ordered, do they inspire any belief? What is the previous conduct of this officer? So many things are taken into consideration. I may tell you, just because at the time of promotion somebody sends some anonymous or pseudonymous petitions, you can take it, Sir, that that itself will not be a ground for barring the promotion.

Sri K. Brahmanna Reddy:— Mr. Vemayya's opinion is not infallible just because he thinks that somebody was done injustice. After all, it is his opinion and practically that of a man in the political field.

Mr. Speaker:— What Mr. Vemayya is requesting, of course, it should be implemented; that is what they want. What is implemented?

Mr. Vemayya:— There are certain important matters which have been delayed for a long time. There are certain matters which have been pending for ages. There are certain matters which have been pending for ages. They cannot be completed within a particular time.

A member:— The matter is pending for a long time. The Government has taken some steps. The Government has taken some steps. The matter is pending for a long time. The matter is pending for a long time.

Sri N. Ramachandra Reddy :- This has been already
answered, Sir. Generally, adequate opportunity is being
given to the concerned officer and if any, adverse remarks are
there, after receiving his explanation only, action will be taken.

Dr. T. V. S. Chalapati Rao:—Mr. Speaker Sir, thank you. I am not satisfied with the answer presented. I need more clarification. I request the hon. Minister for Revenue to state:

(a) whether any memorandum dated 29-11-1964 was received from Sri Pedala Rama Rao, Rajahmunry-3 requesting the Government to give monetary aid or land grant to the heroes of "Manya Viplavam" headed by Sri Alluri Seetharama Raju; and

(b) if so, the action taken by the Government on the same?

Sri N. Ramachandra Reddy:—(a) Memorandum dated 29-11-1964 was not received; but petition dated 9-12-1964 was received by Government.

\*3877 Q.—Sri Vavilala Gopalakrishnaya:— Will the hon. Minister for Revenue be pleased to state:

(a) whether any memorandum dated 29-11-1964 was received from Sri Pedala Rama Rao, Rajahmunry-3 requesting the Government to give monetary aid or land grant to the heroes of "Manya Viplavam" headed by Sri Alluri Seetharama Raju; and

(b) if so, the action taken by the Government on the same?
(b) Cases of four individuals out of the fourteen persons referred to in the petition are already under consideration of the Collectors of East Godavari and Visakhapatnam. The Collector of Visakhapatnam is examining the other cases.

| 1636—

Sri N. Ramachandra Reddy:— That is a very comprehensive question, Sir. Of course, if the hon. Member wants, I will have no objection in giving all those details. But whether it is a gramdan village or bhoodhan village, generally in gramdan villages, there is a different pattern. In Bhoodhan villages of course, individuals are doing the land and that land is being distributed.

Mr. Speaker:— Hon. Minister can send that information.

BANTUMAKKUVA PROJECT

1636—

* 4782 Q.—Sri P. Gunnayya:—Will the hon. Minister for Public Works be pleased to state:

will the Government expedite the completion of the Bantumakkuvu (Reservoir) Project, Robjili taluk, Srikaku-
lam district in the interests of the public, for which investigation is done for a long time and which if completed will fetch three crops of paddy in an extent of 5,000 acres of land?

The Minister for Public Works (Sri A. C. Subba Reddy): A scheme for constructing an anicut across Suvarnamukhi river near Bantumakkuva villages at an estimated cost of Rs. 10.68 lakhs for providing irrigation facilities to an extent of 500 acres of new ayacut and 1000 acres of existing ayacut is under contemplation of Government. Certain revenue particulars from the Collector, Srikakulam are awaited and on their receipt the proposal will be examined and finalised.

1637—
* 3851—Q.—Sri N. Penchalaiah, (Koduru):—Will the hon. Minister for Public Works be pleased to state:

whether the Government propose to take up Bandirevu Project near Gadela in Rajampet taluk, Cuddapah District and thereby ensure the supply of water to several villages to bring 10 to 14 thousand acres of land under cultivation?

Sri A. C. Subba Reddy: The investigation of the Bandirevu Project is proposed to be taken up in April, 1965. The question of taking up the scheme will be considered if it is found feasible after investigation. It is only after finalisation of the investigation, the capacity of the source and the area to be commended will be known.
1638—

* 4361 Q.—Sarvasri A. Sarveswara Rao, V. Satyanarayana, K. Babu Rao and P. Syamsundar Rao:— Will the hon. Minister for Public Works be pleased to state:

(a) whether clearance was given by the Planning Commission and Central Water and Power Commission and for the Gondipalem Project, Nellore District;

(b) when did the State Government send the above project plans and estimates to the Centre; and

(c) will this be taken up during the Third Plan itself?

Sri A. C. Subba Reddy:— (a) No, Sir;

(b) In November, 1964;

(c) Every effort is being made to take up the work during the Third Five Year Plan itself. Soon after the clearance for the Project is received from the Centre, the work will be sanctioned and taken up for execution expeditiously.
THOGURU PROJECT

1639—

* 4432 Q.—Sri N. Subba Reddy:— Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that estimates have been prepared for the construction of Thoguru project which will supply water to Siddavatam and Rajampet taluks in Cuddapah District; and

(b) if so, when the work will be taken up?

Sri A. C. Subba Reddy:— (a) Yes, Sir

(b) During the IVth plan period.

CHAKALAREVUKONA RESERVOIR

1640—

* 3852 Q.—Sri N. Penchalaiah:—Will the hon. Minister for Public Works be pleased to state:
whether steps will be taken to construct the Chakalarevukanta reservoir near Maakalapadu and Kodur in Rajampet taluk, Cuddapah district in the interest of the poor and in view of the fact that 10 to 12 thousand acres of Banjar land will come under cultivation?

Sri A. C. Subba Reddy: Instructions have been issued to Chief Engineer (Minor Irrigation) to take up the investigation of the scheme and to complete the investigation expeditiously. The commendable area under the scheme will be known after the scheme is finalised.

ROAD TUNNEL TO INDRAKILADRI AT VIJAYAWADA

1641—

* 4405 Q.—Sri M. Lakshmana Swamy (Kamipadu):—Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that the construction work of a road tunnel to Indrakiladri at Vijayawada was inaugurated recently; and

(b) if so, the estimated cost of the scheme?

Sri A. C. Subba Reddy: (a) Yes, Sir.

(b) Rs. 7.50 lakhs.

TORRIGEDDA PROJECT CANALS

1642—

* 3694 Q.—Sri Vavikala Gopalakrishnaya:—Will the hon. Minister for Public Works be pleased to state:

whether it is a fact that compensation was paid to some persons for the land in S. Nos. 73,96 etc., acquired for the Torrigadda Project Canals at Seethanagaram, Rajahmundry.
taluk while the property actually belonged to the Zilla Parishad High School?

Sri A. C. Subba Reddy: No, Sir. The two S. Nos. 73 and 96 do not belong to the Zilla Parishad High School and the compensation was, therefore, paid to the persons to whom the land belonged.

HUNGER STRIKE BY THE ELECTRICITY WORKERS

1643—

* 3561 (F) Q.—Sri K. Satyanarayana (Repalle):—Will the hon. Minister for Public Works be pleased to state:

(a) whether workers in Electricity Department had gone on hunger strike on 16th November in various places in the State;

(b) if so, give details;

(c) what are the reasons for undertaking fast; and

(d) what steps has the Government taken for redressal of their grievances?

Sri A C. Subba Reddy:—The answer is placed on the Table of the House.

PAPER LAID ON THE TABLE

(a) Yes, Sir.

(b) The hunger strike was undertaken in the field division offices and the Central offices of the Superintending Engineers at 18 centres.
Oral Answers to Questions

30th March, 1965

741

(c) The hunger strike was stated to have been undertaken for redressal of the following grievances:

(i) Payment of unhealthy Localities Special Pay;

(ii) Payment of H. R. A. as per orders in G. O. Ms. No. 208, Finance dated 12-5-1961;

(iii) Refund of deposits ex-licensees and security deposits of Section Heads and L. M. Drivers;

(iv) Commencement and completion of probation of O. S. S. staff;

(v) Promotion of unqualified O. S. S. staff by granting exemption, wherever necessary;

(vi) Continuity of service to L. Is. who were reverted after serving for two years;

(vii) Payment of supplementary bills, actual expenses, incremental bills, etc,

(viii) Promotion of section Heads and payment of arrear amounts due to them;

(ix) Discriminatory attitude of the Government in granting the demands indicated below;

Non-Gazetted Officers.

1. Merger of 90% of D. A. with effect from 1-1-1961.

2. Increase in D. A. of Rs. 5/- with effect from 1-4-1964.

3. Interim relief given is Rs. 5/-.

Officers.

1. Merger of 80% of D. A. to be implemented from 1-1-1965.

2. Increase in D. A. of Rs. 5/- with effect from 1-9-1964.

3. Interim relief given is Rs. 3 and this is not extended to N. M. Rs.

(d) (i) Sanction for payment of unhealthy localities Special Pay has already been accorded and the Superintendent Engineers are entitled to the same.
(ii) The orders issued in G. O. Ms No 208, Finance, dated 12-5-61 are not applicable to O. S. S and workcharged establishments.

(iii) Refund of deposits to ex-licensee staff is being arranged by the concerned subordinate officers in all cases.

(iv) Orders have been issued by the Divisional Electrical Engineers in most of the cases and the few remaining cases are being attended to by the concerned Divisional Electrical Engineers.

(v) This cannot be normally agreed to, since promotion of unqualified individuals depends upon their exemplary work and conduct.

(vi) This is being attended to.

(vii) Most of the claims have been settled by the concerned Divisional Electrical Engineers already and payment in respect of the remaining cases is being arranged.

(viii) The cases of reverted Section Heads, who did not opt to come into lines cadres and who are still continuing as Store Assistants, have been reviewed and necessary action to provide them in the higher cadres of Construction Foreman/Section Head is being taken.

(ix) The standard of recruitment, the qualifications required and the nature of work done by the regular Government servants are altogether different from those of the workers belonging to workcharged establishment. Further, unlike in the case of regular Government servants, the expenditure on the pay & Allowances of workers belonging to the workcharged establishment is debited to the works concerned and any increase in the emoluments of the workers will correspondingly increase.
the cost of the works. Hence, it will not be correct to draw an analogy between the two categories of employees.

SUPPLY OF ELECTRICITY TO A VILLAGE IN KOLLAJUR TALUK

1644—

*378 (4569) Q.—Sri P. Mahendranath (Nagarkurnool):—
Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that the Electricity Board has given orders recently to conduct survey for the supply of electricity to Jonnalaboguda gramdan village in Kollapur taluk, Mahaboobnagar district; and

(b) if so, the reasons why the survey has not been completed and electricity has not been supplied to the said village so far?

Sri A. C. Subba Reddy:— The matter relates to the Andhra Pradesh State Electricity Board. As ascertained from them, the reply is as follows:

(a) Yes, Sir.

(b) The survey has been completed and the estimate has been sanctioned by the Chief Engineer. The work will be taken up as soon as funds are available.
744 30th March, 1965 Oral Answers to Questions

1645—

(a) how many rural agricultural electricity schemes have been surveyed in Rajampet Taluq, Cuddapah district during 1962-63 and 1963-64;

(b) how many schemes were found to be remunerative and what are they; and

(c) how many schemes of them are implemented?

(b) One scheme proved remunerative and that is the scheme for supply to Periyavaram, Reddipalli and Chinna Orampadu villages investigated during 1963-64.

(c) None.

ELECTRIC SUB-STATION AT CUMBUM

1646—

Sri P. Subbiah: — Will the hon. Minister for Public Works be pleased to state:

*3686 Q. — Sri P. Subbiah: — Will the hon. Minister for Public Works be pleased to state:

(b) One scheme proved remunerative and that is the scheme for supply to Periyavaram, Reddipalli and Chinna Orampadu villages investigated during 1963-64.

(c) None.
(a) when does the Government propose to construct electric Sub-Station at Cumbum; and

(b) after completion whether the Government contemplates to extend the benefits to Markapur tank for irrigational purposes?

*Sri A. C. Subba Reddy:* The matter relates to Andhra Pradesh State Electricity Board.

(a) The electric sub-station at Cumbum has been commissioned on 18-1-1965.

(b) Yes, Sir.

**FIRE STATION AT RAZOLE**

1647—

*Sri N. Ganeswara Rao (Nagaram):* Will the hon. Minister for Home be pleased to state:

(a) whether any representation was made by Sri N. Ganeswara Rao and Sri G. Mahalaximi, M.L.A., to open a fire station at Razole, East Godavari District; and

(b) if so, the action taken by the Government thereon?

*The Minister for Home (Sri Mir Ahmad Ali Khan):*—

(a) Yes, Sir.

(b) Having regard to the recommendations of the Collector of East Godavari and the Director of Fire Services, Tuni and Draksharama municipalities have been given priorities over Razole in the matter of establishment of new fire station in the East Godavari District.

**RENT PAID FOR THE PRIVATE BUILDING OCCUPIED BY THE DIRECTORATE OF SOCIAL WELFARE**

1848—

*Sri T. K. R. Sarma:* Will the hon. Minister for Panchayat Raj be pleased to state:
(a) the amount of monthly rent being paid for the private building now occupied by the Social Welfare Directorate, Hyderabad; and

(b) the reasons for increase of rent when compared to that of Rs. 342/- paid by the Khadi and Village Industries Board, a few days prior to the occupation by the Social Welfare Department?

The Minister for Panchayati Raj (Dr. M. N. Laxminarayana):— (a) A rent of Rs. 1612/- per mensem is being paid for the private building occupied by the Directorate of Social Welfare.

(i) The Andhra Pradesh Khadi & Village Industries Board paid the rent of Rs. 342.83 P. which is the same as that paid by the Registrar of Co-operative Societies, when his office was located in the building roughly from 1943 to 1957. This rent of Rs. 342.83P. was apparently the rent mutually agreed to between the Co-operation Dept. and the land lords of the building. After the Khadi and Village Industries vacated the building, it was allotted by the Controller of Accommodation on 14-8-1963 under Sub section (a) of section 3 of the Andhra Pradesh Buildings (Lease, Rent and Eviction) Control Act, 1950, on a monthly rent of Rs. 1,612/-. As the fair rent for the building was fixed under the provisions of the Andhra Pradesh Buildings (Lease, Rent and Eviction) Control Act, 1950, it was the statutory duty of the Controller of Accommodation to determine the reasonable rent for the building. The reasonable rent of Rs. 1,612/- has been determined by the Controller of Accommodation in accordance with the prevailing rates of rent of the buildings.
Mr. Speaker:—Answers for the other questions will be laid on the Table of the House.

Mr. Speaker:—Sri P. Shyamasundar Rao:—Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether the Government are in receipt of any complaints from the prisoners of the Central Jail, Warangal, against the Superintendent of the said Jail;

(b) whether it is a fact that one Chukkapatli Venkatesvar Rao, unergong life imprisonment in that jail has been kept in dark room since 15th December;

(c) the reasons therefor; and

(d) the action taken against those responsible for the same?

(The Minister for Revenue deputised the Minister for Law and Prisons and answered the question)

Sri N. Ramachandra Reddy:—(a) The answer is in the affirmative.
(b) The answer is in the negative.
(c) and (d) Do not arise.

Dr. M. N. Lakshminarasayya:— (a) No, Sir.

(b) The Director of Public Instruction has issued instructions to the Additional Examiner of Local Fund Accounts to fix the pay of the teachers.
Short Notice

(c) The pay fixation statements are under scrutiny by the Block Development Officer and will be sent shortly to the Additional Examiner of Local Fund Accounts for approval.

It is expected that this will be completed in about a month's time.

Mr. Speaker:— Hon, Rev. Minister may please make a note of all these things and see if anything can be done.
*2531 Q.— Sri P. O. Satyanarayna Raju:— Will the hon. Minister for Anchayat Raj be pleased to state:

(a) the number of Tribal Blocks in our State:

(b) whether any special aid is given by Centre for the Development of Tribal Blocks; and

(c) if so, quantum of aid given?

A.—

(a) There are 17 Tribal Development Blocks inclusive of the former 4 Multipurpose projects.

(b) Yes, Sir:

(e) A sum of Rs. 10,00 lakhs in Tribal Development Stage I and a sum of Rs. 5,00 lakhs in Tribal Development Stage II of the block are given by the Centre.

PREVENTION OF BEGGING BY CHILDREN

*4351 Q.— Sarvasri A. Sarveswara Rao and V. Satyanarayana:— Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether the Government are aware that the Centre has decided to introduce a pilot scheme to prevent begging by children by providing vocational training and part-time employment to them in Ahmedabad, Kanpur, Madras and some other places; and

(b) whether such scheme will be started here by the Centre?
A —

(a) The answer is in the affirmative.

(b) At the request of the Government of India the State Government itself started the scheme at Hyderabad on 8-10-1944, with Central assistance of 50% of the expenditure involved.

DISTRICT MUNISIFF COURT AT BADWEL

1652—

*422 Q. — Sri N. Subba Reddy:— Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether the Government are aware of the need for the construction of the District Munisiff Court at Badwel in Cuddapah District;

(b) if so, the stage at which the matter stands at present; and

(c) if not, whether the Government will consider the need for the same at least now?

A.—

(a) There is no District Munisiff's Court at Badwel. The question of construction of a building for the court does not therefore arise.

(b) Does not arise.

(c) Does not arise.

SCARCITY OF DAL IN THE TWIN CITIES

1653—

*3906 Q.— Sri P. Ragagopal Naidu:— Will the hon. Minister for Agriculture be pleased to state:

(a) whether the Government is aware of the fact that there is scarcity of Dal in the twin cities;

(b) if so, the reasons therefor; and
(c) the various steps taken by the Government to improve the position?

A.—

(a) No, Sir. There was some scarcity during the months of October, November, December, 1964 to January, 1965.

(b) (1) This was due to export of large quantities;

(2) Restrictions imposed by other States on movement of pulses towards the end of 1964.

(c) Action has been taken to import Gram dhal from Punjab State which agreed to supply 1000 tonnes. The Government of Rajasthan have been approached for export of 1000 tonnes of Gram dhal to this State. The Government banned private export of pulses and dhals by road and water also from one specified block to another within the State.

PRODUCTION OF PADDY AND PULSES

1654 –

Q. — *4146 Sri M. Pitcaiah:— Will the hon. Minister for Agriculture be pleased to state:

the quantity (in tons) of paddy and pulses produced in our State during 1964-65?

A.—

As per the second forecast report on rice and the final forecast report on other Kharif pulses for the year 1964-65 issued by the Bureau of Economics and Statistics, the total estimated production of rice and other Kharif pulses in Andhra Pradesh is 33,12,000 tons and 1,11,800 tons respectively. The final forecast production figures of rice will be available only in the March, which will include the areas that have been brought under rice cultivation after December, 1964.
IMPORT OF PULSES

1655—

*4102 Q. — Sri N. Venkataswamy:— Will the hon. Minister for Agriculture be pleased to state:

(a) quantities of pulses received from other States since April 1964; and

(b) the quantities distributed to each district?

A.—

(a) & (b) Statements showing the quantities of pulses and dhals imported from other States through normal trade channels from April 1964 to January 1965 and the quantities distributed to each district are placed on the Table of the House.

Arrangements have also been made to import 500 tonnes of gram dhal from Punjab and 100 tonnes of gram dhal from Rajasthan through the respective State Governments.

STATEMENTS LAID ON THE TABLE OF THE HOUSE.

PRICES OF THE PULSES

1656—

*4381 Q. - Sarvasri G. C. Kondiah and M. Laxmanaswamy:—Will the hon. Minister for Agriculture be pleased to state:

(a) whether Government has controlled the prices of pulses in the State; if so, what are the prices fixed for various pulses in the State;

(b) whether abnormal rise of prices for pulses took place since December, 1964 and to what extent;

(c) what are the steps that Government is taking to relieve the position?

A—

(a) No, Sir.

(b) Yes. The prices had risen abnormally, but at present there is a downward trend in their prices.

(c) Steps have been taken to import pulses from other states and steps are being taken to regulate exports of pulses outside the State.

FOOD STUFFS

1657—

*5996 Q.—Sri P. Shyamasunder Rao:—Will the hon. Minister for Agriculture be pleased to state:

(a) whether any suggestions were made by the Government of India to enforce rationing of food stuffs or of rice in the State; and

(b) if so, the details of such scheme?

A—

(a) No, Sir.

(b) Does not arise.
ILLEGAL TRANSPORT OF RICE FROM NELLORE DISTRICT

1658—

*4143 Q.—Sri P. Shyamsunder Rao:—Will the hon. Minister for Agriculture be pleased:

(a) whether the Government are aware of the news item in the Andhra Pradesh dated 30-11-1964 (page 6 col. 1) that the Taluk Supply Officer has caught the rice and other commodities being illegally transported from Nellore district to Madras State; and

(b) the action taken by the Government against the persons who indulged in the said transport and measures taken to prevent such things in future in that place?

A—

(a) Yes, Sir.

(b) The Police are investigating the case. The Government issued strict instructions to Collectors to take prompt action against the offenders under the Essential Commodities Act, 1955 and Defence of India Rules.

BRANCH OF THE FOOD CORPORATION

1659—

*3902 Q.—Sri P. Rajagopal Naidu:—Will the hon. Minister for Agriculture be pleased to state:

(a) whether any branch of the Food Corporation has been started in our State;

(b) if so, what are its functions;

(c) whether the State Government have financed the Food Corporation; if so, how much;

(d) how it is utilised so far; and

(e) whether distribution of sugar also is entrusted to the Corporation?
A—

(a) Yes. A Regional Office of the Food Corporation of India has been opened at Hyderabad with a Sub-Regional office at Vijayawada.

(b) The Food Corporation of India will undertake the purchase, storage, movement, transport, distribution and sale of food grains and other foodstuffs and also make available credit facilities to producers. The Corporation will also undertake to promote production of foodgrains and foodstuffs and will set up or assist in setting up rice mills, flour mills or other undertakings for the procuring of foodgrains and other foodstuffs.

(c) No.

(d) Does not arise.

(e) No.

FOOD ZONES

1660—

*3897 Q—Sarvani P. Rajagopal Naidu, T. K. R. Sarma and M. Lakshmanaswamy—Will the hon. Minister for Agriculture be pleased to state:

(a) whether the State has been divided into three food zones;

(b) if so, the names of the districts that are included in each zone; and

(c) the places to which the foodgrains in the surplus areas are sent?

A—

(a) The State Government have decided to constitute five blocks in the State to regulate moment of foodgrains within the State.

(b) Block I. East Godavari, West Godavari and Krishna.
Block II. Guntur and Nellore.
Block III. Srikakulam and Visakhapatnam.
Block IV. Hyderabad, Nizamabad, Adilabad, Karimnagar, Nalgonda, Khammam, Warangal, Mahaboobnagar and Medak.
Block V. Kurnool, Cuddapah, Anantapur and Chittoor.

(c) Stocks of rice are supplied from surplus areas to deficit areas in the State and to the other States in the Southern Zone, i.e., Madras, Mysore and Kerala under permits.

PUBLICATION OF THE JOURNAL ‘BAHUJANA’

1661—

*541 (3524) Q.—Sri E. Ayyupu Reddy:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether any grant, loan or subsidy was given by the State Government to Bahujana, a weekly for monthly publication;

(b) if so, the reasons for such a grant;

(c) who is the editor of the above journal; and

(d) whether the grant of loan was utilised for the purpose for which it was given?

A—

(a) A sum of Rs. 20,000/- was sanctioned as a grant-in-aid during 1961-62 to the Andhra Pradesh Backward Classes Association which is striving for the cause and betterment of all Backward Classes in various spheres. This Association, among other activities, is also publishing a weekly and fortnightly journal called ‘Bahujana’. Thus the grant-in-aid of Rs. 20,000/- sanctioned by the Government covers the publication of the journal ‘Bahujana’ also.
(c) The Association is striving for the betterment of all Backward Classes in Social, Educational, Cultural and Economic spheres and enlightening the people in all spheres like moral, educational, cultural etc., the Government accorded that the Association deserved a grant-in-aid and accordingly sanctioned the grant.

(c) Sri G. Latchanna, M. L. A.;

(d) The Association has submitted accounts audited by the Chartered Accountant for the year 1961-62 during which the grant of Rs. 20,000/- was sanctioned. The Association has not so far furnished a proper utilisation certificate and actual work done by the Association with the grant. The Director of Social Welfare is pursuing the matter. From the accounts submitted by the Association, it is seen that the payment side under other items of expenditure, shows the return of two advances to the President and Bahujana Trust which together comes to Rs. 13,005.45 paise and the cash balance at Andhra Bank being Rs. 7,047.50 paise. The obvious reference from the above position appears to be that the grant of Rs. 20,000/- by the Government was utilised for returning the said two sums of money to the said two parties and depositing the balance in the Bank. The Director of Social Welfare was ordered to send by April 1962 a report about the proper expenditure of the amount. The Director of Social Welfare has not furnished the report as he has not received the same from the Association. It is, therefore, difficult to know for what purpose the grant was spent unless the Association comes forward to inform the Government.

The items of expenditure for which the amount appears to be utilised does not reveal the items of expenditure incurred already before the grant was sanctioned. The Director of Social Welfare is taking action to obtain a proper utilisation certificate and the actual work done by the Association with the grant.
PUBLICITY LITERATURE TO PANCHAYAT
SAMITHIS, LIBRARIES, ETC.

1662—

*2155 Q.—Sri A. P. Vajravelu Chetty:— Will the hon.
Minister for Labour and Transport be pleased to state:

(a) whether the Information and Public Relations
Department distributes its publicity literature to Panchayat
Samithis' Libraries, etc., and

(b) whether it proposes to include Legislators also in its
mailing lists?

A—

(a) Yes, Sir.

(b) The Legislators are already in the mailing list of
the Information and Public Relations Department.

HYDERABAD ASBESTOS CEMENT PRODUCTS LTD.

1663—

*3995 Q.—Sri P. Rajagopala Naidu:— Will the hon.
Minister for Labour and Transport be pleased to state:

(a) whether it is a fact that the post of Labour Welfare
Officer in the Hyderabad Asbestos Cement Products Ltd.,
Sathnagar is vacant since December, 1963; and

(b) if so, whether prosecution was launched against the
management for not appointing the Labour Officer in their
Factory?

A—

(a) No, Sir. An Assistant Welfare Officer, Sri S. L. N.
Murthy, with requisite qualifications, under the Andhra Pradesh
Factories Rules, 1950, was temporarily assigned the duties
of the Welfare Officer for the period 23-1-1963 to 17-6-1964
when the same Sri Murthy was given a regular appointment
by the Factory.

(b) Does not arise.
TEACHERS REGISTERED IN THE EMPLOYMENT EXCHANGES

1664—

* 1074 Q—_Sri P. Subbarao_:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) how many Secondary grade trained, higher grade trained teachers including B.Ts. have registered with Employment Exchanges during 1963-64; and

(b) how many of them got employment?

A—

(a) 11,152.

(b) 3,665.

SANTHANAM COMMITTEE

1731—

* 4677 Q—_Sri P. O. Satyanarayana Raju_:—Will the hon. Minister for Panchayati Raj be pleased to state:

(a) whether the Government is considering the proposals of Santhanam Committee in augmenting the resources of Panchayats; and

(b) if so, the steps likely to be taken to augment the finances of the Panchayats?

A—

Yes, Sir.

A statement indicating the gist of the recommendations made by the Santhanam Committee to augment the finances of the Panchayats and the action so far taken by the Government to implement the recommendations is placed on the Table of the House.
STATEMENT LAID ON THE TABLE OF THE HOUSE.

Vide Question No. 677 (Starred)

Statement indicating the gist of the recommendations made by the Santhiam Committee for augmenting the resources of Panchayats and the action taken by the Government to implement the recommendations:

1. (1.6) Recom: House Tax, Profession tax and Vehicle tax should be compulsory taxes of Panchayats.

Action:—According to Section 69 of the Andhra Pradesh Gram Panchayats Act 1964 the levy of House Tax and Profession tax by Panchayats is compulsory, while the levy of Vehicle tax is optional.

2. (1.7) Recom:—Minimum and Maximum rates of compulsory taxes should be prescribed.

Action:—In G. O. Ms No. 282, Panchayati Ra (Pts. VIII) Department, dated 12-3-65, rules prescribing the minimum and maximum rate of House Tax have been issued. The minimum and maximum rates for Profession Tax are prescribed in rule 14 of the rules issued in Schedule II of the Andhra Pradesh Gram Panchayats Act 1964.

3. (4.8) Recom:—House tax may be levied on the basis of capital value of the house.

Action:—According to rule 4 of the rules issued in Schedule II to the Andhra Pradesh Gram Panchayats Act 1964, the Panchayats shall levy House tax either on capital value or on annual value. It is considered not desirable to prescribe a particular basis, as the basis which is more beneficial can be adopted.
4. (4.9) Recom:—There should be no exemption from the levy of house tax.

**Action:** The recommendation is agreed to subject to the rules issued in G. O. Ms. No. 282, Panchayati Raj (Pts. VII) Department, dt. 12-3-65

5. (4.10) Recom:—An independent agency for valuation of houses may be set up.

**Action:** An independent agency for the purpose already exists in the Andhra Area of the State. In regard to Telangana Area, the question of prescribing a similar agency is under consideration.

6. (4.11) Recom:—The maximum and minimum rates of house tax based on capital value of houses may be as follows:

<table>
<thead>
<tr>
<th>Slab Description</th>
<th>Minimum Rate</th>
<th>Maximum Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) on a house of capital value not exceeding Rs. 250/-</td>
<td>Minimum 25 nP.</td>
<td>Maximum Re. 1/-</td>
</tr>
<tr>
<td>(b) on a house of capital value ranging from Rs. 251/- to Rs. 500/-</td>
<td>Minimum 50 nP. and</td>
<td>Maximum Re. 1/-</td>
</tr>
<tr>
<td>(c) on a house of capital value ranging from Rs. 501/- to Rs. 1,000/-</td>
<td>Minimum Rs. 1/- and</td>
<td>Maximum Rs. 5/-</td>
</tr>
<tr>
<td>(d) on a house of capital value of over Rs. 1,000/-</td>
<td>For every increase of Rs. 500/- or part thereof the increase in the minimum rate to be 50 nP., and Rs. 2.50 respectively.</td>
<td></td>
</tr>
</tbody>
</table>

One more slab may be added.

For Town Panchayats, the rates may be higher.
Action: Considering the financial implications involved in the above proposal, rules relating to levy of house tax have been issued in G.O. Ms. No. 282, Panchayat Raj (Pts VIII) Department, dated 12-3-1965. According to the said rules if the house tax is to be levied on the basis of capital value the minimum and maximum rates per year is ½th% and 1% of the capital value respectively. These rates are more advantageous to the Gram Panchayats than the rates suggested by the Santhanam Committee.

7. (4.12) Recom: Professional tax should be levied at rates similar to those proposed in the Andhra Pradesh Panchayat Bill 1964.

Action: The above Bill has since become an Act and the rates of profession tax prescribed in rule 14 of Schedule H to the Andhra Pradesh Gram Panchayats Act, 1964, have become operative.

8 (4.13) Recom: The rate of cycle tax should be fixed by Panchayats Samithi and made uniformly applicable throughout its area. Steps should be taken to see that municipalities within the area of Samithi levy the tax at the same rate.

Action: The matter is under consideration in consultation with the Health, Housing and Municipal Administration Department.

9. (4.14) Recom: Vehicle tax should be levied on all vehicles including bicycles. Motor vehicles should continue to be exempted. The minimum rate of vehicle tax should be Rs. 2/- per annum for all vehicles and tax maximum
Rs. 4/- per cycle and Rs. 10/- per bullock cart.

Action:—The above recommendation has been accepted and the rules have been issued in G. O. Ms. No. 109, Panchayati Raj (Pts. VIII) Department, dated 8—2—1965.

10. (4.15) Recom:—The circumstances and property tax imposed by the States of Bihar, Orissa and West Bengal should be split up into its component parts viz., house tax and land tax, for greater precision, certainty of imposition and ease of collection.

Action:—The Andhra Pradesh Gram Panchayats Act 1964 does not provide for levy of property tax.

11. (4.16) Recom:—Kolagaram, a tax on produce sold in village by weight, measurement or number, may be an optional tax of Panchayats.

Action:—A provision to this effect has already been made in the Andhra Pradesh Gram Panchayats Act 1964, under Section 69 (3) (1). Draft rules under the above Section have been published in G. O. Ms. No. 855, Panchayati Raj (Pts. VIII) Department, Dated 17—8—1964.

12. (4.16) Recom:—The state Government should consider the possibility of replacing Octroi, where levied by other progressive taxes.

duty with effect from 1-4-1964 were issued to all the former Town Municipalities and now Gram Panchayats in the Telangana Area of the State, as they were levying the said duty under the provisions of the Andhra Pradesh (Telangana Area) District Municipalities Act 1956.

13. (4.16) Recom:- Pilgrim tax should preferably be levied by Panchayat Samithi or Zilla Parishad, a part of the proceeds being given to Panchayats in the area of which pilgrim centres are located, and the rest utilised for the common benefit of the area of Samithi or of the District. The expenditure incurred in this connection should be shared suitably by concerned Panchayat Samithi and Zilla Parishad.

Action: The Andhra Pradesh Gram Panchayats Act 1964, does not provide for levy of Pilgrim tax by Panchayats. In the case of pilgrims visiting the places of Pilgrimage by rail, the Pilgrim tax is levied by the Central Government under the provisions of the “Terminal Tax on Railway Passengers Act 1956” and the proceeds are made over to the State Government for distribution to the concerned local bodies. The Central Government have suggested that parallel tax on road borne traffic should also be levied and the question is under examination of the State Government in the Health Housing and Municipal Administration Department.

14. (4.16) Recom:- The State Governments should consider the possibility of providing for levy by Panchayats of a tax on animals.
Written Answers to Questions

30th March, 1965

Action :- The matter is under consideration in consultation with the Food and Agriculture Department.

15. (4.17) Recom :- The levy of fees for water supply, drainage, street lighting and conservance should be optional. Where water supply drainage or electric lighting is provided through loans Panchayats should have the right to charge a fee from beneficiaries. The basis for fixing the rate of such fees may be the amount needed for servicing the loan or for covering the liability incurred in providing the service.

Action :- There is a provision under Section 75 of the Andhra Pradesh Gram Panchayats Act 1964.

16 (4.17) Recom :- In regard to the levy of licence fees, the position in each state should be reviewed in the light of levies in different States so as to make the powers of Panchayats as comprehensive as possible.

Action :- Under Section 1?4 of the Andhra Pradesh Gram Panchayats Act 1964, provision has been made for levy of licence fees by Panchayats.

17. (4.18) Recom :- The expenditure on Nyaya Panchayats should be met by the Government on the net cost basis, preferably at the Samithi level.

Action :- Necessary provisions for the establishment of Nyaya Panchayats have already been made in the Andhra Pradesh Gram Panchayats Act 1964. But the relevant provisions in Chapter VII relating to Nyaya
Pa.chayats in the Act have not been brought into force in this State. This Government will implement the provisions of the Act in due course, after gaining some experience in the administration of the new Act.

18. (4.20) Recom:—Unless specifically exempted, all public lands, trees, ponds and tanks with fishery rights therein, unreserved forests, choultry, rest-house and other buildings situated in a Panchayat area and not belonging to a private party should be transferred to that Panchayat.

Action:—Necessary provisions for the above purposes exist in the Andhra Pradesh Gram Panchayats Act 1964. Sections 55 (1), 57, 59, 65, 67 and 85 of the above Act may be referred to in this connection.

19. (4.21) Recom:—The proceeds of sale of abadi land should be used only for such expenditure as will create permanent assets for Panchayat.

Action:—The matter is under consideration of this Government.

20. (4.21) Recom:—Alienation of immovable property by a Panchayat should be subject to permission or approval of a prescribed authority.

Action:—Necessary provision will be made while framing rules under Clause (x) of Sub-section (2) of Section 217 of the Andhra Pradesh Gram Panchayats Act 1964 in regard to transfer etc., of properties by Panchayats.

21. (4.21) Recom:—In Panchayats where there are large unassigned areas of cultivable land, a
minimum of one cent of land per capita should be given to Panchayat as nonalienable community property, while the rest may be retained with the Government for future assignment to landless labourers and others.

Action:- The matter is under consideration in consultation with the Board of Revenue.

22. (4.22) Recom:- When there is not enough land available, the State Governments should acquire and handover to each Panchayat not less than 5 acres to be used as community property for house sites, conquest making, tree planting, nurseries and such other purposes.

Action:- The matter is under consideration in consultation with the Board of Revenue.

23. (4.23) Recom:- Management of fishery ponds everywhere fishery rights belong customarily to local communities of fishermen, i.e., customary Panchayats.

Action:- Provisions of Section 85 (2) of the Andhra Pradesh Gram Panchayats Act, 1964, are considered enough for this purpose.

24. (4.24) Recom:- Cattle pounds should be the property of Panchayats, who should be given the right to fix rates for them.

Action:- The establishment and maintenance of cattle Pounds has been made an obligatory duty of the Gram Panchayats under the Andhra Pradesh Gram Panchayats Act, 1964 (Vide Clause XI of sub-Section (1) of Section 54).
25. (4.21) Recom:- In the case of markets classified as Samiti and Zilla Parishad markets, a reasonable share of net income, say one-third, subject to a maximum of one rupee per capital should be given to Panchayats in the area of which fair is held or market is organised.

Action:- The recommendation has been accepted. The question of framing rules for the apportionment of income from markets is under consideration.

26. (4.24) Recom:- The question of sharing the income from markets, organised by market committees or societies, with Panchayati Raj Institutions should be carefully examined by the State Governments. Panchayats and Samithis should be allowed to participate actively in the organisation of these markets.

Action:- This is being examined in consultation with Food and Agriculture Department.

27. (4.28) Recom:- Surcharge on stamp duty not exceeding 5% of the value of property should be levied and collected by State Government. The proceeds within the area of a Samithi should be distributed in an equitable manner among the Samithi and its Panchayats.

Action:- Surcharge on stamp duty not exceeding 5% of the value of the property is being levied, according to the provisions of Section 73(b) of the Andhra Pradesh Gram Panchayats Act, 1964. The proceeds on this account are being distributed among the Panchayats, Panchayat Samithis and Zilla Parishads in the ratio of 7:6:5 in the Adivision.
Area and 12:8:5 in the Telangana Area
(Vide G.O. Ms. No. 888, Panchayati Raj
(Samithi III) Department, Dated 5-9-1963
and G.O. Ms. No. 383, anchayati Raj
(Samithi III) Department, dt 9-4-1963.)

28. (4.29) Recom:-The whole or a part of entertainment tax
collected by State in rural area should be
shared with Panchayats and Samithis. Panchayats and Samithis may levy a show
tax in addition.

Action:- The matter has been considered. Since the
Panchayati Raj institutions have just now
started functioning after the elections and
the functionaries have taken over charge
recently, the question of empowering the
Panchayat Samithis to levy surcharge on
entertainment tax is proposed to be taken
up for examination, during the course of
next year.

29. (4.30) Recom:-The State assistance, if any, for the whole
or part of the salary of Secretary of
Panchayat should be in the form of pur-
posite grant. Secretary should be paid
directly by Panchayat.

Action:- The Government are sanctioning to the
Panchayats half of the additional cost
involved on account of revision of scales
of pay of Executive Officers of Panchayats
(Secretaries of Panchayats) with effect
from 1-10-1959. The Executive Officers
of Panchayats are being paid salaries
directly by Panchayats.

30. (4.32) Recom:-The Government, who derive income from
the sale of Kendu leaf, may consider the
desirability of sharing this income with Panchayats or Samithis.

Action:—This is being examined in consultation with the Chief Conservator of Forests.

31. (4.33) Recom:—The entire tax demand of Panchayat, excluding arrears, may be taken as the basis for matching grant and, if collection of 75% is made in a year, an amount equal to 15% of such collection should be given as matching grant which should increase at least by 1% for every additional 5% collection.

32. (4.33) Recom:—The matching grant for Panchayats in backward areas should be on more liberal basis.

31 and 32:—Action:—In G O M s. No. 604, Panchayati Raj Department, dated 5-6-1964 orders have been issued to the effect that when the collection of taxes by Panchayats is 75% of the entire tax demand of a Panchayat excluding the arrears, an amount equivalent to 7½% of the collection should be given as matching grant to the Panchayats in the Cicular District while an amount equivalent to 10% of the collection should be given as matching grant to Panchayats in Rayalseema and Telangana Districts. Further the matching grants should increase by 1% for every increase of 5% collection over this limit.

33. (4.33) Recom:—A basic minimum maintenance grant of Re. 1/- per capita should be given to every Panchayat and this should be shared equally by State and Central Government.

Action:—The suggestion is under consideration of the Government.
31. (436) Recom:- For executing specific development projects, Panchayats should have powers to levy special tax on land revenue, house tax, or some other basis.

Action:- Provision has already been made to levy a tax on agricultural land for specific purpose under Section 69 (3) (iii) of the Andhra Pradesh Gram Panchayats Act 1964.

35. (136) Recom:- In case voluntary contribution in cash or labour is insufficient to execute a development project, recourse may be had to labour tax, Defence Labour Bank or special levy payable in cash or labour. Voluntary contributions may be adjusted against these levies.

Action:- At present the works under the Community Development Programme are being undertaken on contribution basis, by obtaining a share of the cost from the public either by way of cash or Shrama
dam. The above recommendation is that, in case if voluntary contribution in cash or labour is insufficient to execute a development project, recourse may be had to labour tax or special levy payable in cash or labour. In this State, Panchayats are levying Agricultural land tax for the specific purpose under Section 69 (iv) (iii) of the Andhra Pradesh Gram Panchayats Act 1964 and there is also provision under Section 75 of the said Act to levy special tax.

MARKET YARD AT RAYADURG.

1732—

*3731 Q — Sri L Chinnappa Reddi: — Will the hon. Minister for Agriculture be pleased to state:
(a) when was the construction of building for the Regulated Market at Rayadurg in Anantapur district sanctioned and the estimated cost of the same;

(b) what is the amount spent so far; and

(c) whether the construction was completed; if not, the reasons for the delay?

A.—

(a) The construction of the building for the Market Yard at Rayadurg was sanctioned by the Anantapur Market Committee during 1959 and partly revised in 1962 at a total estimated cost of Rs. 1,17,725

(b) Rs. 44,961-35.

(c) Not yet. The main reasons are non-availability of Iron and Steel and lack of finances. The contractor was also not willing to take up work at the old rates.

REGIONAL JOINT REGISTRARS

1743—

*4782-V Q. — Sri Tenneti Viswanatham.— Will the hon. Minister for Cooperation be pleased to state:

(a) whether the Government propose to appoint some more Regional Joint Registrars of Co-operative Societies; and

(b) if so, what is the present official status of officers chosen for these appointments?

A.—

(a) No, Sir.

(b) Does not arise.

SELECTION OF MUNICIPAL COMMISSIONERS ETC.

308—

3439 Q. Sri G. Rama Rao:— Will the hon. Chief Minister be pleased to state;
(a) Whether any candidates were selected by the Public Service Commission (Andhra) during 1962-63 under the categories (a) Municipal Commissioners Grade III (b) Senior Inspectors of Co-operative Societies (for Telangana) (c) Development Officers as special Grade Officers; and

(b) if so, the number selected under each category mentioned in (a) of which the number of Harijans and Girijans selected?

A. —

(a) and (b):—

(a) Municipal Commissioners Grade III.

Total No of candidates selected by Andhra Pradesh Public Service Commission 9.
No of Scheduled Castes ... Nil.
No of Scheduled Tribes ... 1.

(b) Senior Inspectors of Co-operative Societies (Telangana).

Total No. of candidates selected by Andhra Pradesh Public Service Commission 100.
No. of Scheduled Castes ... 4.
No. of Scheduled Tribes ... Nil.

(c) Development Officers as Special Grade Officers.

It is presumed that the reference to "Development Officers" and "Special Grade Officers" is to the selection of B. D. Os. in the ordinary grade as Special Grade B. D. Os. These selections are made by Government in the Panchayati Raj Department and not by the Andhra Pradesh Public Service Commission. Eight Block Development Officers have been selected and appointed as special grade Block Development Officers by Government and none of them belong to Scheduled Castes or Scheduled Tribes.

TEACHING GRANTS TO GUDIVADA MUNICIPALITY.

317—

3440 Q.— Sri G. Rama Rao:— Will the hon. Minister for Health and Medical be pleased to state:

(a) whether it was a fact that Government have to pay teaching (Educational) and Maternity and Child Welfare (Public Health) grants to the Gudivada Municipality from 1957-'58 till the end of 1963-'64;

(b) if so, the reasons for the nonpayment and delay; and

(c) what is the total amount to be paid to the above Municipality for all the years since 1957 under the two items "Teaching" and Maternity and Child Welfare? 

A.—

(a) It was a fact that final teaching grants for the year 1957-'58 onwards were not paid to Gudivada Municipality. Regarding Maternity and Child Welfare centres, grants for the years 1962-'63 and 1964-'64 have to be paid to the Municipality.

(b) The final grants to be paid to the Municipality can be arrived at only after financial statements are audited by the Examiner of Local Fund Accounts. The statements of audited expenditure from the Examiner of Local Funds Accounts are awaited.

(c) As for the teaching grants, the Municipality claimed Rs. 3,43,553 for the years 1957-'58 to '63-'64. In December, 1964 the Director of Public Instruction sanctioned an advance grant of Rs. 2,50,000 towards the payment and adjustment of final teaching grants to the Municipality. The balance will be paid after all the financial statements are scrutinised by the Regional Assistant Director of Public Instruction and recommended. Regarding the grants to be paid for Maternity Centres for the years 1963-'63 and 1963-'64 they can be determined only on the basis of the audited statements of
expenditure from the Examiner of Local Fund Accounts which are awaited.

Vide answer to clause (c) :-

The terms of reference are —

(i) Advisory Committees are constituted for Government Hospitals in order to keep the Director of Medical Services and the Government informed of the needs of the Hospitals as viewed by the Public. The entire supervision and management of the institution and its establishment will continue to be in the hands of the Superintendent subject to the control of the Director of Medical Services and the
Government. The Committee is only an advisory body with no executive authority and the resolutions passed by it will not, therefore, be binding on the Department or the Government. The non-official members, when nominated, will hold office for a period of 3 years. A nominated member shall be deemed to have vacated his/her place if he/she is absent from three consecutive meetings of the Committee. This rule does not apply to M. L As and M. Ps when such absence is due to their attending the sessions of the Legislature/Lok Sabha.

(ii) The Committee shall meet as often as may be necessary, and, at any rate, once in every three months. The meeting shall be convened by the Secretary, with at least seven days' notice, under the Orders of the President. It will be open to any member of the Committee to forward to the President any remarks or suggestions which he may have to make or which he may desire to have discussed at the meeting of the Committee.

(iii) The lady members of the Committee may, with the approval of the Committee, form themselves into a sub-committee for doing social work among nurses. The sub-committee should confine its activities purely to social work and not deal with questions relating to services.

(iv) All suggestions and recommendations for the improvement of the Hospital and for the welfare of the patients shall be brought before the committee for consideration and decision by a majority. In any case of equality of votes, the President shall have a second or casting vote.

(v) The minutes of the proceedings of the Committee shall be recorded in a Book and shall be signed by the President or the member who presides at the meeting.

(vi) Individual members of the Committee may arrange with the Superintendent or District Medical Officer or the Medical Officer-in-charge to visit the Hospital at any time during the working hours and may record in the visitors' book any remarks and suggestions they may wish to make.
member should not, however, give any instructions directly to the staff working in the Hospital.

(vii) The non-official members may pay surprise visits on days convenient to them instead of maintaining rotation roster and enter their remarks in an Inspection Book which will be kept in the hospital:

(1) Are patients treated strictly in the order of their arrival? If there are large crowds at particular hours, is the system of forming queues adopted for out-patients?

(2) Are medicines dispensed promptly and according to turn?

(3) How many, if any, of the patients privately consulted or were treated by the Medical Officer, before admission?

(4) Is the hospital clean and sanitary?

(5) Where diet is supplied, is it satisfactory?

(6) Have the patients any complaints in respect of their treatment by the Hospital staff?

(7) How much time does the Medical Officer spend in the hospital? Is he easily accessible for emergent cases?

(8) Other suggestions for improving the conditions and the procedure of the hospital.

INFORMATION CENTRES

327–

4401 Q.– Sri M. Lakshmana Swamy.—Will the hon. Minister for Labour and Transport be pleased to state:
(a) the numbers and names of places where information centres were opened in the State by 31st of December 1964; and
(b) what are the functions of these centres?

A.–

(a) The following District Information Centres are functioning in the State:
1. Adilabad, Adilabad District.
2. Anantapur, Anantapur District.
3. Chittoor, Chittoor District.
4. Gudlapah, Gudlapah District.
5. Kakinada, East Godavari District.
6. Guntur, Guntur District.
8. Khammam, Khammam District.
11. Mahboobnagar, Mahboobnagar District.
12. Sangareddy, Medak District.
15. Nizamabad, Nizamabad District.
16. Srikakulam, Srikakulam District.
17. Visakhapatnam, Visakhapatnam District.
18. Warangal, Warangal District.

There is no proposal for opening a District Information Centre for Hyderabad District as a full-fledged State Information Centre is functioning at Hyderabad city. A similar State Information Centre was also opened in August 1964 at Vijayawada, following which the District Information Centre is to be shifted to Machilipatnam. The cost of running these two State Information Centres is borne by the Government of India and the State Government on 50:50 basis.

(b) One of the primary functions of the Public Relations Department is to communicate information to the people about the Government policies and programmes. This is being done through the Press, Radio, Films, Song and Drama and Exhibitions. The inception of Information Centres Providing authentic data and information to the public on development schemes etc., is a new experiment in the process of democratic education as they are one of the effective media to enlighten the people.

The District Information Centre is envisaged to be a fountain-head for the dissemination of information pertaining to the activities of the Government at the district level. The Centres provide not only facts and figures but also general information about the district in particular and in the State and nation in general. They endeavour to depict the progress under the plan schemes through charts, models, photos, and other visual media in an impressive manner. Details of places of tourist interest are also displayed in a separate section. A modest reference library is attached to the centre. Debates,
symposia and lectures on nation-building activities will be arranged on special occasions for the benefit of the students and general public.

Regular film shows and Song and Drama performances are among other activities of the centres to entertain as well as educate the public. Each District Information Centre will have a Community Radio Set.

**Business of the House**

Mr. Speaker—Today you can participate in the debate and bring it to the notice of the Minister, and if he doesn't reply I will admit and call it tomorrow.

Mr. Speaker:—If they issue invitations at all they should issue to every Member. If they do not issue at all, there is no complaint.
Mr. Speaker:—Whatever information he has got, he will place it on the Table of the House.

Sri N. Ramachandra Reddy:—I quite remember it. Sir, it is ready and it will be placed on the Table of the House.

Mr. Speaker:—So far as short-notice questions are concerned, I cannot compel the Minister to answer it on a particular day. It is left to the discretion of the Minister, if he wants to answer it tomorrow, he can do so. It is included in tomorrow's agenda and it will come up tomorrow.
There is no time. By half-an-hour discussion, you will be losing half-an-hour so far as the discussion on supplementary demands are concerned. I have no objection to allow...if you are agreeable to forego that.

Mr Speaker.—I have disallowed it on the ground that the Minister for Food and Agriculture has already made a statement under Rule 74 at the beginning of the Session, I remember.

Sri P. Rajagopal Naidu.—Now, there is no rice. That is the position.

Mr Speaker.—I do not know. Tomorrow we disperse. Suppose, day after tomorrow, there is no rice.

Sri P. Rajagopal Naidu.—We cannot do any thing, because we are not sitting here. So long as we sit here, we must bring it to the notice of the Government.

Mr Speaker.—You have brought it to the notice of the Government, regarding the scarcity of rice in the twin cities.
We expect them to take steps to see that rice is available in the twin cities.

*Sri 4, Balarami Reddy:—To the Chair. I have got stock for 2 months with the Government, apart from the stocks which the merchants are holding. That is the position. There is no need for any anxiety.

*Mr. Speaker:—For two months, he has got stock.

*M. R. G. V. Raghavendra Reddy:—Mr. Speaker, the statement which the gentleman said, the need for any anxiety.

*M. N. N. Reddy:—Over the rate of 4 minutes is still 40 minutes. We are going to lose another 10 minutes over these motions.

*Sri T.K.R. Sarma:—It was promised by the Chief Minister that he would consider; he was also agreeable to discuss the language issue—the statement that he made on the language issue in the House. Before we leave is there any possibility of that coming up, either today or tomorrow?

*Mr. Speaker:—Let us think of it in the next session. We can do it. You want two hours discussion on the language issue. I do not think there is time. We shall now take call-attention notices. Sri P. Rajagopala Naidu, to call attention of the Minister for Revenue regarding the fire accident in Bahadapalli in Srikakulam District.

Mr. Speaker:—Now, there are ten matters under Rule 14. Even at the rate of 4 minutes, it will take 40 minutes. We are going to lose another 10 minutes over these motions.
Calling attention to matters of Urgent Public Importance

Re: Fire Accident in Banadapalli in Srikakulam District.

Sri P. Rijagopal Naidu - I am bringing it to the notice of the Home Minister to see that fire stations are doubled in Srikakulam so as to arrest the fire accidents whenever they happen.

Sri N. Ramachandra Reddy: - Speaker Sir, the collector of Srikakulam has reported that there was a fire accident in Banadapalli village of Mandasa Sub-Taluk on 1-3-1965 at 5.00 p.m. in which 40 thatched dwelling houses were completely gutted. There was no adequate water supply to extinguish the fire. The fire subsided automatically after all the houses in the street were gutted. This is a case of accidental fire which started in the house of one Sri S. Simhadri, while cooking and no arson is suspected.

2. There was no loss of human life or cattle in the accident and there was also no loss of Government property or records. Foodgrains, currency notes and cloths belonging to the victims including the roof materials were completely burnt. The value of property lost is estimated at Rs. 9,100/-. One victim by name Sri Tokkari Papayya represented to the Deputy Tahsildar, Mandasa, that his currency notes of value of Rs 200/- which were kept in a tumbler were completely burnt to ashes and that the burnt notes were said to have been handed over to the President of the Panchayat Samithi, Mandasa. But the President of the Panchayat Samithi has not confirmed about this particular incident but he has generally stated that foodgrains, cloths, utensils, currency notes etc., were burnt in the accident.
3. All the victims except one are "Yadavas" by caste and one victim belongs to "Sudra" community. Only three victims are paying land revenue assessment of more than Rs. 50/- and the rest are all poor people. The Collector of Srikakulam has sanctioned relief of Rs. 1,110/- to 37 deserving victims at Rs. 30/- each.

(Sri P. Narayan Reddy in Chair.)

Rs: Withholding of D. A to the copyists and Examiners

Sri N. Ramachandra Reddy: Sir, In G. O. Ms. No. 1480, Revenue dated 21-7-1960 orders have been issued for the payment of D. A. to copyists and Examiners in Andhra region at Rs. 30/- P. M. with effect from 1-7-1960. As regards the copyists in Telangana region, the Government in para 3 of G. O. Ms. No. 1480, Revenue dated 21-7-1960, have
Calling attention to matters of urgent Public Importance re: withholding of D. A. of the copyists and Examiners.

asked for full details regarding the salaries, D. A. and other allowances for adopting a uniform procedure in both the regions of the State. The Board of Revenue has accordingly submitted a proposal, requesting the payment of D. A. at Rs. 30/- P. M. to the copyists and Examiners in Telangana region just as in the case of copyists and Examiners in Andhra region and that the benefit may be ordered to take effect from 1-11-1961. In G. O. Ms No. 2060, Revenue dated 3-12-1963, the provision of B.S.O. 173 (which deals with the procedure of granting certified copies of public documents, the collection of search fees and payment of remuneration to copyists etc.) were extended to Telangana area.

2) While the matter was under this stage, the Collector of Nizamabad has requested clarification from the Board whether his presentation that the copyists and Examiners in Telangana area are not eligible for the D. A. at Rs. 30/- P. M. is correct. He also requested to be informed the rates of pay to be paid to the copyists and Examiners in Board's L. Dis. T. 454/64 dated 22-2-1964 referred in the call attention notice, the Collector of Nizamabad was informed that the copyists and Examiners in Telangana area are not eligible for the payment of D. A. at Rs. 30/- P. M. since the G. O. Ms. No. 1180, Revenue dated 21-7-1960 is intended to Andhra Districts only and that Government have been addressed for extending the provisions of the G. O. to the copyists and Examiners also and that their specific orders awaited. As regards the rate of pay, the Collector was informed that according to B.S.O. 173 (15)-the number of copyists and Examiners and the amount of pay to be granted are left to the discretion of the Collectors and that the principle under-lined in this is that the copyists establishment should not run on loss on any account. Since the D. A. of Rs. 30/- P. M. was said to have been paid in certain Telangana districts like Khammam and Medak, to avoid irregular payment, the instructions issued to Collector, Nizamabad in Board's L. Dis. T. 3-454/64 dated
Calling attention to matters of urgent Public Importance re: damage to paddy crops in Warangal taluk in general and Ghanapur constituency in particular for want of water in the tanks.

22-2-1964 referred in the call attention notice, were communicated by the Board to the other Collectors in Telangana for information.

The grant of D. A. to the copyists and Examiners in Telangana region at the rate of Rs. 30/- P. re: damage to paddy crops in Warangal taluk in general and Ghanapur constituency in particular for want of water in the tanks.

Sri N. Ramachandra Reddy:— There have been no reports from the Collector that the paddy crops have been damaged in Warangal Taluk in general and Ghanapur constituency in particular for want of water in the tanks. On the other hand the reports on seasonal conditions obtained from time to time have revealed that the supply of water in the irrigation sources in the Warangal Taluk, has been adequate, that the condition of Rabi crops in this Taluk has generally

been good except Jowar and that there has been no difficulty in the availability of labour.

The Collector of Warangal who has been contacted on telephone has stated that even at the Conference of Tahsildars he had convened on 22-3-1965 neither the Tahsildar of Warangal nor any other Tahsildar brought to his notice the prevalence of scarcity of water in any of the irrigation sources or failure of Rabi crops in the taluks. However if the hon. Member has in view any particular village or tank in which he considers that scarcity conditions prevail or there is scarcity of water it would be enquired into if brought to notice.

re: fire accidents in Pitchilivaripalli and Penchupadu Villages of Madanapalli taluk.

Sri N. Ramachandra Reddy:— Particulars of the relief given in fire accident at Nallasamiviripalli, hamlet of Pitchilivaripalli village of Madanapalli Taluk are as follows:

30 families have been affected and each family was given relief at Rs. 30/- by the Sub-Collector Madarapalli. Additional relief of timber worth Rs. 20/- has been sanctioned to each victim by the Collector.

No report has so far been received with regard to Ponchpadu village of Tallapalli Taluk. The Tahsildar, Tallapalli, when contacted, informed that in Pasamavari village of Ponchpadu village, three haystacks were destroyed by fire on 2-3-1965 and there was no loss of life or huts warranting relief.

re: work in the Nagarjunasagar Dam.
Calling attention to matters of urgent Public Importance re: work in the Nagarjunasagar Dam.

'The following is the position:

The dam construction work was slowed down for want of cement but not due to either non working of lorries for transporting sand or cement or for want of stone. The out-turn is less as the supplies of cement received are inadequate.

The total number of vehicles engaged in the transport of construction materials like stone, sand and cement etc. is 208. Of these 70 are sick, 40 under major repairs and 30 under
minor repairs. The remaining six venuesare in working
condition. There is no low, dry condition of cement
for want of drums. On the dam, a stone of blocks when the
cranes are located, the cranes are working in blocks. Out
of the total of 19 minor repairs, 13 can have so far
been erected in accordance with the permission and is in the
erection. There is adequate supply of cement, partly given, for
the cement for dam construction which can be worked in these
blocks can be done only in the reinforced season.

The dam construction work is done by the contractors
and the payment of wages to labour is made by them on the
basis of out-turn. From the information gathered, the fol-
lowing are the rates of wages of works and to the labour
employed on various works:

| Masons.       | 1951 | Rs. 9-00 |
|              | 1965 | Rs. 11-00 |
| Jobly set 4 members. | 1959 | Rs. 16-00 |
|               | 1965 | Rs. 17-00 |
| Overtime.     |      | Rs. 13-00 for 40 loads in 1959 |
|               |      | Rs. 16-00 for 40 loads in 1965 |
| Mortor carrier |      | Rs. 1-25 in 1959 |
|               |      | Rs. 1-50 in 1965 |
| Miscellaneous workers |      | Rs 1-25 to Rs. 1-62 in 1959 |

of cement for the project. Against the demand of 38,000 tons of cement for the dam for the current quarter January to March 1965, the Central Water and Power Commission allotted only 22,500 tons. In January 1965 itself, the State Government took up the matter with the Central Water and Power Commission and impressed on them the need to allot the balance. A note was also given to the Union Minister for irrigation in February 1965. This was followed by a telegram to the Government of India. The Project Administrator also went to Delhi for the purpose. The entire question of 22,500 tons was drawn by the project before the end of February 1965 and as the stocks got depleted the work had to be slowed down from March 10, 1965. Meanwhile, another order for 10,000 tons were received on 11-3-65 and supplies are being made from the Machhara Cement Factory at the rate of 200 tons per day. The State Government have addressed the Government of India for arranging a supply of the full requirements of cement, i.e., about 500 tons a day. As a temporary arrangement the Government of India have since agreed to supply 500 tons per day, subject to the next quarter allotment.

Calling attention to matters of urgent public importance re: construction of a bridge on Mulavagu near Vemulawada.

30th March, 1963

Sri A. C. Subba Reddy:- The water to Malakpet colony where Class IV employees together with other Government servants of various grades are residing is being raised from Himayetsagar system through Mira’nam filters. The maximum filtering capacity of the filters is 18 million gallons per day and this being strained to filter 21 million gallons per day. This filtered water is being drawn through various trunk mains and sent to the various service reservoirs located in the crucial areas of the different zones. Distribution to various localities is made through the service reservoirs. Water is supplied to Malakpet colony from a small service reservoir. The supply that is drawn from this reservoir is distributed to various localities in a period of 7 hours day. With the existing capacity of the conduit of the Mira’nam filters as also the service reservoir and trunk mains, the distribution power cannot be increased for more than 7 hours as they are already strained to the maximum. However, the starting and closing hours can be changed. Keeping the number of supply hours as 4 in the morning and 3 in the evening restricting the total to 7 hours a day, the occupants of the Malakpet colony and other areas may draw the required quantity of water and store it for 7 hours. Similar is the situation in respect of the water served by the Osmanasagar system also.

re: delay in payment of compensation to the ayacut-dars of the submerged areas under Daddanala Project in Bargara pally sub-taluk, Kurnool District.

Sri A. C. Subba Reddy:— In April 1963 Government sanctioned construction of a bridge at mile $\frac{1}{2}$ on the approach-road leading to Vemulavada at a cost of Rs. 1.17 lakhs and formation of a link road connecting the Vemulavada temple with the Jagadi Shriwahana temple at a cost of Rs. 6 lakhs in Karimnagar District. The temple committee of Vemulavada agreed to contribute Rs. 1.5 lakhs for these works. The construction of these projects has yet been taken up for want of a detailed estimate and plan. The detailed investigation for the bridge has been completed, the estimate and plans for the same are under finalisation. As soon as the estimate is finalised tenders will be invited and the work laid out and started.

re: delay in payment of compensation to the ayacut-dars of the submerged areas under Daddanala Project in Bargara pally sub-taluk, Kurnool Dist.

Sri A. C. Subba Reddy:— The Dondanala Project otherwise known as Doreru Project is in Banganapalle sub-Taluk, Kurnool District. The total area of the land that is available for submersion is reported to be 400 acres. In September, 1964, the Collector, Kurnool, informed the Government that the Public Works Department has taken possession of an extent of 129.71 acres on 10-9-1962 and requisition for the balance of the land to the extent of 270.29 acres has yet to be received from the Public Works Department. The Executive Engineer, Public Works Department, Nandval has since reported that a total amount of Rs. 66,000 for this year towards compensation for the lands coming under submersion of Doreru Project which

is otherwise called Dandanala Project has been placed at the disposal of the Collector, Kurnool, and so far awards have been passed to the extent of Rs. 44,000. For the balance of Rs. 22,000 also awards are anticipated to be passed shortly and the entire amount of compensation paid before the end of the financial year.

Regarding allotment of forest lands as an alternative compensation, this question does not arise in as much as cash compensation for all lands acquired by the Revenue authorities is reported to have been placed at their disposal by the Public Works Department. If any of the affected persons desires to have Government land under the project in lieu of cash compensation, provided such lands are available, Government will consider the allotment of lands.

Calling attention to matters of urgent public importance re. G. O. for stopping of the execution of community wells under pilot project scheme in Uravakonda Panchavat Samithi, Anantapur District.

Dr. M. N Lakshminarasiah:— Sir, the special works programme for utilization of man power was introduced at the end of December 1960 in three Blocks with the object of providing employment opportunities to unemployed and under-employed rural population particularly in the slack seasons. The programme was extended to 15 blocks in 1961 and 76 blocks in 1963. In May 1964, the programme was extended to another 15 blocks. Thus at present, the programme is being implemented in 106 blocks in the State. Under this programme highest priority should be given to minor irrigation works and next to roads under grant provision and the programme of community irrigation wells can be taken up both under grant and loan provisions of the programme. The rest of the schemes mentioned above should be taken up under loan provision of the programme. Government have not issued instructions regarding the sanction of community irrigation wells taken up by the Uravakonda Panchavat Samithi under this programme. Government have, however, issued instructions that the proposals for community irrigation wells under the programme should be discouraged in view of the fact that there are practical difficulties regarding the utilization of water among the beneficiaries, fixation of aycout, revenue assessment.

re: stock of maize and "Quintal" lying with the traders in Nizamabad.

It was also laid down that if the Panchayat Samithis like to take up community irrigation wells under the programme after overcoming all these difficulties the Collectors can send proposals to Government for sanction of these wells. Recently proposals were received from the District Collectors of Arantapur and Warangal for sanction of community irrigation wells in Udharmavaram and Parkal Panchayat samithi blocks respectively, which were sanctioned by the Government under the provision of the programme. Government have intimated execution of these community wells which have already been taken up by the Uravakonda Panchayat Samithi. Instructions are under issue to the Collector to expedite the completion of the works in Uravakonda Samithi.

PAPERS LAID ON THE TABLE.

Sri N. Ramachandra Reddy:— Sir, I beg to lay on the Table under sub-section (2) of section 18 of the Andhra Pradesh Irrigation (Levy of Betterment Contribution and Advance Betterment Contribution) Act, 1955 copies of amendments to rules made under the said Act, published at pages 60-61 of Rules Supplement to Part-I of the Andhra Pradesh Gazette dated the 18 February, 1965.

Mr. Temporary Chairman:— Paper laid on the Table.

Mr. Temporary Chairman:— Paper laid on the Table.
Accounts of the A. P. State Road Transport Corporation for 1963-64

The Minister for Labour and Transport: (Sri B. V. Gurumoorthy): — Sir, I beg to lay on the Table accounts of the Andhra Pradesh State Road Transport Corporation for the year 1963-64 as certified by the Accountant-General, Andhra Pradesh, together with the Audit Report thereon as required under sub-section (4) of section 36 of the Road Transport Corporations Act, 1950 (Central Act 64 of 1950).

Mr. Temporary Chairman: Papers laid on the Table of the House.

Sri B. V. Gurumoorthy: — Sir, in this connection I would like to make a small submission. On 12-3-1965, while I was replying to the debate, I made a statement in regard to the compensation to be paid to the operators in respect of Kurnool Nationalization. Sir, there was slight discrepancy. I stated on that day: "It is agreed that the Road Transport Corporation will pay a compensation of Rs. 25 per day per bus for the period during which the buses of the petitioners were restrained from running, viz., 220 days".

That is what I said, Sir. But in the judgement — the text of the Judgement I have got with me now — Sir, it is slightly different and I would like to clarify the same.

"It is agreed that the Road Transport Corporation will pay a compensation of Rs. 35 per day per bus for the period during which the buses of the petitioners were restrained from running, viz., 220 days".

Sir, I was speaking from memory and there was a slight error in my memory and I wanted to correct the same and bring it before the House.

Expenditure for the year 1964-65.

Supplementary Estimates of Rate

Supplementary Estimates of Rates. Government has decided to increase the rate of taxation for the year 1964-65. This is in line with the merit and reward system introduced. It is proposed to increase the rate of taxation for teachers as they merit a higher reward. The rates may be increased for those who introduce new methods in teaching.

A new scheme is introduced for ex-criminals, who may be rehabilitated through education. Students of the 20-year-old age group are eligible. Reforms are also introduced for social welfare issues. As a result, A.I.C.C. and other welfare activities are increased. A new scheme for the rehabilitation of ex-criminals is introduced. It is proposed to give special attention to this social welfare issue. The scheme will be implemented after G.O. Pass last year ending 3rd Pass. 

G.O. Pass is being increased this year. G.O. Pass is being increased this year. G.O. Pass is being increased this year.

Indiscriminate procurement of food grains

This action is necessary and positive, and the Government is in full support of this proposal. The Government is prepared to take appropriate measures to ensure that the procurement of food grains is carried out in a regular manner.

however, it is also essential to ensure that the procurement of food grains is carried out in a regular manner. The Government is prepared to take appropriate measures to ensure that the procurement of food grains is carried out in a regular manner.
At this stage there is a suggestion that the reputation of the Registration sub committee should be above board and that learned men with integrity should be nominated for the registration sub committee. In the past there are general complaints of corruption etc., against the Registration Sub Committee. It was resolved that the suggestion was good and merits consideration.”

Supplementary Estimates of Expenditure for the year 1964-65.

March 30th, 1965

The Supplementary Estimates of Expenditure for the year 1964-65, as also the proposed estimates for the year 1965-66, have been laid before this House.

The estimates cover various important sectors such as power industries, agriculture, and resources development. The government has been shrewd in its business economy, spreading out the resources wide and concentrating on projects that are essential for the country's progress.

In summary, the government has taken steps to ensure that the country's resources are used efficiently, and the estimates are in line with the government's goal of economic development.

Expenditure for the year 1964–65.

Main important projects to be continued and push through. 1. Excavation of major rivers and irrigation canals. 2. Development of new projects. 3. Concentration on the economic and financial side.

For instance, the economic and financial side is an area that requires more attention. The government is considering various measures to improve the economic situation. These measures include the establishment of new economic and financial projects. The government is also looking into ways to increase the efficiency of existing projects. The aim is to achieve a balanced approach in the economic and financial sector.

On the economic and financial side, the government is focusing on various initiatives to promote growth and development. These initiatives include the implementation of new economic and financial projects. The government is also looking into ways to increase the efficiency of existing projects. The aim is to achieve a balanced approach in the economic and financial sector.

In conclusion, the government is committed to achieving a balanced approach in the economic and financial sector. The government is focusing on various initiatives to promote growth and development. These initiatives include the implementation of new economic and financial projects. The government is also looking into ways to increase the efficiency of existing projects. The aim is to achieve a balanced approach in the economic and financial sector.

Regarding rates of excise duty on rice. The Central Government has decided to increase the rates of excise duty on rice by 15%. This decision is based on the need to maintain the domestic supply of rice and to ensure its availability for developmental purposes. It is hoped that this action will result in a production increase.

On the other hand, rice stocks held by the State Government at the time of the release of rice for developmental purposes have been assessed at Rs. 0.50 crores. It is estimated that these stocks will be sufficient to meet the needs of the State for the current year.

Additionally, loans and advances by land mortgage banks have been increased to meet the needs of the developmental projects. The banks have been encouraged to lend money for these purposes to facilitate the development of the State.

To enquire into the affairs of the Andhra University Sir, we are requesting Justice Gopalakrishna Nair, and we have given notice to the Andhra University Syndicate also. Thank you, Sir.

Sri Tenneti Viswanatham.—May I, on the first portion of his statement surrendering the houses, congratulate the hon. Chief Minister for the very good decision that he has taken?

Mr. Speaker.—Right and correct decision he has taken.

Mr. Speaker.—So, your suggestions also are taken in the right spirit by the Government. Though they are from the opposition side, they have taken in the right spirit.

Ranganath:—They have taken wise decision, Andhra University last time we had raise difficulties, now we have no records, Enquiry Committee has been formed, the language issue is solved, now the difficulty is solved, we have taken the wise decision, the language problem, a decision has been taken, and now arrest has been taken. So, we have taken wise decision on the language problem.
Dr. T. V. S. Chalapathi Rao. — May I be permitted, Sir, to join the members, though on the other side, to heartily congratulate our Chief Minister and the Government for an excellent tradition they have set up not only for the State but for the entire India and this is another instance to convince the opposition to dispel the suspicions from their minds that the Congress Government is going on with their re-adrolling majority irrespective of whether there is reason on their side or not. This is an indication that wherever there is reason, the Congress Government is prepared to rise to the occasion and do justice and in this connection...
