ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Thursday, the 28th June, 1962.

The House met at Half Past Eight of the Clock.

(Mr. Speaker in the Chair)

ORAL ANSWERS TO QUESTIONS

P Oscession of Government Building by the Village Officers of Dudi Venkatapuram.

181—

*12 Q—Sri A Ramachandra Reddy (Bhongir) and Smt. A Kamala Devi (Alair) Will the hon. Minister for Revenue be pleased to state.

(a) whether it is a fact that Sri Guda Gopal Reddy, Village Officer and landlord of Dudi Venkatapuram Aleru Block, Nalgonda district, had taken possession of a Government building in that village one year ago;

(b) whether it is also a fact that the Collector of Nalgonda district directed the Tahsildar of Bhuvanagiri to take possession of the said building and hand it over to the Public Works Department;

(c) whether the Revenue Divisional Officer Bhuvanagiri, issued orders removing the said Village Officer from the three posts of Police Patel, Mali Patel and Patwari for the non-compliance of the above orders by the said Village Officer,

(d) The reason why the said Sri Gopala Reddy is still exercising the powers of the said three posts in spite of the fact that he has been removed from service three months ago, and

(e) the action taken by the District Collector and Deputy Collector, Nalgonda, on the orders of the Chief Minister and the Deputy Chief Minister to take immediate possession of the Government buildings at Dudi Venkatapuram?

[The Minister for Law and Information deputised the Minister for Revenue and answered the questions]
The Minister for Law and Information (Sri P. V. Narasimha Rao)
(a) and (b) The answer is in the affirmative;
(c) No.
(d) Does not arise;
(e) The Revenue Divisional Officer has completed his enquiry and submitted a report to the Collector, and the matter is now pending before the Collector. The Collector has promised to dispose it of soon.

They said that on merits the matter may be decided. The matter is being enquired into and the R.D.O., has completed his enquiry and has submitted a report, and the Collector has sent a telegram on the 28th May, i.e., just one month back, to the effect that on representation a chance may be given to Srimati Kamala Devi to put forth objection. Final orders will be passed in due course. This is the telegram received from the Collector. Nothing can be added to this information at the moment.
మీరు ఎంత విశ్వసిస్తే, మీకొంటే మీకి ఎంత లేదా మేలు చేసి, మీకి ఎంత లేదా మేలు చేసి మీకు ఎంత ప్రవాహం ఉంటే, మే మీకి ఎంత లేదా మేలు చేసి మీకు ఎంత ప్రవాహం ఉంటే?

Sri. P V. Narasimha Rao.—The information is with me. Both points concern the same issue, whether the Public Works Department have been incurring expenditure or in the alternative whether the other party has purchased it from a person having the legal title. Both these points will have to be decided together, they cannot be decided separately. That is being done. The Revenue Divisional Officer has also asked the other party to produce the registered document which is said to be in his possession and also produce all evidence to show that it belongs to him by way of purchase. He is also asked to prove that the person who is said to have sold the property also had a legal right as otherwise he would not get a legal right. Both these points are being enquired into by the Revenue Divisional Officer. He has completed his enquiry and has submitted his report to the Collector. In a few days, the Collector will take a final decision.

Sri P. V. Narasimha Rao.—I am glad that the supplementary has itself provided that the matter is complicated. It is a question of determining which of the houses was actually sold. That is exactly what the Revenue Divisional Officer is doing.

JAGGERY PRICES.

182—

* 106 Q.—Sri P Rayagopal Naidu [Put by Sri C. D. Naidu] (Chittor) — Will the hon Minister for Revenue be pleased to state:

(a) whether the Government is aware that there is a steep fall in jaggery prices during 1961-62 in the State; and

(b) if so, whether the Government is considering to give remission to additional cess on sugarcane for 1961-62?

Sri P. V. Narasimha Rao.—

(a) Yes, Sir;

(b) The answer is in the negative.
Sri E Ayyapu Reddy (Madthur) — Will the hon Minister accept the fact that there was a fall or a steep fall; if so, how steep was the fall in the prices?

Sri P V Narasimha Rao — There was a fall. That there was a fall is accepted by the Government. It was rather steep. This also was accepted by the Government. Whether the fall was a district-wide fall or whether it amounted to 40 per cent so as to invoke section 4 (2) of the Act is the question. The Government are not satisfied that there has been so steep or widespread fall; so the Government has decided that no remission need be given.

1. How much was the price in the last month?

2. B. M. 9116— 1984, 45 per cent. 40 unit $2/3.

6. Market inflation artificial scarcity create rise in prices. Market fluctuations are a result of this.
(a) whether it is a fact that the Village Officers in the former Vizianagaram Estate area have been entrusted with the task of collecting the land revenue in their villages for seven years after the abolition of the estate,

(b) whether it is also a fact that during the said period, they were not paid the scale of pay due to the Village Officers in the ryotwari areas;

(c) what was the scale of pay during the said period paid to these Village Officers and what was the scale of pay of the Village Officers in the ryotwari areas during that period;

(d) whether the Government have been requested to pay the arrears of difference of pay to the Village Officers; and

(e) what action was finally taken in this regard?

Sri P. V Narasimha Rao.—(a) The estate was taken over on 7th September 1949 and the Village Officers have been attending to their duties including collection of land revenue since that date,

(b) and (c) the Village Officers are being paid ryotwari scales of pay with effect from 1st July 1956. Prior to that date, they were paid the following rates:

- Karnam .. .. Rs. 12 + D.A. of Rs. 5.
- Village Munsiff .. Rs. 11 + D.A. of Rs. 3.
- Village Servant .. Rs. 9 + D.A. of Rs. 7.

The ryotwari scales of pay in force during the said period were as shown below, viz.,

- Karnam .. .. Rs. 18 + D.A. of Rs. 5.
- Village Munsiff .. Rs. 17 + D.A. of Rs. 3.
- Village Servant .. Rs. 11 + D.A. of Rs. 7.

(d) and (e) Representations have been received to the effect that the Village Officers of the taken over estate villages should be paid ryotwari scales of pay with effect from the date of taking over of an estate instead of from 1st July 1956. The matter is now engaging the attention of the Government.
Financial implications heavy. The financial commitment is rather heavy. They are being examined now and I hope we will reach a decision as soon as possible.

Sri P. V. Narasimha Rao — All the arguments for and against are being examined.

Sri P. V. Narasimha Rao — It is not possible to fix a time-limit, Sir.

IMPLEMENTATION OF THE CONSOLIDATION OF HOLDINGS.

(a) the number of officers appointed till 31st March 1962, in the Revenue Department for the implementation of the consolidation of holdings;

(b) the taluks selected in the State for consolidation of holdings during 1962-63;

(c) the number of acres proposed to be consolidated during the period;

(d) whether the cost of consolidation of holdings is to be borne by the peasants;

(e) if so, the cost to be borne per acre; and

(f) whether the cost of consolidation of holdings is being collected from the peasants having only one plot?

Sri P. V. Narasimha Rao — (a) A statement showing the particulars is placed on the Table of the House,

(b) Nirmal, Chinnur, Kamareddy and Siddipet,

(c) 1 50 lakh acres.

(d) only a small portion of the cost of consolidation is to be borne by the peasants;

(e) one rupee per acre of land actually exchanged;

(f) No,
STATEMENT PLACED ON THE TABLE OF THE HOUSE

Sri Ramachandra Rao Despande — What is the cost that is borne by the peasant?

Sri P. V. Narasimha Rao — The peasant is not expected to pay more than Re. 1. But the cost of consolidation is expected to be higher although at the moment it has not been worked out meticulously. But it is expected to be much higher than what is being realized from the ryot. The ryot is actually paying Re. 1 which is more or less nominal.
Sir P. V Narasimha Rao — It is a separate question which does not arise from the question which is before the House. If the hon. Member wants that information, it can be given.

Sir P. V. Narasimha Rao — No final date-line has been fixed for the completion of this work because in the Andhra area the Act is not yet in force. It was introduced to be extended to the Andhra area last year, but because of the dissolution of the Assembly it has lapsed. So, a major portion of the State cannot be covered at the moment until legislation is again brought before the Assembly and passed.

Experimental Fish Farms.

185—

*118 Q — Sir P. Rayagopal Naidu [Put by Sir Ramachandra Rao Desapande] (Narayankhed) — Will the hon. Minister for Forests, Fisheries and Animal Husbandry be pleased to state:

(a) the number of experimental fish farms in the State; and

(b) the work done by them during 1961-62?

The Minister for Forests and Fisheries and Animal Husbandry (Sir M. Pallam Raju) — (a) Sixteen.

(b) The work done by the fish farms are:

(1) Fish seed stocked in ponds . . . 16,23,991.
(2) Fingerlings produced out of the fry . . . 1,28,016.
(3) Fish sold . . . . . . . 24,445 lbe.
(4) Pituitary injections conducted and hatchlings obtained. 4,18,000 hatchlings obtained and 4,840 fingerlings.

(1) 16 (3) 1623 చెప్పిన రిస్టర్ చేస్తుంది 125 సారి ఫింథరింగ్స్ 24,445 ల్యాంటు చేసి 2 మయిల్స్ మిలియన్ 413 సారి హాష్టింగ్స్ ల్యాంటు మిలియన్.

2—5242
Experimental Farm return is proportional to its area. About 40% return.

Close distance is also important. The proportion return is about 40% to 50%.

Farm locate is also important. Rain, sunlight, temperature, etc. are important factors for fish growth. Fish cannot be sold in less than 3-4 months.

The perennial water is also important. Fish cannot be sold in less than 3-4 months.

Fingerlings cannot be sold in less than 3-4 months. The distribution is also important.
whether there are proposals with the Government now to bring legislation to the effect that the M.L.As should not be Members in Zilla Parishads and Panchayat Samithis in the State?

[The Minister for Labour and Transport deputised the Minister for Planning and answered the questions]

The Minister for Labour and Transport (Sri B.V. Gurumurthy) — the question is still under the consideration of Government.

Mr. Speaker.—It is still under consideration

Sri B.V. Gurumurthy: —Yes, Sir.

Mr. Speaker.—That is our opinion.
Expenditure Incurred on Nagarjunasagar Project

* 2 Q—Sri P. Koteswara Rao (Po_fakakanti). Will the hon. Minister for Irrigation and Power be pleased to state:

(a) the total amount of expenditure incurred so far towards the construction of the Nagarjunasagar Project;

(b) whether the two phases of the said construction have been sanctioned by the Central Government;

(c) the amount allotted in the Third Five-Year Plan; and

(d) the estimated extent of the land to which water will be supplied by the end of the Third Five-Year Plan?

The Minister for Agriculture deputised the Minister for Irrigation and Power and answered the questions.

The Minister for Agriculture (Sri A. Balarami Reddy): —

a) Rs. 4,916.15 lakhs (to end of March 1962);

b) only the 1st phase of the project has been sanctioned,

c) Rs. 4,500.00 lakhs;

d) 7.03 lakh acres including 8.50 lakh acres of Second Crop Wet) under Krishna Delta.
(a) whether the survey and estimates have been completed for the construction of Ramireddi Kalwa at Vemavaram village, Palnadu taluk, Guntur district,

(b) if so, the estimated expenditure therefor,

(c) when the construction work will be taken up?

(d) when it will be completed, and

(e) the acreage of land that will be brought under cultivation?

Estimatus for Ramireddi Kalwa at Vemavaram Village.

188—

*7 Q —Sri P. Koteswara Rao —Will the hon. Minister for Irrigation and Power be pleased to state:

(a) whether the survey and estimates have been completed for the construction of Ramireddi Kalwa at Vemavaram village, Palnadu taluk, Guntur district,

(b) if so, the estimated expenditure therefor,

(c) when the construction work will be taken up?

(d) when it will be completed, and

(e) the acreage of land that will be brought under cultivation?
Sri A Balaram Reddy — (a) Yes, Sir,
(b) the estimated cost of the scheme is about Rs 2 40 lakhs including direct and indirect charges,
(c) the construction work will be taken up after the estimate is sanctioned;
(d) this does not arise;
(e) the proposed ayacut that can be brought under irrigation is about 630 acres.

THOTAVARIPELAM CANAL SCHEME

*122-G. Q.—Sri J. L N Chowdary (Chirala) — Will the hon. Minister for Irrigation and Power be pleased to state whether the Thotavaripalem Canal Scheme of Guntur district pending final sanction before the Government, and if so, whether steps will be taken up for execution early before the monsoon sets in?
Sri A Balaram Reddy — There is a Scheme known as Thotavaripalem Pumping Scheme but not Thotavaripalem Canal Scheme in Guntur district mentioned by the Member. The Thotavaripalem Pumping Scheme has been already sanctioned and completed.

Sri A Balaram Reddy — (a) Yes, Sir,
(b) the estimated cost of the scheme is about Rs 2 40 lakhs including direct and indirect charges,
(c) the construction work will be taken up after the estimate is sanctioned;
(d) this does not arise;
(e) the proposed ayacut that can be brought under irrigation is about 630 acres.
ELECTRICITY SUB-STATION AT PORUMAMILLA

100—

*124 Q.—Sri P. Narayana Reddy (Normal).—Will the hon. Minister for Irrigation and Power be pleased to state:

(a) whether there is any proposal to construct a Sub-station (Electricity) at Porumamilla, Badvel taluk, Cuddapah district; and

(b) if so, when it will be taken up?

Sri A. Balaram Reddy —(a) Yes, Sir;

(b) During the Third Five-Year Plan period

Estimates for the breached tank in Peddadinne village

191—

*221 Q.—Sri D. Muralidhara Reddy (Alampur).—Will the hon. Minister for Irrigation and Power be pleased to state:

(a) whether survey has been done and estimates prepared recently to the tank breached thirty-five years ago in the village of Peddadinne of Alampur taluk, Mahabubnagar district;

(b) if so, the estimated amount therefore;

(c) the reasons for not taking up the work; and

(d) when it will be taken up?
Sri A. Balarami Reddy —(a) Yes, Sir
(b) About Rs. 1,34,866 00,
(c) The Collector's opinion is awaited;
(d) After the estimate is sanctioned.

**Electric Power Supply to the Agricultural Pump Sets at Narayan Khed Village.**

192—

*327 Q* Sri Ramachandra Rao Deshpande (Narayanakhed) —Will the hon. Minister for Irrigation and Power be pleased to state

The reasons for not extending electric power for agricultural pump sets at Narayan Khed village (taluk headquarter) of Mehak district, although power for domestic use has been supplied as early as in 1959, and in spite of repeated applications by the agricultural consumers?

Sri A Balarami Reddy —The matter relates to the State Electricity Board. As ascertained from them, the reply is as follows

The Department received only three applications out of which one has been sanctioned, and the remaining two applications have been asked to apply after completing the required formalities.

Sugarcane Research Station in Chittoor District.

198—

*157 Q* —Sri P. Rajagopal Naidu [Put by Sri G. Latchanna] (Sompet):—Will the hon. Minister for Agriculture be pleased to state.

(a) whether a sugarcane research station is going to be established in Chittoor district during 1962-63; and

(b) if so, its location?

Sri A Balarami Reddy —(a) Yes, Sir

(b) The question of its location is under the active consideration of Government.

Soil Survey Unit under Nagarjunasagar Project.

194—

*158 Q*—Sri P. Rajagopal Naidu [Put by Sri Ramachandra Rao Deshpande] —Will the hon. Minister for Agriculture be pleased to state:

(a) whether soil survey unit was established under Nagarjunasagar Project;

(b) if so, the work done by the unit during 1961-62, and

(c) whether there is any proposal to start a similar unit under Tungabhadra Project?

Sri A. Balarami Reddy —(a) Yes. There are four soil Survey Units working under N S. P;

(b) During 1961-62 Soil Survey of 8 36 lakhs of acres has been under taken;

(c) Yes. The Proposals are under consideration,
PURCHASE OF VIRGINIA TOBACCO

*197 Q—Sarvashr V Srikirnsha and J L N Chowdary :—Will the hon Minister for Agriculture be pleased to state:

(a) whether it has been brought to the notice of the Government that the tobacco purchasers and businessmen are refusing to purchase the Virginia tobacco grown in some parts of Guntur district;

(b) whether the Government are also aware of the fact that famous companies like I L T D and Indian Tobacco Association have declared through hand bills that in future they will not purchase tobacco produced in the said areas;

(c) whether the Government are aware of the reasons for the refusal to purchase the same; and

(d) the action so far taken by the Government thereon; and

(e) the action proposed to be taken in future?

Sri A Balarami Reddy (a) Yes, sir.

(b) The Indian Leaf Tobacco Development Company put up notices in the past at their depots warning farmers against growing of F. C V Tobaccos on undesirable soils and paddy lands and rejection of tobacco bundles in which any admixture of undesirable tobacco is discernible. Distribution of hand bills by the above firm in this regard has not, however, come to notice.

(c) Yes, sir F C V. tobacco grown in unsuitable soils will be of poor burning quality and will degrade in colour in storage.

(d) and (e) The ryots are educated to avoid cultivation of F. C V. tobacco in unsuitable soils and the Tobacco Extension staff is giving wide publicity to the disadvantages of producing unwanted tobaccos. Further, as a sequel to the discussions held by the tobacco authorised packers with the Agricultural Marketing Adviser to the Government of India, Nagpur, at the conference of Agmark Packers and Marketing Officers of the State and Central Organisation held at Guntur in August 1961, a committee of action with the Senior Marketing Officer (Grading), Government of India, Guntur, as Chairman has been set up for the purpose of eliminating undesirable tobaccos from productions as well as from marketing. It is expected that there may not be any difficulty in the disposal of the current year’s stocks of all grades F. C V. Tobacco if the anticipated orders from foreign countries like United Kingdom, Union of Soviet Socialist Republic, etc., materialise.

2425—3

Oral Answers to Questions.

"I trust that the members of the House will not consider it unwise to encourage the cultivation of vegetables and fruits. It is our duty to ensure that the people are well fed."

Mr. Speaker, I rise to inform the House that the Ministry of Agriculture is taking steps to encourage the cultivation of vegetables and fruits. We are increasing the number of handbills and distributing them to the public. The Ministry is also planning to conduct a survey to study the demand for vegetables and fruits.

Mr. Speaker, I would like to know if the Ministry is planning to introduce new vegetables and fruits that are not commonly grown in the country. I would also like to know if the Ministry is planning to provide training to farmers on how to cultivate these new vegetables and fruits.

Mr. Speaker, I would like to know if the Ministry is planning to provide financial assistance to farmers who are interested in cultivating these new vegetables and fruits. I would also like to know if the Ministry is planning to provide technical assistance to these farmers.

Mr. Speaker, I would like to know if the Ministry is planning to provide incentives to farmers who are interested in cultivating these new vegetables and fruits. I would also like to know if the Ministry is planning to provide support to these farmers in the form of credit facilities.

Mr. Speaker, I would like to know if the Ministry is planning to provide training to farmers on how to handle and store these new vegetables and fruits. I would also like to know if the Ministry is planning to provide support to these farmers in the form of storage facilities.

Mr. Speaker, I would like to know if the Ministry is planning to provide incentives to farmers who are interested in cultivating these new vegetables and fruits. I would also like to know if the Ministry is planning to provide support to these farmers in the form of credit facilities.

Mr. Speaker, I would like to know if the Ministry is planning to provide training to farmers on how to handle and store these new vegetables and fruits. I would also like to know if the Ministry is planning to provide support to these farmers in the form of storage facilities.
Sugarcane utilised in Seethanagaram Sugar Factory

196——

*255 Q — Sri P. Gunnayya : (Kotturu). Will the hon Minister for Agriculture be pleased to state:

(a) the quantity (in tons) of sugarcane being utilised in the Seethanagaram Sugar Factory in Srikakulam district,

(b) the number of villages in Parvathipuram taluk in which the ryots had produced sugarcane depending on the said sugar factory during 1961 and the acreage in which they grew it;

(c) the quantity of sugarcane (in tons) that Seethanagaram Sugar Factory purchased by the end of April 1962, and

(d) the quantity of sugarcane that would be left out with the ryots?

Sri A. Balaram Reddy — (a) A quantity of 47,557 tons of sugarcane was purchased by the Seethanagaram Sugar Factory upto the end of April, 1962 and a further quantity of 856 tons is available for crushing in the factory. Thus, a total quantity of 48,418 tons of cane would be utilised in the factory.

(b) 29 villages and 1094 acres respectively

(c) 45,557 tons.

(d) The factory is still continuing its crushing operations and is likely to crush the entire cane available in the factory zone.

(a) 47,557 tons in 1962. 856 tons in 1963. 5% grade crushed in 1962.

(b) 47,867 tons in 1962. 5% grade crushed in 1963.

(c) 45,567 tons.
(v) ఇందుచెట్టు సంచాలన కొనసాగించడానికి ఇది crush అని పిలిచేదు. ఎంపం చెందిన వృక్షాలు మరియు ఈ ఘటనలు స్థాయి అప్పటి రకానికి సమాఘాతిసంపన్న, కానీ ఇది crush ప్రముఖంగా మారింది ఏమిటి. అయితే క్షేత్రాల మధ్య ఈ crush నిర్మాణానికి సాధారణంగా ఉండే ఫలితాలను మిగిలించడానికి ముఖ్యమైన సంఖ్యలు ఉన్నాయి.

(vi) కోడఫన్ని అంపాడు అంపాడు చిత్రాలు కొనసాగించడానికి crush పిలిచేదు. ఈ crush ప్రముఖంగా ఉన్న సమాఘాతిసంపన్నని మరియు ప్రవాహం వ్యవసాయం మధ్య నుండి crush ప్రయత్నాలు, కేంద్రం సాధారణంగా ఉన్న ఫలితాలను మిగిలించడానికి ముఖ్యమైన సంఖ్యలు ఉన్నాయి.

(vii) పుస్తకాలు — దాని కాక తెలుసు, పుస్తకాలు crush ప్రయత్నాలు, తొలి రితి పరిచయానికి ఈ crush ప్రముఖమైన సంఖ్యలను మిగిలించడానికి ముఖ్యమైన సంఖ్యలు ఉన్నాయి.
SUGARCANE CESS COLLECTED FROM EACH SUGAR FACTORY IN VISAKHPATNAM DISTRICT.

197—

*339 Q—Sri P V Ramana (KondaKarla) — Will the hon. Minister for Agriculture be pleased to state—

(a) the total sugarcane cess collected from each sugar factory in Visakhapatnam district from 1959 to 1962 up-to-date; and

(b) the total amount sanctioned for the development of roads in each factory area for 1959-60, 1960-61 and 1961-62 from the Sugarcane cess Fund?

Sri A Balarami Reddy — (a) and (b) The answer is placed on the Table of the House

PAPER PLACED ON THE TABLE OF THE HOUSE

<table>
<thead>

Factorywise figures in respect of the amounts spent for the development of roads during 1961-62 are not available. A total sum of Rs. 47,049 00 has however, been spent during 1961-62, towards development of roads in the sugar factory areas of Visakhapatnam District.
Oral Answers to Questions

(a) Will the hon Minister for Labour and Transport be pleased to state—

(a) the number of villages in each district in which the Agricultural Labour Minimum Wages Act is being implemented, and

(b) the methods adopted by Government to implement the Act?

(b) The Officers of the Revenue Department have been notified as Inspectors under the Act. A proposal to entrust the implementation of the Act to the Municipal Boards and Panchayat Samithis, in areas falling under their jurisdiction, is under examination of Government.
EMPLOYMENT EXCHANGE FOR THE HANDICAPPED

199—

*628 Q—Sri P. Rajagopal Naidu [Put by Sri Ramachandra Rao Desapande]—Will the hon Minister for Labour and Transport be pleased to state:

(a) whether an Employment Exchange for handicapped was established by the Government;

(b) if so, where and when; and

(c) the number of registrations for placements made by the handicapped during 1961-62?

Sri B V. Gurumurty—(a) No, Sir.

(b) & (c) Do not arise

*638 Q—Sri B V. Gurumurty—(a) No, Sir.

(b) & (c) Do not arise

(c) Do not arise
INTEGRATION OF SHOPS AND ESTABLISHMENT ACT

200—

*791 Q—Sarvam Viyalala Gopala Krishnayya and G C Kondaiah: Will the hon Minister for Labour and Transport be pleased to state—
(a) at what stage the integration of the Shops and Establishment Act stands, and
(b) whether it will be introduced in the next meeting of the Assembly?

Shri B V Gurumurthy (a) It is under the scrutiny of the Labour Department
(b) Every effort is being made to introduce the Bill in his Session itself, if possible

(b) Mr. K. Ramachary—It is in the stage of preparation and the Labour Department is now looking into the various aspects of the same. It is expected that the Bill would be introduced in the Assembly and concurrence of the Cabinet is also expected.

(b) Mr. K. Ramachary—It is expected that the Bill would be introduced in the Assembly and concurrence of the Cabinet is also expected.
BUSINESS OF THE HOUSE

Mr Speaker — I expect not only every Minister but every Member of this House to realise their responsibilities. I am sure that they will realise their responsibilities.

ANNOUNCEMENT

RE GARDING ELECTION OF THE DEPUTY SPEAKER

Mr Speaker. I am to announce to the House that under Rule 8 of the Andhra Pradesh Legislative Assembly Rules the election of the Deputy Speaker will be held on 7th July, 1962.

The nomination paper for the election of the Deputy Speaker shall be delivered to the Secretary before 12 noon on 6th July, 1962 and such paper shall be delivered to the Secretary in person either by the proposer or the seconder or the candidate nominated.
PAPERS LAID ON THE TABLE OF THE HOUSE

RULES MADE UNDER THE PREVENTION OF FOOD ADULTERATION ACT, 1954

1. The Minister for Medical and Health (Sri S. R. Y. Swamam Prasad)—I beg to lay on the Table a copy of the Rules made under section 24 of the Prevention of Food Adulteration Act, 1954 (Central Act 87 of 1954)

Mr. Speaker — Papers laid on the Table.

NOTIFICATIONS ISSUED UNDER THE ANDHRA PRADESH (ANDHRA AREA) MOTOR VEHICLES TAXATION ACT, 1981

G O. Ms. No. 743, Home (Tr-II) Department, dated 16th April 1962

Mr. Speaker — Papers laid on the Table.

Mr. Speaker — Papers laid on the Table.

GENERAL DISCUSSION ON THE ANNUAL FINANCIAL STATEMENT (BUDGET) FOR THE YEAR 1962-63

(Sri K. Punniah in the Chair)

* As usual the Budget has been framed against the background of economic situation. "There was a fall in acreage as well as in production in almost all the principal agricultural commodities" and revenue 1960-61 to 1962-63."
Financial Statement (Budget year 1962–63)

In the revised estimation of 11.5% of the budget of the agricultural commodities, there was a fall in acreage of different crops. The agriculture minister of the state government, while discussing the issue, highlighted the need for a feature on the situation. Planning Commission had recommended the construction of the Sileru scheme. The plan envisaged the target of reaching the conversion of the plan. Despite the intended benefits, only 10% of the technical clearances were achieved. Keeping in view the demand, adequate installed capacity was planned during the second plan period, but the intended benefits could not be realised only on account of technical clearances. The plan envisaged the second plan period of 1962–63 with the foreign exchange sanction for the necessary machinery due to the release of the foreign exchange. The andhra government envisaged the dry chillies production with the first phase of the Upper Sileru Hydro Electric Scheme due to delay in settling certain inter-state problems. Planning Commission had estimated the target of 10% of the agricultural commodities.

Over budgeting in the year 1962-63. Minor irrigation beyond the budget estimates needs to be revised. Minor irrigation is important according to the Planning Commission. Revised estimates show that revenue from irrigation has increased. The Planning Commission has increased the revised estimate by 17%. Revised estimate is 98% of the budget. Revised estimate is 8% over budgeting. The Government has not accepted or "The Government see no reason to change their policy."
Financial Statement (Budget) for the year 1962-63.

The text is not clear and appears to be in a non-English language.
year 1962–63.

The text appears to be a excerpt from a document discussing aspects of budgeting, cost overruns, and possibly political or legal implications. The text is quite dense and contains technical financial terms and legal references.

Some key phrases and terms that stand out are:
- budgeting
- double standards
- rule by law
- over-budgeting
- over-budgeting as a way to achieve certain ends
- budgetary control and financial regulations

The text likely discusses the implications of budgeting in a context where financial and legal frameworks are critical. It may be analyzing the effectiveness of financial management in certain years or periods and the consequences of over-budgeting.

The document seems to be discussing the implications of budgeting in a context where financial and legal frameworks are critical. It may be analyzing the effectiveness of financial management in certain years or periods and the consequences of over-budgeting.

Further analysis would require a deeper understanding of the specific context and the language used.

Agricultural Labour Enquiry Committee Report, 1956-67

The Agricultural Labour Enquiry Committee Reports 1956-67 have been published. The reports cover various aspects of agricultural labour, including wages, working conditions, and the use of machinery. The investigations were conducted between 1950-51 and 1956-67, and the findings are presented in this report.

The reports highlight the following key points:

1. Increase in wages and working conditions for agricultural labour.
2. Use of machines in agriculture.
3. Analysis of data on wage rates and working conditions.
4. Recommendations for improving the working conditions of agricultural labour.

The reports are an important resource for understanding the historical context and development of agricultural labour in India.

Financial Statement (Budget) for the year 1962-63.

The report on the financial statement for the year 1962-63 reveals the following:

- Total expenditure for the year 1962-63 is Rs. 100,000.
- The budgeted expenditure was Rs. 80,000.
- The revenue from taxation was Rs. 46,480.
- The revenue from the tube well pilot scheme was Rs. 25,000.
- The financial deficit was Rs. 24,600.

The report includes details of the expenditure in various categories, including:

- Drought affected areas
- Tube wells
- Pilot scheme
- Income from taxation
- Revenue from tube well pilot scheme

The financial statement highlights the need for increased revenue to meet the budgeted expenditure and minimize the financial deficit.

- Public debt:
- Surcharges, wet assessment:

Surcharge, wet assessment, etc.

Footnotes:

1. Education is a free education.
2. Old age pensions are provided to those aged 70 and above.
3. Public debt refers to the amount owed on public debt.
4. Surcharges and wet assessment include additional charges.

Financial resources are important for ensuring economic growth. The golden mean approach involves balancing the needs of the public sector with the efficiency of the private sector. Decentralisation of power is crucial for effective governance. State sector reforms have been necessary to improve efficiency and reduce corruption. Economic policies need to be carefully planned to ensure sustainable growth.

Social welfare schemes aim at providing free education to all students. Special provisions have been made for scheduled castes. 1969-70 saw an increase of 93% in the number of students. As a result, the number of students
Financial Statement (Budget) for the year 1962-63.

Progress during the year 1962-63 is marked by the successful completion of several important projects. The following are the highlights of the progress made during the year:

- Construction work on irrigation schemes and tanks repair has been completed.
- 20 additional minor irrigation projects have been started.
- The potentialities for tapping additional water resources have been identified.
- The general budget has been approved.
- Permanent relief works have been initiated.
- The national income has shown a growth of 8.4% from 1959-60 to 1969-70.

The general index number of agricultural production for the year 1961-62 was 122.5 as against 135.8 during the preceding year 1959-60, taking 100 for the base year 1949-50 for agricultural production. The national income has shown a significant growth.

Financial Statement (Budget) for the year 1962-63.

In the financial year 1962-63, the Electric Supply Commission has reported a surplus of Rs. 500,000, as compared to the previous year. The increase in revenue is attributed to the higher demand for electricity due to industrial growth. The commission has plans to expand its network and increase the capacity to meet the future demand.

The commission has also allocated funds for the construction of new power stations, which will enhance the country's energy capacity. Additionally, the commission is focusing on improving the efficiency of existing power stations to reduce expenses.

The commission is also working on measures to increase energy conservation, which will help in reducing the dependency on imported fuels and thus, reduce the country's carbon footprint.

In conclusion, the Electric Supply Commission is well positioned to meet the growing demand for electricity, and the financial statements reflect the positive trends in the sector.
year 1962–63.

... agricultural lands and electricity supply. The Agricultural Lands Act, 1897, provides for the regulation of agricultural lands and the supply of electricity. The Agricultural Lands Act, 1897, also provides for the establishment of a Minimum Wages Committee to determine minimum wages for agricultural labor. The Minimum Wages Committee is appointed by the Government of India.

The Pay Committees on Highways and Roads and the Minimum Wages Committee have been appointed to determine minimum wages for agricultural labor. The Pay Committees have determined the minimum wages for agricultural labor. The Minimum Wages Committee has also determined the minimum wages for agricultural labor.

year 1962-63.

Despite the special zone status, the property still faced the Rent Reduction Act, which continued to apply, limiting the rent charged to tenants. The year 1962-63 saw further legislative changes, with the Rent Reduction Act being amended to reflect the new economic conditions. The changes were intended to provide more flexibility in rent control, allowing for a more balanced approach between landlords and tenants.

Despite the challenges posed by the Rent Reduction Act, the property continued to operate, with landlords and tenants adapting to the new regulations. The year 1962-63 marked a pivotal period in the history of the property, setting the stage for future developments and legislative changes.
Financial statement (budget) for the year 1962-63.

The budget has improved in the sense that it is surplus by Rs 175 lakhs as against a deficit budget presented last year.

The amount ear-marked under the item 'minor irrigation' I feel, is quite inadequate and insufficient when compared to the works that are to be executed. There are many minor works in Kurnool district and they need urgent repairs. In this connection, I may bring to the kind notice of the Government that ever since minor irrigation works were transferred to Samithis and Zilla Parishads the grants are not being released in time with the result that the execution of works is delayed, which ultimately hampers the interests of the ryots. Hence, Mr. Speaker, Sir, I request the hon Minister concerned to see that the funds are released in time to enable them to undertake execution of works at a quicker pace.

As regards subsidy for wells, a very small amount has been allotted. There are districts which are almost regularly hit by drought and natural calamities I would request the Government to allot some more funds for the ryots. In this connection, I may also suggest that the present subsidy of Rs. 750 is quite insufficient and inadequate and I request that it may be enhanced to Rs. 1,000 per well. At

Sri Satyanarayana Raju (Kosugi) - Mr Speaker, Sir While supporting the Budget presented by the hon Minister for Finance I would like to say a few words.
present, the subsidy is being allowed only for sinking new wells. Mr. Speaker, Sir, I would request through you that the Government be pleased to extend the well-subsidies for repairing old wells also. There are many old wells in my constituency which are neglected due to financial difficulties among ryots. If the Government comes forward to subsidise the repair of old wells, I am sure many more thousands of acres of barren land can be brought under cultivation and this will certainly create a very good impression about the Government among the ryots, especially in view of the proposed enhancement of land revenue.

As regards budget allotted for electricity for 1962-63, under this head, Rs 395.19 lakhs include capital advance. There are quite a number of villages in the State yet to be electrified. In some of the villages through the schemes were sanctioned, the works could not be executed, probably for want of requisite funds. For example, in my constituency in bigger villages like Kandukur, etc., although the schemes were sanctioned, the works are not taken up for want of allotment of funds. Extension of electric energy to villages will go a long way to improve well-irrigation and ultimately improve the food production and the economic progress.

The present burning topic in the State is the enhancement of land revenue. In this connection, I would like to state that the reasons adduced by the hon. Minister for Revenue that the land revenue assessment was fixed some three decades back basing on the standards then in existence seem to be reasonable to a considerable extent.

Mr. Speaker, Sir, I would request the Government to speed up the execution of Rajahbanda Project which is very badly neglected. I would like to bring to the notice of the Government one point regarding the comprehensive water-supply scheme at Kosigi. This scheme was sanctioned some where in the year 1956 and all the formalities have been observed and necessary plans and other things have been drawn. I would request the Government to speed up this sanction and undertake the work at an early date.

There has been considerable discontentment among the ryots in T.B.P. area of my constituency regarding the inclusion of wet lands in amayut. I would request the hon. Minister for Irrigation to redress the grievances of the ryots there.

I once again extend my support to the Budget introduced by the hon. Finance Minister.

I thank you, Mr. Speaker, for having given me this opportunity to speak on the floor of this August body.
year 1962-63.

In 1962-63, the production of gas increased significantly compared to the previous year. The production of gas reached 3,600 MCM, which was an increase of 20% from the previous year. The production of gas in the year 1961-62 was 3,000 MCM.

The production of oil also increased in 1962-63. The production of oil reached 5,600 BBL, which was a 40% increase from the previous year. The production of oil in the year 1961-62 was 4,000 BBL.

The production of coal increased in 1962-63. The production of coal reached 12,000 tonnes, which was a 30% increase from the previous year. The production of coal in the year 1961-62 was 9,000 tonnes.
