[Speaker's Response]

Mr. K. K. N. N. — (Replying) — How far do you see the Third Five Year Plan being framed?

[Speaker's Response]
Srimathi Roda Mistry:—Is the Government considering any proposal to give priority to the removal of beggars because year after year we hear that there are no funds. After all, they should give a planned programme as to when they would remove them. Besides that, the seriousness of the problem should be considered.

Sri N. Sanjiva Reddy —Your request will be considered.
Oral Answers to Questions

(a) whether the Government are aware that the Karamchedu Co-operative Marketing Society, Karamchedu, Bapatla taluq, Guntur district is under liquidation; and

Sri V. V. Gopalakrishnayya (Sattenapalli) — Will the hon. Minister for Finance and Co-operation be pleased to state:

the action taken on the recommendations of the Ninth and Tenth Reports of the Public Accounts Committee of the Andhra Pradesh Legislature so far?

Sri K. Brahmananda Reddy — Of the 84 paras of the Public Accounts Committee's 9th report received in August, 1961 in which specific observations have been made, action has already been taken in respect of 48 paras and the Legislature Secretariat informed of it. Action in respect of the other paras is being expedited. Of the 81 paras of the public Accounts Committee's 10th report received in February, 1962 in which specific observations have been made, action has already been taken in respect of 6 paras and the Legislature Secretariat informed. Reports on the action taken on the recommendations in other paras of the Report are awaited from the departments of Secretariat and other Heads of Department. Action is being expedited.
Mr Speaker—He wants the information regarding the action taken on the recommendations of the Public Accounts Committee.

Sri K Brahmamanda Reddy —It is very difficult to answer unless what has already been given to the Secretariat is again unearthed and circulated to the Members.

Mr Speaker—I will see that they are circulated to the Members. Put a separate question and I will allow it. You can put a short notice question after they are circulated.

Mr Speaker—You can put a short notice question after they are circulated.

Mr Speaker—You can put a short notice question after they are circulated.

EXEMPTION OF SALES TAX FROM RETAIL BUTTER DEALERS.

\* 1896 Q.—Sri Vasilala Gopalakrishnayya—Will the hon. Minister for Finance and Co-operation be pleased to state;

(a) whether the Government received any representation recently from the Secretary, Retail Butter Dealers' Association, Guntur relating to the exemption in respect of small butter dealers from Sales tax; and

(b) if so, the action taken thereon?

Sri K. Brahmananda Reddy (a) A representation was received in November, 1960

(b) Relief has been given to the dealers in butter and ghee with an annual turnover of Rs 20,000 and less by way of levying tax at slab rates.

Relief has been given to the dealers in butter and ghee with an annual turnover of Rs 30,000 and less by way of levying tax at slab rates. Relief has been given to the dealers with a turnover of Rs 30,000 and less by way of levying tax at slab rates.

There is no question of being liberal in this case. Concession has been given from a certain date and
naturally it takes effect from that date.

SALE OF TEXT-BOOKS

592—

*1194 Q.—Sarvaon Tenneti Viswanatham and G. Bapanaravah (Nid molu) :-Will the hon. Minister for Education be pleased to state

whether in view of the wide-spread complaint the text-books are not easily available for months and months after the academic year commences, the Government have any proposals to effect a change in the method of distribution and sale of text-books through regular and established book-selling agents?

The Minister for Education (Sri P V.) Ragu.—The answer is in the negative.

Sri P. V. G. Ragu:—Mr Speaker, Sir this question was exhaustively answered only day before yesterday I do not know what the hon Member means. The same question is being repeated and I am answering whenever it is asked.

Mr. Speaker:—Mr. Viswanatham has put that question months back and it should have come much earlier than the other question which was answered day before yesterday.

Mr. Speaker:—His complaint is that since it was put about three or four months back, it should have come much earlier than the other question for answer.

Sri P. V. G. Raju:—No, Sir. That would mean that we preferred to answer the other questions before we wanted to answer his question.

Mr. Speaker:—The hon. Member is complaining against the delay in my Office, if I have understood him correctly.

Sri P. V. G. Raju:—Only the other day I have answered the question exhaustively.

Sri P. V. G. Raju—I am sorry, Sir. The wording is that there is widespread complaint. The word 'Complaint' has got to have some meaning. If somebody writes or a reference is made to the Government then the Government can take cognizance of it. General public opinion, we have accepted and I have said so in the debate. The word 'complaint' is specific and therefore the answer is for specific complaints and something in the air.

Sri P. V. G. Raju—I have answered that a departmental Committee has been appointed. Certain suggestions were made in the debate and according to the suggestions in the debate, we are taking action.

**MIDDAY MEALS TO THE CHILDREN OF ELEMENTARY SCHOOLS**

593—

*1294 Q — Sri Md Ismail (Samalkot) Will the hon. Minister for Education be pleased to state—

(a) whether the Government decided to supply free midday meals to all the children of elementary schools during the current year; and

(b) if so, the cost involved in supplying the midday meals for the entire State; and

(c) whether any outside financial assistance is coming to meet the expenditure?

**Sri P. V. G. Raju ——**

(a) The Government have decided to introduce a scheme of supply of Free Midday Meals to cover 2,00,000 children in Telangana and in 6 Circar Districts, in cooperation with 'CARE' Organisation in India, during the year 1962-63.

(b) The working cost of the above scheme will be Rs. 6 16 lakhs.

(c) The entire commodities constituting the Midday Meals is obtained as Free Gift from 'CARE' Organisation in India.
Sri P V G Raju — I do not know to what the hon Member is referring. CARE organisation is giving us the food supply and we distribute the food. It is under the Indo-US agreement that the CARE organisation is supplying the food which is for a specific period of time and not for two or three months. For the whole of third five year plan period, the CARE organisation will be undertaking the distribution of food.

MR SPEAKER — The hon Member says that the scheme was started some years ago. The experience is that the scheme is run for two or three months and then stopped. That is why, the hon Member is asking, whether...

SHRI P V G RAJU — This is CARE Scheme which is with American support. The two schemes are different. Under the previous scheme, I do not have any instances. There might have been local instances. But the fact is that once the Government develops a scheme, it goes through the full period for which the Government develops the scheme.

Shri P V G, Raju — I do not like the implication of this question and therefore I cannot give a comparative answer between Rayalaseema and Cuddapah. UNICEF is distributing milk powder and so on for 1,52,000 children in the Rayalaseema area, i.e. the four districts of Cuddapah (Kurnool), Chittoor, Anantapur and Nellore. The UNICEF scheme is different from CARE scheme. The UNICEF, in addition to giving milk powder, gives money for kitchen gardens and so on so that special vegetables may be grown for the use of the children. It is a different scheme. Therefore, there is no question of discrimination.

Shri P V G, Raju — Certainly. There are lots of rules under which we operate.

Shri P V G, Raju — There are two schemes in operation. One is by the UNICEF and the other is by CARE. One is by the international organisation and the other is by the American Government. Apart from the two, we have our own mid-day meals scheme which is run by the Government of Andhra Pradesh.
Shri P V G RAJU Mr Speaker, Sir, I presume that the hon. Member is asking about our scheme. I do not have the details and from memory I am answering the question. The scheme put through by our Government is valued at about 80 paisa per rupee of which the Government contribution is 12 naya paise. The local authority is supposed to give a contribution up to six naya paise, either in the form of firewood or pulses or sweets or sugar or in cash. Some local contribution in cash or kind is expected from the panchayat at two naya paise and it works upwards. So, for six naya paise, the local authority is responsible.

Shri P V G Raju — I am sorry, Sir. There was a slip of the tongue. Of the four districts mentioned, Kurnool is also included besides Nellore. I forgot to name the district.

Shri P Anthony Reddy — Under the CARE Scheme, what is the nature of mid-day meal supplied to the children?

Shri P V G Raju — One ounce of milk powder, one ounce of corn meal, half-an-ounce of vegetable oil which is used for cooking purposes.

Shri Balakrishnayya (Satyavedu) — May I know the districts in which the mid-day meal scheme has been introduced?

Shri P V G. Raju — Of the nine districts in Telangana under the scheme, 1,50,000 children are given food under the mid-day meal scheme and in the Circars, 2,00,000 children are given food.

Shri P V G Raju — I have already answered that question. There is no question of stopping the scheme. We are trying to implement the scheme throughout the school-working period.

Shri P V G Raju — Panchayat Presidents have nothing to do with the scheme as such. It is the responsibility of the headmaster to get the material from us and in turn he has to get it cooked in the school and then distribute the food to the poor children.

Shri P V G. Raju — This is an all-India figure arrived at by the experience of the scheme in Madras and other States. It is sufficient to give some increased nutrition for the children.
Shri P V G Raju — That is a different question. But we think this is a very important programme and project. In addition to that we are also giving some scholarships, as you all know.

Shri P V G Raju — I did not say that the students have to cook. It is the responsibility of the headmaster and the teachers of the school to prepare the food. In some instances, they take local help. The cost of local help in the form of contributions is debited against the panchayats. That means some parents of the children and some very charitable persons in the village must come forward and voluntarily cook. That is all valued in the contribution from the lower level.

Shri P V G Raju — All the problems will be solved as we keep on solving them.

Shri P V G Raju — I do not know if the hon. Member has got some information, but W.H.O. (World Health Organisation) does not participate in this type of programme activity.

Shri P V G Raju — I do not know. I do not accept that position.

Shri P V G. Raju:— I have answered that question already.

Shri P. V. G. Raju — Ten centres in Visakhapatnam District I am counting them from the list.

REPORT OF THE MELKOTE COMMITTEE

596—

*789 Q —Sri Vavilala Gopalakrishnayya —Will the hon. Minister for Health and Medical be pleased to state

(a) whether the Government received the interim and final report of the Melkote Committee on Ayurvedic and Unani Systems of medicine;

(b) if so, what are the recommendations and which of them were implemented and rejected, and

(c) at what stage the implementation of the G.O. Ms No. 2285, Health, dated 14th September, 1961 stands?

Sri Y. Sivarama Prasad —

(a) An interim report has been received.

(b) A statement summarising the recommendations is placed on the Table of the House. It is considered advisable to examine these recommendations on the receipt of the final report.

(c) Under the scheme sanctioned in this G.O. Modern Medicine and materia medica will be taught to the students of Ayurvedic and Unani Colleges in four batches. The first batch has started attending the course

STATEMENT PLACED ON THE TABLE OF THE HOUSE.

STATEMENT SUMMARISING THE RECOMMENDATIONS OF THE MELKOTE COMMITTEE ON AYURVEDIC AND UNANI SYSTEMS OF MEDICINE.

1. That the aims and objects of the colleges are to impart training in Ayurveda and Unani Systems of Medicine in a way that would produce alumni who can practice these systems of medicine in all its branches (Internal Medicine, Surgery, Surgery of the Special Organs, etc.) the preventive aspects of ancient and modern Health and who have a knowledge of jurisprudence etc., and Toxicology, (ancient and modern) who would be able to serve the community and the Government for all their health requirements (including the international requirements)

2. That the training imparted should lead to the acquisition of a Degree.

3. That the courses of training etc., be imparted under the aegis of University.

4. The basic minimum qualification for entry into these colleges should be a Higher Secondary or P.U.C. or an equivalent oriental examination (those with knowledge of Sanskrit or Arabic to be preferred.) The pre-professional Ayurvedic or Unani of one year’s pration to be instituted, which would include the teaching of Sanskrit
5. A student after passing the pre-professional should be require
to put in a period of at least 42 years before the completes his Degree
Course. During this period he should be made to acquire the know­
ledge of the different branches of his medicin

6. A House Surgeoncy for a period of one year should be comp­
pulsory.

7. Those few who show special aptitude or pass in merit should
be permitted to under-take the Post-Graduate Courses which may
include higher study in the different branches of his own system or in
selecting for study any one or two branches of the Modern System.
Those that show very special aptitude may be allowed to undertake
research after having undergone the Graduate Course

8. As and when these people gain experience, specially those that
have acquired knowledge of Modern Medicine in the precincts of their
own college should be permitted to start teaching the under graduates
in these branches

9. Liberal scholarships and conveniences would have to be granted
to encourage students to take to those courses

10. Status of the graduates and Post-Graduates should be on
par with those of the Modern System of Medicine.

for any reason, it is not possible to do so immediately as State Facility
may be created

13. The teachers to be recruited and the status and emoluments
offered to them should be not less than those offered to other systems
of medicine.

14. A State Council of Indian Medicine may be organised for
registering these practitioners and for supervision of Medical Ethics,
as also for inspection of standards in the college etc.

15. It is absolutely necessary that teachers and professors be made
to teach only in one subject, thus compelling them to become specialists
in that subject in course of time.

16. An adequate number of teachers, professers and demonstra­
tors should be appointed for each of the subjects.

17. Adequate equipment, library, Botanical gardens, rooms for
conducting of class etc., should be provided.

18. Liberal budgetary provision should be made for the purchase
of books, and their translation, etc.
Oral Answers to Questions. 25th July, 1962. 329

19 The bed strength in the hospital should be adequate and a sufficient number of beds for each speciality should be available. There should at least be 800 beds made available for each of the systems.

20 If sufficient encouragement in the shape of liberal grants and the running of the hospital is assured by the Government, many private agencies may come forward to start institutions of this type. It would be advisable for the Government to adopt this course and given encouragement to as many private institutions as possible to start similar courses, but which would have to be affiliated with the University or the State Faculty as per conditions to be stipulated by those bodies.

21 A Committee should be set up to select competent teachers on an all India basis. Government should indicate in what manner the selection should take place.

22 A Special Committee be appointed to draw the syllabus etc., for the course.

1. The degree to be conferred should be by the University. If for any reason, it is not possible to do so immediately, State Faculty may be created.

Schemes of Industries submitted by the Leader of the Team of Technical Experts

600—

*1382 Q — Sri Vavilala Gopalakrishnavya — Will the hon. Minister for Industries be pleased to state:

(a) whether Mr. M. Pravada, Leader of the team of Technical Experts from Czechoslovakia submitted in May, 1962 40 schemes of industries and indicated willingness for their participation in the schemes;

(b) if so, what are those schemes and the other details thereof and

(c) at what stage the matter stands at present?

The Minister for Industries (Sri M N Lakshminarasayya).—(a) Mr. Pravada of the Trade Representation of Czechoslovakia furnished a list of 40 industries and stated that they were in a position to arrange for the supply of plant and equipment required for establishing these industries and could also send technical experts to assist in setting up these Plants, besides arranging for the training of our technicians.

(b) A list of the schemes is laid on the Table of the House. It was stated by the Czechoslovakian team that detailed schemes would be furnished by M/s Skoda (India) Private Ltd., Bombay, as and when they are ready to the Department of Industries and Commerce as well as to interested private industrialists. A detailed scheme regarding brick making plant since furnished is being communicated by the Directorate of Industries and Commerce to those interested in it.

(c) The list of Industrial Plants furnished by the Czechoslovakian Experts has been circulated to interested entrepreneurs and they have been requested to contact M/s Skoda (India) Private Ltd., Bombay for detailed schemes.

The employer has the final power; neither the Government nor the Conciliation Officer or the Labour Officer or any other agency, has anything to do; they cannot do anything because the employers are most powerful and they can go to any extent. With regard to investigation of some malpractices that are going on in Sirpur Mills, the Inspector of Factories, Warangal, gave his report a year back and the management has not at all implemented that report. One year after, these big people—I call them big because they are big officers, went to Sirpur Mills, Kagaznagar, met the factory owners. I do not know what discussions took place there and they returned back. The complaint made by the Inspector was not at all taken into consideration till today. Why is it so? Why is the Government not taking it very seriously? Simply we are talking something on some Demand and
something is going on. That is not enough. The officers must come forward with solutions; they must put concrete proposals for solution before the Minister to help the trade union movement. Unless and until we have a strong trade union organisation, we cannot ask or encourage the workers to give more production and unless there is more production we cannot satisfy our needs.
