Sri P Bapiah (Tiruvur) - Will hon. the Chief Minister be pleased to state (a) the extent of forests in the taken-over Estate Village in Tiruvur taluq, Krishna District notified under Section 26 of the Madras Forest Act and handed over to the Forest Department,

(b) whether the lands for which pattas have been issued and are in the possession of the ryots, are also included therein, and
(c) if so, the extent of such lands?

**Sri N Sanyiva Reddy** — (a) 23,255 84 acres

(b) and (c) The Forest Department is not aware of the inclusion of any such patta lands in the notified areas.

Will the Government call for a report from the authorities concerned and verify how far it is true that patta lands have been included in the Reserved Forests?

**Sri T Balakrishnayya (Satyavedu)** — Will the Government call for a report from the authorities concerned and verify how far it is true that patta lands have been included in the Reserved Forests?

**Sri N Sanyiva Reddy** — It is based on information given by the Department that I am answering this question. The information is supplied by the Department when any question is answered by the Minister. If the hon. Member has got any other information, I will certainly go into it, and see that patta lands are excluded from the forest area.
I think we will have to verify

It is only experimental
(a) whether any steps were taken to shift the people living in the flood-affected areas of Chinnur and Sirpur taluks in Adilabad district, to the high level areas, and

(b) if not, the reasons therefor, in spite of many representations to that effect from the villagers of those (Chinnur and Sirpur) taluks?

(The Minister for Finance and Co-operation deputised the Minister for Revenue and answered the questions)

The Minister for Finance and Co-operation (Sri K Brahmananda Reddy) - (a) Yes, please

* 1722 (2411) Q—Sri B Subba Rao (Burugupudi) Will the hon. Minister for Revenue be pleased to state

(a) the number of families residing in the Nehru Colony constructed in 1953 for flood victims of Rajahmundry,

(b) whether any rent is being collected from residents of the said colony,

(c) if so, the amount of rent being collected,
(d) whether it is a fact that full rent is being collected even after the discontinuance of the supply of electricity, and

(e) whether any proposal is under consideration of the Government to allot the Nehru Nagar Colony to find victims either free of cost or at a fair price?

Sri K. Brahmananda Reddy. (a) 63

(b & c) Rs 14/- per month per house consisting of two separate portions

(d) The fact of discontinuance of electricity has not been brought to the notice of the local Revenue authorities. They are, therefore, collecting the full rent as usual. The question whether electricity has been discontinued and if so, from what date is being ascertained by the local Revenue authorities from the Electricity Department, with a view to refund any excess amount collected from the residents.

(e) The answer is in the affirmative.
Electricity has been discontinued and if so from what date is being ascertained from the local Revenue authorities and from the Electricity Department with a view to refund any excess amount collected.

Famine Areas in Nellore District

167—

*1579 (1623) Q—Sri G C Kondaiah (Nellore).—Will the hon Minister for Revenue be pleased to state:

(a) the famine areas in the State and the basis of definition of these areas with particular reference to Nellore district, and

(b) the steps taken by the Government for their improvement?

Sri K Brahmamanda Reddy. (a) No area in the State has been declared as famine area and no definition is available. However, the proximate cause of famine is the failure of crops resulting from insufficient or untimely rainfall. Such failure over a restricted area in a single season, after a year of normal plenty, will not of necessity produce famine or even such a degree of scarcity as to call for State intervention. But when the crops are lost over a large area for two or more seasons in succession, the probable result will be severe distress among the small landholders and the landless classes, who, having no stores of grain, are dependent on what they can earn by labour, the demand for which slackens at such times, for the means of purchasing their daily food. Should the drought continue, the distress becomes more widespread. The grain reserved by the larger landholders for domestic
consumption is gradually exhausted the grain dealers keep their stocks back from the market the prices rise rapidly private charity becomes contracted and the pinch of famine is sensibly felt by all but the wealthy In such circumstances it becomes necessary for the Government to lay down a plan of action so that when famine is imminent, there may be no doubt or hesitation as to the measures to be adopted with the object of relieving them. Under these criteria, certain areas in the State are subject to frequent drought conditions and they are generally Rayalaseema districts In other districts drought conditions may develop and relief measures are organised even though there are no famine conditions as such

(b) The Government have drawn up a Pilot Plan for the development of chronic drought affected areas as a measure of permanent relief at an estimated cost of Rs 807 71 Lakhs to be spent over a period of 3 years.

It does not cover the entire famine areas of the State It covers only certain portion in certain district.

170—

*244 (1600) Q -Srimathi A. Kamaladevi (Wanaparthi) and Sri A. Ramachandra Reddy - Will the hon Minister for Finance and Co-operation be pleased to state

(a) whether it is a fact that the president of the Rural Bank of Sayagudem, Aleru block Bhuvanagiri taluk Nalgonda district has misappropriated Rs 50,000 of the public funds without distributing the same to the public;

(c) the amount of cash balance in the bank by 19-3-62;

(c) whether the said balance has been deposited in the Central Bank at Bhuvanagiri;

(d) if not, why not,

(e) whether it is a fact that the Secretary of the bank has sent a memorandum on 31-1-1962 to the Executive Officer of the Central Bank at Bhuvanagiri and the Deputy Registrar of Nalgonda stating that the president of the bank misappropriated its funds;

(f) the action taken thereon,

(g) whether it is also a fact that 40 persons having account with the bank have met the Deputy Registrar, Nalgonda District when he visited Aleru on 10-2-1962 for investigation and complained that though they were not indebted to the bank it has been entered that arrears are due from them,

(h) whether it is a fact that the president has terminated the services of the Secretary on 6-2-1962 and the Accountant of the bank on 27-3-1962 when the enquiry was taking place,

(i) whether it is a fact that the records of the Bank are now missing, and
Whether any representations regarding the misappropriation of thousands of rupees in this bank were given to the Registrar of Co-operative Societies by Sri Ravi Narayana Reddy and Smt. A. Kamaladevi, M.L.A. and if so, the action taken thereon?

Sri K. Brahmananda Reddy — The question is a very big one, sir. It covers 2 pages and the answer covers 1½ page.

Mr Speaker — The full answer may be laid on the table.

Rural Bank of Sayagudem has revealed serious irregularities committed by the President, Secretary and the accountant of the Bank. The report is under scrutiny. It is difficult to say at this stage whether there is any case of misappropriation and also the persons responsible.

(a) An enquiry into the working of the Rural Bank of Sayagudem has revealed serious irregularities committed by the President, Secretary and the accountant of the Bank. The report is under scrutiny. It is difficult to say at this stage whether there is any case of misappropriation of funds, and if so, the exact amount involved and also the persons responsible.

(b) Rs 12,328-36 np.
(c) No Sir

(d) The accounts of the Society were not maintained properly and up to date. A number of items of expenditure were accounted for later on by the President. After accounting for the expenditure, the cash balance was reduced to Rs 1,552-30 as on 19-4-1962. The Deputy Registrar is taking action to examine all the vouchers of expenditure to verify their genuineness and also to recover the cash balance and to remit it into the Central Bank.

(e) The paid Secretary of the Rural Bank submitted a report dated 31-1-1962 stating that there were some serious irregularities in the management and in receipts and disbursements of loans etc. He did not mention clearly in his report that the President has misappropriated funds of the society.

(f) After receiving the report, the Deputy Registrar got the accounts of the Society inspected by his subordinate officers and finally ordered an enquiry under Section 42 of the Hyderabad Co-operative Societies Act. The enquiry has been completed and the Deputy Registrar submitted his report to the Registrar on 13-7-1962. The report is under scrutiny for further action.

(g) Yes

(h) The services of the paid Secretary and Accountant were terminated on 6-2-1962 and 27-3-1962 respectively by the Managing Committee and not by the President.

(i) Only loan ledgers and bond registers for the year 1960-61 missing.

(j) Yes Immediately after the receipt of the representation the Registrar of Co-operative Societies telegraphically called for a report from the Deputy Registrar.
The Deputy Registrar submitted preliminary report on 13—2—62 on which further action was pursued to get a thorough enquiry conducted into the affairs of the society. The Deputy Registrar submitted his final report on 13—7—62 to the Registrar of Co-operative Societies and it is now under his examination.

It is concerning large number of non-officials and large number of debtors, Sir. Therefore it usually takes some time. But steps are being taken to speed up.
Marketing Societies Applied for Cash Credit Accommodation

171—

*328 (1810) Q—Sri A Venkateshwar Rao (Narasampet)—Will the hon Minister for Finance and Co-operation be pleased to state

(a) the number of Co-operative Societies (Marketing and other societies) applied for cash credit accommodation to the Apex Bank, Hyderabad during the year 1960-61, and 1961-62 for fertilisers business, and

(b) the number of societies granted cash credit accommodation by the Apex Bank.

Sri K Brahmananda Reddy—(a) The number of Marketing societies which applied for cash credit accommodation through the concerned Central Banks was 27 during 1960-61 and 22 during 1961-62

(b) Cash credit accommodation was provided by the Apex Bank, Hyderabad for twelve Marketing Societies through the concerned Central Banks during 1960-61 and to eleven societies during 1961-62

Sri K Brahmananda Reddy—Sir, it is seen from the details furnished by the Registrar of Co-operative Societies that most of the Societies could not obtain the cash credits from the Apex Banks for the reasons that the information called for by the Apex Banks was not
furnished or the usual conditions prescribed by the Apex Banks for sanction of credit limits were not fulfilled by the Co-operative Credit Societies or the societies have not drawn the credit limits before the expiry of the prescribed time limits

Admissions in Schools

175—

*283 (1684) Q — Sri J T Fernandez (Nointimated) — Will the hon. Minister for Education be pleased to state

(a) the steps taken to implement the assurance given by the Director of Public Instruction that no child was refused admission into school this academic year,

(b) in view of the heavy demand of pupils for transfer from a Vernacular school to an English-medium School, will the Government consider changing over some of the existing vernacular-medium institutions into English-medium schools,

(c) is it a fact that there are several private English-medium schools wanting to expand for admission but unable to do so for want of the necessary grants from Government; and

(d) if so, the number of such schools awaiting sanction of grants from the Government and the amount involved?

[The Minister for Excise and Prohibition depuised the Minister for Education and answered the questions]—

The Minister for Excise and Prohibition (Sri M. R Appa Rao) —

(a) The steps taken by the Director of Public Instruction are contained in his proceedings No 475 E3/62 dated 31-5-62 issued to all the Inspecting Officers, a copy of which is placed on the Table of the House. Wherever there is need, additional schools, classes and sections are being permitted to be opened subject to the provisions available in the budget;
(b) The demand for instruction in English medium is being met by permitting the opening of parallel sanctions of English-medium in the existing schools, wherever possible. The opening of English-medium schools, at the rate of one in each District is also under examination separately. In view of this, there is no need to convert any Vernacular-medium schools into English medium schools.

(c) No such cases have come to the notice of Government.

(d) Does not arise.

Proceedings of the Director of Public Instruction Andhra Pradesh

R C No 475 E3/62 Dated 31-5-1962

Sub – Secondary Education – Admission of pupils in Secondary schools in the State – Instructions issued

The undermentioned officers might be aware that immediately after the reopening of the secondary schools in June, 1962, there will be heavy rush of admissions of pupils in Secondary Schools. To cope up with the increased demand for admissions, the Inspecting Officers are requested to issue suitable instructions to the Heads of Secondary Schools, in their jurisdiction to accommodate all the pupils seeking admission in some school or other in the same locality as far as practicable and no pupil satisfying all other conditions of eligibility for admission should be denied the facility of prosecuting his/her studies.

The Inspecting Officers in the twin cities are requested to stay at Headquarters during the week when the schools reopen and keep in touch with the heads of schools and suitably regulate admissions.

(3) for Girls’ polytechnic, and
(4) for grazing field for cattle during the rainy season
Sri V Viswaswara Rao: The plot was given to the All-India Exhibition Society some time back on lease basis but they are sub-letting it. As per the lease conditions, is subletting allowed or not?

Sri Mir Ahmed Ali Khan: Only a small piece was sublet for Rs 50 per month. They are not subletting the rest. The Exhibition Society itself is conducting all these polytechnic, Cultural Shows, etc.

Sri Vavelala Gopalakrishnayya: Whether sub-letting is allowed or not under the terms of the lease, is the question.

Sri Mir Ahmed Ali Khan: As I have answered, no lease has yet been finalised. Only by the verbal orders of the former Prime Minister of Hyderabad, a piece of land was given to Exhibition Society.

Sri Vavelala Gopalakrishnayya: Is there no sufficient document even now?

Mr. Speaker: There is some kind of oral agreement and not a written lease deed.

Sri Vavelala Gopalakrishnayya: So, there is no document.

Sri Mir Ahmed Ali Khan: There is no document.

Sri Kula Sekhar Reddy: What is the purpose for which it is sub-let and to whom?

Sri Mir Ahmed Ali Khan: A small portion of half acre of land was sub-let to some Dalmandi for Rs 50 per month.

Sri V, Viswaswara Rao: The land was handed over in 1947 I suppose. Till now no lease proposal was finalised.
Is the Government thinking of finalising the lease proposals?

*Sri Mir Ahmed Ali Khan* The record which is available shows that the Government only waived any claim or rent for this long period. For the last two years, Government demanded some rent and they have paid that rent for the last two years. But writing of agreement or lease is still under consideration of the Government.

*Sri V Visveswara Rao* What is the rent paid for the last two years?

*Sri Mir Ahmed Ali Khan* Rs 5,000/- per annum.

*Sri A Sarveswara Rao* What is the extent of that land—total area?

*Sri Mir Ahmed Ali Khan* The land given to the society in 1947 was 26 acres.

*Inspection Bungalow at Kothagudem*

Water Supply in Kollapur

194—

* 300 (1725) Q — Sri K Ranga Das — Will the hon
Minister for Municipal Administration be pleased to
state

the action taken on the representations made for the
last several years, by the Kollapur Municipality and the
public that the old water supply system should be remo­
delled suitably so that water scarcity at Kollapur, Mahab­
boobnagar District may be got over?

The Minister for Municipal Administration (Sri A
Venkata Ramayya) — Orders were issued in March, 1960,
directing that the water supply installations should be
taken over and maintained by the Public Health Engi­
neering Department, pending final decision with regard
payment of compensation to the Raja Saheb of Kolla­
pur, as the town Municipality, Kollapur is not in a
opposition to undertake the scheme. But, as the Raja
Saheb has not handed over the water supply system to
the control of the Government on the ground that it is
his private property, the Chief Engineer could not take
over and effect any improvements to the water supply
system. Immediately after Jagir Administrator to whom
the matter has been referred to, decides about Raja Saheb’s
hold over the property, further action would be taken.
the hon Minister for Municipal Administration be pleased to state

(a) whether the Government are aware that the present water supply scheme is not serving 1/5 of the town population in Guntur,

(b) whether it is a fact that the Guntur Municipal Council has submitted a resolution to the Government to the effect that a loan of Rs 13.32 lakhs may be granted to extend the water mains to the unserved areas in the town, and

(c) if so, the action taken thereon?

Sri A Venkataramayya. — (a) Yes.

(b) Yes

(c) As there is no provision in plan for the work, the Commissioner and Special Officer, Guntur Municipality was informed that the entire expenditure should be met from the municipal funds.

Protected Water Supply to Narayankhed

196—
* 393 (1977) Q — Sri Ramachandra Rao Deshpande —
Will the hon. Minister for Municipal Administration be
pleased to state

(a) whether there is any scheme for the protected
water supply to Narayankhed Municipal town, Nizamabad
district,

(b) if so, when the same will be taken up and the
cost involved,

(c) whether it is a fact that the Central Government
are sharing 50% of the total cost of the protected water
supply schemes at the taluk headquarters and the State
Government, 25% of the total cost, and

(c) if so, the number of taluks in the District which are
proposed to be covered thereby?

Sri A Venkataranayya — (a) No

(b) Does not arise

(c) No, In respect of schemes which were sanctioned
previously and are now in progress, 75% of the estimated
cost is being given as grant-in-aid and the balance of 25% as
loan from State funds in respect of Non-Plan Water Sup­
ply and Drainage Schemes of the Municipalities in the
Telengana Region. In respect of new schemes, the self
financing policy adopted in Andhra area is being followed

*623 (2419) Q— Sri P Syama Sundara Rao (Achanta)—Will the hon Minister for Agriculture be pleased to state

(a) whether the Government are in receipt of the information that Mr and Mrs. Parkha, the residents of Rajah mundry, East Godavari District had invented a machine for scattering of seeds and fertilisers;

(b) if so, whether the Government will find out whether it is suitable for the purpose of our cultivation;

(c) if so, the steps being taken by the Government for encouraging production of such implements, and

(d) whether any representations have been received by the Government from Mr. and Mrs. Parkha requesting for aid to improve the said machine?

**The Minister for Agriculture (Sri A Balaram Reddy):—**

(a) The answer is in the affirmative. Mrs Parkha D Parkha requested the Director of Agriculture in May, 1962 to test and popularise their “Vijay Seed Drills”
(b) With a view to conduct trials and to establish its suitability, the party was asked to loan one drill. The party informed the Director of Agriculture in June, 1962 that the machine would be brought to Hyderabad for demonstration, but the machine has not so far been brought to Hyderabad.

(c) The question of encouraging its production can only be taken up after the implement is tested and its performance found satisfactory.

(d) The answer is in the negative.

Supply of Fertilizers through Co-operative Societies

198—

449 (2082) Q—Sri A. Venkateswar Rao — Will the hon. Minister for Agriculture be pleased to state

(a) whether the Government decided to distribute the fertilizers through the Co-operative Societies and Marketing Societies on consignment basis, and

(b) if so, how many societies have applied and how many of them disposed of?

Sri A. Balaramu Reddy — (a) No, Sir, as far as the Co-operative Societies are concerned. The Government however prescribed certain procedure for arranging supply of fertilizers to District Co-operative Marketing Societies, alone on deferred payment, subject to the following conditions:

1) The stock on arrival may be moved to the Societies' godowns approved as suitable and under the supervision of the Departmental Officers and the Society should bear the transport charges and godown rent.
2) The society cannot be allowed to put its lock as the stocks have not been paid for by it and continues to be property of the Department.

3) The watchman should be appointed by the Department and the expenditure on the watchman should be paid by the Department collecting the same from the society in advance.

4) This arrangement should be in special cases only and the Director of Agriculture should work out the limit after which a society can request for such arrangement. The limit may be fixed on the basis of the borrowing capacity of the Society and the quantity of fertilizers to it.

5) The Society should be willing to take delivery at one time of the entire stocks held by the Department for delivery at a later date and pay interest at 4% on the value of the stocks, as Government also pay interest and the arrangement has been proposed merely because the Society is unable to draw further advances from the Banks.

b) Eleven District Co-operative Marketing Societies and one taluk Co-operative Marketing Society have applied for the above special arrangement. Their cases are under consideration with the Director of Agriculture, pending receipt of certain particulars in respect of their borrowing capacities etc.

Distribution of Field Seeds in Guntur District

199—

* 448 (2078) Q — Sri K. Satyanarayana (Repalle):— Will the hon. Minister for Agriculture be pleased to state:
(a) the quantity of Paddy Seeds distributed to peasants in Guntur District by Agriculture Department in 1961-62 together with the selling price of Paddy Seeds per bag?

(b) the quantity of Paddy Seeds remained unsold with the Department during the said year in Guntur District, and

(c) if so, how much loss thereby?

Sri A Balaram Reddy — (a) A total quantity of T 330 1816 lbs (4631 bags and 056 lbs) was distributed in Guntur district during 1961-62 and the selling price ranged between Rs 23 75 nP and Rs 29 50 nP per bag depending on the quality of the variety and local market rate for such varieties.

(b) and (c) A quantity of T 24 960 lbs (1 e 342 bags of 160 lbs each) remained unsold during 1961-62 and orders have been issued to dispose of this undistributed Paddy Seed at the highest rate prevailing in local market without loss to Government.

the resolution has been referred to the Committee.

The Hon. Speaker - The Hon. Member is to move a resolution on our second 60 days
session. As the Hon. Member is out of the state at present, he will
be absent for the first 30 days. He will be present on the second 30 days
and will address the Assembly on the last day, the 60th day. Therefore, it
is understood that the first 30 days will be the opening of the
second session, and that the Hon. Member will not be present. Therefore,
the resolution has been referred to the Committee.
Mr Speaker it was not done previously. Now he is doing it.

The question is that after notification, it should be placed on the Table of the House for a continuous period of sixty days. That position not being obtainable, it is placed session after session. Suitable amendments will be made in the consolidated Bill that would be introduced in the next session.

Mr Speaker What he means is this. Not in one sitting till the Assembly is prorogued the sessions will continue. I am told that in the past there were no continuous sessions for a period of sixty days.

Mr. Speaker: We need not spend much time over this. I am getting the position examined and I will tell you the position tomorrow.
Mr Speaker I will get the position examined and I will tell you the position tomorrow.

Mr Speaker I will give you full information tomorrow. You can raise the same point tomorrow and I will be in a position to give you the information and the Minister also will be in a position to give information. Now we do not have the dates.

I hereby, under Rule 95 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly, give notice of the following Motion which should be allowed to be discussed in the Legislative Assembly to-day only before the introduction of the Bill No 32 of 1962 scheduled for to-day

MOTION

"In view of the urgent need for stepping up agricultural production in the State which is recognised to be vital to the production of the country's defence effort and preparedness to meet the Chinese Aggression, the Government is called upon not to introduce the Bill No 32 of 1962, a Bill to amend the Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Act, 1962 which is not calculated even in its proposed amended form to meet the need of the hour, namely, to encourage the farmers to produce as much as they can and to enable them to contribute liberally in cash or kind to the National Defence Fund. The Act having already been condemned by almost all Sections of the House, the Government's move now to amend the Act and to implement it is truly ill-advised and instead of offering any incentives in this vital matter it will adversely affect agricultural production in this premier agricultural State.

If this Act were to be implemented now in its proposed amended form, the Government would certainly find it difficult to secure the whole-hearted co-operation of this very large important section of the population and would certainly not be able to fulfil its obligations not only to the people of this State but to the entire nation in this grave hour of emergency."
The Government is advised to withhold the introduction of the Bill No. 32 and to keep the Act in abeyance for the duration of the emergency so that more thought and more time could be given to it before implementing it. The Government should realise that any hasty action in this regard is likely to undermine the defence effort of the State.

It is an Act now envisaged to alleviate the hardship of the agricultural population in the State. Defence effort is being condemned. Considerable relief to the agriculturist population would be a welcome amendment bill.

Motion under Ruler 95 of the Assembly Rules
re The Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Bill, 1962

Mr Speaker — Please confine yourself to the motion moved by Mr Narayana Reddy as the Motion to allow the existing rate of cess to be continued is already disposed of.

To which the House agreed.
Motion under Rule 95 of the Assembly Rule
re The Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Bill, 1962

Mr Speaker — The position is this. This is an amending Bill and the object of this bill is to provide relief to the ryots. The bill which was already passed is already in force. It is only by executive instructions, the operative portions are kept in abeyance. If you want the Government to withdraw this bill and again come forward with a separate bill postponing the operative portions of the previous Act, that again will take time. So far as
his bill is concerned, I do not think any member is asking for postponement of this bill. The object is to provide relief to the ryots.

_Sri K V Narayana Reddy_ — I wish the Bill should be kept in abeyance during the emergency period. The very Act is very regressive. Even that will have to be done by bringing forward another bill.

_Sri V Visveswara Rao_ — I think the old Act can be kept in abeyance.

_Mr. Speaker_ — Now in the course of discussion, we can bring all these things to the notice of Government and the Government will decide.

_Sri K V Naraya·a Reddy_ — Our object is to give people the relief.

_Mr Speaker_ — Not by postponing the discussion. You can come forward with a definite amendment.

_N. V. Rama Rao_ — The existing Act is not working. It is not functioning. A Comprehensive Act will be better.

_Mr Speaker_ — I am disallowing the motion. The hon. Member can bring forward an amendment if he chooses.

Information sources. Information sources refer to the type of information that is required. In the first category, the information sources are quite limited. The information sources are: 

1. Statutory sources: These sources include legislation and other legal documents that are relevant to the topic under discussion. 

2. Administrative sources: These sources include official records, reports, and documents that are produced by government departments and agencies. 

3. Research sources: These sources include academic research, case studies, and other forms of research that are relevant to the topic under discussion. 

Mr. Deputy Speaker: Wherever possible you can give
Sri K Bramhananda Reddy There are other categories also and I cannot give a list. It is not possible if it is the first category, I will give

But there is the Revenue Department for the last 100 years or more. The revenue records are there and the Collectors' records are there. If the honourable Minister says that he cannot give the statistics, it is against the prestige of the State.

He said that whatever is available he will supply
Mr Deputy Speaker  You will give that information wherever possible?

Sri K Bramhananda Reddy  I have already said that, Sir

Can I get that information before the debate is started?

The Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Bill, 1962

[7th December, 1962.]

The Bill has been introduced in this Assembly to provide for certain amendments in the existing laws regarding land revenue and cesses in the State of Andhra Pradesh. The provisions of the Bill are as follows:

1. **Amendment to the Land Revenue Act, 1960**: The Bill seeks to amend the Land Revenue Act, 1960, to increase the quantum of assessment and to provide for the payment of arrears of land revenue.

2. **Introduction of New Scales for Cess**: The Bill introduces new scales for cess to be levied on land revenue, which will ensure a fair distribution of the burden of cess among landowners.

3. **Extension of Cess Period**: The Bill extends the period for which cess is payable, thereby ensuring that the revenue from cess is not delayed.

4. **Provisions for Settlement of Cases**: The Bill provides for the quick settlement of cases relating to land revenue and cess, thereby reducing the burden on the government and ensuring timely revenue collection.

5. **Waiver of Arrears of Land Revenue**: The Bill provides for the waiver of arrears of land revenue, thereby providing relief to landowners who are unable to pay their dues due to financial difficulties.

6. **Penalties for Default**: The Bill imposes penalties for default in payment of land revenue and cess, thereby ensuring strict enforcement of the law.

The Bill is expected to bring about a significant improvement in the revenue collection process and will contribute to the economic development of the State.

*Note: The above information is a simplified overview of the Bill's provisions.*

[7th December, 1962.]

The Hon'ble Governor of Andhra Pradesh has been pleased to assent to the above Bill, and it shall be deemed to have been passed by the Legislature of the State on the date hereof.

The Bill is as follows:

The Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Bill, 1962

Section 1. Short title, Commencement and Application of Act.

(1) This Act may be called the Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision (Amendment) Act, 1962.

(2) It shall come into force on such date as the Government of the State may, by notification in the Official Gazette, appoint.

Section 2. Interpretation.

In this Act, unless the context otherwise requires,

"additional assessment" means any assessment determined under any provision of the Land Revenue Act, 1955, as amended by this Act, or any provision of any Act for the time being in force for the assessment of land revenue, which is in excess of the settlement assessment or the settlement cess, as the case may be, of the land revenue liabilities of the enclosed or referred to the assessment

(1) Sections 57 and 58 of the Land Revenue Act, 1955, shall cease to have effect.

(2) The said provisions shall not apply to any assessment of land revenue for the assessment year beginning before the date of commencement of this Act.

Section 4. Repeal and Savings.

(1) The Andhra Pradesh Land Revenue (Additional Assessment) and Cess Revision Act, 1961, is hereby repealed.

(2) Notwithstanding the repeal of the said Act, anything done or any action taken under the said Act, up to the date immediately before the commencement of this Act, shall be deemed to have been done or taken under this Act.
