Writing off of Sales Tax by District Commercial Tax Officer, Krishna

* 1667 (2184) Q.— Sri G. Rama Rao (Balkonda): Will the hon. Minister for Finance and Co-operation be pleased to state:

(a) whether it was a fact that the District Commercial Tax Officer, Krishna had written off accounts about Rs. 40,000 of sales tax due from one Sri Kannamudy Bakesh.
maiah of Bantumilli village of Bandar taluq this year, if so, why; and

(b) whether any demand notice for the dues of Rs. 40,000 sales tax was served on him; if so when?

Sri K. Brahmananda Reddy:

(a) No, Sir. The sales tax due has not been written off the accounts.

(b) Demand notices were served on 9-12-60, 16-1-61 and 29-4-62 and instructions have been issued for the early realisation of the arrears.

Sri K. Brahmanandareddy: It appears that the assessment was left over so far because the transaction at the hands of agents need not suffer tax when the dealers to whom the said stocks were sold have paid the taxes. According to the legal position as the agents were found to be the first purchasers the assessments in question were taken up late.

Acquisition of Land for Playground of the Polytechnic College, Tanuku.

260 (4650) Q. — Sri V. Satyanarayana (Penugonda):

Will the hon. Minister for Education be pleased to state:

(a) whether there is any proposal before the Government to acquire private lands at Tanuku to extend the playgrounds of the Polytechnic College;

(b) if so, the number of houses affected by the acquisition, with the extent of land; and

(c) whether the management of the College or the Government propose to allot house-sites to the persons affected thereby?

[The Minister for Education and Prohibition replied:]

The Minister for Education and answered the questions]
The Minister for Excise and Prohibition (Sri M R Apparao):

(a) Yes Sir.

(b) One thatched house with bamboo and mud walls the extent of which is reported to be 400 Sq. yards will be affected.

(c) No. Sir.

Starting of Higher Classes in Schools

1949 (1691) Q.— Sri K. Ranga Das (Kollapur):
Will the hon. Minister for Education be pleased to state:

(a) the steps contemplated by the Government to meet the critical situation arising out of the reluctance of the Government to start higher classes in schools even when the public are willing to pay the contributions; and

(b) whether the Government propose to grant recognition to the higher classes in case the local public come forward to bear the expenditure to open the same even if the Government themselves are unable to open the higher classes on account of the paucity of funds?

Sri M. R. Appa Rao:

(a) It is presumed that the Hon'ble Member refers to the steps contemplated by Govt. to meet the critical situation arising out of the reluctance of managements to start higher classes and not the reluctance of Govt. to start the classes. In such cases of reluctance by managements, the Govt. themselves will permit the opening of higher classes or schools to the extent necessary, subject to the availability of funds in the State Budget. Since certain conditions must
be fulfilled by the managements for efficient running fo the schools, the Govt. may not be able to permit starting of higher classes or schools even if the local public promise to pay contributions, as it is only of the conditions to be fulfilled by the managements for the starting of higher classes or opening of new schools.

(b) This is difficult to implement, as it is not possible to grant separate recognition for higher classes run by local public in schools managed by local bodies or private managements.

Girls Polytechnic in Cuddapah District

500—

* 716 (2617) Q. Sri G. Viswanatha Reddy (Reddi-palle): Will the hon. Minister for Education be pleased to state:

(a) whether there is a proposal to start a Girls’ Polytechnic in Cuddapah District during the Third Plan; and

(b) if so, at what stage the proposal stands?

Sri M. R. Appa Rao:

(a) No, Sir.

(b) Does not arise.

Sri S. Vemayya: Is there any proposal to start Polytechnic for girls in any other place in the State?
Sri M. R. Apparao: One Polytechnic was started at Kakinada and the other at Hyderabad; the Cabinet has decided that no further Polytechnics should be started for the present.

One Polytechnic was started at Kakinada and the other at Hyderabad; the Cabinet has decided that no further Polytechnics should be started for the present.

Will the hon. Minister for Education be pleased to state:

The reason why the Government do not take over the schools under private managements located in Agency area and run them under the Government management?

The following are the reasons for not taking over the aided elementary schools situated in agency areas of Andhra region:

1. The scheme of taking over aided elementary schools by Government and entrusting their management to the respective local bodies was implemented for the first time in the Nellore District during 1956-57;

2. The Educational institutions situated in agency areas of Andhra were transferred to the control of the Education Department from the control of Revenue Department only from the beginning of 1958;

3. There was no Agency District Board covering all the agency areas so that the taken over schools can conveniently be transferred to the control of the Agency District Board; and

M. L. A. V-7 (3)
Further the provisions of the Andhra Pradesh (Panchayat Samithis and Zilla Parishads) Act 1959 was extended to Agency areas only with effect from 5th January 1962 and orders were issued for the constitution of Panchayet Samithis in those areas with effect from 1—4—1962 in G. O. Ms. No. 95 P. & L. A. dated 18—1—1962.

Cricket Teams For Ranji Trophy

502—

* 758 (2710) Q.—Sri K. Mara Reddy (Rajampet) Will the Hon. Minister for Education be pleased to state:

(a) whether it is a fact that two teams represent in Ranji Trophy, one from Hyderabad and one from Andhra;

(b) whether there is any proposal under Sport Council to merge both the teams and select a single team to represent Andhra Pradesh; and

(c) if not, the reason?

Sri M. R. Appa Rao:

(a) Yes, Sir.

(b) No, Sir.

(c) Their separate existence has been permitted by the Board of Control for Cricket in India. As long as these two Associations function, there is no question of sending one representative team from the State.
to merge. Like that, some associations are sending All-Andhra Pradesh teams; some associations are sending two or three teams according to the orders of those All India Associations. Any way, Government has nothing to do with it.

Sri K. Mara Reddy: As the standard of cricket is poor in Andhra, it is better to merge both the teams and better to send a single team, one strong team, rather than sending two weak teams. If Hyderabad and Andhra teams are merged together, I think we can definitely win the Ranji trophy. That was the question.

Sri M. R. Appa Rao: Government has nothing to do with that, Sir.

§ Q. Nos. 508 (* 176) and 509 (* 443)

* 466 (2117) Q: Sri K. Babu Rao (Polavaram): will the hon. Minister for Health and Medical be pleased to state: The reasons why doctors have not been posted at the Primary Health Centres in Buttayagudem and Lakshminarayana Devi Peta of West Godavari district though the same had been sanctioned fairly long time ago.

Sri. Y. Sivarama Prasad:

There has been no delay in the posting of Medical Officers. In the case of Lakshminarayanapeta, the location of Primary Health Centre was sanctioned in June 1962, and a Medical Officer was posted in the following month. As for Buttayagudem Block, the location of the Primary Health Centre has been sanctioned at the end of last September and the Director of Medical Services is taking steps to post a Medical Officer there very early.

2. Primary Health Centre, Madhavaram, Amaravathi District.

M. L. A. V-7 (4)
Oral Answers to Questions:

Sri N. Sanjeeva Reddy: The answer is quite correct, Sir. The directions have been given. The directions are not about the Communist Municipality. But the primary responsibility is that of the Municipality. It is a Communist Municipality. Therefore my friend is reluctant to accept the responsibility of the Municipality.

We are prepared to answer any relevant question and pertinent answers will be given. But if they do it with any motive and all that, then it will be difficult for us to answer.

Mosquitoes in Rajahmundry

(a) Whether the Government are aware of the fact that the public are forced to leave their houses during nights on account of the unbearable trouble caused by the Mosquitoes in Aryapuram, Tumalava, Lingampeta and Seethampeta localities of Rajahmundry; and

(d) if so, whether the Government propose to take effective steps to eradicate the trouble?

Sri Y. Sivarama Prasad:

(a) The Government were made aware that some people left their houses mainly due to sweltering heat and partly due to mosquito nuisance.

This is mainly a Municipal problem and the Municipal authorities in consultation with the Regional Assistant Director of Public Health have taken necessary steps. The present position is that the mosquito nuisance has been liquidated.
It was during the summer months of May and June that mosquito nuisance was mostly complained of. Every effort was made to reduce the mosquito nuisance when it arose out of the stagnation of Godavari river water opposite the timber yard depot. It found the lagoon contaminated with the water from paper mills in which a number of bamboo rods were stacked for seasoning in the water. All this formed a suitable ground for breeding and intensified measures were made by the Health Officer by oiling and spraying the breeding grounds. The Collector, East Godavari, also took special interest in the matter and was in touch with the several measures adopted for abating the nuisance. He also addressed the Regional Assistant Director, Public Health, Malaria, Visakhapatnam, to visit Rajahmundry and to chalk out measures to give urgent relief. The Regional Assistant Director, Public Health, Malaria accordingly visited the place and studied the situation and advised more intensified methods of oiling etc. It was felt from the beginning that the breeding grew heavy and when it was complained by people that the best way of combating the situation was to establish a flow to this stagnating lagoon from the main stream, the Municipal Engineer was consulted in the matter, but we are advised it was not possible. The next step we wanted to adopt was to prohibit the steeping of bamboo roads in the lagoon which harboured mosquitoes in the breeding. For this we addressed the Executive Engineer, Godavari, Head Works Division, to order prohibition of steeping of bamboos by the merchants; but he could not help us in the matter. On the technical advice of the Regional Director of Malaria, we adopted all intensified measures of anti-larva breeding, but of course they were effective but could not eradicate the nuisance owing to natural disadvantages etc. Subsequently floods have set in and they
washed away all the larva and there is no mosquito nuisance now.

Supply of Bamboos and Alcohol to Sirpur Mills

721—

* 1552—A (1400) Q.—Sri G. Sanjiva Reddy (Put by Sri Vavilala Gopala Krishnayya): Will the hon. Chief Minister be pleased to state:

M. L. A. V-7 (5)
(a) whether any concessions are being granted to the Birla Management of Sirpur Paper Mills Limited and the Sirsilk Mills of Sirpur Kagaznagar in the sale of bamboos and alcohol to them; and

(b) if so, the reasons therefor?

Sri N. Sanjeeva Reddy:

(a) It is true that Sirsilk enjoyed concessional rates for supplies of alcohol made during the periods from 20—9—1954 to 24—7—1959 and with effect from 24—7—1959 till 3—5—1961, the date from which the Ethyl Alcohol Price Control order came into force along with other bulk purchasers drawing 12,000 gallons and above, because of an agreement in view of the Government’s substantial interest by way of shares and loans in the company. Under the Ethyl Alcohol Control Price Order, a uniform rate of 0.85 Np. per gallon is being charged for all purchasers of alcohol. It can, therefore, be said that no concessions are being granted to Sirsilk at present.

In regard to the supply of bamboos to the Sirpur Paper Mills, the following is the position:

In 1939, the Mills were granted a thirty year lease of bamboo growing areas of Adilabad District subject to payment of a royalty of Rs. 3—8—0 (O. S.) or Rs. 3—00 (I. G) per ton. In 1969, the Mills were granted a twelve year lease of 9 bamboo growing series in Palancha Division, Khamam District, subject to payment of an enhanced royalty of Rs. 5/- per ton, which was the royalty fixed for bamboos supplied to the Andhra Paper Mills at Rajahmundry. In July, 1962 the Mills have been granted an annual lease of certain bamboo growing areas in the Andhra region of the State estimated to yield 38,700 tons of bamboos, subject to payment of a further enhanced royalty of Rs. 6—50 Np. per ton. In July, 1962, the Mills have been granted an annual lease of the ex-Jagir bamboo growing areas in Nirmal and Asifabad Divisions of Adilabad District, subject to payment of a further enhanced royalty of Rs. 9/- per ton.

(b) These leases were granted to the Mills in view of the Government’s interest in the Mills by way of shares in the Company.
Sri N. Sanjiva Reddy: From Rs. 3 we have increased to Rs. 9: This is also nearly 300 percent. I do not know what information the member requires and what answer I have to give.

Sri N. Sanjiva Reddy: A separate question may be put.

Chirala Cooperative Spinning Mills.

(d) the actual cost of new machinery of the same type and models on Bombay delivery basis;

(e) the difference in the cost price of the new and old machines of the same type and models;

(f) who is responsible to purchase this old machinery instead of new one;

(g) what is the mandatory and supervising agency of the Government over the Spinning Mills when several lakhs of State funds are invested in the Mills;

(h) whether the Government has any shares in the Mills; and

(i) if so, to what extent?

Sri N. Sanjiva Reddy:

(a) Rs. 1,53,520/–

(b) Carding Engines—44 numbers, Rovings 6 numbers, from M/s India United Mills Ltd. Bombay.

(c) Rs. 2,17,156/–

(d) Carding Engines Rs. 22,500 each.
   Rovings Rs. 82,845. each.

(e) Carding engines (44 nos)  Rs. 6,33,600/–
   Rovings (6 Nos)  Rs. 4,43,070/–
   Total  Rs. 10,76,670/–

(f) The Board of management of the Chirala Co-operative Spinning Mills.

(g) Mandatory and supervisory powers are vested with the Registrar of Co-operative Societies while the management of the mills is vested in a Boards of Directors which includes the Registrar of Co-operative Societies, Director of Handlooms and Financial Adviser (Industries) Government of Andhra Pradesh as ex-officio Directors. The day-to-day administration subject to the policies laid down by the Board of Directors, is carried on by the General Manager of the Mills, who is a Deputy Registrar of Co-operative Societies.
Oral Answers to Questions: 17th December, 1962

(h) Yes, Sir.

(1) Rs. 8,57,000/- as 8,570 `B' class shares of Rs. 100/- each. The total share capital of the Mills is Rs. 17,74,000.

Paper placed on the Table of the House
(Copy of Licence and lease granted to M/S Sirpur Paper Mills)

By virtue of these presents, the Government of His Exalted Highness the Nizam is pleased to agree to grant subject to the conditions and provisions following to the Sirpur Paper Mills Limited which is above to be formed under the Hyderabad Companies Act (here in after called "The Company") licence to establish, maintain and operate Factories for the manufacture and trade of Pulp and paper of a capacity of 5,000 to 6,000 tons of paper per annum and capable of further expansion in future and for the manufacture and trade of other allied products in the District of Adilabad together with the lease of the requisite bamboo areas in that District and more particularly the areas known as the Kadamba and Garlapet Blocks and with the understanding that if after experience it is found that the bamboo supplies from these two blocks are insufficient or inefficient, then, the Forest Department of H. E. H. the Nizam's Government agree to reserve the nearest convenient bamboo growing areas for the requirements of the factory and to have working plan and felling series prepared for them on the same line as for the said two blocks for a period of 30 years from the date of commencement of the regular operations of the Factory.

The following conditions shall apply that is to say the said licence and lease shall be granted only if:

(1) The Company shall be incorporated under the Hyderabad Companies Act within 12 months from the date thereof.

(2) The Authorised capital of the Company in the first instance shall be O. S. Rupees One Crore with authority in the Articles of Association of the Company to increase it from time to time to Rupees Two Crores.

(3) The Issued capital in the first instance shall not be less than O. S. Rupees Forty-five lakhs on which at least 75 per cent of the nominal value of the shares so issued shall have been applied for before allotment.
(4) The Hyderabad Construction Co., Ltd., shall subscribe not less than the sum of Rupees five lakhs towards share capital.

(5) The Directors of the said Hyderabad Construction Co., Ltd., and their associates and friends shall subscribe or get subscribed not less than a further sum of Rupees ten lakhs towards share capital.

(6) The Government will have at all times two nominated directors on the Board of the Company.

(7) By an agreement in writing the Sirpur Paper Mills Ltd., shall appoint the Hyderabad Construction Co., Ltd., as its Managing Agents and such agreement shall provide that the Managing Agents of the said Company will be vested with the entire management of the Company for a period of thirty years from the date of incorporation of the Company or for a lesser period that might come to be fixed due to revision of the Hyderabad Companies Act from the date of such enactment and that Hyderabad Construction Co., Ltd., as such Managing Agents in lieu of their services will receive a remuneration equivalent to 10 per cent of the nett profits earned by the Company, calculated after allowing for all the usual working charges, interest on loans and advances, repairs and outgoings, depreciation on the fixed assets and the assets of the said company as would have been from time to time allowed in calculating profits had the British India Income Tax Act (in force at the date hereof) been in force in Hyderabad for the whole period of this agreement and such deductions shall be made irrespective whether the amount of such depreciation is actually set aside or entered in the balance sheet or accounts of the said Company or not; bounties or subsidies received from Government or from a public body, profits by way of premium on shares sold, profits on sale proceeds of forfeited shares, or profits from the sale of the whole or part of the undertaking of the Company, but without any deduction in respect of income-tax or supertax or any other tax or duty on income or revenue or for expenditure by way of interest on debentures or otherwise on capital account or account of any sum which may be set aside in each year out of the profits for reserve or any other special fund, plus a monthly allowance of Rs. 1,000/- and all other travelling and other incidental expenses, and that the Hyderabad Construction Co., Ltd., as such Managing Agents, will have the right to communicate with directors of the Company and the
Board of the Company from time to time. The Government will in the event of the above conditions being fulfilled subscribe Rupees seven and a half lakhs towards the share capital, this amount to be included in calculating the sum of Rupees forty-five lakhs mentioned in the above clause 3.

The following provisions shall apply to the intended licence and lease, viz,

(1) The Sirpur paper Mills Ltd., will have the sole and exclusive rights for manufacture of Paper and Pulp and such other products as may be conveniently manufactured, chiefly from bamboo extracted from the bamboo areas, situated in the District of Adilabad with rights to import bamboo from any adjoining areas outside the State in the event of the bamboo areas within an economical and convenient radius of the Factory getting flowered or running short in supply, and for the mining and quarrying of limestone or any other minerals needed by the Company for its requirements subject to any Royalty as may be sanctioned by Government.

(2) The Company, to meet their requirements, will have the right to tap surface and subsoil sources of water supply at any convenient place and subject to the approval of the public works Department to construct tunnels or storage reservoirs on any river, stream or streams in the vicinity of the Factory and to construct channels or conduits open or covered from such reservoirs or sources to the site of the Factory and to construct infiltration drains or galleries covered or uncovered to tap subsoil or surface drainage of the surrounding areas and to lay channels or pipe lines therefrom to the site of their factories and to construct sewage and drainage lines for the discharge and disposal of the effluents in any suitable manner and to lay overhead electric or telephone lines or lay underground cables and to construct trolley lines and operate light railways on it for the conveyance of the materials needed by the factories and to construct cart tracks and buildings and huts and to install machinery and plant of any description driven by electric or steam or water or Diesel powers at any place in the vicinity of the Factories which may be considered necessary for the working of the Company.

(3) During the period of licence the Company will have the monopoly and the sole rights of exploiting the
bamboo areas for manufacture of Pulp and Paper and allied products in the District of Adilabad.

(4) During the period of licence the Company will have the sole right of exploiting the bamboo areas of the Garlapet and Kadamba blocks of the District of Adilabad and of other blocks that might be leased to the Company from time to time under conditions hereinafter described and will make use of this bamboo for its own requirements and no extraction or exploitation of the leased reserves would be allowed to any other party for any purpose whatsoever except for the bonafides requirements of the residents of the locality in which case, the Range Officer-in-charge will issue a special permit giving copy of the same to the Company.

(5) During the period of this licence and the lease of the bamboo areas the company will enjoy monopoly rights in the District of Adilabad provided that if circumstances indicate the desirability of starting a second pulp or paper factory at any place in the District of Adilabad, the Company will have the first refusal.

(6) If experience shows that any particular leased areas from time to time are not able to yield sufficient bamboo in a convenient manner to meet the full requirements of the company, then, the Forest Department of H. E. H. the Nizam's Government will reserve other nearest and convenient bamboo growing areas for the exploitation of the factory in the same manner and under the same conditions as the leased blocks.

(7) The Company shall abide by the rules prescribed by the Forest Department for felling bamboo in the areas worked by the Company and a copy of which rules will be given to the Company, and in the event of the Company being found to carry on felling in a manner contrary to the rules referred to in the fore-going para, they will be held responsible for such action and their felling operations stopped till such time as the rules are properly observed.

(8) The felling rules will be subject to modification by the Inspector-General of the Forest Department, in consultation and in agreement with the Factory from time to time.

(9) A royalty of O. S. Rs. 3–8–0 per ton of bamboo will be charged during the first period of the lease on the
weight of the bamboo as weighed on the Company’s weigh-
bridge to be installed at the Factory on its arrival from the
forest and will be subject to a minimum of Rs. 25000/- per
annum, except that the minimum guarantee will not apply
during the first three years of actual operations of the
Company, in which period charges will be levied on the
basis of actual consumption only at the rate of 0: S, Rs.3-8-0
per ton.

(10) In the event of failure to obtain bamboo supply
from any convenient adjoining areas due to flowering or any
other reason and the Company having to import bamboo from
outside the State, the minimum Royalty clause shall not
apply and the Company will only be required to pay royalty
on the actual quantities of bamboo extracted from the leased
areas.

(11) The Government will undertake to meet all cost
of fire protection and operations in the leased blocks from
time to time, but the Company will be required to meet all
the costs of fire protection at its own stacks of bamboos,
whether accumulated within the forest areas or at the site of
the factory, and in this respect will agree to carry out any
special instructions that might be issued by the Forest De-
partment, from time to time.

(12) The Government will meet the expenses of the
extra staff needed by the Forest Department to supervise
felling and weighing operations, but in years when the
factory pays a revenue by way of royalty amounting to less
than Rs. 40, 000/- the expenses on the extra staff amount-
ing to not more than Rs. 200/- per month will be divided
and borne equally by the Company and the Government.

(13) In the first instance, this license, given to the
Company for the manufacture and sale of pulp and paper
and other allied articles and the rights of exploiting bamboo
areas as stated in this lease will cover a period of 30 years
reckoned from the date of actual commencement of the
regular normal working of the Factory and the licence and
lease will be renewable for further periods or like durations
on which terms as may be decided upon at the expiry of
each period.

(14) The Company will not be exempted from any
present or future taxes.

(15) In the matter of compulsory acquisition of lands
for bonafide purposes of the Company, the Government will
in each case, determine whether sufficient cause is made out and if so will apply the Land Acquisition Act and acquire the lands and hand them over to the Company on payment of the amounts expended by the Government on such acquisition.

(16) During the currency of this lease exemption will be given to the Company from customs on the import of all salts, chemicals, oils, Lubricants and also fuel oils and Iupricating oils used on tram-ways, and on rags pulp and all other materials that might be used in the process of paper and pulp manufacture.

(17) Kerosine, petrol and other oils used for motor vehicles for transport of goods, directly needed by the factory, will be exempted from customs duty.

(18) Building materials of all kinds required by the Company will be exempted from import duty for a total period of 2 years to be calculated from the time the actual operations start and this date will be duly notified by the Company to H. E. H. the Nizam's Government in the Commerce and Industries Department.

(19) No custom is levied at present by the Government on export of manufactured goods but if any export duty on manufactured goods is levied by the Government in view of its future policy then, the manufactured goods of the Company will be subject to such a tax only after the Government is fully satisfied that there is a definite cause for doing so.

(20) The Government agree as far as possible to purchase all its requirements from the Company of a nature that are manufactured by the Company and which the Company is able to cater at reasonable prices.

(21) The Government agree to give due consideration to any feasible proposal for water supply to the Factory, but in the event of no feasible proposal being found the Company will have to make its own arrangements.

(22) His Exalted Highness the Nizam's Government will have the right to determine this licence and lease in the event of the Company going into liquidation otherwise than for the purpose of reconstruction or amalgamation or in the event of the Factory remaining out of action for any successive period of 3 years or in the event of the Company failing to pay its dues to the Government for a successive period of 6 years.
The Company will be required to use O.S. Currency in all its local transactions and in the matter of its share capital and dividends and bonuses and it will be incumbent on the Company to allot not less than 50 per cent of its first issue of capital to the subjects of His Exalted Highness the Nizam.

In the event of any dispute or difference arising as regards interpretation or application of any of the aforesaid clauses the matter will be referred to the determination of two Arbitrators one to be appointed by H. E. H. the Nizam's Government and the other by the Company and if such Arbitrators fail to agree within 30 days then to an Umpire to be appointed by the two arbitrators and the decision of such arbitrators or Umpire shall be final and binding on H. E. H. the Nizam's Government and the Company. And in the above clauses, the expression "Government" or "H. E. H. the Nizam's Government means the Government of His Exalted Highness the Nizam of Hyderabad and the expression "Company" means the Sirpur Paper Mills Ltd., to be incorporated under the Hyderabad Companies Act or their successors or assigns.

The Hyderabad Construction Company Limited, means the Company of that name incorporated under the Hyderabad Companies Act with its Registered office at Hyderabad or their successors or assigns.

Seal of H. E. H. the Nizam's Government was hereunto affixed in the presence of:

Tax from Horse-Races
Oral Answers to Questions: 11th December, 1962

(a) the amount of betting tax collected from monsoon horse-races this year, 1962;
(b) what was the income during the year 1961; and
(c) what is the entertainment tax collected for 1961-62?

Sri K. Brahmananda Reddy:
(a) Rs. 1,83,511 = 07 nP.
(b) Rs. 1,38,483 = 35 nP.
(c) Rs. 22,524 = 90 nP. (This amount represents the entertainment tax collected on the payments for admission to the Race Course).

Sri P Narasa Reddy: May I know, Sir, whether the Government would consider the proposal of banning races in the State?

Sri K. Brahmananda Reddy: No, Sir.

Sri T. K. R. Sarma: May I know, Sir, whether the Government are considering the proposal of increasing the existing tax?

Sri K Brahmananda Reddy: No, Sir.

Sri T. V. S. Chalapathi Rao: May I know, Sir, the reason why the Government does not propose abolition of races, as it was once thought immediately after the advent of freedom?

Tax on Hotel-Keepers

738—

* 1943 Q.—Sri P. Rajagopalananidu [Put by Ramachandra Rao Despande]: Will the hon. Minister for Finance & Co-operation be pleased to state:

(a) whether the Government is assessing the accounts of the hotel keepers both for the purchase of rice, ghee etc., and also on the sales turnover of food stuffs; and

(b) if so, the reasons for not exempting the purchase of rice, ghee etc., from the assessment?

Sri K. Brahmananda Reddy: (a) and (b): Paddy and rice are liable to tax at the point of first purchase in the State. Ghee is liable to tax at the point of purchase by the last dealer who buys in the State. Hotel keepers will
accordingly be liable to tax on their purchase of rice, or ghee, if they are the first purchasers of rice or are the last buyers of ghee. Sale of food stuffs is entirely a different transaction of different goods and they are liable to tax on their sales turnover of food stuffs.

*Marathi Medium in Narayankhed Taluk*

739—

* 336 (1818) Q.— Sri Ramachandra Rao Deshpande:—
Will the hon. Minister for Education be pleased to state:

(a) whether steps were taken to provide education through the medium of Marathi to the children speaking Marathi language in about more than 20 villages of Narayankhed taluk, Medak District; and

(b) if not, the reasons for the delay?

*Sri M. R. Appa Rao:

(a) Steps were taken to provide education through the medium of Marathi to the children speaking Marathi language wherever there is adequate strength of Marathi children.

(b) Does not arise.

*Sri Ramachandra Rao Deshpande: Will steps be taken at least by the end of the current year, Sir?

*Sri M. R. Appa Rao:* I will read the answer. It is not too long.

There are 28 villages in Narayankhed taluk where there is Marathi population and its percentage ranges from 3 to 35% as per the census of 1951. But it is reported that as per the recent census of 1961 the total Marathi-speaking population in the taluk comes to only 6% and the Kannada-speaking population 22 per cent. Out of the 28 villages in the taluk where there are Marathi-speaking people, the following four schools are provided with primary schools run exclusively through Marathi medium. They are

- Primary School, Wangdal  } Single-teacher
- Primary School, Wasar  } schools.
- Primary School, Patpally  } Double-teacher
- Primary School, Nagatpalli. } schools

In the other primary schools, wherever adequate number of Marathi children are available, Marathi-knowing teachers
are appointed and instructions have been given to those schools by the authorities of the Panchayat Samithis to teach the children in the Marathi language, if the Marathi children show a desire to be taught in that language. There are no secondary schools which are run exclusively in Marathi medium in Narayankhad taluk.

**Sri Ramachandra Rao Deshpande**: According to the G. O. of 1962, a policy has been laid down that all the existing schools that were from 1956 would be retained with the respective media of the minority languages. So, would the schools in Narayankhad taluk be allowed to have Marathi medium?

**Sri M. R. Appa Rao**: If a petition is sent and if the strength of children warrants it, the Government will consider it.

**Entrance Examinations in Nellore District**

740—

* 535 (2250) Q.—Sri G. C. Kondaiah (Nellore) : Will the hon. Minister for Education be pleased to state:

Whether it is a fact that the entrance examinations are being conducted during summer holidays in Municipal High Schools in Nellore town, without allowing holidays to the teachers?

**Sri M. R, Appa Rao**:

No Sir. The entrance examinations are not being conducted actually during the summer holidays in the Municipal High Schools in Nellore Town and they are being conducted only just a few days before the opening of the schools after summer vacation to facilitate the valuation of answer scripts of the candidates and finalise the admissions by the re-opening day.

**M. L. A. V-7 (8)**
**Special Pay and Salaries to Teachers in Agency Areas**

* 552 (2296) Q.—Sri A. Lakshmiah Naidu and Sri Ch. Mallikarjuna: Will the hon. Minister for Education be pleased to state:

(a) the reasons for the non-payment of the arrears of the salary for the period since 1-11-58 due to the teachers working in the aided elementary schools, in the Bhadragiri Agency of Srikakulam district;

(b) the reasons for not taking any action so far on the representations made to the Director of Public Instruction in this regard?

(c) whether the order No. Edn. Rec. No. 38 (3) (1) (PF/60), dated 16-12-60 issued by the Director of Public Instruction specified that the teachers working in aided elementary schools of the Koyyalagudem Secondary Agency, West Godavari District are eligible to receive 50% of the basic pay as Special Pay; and

(d) whether the said orders are made applicable in the case of teachers of the Bhadragiri Agency area also which comes under I-Class?

**Sri. M. R. Appa Rno:**

(a) The question of revising the scales of pay of the agency school teachers on par with the other Government school teachers allowing them the benefit of special pay of the unhealthy locality allowance was under consideration of Government. Therefore the pay of such teachers could not be revised from 1-11-58. Bhadragiri also falls within the Agency area.

Orders have since been issued to revise the pay scale of the aided school teachers in Agency areas with reference to the recommendations of the pay committee.

(b) Does not arise in view of reply to (a) above.

(c) No, Sir.

While the question of applicability of the orders giving the 50% enhancement in the basic pay of these teachers was under consideration, certain Pay fixation statements of the teachers working in aided agency schools Koyyalagudem have been received in the Director's Office, the statements were passed allowing the 50% increase. But as this was not
in order the records are being called for from the District Educational Officer concerned to revise these statements.

(d) No, Sir.

Since Bhadragiri is also in Agency area no such benefit will be given to the teachers in that area as explained in (c) above.

(a) No, Sir.
(b) Does not arise.
(c) No, Sir.
(d) According to rules, persons who were formerly employed in a private college and who are absorbed into Government Service consequent on the transfer of the management to Government shall be eligible to count for seniority in
the grade or category of the service into which they are absorbed, one half of their service in the corresponding grade or category in the said college when it was under private management. The staff of the Government Arts and Science College, Karimnagar, on absorption into Government service will not, therefore, be eligible for full weightage in the Government service for the service rendered by them under the private management.

An amount of Rs. 2,165 was allegedly misappropriated by one of the National Savings agents. Action to recover the misappropriated amount, as well as for setting right the irregularities committed, is being taken by the Collector, Adilabad.

Short Notice Question and Answers

_Payment of Amount to the Lands Acquired for Korukonda Saink School._

---

S. N. Q. No. 2851-G— **Sri K. Appala Naidu (Revidi):** Will the hon. Minister for Revenue be pleased to state.
(a) whether it is a fact that the Government have acquired land in Korukonda etc., villages in Bhimili-patnam taluk of Visakhapatnam district for the purpose of Sainik School at Korukonda;

(b) what is the total extent thus acquired and when;

(c) whether the payment in respect of the acquired lands is made to the concerned persons by now;

(d) if not, the reasons therefor; and

(e) whether the Government would take steps to expedite such payment?

The Minister for Revenue (Sri N. Ramachandra Reddy):

(a) & (b) The Government have initiated land acquisition proceedings in respect of 191 acres approximately in Korukonda village and they are not completed.

(c) As the possession of the land has not yet been taken over by the Government, the question of payment of compensation to the parties does not arise.

(d) & (e) Do not arise.

Land acquisitions proposals 191 acres aproximately in Korukonda village and they are not completed.

M. L. A. V-7(1c)
Mr. Speaker: For the information of the hon. members I may say that in this sitting 760 questions have been answered. Inspite of my best efforts there are still 680 questions to be answered. Out of these 680 questions, answers for 400 questions are still pending with the Departments. For 280 questions, answers have been received in the Legislature Secretariat. All those answers will be laid on the table of the House before 1-30 p.m. today for the information of the hon. members.

So far as the questions which have been answered in the House are concerned, much against my own will very reluctantly I had to exceed the question hour. I could not avoid it. I hope in future particularly in the next session, as in the past, we will be able to take up only 20 questions per day and I will be able to allow all supplementaries. I am sure the hon. members would have realised my difficulty and even in certain cases, if I had not been in a position to allow supplementaries I am sure they will not think otherwise.

If any of the hon. members have any suggestions to make I will certainly consider them.

Mr. Speaker: Let the hon. Minister for Health be pleased to bear the suggestion in mind in future.
371 and the Collector has therefore notified proposals for recovery. Under Section 6 a declaration has to be made by the Collector and the proposals have not yet been received by the Government.

3. The Collector in his letter dated 19th July 1932 mentions that 300 acres have been declared under Section 6. A declaration has to be made by the Collector and proposals have not yet been received by the Government.

Central Govt. Proposal for All India Services for Medical, Engineering or Forest D.P.S.

762—

1398 Q.— Sri E. Ayyapu Reddy: Will the hon. Minister be pleased to state:

(a) whether the Central Government sent any proposals to this Government along with other State Governments to constitute All India Services for Medical, Engineering and Forest Departments; and

(b) whether this Government has offered its remarks on the above said proposals?

A.—

(a) Yes, Sir.

(b) No, Sir. The matter is still under consideration of the Government.

Organisation and Methods Division in C. A. D.

763—

* 2226 Q.— Sri K. V. Narayana Reddy (Kamalapur) Will the hon. Chief Minister be pleased to state:

(a) when the Organisation and Methods Division was created in General Administration Department?

(b) the strength of the personnel;

(c) the nature and methods of working of this Division;

(d) the number of Secretaries of Heads of this Organisation so far being changed from time to time;

(e) the recurring and non-recurring expenditure incurred in respect of this organisation;

(f) the work turned out or the contribution made by this Organisation; and

(g) the number of personnel trained for this purpose outside the State?

A:—

(a) In January, 1959.

(b) The Joint Secretary, General Administration Department is at present in-charge of Organisation & Methods M. L. A. V-7 (11)
Division (in addition to other duties) assisted by an Assistant Secretary and two sections consisting of One Superintendent, 3 Upper Division Clerks and Typist in (one section) and one Superintendent, 1 Upper Division Clerk and a Typist in another section.

(c) Organisation and Methods work is a continuous and active process depending on study and current experience and having as its object the improvement of administrative efficiency at all levels and shaping the system of organisation and the methods of work employed to the needs of the departments and the public. It involves regular inspections, study of specific problems as they arise, experimentation with new methods and their evaluation and the examination of existing procedures as and when they reveal possibilities of improvement.

(d) The following officers have held charge since January 1959

- Sri P. M. Nayak, I. C. S.,
- Sri Humayum Yar Khan, I. A. S.,
- Sri S. A. Quader, I. A. S.,
- Sri Syed Ali, I. A. S.,
- Sri Humayun Yar Khan, I. A. S., and now
- Sri K. Subba Rao, I. A. S from 31-8-62.

Periodic change in the staff is one feature of Organisation and Methods work, devised to give as many officers as possible acquaintance with the work and to avoid Organisation & Methods work becoming academic and losing touch with the practical difficulties.

(e) Expenditure is by way of pay and allowances to the officers and the staff as at (b).

(f) The Organisation & Methods Division performs essentially a service function. The work is not measurable in terms of output. It could be felt by the improvement it is able to secure in the speedy disposal of work especially in the Secretariat which is already noticeable in several respects, by making both Officers and staff in the Division and outside conscious of the needs for keeping the administrative machine up to date.
(g) Messrs.
V. Narayana Rao, I. A. S.,
S. Santhanam, I. A. S.,
S. N. Achanta, I. A. S.,
S. Amjad Hussain, (Assistant Secretary to Government.)
P. V. Rao, (Executive Engineer, Nagarjunasagar)
M. R. Baji (Works Manager, Road Transport corporation)
were trained at Delhi with Government of India for above six weeks in 1961, principaly in methods and techniques of work study.

Sri S. Santhanam, I. A. S. is now on deputation in United States of America at the cost of the Government of the United States of America from September, 1962 for training in “work-study” under the United States of America aid programme for a period of four to six months.

Amendment of G. O. Pertaining to Age Limits.

764—

* 1466 Q.—Sri M. Veera Raghava Rao, (Prathipadu) Will the hon. Chief Minister be pleased to state:

(a) whether the Government propose to amend the pretraining to the age limit to the effect that the age of candidates as on the date of registration of their names in Employment Exchange for employment in Government service should be taken into account for entry into service; and

(b) if so, when?

A.—

(a) No, Sir.
(b) Does not arise.

Recruitment of I. A. S. and I. P. S. from A. P.

765—

* 1380 Q.—Sri E. Ayyapu Reddy: Will the Hon’ble the Chief Minister be pleased to state:

(a) whether the Government are aware that the recruitment of Andhra in the I.A.S and I.P.S. in the years,
1959, 1960 and 1961 is very disproportionate to the population and administrative requirements of the State: and

(b) if so, whether the Government are taking any steps to provide training facilities to the candidates appearing for these examinations?

A:—

(a) Direct recruitment to the I.A.S and I.P.S. is made on the results of a competitive examination conduct by the Union Public Service Commission on an All India basis every year and appointments are made on the basis of ranking secured by the candidates at that examination and not on regional or other considerations.

(b) No. Sir. The Government of India are considering the question of locating a pre-examination training centre in South India for coaching the candidates belonging to Scheduled Castes, and Scheduled Tribes. Their final decision in the matter has not yet been communicated. As regards other communities, it does not appear necessary to provide such a Centre.

Police Firing on the Workers of Kohinoor Glass Factory

766—

2351 Q.—Sri S. Vemayya: Will the Hon’ble Chief Minister be pleased to state:

(a) the circumstances that led to the police firing on the workers of Kohinoor glass factory at Hyderabad on 20—9—1962 and

(b) the number of men, and women who received injuries in the firing?

A:—

(a) On 20—9—1962 the workers of the Kohinoor glass factory, while agitating for the settlement of issues relating to the bonus and provident fund with the management wrongfully confined the personnel of the management and also the police officials, including the Superintendent of Police, Hyderabad himself who came to the rescue of the management. All efforts made by the police to have the management personnel released from confinement were of no avail and when the workers resorted to pelting of stones at the factory and at the management a lethal charge was made which proved injurious. As the situation deteriorated and
as the lives of the directors and also the police officials were in danger, the Superintendent of Police ordered firing of four rounds at the workers.

(b) Only two men were injured as a result of the firing.

Exemption of Hindi or Urdu examination for Government employees who are above 40 years of age

767—

* 2741 Q.—Sri G. Saidasiah (Gajwel): Will the hon’ble Chief Minister be pleased to state:

whether the Government proposed to exempt the Urdu-speaking employees of the Government above 40 years of age from passing the prescribed Telugu Test on the same analogy as in the case of exemption from passing Hindi or Urdu Examinations?

A:—

No, Sir.

Petition from 11 arrested Persons to Dy. Superintendent of Police

768—

* 1454 Q.—Sri A. Ramachandra Reddy: Will the Honb’le the Chief Minister be pleased to state:

(a) whether it is a fact that the eleven arrested persons of Koilagudem, a hamlet of Devulammanagaram, Ramannapeta taluk, Nalgonda district, have submitted a petition to Deputy Superintendent of Police, Bhuvanagiri on 17-8-1962; and

(b) the action taken on the basis of the findings in the enquiry conducted by the Deputy Superintendent of Police?

A:—

(a) Yes; Sir.

(b) As the allegations made in the petition were not substantiated during the enquiry, and were found to be false no further action was either called for, or taken.
Proposal for Common Police for Southern Zone

769—

* 1443 Q.— Sri P. Rajagopal Naidu, Sri S. Vemayya: Will the Hon'ble Chief Minister be pleased to state:

(a) whether the proposal to have a common police for the Southern Zone has been accepted by our State;

(b) if so, the authority created to man the common police;

(c) the advantages in having common police over the present system.

A:—

(a) Yes.

(b) & (c) Nothing concrete has yet been achieved. It is still under consideration.

Promotions of Inspectors to Deputy Superintendents of Police

770—

* (1420) Q — Sri P. Anthony Reddy: Will the hon Chief Minister be pleased to state:

the number of Inspectors of Police who were promoted as Deputy Superintendents of Police from 1957 till now?

A:—

Thirty nine Sir.

Contemplation to increase the number of Cycle Rickshaws

771—

* 1413 Q.— Sri S. Jagannadham, (Narasannapet): Will the Hon'ble Chief Minister be pleased to state:

(a) whether it is a fact that the State Government are contemplating to increase the number of cycle rickshaws by issue of additional licences in the city of Hyderabad and also in the mofussals; and

(b) if so, the reasons thereof?

A:—

(a) Yes, Sir.

(b) (i) An alternative mode of conveyance which is within the means of the common man, is not available at present;
(11) Government have received several representations and applications from individuals and associations requesting grant of fresh licences for rickshaws.

**Police Force at Annasamudram tank in Kurnool Dist.**

772—

* 2.97 Q—Sri P Subbaiah: Will the Hon ble Chief Minister be pleased to state:

(a) whether there is police force (Bondobust) at Annasamudram tank, Markapur taluk, Kurnool district;

(b) if so, at whose instance the said bandobust is kept there;

(c) how much of the money spent so far on the said bandobust;

(d) what are the special circumstances for retaining the same by the Government; and

(e) whether the Government are considering to restore the tank for use?

A:—

(a) There is no such Police force at Annasamudram tank now. But during October and November, 1961, half a section of Armed Reserve was stationed in the village Patha Annasamudram to maintain Law and Order. It was subsequently withdrawn and now two constables from Yerraguntla police station are posted to the village (not to the tank) since the feelings between the two rival parties are strained.

(b) Bandobust party was stationed in October and November, 1962, to maintain Law and Order in the village.

(c) No money is spent on the force.

(d) Feelings between the two parties were and are strained and trouble is likely during harvest season. Two Police constables are, therefore, continuing there and they are necessary for the maintenance of Law and Order in the village.

(e) No; Sir.

Oral Answers to Questions:

Writing off the Donations of the Directors of
Nizam Sugar Factory

773—

* 1809 Q.— Shri N. Prasada Rao: Will the hon. Chief Minister be pleased to state:

(a) Whether it is a fact that the Board of Directors of the Nizam Sugar Factory Ltd. gave a donation of rupees one lakh in 1957, which was kept under suspense for a long time and subsequently written off, in the profit and loss account;

(b) Whether it is also a fact that the Govt. Directors on the Board did not participate in the discussions on this matter;

(c) If so, the reasons thereof;

(d) To whom this amount was donated; and

(e) The purpose of the donation.

A:—

(a) No sir, the donation was not given by the Board of Directors in 1957.

(b) The Govt. Directors participated in the discussions but when the Board resolved on 5—4—1958 that the amount was paid in National interest and in spite of the fact that it was not possible to obtain vouchers and receipts, the expenditure be confirmed, the Govt. Directors did not participate in the resolution. In a subsequent meeting the decision was reversed through the participation of the Govt. Directors, as the Directors felt that their non-participation resulted in a wrong decision.

(c) In view of the fact that the expenditure of Rs. 1,00,000/- not directly relating to the business of the Co., was incurred without the prior approval of the Board of Directors.

(d) To the Hyderabad Pradesh Congress Committee

(e) For the cause of National Interest.

Proposal to Start Textile or Shoe Making Factory at Srikakulam Dist.

774—

* (2562) 1746 Q.— Sri T. Papa Rao (Nagarikatkam): Will the hon. Chief Minister be pleased to state:
(a) whether any proposal is under consideration of the Government to establish a textile factory or a shoe-making factory in Srikakulam district;

(b) if so, whether it will be in the public sector or private sector or whether the same will be established on co-operative basis; and

(b) whether the Government are in receipt of applications from private persons for licenses?

A:

(a) and (b): There is no proposal under consideration of Government to establish either a textile mill or a shoe making factory on their own or in the co-operative sector in the Srikakulam District. The Government of India have however, granted recently a licence under the Industries (Development and Regulation) Act, 1951 to Sri B. Narayana Murthy, for the establishment of a spinning mill with 12000 spindles at Amadalavalasa Srikakulam District

(c) A number of applications for establishment of spinning mills in the State were made to Government of India. 18 licences with a capacity of 1200 spindles each for the establishment of spinning mills in different parts of the State were issued on the recommendations of this Government.

Proposal for establishment of a cement factory at Borra valley

775—

* 1777 Q.— Sri G. Dharmanaidu: Will the hon. the Chief Minister be pleased to state:

(a) whether any proposal is under consideration of the Government for establishment of a cement factory in the Borra Valley, Ananthagiri agency area, Srungavarapukotha taluk, Vizag District in view of the availability of Sulphite stone;

(b) whether the Government issued licence to any person and

(c) If so, the stage at which the matter stands.

A:

(a) and (b). No factory has been licenced for establishment in the Borra valley itself but a licence has been

M. L. A. V-7 (12)
granted to India Cements Limited to establish a unit for Portland cement at Vizianagaram which would utilise the limestone reserves of the Borra valley.

(c) The party does not appear to have taken any steps yet in this direction.

Establishment of A.P. Industries Development Corporation

*1607 (1830) Q.—Shri A. Ramachandra Reddy: Will the Hon. Chief Minister be pleased to state:

(a) whether the Andhra Pradesh Industrial Development Corporation has been established by the Government and the names of the members of the Corporation; and

(b) the Capital amount of the Corporation, the capital invested by the Government and the amount of the subscribed capital respectively?

A:—

(a) The Andhra Pradesh Industrial Development Corporation has been set up by the State Government as a special agency for promoting the rapid industrialisation of Andhra Pradesh. The Corporation was registered on 16—12—1960 under Companies' Act. The present Directors on the Board of the Corporation are as follows:

   Secretary to Government, Finance Department .... Director
4. Shri G.V. Ramakrishna, I.A.S. .... Managing Director
5. Shri B.L. Gates, I.A.S.,
   Director of Industries & Commerce .... Director.

(b) Authorised Capital .... Rs. 3 crores
   Issued Capital .... Rs. 1 crore
   Paid up Capital .... Rs. 62 lakhs.
Establishment of a factory to manufacture small Cars—
in A. P. by Centre

777—

* 2251 (1691) Q.— Shri T. Balakrishnaiiah : Will the
hon. Chief Minister be pleased to state:

whether any representation has been made to the
Central Government by the Government of Andhra Pradesh
to locate the proposed factory to manufacture small cars in
Andhra Pradesh?

A :—

Yes Sir. The Government of India were requested to
locate the proposed small car project to be established in the
Public Sector, in Andhra Pradesh and the State Government
assured them that necessary facilities including land would
be made available to the project. The Government of India
have stated that they have decided to postpone consideration
of the question of taking up the manufacture of a low price
car in the country, indefinitely.

Location of Atomic Power Station on the
Banks of the Krishna River.

778—

* 1726 Q.— 1593 Sri K. Rangadas : Will hon. the
Chief Minister be pleased to state:

(a) Whether the Government are aware that the
Chairman and other members of the Central Atomic Power
Commission expressed their opinion that the suburbs of
Somasila village on the banks of the Krishna river, in Kollapur
taluk, Mahaboobnagar District is admirably suitable for
the location of the Atomic Power Station intended to be
started in South India; after inspecting the place thrice; and

(b) if so, whether the Government propose to pursue
matter further?

A :—

(a) and (b): The Government of India in the Atomic
Energy Commission have since informed the State Govern-
ment that a site near Somasila inspected by the Site
Selection Committee satisfies all the criteria laid down for
the location of a nuclear power station. This Government
have offered to extend the required facilities and are pursu-
ing the matter with the Centre. It is for the Government of
India to decide the location.
**Proposal to Start Glass Factory at Yerravalli village, Nalgonda Dist.**

779—

* (2052) 1652 Q. — Sri P. Parvath Reddy : Will hon. the Chief Minister be pleased to state:

(a) whether any proposal is under consideration of the Government to start a Glass Factory at Yerravalli village in Miryalagudem Taluk, Nalgonda District.

(b) if so, when the work of the said factory will be taken up?

A :-

(a) No such proposal is under consideration of the Government.

(b) Does not arise.

(a) the species permitted to be converted as green manure leaf; and

(b) the reasons for not including all species in the species except those under the minor forest produce and special leaves like Relly and Thangedu leaves?

A:—

Answer placed on the table of the House.

Paper Placed on the Table of the House

The following species are being permitted to be converted as green manure leaf:

Local Name:

1. Pongamia Glabra
   Kanuga
2. Cassia Siamia
   Simatangedu
3. Tephro Candia
   Vempali Kondatangedutiga
4. Delbergia Paniculata
   Pachan Porlapaehari
5. Dodonea Viscosa
   Bandhari Bandedu
6. Dolichandrion Crispa
   Neruddin
7. Erythroxylon Monogynum
   Jana-chittijana, Peddamana
8. Grewia species
   Gubrachada, Peddi shamala
9. Helicipteres species (Dora)
   Pedverchumathi
10. Wrightia Tincotonia, Palareplpa, Akupala.

The reasons for not including all species in the list of species to be permitted for removal as green manure are furnished below.

(i) only leaves of such species which contain adequate nitrogenous substances are useful for green manure purposes; and

(ii) trees of economic value and all minor forest produce species yielding fruits, banks etc., are not allowed to be removed for green manure purposes since such removal will not only reduce potential value of Forest but also contribute to heavy loss of revenue.

Remission for failure of Crops for Kolleru lands

818—

* (2361) 1713 Q.— Sri A Sarveswara Rao: Will the honourable Minister for Revenue be pleased to state:

(a) whether it is a fact that remission is being given in the case of total failure of crops for the fertile lands yielding two crops and for Kolleru lands given on lease to the individuals;

(b) if so, whether the same benefit will be extended to Kolleru lands given on lease to the individuals;

(c) if not, the reasons therefor?

A:—

(a) The question is not clear. However, remission is being given, in the case of total failure of crops in any faali, in the case of lands, which are fertile and yield two crops, under B S. O. 13 (3). But no such remission is being given in respect of Kollair lake bed lands leased to individuals.

(b) Does not arise, in view of the answer in (a) above.

(c) The conditions of lease of Kollair lake bed lands do not provide for grant of remission.

A:—

(a) The answer is in the affirmative.
(b) No, Sir.

Agur banjar lands in Vizianagaram

821—

* 1799 Q.—Sri G. Suryanarayana: Will the Hon’ble Minister for Revenue be pleased to state:

(a) whether pattas were issued to the harijans for Agur banjar lands in Vizianagaram taluk, Visakhapatnam district;

(b) if so, the total extent of banjar land assigned;

(c) whether the harijans to whom pattas were given have been given possession of the said lands;

(d) whether it is a fact that the Revenue Officers have sent a report to the Government recommending the need for a bulldozer and financial aid for bringing the said banjar land into cultivation; and

(e) if so, the action proposed to be taken by the Government thereon?

A:—

(a) Assignment was made to the harijans for Agur banjar lands in respect of 103 cases in toto. Out of these, 103 cases ‘D’ Form pattas were issued in respect of 7 cases and the remaining 96 cases are covered by provisional orders of assignment as they involve sub-division work.

Amount for famine relief

822—
* 1891 Q.— Sri P. Rajagopalanaidu: Will the hon. Minister for Revenue be pleased to state:

(a) the amount spent annually for famine relief in our State; and

(b) whether the Government is contemplating to increase the same?

A:—

(a) and (b):—On the average, approximately Rs. 25/- lakhs are being spent in a year towards Famine Relief. During 1960-61, however, almost all districts were affected by adverse seasonal conditions and relief aggregating over a crore of rupees was granted then. Where conditions in any year call for increased relief measures, Government will certainly take them up, even though the expenditure involved exceeds the Budgetted provision. The Relief is granted with reference to the extent of damage done by adverse seasonal conditions.

Exclusion of Kurnool from famine area.

823—
* No. 1881. Q. Sri P. Rajagopalanaidu: Will the hon. Minister for Revenue be pleased to state:

(a) whether there is any proposal to exclude entire Kurnool district from famine area; and

(b) if so, the reasons therefor?

A:—

(a) and (b) No particular area in the State has been declared as ‘Famine area’ and hence the question of excluding Kurnool district from this area does not arise.

Penalty for laoni lands in Telagana

831—

*(1602) 1576 Q.— Sri A. Ramachandra Reddi: Will the honourable Minister for Revenue be pleased to state:

(a) the penalty over the land revenue levied on the ryots and agricultural labourers cultivating laoni lands in Telangana Districts at the time of Jambandi during 1961-62;
(b) whether it is a fact that double the rate is being levied and collected from the cultivators of laoni lands for the last six or seven years in Telangana region;
(c) the reasons for the levy of the penalty at the rate of 5 to 10 times of the land revenue during this year; and
(d) whether the Government will consider to cancel this excessive levy of penalties upon the ryots?

A:—

(a) Rs. 1,18, 297-96 nP.
(b) Double rates of penalty were levied and collected from big pattadars, only in Mahbunagar Dist.
(c) In Gadwal taluk of Mahbunagar District, 5 to 10 times penalties were levied on persons who encroached on the lands entered in the Prohibitory Order Book.
(d) In order to discourage occupation of lands entered in Prohibitory order Book, such penalties are being levied. It is open to the aggrieved individuals to prefer appeals to competent higher authorities.

Pattas to Anadheenam lands

882—

*1849 Q.— Shri K. Guruswamy Reddy: Will the hon. Minister for Revenue be pleased to state:

(a) The extent of ‘Anadheenam’ (ownerless) lands for which pattas have been given to the poor in Kanigiri taluk Nellore district from January 62 till now.
17th December, 1962  Oral Answers to Questions:

(b) The extent of the said land to which pattas are yet to be granted.

(c) The number of applications still pending.

(d) The reasons for the delay.

A:—

(a) Acres 6913-70

(b) Acres 37,649-42

(c) 1446

(d) Observation of essential procedure to be followed (i.e. enquiry, Sub-division, denorcation etc) and also disbandment of special staff from 1-7-1962.

Collection of donations

833—

* 1793 (2789) Q.— Sri P. Mahendranath (Nagarkurnool) Will, the Honourable Minister for Revenue be pleased to state:

(a) whether it is a fact that the Tahsildar of Nagarkurnool had collected donations from the public for Revalli Block for which the opening ceremony has been performed recently;

(b) if so, the amount collected therefore;

(c) the balance remained after necessary expenditure; and

(d) whether it is also a fact that the said Tahsildar is not producing the accounts?

A:—

(a) Government are not aware that the Tahsildar, Nagarkurnool had collected any donations from the public in connection with the opening ceremony of the Revalli Block. In connection with the inauguration of the pre-extension of Block of Revalli all the Surpanchas of the Block met under the Presidentship of the Chairman, Mahbubnagar Zilla Parishad and set up a Committee of officials and a sub-committee of the Sur-panches to collect donations to meet the expenses of the inaugural function. The Sub-Committee made the collections and kept the amount with the Tahsildar who was the Treasurer.
(b) The Sub-Committee collected an amount of Rs. 2,046/-

(c) the balance is Rs. 249-40 nP.

(d) the Tahsildar who was Treasurer himself called on the Sub-Committee to settle the accounts.

**Assignment of Akamachervu tank bed land**

834—

* 2820 Q.—Sri T. Chenchariah, (Santhanuthalapadu): Will the Honourable Minister for Revenue be pleased to state:

whether the Government intend to assign the 400 acres of ‘Akamachervu’ tank bed land of Peda Ganjam village, Ongole taluk Guntur district to the landless poor (which was leased out to the Akamchervu Tenant Society) in view of the fact that the said tank is no longer necessary because of the construction of the K. C. Canal on the western side of the tank.

A:—

No, Sir.

There is ban on the assignment of waste lands at the disposal of Government except to the extent that pending cases of political sufferers may be dealt with on merit.

**Appointment of special staff.**

835.—

* (1599) 1574 Q. Smt. A. Kamala Devi: Will the Honourable Minister for Revenue be pleased to state:

(a) Whether any special staff was appointed by the Government during 1961–62 for the issue of pattas to the Government lands under cultivation.

(b) the extent to which the work has been completed by the Special Staff and the work still pending; and

(c) if not, the steps taken by the Government to complete this work?

A:

(a) Yes.

M. L. A. V—(16)
(b) From the beginning of the Special drive which started in May 1960 an extent of 10-61 lakh acres was assigned and an extent of 7.80 lakh acres still available for assignment at the end of June 1962.

(c) The present policy of Government is to stop all permanent assignment of all un-assigned Government waste lands, which should be reserved to soldiers after demobilisation. Hence the question of taking any steps to finish the assignment of the remaining land does not arise.

Deforestation of forest lands for Panagujars in Adilabad.

8.6—

* (2029) 1684 Q. Sri G. V. Pithambar Rao (LaxettiPet): Will the hon'ble Minister for Revenue be pleased to state:

(a) The number of inam villages that are yet to be taken over by the Government under estates Abolition Act in Chittoor.

(b) Whether the Government has received any representations recently from the ryots of Murudhavada village of Satyavedu taluk regarding the taking over of the said Village?

(c) If so the stage at which the matter stands?

A —

(a) 19 Villages.

(b) Yes, Sir.

(c) This is one of the village transferred from Madras State as a result of the Andhra Pradesh Madras Alteration of Boundaries Act, 1959 and hence proposals for notification of this village have been received only recently. As the proposals were however found defective, a further report has been called for. The Village my be notified as soon as the further details called for are received and they are examined.

Village Chawdis

839 —

* 1815 Q.— Sri E. Ayyappu Reddy : Will the hon. Minister for Revenue be pleased to state :

(a) the amount allotted in the current financial year i.e. 62-63 for the maintenance and upkeep of the village chawdis in the State; and

(b) whether there are any proposals with the Government to restore or repair those chawdis that are dilapidated and not habitable?

A :—

(a) Rs. 30,000/—

(b) No such proposals are now pending with Government. District Collectors take action wherever necessary for getting the repairs executed within their powers of
sanction. In cases where sanction of Government is required, Government will accord sanction on receipt of proposals from Collectors after due examination.

Distribution of banjar lands in Visakhapatnam.

840.—

* Q.— 1790. Shri M. Pitchayya: Will the Hon’ble Minister for Revenue be pleased to state:

(a) the extent of banjar land distributed to the landless poor and to the political sufferers up to July 1962 in Yalamananchali taluk, Visakhapatnam district.

(b) the extent of banjar land distributed to the political sufferers up to July 1962 in Yellammachali taluk, Visakhapatnam district:

A:—

(a) Acres. 2333-70

(b) Acres. 210-02

Non-payment of salary to Padala Suridu

841—

* 1811—A Q.— Sri B. Srirama Murthy: Will the Hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that the arrears of salary and gratuity due to Padala Suridu Peon of Taluk Office Srngavarapukota in Visakhapatnam district has not been paid to his widow even after two years of his death on 7—2—1960.

(b) if so, what are the reasons.

A:—

(a) Yes.

(b) No arrears of salary were due to him by the time of his death. Sanction of compassionate gratuity to the legal heirs of the deceased is under consideration. The delay is due to the enquiry regarding the assets and liabilities of the deceased after the submission of petition for compassionate gratuity by the widow and correspondence between the Taksildar and Collector.
1785 Q:— Sri P. Srimamurty:

Will the hon. Minister for Revenue be pleased to State:

(a) Whether it is a fact that the S. No. 35 in Chittivalasa in Visakhapatnam district is a poramboke land under the Government.

(b) Whether the Government are aware of the fact that the Chittivalasa Jute Mills authorities claimed the said land as their own and are not giving permission to hold meetings etc., in the said plot of land.

(c) If so, the action taken in the matter?

(d) Whether the Government proposals to hand over the said plot of land to Chittivalasa Panchayat Board.

A—

(a) No, Sir. The land in R. S. 35 of Chittivalasa village is classified in the village Accounts as 'Assessed Waste Dry'.

(b) It is reported that the Chittivalasa Jute Mills had purchased the land in question in 1928 through a registered sale deed No. 150 of 1928. Accordingly, after the estate of Chittivalasa was taken over under the Estates Abolition Act, the Mills have claimed this land as their own under section 19 of the said Act and their application for fixing ground rent is under the consideration of the Collector of Visakhapatnam. It is possible that the Jute Mill authorities are not therefore permitting to hold meetings in this area.

(c) The question whether or not the Mills have a claim over the land under section 19 of the Act is under the consideration of the Collector, Visakhapatnam. Until the claim of the Mills is rejected, their possession and occupation over the area cannot be interfered with. Hence even if the Mills have refused to allow the use of the land for meeting purposes as alleged in the L. A. Q., Government cannot interfere in the matter.

(d) Does not arise in view of the pending enquiries under section 19 of the Estates abolition Act.
843—

* 1680 (2221) Q.— *Sri K. Nanjappa*: Will the hon. Minister for Revenue be pleased to state:

whether any proposal is under consideration of the Government to issue pattas in favour of the purchasers of lands in Estate Villages from minor (Service) Inamdars considering the fact that pattas are being issued for all kinds of Inam lands by levying on them the full ‘Taram’, to the extent of the Inam Abolition Act of 1956?

A:—

A proposal is under consideration of the Government to amend the Andhra Inams Abolition Act, with a view to enable grant of ryotwari pattas being issued to the allenees of the Service Inams who are now in actual possession of such inams.

Collection of land revenue in Cuddapah

Failure of monsoon

847—
* 1807. Q.—Sri V. Srikrishna: Will the hon. Minister for Revenue be pleased to state:
(a) whether the Government received any reports from the Tahsildars of Palnad and Vinukonda taluks of Guntur District, about the failure of the monsoon this year in that area and the grave situation arising thereof; and
(b) If so, the action taken thereon!
A:—

(a) and (b)

The Tahsildars of Palnad and Vinukonda submitted reports to the Collector about the delayed monsoon and the crop situation in the Taluks which began to show some signs of withering. Their reports were sent before 15-8-1961. Even then the situation was that if there were no rains in September and October, 1962, the crops would fail, but for the time being the crop condition did not call for any alarm. Subsequently there were heavy rains as a result of which the position has changed completely. The crops thrived well. No relief has been considered necessary in this regard.

Salaries of Police Patels and Patwaries in Khammam

L. D. Cs. in Revenue department in Kurnool 854—

*1903 Q.— Shri T. K. R. Sarma: Will the hon. Minister for Revenue be pleased to state:

(a) whether there are any lower division clerks working in the Revenue Department since 1947 in Kurnool district; who are not so far confirmed;
(b) if the answer to Clause (a) is in the affirmative the particulars and the reasons for non-confirmation;
(c) whether there are any substantive vacancies in the Revenue department in Kurnool district; and their number; and
(d) the reasons for not filling up those Vacancies?

A:—

(a) Yes.
(b) There are 326 L. D. Cs recruited by the Service Commission in 1947 who are awaiting confirmation. The posts that fell vacant upto 31-10-1958 were filled up by the
Collector on 22-12-1959. But subsequently orders were issued by the Government on 30-5-1961 declaring 31 temporary posts of L. D. Cs and 16 U. D. Cs posts etc as permanent, with effect from the date from which they were originally sanctioned. As all the confirmations made since 1948 need revision completely the posts have not been filled up so far.

(c) Yes. There are 7 substantive vacancies in the category of Tahsildars, Dy. Tahsildars, U.D.Cs and L D Cs.

(d) Consequent on the posts of Tahsildars being made Gazetted, 3 posts of Tahsildars fell vacant. The filling up of those vacancies is under consideration of the Government. Proposals to fill up the posts of Dy. Tahsildars are under examination by the Collector. As regards U.D.Cs and L.D.Cs., the confirmations made since 1948 need revision completely in view of the fact that some temporary posts have been made permanent with effect from the date of original sanction in G.O. Ms. No. 950. Proposals to fill up the U. D. Cs posts are under consideration. After the confirmation of U. D. Cs the case of L. D. Cs will be taken up by the Collector.

Registration of land in Hyderabad district as Kharij-Khata

1789. Q Sri K. Ramachandra Reddy: Will the hon. Minister for Revenue be pleased to state:

(a) Whether it is a fact that 300 acres of land bearing the S No. 282 in Chinadurda village of Ibrahimpatnam taluk, Hyderabad district was registered as Kharij-Khata land in ‘Sethuvan’.

(b) Whether it is a fact that the landlords in the said village (including Malipatel) and Police Patel viz., Singareddy, Narayanareddy, Jaggareddy and Gopalareddy etc., have registered the said land as patta 1 and in their names in the village records and are leasing the said land to other ryots and are collecting the rents from them;

(c) Whether it is also a fact that 112 Harijans of the said village have submitted an application on 5—1—1962 to the Government requesting for the assignment of the said land to them for cultivation; and

(d) If so, the action taken by the Government thereon?
A:

(a) As per the pahani patrik of 1950, S. No. 282 was registered as Kharij-Khata. Its total area was registered as 293.16 acres only but out of this area 82.21 acres was included in the boundary of Nandhivanaparthi village and a supplementary Sethwar to this effect has been issued. The present area of S. No. 282 is therefore 201.35 acres.

(b) In the pahanies of 1950 to 1962 names of the landlords have been registered as occupants of the said land but in the final patti of Jamabandi for the years 1952 to 1962, the land is being shown as Kharij-Khata, as sivajamabandi is being levied. The landlords are reported to be leasing the land to other ryots.

(c) No application was received by the Government but the Collector Hyderabad has reported that the total number of applications received for the assignment of the above area is 165.

(d) Out of the 165 applications, six applicants have been assigned 26 acres of land as there was no dispute about their possession. The remaining applications could not be considered due to general ban on assignment of land.

Paper placed on the Table of the House

Proceedings of the Registrar of Cooperative Societies,
Andhra Pradesh, Hyderabad.

Sri G. Viswanatham Chetty, B. Com., (Edin) F.R.E.S.
(Lond). Registrar.

Rs. No 66110/57. A.2 dated 15—11—68.

(Order under section 43 (1) of the Madras Co-operative Societies Act, 1932 (Act VI of 1932).

Sub: Supersession: The Chittoor District Co-operative Central Bank Limited, Chittoor—Supersession of the Committee Appointment of Special Officer — Ordered.

2 G. O. M. S. No. 2154, Agriculture dated 15—11—68.

According to the bylaws of the Chittoor District Cooperative Central Bank Limited, Chittoor the strength of its Board of Directors was 17. Against this strength, there were only 6 directors till 16—10—58 and 5 directors thereafter functioning on the board. On account of this poor strength of the board, there was no fair representation on the committee for agricultural credit societies which constituted the bulk of membership of the bank. With the view to have a committee representing all interests concerned; a set of revised bylaws was suggested to it by the Registrar for adoption. The General Body of the bank adopted all the bylaws suggested to it by the Registrar for adoption. The General Body of the bank adopted all the bylaws suggested to it except the bylaw No. 11 dealing with the strength of the
board, the various interests to be represented the mode of
election etc., in respect of which certain modifications were
made by the bank. The bank was advised thereupon to
adopt by-law No. 11 also as suggested by the Registrar.
The bank agreed to this and adopted this by law also as
suggested by the Registrar in the general meeting held on
31—8—1958 according to which the committee which was
then in existence was to vacate office and the fresh committee
elected according to the new bylaws was to resume office at
a date not later than 31—10—1958. On 29—10—58, a general
meeting was also held at which 16 directors were elected in
accordance with the bylaws while 3 more directors were
ominated by the Registrar as provided in the same bylaw.

For the purpose of electing the President and office-
bearers of the bank a meeting of the directors was proposed
to be held on 9—11—1958, for which a notice under the
date 29—10—58 was issued by the President then in charge
of the bank.

One of the nominated directors represented to the Regis-
trar that he had received the Notice for the meeting on
5—11—1958, which was not 7 clear days before the date of
the meeting as required under bylaw 17 of the bylaws of the
bank and requested stay of the elections of the President
and office-bearers proposed to be held on 9—11—58. The
Registrar declined to interfere in the matter, one of the
elected directors represented to Government that the Deputy
Registrar; Chittoor who was one of the nominated directors
should not be allowed to vote at the meeting. Meanwhile the
Government of Andhra Pradesh by virtue of powers vested
in them under Section 57 of the Madras Cooperative Soci-
eties Act ordered "Stay" of the election of the President
and Office-bearers proposed to be held on 9—11—58. The
election of Office-bearers was accordingly not held on
9—11—58 and at present there are no duly elected President
and Office-bearers to function under the bylaws. The Secre-
tary who is the Executive authority does not have full
powers under the bylaws to run the bank without President
and Office-bearers to function under the bylaws. Added to this, two disputes were
filed before the Deputy Registrar of Cooperative Societies,
Chittoor, under Section 51 of the Madras Cooperative Soci-
eties Act VI of 32; questioning the validity of the election of
some of the directors of the bank. It is also reported
that there are no reasonable chances of smooth working of the
Bank as there are two strong parties among the directors of
the bank which are likely to cause continuous friction. To ensure the smooth working of the bank, to enable it to discharge its functions and obligations and to safeguard the interests of the share holders and depositors of the bank and of the Reserve Bank which has sanctioned a credit limit of Rs. 23 lakhs to the Bank, the Registrar considers that its committee should be dissolved immediately. The Government of Andhra Pradesh, having, in G. O. No. 2154, Agriculture dated 15–11–58, by virtue of powers vested in them under Section 60 of the Madras Cooperative Societies Act, relaxed the provision of section 43 (1) of the Act requiring the issue of prior notice to the Committee and section 43 (5) of the Act requiring prior consultation with the Andhra State Co-operative Bank Ltd. Vijayawada, by virtue of powers vested in me under section 43 (1) of the Madras Cooperative Societies Act, dissolve the committee of the Chittoor District Cooperative Central Bank Limited, Chittoor and appoint Sri G. Bhima Sastry, Cooperative Sub-Registrar now working as Secretary of the bank as Special Officer to manage the affairs of the bank for a period of six months from 19–11–1958.

Orders fixing the remuneration of the Special Officer under Section 43 (3) of the Madras Cooperative Societies Act will issue separately.

868—

* (2821) 1352 Q.— Sri K. Nagayya: Will the Hon. Minister for Planning be pleased to state:
  
(a) whether there is any rule that the Managers of Panchayat Samithis should pass the Accounts Test Part I & II compulsorily:
17th December, 1962  Oral Answers to Questions

(b) if so, whether the Government are aware of the fact that the ex-employees of the District Boards who passed only the Accounts Test for the local bodies are being denied the opportunity of promotion to that post and are therefore put to loss and

(c) Whether the Government will reconsider to grant exemption to the above employees from the said rule?
A:—

(a) Yes, Sir.
(b) Yes, Sir.
(c) The matter is already under consideration of Government.

Promotions in the Panchayat Samithis

869—
* (2819) 1350 Q.—Sri K. Nagayya: Will the hon. Minister for Planning be pleased to state:

(a) the cadre from which promotions to the post of Managers in the Panchayat Samithis are being made and

(b) whether it is a fact that 2/3rds of the said posts have been allotted to persons working in the Revenue and 1/3rd to the employees of local bodies?
A:—

(a) Deputy Tahsildars of Revenue Department, Social Education Organisers, Managers, Superintendents, Accountants in the U. D. Cadre and U. D. clerks (both Government and Non-Government) working in Panchayat Samithis, Zilla Parishads and non-Samithi blocks and U. D. Clerks of Revenue Department working as Progress Assistants in Blocks.

(b) Yes, Sir.

Contingent staff in Panchayat Samithis

870—
* 1865 Q.—Sri P. O. Satyanarayana Raju: Will the Minister for Planning be pleased to state,

(a) whether there is any proposal pending with the Government to treat the staff paid from contingent staff
Panchayati Samithis on par with their counterparts in other departments in respect of their pay scales;

(b) If not the reasons therefor;

A—

(a) The contingent staff working in Panchayat Samithis are treated on par with their counterparts in Government departments in respect of payment of wages and they are paid according to the rates fixed by the Collector with reference to the prevailing market rates as in the case of contingent staff in Government departments.

(b) Does not arise in view of (a) above.

Formation of roads in Padabgirala Village, Gannavaram taluq.

871—

* (2670) 1327 Q.— Sri G. Rama Rao: Will the hon. Minister for Planning be pleased to state:

(a) Whether it was a fact that the Zilla Parishad Krishna submitted proposals on 23-11-61 for the formation of roads in Padabgirala village, Gannavaram taluq, from the allotment of Sugar Cane Cess Fund; and

(b) if, so, the action taken thereon.

A—

(a) Yes Sir.

(b) The grant available for the Vuyyur factory area during 1962-63 was considered to be quite insufficient even to complete the spill-over-works relating to the year 1961-62. The above road work was therefore considered to be taken up in the coming years according to availability of funds.

(c) Rs. 6,697-47 nP.,  
_Pilot Scheme for Drought Affected Areas_  

8.5—  

- 1834 Q.—_Sri V. K. Audinarayana Reddy:_ Will the hon. Minister for Planning & Panchayati Raj be pleased to state:  
(a) whether it is fact that the pilot scheme submitted by the State Government to Central Government for drought affected areas has been accepted by the Centre;  
(b) if so, the steps taken to implement it; and  
(c) if not, the alternative steps the State Government propose to take?  

A—  
(a) No, sir.  
(b) Does not arise; and  
(c) The Government of India, after examining the pilot plan prepared by this Government made certain comments and suggestions and desired that the plan might be further reviewed and revised if necessary in the light of their comments. After reviewing the plan the State Government informed Government of India that no material changes were necessary in the pilot plan.  

As this question is still under the consideration of the Government of India, the question of State Government taking alternative steps for implementing this programme at this stage does not arise.  

_Repairs to roads in Ichapuram constituency_  

876—  

- 1229-A Q.—_Sri Kirti Chandra Deo._ (Ichapuram): Will the hon. Minister for Planning be pleased to state:  
(a) Whether the Government are aware that there are two roads in Ichapuram constituency namely (1) Ampuram Bhyripuram road (Sompeta Block) and (2) Ichapuram Kotigam road (Ichapuram Block) which require immediate repairs;

Earth work of road from Mogallur to Hanumanthapuram in Kanigiri Taluk.

877—

* (2008) 1226 Q Sri P. Venkata Reddy: Will the hon. Minister for Planning be pleased to state:

(a) Whether the Government are aware of the fact that tenders for the earth work of incomplete road from Mogallur to Hanumanthapuram in Kanigiri taluk of Nellore District have been called for and finalised by the Divisional Engineer (Highways), Nellore nearly one year back and no further steps have been taken so far;

(b) If so, the reasons for the delay; and

(c) When the orders will be issued to the concerned contractors for the execution of work?

A:—

(a) Yes, Sir. The work is in progress and the work is being attended to by the Executive Engineer, Zilla Parishad, Nellore.

(b) Originally the Divisional Engineer (Highways) was executing the work. He completed only a part of it and subsequently it has been transferred to the Executive Engineer (Z. P) for execution. Paucity of funds also appears to be one of the causes for delay.

(c) Does not arise.

Seed Stores to Yerragondapalem Samithi.

878—

* (2513) 1285 Q.— Sri P. Subbaiah: Will the hon. Minister for Planning be pleased to state:

(a) whether any seed stores has been attached to Yerragondapalem Samithi, Markapur taluk, Kurnool District.
(b) if so, from where the paddy seed was purchased before March, 1862; and
(c) if the seed was not purchased from Yerragondapalem ryots the reasons therefor?

A:—

Yes. A seed store has been attached to the Samithi since 1960.

The seed was purchased from the Seed Farm ryots in the neighbourhood of Cumbum area (Besthavarpet Block) Paddy seed could not be purchased from Yerragondapalem block area as the required quantity of G. E. B. 24 paddy was not available from the seed Farm ryots due to adverse seasonal conditions. Hence seed was purchased from the Besthavarpet Block which is the nearest block where seed was available with the seed Farm ryots.

Local development works grant for drinking water wells

879—

* 2298 Q.— Sri P. Rajagopal Naidu: Will the hon. Minister for Planning be pleased to state:
(a) whether there is any restriction imposed by the Government to spend Local Development Works grant for drinking water wells alone; and
(b) the reasons for not giving the grant for other purposes like construction of school buildings, roads, etc under the Scheme?

A:—

(a) Yes.

(b) In view of the overwhelming importance of the provision of safe drinking water facilities in villages, the Government of India have given a direction that this vital work should be completed in all villages during the Third Plan Period. They have asked the State Governments to utilise the grant under the Local Development Works Programme exclusively on drinking water supply schemes till this great need is duly fulfilled.

Applicability of pay scales of 1916 to the staff transferred from Local Boards.

880—

*(2179) 1245—A. Q. Sri G. Rama Rao: Will the hon. Minister for Planning be pleased to state:
(a) whether the pay scales of 1961 are applicable to the staff (Clerks, Peons, and Teachers etc.) transferred from Local Boards, Municipalities and Zilla Parishads to several Panchayat Samithis in the State;

(b) if not, why not;

(c) whether there is any proposal with the Government to make them applicable to the staff mentioned in (a) as in the case of those transferred from Government Departments to Municipalities, Zilla Parishads etc?

A:—

Yes, Sir. Separate orders approving the revised scales of pay merging dearness allowance have since been issued by Government in Planning and Local Administration Department in respect of employees of Zilla Parishads, Panchayat Samithis, Panchayats including teachers and Ex. * (2622). 1307 Q — Sri T. K. R. Sarma: Will the hon. Minister for Planning be pleased to state:

The reasons for shifting the headquarters of the Panchayat Samithi from Tadepalligudem to Nallajerla?

A:—

As Tadepalligudem, the previous headquarters of the Block has been constituted into a Municipality in 1959, and
as it is outside the jurisdiction of the Panchayat Samithi, the Government in consultation with the Panchayat Samithi and the Collector, West Godavari shifted the headquarters of this Block to Nallajerla. It is the general policy of the Government to locate the headquarters of a block within the block as far as possible and give it a rural bias.

A—

(a) There are no posts of Managers in Panchayats. The number of Managers appointed in Panchayat Samithis is 331.

(b) 218

(c) 50

Pension to Local Board employees

Q: Sri P. Rajgopal Naidu: Will the hon. Minister for Planning be pleased to state:

(a) Whether there is any proposal with the Government to give pension to Local Board employees

(b) If so, when it will be implemented.

A—

(a) Yes Sir. A proposal is separately under consideration of Government to extend the benefits of Liberalised Pension Rules applicable to Government servants to non-Government servants also working in Zilla Parishads, Panchayat Samithis and Panchayats.

(b) Implementation of the proposal involves additional expenditure to the Zilla Parishads, Panchayat Samithis and Panchayats and as such their remarks have been called for. Reports are still due from a few Zilla Parishads. As soon as their reports are received Government will take a decision in the matter.

General revision in Panchayats by Valuation Officers

Q: Sri P. V. Ramana. Will the hon. Minister for Planning and Local Administration be pleased to state:

(a) The Number of Panchayats in which general revision was conducted by Valuation Officers upto now;

(b) The number of Panchayats in Andhra area due for general revision in the year 1962-63.

(c) The reasons for not conducting the general revision in the remaining Panchayats.
A:

(a) In 189 notified Panchayats the general revision was conducted by the Revision Officers till the end of 25—11—62. The work in respect of 23 more Panchats is in progress.

(b) 180 notified Panchayats.

(c) The conduct of general revision in the remaining Panchayats has been delayed on account of lack of personnel of Executive Officers of Panchayats for additional appointments of Revision Officers consequent on the deputation of the Executive Officers in batches for training at Samalkot.

**Distribution of Funds Under L. D. Scheme.**

891—

* 2303 Q.— Sri P. Rajagopal Naidu: Will the hon. Minister for Planning be pleased to state,

(a) Whether it is a fact that the funds under L. D. Scheme are distributed to Samithis also; and

(b) if so, the reasons therefor?

A :—

(a) No Sir,

(b) Does not arise.

**Annual income of Bhegapuram Panchayat in Bhimulpatnam Taluk.**

892—

* 1157 (:495) Q.— Sri B. Sriramamoorthy: Will the hon. Minister for Planning be pleased to state:

(a) What is the total population and the annual income of Bhegapuram Panchayat in Bhimulpatnam taluq, Visakhapatnam District.

(b) whether above Panchayat is converted into a major Panchayat;

(c) if not, the reasons therefor;

A :—

(a) Total population is 6,874. Annual income for the year 1961-62 is Rs. 12,186-62.

(b) No, Sir.

(c) According to the provisions of section 5 (1) (a) of the Andhra Pradesh (Andhra Area) Village Panchayats Act, M. L. A. V-7 (20)
1950, a Panchayat which has got 5,000 population and Rs. 10,000/- annual income may be declared as Class I Panchayat. The income of Bhegapuram Panchayat exceeded Rs. 10,000/- only in the year 1961-62.

Stage I Blocks utilising the unspent balances

893—

* 2124 Q.— Sri P. O. Satyanarayanaraju [Sri N. Srinivasa Reddy]: Will the hon. Minister for Planning be pleased to state:

(a) The number of Stage I Blocks that could not spend all the funds within the time specified;

(b) whether they have applied for extension of time for spending the amount;

(c) if so, whether the Government have permitted such Blocks to utilise the unspent balances; and

(d) if not, will the Government use its good offices in getting the sanction from Centre to help such Samithis that are in backward area to spent the unspent balances?

A :—

(a) If the reference is to the Stage I Blocks that had to enter Stage II on 2-10-1962, 55 Blocks out of the 57 Blocks scheduled to enter Stage II could not utilise the stage I funds fully by that date. This was partly due to non-release of funds to the full extent.

(b) Reports have been received from all except two Blocks.

(c) Yes, Sir.

(d) Does not arise.

Recruitment of Block Development Officers by Competitive examination.

894—

* 1384 Q.— Sri E. Ayyapu Reddy: Will the hon. Minister for Planning be pleased to state:

896—

* 1414 Q: Sre. B. Sreerama Murthi: Will the hon. Minister for Planning be pleased to state:
(a) Whether it is a fact that the services of some of the Upper Division Clerks in the Panchayat Raj administration were lent to the Valuation Department in different Municipalities of the State;
(b) If so, whether it is a fact that their services in the Valuation Department have been completed and the time granted for such personnel has expired.
(c) Whether it is also a fact that no posting orders have been issued to some or all of such persons after the expiry of that period of service in the Valuation Department attached to Municipality.
(d) If so what are the reasons; and

(e) What special steps are being taken to expedite their absorption in their parent department?

A:

(a) No Sir.

(b) Does not arise.

(c) The Director of Municipal Administration had relieved 15 Clerks working under the Municipal Valuation Officers on 31—7—62 on the ground that they belonged to Panchayati Raj Department. But the Ex-Commissioner of Panchayati Raj held that they did not belong to Panchayati Raj Department. The matter was then referred to Government by the Director of Municipal Administration.

(d) The question as to which of the departments viz. Municipal Administration or Panchayati Raj Department have to absorb these clerks, was under examination both in Planning and Local Administration and Health, Housing and Municipal Administration Department.

(e) Orders have since been issued for the absorption of 10 Clerks in Municipal Administration and 5 Clerks in Panchayati Raj Department.

(b) if so, the amount sanctioned; and

(c) when will the Government take up the construction work?

A :—

(a) There is no project named Rollapadu in Yellandu Taluq. Probably the member refers to the breached tank of Bethampudi Village. This Project has been surveyed and the estimate is under preparation.

(b) Does not arise. The estimate of this scheme may go upto 9.90 lakhs.

(c) Soon after the estimate is sanctioned.

**Deletion of Pulivendula Scheme**

907—

* (2659) 732 Q:— Sri K. Mara Reddy: Will the hon. Minister for Irrigation & Power be pleased to state:

M. L. A. V-7 (21)
The reasons for deleting the Pulivendla scheme and ayacut under Cuddapah South Canal below Papagni river from the Tungabhadra High Level canal Scheme:

A:—

The Pulivendla scheme was taken out of the Tungabhadra High Level Canal on the advice of the vice Chairman of the Planning Commission to exclude that part of the ayacut likely to be served by the waters of Pennar as it was outside the inter-state Division of waters and for obtaining the sanction of the Government of India. The Central Water & Power Commission suggested that these works were dependent on Pennar flows which were to be utilised in supplementation to Tungabhadra Project High Level Canal Waters and might be taken up as separate medium schemes.

*Pay Committee recommendations regarding direct recruitment of Asst. Engineers.*

924.—
*(2667) 2021 Q.— Sri P. Satyanarayana:* Will the hon. Minister for Irrigation and Power be pleased to state:
(a) whether it is a fact that the Government have accepted 1958 pay Committee recommendations regarding direct recruitment of Assistant Engineers upto 1/3rd of the ports; and
(b) if so, why the said recommendation has not been implemented?

A:—
(a) The Pay Committee's proposal was not to have direct recruitment from among outsiders, but to fill in 1/3rd of the vacancies through a competitive test open to junior Engineers in service only. The Government however decided that 37-1/2 of the substantive vacancies of Assistant
Engineers occurring in the Public Works, Highways and Electricity Departments be filled or reserved to be filled by "Direct Recruitment" through a competitive test (both oral and written) to be conducted by the Public Service Commission.

(b) Implementation of the above decision of the Government is pending formulation by the Public Service Commission of a scheme covering the subjects and other details for the written examination.

(a) Whether the Government considered the Musi Irrigation Scheme in Ongole taluk, Guntur District;

(b) if so, whether any estimates were prepared for the scheme; and

(c) the estimated cost of the scheme?

M. L. A. V-7 (23)
A.—

(a) Yes, Sir.

(b) Yes, Sir.

(c) The estimated cost of the Scheme is Rs. 39.92 lakhs for works or Rs. 40.04 lakhs including direct and indirect charges.

Single Phase meters to the Agricultural Wells

940—

*(1597) 243—A Q.—Smt. A. Kamala Devi : Will the hon. Minister for Irrigation and Power be pleased to state:

(a) Whether the Government are aware that single phase meters granted to the agricultural wells to which electricity has been supplied so far, in the villages of Bhuvanagiri Taluq are going out of order; and

(b) If so, the steps taken by the Government to grant triple phase meters to the said wells?

A :—

The matter relates to the State Electricity Board. As ascertained from them the reply is as follows:

(a) Yes, Madam. Only three instances were brought to the notice of the Department from Bhuvanagiri taluq.

(b) Such meters have been replaced by healthy single phase meters.

Extension of electricity to some villages in Jangaon Taluk.

941—

*(2248) 534 Q.—Sri Mohammad Kamaluddin Ahmed : Will the hon. Minister for Irrigation and Power be pleased to state:

(a) Whether the Government ordered the survey of villages of Marrimuchial, Cherial Mushtial and Bachannapet villages of Jangaon taluq, Warangal district falling on the Jangaon Siddipet for extension of electricity there,

(b) If so, when; and

(c) if not, the reasons therefore
A:—

The matter relates to the Andhra Pradesh State Electricity Board. As ascertained from them the reply is as follows:

(a) Yes, by the officers of the State Electricity Board

(b) These villages are tentatively programmed for investigation during the 3rd quarter of 1962-63.

(c) In view of (b) this does not arise.

**Repairs to the Right Canal of Palair Project**

942—

*(2624-Z) 2014Q—Sri N. Prasada Rao: Will the hon. Minister for Irrigation & Power be pleased to state:

(a) whether it is a fact that repairs were not made to the right canal of Palair Project in Khammam District for the last many years;

(b) whether it is also a fact that, due to the negligence of the repairs to the said canal, some 1500 acres of the ayacut have been lying without cultivation for the last 10 or more years;

(c) what is the estimated expenditure to complete the necessary repairs to the canal; and

(d) when the repairs will be taken up by the Government?

A:—

(a) Yes, Sir,

(b), & (c) & (d) The area under Right Flank Canal is deleted from the ayacut of Palair Project as per the decision of Development Committee. The water is just sufficient to the ayacut under Left Bank Canal. This area is coming under the commanded area of Nagarjunasagar Project Left Bank Canal. Hence no repairs to Right Flank Channel are contemplated.

**Economy during the Construction of Projects**

943—

*(2746) 781 Q.—Sri B. Sreeramamurthy: Will the hon. Minister for Irrigation and Power be pleased to state:
(a) whether there are any proposals before the Government for economising expenditure and prevention of wastage during the construction of projects; and

(b) if so, the details thereof?

A:—

(a) The proposals in regard to the need for administrative efficiency and economy in costs of constructions are under active consideration of Government.

(b) An over all economy in the costs of construction is proposed to be secured in

1. the size of staff employed for the execution of a project.
2. in the use of materials.
3. in space and
4. in the time taken for completing the projects.

Research in dam Engineering

* 780 (2745) Q.—Sri B. Sreeramamurthy: Will the hon. Minister for Irrigation and Power be pleased to state:

A:—

(a) It is under investigation.
(b) & (c) Do not arise.
Supply Channel from Nerellavagu to Tallapadu Tank

948—

* (2143) 482 Q—Sri K. Ramaiah Chowdary: Will the hon. Minister for Irrigation & Power be pleased to state:

(a) whether the plans and estimates have been prepared for constructing a supply channel from Nerellavagu to Tallapadu tank in Kavali Taluq, Nellore District;

(b) if so the estimated expenditure therefor; and

(c) when the said work will be taken up?

A—

(a), (b), (c). The estimate for Rs. 1,35,000/- prepared in this regard shows that the benefit that will be accrued from this scheme is very small. In view of high cost, uncertainty of supplies and very low return, the scheme is not worth pursuing.

Palacodu Drainage in Gudivada Taluk.

949—

* (2671) 738 Q.—Sri G. Rama Rao: Will the hon. Minister for Irrigation & Power be pleased to state:

(a) whether there is any proposal with the Government to improve the Palacodu drainage in Gudivada Taluq;

(b) if so, the number of villages and the total number of acres of land being affected every year by this drain; and

(c) what will be the total cost for the execution of the work (i.e. for the repairs to drain)

A:—

(a) Yes, Sir.

(b) Four villages and the ayacut that would be affected is about 1,600 acres.

(c) Rs. 30,310/-,

Construction of reservoir near Kadivedu Village of Satyavedu Taluk.

950—

* (1086) 95 Q.—Sri D. Gopalraj: Will the hon. Minister for Irrigation & Power be pleased to state:
Oral Answers to Questions: 17th December, 1962

(a) whether the Government received an estimate for construction of a reservoir near Sathikoodumadugu near Kadivedu village of Satyavedu Taluk Chittoor District;

(b) if so, will the Government propose to order execution of the same during the current year; and

(c) if not, when?

A.—

(a) No Sir.

(b) Does not arise in view of answer to clause (a) above.

(c) On receipt of the proposals from Chief Engineer (Minor Irrigation) they will be examined.

Electric Shock in Nellore Town on 3—6—62

951—

*(1622) 249 Q.— Sri G. C. Kondiah: Will the hon. Minister for Irrigation and Power be pleased to state:

(a) whether there was a serious accident in Nellore town on 3—6—62 in Santapet, Nellore district, because of careless attitude of the electricity department and three people were hit by the shocks and were admitted into hospitals;

(b) the reasons for the frequent stoppages of electricity in Nellore Town; and

(c) whether there are no sufficient staff in Electricity Department in Nellore town to attend to repairs in order to avoid accidents etc.?

A:—

(a) The matter relates to the Andhra Pradesh State Electricity Board. It has been reported that on 3—6—1962 three persons received minor electric shocks at Santapet, Nellore, that only one of them was rendered first aid in the hospital and that the incident was not due to the carelessness of the Department.

(b) As improvement works are in progress in the town, certain sections had to be switched off during the progress of work. Moreover, due to shortage of power at Machkund, the supply to the town had to be changed over to
the local power house. On account of this and also due to
the on-set of monsoon, there were a few interruptions
which are normal.

(c) It cannot be said categorically that the staff is
adequate for maintenance and proposals for additional staff
are being examined. But the accident under reference is not
due to inadequacy or otherwise of the staff for attending to
operation and maintenance works at Nellore.

Water flowing through the sluice of Peddacheruvu at
Garimenapenta

952—

* (1852) 351 Q.—Sri K. Guruswamy Reddy : Will
the Hon'ble Minister for irrigation & Power be pleased to
state :

(a) whether it is a fact that water is flowing out
through the sluice on account of the fact that sluice of
"Peddacheruvu" at Garimenapenta in Udayagiri Taluk,
Nellore District has been constructed at a lower level than
the water level of the said work;

(b) whether it is a fact that representations pertain­
ing to this matter have been submitted to the Honourable
Minister in the Irrigation Conference held at Nellore District
during 1958; and

(c) if so the action taken by the Government thereon?

(d) Whether it is also a fact that during last year
breaches occurred to the "Peddacheruvu" at Garimenapenta
in Udayagiri Taluk, Nellore Dt.,

(e) if so, the action taken by the Government to
repair the breaches?

A :-

(a) No Sir. It is presumed that the word sluice
mentioned in the question is meant for weir.

(b) & (c) The ryots of Garimenapenta had requested
for raising the weir level, apprehending that water received
through the supply channel was going out through the weir
instead of emptying into the tank. This is not correct. The
entire catchment water is entering into the tank.

(d) Yes, Sir.
(e) The local officers are taking necessary action in this regard.

Electrification of some Villages in Cuddapah District.

953.—

* 3658 Q.— Sri K Marareddy : Will the hon. Minister for Irrigation and Power be pleased to state:

The stage at which the electrification of the villages of Akepad, Mandipalli, Palaputtar, Pamagoor, Siddavaram, Kendur, Velagmcherla, Ekamarpuram of Rajampet taluk in Cuddapah district, stands?

A: —

The matter relates to the Andhra Pradesh State Electricity Board. The Board has reported as follows:

- Akepadu
  - Mandapalli and certain other villages.
  - The scheme has not been approved by the Electricity Board.

- Penagalur
  - Siddivaram, Kondur and Velagamcharla
  - Investigated and found to be unrenumerative.

- Pulpathur
  - The village will be included in the next Year’s Programme for investigation.

- Ekamarpuram
  - It is reported that there is no such village.

A—

(a) Yes, Sir.

(b) Rs. 10.40 lakhs

(c) The construction and metalling of the road is expected to be completed during the current financial year. The construction of 27 minor culverts and three bridges on this road
is expected to be completed before the next rainy season. The remaining 41 crossings will be taken up when funds are available.

Vizayawada-Hyderabad Road

957—
* 2205 Q.—Sri V. Visveswara Rao: Will the hon. Minister for Buildings and Communications be pleased to state:

(a) whether the Government are aware that the Vijayawada-Hyderabad Road is not properly maintained; and

(b) whether the Government are also aware that the traffic is very much inconvenienced due to the improper maintenance at the construction points?

A:—

(a) & (b) Yes Sir. Steps are being taken to effect improvements as quickly as possible.

Bridge across Gowthami branch of Godavari at Alamuru

958—
* (608) 29 Q.—Sri V. Visveswara Rao: Will the hon. Minister for Buildings and Communications be pleased to state:

(a) whether it is a fact that the Government allowed a contractor to start work on the bridge across Gowthami branch of the Godavari at Alamuru without entering into any agreement with him.

(b) if so, the reasons thereof;

(c) whether the Government incurred any loss due to lack of agreement.

A:—

(a) After the tender was accepted on 16—1—1958, the work site was handed over to the contractor on 1-3-1956. A piece-work agreement, i.e. K2 agreement, was executed on 28—3—1956.

(b) Because the tender was accepted earlier the work was started and agreement executed very soon after.

(d) No loss was incurred by Government.

(b) if so, the stage at which the matter stands at present

(c) the estimated expenditure therefor; and

(d) when the work will be taken up?

A—

(a) Yes, Sir,

(b) & (c) The estimated cost of reconstructing the bridge in M. O/1 of the road across Narasapur Main Canal in West Godavari District is Rs. 300 lakhs. The proposal is under consideration.

(d) The work will be taken up after it is sanctioned by Government.

South East Railway Zone with Secunderabad as its Headquarters

960—

* 1069 Q.— Sri V. Viswaswara Rao: Will the hon. Minister for Buildings and Communications be pleased to refer to L. A. Q. No. 871 on 7—7—62 and state:

(a) whether the Government recommended to the Centre to start South-East Railway Zone with Secunderabad as its headquarters; and

(b) if so, whether any action has been taken?

A—

(a) Yes, Sir. The name of the proposed Railway Zone was suggested as "The Middle Eastern Railway Zone" with Secunderabad as its headquarters (and not the South East Railway Zone, as mentioned in the question.)
(b) It is proposed to take up the matter actively with the Government of India, as soon as the situation becomes propitious, as it has been already indicated by the Government of India as a result of correspondence from the State Government and several representations, that they would not hesitate to create a new Zone for operational or organisational efficiency or of improved service to Railway Users.

Package Programme to Cotton and oil Seeds

1014—

* 895 Q.— Sri E. Ayyapureddy: Will the hon. Minister for Agriculture be pleased to state:

(a) Whether the Government decided to launch a package programme to accelerate the production of cotton and oil seeds in selected pockets of the state:

(b) whether any areas in Kurnool District are included in the scheme; and

(c) the nature of the Package Programme.

A:—

(a) and (b) A package programme for accelerating the production of cotton in Krishna and Guntur Districts is under the consideration of Government. A Package Programme for groundnut in the Tungabhadra project area of the Kurnool District has already been sanctioned.

(c) The information required is placed on the Table of the House.

Paper Placed on the Table of the House

1. Nature of the Package Programme for Cotton.

To increase the production of the much needed “long staple” Cotton in the country and in the State for the Technical Industry, it has been proposed to launch a Package programme in Andhra Pradesh. The scheme is proposed to be taken up in 15,000 acres of rice fallows of Krishna District in the first instance and in 30,000 acres of Krishna and Guntur Districts later. Cultivation of P. 216. F. Cotton in the rice fallows of Krishna District is developing year by year and the area during the year 1961-62 was about 2,000 acres in this district.

An association of the cultivators growing P. 216. F. Cotton has been formed and ginning facilities are also created in the Krishna District. The Association is taking up ginning and marketing.

The following technique is proposed under the Package Programme:
(a) Growing of P. 216. F. Cotton will be encouraged in a total area of 15,000 acres in localised suitable blocks in selected taluks of Krishna District.

(b) The crop will receive five irrigations at one irrigation per month from January to May;

(c) The crop will be given required quantities of chemical fertilisers.

(d) Plant protection measures will be taken up against pests and diseases and three to four sprayings with pesticides like endrin will be advocated;

(e) Pure seed of P. 216. F. will be distributed and treatment of seed with Agrosan G. N. will be insisted.

(f) Ginning and marketing of produce will be organised through the Cotton Growers' Associations.

The Package Scheme will be taken up immediately in Krishna District and will be continued in the ensuing years.

There are potentialities for developing P. 216. F. Cotton in the rice fallows of Coastal Andhra to an extent of one lakh acres. The implementation of Package Scheme will give the necessary impetus for developing the area and increasing the production of the much needed "long-staple" cotton for the textile industry of the State and of the country.

It is estimated that this cotton can be grown in rice fallows of over 1,00,000 acres in the delta region of Andhra and thereby help reducing the shortage of this valuable raw-material which is required for the cotton mills in the country.

II. Nature of the Package Programme for groundnut in the Tungabhadra Project area of Kurnool District.

Intensive cultivation of groundnut is proposed to be taken up under irrigation over an area of 5,000 acres each year in fresh compact blocks. Special emphasis will be laid on the use of improved seeds, application of fertilisers and adoption of timely plant protection measures. In order to enable the groundnut growers in the area (Tungabhadra Project area) to take up these improvements under irrigated conditions, provision to give short term credit at Rs. 100/- per acre is being made.
The expenditure on other items of cultivation, like preparatory cultivation, interculture and harvest etc., are expected to be met by the cultivators themselves.

It is proposed to organise a minimum of 20 demonstration plots each year in the selected block; As the use of improved seed, fertilizers and plant protection chemicals involves the cultivator in too heavy an investment, it is proposed to subsidise the demonstration plots at the rate of Rs. 50/- per plot according to the recommendations made and pattern laid down by the Indian Central Oilseeds Committee in this regard.

(b) The number of fair price shops functioning in the State is 1013.

Short term Loan to Khariff Crop Growers

1019—

* 2’40 Q.— K. V. Narayana Reddy: Will the hon. Minister for Agriculture be pleased to state:

The basis on which the 30 lakh short-term Government of India loan, sanctioned for the Government has been distributed among the growers of Khariff Crop during 1962?

A—

The loan assistance of Rs. 30 lakhs sanctioned by the Government of India is for both Khariff & Rabi Campaigns. For Khariff 1962, an amount of Rs. 21 lakhs was sanctioned. This amount was alloted among the Districts based on their response in the earlier campaigns. The Director of Agriculture has, however, been permitted to readjust the allocation to each District according to demand and necessity within the sanctioned amount from the savings expected in the other Districts. Each cultivator is entitled to a loan of Rs. 25/- per acre subject to a maximum of Rs. 50/-.

Supply of Ammonium Sulphate to Mixing Firms

1020—

* 2258 Q.— Sri M. Muniswamy: Will the hon. Minister for Agriculture be pleased to state:

(a) whether it is a fact that the supply of Ammonium Sulphate to the mixing firms to supply the mixture to the tobacco growers of Krishna and Guntur districts was stopped;

(b) if so, the reasons therefore; and

(c) how the Ammonium sulphate is being supplied to the Tobacco growers of Krishna and Guntur District at present?
A:—

(a) & (b) Allotment of Ammonium Sulphate made during the first quarter of this year to all Manure Mixing Firms were cancelled and diverted for general distribution for the reason that there is short supply of Ammonium Sulphate for distribution to cultivators. Allotment of Ammonium Sulphate to Manure Mixing Firms is made for preparing mixtures useful for all crops and not to tobacco crop alone.

(c) A special allotment of Ammonium Sulphate has been made by the Government of India, for distribution to tobacco growers in the State, including the Districts of Krishna and Guntur, and it is being distributed through the Departmental depots on the specific permits issued by the Tobacco Assistants.

Supply of Chemical fertilisers through cards.

1031—

* 2006 (2524-R) Q.—Sri Veeraraghava Rao: Will the hon. Minister for Agriculture be pleased to state:

(a) Whether the Government are aware of the fact that inspite of the issue of a G. O. in 1960 to distribute the Chemical Fertilisers through the Card System, it has not been implemented so far by the Panchayat Samithis and Zilla Parishad in East Godavari District;
(b) Whether steps will be taken at least now to ensure the proper distribution of fertilisers through the card system before the ensuing season?

A:—

(a) Though the card system for distribution of fertilisers was first introduced in G. O. Ms No. 1156—Agri, dt. 9—6—1961, there was some delay in its implementation in some of the block and non-block areas in East Godavari District due to delay in furnishing the required particulars relating to acreages owned, cultivated etc. by the village officers and also due to non-supply of requisite number of cards by the Zilla Parishads. The Card system has been implemented so far in nine Panchayat Samithis and in the Razole Non-block area in the District.

(b) As per the latest orders, card system has to be followed only in the case of Ammonium Sulphate. Necessary steps are being taken to issue cards for this fertiliser in all the Samithis and in the entire non-block areas in the District.

A.— No, Sir.

Implementation of Wages Act in Mica Mines of Nellore Dt.

1038—

* 1406 Q.— Sri G. C. Kondaiah: Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether there are any complaints with regard to the non-implementation of Payment of Wages Act by many mica companies in Nellore district; and

(b) if so, why cannot Government amend the Act so as to pay the fixed wages through the Labour Officials, so that the Act may be useful to the workers?

A—

(a) No, Sir.

(b) Does not arise.
1039—

* 1456 Q.—Sri S. Venayya: Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether it is a fact that the Bavuta Beedi Factory at Nellore has been closed on 23—8—1962 as a result of which 150 workers have become unemployed;

(b) if so, the reasons therefor;

(c) the action taken by the Government to protect interests of workers?

A:—

(a) Yes. The Bavuta Beedi Factory, Nellore was closed with effect from 24—8—1962.

(b) Several workers who took advances are reported to have left the concern creating loss to the employer and that several persons who took beedi leaves did not deliver the finished products.

(c) Labour Officer, Nellore took up for conciliation of the dispute and consequent on his failure to bring the parties for a compromise, the Commissioner of Labour is trying to bring about an amicable settlement.

Inter-State Plying of Lorries

1040—

*(321—1) 1973—A Q.—Sri S. Varamiah: Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether the Government have entered into any agreement with the neighbouring States of Madras and Mysore regarding the inter-State plying of lorries;

(b) if so, the terms of agreement; and

(c) when the agreement took place?

A:—

(a) Yes, Sir.

(b) The terms of agreement with Madras are that each State will countersign upto a maximum of 2000 public
carrier permits of the reciprocating State for three routes each not exceeding 350 miles from the State border. There is no restriction on the number as regards the private carriers.

The terms of agreement with Mysore are that each State will countersign 375 public carrier permits of the other State, for four straight routes not exceeding 350 miles from the State border on reciprocal basis. The nomination for such countersignatures will be made by the State Transport Authority of the Home State. 25 Private carriers of each State will be countersigned by the other State on the recommendation of the State Transport Authority of the Home State.

(c) The agreement between the Madras and Andhra Pradesh States took place on 13—3—1958. The agreement with Mysore took place on 26—2—58. As regards taxation matters single point taxation with Mysore came into force from 1—4—1958, and with Madras from 1—4—1962, and prior to 1—4—1962 the tax was collected at the rate of 1—1/6 by the Home State and shared by both the States of Madras and Andhra Pradesh equally.

**Ban on Rival Trade Unions in one Industry**

1041.—

* 1447 Q.— Sri P. V. Ramana: Will the hon. Minister for Labour & Transport be pleased to state:

(a) whether the Government propose to ban the functioning of rival trade unions in the same industry;

(b) if so, the steps intended to be taken by the Government therefor; and

(c) if not, the reasons therefor?

A.—

(a) No, Sir.

(b) Does not arise.

(c) The Trade Union Act, 1926 does not provide for prohibition of the formation of more than one union in an industry.
Calling attention to matters of urgent Public Importance re: Lawlessness in Sultanabad Taluq.

Settlement of Industrial Dispute in Siripur Paper Mills

No. (2307) Q. — Sri G. Sanjiva Reddy: Will the hon. Minister for Labour & Transport be pleased to state:

(a) the action proposed to be taken by the Government against the refusal of the Birla Management of the Siripur Paper Mills, and the Sirsilk Mills to settle Industrial Disputes through negotiation with the Workers Union;

(b) whether the above attitude of the Birla Management would not radically affect the running of the mills jeopardising the heavy financial interests vested by the Government in it; and

(c) as to why should not the Government stop giving concessions to the Birla Management for the purchase of Bamboos on royalty basis and alcohol at a cheaper price?

A:—

(a), (b) and (c): The question of withdrawing any concessions granted to the managements of Siripur Paper Mills Limited and Sirsilk Limited does not arise in view of the amicable settlement arrived at between the workers and the management on 25—10—1962.

Calling attention to matters of urgent Public Importance re:— Lawlessness in Sultanabad Taluq.
Mr. Speaker, Sir. I would like to call the attention of the hon. Minister for Education that the teachers of the W. L. C. M. Multipurpose High School in Guntur have not been paid their salaries for the last seven to nine months. It appears that there was a difference of opinion between the D. P. I. and the management of the school as to the re-instatement of the previous Head Master. The D. P. I. on appeal from the previous Headmaster has ordered that he should be reinstated but the management has refused to reinstate him. On that score the
D. P. I. with-held the grant and consequently the poor teachers who had committed no fault had been deprived, as it were, of their salaries for nine months. I request the hon. Minister to see that the poor teachers are paid their salaries immediately. If the management does not pay atleast the Government must find some ways and means to pay atleast from the Education Department and relieve those poor teachers of their hardship.

I would request the hon. Minister to make a statement as to how he is going to pay the teachers heraftter.

The Minister for Excise (Sri M. R. Apparao) (Deputising the Minister for Education, Sri P. V. G. Raju)

Sir, on the plea that the Head Master had committed many irregularities, the Management of the W. L. C. M. Multipurpose High School, Guntur, suspended him. On an appeal from the Head Master, the D. P. I. has instructed the management to reinstate the Headmaster but the management did not carry out the instructions. After completing an enquiry the Management removed the Head Master from service. The D. P. I. withheld the payment of grants to the institution on the ground that his earlier instructions were not carried out, with the result that the management seems to have not disbursed the salaries for want of funds.

The question of arranging payment of salaries to staff was examined but no final decision could be taken. The D. P. I. has made certain suggestions to the Government and the suggestions are under examination and the implementation of the suggestions will be expedited.

Re: Preventive steps taken to control cholera in the State

D. P. I. took the following steps to control cholera

- Strict sanitation measures were taken in the affected areas
- Quarantine was imposed on the affected areas
- Medical personnel were deployed to treat the affected
- Vaccination drives were conducted
- Public awareness campaigns were held

The cholera situation is under control and the situation is being closely monitored.
It is seen from the statistics available that the incidence of cholera recurs annually. Its severity varies due to various factors during certain years. It is an all-India problem. There are persistent instances of cholera in different States and due to movement of population, cholera spreads from one place to another. Due to the low economic level and poor finances of the Local Bodies there is no protected-water supply and the environmental sanitation is at a very low level. Cholera, though mainly a water-borne disease also spreads by contacts by carriers and by flies, and the various movements of population. Since it is a water-borne disease, it results in severe outburst whenever a common water source is affected or wherever a river or canal system gets infected during the year. In 1953 we had the worst epidemic wherein due to floods in East Godavari...
District over 8000 cases occurred in that district alone and the infection spread to the neighbouring districts and that year marked the peak for the last 20 years, resulting in about 31,000 attacks and 15,000 deaths. Subsequent to that in 1958 there was an increase in the incidence in the State resulting in 16,600 attacks and 5000 deaths. After 1958 again there was an increase during the current year.

As already indicated it is an all India problem and it is very difficult to foresee as to how the epidemic spreads or where it starts and where it ends. There was no cholera in Nizamabad district from 1958 to 1960. For example, during 1961 a native of a village near Nizamabad town went on pilgrimage to Benaras and probably got the infection on the way and died while returning to her native place and her dead body was taken and rites performed in the village. The infection spread in a wide scale in the village and people being scared out ran to different villages as well as to Nizamabad town which resulted in a heavy incidence not only in the district but in the neighbouring districts also.

Likewise a severe incidence occurred by a passenger coming from Burma via Calcutta and proceeded to Nellore infecting the areas and the infection spread from Nellore to Chittoor district quite considerably. During the current year the State was free from infection till June, 1962. There was a severe epidemic in Mysore State and after the onset of rains the border districts of Bellary and Raichur were affected and the infection probably spread to Rayalaseema districts along the common water courses and from the Rayalaseema districts it has spread to Guntur, Nellore and Krishna districts from where it has further spread to East Godavari, West Godavari, and Vissakhapatnam districts. The high incidence of cholera in Rayalaseema districts as well as in Cirear districts is on account of contamination of various water sources and river systems and this was much augmented by the unusual and intimate rains when the epidemic was in its full swing. Our local environmental conditions help spread of infection. The inoculation that is being done

is a protection and it does not have so long a protection as in the case of vaccination against small-pox. Practically no town or village has got a real complete protected water supply. Most of the villagers in delta areas inspite of having wells resort to canals and rivers for getting water for various domestic purposes, thereby getting the infection. Further, during agricultural operations there is a movement of population to a very great extent and this results in carrying infection from place to place. The people donot cooperate in most of the cases. Once if they know about the infection and stop in the village then the chance of its spread is greatly curtailed. But once the infection appears in a village, the population tries to run away and inadvertently spread the infection. All possible measures are being taken to reduce the incidence viz., by chlorination of water supply, advising the people on the method of control, isolating and treating the cases as well as conducting mass inoculations both in the infected as well as in the non-infected neighbouring places.

Cholera is a water-borne disease and the only method of its eradication or reducing the vigour of outbreak is by improving protected water supply to the population in all the towns and in all the major villages. There is unfortunately no method of eradicating cholera by preventive vaccination as in the case of small-pox. Cholera inoculation has only effect for about 6 months. Eradication of cholera should, therefore be by improving environmental sanitation. Environmental sanitation is mostly in the hands of the Local Bodies. Providing protected drinking water has been delayed for want of resources. The per capita cost for providing protected drinking water in any town is Rs. 30/- to 50/- per head and in rural areas where protected water supply is provided by digging wells it is about Rs. 5/- to 30/- per head.

Vaccine manufactured and inoculations carried out are considerable.

re: Controlling the prices of food stuffs

17th December, 1962

Please circulate a copy of your statement to the hon. Member.

Sri Mir Ahmed Ali Khan: Yes, Sir. I will also send a Telugu translation of it.

The work of constructing a road dam in M. 47/5 of the Alikam Battili Road in Patapatnam Taluk, Srikakulam District was sanctioned by the Government of India in June, 1969 at a cost of Rs. 94,600 under the Central Road Fund allocation. Subsequently it was found necessary to construct a high level bridge instead of the road dam and the revised estimate for Rs. 2,82,000 was sent to the Government of India for approval in November, 1962. The Government of India have called for certain particulars in regard to the location of the proposed bridge and its approaches. These particulars will be furnished to them shortly. The work will be taken up for execution as soon as the revised sanction of the Government of India is received.

re:— Controlling the prices of food stuffs

The market price at the cost is for sale. The market price at the cost is for sale. The market price at the cost is for sale.
The Minister for Agriculture (Sri A. Balarama Reddy):
The wholesale prices of essential foodstuffs as furnished by
the Director of Marketing show that there is a general decline
in the prices of the essential foodstuffs except in the case of
chillies and tamarind due to short arrivals.

The price policy is an all India question. In the light
of the price policy of the Government of India, the measures
taken and proposed to be taken to hold the price line in the
State are as follows:

i) Procurement of Rice and Paddy: It is proposed
to discuss the question of fixing the prices of rice and paddy
with the officers of the Government of India and the repre­
sentatives of the millers and traders of this State on

ii) Wheat: It is proposed to supply 1/4th quantity
in the shape of wheat for mid-day meals in schools and also to
persuade Harijan hostels to take wheat in addition to
millets.

iii) Fair Price Shops: There is already a scheme for
distribution of rice supplied by Government of India through
fair price shops to the poorer classes of people. The present
sanction for the scheme expires on 31—12—62. A decision
regarding the continuance beyond 31—12—62 will be taken
shortly.

iv) Regulated markets: It is proposed to amend the
Madras Commercial Crops Marketing Act at present in force
in this State so as to bring the foodgrains under the purview
of the Act which, at present, it does not cover.

v) Appeal to Trade Associations: An appeal has
been issued to Trade Associations to limit their margins at
a reasonable level.

vi) Consumers Cooperatives: Government have
sanctioned a scheme for establishment of Consumers Coope­
ratives for government employees. The Government also
decided to open five cooperative stores for general public and
three for industrial workers.

vii) Vegetables and Fruits: Vegetables and fruits in
Hyderabad and Secunderabad have been declared as agri­
cultural produce for the purpose of A P. (Telangana area)
Agricultural Markets Act. The three existing vegetable

markets, viz., (1) Miralam Mandi (2) Sabji Mandi and (3) Hissamgunj have been established as markets under the said Act.

(viii) Kerosene: Copies of Govt. of India references have been communicated to the District Officers requesting them to call the petroleum dealers and impress on them the need for maintaining adequate supplies at fair prices.

District Collectors are watching the trend of prices of essential commodities in their respective districts. For the present, it is intended to see how far the Trades themselves will keep prices at low levels under the lead given by the various associations. This system of voluntary price control is being watched for the present. The position is proposed to be reviewed in Secretariat at the Secretaries' Conference every Monday hereafter.

re: Proposal to nationalise Bus Transport in Kurnool District

The Minister for Labour and Motor Transport (Sri B. V. Gurumurthy): The Hon'ble Member has sought to draw the attention of the Government to the proposal of the Road Transport Corporation to nationalise bus transport services in the Kurnool District contrary to the accepted recommendation of the Anantharamakrishnan Committee in regard to the order of the Districts to be nationalised.

As the Hon'ble Member may be aware, having regard to the criteria drawn up by it, the Anantharamakrishnan Committee, constituted by the Corporation, recommended the sequence of extension of Nationalisation to the remaining Andhra districts and suggested that Government should take a policy decision in this behalf, to enable the Corporation to make its plans well in advance and arrange to provide all the facilities that are needed for expanding its activities to other districts. The Corporation accepted the recommendation. The Government examined this recommendation of the Anantharamakrishnan Committee: they are advised that under the provisions of the Motor Vehicles Act as interpreted by the Supreme Court, it is the State Transport undertaking, namely, the Corporation, that should form the opinion as regards taking over a particular route or routes or area keeping in view ingredients laid down in the Statute. The following extracts from the judgments of the Supreme Court, may be of interest to note.

"There are two parties to the dispute. The State Transport Undertaking, which is a statutory authority under the Act, threatens to infringe the rights of a citizen. The citizen may object to the scheme on public grounds or on
personal grounds. He may oppose the scheme on the ground that it is not in the interests of the public or on the ground that the route which he is exploiting should be excluded from the scheme for various reasons. There is, therefore, a proposal and an opposition, and the third party the State Government, is to decide that its and prima facie it must do so judicially.”

“It is true that the preparation of the scheme is made to depend upon the subjective opinion of the State (Transport) Undertaking as regards the necessity for such a scheme.”

“It will be seen from the provisions of Ch IVA of the Act that the State Transport Undertaking, before propounding a scheme, arrives at the decision on objective criteria.”

It will be appreciated that under the Motor Vehicles Act, it is the Corporation that has to apply its mind and form the opinion as to the necessity or expediency of taking over certain routes or areas; and, any suggestion or recommendation of a third party may or may not be acted upon by it in so deciding.

Although the Corporation accepted the recommendation of the Anantharamakrishnan Committee in regard to the sequence of Nationalisation in the Andhra Districts, it is open to it, having regard to provisions of the Act, to propose schemes for nationalisation in any district it considers, in the public interest, and its administrative convenience. Now that the Corporation already published the schemes under Section 68 C of the Act, it will not be appropriate for the Government, who are to consider them in the prescribed manner quasi-judicially, to dilate on the question. The Corporation has to justify the proposed schemes at the personal hearing by Government in the light of objections that may be filed with respect thereto.

Business of the House

Mr. Speaker. Evidently, I think Mr. Sharma was objecting to a remark made by the hon. Chief Minister requesting Members not to yield to any pressure or influence. (Interuption)

Sri T. K. R. Sharma: It casts certain aspersions against the Members. (Interuption)

Mr. Speaker: Let me explain the position; not that I hold a brief for him. What I understood from the statement of the Chief Minister is this: A number of members have come and made representations to me. Well, of course, whether I can hear the representation or whether I can do anything in the matter is a different matter. They come and make representations—people who are known to us—and explain their difficulties. But still Members should not yield either to the pressure influence or anything of that kind. Please do not think... (Interuption)

Sri N. Sanjiva Reddy: I may myself satisfy him. I did not mean that. They will bring pressure on us. People come and meet me, people meet the Speaker. (Interuption)

I am only appealing to the hon. Members not to yield to any pressure. They may bring pressure (Interuption)

Mr. Speaker: It is only requesting the hon. Members not to yield to any pressure or influence or any other thing... Do not try to read that which is not warranted.

Sri N. Sanjiva Reddy: I exactly meant this much, Sir. If they are feeling something, it is their mistake and not mine.
I want to bring to your notice that last night the Police disturbed us from 3 a.m. to 5 a.m. I do not know why they disturbed us in the night.

Mr. Speaker: To-day is the last day of the sitting and Members will be dispersing from to-day. There is not much that I can do now.

Sri N. Sanjiva Reddy: Mr. Speaker, Sir, I may also help them. After all, if they are disturbed in the night and all that, certainly we would try to avoid that. It is not our intention to disturb anybody. If it is necessary, we can arrest and it is not our intention to disturb them every day. If the question of arresting them arises, naturally we can arrest them either at 1 a.m. or even at 3 a.m. If the Police are going in the streets or going in the quarters, nobody should take objection to that. (Interruption)

Since it is the last day of the session, I will certainly help them by seeing that such disturbance is not caused to them.

Sri M. Raja Reddy: Not every day. Misunderstanding...

re: Contributions made by hon. Members to the N. D. F.

Mr. Speaker: The Hon. Members have been pleased to contribute money, many of them their entire salaries and some a portion of their salaries till the emergency lasts, towards the Defence Fund. I do not propose to read the entire list, but I am having it placed on the Table of the House not only for the information of the hon. Members but for the information of the general public as well as the press.

Mr. Speaker: I will have the entire list placed on the Table of the House.
Sri N. Sanjiva Reddy: About the Congress Members, the list can be placed on the Table of the House. The names need not be announced.

Mr. Speaker: I will get it done. (Interruption.)

Mr. Speaker: Now, let us go to the next item. I call upon the hon. Minister for Agriculture to move the Bill. (Interruption.)

Mr. Speaker: We shall certainly see about it in the next session.

fast changing techniques are called for. It is essential to adapt to
new conditions and to make the necessary changes in the
organization of the university. For example, the introduction
of new courses and the addition of new departments may be
necessary. The university must also be able to cope with
the changing demands of the students. The university must
also be able to adapt to the changing needs of the society.

The bill provides for the establishment of the Andhra
Agricultural University in the state of Andhra Pradesh. The
university will have the power to conduct research and to
provide education in the fields of agriculture and related
subjects. The university will be governed by a governing
body consisting of the governor of the state, the minister for
education, and other members as may be appointed by the
government.

The bill also provides for the appointment of a vice-chancellor
and other officers of the university. The university will have
the power to make rules and regulations for the conduct of
its affairs.

The bill is an important step in the development of the
state of Andhra Pradesh. It is hoped that the Andhra
Agricultural University will provide a valuable contribution
to the education and development of the state.

Bill, 1962

...

1185 17th December 1962

The Bill provides for the establishment of an Agricultural University in the State of Andhra Pradesh. The University is to be established with the objective of promoting agricultural education and research. The Bill also provides for the appointment of a Council to govern the University.

The Bill is to be known as the Andhra Pradesh Agricultural University Bill, 1962.
"Picture the kind of village life which should be aimed at. It must be economically prosperous. Its life must not be wasted in primitive habits of production. Full advantage should be taken of modern technical developments. Small scale farming by efficient methods will require only a small part of human labour needed at present, and production may be greatly increased. Much of the village population will be available for work other than agriculture. Each village, and especially each group of villages, will have a wide range of economic activity. A large part of the industry of the country should be located in villages and small towns. Every village should have a good year-round transportation, and should be supplied with electric power. Each one should have a piped water supply under pressure, a sewer system and a telephone system."

To the extent to which it may be feasible for agriculturally dependent villages to have a diversified economic base in which they are not exclusively dependent on agriculture for their livelihood, the impact of the rural economy will be more beneficial. The number of villages that can engage in non-agricultural activities such as small industries depends on the consensus of opinion. As far as I C A R, etc. is concerned, the situation is generally satisfactory. The number of villages that can be classified as small industries is limited. However, the number of villages that can be classified as small industries is limited. The situation is generally satisfactory. The University Degree is a kind of passport for jobs.

"With great economic pressure due to the prevailing poverty in the country, the insistence of the University Degree as a minimum requirement even for the posts of minor officials and clerks has put a premium on the number of evils which have come to be associated with the examination system. It has subjected teaching to the examination, made it almost impossible to provide free education to develop wider interests and has created temptation to cheating, corruption and favouritism. The obsession to secure as it were a ticket of lottery for job securing, over-shadowed the education purpose which a good examination can serve."

As a general type of arrangement, it is suggested that a Rural University should include a ring of small resident under-graduate colleges with specialised and university facilities in the Centre. The suggested number of students under each of the under-graduate resident colleges is about 300 and that of the maximum over all enrolment of colleges and university combined is about 2500.
"The Board regrets that it is unable to appreciate any of the arguments given for the information of the universities. It also regrets that it should be presumed that universities at present are not in a position to discharge their responsibilities. As the Board already pointed out the remedy in the case of any erring university should be by a difficult method of approach. In the opinion of the Board, the creation of a separate University for professional discipline should spell disaster for the whole idea of university education."

The Andhra Pradesh State Co-operative Bank (Formation) Bill, 1962

Sri K. Brahmanna Reddy: Sir, I beg to move.
"That the Andhra Pradesh State Cooperative Bank (Formation) Bill, 1962, be read a first time".

Mr. Deputy Speaker: Motion moved.

Sri K. Brahmananda Reddy: I have pleasure in introducing a Bill to provide for the amalgamation of the Andhra State Cooperative Bank Limited, Vijayawada and the Hyderabad Cooperative Apex Bank Limited, Hyderabad, in Andhra Pradesh for the formation of "Andhra Pradesh State Cooperative Bank." The circumstance that have necessitated the introduction of this Bill, at the outset, need special mention.

On the eve of the reorganisation of States, the Hyderabad State Cooperative Bank was reconstituted as the Hyderabad Cooperative Apex Bank Limited, after excluding from its area of operation those territories that were transferred to other States. Thus with effect from 1-11-1956, two Apex Cooperative Bank have been functioning in Andhra Pradesh, the Andhra State Cooperative Bank Ltd., Vijayawada serving the eleven districts of old Andhra State and the Hyderabad Cooperative Apex Bank Limited, Hyderabad, serving the 9 Telangana districts of the newly formed Andhra Pradesh State.

An informal conference to consider problems arising out of the reorganisation of States was convened by the Reserve Bank of India in May, 1956, which was attended by official and non-official Cooperators from various States including the erstwhile States of Andhra and Hyderabad and the representatives of the Government of India. One of the questions considered was the amalgamation of Cooperative Institutions as a result of reorganisation of States and it was accepted that ultimately there should be only one Apex Cooperative Bank in each State and that no State Cooperative Bank should serve more than one State. This was considered, the essential basis of the Cooperative Credit Structure in view among others, of the close association of the State with the credit programme under the Second Five Year Plan of which State partnership has been a major factor. Since the formation of the Andhra Pradesh State this question has been engaging the attention of the Government and in consultation with the Registrar and the Reserve Bank, it was decided to amalgamate the two Apex Banks to form one State Cooperative Bank for the entire
The representatives of the two Banks also considered the whole matter and decided on the principle of amalgamation, through a special legislation, particularly because the Reserve Bank was keen on such amalgamation to form one State Co-operative Bank.

A Bill for the purpose of amalgamation of the two banks was published as early as on 9—2—1960, but due to various reasons, Sir, it could not be taken up.

In the meanwhile, a Bill to consolidate and amend the law relating to Co-operative Societies in the State of Andhra Pradesh was published on 16—7—1962 and as the said Bill also provided for amalgamation of two or more Co-operative Societies through a set procedure, it was felt that there was need to have a separate enactment for the amalgamation of the two Banks. But, in view of the bulk and importance of the integrated Co-operative Societies Bill, the Joint Select Committee is still seized of the Bill. Thereafter it has to be referred to the Andhra Pradesh Regional Committee for its consideration and afterwards to the Legislature for its consideration clause by clause. Rules have also to be framed to bring the enactment into force. All these may take considerable time.

Meanwhile, it is found that the quantum of credit to agriculturists in the Telangana Region has not increased appreciably, on account of denial of share capital contribution to the Hyderabad Cooperative Apex Bank and that the provision of even the limited credit on Government guarantee is not adequate.

Mr. Speaker in the Chair

Further, credit to agriculturists in Telangana area is being provided only on mortgage security for production, while in Andhra area loans on the basis of personal security are being issued. At the present time of National Emergency calling for an all out effort towards increased agricultural production, it is desirable that one strong Apex Cooperative Credit Institution is established as expeditiously as possible, so that increased credit may be obtained from the Reserve Bank and made available to the agriculturists for production on personal security even in Telangana area and
thereby bring about a uniform credit policy for the entire State.

In these circumstances, I am introducing this Bill for consideration of the House and for reference to the Regional Committee with a request to push it through expeditiously, particularly because the representatives of both the Apex Banks have already considered the provisions of the present Bill and are anxious to effect the amalgamation as early as possible.

The motion at present I wish to move is for reference to the Regional Committee. It will be considered by the Regional Committee and afterwards it will come back to the Legislature and then there will be time for us to consider it more deeply and clause by clause. Therefore, Sir, I beg to introduce this Bill, for the first reading.

Government Motion

re:— Raising the Borrowing Capacity of the Andhra Pradesh State Electricity Board.

The Minister for Irrigation and Power (Sri A.C. Subba Reddy)

Sir, I beg to move:

"Whereas the Andhra Pradesh State Electricity Board constituted under Section 5 of the Electricity (Supply) Act, 1948 (Central Act 54 of 1948) is empowered under Section 65 of the Act, to borrow any sum required for the
purposes of the Act, subject to a maximum of ten crores of rupees, unless the State Government, with the approval of the State Legislative Assembly, fixes a higher maximum amount;

And Whereas the State Government have considered it necessary that the borrowing limit of ten crores of rupees should be raised to twenty crores of rupees;

And Whereas it appears to this Assembly to be desirable that the State Government should fix a higher maximum amount of twenty crores of rupees;

Now therefore, in pursuance of sub-section (3) of Section 65 of the Act, this Assembly hereby approves that the State Government shall fix twenty crores of rupees as the maximum amount which the Andhra Pradesh State Electricity Board may at any time have on loan under sub-section (1) of that Section.

And whereas it appears to this Assembly to be desirable that the State Government should fix a higher maximum amount of twenty crores of rupees;

Now therefore, in pursuance of sub-section (3) of Section 65 of the Act, this Assembly hereby approves that the State Government shall fix twenty crores of rupees as the maximum amount which the Andhra Pradesh State Electricity Board may at any time have on loan under sub-section (1) of that Section.

The motion was adopted.

Mr Speaker: hon. Members, before we part, I feel I will be failing in my duty if I do not express to you my thanks to all of you for having co-operated with me in conducting the proceedings of this House in an orderly manner. As you all know this is not a period of rest for any one of us. I would only appeal to all of you to work hard when you go back to your constituencies, for the defence of the country during this hour of trial and I wish you all success in your efforts.

I now adjourn the House Sine die.

1-25 P. M. The House then adjourned Sine die.
