Survey and Settlement Operations in Chintapalli Taluk

1123 —

*953 (2897) Q:—Sri D. Kondal Rao [Put by Sri K. Govindarao] (Anakapalli) Will the hon. Minister for Revenue be pleased to state:

(a) whether any proposal is under consideration of the Government to conduct Survey and Settlement works in Lammasingi, Pedawalasa, Lothugedda, Cudem and Dara-konda muthas as was done in some areas in Chintapalli taluk, Visakhapatnam District; and

(b) if so, when?

[The Minister for Law deputised the Minister for Revenue and answered the questions]

The Minister for Law, (Sri P. V. Narasimharco): (a) The answer is in the negative. Survey and Settlement operations will not be undertaken in these areas as there is at present no settled or regular pattern of cultivation. Survey operations were however undertaken in some areas of Chintapalli taluk.
as they fall within the catchment area of Machkund river under the Soil Conservation Scheme.

(b) Does not arise.

**Sri K. Govinda Rao**—What is the settled pattern, Sir.

**Sri P. V. Narasimha Rao**—In the opinion of Revenue Department there is no settled pattern of cultivation in that area; that is why the Government have not proposed to undertake settlement of that area.
Oral Answers to Questions  19th March, 1964  782

Q 1. Mr. N. R. M. N. R. (Member):— In the settlement areas there was
unsettled land. Some of it was unsettled because of dispossession of
the original owners. Unsettled land was the result of the war and the
dispossession of the owners.

Q 2. Mr. S. N. S. N.:— Partial settlement is called
un-1. track. The track
was not completed. The
track was not settled.

Q 3. Mr. N. N. N.:— Partial settlement has been
announced. There are tracks
and unsettled land. The
track has not been settled.

Q 4. Mr. S. S.:— Additional assessment has
been announced. In that
department we can take action, Sir.
Mr. Speaker:—That is the same question as put by Mr. Mohd Tahseel.

Sri P. V. Narasimha Rao:—Every case will depend on its own merits.

Non receipt of Salary by the Headman of Devada Village

*2165 Q:—Sri B. Srirama Murthy (Vizayanagaram) Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that the Headman of Devada village in Vishakhapatnam taluq has not been receiving his salary for the past 15 years or so?

(b) if so, what are the reason;

(c) what are the steps taken to expedite action?

Sri P. V. Narasimharao:—(a) and (b):—It is a fact that the headman of Devada village in Visakhapatnam District has not been receiving his salary for the past 15 years, but that is because there has been no paid establishment for the village from the very beginning and his predecessors have all along worked on an honorary basis.

(c) The question of sanction of paid village establishment for the village is now under consideration of Government taking into account certain changes which have come about in the village.
Oral Answers to Questions

19th March, 1964

Sri P. V. Narasimha Rao:—

Examine the information pending claims. Now we have come to the conclusion that he has to be given salary; but the Board of Revenue and the local authorities have all along said that he has been working in an honorary capacity. Now the Government have come to the conclusion that changes do not warrant his continuance on an honorary basis.
The present working incumbent is reported to have submitted a petition to the Collector, Visakhapatnam representing that he was appointed by the R. D. O. in 1949 and that he was not paid salary from his date of appointment, May 1949. He claims arrears and convert those of a paid establishment.

Pandrangi Village

1125—

* 2551 Q.—Sri K. Govindarao:—Will the hon. Minister for Revenue be pleased to state.

(a) whether Pandrangi village in Bhimunipatnam taluk, Visakhapatnam district has been taken over by the Government under the Estates Abolition Act originally;

(b) Subsequently whether it was declared ‘Not Estate and the Government cancelled the original notification;

(c) whether it was declared under the Inams Abolition Act 1956; and

(d) if not, the reasons therefor?

Sri P. V. Narasimharao: (a) and (b):—Yes, Sir. But it was subsequently brought to light that the village comprises of two portions, one consisting of a darimila inam being a post settlement grant, and the other a presettlement grant confirmed by the Inam Commission. The notifications issued in respect of this village were quashed and set aside by the High Court, and after prolonged litigation the darimila inam portion has been treated as having been abolished along with the parent estate viz. Vizianagram zamin after the passing of the Act XV of 1959.

(c) and (d):—The other portion of Pandrangi village which is not a darimila inam as referred to in the reply to clauses (a) and (b) is being treated as a minor inam under
the Inam Abolition Act, 1956 and action is being taken accordingly under the Inams Abolition Act, 1956.

_Sri P. V. Narasimharao:_ There was a protracted litigation in this and we had to wait till the Supreme Court’s decision in another case from Madras and after that decision was given, we again approached the High Court for permission to go up in appeal to the Supreme Court; that permission also was disallowed. Now the actual position is it is not because of the Supreme Court’s decision that we have taken action or taken this decision but because of section 3 (b) of the Abolition Act which was subsequently passed which gave the matter retrospective effect in spite of the High Court’s decision, Sir. It is only because of that legislative measure that we have been able to take this decision; therefore the delay.

*Abolition of Malguzari system*

1126—

*2611 Q:— Sri Mohammed Tahaseel:* Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government decided the question of abolition of Malguzari system prevalent in Nugur, Alabaka and Cherla areas of Khammam district (vide letter No. 2952 J/63-1) dated 29—10—63; and

(b) if so, whether any such regulation issued by the Department in this regard and when?

_Sri P. V. Narasimharao:_ (a) Yes, Sir,

(b) A suitable Regulation for abolition of the Malguzari as required under para 5 (2) in the fifth Schedule to the Constitution of India is being prepared.
Oral Answers to Questions 19th March, 1964 788

Sri P. V. Narasimha Rao:—My information is only this at this moment; “it has been engaging the attention of the Government for some time”; it is rather indefinite. I cannot make it more definite.

Transfer of Revenue Tahsildars

1127—

*3122 Q:—Sri Vavilala Gopalakrishnayya:—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that five Revenue Tahsildars and a Huzur Tahsildar working in west Godavari District were transferred to distant places in March, 1963 for serious
corruption charges levelled against very senior official in the District; and

(b) if so, in what stage the matter stands?

Sri P. V. Narasimharao.—(a) Yes, Sir. They were transferred as corruption charges were levelled against them and there was a *prima facie* case for enquiry.

(b) The enquiries are in various stages of progress.

Mr. N. —(a) Yes, Sir. They were transferred as corruption charges were levelled against them and there was a case for enquiry. Transfer Anti-corruption Bureau as charges were levelled. At the enquires are in various stages of progress. Prosecutions permit to proceed, but there was a case for enquiry. Prosecute in various stages. Prosecution to be withdrawn. Prosecution to be withdrawn?

Sri P. V. Narasimha Rao :— Mr. Gopalakrishnayya is giving information to the Government. If so, i.e., I think this information which is generally treated as confidential when the enquiries are going on and they are at different stages, should not be divulged at this moment.

Mr. N. —(a) I have a question.— *Prima facie* charges of corruption.

Sri P. V. Narasimha Rao :— How can the Minister say now at this stage; the Government have not taken a uniform decision in all the cases; a different decision is taken in each case, depending on its own merits.
Sri P. V. Narasimha Rao:—The collector's name does not appear in the question itself. How can I say whether the Collector is involved? If he wants to know about the Collector he has to put a separate question. I am not in a position to say now.

It does not form part of the main question. I am not in a position either to contradict or confirm what the hon. Member has said.

Prima facie case
establish Some of them are under suspension also Sir.

Sri P. V. Narasimha Rao:—I have gone through the whole case; I can assure the House that on the part of the
Government there has been no delay. The delay has been caused because of several remedies open to the officers under the Constitution and under the Rules; they have been taking shelter under these rules and when that happens this delay becomes inevitable; it is not because of Government laxity.

Sri P. V. Narasimha Rao:—Nothing has been asked about the Collector and so I have no information.

Sri P. Rajagopala Naidu:—Who is the senior official?

Sri P. V. Narasimha Rao:—I am not in a position to say.

I have divulged
some information which I think is not desirable. I can only assure the House that the delay has not been on the part of the Government. It is inherent in such proceedings. I hope the proceeding will come to termination very soon.

Mr. Speaker:—The question itself is not properly framed. Look at the language of the question, "Whether it is a fact that five Revenue Tahsildars and a Huzur Tahsildar working in West Godavary District were transferred to distant places in March 1963 for serious corruption charges levelled against very senior official in the district. Is he involved in this case? What action has been taken? If the Minister says that the question relates to Huzur Tahsildars and Tahsildars, it is not correct.

Mr. Speaker:—Why were these people transferred?

Sri P. Sundargyya:—Because of the serious charges levelled against them.
Mr. Speaker:—According to you, because the charges were levelled against the Collector, these people were transferred. It may be possible that the corruption charges were against the Collector also. It is due to these corruption charges that these officers have been transferred.

Mr. Speaker:—That is why they are transferred.

Mr. Speaker:—Since the question itself is not quite clear, it is not as though the Government is keeping back the information. The question is not clear. Now we can ask the Minister to get the information and inform the House tomorrow.

Mr. Speaker.—He is not in a position to say. Moreover, he has been deputising on behalf of somebody.

Sri P. V. Narasimharao.—I would like to submit that it is not fair to say anything about a person about whom no question has been directly put without getting authentic information. I am not shielding him. I would like to assure you that I have no hesitation in divulging the information.
tion regarding the Collector also. There is no question of
shielding the Collector. If you so wish, I will get the infor-
mation.

Mr. Speaker.—They are interested in knowing whether
there are charges against the Collector. If you have got
the information you can furnish.

Sri K. Brahmanandareddy:—When there is no informa-
tion, it is a serious allegation against the Collector.

Sri P. V. Narasimharao.—If there is a question, I
would like to answer specifically.

Mr. Speaker.—I agree with you.

Mr. Speaker.—Now he is not in a position to furnish
the information.

Sri P. V. Narasimharao.—I would like to submit that
the purport of the question has been noted and according
to that the answer has been given. In this case the Govern-
ment cannot be charged with not giving any information.
I will give the information. I will inform the Revenue
Minister.
Mr. Speaker:—I will see that the information is placed before the House.

Mr. Speaker.—Let us not further go into the matter. He has promised to furnish the information. After the full information is received, if further discussion is necessary, I will consider it.

Mr. Speaker.—He has already said that there are charges of corruption against those people. What more can he say.

Resignations of the Village Officers in Adoni Taluk

1128—

*3138 Q.—Sri G. C. Kondaiah (Nellore).—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that the village officers in Adoni taluk, Kurnool district and in some other places in the State have submitted resignations in November, 1963;
(b) if so, the number of such resignations;
(c) the reasons for the same; and
(d) the steps taken by the Government for administration in the said places?

Sri P. V. Narasimharao:—(a) Yes, Sir.

(b) In Adoni and Ahur taluks of Kurnool Dt., 97 and 69 village officers respectively have submitted their resignation letters.
(c) The Rayalaseema Village Officers Association at its meeting held on 4-10-1963 resolved to relinquish the offices of Village Officers, if no reply was received from Government regarding their future set up. Since Government could not take decisions on all the recommendations of the Unnithan Committee for various reasons, such as the general elections early in 1962 and the National Emergency caused by the Chinese aggression thereafter, some of the members of the Association implemented its resolution.

(d) As the agitation was called off by the Village Officer's Association in time, the need for taking steps by Government for administration in the places of the Village Officers who had offered to resign did not arise.

Sri P. V. Narasimharao.—The Village Officers Association submitted a memorandum according to which the following items were high-lighted as the disturbing factors which added insult to injury according to them.

(a) The village officers were prevented from entering upon the office after the expiry of leave or period of suspension.
(b) Appointments to village officers were made on temporary basis subject to renewal from time to time and no salary was paid till the orders of renewal were received which were issued after a long delay.

(c) Unqualified outsiders were appointed as village officers in the vacancies indiscriminately flouting the instructions of the Government contained in their memorandum dated 5—11—1963 not to by-pass the members of the family of the last holder. These are the latest but now the matter has been settled and there is nothing that remains to be done.

Mr. Speaker.—He says the matter is settled.

Misappropriation by the President of Chennur Panchayat

1129—

*2876 Q:—Sri G. Ramaraao (Gudivada):—Will the hon. Minister for Planning and Panchayati Raj be pleased to state.
(a) whether it was a fact that a petition regarding the
misappropriation of some amounts was submitted by some
Panchayat Members and people of Chennur Panchayat of
Bandar Taluk against the President of the Panchayat in the
months of February and March 1963 to Government and
to the District Panchayat Officer, Krishna; and

(b) if so, the action taken thereon?

The Minister for Planning and Panchayat raj (Dr. M.
Chenna Reddy):—(a) and (b):—Yes Sir. The Revenue Divisional
Officer Bandar in his proceedings Rc. G. 5944/63 dated
9 12 1963 passed orders removing the President of Chennur Panchayat.

Dr. Af. C. A.:—810 కాంగ్రెస్.

Sri A. Venkateswararao.—Whether the amount was
recovered from the Panchayat President.

—810 కాంగ్రెస్.

—The Collector has been asked to make an enquiry and report.

Dr. M. Chenna Reddy:—The charges included among
others that the President misappropriated by debiting an
amount of Rs. 310 without getting the supply of books purchased after a period of one year. The village Patel and Patwari are responsible for the supply of books purchased after a period of one year. The hon. Minister for Planning and Panchayati Raj be pleased to state:

(a) whether the Government propose to recognise the village Patel and Patwari as the Executive Officer and Accountant respectively of the concerned village Panchayat and

(b) if not, the reasons therefor?

Dr. M. Chenna Reddy:—(a) No, Sir.

(b) The service conditions of an Executive Officer of a Panchayat are different from those of a village Patel and
Patwari. Village Patels and Patwaries have different duties in regard to collection of land tax and maintenance of revenue accounts. Hence it is not considered desirable to recognise them as Executive Officers and Accountants of Panchayats.

**Executive Officers Working in the Panchayats**

1131 —

*3480 Q.—Sri N. Venkataswamy (Paruchuru).—Will the hon. Minister for Planning and Panchayati Raj be pleased to state:

_Sri A. C. Subba Reddy_:—These are small works, Sir. It will be completed in a year.

**Agricultural Model Farms**

1139—

*3149 Q. — Sri G. C. Kondaiah_:—Will the hon. Minister for Agriculture be pleased to state.

(a) the criteria adopted in deciding the Agricultural Model farms in the State;

(b) whether the Government are rendering any aid to the said model farms; and

(c) if so, the basis on which such aid is given?

_The Minister for Agriculture_ (Sri A. Balarami Reddy)

(a) The criteria are:
(1) Readiness of the farmer to adopt all improved methods of agriculture, suitable to the soil and the crops grown therein, as advocated by the Department.

(2) Central Location and easy accessibility of the holding to enable cultivators to visit and watch the advantage of improved methods of Agriculture.

(3) Willingness of the farmer whose farm is selected, to allow other to enter his fields and observe the demonstrations in its various stages.

(4) Willingness of the holder not to ask for compensation if there is failure of crops for any unforeseen reasons.

(b) The concerned farmers are given preference in the supply of improved seeds, fertilisers and other credit facilities, besides subsides on seeds, fertilizers and pesticides and extra cultivation expenses if any, envisaged under the scheme. In addition to this, a Block budget of Rs. 400/- per annum for stage I and Rs. 1,000/- per annum for stage II is made towards demonstration charges under the Community Development Programme.

(c) The standing committee of the Panchayat Samithy takes into account local conditions and distribute the amount under the Block Budget among the model farms according to needs.

*3723 Q.—Sri A. Sarveswararao (Eluru):— Will the hon. Minister for Agriculture be pleased to state.

(a) whether the Andhra Pradesh Rice Millers Association or its members represented to the Agricultural Minister of the Andhra Pradesh in the first week of January, 1964, at Madras to waive the inter-State sales tax on the export of rice; and

(b) whether it is a fact that the Government of Andhra Pradesh agreed to recommend the exemption of the tax to the Centre?

Sri A. Balarami Reddy:—(a) and (b). The answer is in the affirmative.
1146—

*2801 Q.—Sri G.C. Kondaiah:—Will the hon. Minister for Labour and Transport be pleased to state:
(a) whether there was a lockout in Langar Cigar Factory in Nellore in the month of November, 1963.
(b) what are the causes for the same; and
(c) what action Government has taken to re-open the Factory?

The Minister for Labour and Transport (Sri B. V. Gurumurthy):—(a) Yes, Sir.

(b) There was difference of opinion between the workers and the Management, over the implementation of the agreement dated 25-6-1963 regarding rolling of cigars.

(c) The Government considered the refusal of the management to give work to some workers as amounting to lockout, and therefore prohibited the continuance of the lockout.

Lockout in Langar Cigar Factory, Nellore
A Refusal to give work constitutes lockout. Mr. Speaker:—He wants to know whether the factory is now working or not.

Sri B. V. Gurumurthy:—According to my report, the factory is working. But the management refused to give work to 195 workers as and from 21-10-1963.

Tax on Vehicles not in Use

1147—

*3180 Q.—Sri A. Sarveswara Rao:—Will the hon. Minister for Labour and Transport be pleased to State:

(a) whether the Government have received a memorandum either in the first or second week of December, 1963, from the General Secretary of the State Motor Unions Congress, urging the Government not to collect the tax on vehicles that are not in use; and

(b) if so, the action taken thereon?

Sri B. V. Gurumurthy:—(a) The answer is in the affirmative.

(b) The matter is under consideration of the Government.
230—

2746 Q.—Sri K. Appala Naidu :—Will the hon. Minister for Revenue be pleased to state:—

(a) the total number of ryots to whom Banjar lands were given on patta during 1960–1963 in Visakhapatnam District and of together with the extent to the same;

(b) whether the said lands have been handed over to the said persons after completing the work like sub-Division etc., pertaining to the said lands; and

(c) if not, the reasons therefor?

A. (a) Total number of Ryots: 10,778. Area assigned. Acres 28,13.3–43
(b) & (c): In 4730 cases, the lands have been handed over to the assignees after completion of demarcation and subdivision on ground. In the remaining cases, the subdivision work is in progress. As there is only one Surveyor in each Taluk, who is attending to this work also besides other items of work the subdivision work could not be pushed through briskly. The Tahsildars have been, however, instructed to complete this work early by fixing monthly targets to the Taluk-Surveyor and watching the outturn more closely.

_Tube Wells._

231—

3412 Q.—_Sri A. P. Vajravelu Chetty:_—Will the hon. Minister for Planning and Panchayati Raj be pleased to state:

(a) how many tube wells were sunk during 1961-62 under the Exploratory Tube Wells Organisation of the Government of India in Andhra Pradesh,

(b) what is its total cost and what proportion of that cost was paid by Andhra Pradesh Government; and

(c) What is the extent of benefit derived from those tube wells?

A.—(a) (b) and (c) Information is placed on the Table of the House.

_Paper placed on the Table of the House._

(a) During 1959–60, the Exploratory Tube Wells Organisation had sunk 11 tube wells in Andhra Pradesh. No tube wells were sunk during 1961–62.

(b) The total cost amounting to Rs. 7,93,697 was met by Government of India. This cost is treated as loan from Government of India which is repayable by the State.
Government in 12 annual equated instalments with interest at 4-1/8% per annum.

(c) One tube well situated in Venkataramanagudem, West Godavari District is exclusively serving the State Seed Farm to irrigate 60 acres of Wet or 20 acres of light irrigated crops.

Four Tube Wells, two of which are situated at Gunampalli and Nallamadu in West Godavari District, one at Sitarampuram in Krishna District and one at Rajavolu in East Godavari District have been put to use only during the current year and the actual area brought under irrigation by these four wells will be known only after irrigation to the second crop is completed. For the remaining wells, action is being taken by the Electricity Department to give electric power lines etc.

A total area of 1,016 acres (both for wet and light irrigated crops) is expected to be irrigated by the 11 tube wells of which 1/3rd will be under wet crops and the rest under light irrigated crops.

(c) The hon. Member presumably desires to know whether employment opportunities for these graduates are provided in the plan. In this connection it may be pointed out that it is doubtful whether this problem can ever be completely eliminated. The State's Third Plan has been formulated with the objective of providing employment to 11 lakh persons. However, on account of emergency and
the consequent re-orientation of the Plan with a view to giving more emphasis to certain sectors of development, it is not known whether it will be possible to achieve this target.

ANNEXURE II

The duties of Managers or Wardens/Matrons who manage the Hostels are as follows:

1. to see to the upkeep of the hostel.

2. to see that necessary provisions are purchased for the day-to-day working of the hostel and proper accounts are maintained and to ensure proper and timely service of meals to the boarders in the hostel.

3. to attend to the correspondence work relating to the maintenance of the hostel.

4. to guide and coach up boarders especially in the subjects in which they are found to be not faring well.

5. to see that discipline is enforced among the boarders and to keep watch on the academic progress of the boarders and to take necessary steps to improve the standard of the students lagging behind.

A copy of the circular instructions issued in this connection to the District Social Welfare Officers is also enclosed.

CIRCULAR

Subject:—Social Welfare Department — Education Government Hostels—Duties and responsibilities of the Wardens and Matrons—Instructions—Issued.
The Director of Social Welfare during his tour had invariably visited the Government hostels and had occasion to review the working of the Wardens and Matrons. The impression is that there is considerable scope for improvement of the working of these functionaries. They have very important duties on the faithful and efficient discharge of which the future of the boarders depends. They should act as the local guardians of the boarders. Instances have come to light that some of the Wardens/Matrons have entrusted the daily issue of provisions etc., to the leaders or Deputy leaders and they have not been turning up even at the time of taking meals by the boarders. This is highly irregular. The Wardens/Matrons should be present in the Hostel premises precisely at 6-00 a.m. and take the roll call of the boarders after conducting prayer. At 7-00 a.m. they should supervise the serving of gruel to the boarders. Between 7-00 a.m. to 8-00 a.m. they should arrange for the purchase of vegetables etc. and issue the rations for the Midday meal to the cook and from 8-00 a.m. to 9-00 a.m. they should coach up the backward students and help them in their home work. They should again be present at the hostel at 12-30 to 1-30 p.m. and supervising the serving of meals and they should issue the rations to the cook for preparation of the night meal. They should again be present at the Hostel between 5-30 p.m. and 8-00 p.m. They should give coaching to the backward boarders between 5-30 and 7-00 p.m. take the evening roll call at 7-00 p.m. after prayer and supervise the serving of the night meal at 7-15 p.m. They should make surprise visits to the Hostels during nights at about 9-00 or 9-30 now and then to see that the boarders are at their studies. During the leisure times in the course of the day they are requested to contact Local Revenue
Officers, or Fisheries Officer for subsidiary foods like fish at nominal or concessional rates, contact Tahsildars and Block Development Officers to explore the possibilities of improving the diet and providing other amenities, contact teachers about performance and find out subjects of week performance by the boarders in their classes and to get some teachers to speak to boys in evenings.

The Wardens/Matrons are strictly enjoined to adhere to the above instructions in carrying out the routine duties. They should invariably be present at the time of distribution of food and milk to the boarders and if during the surprise inspections of the Officers it is found that they are not on duty at the aforesaid timings, disciplinary action will be taken against them.

They should maintain perfect discipline in the Hostel. No outsiders should be allowed inside without permission. None else except the boarders and the Cook (if he is a paying boarder) should be permitted to have their food in the Hostel. No food or provisions should be allowed to be taken out of the Hostel premises. Boarders should not be encouraged to go to Cinemas and waste their meagre funds and valuable time. Those who came to the Hostel late during nights should be punished unless it be for bonafide reasons. They should see that the hostel premises are always kept neat and tidy and that perfect, silence is maintained. Each boarder should be trained to keep his trunk, bedding, eating plates etc., in one place nearly arranged. Clothes should not be allowed to hang on the walls. The boarders should be instructed to fold them and keep them tidily. It should be seen that the boarders take their daily bath regularly and send their clothes to the laundry regularly.
It is hoped that the Wardens/Matrons will observe the above rules strictly and bring credit to themselves and to the Institutions. They should keep a record of the coaching they give daily to the needy boarders and the surprise night visits made by them in a note book and produce it for check at the time of the visits of the Officers and other dignitaries.

The Wardens/Matrons should look upon themselves not as mere Government servants with a specified task or two like issue of rations, but as the local custodian of the boys and girls and feel responsible for the all round welfare of the boarders. They have a sacred charge.

The District Social Welfare Officers are requested to get the copies of above circular distributed to all Government hostels and get it exhibited as a permanent item in the hostel permises. The managements of subsidised hostels should be pursuaded to instruct the Wardens/Matrons to take similar action.

Development of Forests

243—

1852 Q.—Sri P. Gunnayya,—Will the hon. Minister for Agriculture be pleased to state:

(a) whether any Scheme has been prepared by the Government during 1962-63 and 1963-64 for the development of forests in the State by planting trees therein; and

(b) the districtwise extent of forest area in which the trees have been planted, together with the expenditure incurred therefor?

A:—(a) and (b) Two statements giving the particulars are placed on the Table of the House.
STATEMENT I.

a) The following plantation schemes have been implemented during 1962-63 and are being implemented during 1963-64 in the State under the third Five Year Plan.

i) Economic plantations.
   a) Teak.
   b) Eucalyptus.
   c) Casuarina.
   d) Matchwood.
   e) Redsanders.

ii) Centrally Sponsored Scheme for planting of quick growing species.

iii) Afforestation of dry and eroded lands (Soil Conservation).

iv) Soil Conservation and Afforestation measures in Machkund Basin under Centrally Sponsored scheme.

b) Information regarding areas regenerated revenue districtwise is not available since Forest Division may form part of a Revenue District or may extend over more than one Revenue District. Information is collected for each Forest Division and not for each revenue district.

The areas planted and the expenditure incurred during 1962-63 and 1963-64 in each Forest Division are furnished in the Statement II.

Cultivation in Reserve Forest in Warangal District

244—

2903 Q.—Sri A. Venkateswararao:—Will the hon. Minister for Agriculture be pleased to state:

(a) the area under cultivation in the Reserve Forest in Warangal District till the end of November 1963;
(b) the area permitted by the Forest Department for cultivating during 1963-64; and
(c) the area cultivated unauthorisedly?

A:—(a) About 411.13 acres is under illicit cultivation.
(b) No cultivation is permitted in the Reserve Forest as per rules.
(c) About 411.13 acres.

Grazing of the Sheep and Cattle in the Reserved Forests in Parvathipuram Taluk.

245—

3275 Q.—Sri P. Gunnayya:—Will the hon. Minister for Agriculture be pleased to state:

(a) whether it is a fact that the Government have permitted the grazing of sheep and cattle in the reserved forests in Parvathipuram taluk, Srikakulam District; and
(b) if so, when the said permission came into force?

A:—Clause (a)—Generally sheep and cattle are allowed to graze in the Reserved Forests and Reserved Lands as in the case of other Forest Divisions without any restriction, except that they are not allowed to graze in the areas planted by the Department and in the worked coupes up to a period of five to ten years. The above procedure applies in the case of Parvathipuram Taluk, Reserved Forests and Reserved lands also.
Clause (b).—The above system is in vogue since 1951 when the estate forests lying in Parvathipuram were taken over by the Government.

Fish Preserved in the Cold Storage at Visakhapatnam

246—

3309 Q.—Sri M. Pitchayya.—Will the hon. Minister for Agriculture be pleased to state:

(a) the various kinds of fish preserved in the Cold Storage at Viskhapatnam;

(b) the places to which the said fish are being exported generally, and

(c) where from the ice required for cold storage is made available?

A:—(a) (1) Sharks, (2) Skates, (3) Rays (4) Sardines, (5) few Fish. (6) Seer. (7) Prawns.

(b) The major portion of the fish is disposed off locally while a small quantity is exported to Cuttack and Calcutta markets.

(c) The ice required is taken from the Ice-cum-Cold Storage plant established by the Department at Visakhapatnam with a capacity of 20 tons of ice per day.

Murrah She-Buffaloes

247—

3417 Q.—Sri A. P. Vajravelu Chetty.—Will the hon. Minister for Agriculture be pleased to state:

(a) the number of murrah she-buffaloes that were purchased in 1960-61; and

(b) the total cost of the same.
887 19th March, 1964  Written Answers to Questions

A:—(a) 258.
(b) Rs. 2,96,037.00.

Cashewnut Plantations

248—

3352 Q.—Sri P. Shyam Sunderarao:—Will the hon. Minister for Agriculture be pleased to state:

(a) the Talukwise names of villages in which cashew-nut plantations are raised in 1960–61, 1961–62 and 1962–63 in West Godavari District together with their total extent;

(b) whether it is a fact that the ryots of the said district are raising casuarina plantations by removing cashew-nut plants;

(c) if so, the reasons therefor;

(d) whether it is a fact that the cashewnut plantations are gradually being removed in Rustumbada, Seeta-rampuram, Mogalturu, L. B. Charla, Lakshmanaswaram and other villages in Narasapuram Taluq as they are found unremunerative; and

(e) if so, the remedies therefor?

A:—(a) The Taluk-wise names of villages are not immediately available and are being gathered. However, the Blockwise information is given in the annexure.

(b) The answer is in the negative,

(c) This does not arise in view of (b) above.

(d) The answer is in the negative.

(e) Does not arise.

Marketing Community Devarakonda Taluk.

254—

2928 Q.—Sri P. Purvatha Reddy:—Will the hon. Minister for Agricultural be pleased to state:

(a) the names suggested by the District Collector for the Marketing Committee of Devarkonda taluk, Nalgonda District;
(b) the reasons for changing the entire panel and appointing different people for the Marketing Committee; and

(c) The qualifications required to be the said Committee.

A:

(a) The information cannot be furnished in public interest;

(b) The entire panel sent by the Collector has not been changed as presumed by the Honourable Member. It may, however, be stated that the responsibility to nominate representative of growers of agricultural produce rests with the Government. The guiding principle for the Government in the case of these nominations is better regulation of markets. Hence the Government have to take into account the local circumstances. It may not therefore be possible to accept the panel of names proposed by the Collector in all cases.

(c) For a person to be nominated as representative of the growers of the agricultural produce, one should be a cultivator, who grows agricultural produce or cotton in the area served by the Market. He should not deal in cotton or agricultural produce other than that grown by himself.

(a) All possible steps are being taken for the prevention of accidents. High standard of efficiency is being insisted upon in conducting driving tests. Such high standard is also being insisted upon in respect of the
mechanical condition of the vehicles in order to enforce the provisions of the Motor Vehicles Act and the rules rigidly. Traffic signs prescribed in the Motor Vehicles Act are being erected for the guidance of drivers and pedestrians. Safety first weeks are being organised by the Police Department. To impress upon the public and drivers the needs to adhere to the traffic regulations to avoid accidents, it has been decided to exhibit placard in stage carriage explaining the elementary principles of road sense in English and regional languages to inculcate the traffic sense. One way traffic system is being introduced in congested areas.

(c) Government are considering this question.

Statement made by Sri A. Balarami Reddy, Minister for Agriculture regarding sale of tobacco.

(99). As you know, in the 1963-1964 season, the country produced 800,000 tons of tobacco. The demand for tobacco was 700,000 tons. The surplus of 100,000 tons was to be sold at the prevailing market price. The Minister for Agriculture announced that the surplus would be sold at 80% of the prevailing market price. The farmers were asked to sell their tobacco to the government at this price. To this end, the government announced that the tobacco would be sold in 25 lots of 200,000 tons each. The first lot was to be auctioned at 250,000,000 rupees. The price was to be determined by the auction, which was to be held on March 4th. The farmers were asked to submit their bids on forms provided by the government. The government would then select the highest bidder and award the contract to the winner.

S. T. C. will be handling the auction.

Women Welfare

Women Welfare is an important welfare programme of the government. Women Welfare schemes are designed to improve the quality of life of women and their families. The main objectives of Women Welfare schemes are

- To empower women and enable them to participate in the development process
- To provide equal opportunities to men and women
- To promote gender equality
- To address issues related to women such as reproductive health, domestic violence, and child marriage

Women's welfare schemes

Women's welfare schemes include

- Women's Work Centers
- Women's Self-Help Groups
- Women's Development Centers
- Women's Health Projects
- Women's Education Programs

These schemes aim to improve the socio-economic conditions of women and their families. The government has been actively implementing these schemes to ensure that women have access to quality education, healthcare, and other essential services.

Annual Financial Statement 19th March, 1964
(Budget) for the year 1964–65—Voting of Demands for Grants

The estimates for the year 1964–65 are in line with the previous year's budget. However, certain amendments have been made in the estimates to cater to the increased demands for grants. The committee has reviewed the estimates and has accepted them as valid. The budget for 1964–65 includes a provision for the development of infrastructure and the improvement of public services. The committee has also approved the allocation of funds for social welfare programs, education, and health care. The budget has been framed in accordance with the principles of fiscal discipline and responsible finance.

It is the firm policy of this Government that within foreseeable future every one in our State is made free of the taint of any special handicaps arising out of his birth; in short to promote equality of opportunity, right for self-respect and dignity of Man as Man among the vulnerable sections of the people. It may not be possible to effect this transformation at the stroke of the pen or by waving of the magic wand. But it is the constant endeavour of this Government to plod on this long upward path to secure social equality with determination, zeal and enthusiasm and correct entries of neglect.

14 candidates have been selected by D. S. C., to the posts of L. D. C. clerks. No Harijan candidate was selected out of the 14 candidates. 5 already have been working in Zilla Parishads and Panchayat Samithis. Candidates
selected by P. S. C. will be placed at the reduction by Government as per rules. As Harijan candidates who appeared for interview were very poor in English, they were not selected by the P. S. C.

15 candidates were selected by P. S. C. on 22-7-1963 for the post of lower Division Clerks. Out of 15 candidates, backward classes candidates were 6 and the candidates temporarily working were 5. 9 candidates had applied and 7 were unqualified for recruitment. The two candidates eligible were very poor of calibre and were not selected by the P. S. C. though the vacancies were kept reserved for Harijan candidates.

14- 15 candidates will be placed at the reduction by Government as per rules. As Harijan candidates who appeared for interview were very poor in English, they were not selected by the P. S. C.

Discussion on the Statement made by the Minister for Planning and Panchayat Raj on 13th March 64 re: elections to Gram Panchayats, Reorganisation of Panchayat Samathis Blocks and elections to Panchayath Samithis and Zilla Pari-shads.
Discussion on the Statement made by the Minister for Planning and Panchayat Raj on 13th March 64 re: elections to Grama Panchayats, Reorganisation of Panchayat Samithi Blocks and elections to Panchayath Samithis and Zilla Parishads.
"There are about 15,000 gram panchayats in this State. Under the Andhra Pradesh Gram Panchayats Act, 1964 and the rules made thereunder, any revenue village or part thereof with a population of not less than 500 and a distance of more than 2 kilometers away from the main village, may be constituted into a separate gram panchayat. With the implementation of this provision it is expected that the total number of gram panchayats in the State may go up to about 19,000."

Representations have also begun pouring in for and against such regrouping and also complaining that the criteria are not being uniformly followed in respect of villages now being regrouped. The Government found by a preliminary examination of the proposals sent by the Collectors that there is some substance in the apprehension.

Because there are two kinds of opinions, for and against, what is the apprehension that the Government is having? Is it 'for' or is it 'against', I am unable to understand.

The Hon. Minister further stated. "Hon. Members have also brought to the notice of the Government many practical difficulties in the matter of implementation of
these rules especially in the Telangana area where the hamlets are not clearly demarcated in the revenue records. Clear demarcate hamlets especially in the Telangana area where the hamlets are not clearly demarcated in the revenue records. Neglect

Neglect was pointed out that when the Minister was asked to publish the provisions of the law, which are necessary for the smooth conduct of the elections, the reply was that a notification would be published in the next day's paper. At the meeting of the Committee, it was pointed out that although the law was published, the necessary provisions were not included. Furthermore, it was stated that the necessary amendments had not been made to the law. The Minister was asked to provide the necessary provisions and to publish them as soon as possible.

Reconsideration

The Minister was asked to reconsider his position on the matter of the publication of the law and to ensure that the necessary provisions were included. The Minister was also asked to provide the necessary amendments to the law and to publish them as soon as possible.

श्री रामचन्द्राव वेंकटपट्टी (नारायणपैड़े): अहंकार महोदय। जब मैंने माननीय पंचायतराज मंत्री का बयान समाचारपत्रों में पढ़ा तो मुझे आश्चर्य हुआ। हमने यहाँ पंचायतों के लिये एक बहुत बड़ा कानून बनाया। उसके नियम भी बने। श्रामों में उनकी प्रतिभा भी होई और आज मंत्रीजी का एक बयान आता है कि पंचायतों के पुनर्स्थापन इस कानून के अधीन नहीं होने बल्कि पुराने कानून के अधीन होंगे। यह बहुत ही आश्चर्य की बात है। जब मैं अपनी कॉर्टिंग बेंटी में गया तो हमारे पास के लोग इस संबन्ध में पूछने लगे। जब यह कानून नहीं बना था तो उसी समय कुछ (Executive directions) के तहत (regrouping) की हर्वा चटने लगी। रीरांगित होकर पंचायत समिति रेखित पर यही काम हुआ। और पंचायतें कम होंगी य ज्यादा होंगी यह सब बातें तैय हुईं। इसके बाद कानून बनवाया। रूल्स के तहत भविष्य में कितनी कम होंगी कितनी ज्यादा उनकी दिस्ट्रीक तैयार होगई। फिर रूल्स बने और उनको गेजेट में पब्लिश किया गया। उनके तहत फाइनल लिस्ट भी बनगई। इसके बाद संकेतन 2 के तहत कलेक्टरका नोटिफिकेशन भी गांव में चलाया। और जैसा कि अभी कुछ बक्ताओं ने कहा है एडिकेटरल रोल्स भी बनकर पब्लिश

वेत्तार लोग बड़े निरुष्ताहिन होगें हैं। यह समझमें आनेवाली बात नहीं हैं। यहां यह बतलाया गया है कि

क्या criteria है यह समझमें आनेवाली बात नहीं है। क्या रूपस में जो criteria बतलायागया है वह follow नहीं होगा। यह नहीं बतलाया गया कि इसमें क्या तृटियाँ हैं। इसके बाद कहागया है कि सरकार को कुछ apprehension है कुछ practical difficulties हैं यह किस प्रकार है समझमें नहीं आता। एक नोटिफिकेशन जाता है। उसके संबंध में instructions दिये जाते हैं। - उसके रूपस बनाये जाते हैं। फिर लिस्ट बनायी जाती है। युराने और नये रूपस को ध्यान में रखते हुए यह सब काम किया जाता है।

क्योकि हमें पास हैदराबाद में पुराने हैदराबाद ग्राम पंचायतों एक था और अंत में आंग्र पंचायत एक है। इन दोनों को सामने लाकर हुए जो draft rules बने उनमें अधिक से अधिक पंचायतों की गुंजाइश रखी गई। लेकिन अब कहागया है कि कुछ ब्रेकटिंग डिफिकुल्टी हैं। यह किस प्रकार है समझाएं
आनेवाली बात नहीं है। मुझे इस संबंध में कुछ क्लेक्टर्स से बात करनेका अकसर मिला तो उनसे पूछ कि इसमें क्या डिफिकल्टी हैं। वह किस प्रकार है तो वे मुझे कोई डिफिकल्टी नहीं बताते। केवल इतना ही कहा कि हमको जो आदर मिला है वस उसी को तामील करना है - और कोई बात नहीं। ये समझमें नहीं आता कि आखिर क्या एकटीकल्ट डिफिकल्टी है। कमसे कम उनका कुछ (idea) दिया जाता तो उन्हें बिचार किया जाता था।

एक और बात यह कि धारा २ के तहत नोटिफिकेशन दिया जाता है। वह कमर्फिट confirm होने तो है। पिर नोटिफिकेशन का withdraw किया जाता है। वह किस प्रकार होने तो है। ये इस बारे में संदेह हैं। निरोध: ऐसी सूरत में जब कि फालूत में लिखा हुआ है कि हर मौजे को अविचार होगा कि वह इन नियमों के अंदर आया पंचायत बना सकता है - यथार्थसे उसके बिना आया आया लोग बातचीत गई है। वे इन लोगों की पूरा लाइव है। लोगों को नोटिफिकेशन इस्तेमाल किया होगा। लोगों की मानस होगा जिसके इमारे भाषा को पंचायत मिल रही है। जब इसके बारे में नोटिफिकेशन इस्तुं होगा तो भी पूर्ण चाहता हैं कि इस एक के किस रूप के तहत withdrawing power of the notification किसी के प्राप्त हैं? यह होस्कता है कि कोई एफ़शन किया गया है और उसको withdraw किया

जाये। लेकिन नोटिफिकेशन को withdraw करने का अधिकार कहीं भी नहीं है। रूस में कितना पावर है। लेकिन वह भी करना हो ना योग्य प्रकार से करना है। (Executive direction) के तौर पर भी उसको नहीं किया जासकता।

एक और चीज में यह अज्ञात कि पंचायतों की re-grouping की आवश्यकता है। और इसके लिये कई चीजों को ध्यान में रखा गया है। उद्धरणार्थ मैं चलाउँगा कि मेरी कांस्ट्रुक्शन मैं नदी नाले-पहाड़ पथरियों का परिशोध है। वहां जो पुरानी पंचायतें थीं वह तीन चार मील के अन्दर के परियों के अन्दर चलाई गई। लेकिन उसमे वर्तमान में कुछ और उन्हे नदी नाले या पहाड़ हैं कि एक ही पंचायत में इंधन से उधर और उधरसे इंधन आना जाना मुश्किल है। यह कठिनाईयाँ हैं। इनको इकट्ठा रखते हुए लोगों में एक से एक प्रकार का समाधान होगया था कि हमारे ग्रामके, लिये अख्या पंचायत बनायेगी। हमकी अपने ग्राम के कारोबार अपने हाथ में लेने का आयोग नियोजित करा। लेकिन आज यह स्टेटमेंट देखने के बाद वह माखुस करके 'कई दुख होता है। पंचायत वैसी ही रहेगी जैसी कि पहले थी। यह समझां ओशनवाली बात नहीं हैं। एक तरफ तो नहीं पंचायतें नहीं बनेगी और दूसरी तरफ पंचायत सम्बन्धितों और क्षेत्र के पारे में भी एक ऐसी रिपोर्ट को जमल में लाने के लिये तैयार हैं।

Draft rules बनाये हैं और यह रूलस बनाये हैं - जिसका प्रयोग आपके सामने है जिसके रूलस बनाये हैं - जिसका प्रयोग आपके सामने है उसको अन्दर मान नहीं चाहते। यह क्या बात हैं समस्यामें नहीं आती। मैं तो नहीं समझता कि कोई प्रवृत्तिकल डिफिकल्टीज़ हैं। इसमें तो कोई संदेह नहीं कि राज कारोबार में विकेंद्रीकरण की आवश्यकता समझी गई। और इसको कार्यरत करने के लिये निर्णय लिया गया। और फिर अत्र पंचायतें पुरानी ही। बंगाल की होना कोई योग्य बात नहीं है।

कानडात आफ पंचायतों के संबन्ध में भी एक बार संदेहार्थक है। Draft rules बनाये हैं और वह नोटिफिकेशन में भी आयुक्त हैं। लेकिन उसका नोटिफिकेशन अभी प्रकट नहीं हुआ है। लेकिन जो दूसरी बातों के बारे में नोटिफिकेशन अभी प्रकट नहीं हुआ है। लेकिन जो दूसरी बातों के बारे में नोटिफिकेशन प्रकट भी होनका है वह withdraw भी होनाहै। यह प्रोग्रेम दिया जाता है कि पंचायतों फलकं तारीख को होंगे। क्या यह हैदराबाद रूलस के तहत होंगे या मदरास रूलस के तहत होंगे। स्टेट मैटमेंट में इसकी कोई स्पर्शता नहीं है। लोग इसको समझनें लिये उठजुक हैं। यह तमाम चीजें समझने का प्रबन्ध होना चाहिये।

आखिर में में फिर एक बार यह कहेगा कि re-grouping की आवश्यकता है। इसपर विचार किया जाये तो ज्यादा अच्छा होगा।

Recurring expenditure, non-recurring expenditure and the different aspects of economic development activities open up a hitherto unexplored ground. Any criticism, however, stands on shaky ground. The recession and devaluation of the rupee have made the situation even more critical. Motor Vehicles taxation

General difficulty arises during decision making, the difficulty is to decide uniformity or non-uniformity which is always an issue.

All the regions have to work under their own delimitation and are expected to put forward their points.

Dr. Subbanna, were you able to go to the authorities and work on the proposals to finalise the dates. 16th May nominations should be decided adjourned.

Mr. Srinivas, it was decided that the decision of the Gram Panchayats should be taken in the reorganisation of the reorganised areas and within the block the same should be adjusted within the new boundaries.

Discussion on the Annual Financial Statement for 1964-65 of the Andhra Pradesh State Electricity Board.

The Central Government, the Electricity Board, and the Power Minister have been criticized for their handling of electricity matters. The ordinary consumer has had to deal with disconnecting electricity, vested interests, and political power. Overhead charges, interest, and loans consumption have been a major concern. Industrial development has also been affected. Electricity failures have been a common occurrence. The Power Minister has been powerless. Elections have been a major issue.

Careless disconnect sequence. The administration seems to prefer a level of burden. The autonomous body seems to burden the supply system, Electricity Board (the dual system overnight). Whereas the electric power generate a solution.

Projects and Electricity Board. If autonomous body is burdening the Electricity Board, then the preliminary is the Electricity Board takes over. What are the autonomous body burdening the Electricity Board? The Electricity Board is burdening the administrative.

Discussion on the Annual Financial Statement for 1964-65 of the Andhra Pradesh State Electricity Borad.

19th March, 1964

The discussion on the Annual Financial Statement for 1964-65 of the Andhra Pradesh State Electricity Board highlights several key points. The board is reviewing the tariff policies and comparing them with the previous year's figures. The advance on any tariff was discussed, along with the assessment of the impact on revenue. The board also addressed the issue of tariffs revise, which has been a subject of recent discussions. New projects, such as the 500 M.W. Power station, have been proposed, and the board is considering the tariffs on this new project. The latest profits, particularly in the generation and distribution segments, have been discussed. The board is also considering the reduction in tariffs and the impact on the overall profitability of the board.

Electricity, water, and commercial scales have been discussed, with a focus on profit revision. The board is considering the conditions under which tariffs are revised. The latest records of generation and distribution have been reviewed, and the board is considering how to satisfy the growing demand for electricity. Losses have been a significant concern, and the board is exploring ways to reduce these losses. The issue of high tension tariffs has also been raised, and the board is considering how to address this issue.

Discrimination is another issue that has been discussed, with a focus on ensuring fair treatment for all consumers. The board is also considering the impact of these policies on the overall economy of the state.
