OCCUPATION OF LANDS BY MUTTADAR IN LAMMASINGI

226—
778 (5479) Q.—Saravari Ch. Mallikarjuna (Yellamara) and
D. Kundala Rao (Chintapalli) :—Will the hon. Minister for Revenue be
pleased to state:

(a) whether it is a fact that the Muttadar of Lammasingi
Chintapalli taluk has occupied the lands of the poorer people in the villages of
(1) Siddlapalem (2) Marripalem (3) Gummuivanpalem in his Muttu
and raised Cashew-nut plantations therein; and

(b) the nature of the rights of the said Muttadar to occupy the said
lands?

The Minister for Revenue (Sri N. Ramachadram Boddy) :—(a) Mr. Sir.

(b) The Muttadar is holding 8 acres of land in Gummuivanpalem
village, 26 acres of land in Siddlapalem village and 1.50 acres in
Marripalem village, partly as ancestral property and partly by his
acquisition. His self acquired property is 15 acres of land in
Siddlapalem village purchased by him about 15 years back, and
five ryots.

Sri N Ramachandra Reddy:— We are sending reminders also, Sir.

SURVEY OF BHADRAGIRI BLOCK

227—

* 736 (4785) Q.—Sri A. Lasmi Naidu (Naguru):— Will the hon. Minister for Revenue be pleased to state:

(a) the reasons for not conducting the survey or settlement work of the agency villages in Bhadragiri block, Srikakulam district so far though the said villages were taken over by the Government from Turner estate nearly 10 years ago;

(b) is it a fact that an amount of Rs. 4 lakhs allotted towards loan for digging agricultural wells in the block was not utilised due to non-completion of survey and settlement work in the said agency villages;

(c) is it also a fact that the pumpsets and motors are not being supplied to the ryots for agricultural purposes and that the Co-operative Central Bank is refusing to advance loans to the ryots for the above reasons; and

(d) when the Government will take up the work of survey and settlement in the said agency villages?

Yes, Sir.

Yes, Sir.

The Board of Revenue is re-examining the matter.

118 29th November, 1965. Oral Answers to Questions

TRANSFER OF AGENCY CIVIL WORKS TO THE ZILLA PARISHADS AND SAMITHIS

(a) whether there is any proposal to transfer the agency civil works to the Zilla Parishads and Panchayat Samithis through out the State;

(b) whether the Collector, West Godavari District asked the Government to transfer the roads maintained by the Agency Civil works to Zilla Parishads and Panchayat Samithis in the District;

(c) What is the action taken by the Government?

Sri N. Ramachandra Reddy:—(a) Yes, Sir.

(b) Yes, Sir.

* 401 (5191) Q.—Sri K. Babu Rao [Put by Sri Vanka Saiyana-raya (Penugonda)]:—Will the hon. Minister Revenue be pleased to state:

(a) whether there is any proposal to transfer the agency civil works to the Zilla Parishads and Panchayat Samithis through out the State;

(b) whether the Collector, West Godavari District asked the Government to transfer the roads maintained by the Agency Civil works to Zilla Parishads and Panchayat Samithis in the District; and

(c) What is the action taken by the Government?

Sri N. Ramachandra Reddy:—(a) Yes, Sir.

(b) Yes, Sir.

1:50 P.M. This question of transfer of agency Civil (Road) Works from the Control of Collectors is under consideration of the Government.

Sri N. Ramachandra Reddy:—I do not know about the details, Sir. But it has been brought to my notice recently that there is some difficulty in executing these works. The proposals have been called from the Collectors and Board of Revenue and we are adjently considering whether all these works could be transferred to Zilla Parishads and Panchayat Samithis. The opinions of the Zilla Parishads are also being sought and some of the Zilla Parishads have already sent their opinions and other Zilla Parishads have not yet sent them. Soon after we receive the opinions from Zilla Parishads that they are prepared to take over, the powers will be transferred to Panchayat Samithis and Zilla Parishads from the Collectors.
Sri N. Ramachandra Reddy:—We are looking into the matter, Sir. There was some legal difficulty. That is why it could not be taken over. But now we are seized of the matter and early action will be taken.

Sri N. Ramachandra Reddy:—When the difficulty is overcome, Sir, certainly action will be taken. Of course the amounts were not spent and soon after difficulty is overcome the work could be taken up.

Sri N. Ramachandra Reddy:—Yes, Sir. We will look into the matter. Myself and the hon. Minister for Panchayati Raj will call for a conference immediately and take necessary action.

PURCHASE OF LANDS OF THE KOYAS AND KONDA REDDIS IN THE AGENCY AREAS OF ANDHRA

229—

* 84 (1815) Q.—Sri K. Babu Rao (Put by Sri Vanka Satyana-rayana) :—Will the hon. Minister for Revenue be pleased to state:

(a) whether there are any rules prohibiting the purchase or taking on lease by others, the lands of the Koya and Konda Reddies (Scheduled tribes) in the agency areas of Andhra State; and

(b) if so, the steps taken by the Government to implement the said rules?

Sri N. Ramachandra Reddy :—(a) Yes, Sir,

(b) No cases of breach, have come to the notice of the Officers,

Sri N. Ramachandra Reddy :—The collectors and the Revenue Divisional Officers are the Agency Officers, Sir, and if this thing is brought to the notice of the R.D.Os. and Collectors, certainly action will be taken and the plains persons who are in possession of lands in the agency areas will be evicted.
Oral Answers to Questions.

29th November, 1965.

Certainly they will take action and see that these encroachers are evicted.

The Collector has sent his proposals and the Board's recommendations to the Government very recently, and action will be taken.

Sri N. Ramachandra Reddy:— I have already answered that question that the proposals have come to the Government and they are under their active consideration. About 15 days back only the proposals came to us sir.

Sri V. Venkateswar Rao (Mylavaram):—From the statement placed on the Table of the House it is found that very few amounts have been spent for the police amelioration. Why are they spending so little amount? In Krishna district they never spent any amount for the amelioration but only for cattle show and sewing machines, etc. Why did it so happen?

Sri Mir Ahmed Ali Khan:—The fund is raised in every district and according to the availability of funds, there is a committee in the district with the Superintendent of Police and certain other officers and they spend according to the availability of funds. The committee decides in the circumstances whether sewing machines for the families of police constables will be more needful or scholarship for the students or medical aid, etc. That is the object of the welfare fund. The Committee decides the nature of help to be rendered.

Sri S Venugupta:—May I know, Sir, whether there is any programme for each district and if so what are these details? In the statement laid on the Table of the House it is found that a few cases in a few districts have been taken up.

Sri Mir Ahmed Ali Khan:—As I said, in every district funds are raised by tattoos, by matches and other sources. According to the availability of funds, money is spent on the advice of the committee, formed in each district.

Sri P. Subbaiah:—The funds outstanding are Rs. 6 lakhs and odd and the funds that have been spent so far do not exceed Rs. 2 lakhs. The funds are there, but they have no plan and therefore they are not spending systematically. They should spend systematically keeping in view the plan and also the requirements which have to be taken up.

Sri Mir Ahmed Ali Khan:—Much of the fund was raised, Sir, last year and this year by the shows of the cinema actors and other entertainments and therefore the sum is shown as greater. It will be spent according to the decisions of the committees.

Sri Mir Ahmed Ali Khan:—In Anantapur district Rs. 12,127 were spent last year i.e. 1963-64, in 1964-65 Rs. 8,717 were spent and balance there is Rs. 3,289. The amount was spent for the education and medical aid, expenditure incurred in connection with the conduct of a drama, amount advanced to the district stadium committee as loan, financial aid to the P.C.s., H.C.s., and to the wives of the deceased police personnel. These are the items for which the amounts were spent there. Large number of sums were spent already. But the detail as to how much of it was given as loan is not with me. But the other amount was spent for specific purposes.

Sri Mir Ahmed Ali Khan:—The amount spent last year is Rs. 4,305, this year Rs. 1,477, the balance is Rs. 3,935. The details, as I said, are not with me, Sir.

Sri V. Srikrishna:—How could it happen that the amount available was Rs. 364 in Nellore district and the money spent in 2 years was Rs. 8,000 and odd? Similar is the case in some other districts.

Sri Mir Ahmed Ali Khan:—That is, the amount collected in 1968-69 was spent. Rs. 7,659 were already spent. Rs. 364 is the balance amount.

Sri Mir Ahmed Ali Khan:—The Anantapur Stadium costs a lot of money. The amount of Rs. 12,000 includes all sorts of facilities given to the police men, medical aid and all those things. It does not mean that with this amount alone the stadium was constructed. As I said, the details are not with me. Perhaps, on account of some exigency, some amount has been spent. I will find out, as to what is the amount exactly out of Rs. 12,000 which was given as loan to the stadium.

1,817 was spent towards medical and educational expenses of Police men and their children. As a matter of fact, even class IV employees have got the benefit of medical and educational facilities as other Government employees. How is it then that this amount is being spent on Police men for that purpose?

Sri Pillai
—Apart from that, there might also have been some medical bills are being paid by the Government or the employees are being reimbursed by the D.M.O. himself in respect of all medical expenses. Where is the need to spend some amount for the same purpose from this fund also?

Sri Pillai
—Medical facilities such as are available to other Government employees extend to the police personnel also. But in some cases where urgent medical necessity might have arisen, the amount from this fund might have been spent. One thing more Sir. Apart from this fund, there is a private society—a non-official society whose President is Mrs. Nambiar and that also collects and spends money for the welfare of the people. That non-official society has spent in 1963-64, about Rs. 14,000 and this year, it has spent about Rs. 75,000. They are also doing this work. Whatever figures I have given are those which are collected and spent on Police personnel by this separate non-official body.

Sri Pillai
—There is a provision that Government itself will spend for the educational and medical requirements of the police people and their dependents. How is it that it is being spent from this fund. This could have been utilised for some other purpose which would be helpful to the police men.

Sri Pillai
—that is only one of the items. There may be several other items—children's education, etc. I will find out whether in future there is any necessity to extend help in this respect also.

MISAPPROPRIATION BY THE EX-PRESIDENT MUNICIPAL TOWN COMMITTEE, NARAYANKHED

239—

1009 (4782-S) Q.—Sarasvati Ramachandra Rao Deshpanda (Narayankhed) and P. Rajagopal Naidu.—Will the hon. Minister for Panchayati Raj be pleased to state:

(a) whether an amount of Rs. 24,000 alleged to have been misappropriated by the ex-President, Municipal Town Committee (now Gram Panchayat) Narayankhed, Medak District for which a FIR had been issued in 1961, has been recovered from him, if so, when;

(b) if not, the reasons for not doing so; and

(c) what is the result of the Criminal proceedings initiated against the ex-President Municipal Town Committee (Now Gram Panchayat), Narayankhed, Medak District in 1961 for the alleged misappropriation of more than Rs. 24,000 of Public funds?

The Minister for Panchayati Raj (Dr. M. N. Laxminarasaiah).—

(a) An amount of Rs. 5,266-62 P is alleged to have been misappropriated or irregularly spent by the ex-President (non-Gram Panchayat), Municipal Town Committee, Narayankhed, Medak District and the Police have registered the case in Cr. No 7/61 of Narayankhed Police station. The said amount has not yet been recovered from the individual.

(b) The case has been under investigation by the Police from 1961 to 1966;

(c) The Police and the Public Prosecutor have now given the opinion that this is a very weak case for launching prosecution.

“'Yes, Sir.

Action has been taken to recover the amount.”

Nature of the action: To recover the money and to take criminal action.”

I am directed to inform you that instructions have already been issued by Government for recovery of the amount which has been misappropriated by the ex-President of the Municipal Town Committee, Narayankhed, Medak District and the Bill Collector and also for prosecuting them for misappropriation of the municipal fund. A report on the action taken is awaited from the Collector, Medak.”

Mr. V. R. Reddy:—Sir, you must come to our rescue. Sir. Rs. 24,000 were paid to the Collector of Medak as cess fees for the whole of the period during which you are misappropriating the money. Only Rs. 5,260 by the President of India were paid. Investigation showed that you misappropriated Rs. 1,457 out of Rs. 5,260. After the police have completed their investigation, the Public Prosecutor was consulted, and both the Police and the Public Prosecutor gave opinion in 1965 that it was a weak case for launching prosecution.

Mr. D. R. M. Ayer:—The District Collector Medak referred the matter to the District Superintendent of Police and for launching prosecution against the defaulter in 1961.

Dr. M. V. Lakshminarasayya:—The District Collector Medak referred the matter to the District Superintendent of Police for a detailed investigation and for launching prosecution against the defaulter in 1961.

(Laughter)
29th November, 1965.

Oral Answers to Questions.

Dr. M. N. Lakshminarasayya:—As I said the matter was under investigation.

Sri Pillalamarri Venkateswarlu:—The Collector wanted him to be prosecuted. But they did not prosecute him. Why?

Dr. M. N. Lakshminarasayya:—It is not correct to say like that. The case was detected in 1961. Immediately, the District Superintendent of Police was asked to take proper action. The case was pending in the police Department. Finally, they came up with this decision that it is a weak case for launching prosecution.

Sri Ramachandran Deshpande:—We are now being told that the amount involved is only Rs. 5 thousands. after about five years. I would just draw the attention of the hon. Minister to the question itself in 1962. The question then put was like this: "Whether any criminal proceedings were taken against the Chairman of Narayankhed Municipal Committee for the alleged misappropriation to the extent of Rs. 24,000", and the answer given by the then Minister was: "the answer is in the affirmative". When once the Minister had said that it was Rs. 24,000 what are the reasons now to say that it was only Rs. 5,000 when particularly F. I. R. was also issued for Rs. 24,000.

Mr. Speaker: The Minister said that after audit it was found out only Rs.5,000 were misappropriated by the ex-Chairman and Rs. 1,000 by the Bill Collector. That was after the audit.
Oral Answers to Questions.

26th November, 1965.

Under sub-section (2) of Section 150 of the Gram Panchayats Act, suit shall be commenced within 3 years from the date on which the cause of action arose. Cause of action arose in 1961. That is why it is more than 3 years.

Dr. M. N. Laxminarasiah:—I have already explained the position. Delay occurred and it is really regrettable. I am sorry for the delay. But everything has been done sincerely.

Sri K. Brahmananda Reddy:—I will go into that matter. Really, I do not know how there can be limitation if it is proved to be a case of criminal misappropriation.

Mr. Speaker:—It amounts to an offence under S. 406 I.P.C., Criminal breach of trust—or under S. 409 I.P.C.

Sri K. Brahmananda Reddy:—From what the Minister read out, if it is a question of recovery of money, it is a different matter; but in any case, both myself and the minister concerned will go through the record and see.

Sri T. K. R. Sarma:—What is the name of the gentleman? What is the reason for this 4 year's time that has been taken up for investigation? If there was any lapse during this investigation, are the Government going to take action against those people who are conniving at this lethargic method of investigation?

Dr. M. N. Lakshminarasiah:—As our Chief Minister has said, we will go through the file once again, Sir.

Sri T. K. R. Sarma:—What is the name of that President?

Dr. M. N. Lakshminarasiah:—Sri Bapturao Deshmukh.

Sri Tenne Thonaseeswaranatham:—There is not much difficulty. He is no longer in Congress now.

Dr. M. N. Lakshminarasiah:—How does the hon. Member know? Has he joined his party?

Dr. M. N. Lakshminarasiah:—3. How about prosecution? Is there going to be reply? Is there going to be enquiry? Is there going to be departmental action?
ENQUIRY AGAINST B D O BHONGIR

240—

*136 (396) Q—Sri A. Ramachandra Reddy:—Will the hon. Minister for Panchayati Raj be pleased to state:

(a) whether any enquiry was conducted against Shri Ramana Reddy, Block Development Officer of Bhongir, Nalgonda District for misappropriation of Samithu Funds;

(b) if so, what is the result of the enquiry;

(c) whether the said Block Development Officer has been suspended from service; if so, from which date; and

(d) whether it is also a fact that the Block Development Officer has been reinstated into service; if so, from when?

Dr. M N. Lakshminarasiah.—(a) Yes, Sir.

(b) The Enquiry Officer’s report is under examination.

(c) Yes Sir, From 14-12-1959.

(d) Yes, Sir. He joined duty as Block Development Officer on 17-4-1965.

Dr. A. Ramachandra Reddy:—The investigation officer’s report is under examination. He has been suspended from service from 14-12-1959. He has been discharged and reappointed to the service on 10-12-1959.

The case of serious allegations has been suspended. He has been reappointed to the service. We have stated. The case has come to a final stage. It will be disposed of shortly.

Mr. Speaker:—It is really a deplorable state of affairs. It is very unfortunate that things take nearly 5 years or 6 years, even for investigation to come to a stage. Very deplorable state of affairs, indeed. What else, you want me to.....It is a fact that he has misappropriated Rs. 70,000. Still he was reinstated. I do not know. It is for the Government......

Sri T. K. R. Sarma:—Before anything could be finalised, that the man should be reinstated is most deplorable.

Mr. Speaker.—If they do not take note of the speech of the House and my observations, then it is left to the Government.
Dr. M. N. Lakshminarasaiah — No, Sir; it is under final stage. It will be disposed of very shortly.

Mr. Speaker.—If it is a fact that the man had misappropriated Rs. 70,000, I am really not able to understand how that man could be reinstated.

Dr. M. N. Lakshminarasaiah.— It is not proved, Sir.

Mr. Speaker.— Investigation for five years?

Sri T. K. R. Sarma.—When he has been kept under suspension for five years now, what they say still is that the investigation is coming to the final stage. Meanwhile, how can he be reinstated?

Mr. Speaker.— That is enough.

GANTYADA PANCHAYAT SAMITHI

241—

49 (49B4) Q.—P. F. Will the hon. Minister for Banerhvat Raj be pleased to state:

(a) whether the Government received any petition against Gantyada Panchayat Samithi in the month of November, 1964;

(b) whether any enquiry was conducted by the Superintending Engineer, Public Works Department, Eluru Division; and

(c) if so, the action taken thereon?

Dr. M. N. Lakshminarasaiah :— (a) Yes, Sir.

(b) The Superintending Engineer, Local Administration, Eluru, enquired into the petitions.

(c) His report with the comments of the District Collector is under examination and further information is called for.

They enquire into the matter according to the usual procedure, and found the allegations are false. The Executive Engineer is reported to have stated that the allegations are false as nobody turned up during enquiry and as such the petition is "a pseudonymous one; इनकारित  हो अत्यवबला! अर्धमात्र वै स श्रीमान् वै स अर्धमात्र सत्यम्।

Mr. Speaker.— The answers for the other questions except to Nos. 248, 249, 250, 489, 444 and the Short Notice Questions will be laid on the Table of the House.

BOOK ON THE LAW OF CO-OPERATIVE SOCIETIES IN ANDHRA PRADESH  

248—

*948 (16.5) Q.—Sri Ramachandra Rao Deshpande.—Will the hon. Minister for Co-operation be pleased to state:

(a) is it a fact that M's Venkatram & Co., Eluru, West Godavari District issued a circular in 1964 announcing that they are publishing a book by name “The Law of Co-operative Societies in Andhra Pradesh 1964” by Sri M Dashrathram Reddy, Advocate, Nellore in English and Telugu and that the Government would supply one Telugu copy of this book free of cost to every Co-operative Society; and

(b) is there any specific budget allotment for the purchase of these books from the book sellers and supply of the same to the societies free of cost if so, how much?

The Minister for Co-operation (Sri T Ramaswamy).—(a)&(b).—The answer is in the negative.

Sri Ramachandraro Deshpande—Is it a fact that Government proceedings Memorandum No. 463 Section 2 dated 5-1-1964 Co-operation was issued wherein it was clearly stated that the Government would directly pay to the publisher the price of that book?

Sri T Ramaswamy.—Messrs. Venkatram &Co. denied the knowledge of the circular and the alleged offer of the book. Sri Dashrathram Reddy stated that he did not know anything about the book or the order of the Government. On verification, it was found that the orders referred to in the circular were baseless and no such orders were issued by Government.

EAST INDIA DISTILLERIES MANURE FACTORY, TADEPPALLI  

249—

(a) whether East India Distilleries Manure Factory at Tadepalli, Guntur taluk declared lay off to the workers at the end of June;

(b) if so, what are the reasons stated by the management for the layoff; and

(c) how many workers were affected by this; and what action has been taken by the Government in this regard?

The Minister for Labour and Transport (Sri R. V. Gour Munda).—

(a) Yes, Sir.
(b) Shortage of raw materials like Sulphur, Phosphates etc.

(c) 208 workers were affected by the lay off.

The shortage of raw material was discussed in a joint meeting held on 8-7-65 and 28-8-65 by the Commissioner of Labour. The lay off ended on 26-7-66.

The Commissioner explained that Lay off 26-7-1966. The information was correct. The lay off ended on 26-7-66. Raw material stock was sufficient to run the factory. Raw material was reserved for the future. The factory continued to run.

The Commissioner also mentioned that Lay off information was correct. Lay off raw material stock was sufficient to run the factory. Raw material was reserved for the future. The factory continued to run.

The Commissioner further stated that Lay off meeting was held and lay off withdrawn. D. A. Scale of pay was increased. Position improves open supply was available. The Commissioner added that Lay off meeting was held and lay off withdrawn. D. A. Scale of pay was increased. Position improves open supply was available.

It is observed that there was heavy rush for acceptance of tenders to the tune of 220 tenders amounting to Rs. 21.13 lakhs during the period from 15-7-1965 to 14-8-1965. Most of these have been out on tender only without offering to samithis in contravention of so and so G. O.
ALLOWANCES TO HOME GUARDS

(a) whether it is a fact that the allowances permitted to be given to the Home Guards are not being given in East and West Godavari, Krishna and Guntur districts; and

(b) if so, the reasons therefor?

Sri Mir Ahmed Ali Khan:—(a) Home Guards in East Godavari, West Godavari, Krishna and Guntur districts are paid parade allowance for nine months (i.e., six months during basic training and three months thereafter for refresher course) except those who absented or resigned themselves. In G.O. Ms. No. 1958, Home (Polce-D) Department, dated 25-9-1965 orders have been issued for the payment of parade allowance for the subsequent period.

(b) Does not arise.

Sri G. C. Venkanna:—May I know whether there are Home Guards at Anantapur, and may I know the functions of the home guards?

Sri Mir Ahmed Ali Khan:—Home Guards are there in all the districts and in Hyderabad city. They are given training and drill and a regular course for six months and a refresher course for three months is given, and vocational help in so many other activities which particularly during emergency and other times is very useful is given.

Sri Teneti Viswanadham:—How much are they given? There was a petition addressed to the minister that it must be increased.

Sri Mir Ahmed Ali Khan:—Formerly, they were being given 60 p., but now it has been raised to Re. 1.

Short Notice Questions and Answers

Mis-Appropriation in Bhimadolu Samithi.

445 C.—

S.N.Q.No. 1780-P. Sri Vanka Satyanarayana:—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) whether it is a fact that an amount of Rs. 80,000 has been misappropriated in Bhimadolu Samithi of West Godavari district;
(b) whether it is also a fact that the concerned clerk has committed suicide; and

(c) the action taken by the Government against the officers responsible therefor?

Dr. M. N. Lakshminarayiah:—(a) The B.D.O., Panchayat Samithi' Bhimadolu, has sent a report to Government in his letter, dated 10-11-1965 intimating that a clerk of the Panchayat Samithi under Extension Officer, Education, has embezzled about Rs. 10,440.

(b) It has been reported that the clerk expired on 9-11-1965 and the exact reasons for the death are not known.

(c) The Block Development Officer has called for the explanation of the Extension Officer, Education, Senior Accountant and Manager. The Government will take further action on the officers responsible after the final report of the B.D.O. is received. On the preliminary report of the B.D.O., the Government have also instructed the Additional Examiner, L.F. Accounts, to conduct a special audit and submit a report to the Government.

Mr. Speaker.—Under what circumstances, did the clerk die, Sir? If there were any suspicious circumstances under which he died, was any enquiry ordered?

Mr. Speaker.—We are not here to go into the cause of the death of that man. If he wants to go into that he must put a question to the Home Minister. The man died next day.

Sri T. K. R. Sharma:—Under what circumstances, did the clerk die?

Mr. Speaker:—It looks as though he committed suicide.
Sri T. K. R. Sharma:— My question was not answered properly, Sir.

Mr. Speaker:— He said, the reasons are not known and the matter is under investigation.

Sri T. K. R. Sharma:— It is not known, he said.

**RIFLE TRAINING.**

445-A. S.N.Q.N. 1779-J. Sri V. Srikrishna:—Wll, I. hon. Minister for Home be pleased to state:

(a) whether the Government have issued instructions to the police officials advising them to exclude members of some of the political parties from the programme of rifle training in the State;

(b) if so, what are the political parties so excluded; and

(c) the reasons therefor?

Sri Mir Ahmed Ali Khan: (a) The answer is in the negative.

(b) and (c) Do not arise in view of the answer to clause (a).

Sri V. Sri Krishna:—This question arose only after I received information from some centres in Guntur district where rifle training is given that some of the members of the political parties are excluded as some instructions have come from the Government. That was the information given by local police officials. Will the hon. Minister please look into the matter and send instructions to the local police authorities that the members of political parties should not be excluded on the basis of their political affiliations?

Sri Mir Ahmed Ali Khan:—As per the information furnished to me, no political party as such had been excluded from rifle training. But about the Guntur matter referred to by Sri Sree Krishna, I shall enquire what happened. If he gives me some details as to who were refused, I shall find out.

Sri Sree Krishna:—It was in Chirale, and some of our members went—

Sri M. Rama Gopal Reddy:—This is a very dangerous statement which the Home Minister is making. He must issue instructions that some of the anti-nationals and parties which do not owe allegiance to this country should be banned to enter this rifle training camps. Is he going to do it or not? I have already given one call attention on this.

**Mr. Speaker:—** Mr. Ramagopal Reddy is issuing a mandate to the concerned Minister. Will he obey that mandate? *(Laughter)*

Sri M. Ramagopal Reddy:—It is a very dangerous precedent, Sir.
Mr. Speaker:—It is a very dangerous precedent to turn mandates to the other side from the Opposition.

M. Rama Gopal Reddy:—But I have given a call attention on this also.

Mr. Speaker: The Minister must do it.

Sri M. Ramagopal Reddy:—No, Sir. This is a thing concerned with the security of our country and he cannot play with the security of the country.

Mr. Speaker:—Let the Minister give the answer.

Sri Mir Ahmad Ali Khan:—For rifle training, the antecedents of the individual is required, but no political party as such is banned so far as rifle training is concerned.

Sri VenkaSathyarayana:—In the name of the Communist party a lawyer Blumraju was prevented from receiving training in Tanuku.

Sri K. Brahmananda Reddy:—He has already said what he has got to say.

Sri Pillalamarri Venkateswarulu:—Are the Government going to rectify the mistake committed by the local officers?

Sri K. Brahmananda Reddy:—There is no mistake. No political party as such is excluded, but it is open to the training authorities to verify the antecedents and decide whether to give training to some people or not.

Sri Pillalamarri Venkateswarulu:—Then, the other members of other parties are also being eliminated.

Mr. Speaker:—Not on that ground. If he has understood the answer of the Chief Minister correctly the antecedents of the people who want to undergo training are ascertained and if they are not found desirable the authorities may not like to give them training—not because a particular party is banned.

Mr Speaker:—That is not correct. That is what the Minister says.

330—7
Mr. Speaker:—In some cases, they don't require any rifle training, because they have themselves undergone rifle training privately. (LAUGHTER) For instance, in Cuddapah District and a number of other districts, they know how to use rifles and shoot people. (LAUGHTER) Why do they want rifle training?

Chief Minister:—Chief Minister's statement is that Antecedents are definitely responsibility of the individual. Unless he is given a rifle, how can he do that? (APPLAUSE) They know how to use rifles and shoot people. Antecedents are definitely responsible for it.

Mr. Speaker:—The Minister has already stated that no separate instructions have been issued to ban any party from receiving rifle training. It is all left to the discretion of the local authorities there.

MEASURES TAKEN BY THE T.T.D. FOR PROPAGATION OF HINDU RELIGION AND PHILOSOPHY

*52 (5029) Q.—Sarvasri T. Balakrishnayya (Saiyavuru) and Ch. Mallikharjuna.—Will the hon. Minister for Law and Prisons be pleased to state:
   What are the measures taken by T.T. Devasthanams, Tirupathi to propagate Hindu Religion and Philosophy out of the money got from Hindu devotees?

A.—A statement is laid on the Table of the House.
The following measures have been taken by the T.T. Devasthanams, Tirupati to propagate Hindu Religion and Philosophy.

(a) A summer school of Hindu religion is conducted every year, where 50 teacher-students are given stipends and a course of lectures from the scholars of all India reputation is arranged on Hindu religion and Philosophy with the object that these teachers will be in a better position to propagate the Srimvasa Mission with the knowledge gained at this school.

(b) Bhajans, Hanukathas and religious discourses are arranged for the benefit of the vast number of pilgrims that congregate in Tirumala.

(c) Regular weekly religious discourses are conducted in the information centres run by the T.T. Devasthanams for the benefit of the local public. Regular Suprabhatham competitions are held in some of the information centres of the T.T. Devasthanams for the young boys and girls to sing the greatness of Lord Venkateswar melodiously. The Board of Trustees, Tirumala Tirupathi Devasthanams has also resolved to open information centres in all the capital cities of India for carrying out religious propaganda.

(d) The T.T. Devasthanams is publishing a Journal on the various aspects of Hindu religion and Philosophy, which contains valuable articles in different languages from scholars of All India Reputation. A nominal subscription of Rs. 8 is being charged, though the cost of its publication is very high.

(e) The T.T. Devasthanams is spending funds for the publication of Books on Hindu Religion and the religious tenets.

(f) A large number of temples, prayer halls, cultural institutions etc., are being given donations for renovation and improvements.

(g) The Board of Trustees, T.T. Devasthanams has also resolved to depute eminent scholars to conduct religious propaganda outside India under the “Srimvasa Mission Scheme”.

Presentation of Two Valuable Diamonds by a Sadhu to Lord Venkateswara

247—

*128 (6555) Q.—Sri P. Shyamsunder Rao (achanta).—Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether it is a fact that a Sadhu presented two valuable diamonds to Lord Venkateswara at Tirupathi; and

(b) the value of those diamonds, and the name of the Sadhu?
Written Answers to Questions. 29th November, 1965.

A.—(a) An unknown South Indian Sadhu offered two very heavy stones to Lord Venkateswara on 16-5-1965. The experts, who examined their genuineness, have opined that they are not any particular kind of "Precious stones", but only some variety of Semi-precious stones. Even in the category of Semi-precious stones, they are not of any superior variety, but only of geological interest without any commercial value.

(b) Does not arise in view of the answer to clause (a).

AMENITIES TO THE PILGRIMS AT TIRUMALAI-TIRUPATHI AND SRISAILAM DEVASTHANAMS.

what are the various amenities provided to the pilgrims at Tirumalai-Tirupathi and Srisailam Devasthanams during 1964 and so far in 1965 ?

A.—A Statement is laid on the Table of the House.

STATEMENT LAID ON THE TABLE.

Vide L.A.Q. [248 *[68 (5142)]]

Amenities provided to the pilgrims at Tirumalai-Tirupathi during the year 1964-65 ;

(1) The duration of Sarva-Dharshanam (Free-Darshan) is increased by a few hours, that is, from 4-30 a.m. to about 9-00 a.m. and from 12-00 Noon or 1-00 p.m. to 9-00 to 10-00 p.m. in the night.

(2) Enquiry offices in different places have been opened at Tirupathi, as well as at Tirumala.

(3) More Canteens are opened in choultries, where food packets are made available at concessional rates.

(4) Ceiling fans are fixed in queue line and drinking water is also supplied in the queue.

(5) In Tirumala Dharshanshala, Electric heaters are fixed, where hot water is supplied free of cost.

(6) All rented cottages have been provided with some furniture and some of them with electric heaters and fans.

(7) A Reception Officer and adequate staff have been appointed to look into providing of accommodation to the pilgrims.

(8) Another Dharshanshala and quite a number of Cottages are under process of construction and are expected to be ready by the end of 1965.
(9) Almost all the pathways leading to temples and theerthsams are provided with scented lamps.

(10) Public flush-out latrines have been constructed.

(11) Car parking facilities have been arranged.

(12) Water-sheds on the pathways are opened.

(13) Regular Kalakshepams, Bhajans, Harikathas and Religious discourses are being conducted.

(14) Temporary pilgrim sheds are erected for special occasions.

In addition to the above, the Tirumala-Tirupathi Devasthanam is taking necessary further steps to provide facilities for the pilgrims during their stay at Tirumala and Tirupathi in all respects like accommodation, transport, sanitation, etc.

The Devasthanam is maintaining Sanitary staff for the purpose of cleaning lavatories, roads etc. During the festivals, the District Health Officer and District Medical Officer attend to the needs of the pilgrims with their staff. The Devasthanam has also placed a hospital building at the disposal of Government to locate a dispensary. At present there is a Government Ayurvedic Hospital to which the Devasthanam also supplies medicines for the benefit of pilgrims.
To control the fluctuation of prices by local dealers, the Devasthanam is running a canteen and co-operative stores to cater to the needs of the pilgrims. Besides, permission is being accorded to run as many hotels as possible during festivals. Feeding for all classes of people has been arranged in private choultries during Sivarathri and Ugadi festivals.

Darsanam and Puja.—Facilities for Darsanam and Puja from 7 a.m. to 12-30 p.m. and 6-00 to 8-00 p.m. for those who can afford to pay and Dharma Darsanam between 12-30 p.m. to 2-00 p.m. and 8-00 to 10-00 p.m. are being arranged. During festivals, queue system is being regulated for easy and comfortable Darsanam to all the pilgrims day and night.

Transport.—The Devasthanam with a fleet of 10 buses is running its services from Srisailam to important towns like Kurnool, Guntur, Ongole, Trupathi, Nandyal and Guntakal for the conveyance of pilgrims. One more bus has also been introduced between Srisailam and Dam-site for the convenience of pilgrims to take baths in Pathalaganga. There are proposals to extend the Devasthanam Bus Services to Anantapur, Cuddapah and Vijayawada to facilitate direct journey for the pilgrims.

CONSTRUCTION OF TANK NEAR VARIKUNTA IN BADVEL TALUK.

(a) Whether it is a fact that investigation is being done regarding the construction of a tank near Varikunta in Badvel Taluk, Cuddapah District since a long time; and

(b) if so, the stage at which the construction work of the said tank stands at present?

A.—(a) and (b) Investigation was done in 1962 and it was decided to drop the scheme on account of the large submergence involved and poor return.

VADDIMADUGU TANK.

*1058 Q: Sri N. Subba Reddy.—Will the hon. Minister for Irrigation and Agriculture be pleased to state...
(a) whether it is a fact that investigation is being made and estimates are being prepared since 15 years for the construction of Vuddimadugu tank near Bhakarapet, Siddavatam taluk, Cuddapah District.

(b) if so, the reasons for this abnormal delay;

(c) whether there is any likelihood of construction of this tank, at least now; and

(d) if so, when?

A—

(a) The scheme has been under investigation since 1957.

(b) The finalisation of the proposals had taken time, as several alternatives had to be considered to work out an acceptable scheme.

(c) and (d) The proposals are under scrutiny in Chief Engineer’s Office and the scheme will be taken up if it is found remunerative.

BURADAKALVA IRRIGATION RESERVOIR SCHEME

PERMISSION FOR LOTTERIES AND RAFFLES

Will the hon. Minister for Home be pleased to state:

(a) whether Government of India have requested the states in 1964 or 1968 to discontinue permission to various lotteries, raffles etc., on the ground that they encourage the spirit of gambling; and

(b) if so, the nature of the reply given by the State Government on the subject?

A:—

(a) The answer is in the affirmative.

(b) The Government of India informed that this Government was of the view that raffles should not normally be encouraged except in the restricted category of cases of such raffles as are intended for serving or promoting the cause of welfare and sport activities and even in such cases, only where Government are satisfied that the organisation and supervision of such raffles are in good and competent hands. It was also mentioned that the spirit of gambling which was likely to be encouraged by private raffles is practically absent in these raffles since the public also would feel that the cause was worthy in everyone of these cases.

Government of India were therefore intimated that the State Government did not find any need or justification for withholding the permission already granted or altogether refuse permission in cases of raffles sponsored for raising funds for welfare and sport activities when the Government have not been in a position to provide the requisite funds from its own resources.
(b) what are the measures proposed by the Government to deal with such companies?

A:—

(a) The answer is in the affirmative.

(b) The question of bringing in a suitable legislation in this regard is under consideration.

POLICE STATION IN WARANGAL CITY.

445—

*1185 Q— Sri Ch. Nagabhushan Rao (Warangal):—Will the hon. Minister for Home be pleased to state:

(a) whether the Home Minister is in receipt of any petition for the establishment of a Police Station in the grain market area or in the Christian colony in Warangal City;

(b) whether it is a fact that the petition has been submitted in view of the daily concurrence of clashes & thefts; and

(c) if so, whether steps will be taken to establish a police Station in that area?

A.—

(a) Yes, Sir.

(b) It is stated in the petition that every day there are thefts and clashes in the area. But this is not borne out by facts and figures as seen from crime particulars.

(c) There is no need for opening a Police Station in the area. The police control room sanctioned at Warangal in May, 1965 adequately serves the needs.

ELEMENTARY SCHOOL TEACHERS.

$45-B.

S.N. Q.—No. 180 O. Sri S. Jagannadham.—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) whether there are any rules for the surrender of Elementary School Teachers now working in the Panchayat Samithis and who were once the servants of Ex. District Boards to the Present Zilla Parishad; and

(b) if so, whether a copy of the rules be placed on the Table of the House?

Dr. M. N. Lakshminarasimha:—(a) No, Sir.

(b) Does not arise.

re: Menace of Chenchu at Sugali-metta and Panyam.

SrI P. Subbaiah — Mr Sne â€” Sir, the Chenchu menace at Panyam and the surrounding villages has become very serious. Very recently some chenchus at Panyam and nearby hills organized themselves into groups and committed rape, theft, etc. They have committed a theft of cutting the crop also under Kallimala reservoir. Nearly 60 acres of land had been cut and carried away by Chenchus. The law and order position at Panyam and the surrounding villages is very fear stricken. The people are very much afraid to go to their fields and the chenchus there are joining them with the names of x, v and z and they will take vengeance if reports are sent against them. That is the situation that is going on at Panyam and the surrounding villages. There was a tussle at Panyam, that is at Sugali-metta where firing took place and one person also died. That is the feature in Giddalur Taluk. Cattle lifting by these chenchus in Giddalur taluk is an usual affair.

The Government instead of taking action under law and order should rehabilitate them. After all the chenchus there will be two to three thousand in Nallamalni Hills. If they are rehabilitated if some co-operatives are started and if their lives are settled in one or two co-operatives, this chenchu menace will subside. Therefore, the Government has to sympathetically view their case. The prime need is that they should be rehabilitated and their lives should be settled urgently.

re: Menace of Chenchus at Sugali-metta and Panyam.

(Smt. Kumulini Devi in the Chair)

Sri Mir Ahmed Ali Khan:—There is 'Chenchu menace' at Sugali-metta near Panyam, Kurnool district. About 40 to 50 Chenchus formed a gang and took to committing thefts and dacoities in Sugali-metta and other nearby areas of Panyam, Kurnool district. Two cases of dacoity in Cr. No. 80/65 and 51/65 were registered at Panyam Police Station.

2. On the night of 10th November 1965 at about midnight, the party of Chenchus about 40 to 50 in number armed with spears entered the Rameswaram Temple at Kalva Bagga. The officials wrongfully confined the watchman, two males and the Pujaar and their women-folk, assaulted them, put them in instant fear of death and forcibly removed jewellery from the person of the women-folk and also broke open an iron safe of the Temple and the HOONDI and stole away gold and silver jewels and cash and provisions including rice, jaggery and fowls.

The Superintendent of Police, Kurnool, Deputy Superintendent of Police, Kurnool, Sub-Inspector and Taluk Circle Inspector immediately proceeded to the scene with an Armed Reserve Party. A case in crime No. 26/65 under sections 147, 148 and 382 I.P.C has been registered in Vorvakal Police Station. The investigation disclosed that the culprits were Chenchus of Panyam and Gudivemula Police Station limits who were concerned in Cr. No. 80/65 and 51/65 of Panyam Police Station. They were absconding. The Superintendent of Police, Deputy Superintendent of Police and the Inspector of Police, Kurnool taluk, the Sub-Inspector of Police, Kurnool taluk, the Sub-Inspector of Police, Vorvakal and the Armed Reserve Party along with some of the victims visited Panyam and Konidedu villages to cause enquiries and fish out information to arrest them. Leaving Konidedu village they returned to Panyam at about 1:30 p.m. on 11th November 1965. After giving instructions to conduct raids and to arrest the Chenchus in these cases, the Superintendent of Police, Kurnool left for Kurnool. At about 8 p.m. on 11th November 1965 while the Deputy Superintendent of Police was sitting in Panyam Travellers Bungalow, one Sugali Subbulu of Panyam Sugali-metta came and informed him that about 30 Chenchus armed with spears, daggers and sticks had entered her house and forcibly taken away three boxes each containing 24 bottles of toddy and had also attempted to molest her, and that she had escaped and came running to inform the Police. Immediately the Deputy Superintendent of Police proceeded to Sugali-metta along with the Inspector of Police, Kurnool taluk, Sub-Inspectors, Kurnool taluk, Vorvakal and Panyam and the Armed Reserve Party and some villagers of Panyam in a Police Van and a jeep. On their reaching the Sugali-metta, about 30 Chenchus who were drinking toddy in the vacant house of Sugali Veeraniki ran towards the north-east side and stood at Kollamakula Vaga Rastha on the northern side of the Trunk Road leading to Panyam. The Police Party went towards them to arrest them as some of the victims of the dacoity case brought from Kalvabugga identified some of the Chenchus as those who had committed dacoity in the temple premises. These Chenchus armed with spears, daggers and sticks threw stones and some of them also rushed...

towards the Police Party with war cries and also towards the villagers who had come to assist the police to arrest the Chenchus. At that time, a warning was given that they should surrender and throw away their dangerous weapons. They continued to advance in a menacing attitude, throwing stones. The Police Party retreated giving time for them to surrender, but they did not do so. At this stage a warning was given to them to disperse, declaring them as unlawful assembly. They still persisted in advancing towards the Police Party and the villagers. At this stage, the Deputy Superintendent of Police ordered two rounds of blank ammunition to be fired over their heads in the air. They were accordingly fired. It was about 8 p.m. Even this did not deter them. On the other hand they continued to advance on the Police Party. One of them rushed towards the Deputy Superintendent of Police with a spear and another towards the Inspector with a stick and the rest towards the remaining members of the Police Party and the villagers with war cries. As the situation became very dangerous and the lives of the villagers and Police Party were in danger, the Deputy Superintendent of Police ordered the Armed Reserve Party to fire with two rounds of all ammunition. Even at this they did not disperse. Then the Deputy Superintendent of Police ordered four more rounds to be fired. One of the assailants fell down and the others ran towards the hillocks. The Police Party chased and arrested three of them with spears, of whom one was found with a gun shot wound. The others escaped into the forest. The assailant who had fallen as a result of firing was found with a stone tightly gripped in his right hand and a long spear nearby. One more spear and a stick were found at the scene and a large number of stones was also found at the scene. A case has been registered in Cr. No. 70/65 of Panyam Police Station of Nandyal Urban Circle under sections 147, 148 and 322 I.P.C. against the Chencnu dacoits on 12th November 1965 and it is being investigated. The Police vehicles were damaged due to stone hits. The Sub-Inspectors, Panyam, the Circle Inspector, Kurnool taluk and two Police Constables and two of the villagers received injuries due to stone hits. The deceased was identified to be one Chenchu Hanumanthu, son of Kd. Swar Hanumanthu of Panyam Police Station limits.

8. The Collector visited the scene on 12th November 1965 night and sent a Radio Message to the Chief Secretary. He directed the Sub-Collector, Nandyal to conduct an enquiry. During the inquest held by the Sub-Collector on 13th November 1965 a dagger, razor blade, cash and some jewels closely resembling those found in Cr. No. 26/65 under section 395, I.P.C. of Kalaburgi Temple dacoity case were recovered from the person of the deceased. Steps are being taken to round up the remaining dacoits from their hideouts. These more Chenchus have since been arrested. Due to quick and immediate action taken by the Police, the morale of the whole people of the area who were being terrorised by these dacoits was restored and there was a feeling of security. The villagers are commending the action of the Police and the dacoits are now committing atrocities in Sugali-metta and Panyam...

6. The Law and Order situation is now under control. Action is afoot to apprehend the absconding Chenchus.

Sri T. K. R. Sarma:—Actually one incident took place some time back in the last month. After that this incident also took place, the incident that was referred to by the hon. Minister and when this incident took place, the police people and the Government moved only after one and half a day. Will the hon. Minister take care to look into all these things and see that why action was taken so lately and why police could not be rushed immediately soon after the incident took place, particularly in view of the fact that there were such incidents that took place in the same area.

re: Payment in O.S. (Hall) rates to the P.W.D. work-charged employees in Telangana.

The Minister for Public Works (Sri T. V. Raghavulu)—In G.O. 74 Finance, dated 23rd January 1958, Government sanctioned the revised scales of pay consequent on the conversion of the scale of pay of non-gazetted services from O.S. into I.G. currency to be made applicable only to the Telangana employees. A copy of the G.O. was communicated by the Chief Engineer (General) to all the Superintending Engineers, Public Works Department in Telangana area. A copy of the G.O. although mailed to Chief Engineer (Highways), was not received in his office. Out of the nine divisions dealing with roads and buildings in the Telangana area, only three divisions, i.e., Warangal, Kurnool, and Khammam which received the G.O. implemented the orders and the remaining divisions did not implement the orders because they had not received the G.O.

2. The Chief Engineer (Roads and Buildings) has since reported that a copy of the G.O. in question was obtained from the office of Chief Engineer (General) and communicated to all the Executive Engineers for implementation. As orders were issued in G.O. Ms. No. 2055, Public Works Department, dated 11th October 1958 fixing revised scales of pay to work-charged establishment with effect from 1st April 1958, the arrears on account of conversion of O.S. scales into I.G. currency payable to the workers for the period from 1954 to 1958 will be reduced. The approximate expenditure will amount to Rs. 8,76,000.

3. In view of the large expenditure involved, the Chief Engineer has come up to Government for issue of necessary instructions in regard to the implementation of the orders in G.O. Ms. No. 74, Finance, dated 23rd January 1958. On the advice of the Finance Department, the Accountant-General has been requested to investigate into the arrear claim in the first instance before payment of arrears is sanctioned. As soon as the Accountant-General's reply is received, necessary orders will be issued in consultation with the Finance Department.

Sri T.V. Raghavulu:—I have nothing to add except to say that it will be pursued.

re: Supply of drinking water to Harijans of Dagadarthy Village, Nellore District.

Dr. M. N. Laksminarayana:—All rural water-supply schemes (drinking water wells) are sanctioned by the Panchayat Samithis in accordance with the priority lists prepared by the Executive Engineer, Zilla Parishad. The Standing Committee of the Panchayat Samithi is competent to sanction individual well works costing up to Rs. 20,000 on technically approved estimates. The Panchayat Samithi is competent to sanction well works costing up to Rs. 50,000. All works costing more than Rs. 50,000 should have prior sanction of Government.

All Rural Water Supply Schemes (Drinking Water Wells) are executed by the Panchayats. Hence position as reported by Sri S. Vemayya M.L.A., regarding the work referred to in the call attention notice: has not brought to the notice of Government so far. Government have since issued instructions to the Block Development Officer, Panchayat Samithi, Buchireddipalem, Nellore district to ensure that the work is completed and that drinking water is provided to the people referred to by Sri S. Vemayya, M.L.A. A report on the completion of the work has been called for from the Block Development Officer, Panchayat Samithi, Buchireddipalem, Nellore district.

The standing committee of the Inter-University Board, which was presided over by Dr. Sir C. Ramanujam Iyer, President, has expressed serious disapproval of the three Andhra Universities being disaffiliated by the Andhra Pradesh Legislative Assembly. The committee has stated that the disaffiliation of the three Andhra Universities is a serious detraction from the University autonomy. If such a provision is made into law, it would almost inevitably render the universities incapable of making any decisions or taking any actions regarding the affairs of the university. The committee has also expressed its concern that the Andhra Pradesh Government has not consulted the universities before taking such a decision. The committee has recommended that the Andhra Pradesh Government should reconsider its decision and consult the universities before taking any further action.

Hindustan Times

"The three Andhra Universities may be disaffiliated. The Inter-University Board will disaffiliate Osmania, Andhra and Venkataeswara Universities if the Andhra Government enacts the Bill, adopted by the State Legislature, amending their constitutions. The Standing Committee of the Board decided—"I would suggest to the Hon'ble Minister to note this."

Dr. M. Chenn Reddy:—I have read Hindustan Times.

Sri Pillalamarri Venkateswarlu:—"The Standing Committee of the Board decided this yesterday. The decision has to be approved by the Board meeting in February in Mysore. In the opinion of the Committee the proposed amendment violates the provisions that only autonomous Universities would be qualified for recognition. Members felt that the State Government move to assume powers to issue directions to the Universities in the academic as well as administrative matters was obnoxious to the autonomy of the institutions. Another provision empowers the State Governor as Chancellor to appoint Vice-Chancellor, to institute judicial enquiries into their conduct and remove them from office."

I would request the hon. Minister to give me a straight reply. It is a very serious matter. It affects the prestige of Andhra Pradesh itself.
Supplementary Estimates of Expenditure for 1965-66,

Regarding the G. C. I. M. students, the President of the Council after a visit to the three hospitals, E. S. I. Hyderabad, the General Hospital, Vijayawada, and the Headquarters Hospital, Guntur, had recommended that the course shall be of two years duration and that 50 students might be admitted in each centre and the course should be continued for five years to enable all the students to benefit from the scheme.

The Minister speaking on the Call Attention motion by. Mr. Pillalamarri Venkateswarlu said that the Medical Council of India had decided in principle to the starting of such course conforming to the Council's regulations. The licentiate course would be available only to those who had begun their integrated diploma course before 1960.

I am directed to inform you that instructions have already been issued by Government for recovery of the amount said to have been misappropriated by the ex-President and the Bill Collector and also for prosecuting them for misappropriation of municipal funds.

“Whether any criminal proceedings were taken against the ex-Chairman, Narayankhed, Medak District, for the alleged criminal misappropriation of municipal funds to the extent of Rs 24,000 or more, although the F.I.R. has been issued in March 1961 to the Govt.”

Supplementary Estimates of Expenditure for 1965-66.

Answer is in the affirmative. What does it mean? Is any action taken to recover the amount? Action has been taken to recover the amount. What I wish to point out is this. Action has been taken to recover the amount.

Orders have been issued to take action basing on the report received regarding all aspects.

Sri G. Latechanna: Nature of action that is being taken may please be informed.

Sri Alapati Venkatramayya: The nature of action is to recover the money and to take criminal action.

What does it mean? What is the nature of the complaint?

Famine to eradicate its effects in Ayodhya, Varanasi. The drought
of 1965, unprecedented in the region, left the area suffering.
The government, under pressure, announced emergency measures.
In Varanasi, the situation was particularly severe. The govern-
ment was forced to implement drastic measures to alleviate the
suffering.

A government official stated, "Our primary focus is to provide
relief to the affected areas. We are working tirelessly to
improve the situation." The government was faced with a
delicate position, as the situation was rapidly deteriorating.

International parties, including the UN, have expressed their
concerns and offered assistance. However, the local situation
remained challenging.

The government has declared a state of emergency in
Ayodhya and Varanasi. The situation is expected to improve
over the next few weeks with the implementation of the
emergency measures.

prove the action taken by the government. This action is described as "essential to thecause". The decision to take this action is based on the evidence presented by the government. The evidence is said to be "in support" of the action.

As a result of this action, a large number of dealers are affected. This action is expected to lead to a decrease in the number of dealers operating in the market. It is expected that this decrease will have a positive impact on the economy.

The government is taking this action to address a problem that has been identified as an issue for some time. It is hoped that this action will address the problem and lead to a more stable market.

Supplementary Estimates of Expenditure for 1965-66.

Corruption has been a major issue in the past, and efforts have been made to address it. However, the problem persists, and measures need to be taken to combat it. The government has introduced a new anti-corruption bill, which aims to strengthen the existing laws. This bill includes provisions for the appointment of a special ombudsman to investigate complaints of corruption.

Development activities have also been a focus of government efforts. The Rural Development Department has allocated funds for the construction of roads, schools, and hospitals in rural areas. These projects are expected to improve the living conditions of the rural population.

N.G.O.s and D.A. societies have been encouraged to participate in development initiatives. The government has provided financial support to these organizations to enable them to carry out their work effectively.

The Medical Department has also been given additional funds to improve health care services. The government has earmarked funds for the establishment of new hospitals and the expansion of existing ones.

The Top Heavy Administration has been criticized for its inefficiency. The government has taken steps to streamline the bureaucracy and reduce the number of levels in the administrative hierarchy. This is expected to improve the delivery of services to the public.

In conclusion, the government has made significant efforts to address corruption and improve development initiatives. However, there is still a need for continued vigilance and effective implementation of policies.

... droughts and other natural calamities such as cattle feeding and fodder bank schemes. In addition, there was a fodder bank scheme that supplied fodder to cattle and sheep. The fodder bank scheme was managed by the Government and provided fodder to the livestock. The Finance Minister, Shri C. S. P. D (Medical Purchase Department), has stated that there must be coordination between two departments to ensure efficient and effective functioning. There must be an integrated approach to all aspects of famine works.

The Maharashtra Government purchased a significant number of units. They were not satisfied with the performance. Cable puncture was normal....
"Madras Government: Professor of Radiology has strongly written to the Committee of Radiologists and the Government to black-list Escorts because of their lack of service facilities and inferior quality of machines."

"Kerala Government: purchase of M.A. unit by the Principal, Medical College, Kottayam and his dissatisfaction is a glaring example of the inferior quality of the equipment and the matter may be referred."

"Madhya Pradesh Government was also dissatisfied with the performance of the Escorts units."

The President of the Council after visiting the three hospitals - at Hyderabad, Vijayawada and Anantapur has recommended that the course shall be of 3 years duration; that 20 students might be admitted in each centre and the course would be continued for 5 years. The Leader of the Opposition has referred to his own decision if we want in three places we can do. What the Leader of the Opposition has referred to has only placed us in a position enabling us to start the college, but now the other consideration is - this non-recurring expenditure appears to be very much and now there is emergency and tight financial position. That has enabled us; that cannot be a decision.

We prevented a disaster, Sir. We prevented a disaster. We prevented a disaster.

For example a Sugar factories

Out of 3,800 full-time permanent workers there are about 1,400 substitute workers. Regular full-time permanent workers and the mill has an installed capacity of 86,184 spindles and 736 looms. Out of this there are about 1,148 substitute workers. What has happened after that situation is: in October in the absence of permanent workers, 680 substitute workers.
in three shifts have been engaged. That means there has been a reduction of about 500—say 450 reduction in substitute workers and not the permanent workers. Whereas in the last 3 weeks of November 429 substitute workers have been engaged. The average short employment of the substitute workers in the month of November has been 161. The average number of substitute workers in the month of November has been 161. The average number of substitute workers engaged in three shifts has been 453.

For example in October 65 the spindles that worked per day were 28,800 and the average number of looms is 708 as against 86,000. The situation is not really bad as to cause that anxiety, but all the same it has been our attempt to see...20—say 25 employees to control the production of 500 spindles. The average short employment of the substitute workers has been 161.

Last week the number of substitute workers engaged, Modern machines improve the efficiency of all workers. The average number of spindles is 38,300 and the average number of looms is 708 as against 36,000. The situation is not really bad as to cause that anxiety, but all the same it has been our attempt to see...20—say 25 employees to control the production of 500 spindles. Here is an opportunity where in the cooperative sector we are able to get some funds over and above the Plan ceiling and that is going to be very handy. In Andhra our rice mills or cooperative societies I should say some of them are doing very good work, as far as these rice mills and land mortgage banks concerned, in some items things may not be as satisfactory as one would like. A direction of the same policy of raising the Plan ceiling in the cooperative sector or private sector.

In writing certain specifications to tenderers. Last year the X-ray machinery tenders last minute. Experts specified certain tenders. Last year we stand by them. If any manufacturing concern is not able to supply in conformity with the specifications laid down then we have every right at any stage to cancel the order. According to the specifications tenders have been called.

I am not here to hold any brief for any manufacturing concern. We stand by the specifications as we want to stand. Industries Department as for co-ordination and other. We stand by the specifications. According to the tenders submitted as such, some are delivered and some are not delivered. House of agreement details finalise immediately, pending finalisation, frame and constitution of tenders. As the temporary accommodation certain artists have been installed.
