THE
ANDHRA PRADESH LEGISLATIVE ASSEMBLY
DEBATES.
OFFICIAL REPORT

Seventh day of the Seventeenth Session of the
Andhra Pradesh Legislative Assembly

ANDHRA PRADESH LEGISLATIVE ASSEMBLY
Monday the 4th July 1966.
The House met at Half Past Eight of the Clock.

[Mr. Speaker in the Chair]

BUSINESS OF THE HOUSE

Mr. Speaker:—The press people are responsible—not our office or myself, nor the Deputy Speaker nor anybody. I don't know how they got the information.

Mr. Speaker:—So far as I am concerned, I can assure that I have not given any information to the press people.

Mr. Speaker:—That we don't know. The hon Member may raise the issue later on we will consider about it and find out from which source they have got the information.
He could have adjusted the business accordingly. Because they are all powerful they can do it, but as far as we are concerned we feel that we have to make a strong protest against the way in which the Chief Minister is running this House. Why the Chief Minister has not come and requested the House?
Business of the House
4th July, 1966

...
Mr Speaker—I don't like to use my power arbitrarily. I would like to convince the members and then use my power.

Mr Speaker—Yes, Yes, it will never be a precedent. Don't take it as a precedent, it is only under unavoidable circumstances. Whenever it becomes inevitable then only we do it.

Mr Speaker The plane will be coming at 8-30, some of the hon Members want to go, let us not take more time.

Mr Speaker It is only for the convenience of the members. According to the original programme the Prime Minister was expected here at 9-30 a.m., they have changed the programme and she is coming.

at 8.50 a.m. It is not as though they wantonly did it. Why does the hon. Member presume like that? I must understand that they have got a very high regard for all the Opposition parties here. Nobody is doing intentionally. The hon. Member may take my assurance from him. I now adjourn the House till 3.00 p.m. to-day.

(The House then adjourned till Three of the Clock)

(The House reassembled at Three of the Clock)

(Mr. Speaker in the Chair)

BUSINESS OF THE HOUSE

Mr Speaker, At last the hon. Chief Minister can understand the anxiety of the House.

(The Chief Minister (Sr. K. V. Brahmananda Reddy))—I have spoken to the Prime Minister, Sir. I told him about the resolutions in the House and the anxiety of the people in this regard.

Sri K. V. Brahmananda Reddy—W must always live in hope.

Fourth Plan Allocation for A.P

122—

Sri Md. Ismail [Put by Sri T. Nag' Reddy]:— Will the Hon. the Chief Minister be pleased to state—

(a) whether the Fourth Plan allocation for Andhra Pradesh has been finalised by the Central Government; and

(b) if so, what is the actual ceiling fixed for the same?

Sri K. Brahmamanda Reddy—(a) No, Sir.

(b) Does not arise.

Accordingly discussions were held between the Deputy Chairman of the Planning Commission and the Chief Minister in June 1965.

Foreign as far as the liability was concerned, actually Sir when the NDC met to discuss this matter, the aggression on India took place. Probably it was the very day on which our forces were asked to go towards Laos.
Oral Answers to Questions

1968–69

July 4th, 1968

The Prime Minister said that the national plan was not settled and that the Fourth Plan could not be finalised, so easily. May I take it the first year of the Fourth Plan will go without finalising the Fourth Plan in which case the Fourth Plan will be delayed by one year and the Fourth plan will start actually from 1967–68 period?  

Sri T. Nagi Reddy:—May I take it that our plan has come to such doldrums that the Prime Minister or the State Chief Minister is not able to say whether this plan is going to start in 1967–68. We are not sure whether we are already in the first year of the Fourth Plan.  

Sri K. Brahmananda Reddy —No doldrums business, Sir. The Plan is started. Though the entire plan is not settled, still the 1st year of the Fourth Plan is considered as the 1st year. Any way I can't tell definitely.  

You asked me the developments in development. We have done 700 scrip, devaluation as low as 1500 scrip, stock kept in hand. These developments in the Fourth Five Year Plan.  

Mr. B. Venkata Reddy:—It is not merely the money that should be taken into consideration but the physical targets that should be achieved by the end of the Fourth Five Year Plan. Even recently the Prime Minister in several of her speeches...
was saying that the Fourth Plan might be for Rs. 28,000 or 24,000 crores. Whatever it be what we should achieve in physical terms in the Fourth Five Year Plan should be one of the important criteria.

Sri T. Nagi Reddy:— No, Sir.
Sri K. Brahma Reddy:— That will be done, Sir.

Generally continuation of several old schemes.

We can't finalise unless the national plan is finalised. The State plan cannot be finalised, so easily. May I take it the first year of the Fourth Plan will go without finalising the Fourth Plan in which case the Fourth Plan will be delayed by one year and the Fourth plan will start actually from 1967-68 period?

Sri T. Nagi Reddy: May I take it then that our plan has come to such doldrums that the Prime Minister or the State Chief Minister is not able to say whether this plan is going to start in 1967-68? We are not sure whether we are already in the first year of the Fourth Plan.

Sri K. Brahmananda Reddy: No doldrums business, Sir. The Plan is started. Though the entire plan is not settled, still the indications of the first year of the Fourth Plan are definite. Any way I can't tell definitely.

This should be considered as the first year of the Fourth Plan and the allocations made for this year either to this State or to the other States cannot be as big as they should have otherwise been in the first year of the Fourth Five Year Plan.
was saying that the Fourth Plan might be for Rs. 28,000 or 24,000 crores. Whatever it be what we should achieve in physical terms in the Fourth Five Year Plan should be one of the important criteria.

Sri K. Brahmananda Reddy:— That will be done, Sir.

Sri T. Nagi Reddy:— No, Sir.

G. Geetha:— Continuation of several old schemes.

Oral Answers to Questions.

1. Mr. Ramaswamy:—The estimate of the Sixth Year of the Fourth Plan, in my view, cannot be taken as the sixth year of the Third Plan or the first year of the Fourth Plan.

2. Mr. K. N. Guha:—I never said holiday.

3. Mr. S. C. Mehta:—I never said holiday.

4. Mr. Shastri:—I never said holiday.

There is certain amount of peace established. Of course there is every likelihood, Sir, of a fairly good foreign assistance from other countries. I cannot say this much and that much from this country or from that country. But the available information that we have seen from the newspapers is—it is a hopeful sign.

Sri T. Nagi Reddy—My point was can we forecast it within a month since all these things have happened?

Sri K Brahmanna Reddy—I cannot say one month, Sir, but it will be finalised as soon as possible.

What is it that he wants m?

Oral Answers to Questions.

Why is he insisting on that point? First year of the Fourth Plan will be a real part of the Fourth Five Year Plan. It is very difficult, Sir. We are expecting that the Second year of the Fourth Five Year Plan will be a real part of the Fourth Five Year Plan.

Sir Pillalamarri Venkateswarlu—I presume that 1st should be the beginning of the Fourth Five Year Plan.

ALLOTMENT OF LARGER FUNDS FOR POWER PROJECTS

*268 (665) Q.—Sarera A. Vasudeva Rao (Huzurnagar) and K. Rajamalli (Chinnur): Will hon’ble Chief Minister be pleased to state: Whether any representation was made by the State Government to the Deputy Chairman of the Planning Commission during his recent visit to the State for allotting larger funds to the State’s Power Projects, in view of the power shortage in the State?

Sri K. Brahmamanda Reddy,—In the draft Fourth Five Year Plan prepared by this State, the provision made for power sector is Rs 200 00 crores (excluding Rs 36 00 crores provided for Srisailam). During the visit of the Deputy Chairman, Planning Commission to this State in July 1965, this Government urged upon him that these provisions should be allowed by the Planning Commission as they are not susceptible of any reduction.

No. 19. Finalise.—The State plan finalise may be.

No. 20. Power plan.—Power plan finalise may be.

Written Answers to Questions. 4th July, 1966.

Sri K. Brahmananda Reddy: 230 crores at the price structure when we estimated.

Sri T. Nagi Reddy. That is why I said; since the prices are going to rise more so with the power project and since we have not yet completed the third plan targets yet, my fear is that the completion of the Third Plan target also in the extended price structure along with the Fourth Plan Project, we will be under a very great difficulty. My fear is we will not be even completing—why complete, even in the midway between the Fourth Plan targets. What steps are we thinking of taking to overcome this difficulty?

Sri K Brahmananda Reddy. Our exercise will be, Sir, at that price structure our needs were estimated. As I have said already and I may repeat again, supposing the State Government has put about 500 crores in the Fourth Plan, if the State Government were to say 'no', 400 crores, I will put only on Power, they would not agree Sir. It has to fit into the national texture of the entire planning.

230 crores at the price structure when we estimated
230 crores as the Fourth Plan Project.

National plan 750 crore + 230 crore = 980 crore
24000 crore + 8000 crore = 32000 crore

Low generation special case makeout figure 230 crore.

Though it is slightly disproportionate to our plan, Sir, we are insisting that this figure should not be disturbed because it is a necessity. Without this, no scheme gets fulfilled and there will be no advantages overflowing.

ANNUAL ACCOUNTS OF ANDHRA PRADESH STATE ELECTRICITY BOARD

125—

262 (662) Q.—Sarvendra A. Vasudeva Rao, K. Rajamallu, A. Sarveswara Rao and V. Satyanarayana—Will hon. the Chief Minister be pleased to state:

(a) whether it is a fact that the Andhra Pradesh State Electricity Board has not yet prepared its annual accounts from the formation of the Board, i.e., 1st April, 1959 and laid the same together with the Audit report on the Table of the House, and

(b) if so, what are the reasons therefor?

Sri K. Brahmananda Reddy—(a) & (b) The answer is placed on the Table of the House.

PAPER PLACED ON THE TABLE OF THE HOUSE.

Vide Answer to L.A Q No. 125 [*262 (662)]

(a) Yes Sir

(b) The Andhra Pradesh State Electricity Board could not finalise its annual accounts etc, from 1959 onwards on account of certain difficulties experienced with regard to:

(1) forms in which the Board has to keep its accounts.

(2) certification of the balance sheets of Government Electricity Department upto 31-3-1959.

(3) Declaration of loan for the assets transferred to Board at various stages.

(4) Transfer of balances relating to deposits, remittances, funds, etc., in respect of the assets and affairs transferred to Board at each stage.

(5) Segregation of the value of the loan declared among the various asset classifications prescribed under each item of “suspenses” etc.

Recently (on 24-6-1966) a conference has been convened by the Government of India to consider the difficulties experienced by the State Electricity Boards with regard to submission of audited accounts. The representatives of several Boards have expressed the various types of difficulties in this regard. After hearing their representations, the Government of India have requested the Comptroller and Auditor-General of India to devise ways and means of expediting the audited accounts duly certified. The Government of India have
also drawn up a schedule for submission of accounts by various Electricity Boards and getting the accounts audited and certified by the Accountant General. According to this schedule, the accounts of the APSE Board for the years commencing from 1960-61 to 1964-65 have to be prepared and submitted to the Accountant General before the end of July 1966 on receipt of the certified accounts from the Accountant General for the year 1960-61. The accounts for the year 1965-66 are to be submitted to Accountant General by the 15th August 1966. The Chief Controller of Accounts, Andhra Pradesh State Electricity Board has reported that steps are being taken to adhere to this programme for submission of accounts and getting the accounts audited and certified by the Accountant General.

We are informed Sir, in the next two months, the annual accounts up to 1965-66 would have been prepared by the Andhra Pradesh Electricity Board.

Disparity in the Scales of Telangana and Andhra Employees

126—

*146 (8315) Q—Saravari A. Sarveswara Rao and V. Satyanarayana—Will the honourable Minister for Finance be pleased to state:
Written Answers to Questions.

whether there is any disparity in the pay scales between Andhra and Telangana employees working in the offices other than the Secretariat and Directorates;

(b) if so, whether this disparity was brought to the notice of the two-man Committee; and

(c) if it exists even today, why it is so?

The Minister for Finance (Dr. M. Chenna Reddy)—(a) No, Sir.
There is no disparity in the pay scales between the Andhra and Telangana employees who are governed by the New Pay scales, evolved in 1958 and 1961. The pay scales which were inherited by Andhra Pradesh State from the Madras and Andhra States on one hand and the erstwhile Hyderabad State on the other were however, different. This could not be helped for obvious reasons.

(b) Yes, Sir

(c) These cases could not be settled by the Two Man Committee either because the Committee was not convinced of the alleged anomalies or because they were not submitted to the Committee in time.

RESOLUTIONS PASSED BY THE DISTRICT PENSIONERS ASSOCIATION, NELLORE

127—

(S. 282 (8087) Q—Sri G. C. Kondasu (Nellore)—Will the hon. Minister for Finance be pleased to state:

(a) whether the Chief Minister is in receipt of the resolutions passed by the District Pensioners Association, Nellore in their General Body Meeting on 2-2-1966;

(b) whether they have demanded any enhancement of their pension scales, if so, how much; and

(c) the action taken by the Government on the representation?

Dr. M. Chenna Reddy—A copy of the resolution passed at the General Body Meeting of the Association on 2-2-1966 has been received by Government.

(b) Yes.

(1) to enhance the pension by an amount which could have been admissible to them consequent on the merger of a portion of the Dearness Allowance with pay scales retrospectively,

(2) to restore full pension to pensioners who commuted a part of their pension or to whom gratuity allowance had been paid as a charge against full pension due to them on repayment of commutation or gratuity value by continued out in full pension,

(3) to fix the minimum pension at Rs. 30;

(4) to enhance the present allowance of Rs. 18 to Rs. 20 to all pensioners including those drawing pension of over Rs. 100 and below Rs. 200.
(c) After examining the demands regarding the enhancement of pension, suitable replay has been given to the Pensioners' Association, Nellore, (copy of the reply given is placed on the Table of the House).

Sir,

Sub—Civil Pensioners—Grievances—Redress—Requested

Ref:—Your representation with a copy of resolutions passed in the General Body Meeting of the Association held on 2-2-1966

I am directed to inform you as follows on the demands made in the Resolution referred to above —

**Demand 1:** To enhance the pension by an amount which could have been admissible to them consequent on the merger of Dearness Allowance with pay scales retrospectively

The employees who retired before 1-11-1962 without the benefit of counting Dearness Allowance towards pension and drawing pension upto Rs 100 p.m. with marginal adjustments upto Rs 113 have been allowed Temporary Increase at higher rate of Rs 18 p.m. Whereas, in the case of those who retired after 1-4-1964, the rate of Temporary Increase allowed is only Rs 8 p.m. In view of this and in view of the position that it is not possible to re-open all the pension cases that had been settled before 1-11-1961, the request of the Association cannot be complied with.

**Demand 2:**

(a) To restore full pension to pensioners who committed their service after repayment of commutation or gratuity value;

This proposal is under examination of Government.

(b) To fix the minimum pension at Rs 30 p.m.;

As it involves huge additional commitment and Government cannot afford to undertake an expenditure due to extraordinary financial position of the State, the request of the Association cannot be complied with.
(c) To enhance the present allowance of Rs. 13 to Rs. 20 to all pensioners including those drawing pension over Rs. 100 and below Rs. 200.

A proposal to sanction increase in the rates of Temporary increase (Dearness Allowance) is under Examination of Government.

(d), (e), (f), (g) and (h) — Extracts of resolutions have been communicated to the Governed Department of Secretariat for their consideration.

(i) To appoint a Pension Commission to go into the horrid plight of most of the pensioners and make recommendations to the Government for improving their lot —

As no such Commission has been appointed either by the Government of India or other State Governments and the Government have liberalised pension rules to a great extent and also sanctioned as Temporary increase to low paid pensioners, it is not considered necessary to appoint a Pension Commission by this State Government.

Mr. Speaker, — On what date do they come into force.

Dr. M. V. Reddy — It is Temporary increase from the date of announcement.

The Temporary announcement states, 10 on 31st March, 18 on 1st April and so on.

Mr. M. Venkataiah — The increase is under the

The delay in implementing the projects are reported to be mainly due to delay in the issue of import licences and delay in approving the foreign currency terms by Government of India.

Statement on the Budget 1966-67

The Budget for the year 1966-67 is being presented at a time when the country is facing severe import difficulties. The import difficulties have been aggravated by the recent advent of the Arab-Israeli war. The immediate measures have been taken to increase the production of essential commodities and to reduce the import of non-essential items. The Government is taking all possible steps to expedite the production of essential commodities.

Sir, these are subsequent. Therefore, as they are things several obstacles will come.

Dr. M. Chenna Reddy; (a), (b) and (c) The matter is still under consideration of Government.

(...) whether the Andhra Pradesh Mining Corporation Ltd., has paid 50 Nps extra per ton to the contractor of non-one in contravention of the agreement entered into,

(b) if so, the persons who are responsible for this, and

(c) whether the said amount would be recovered from the persons concerned?
Mr. Speaker: I am not able to understand. It looks as though extra payment was made to the contractors. As a result of the extra payment, what is the loss which has been caused to the Government?

Dr. M. Chenna Reddy. The Estimates Committee has made in its examination and observation that while calling for tenders, the provision of paying some vantage was not there—actually in the tenders, notice it was really not there. But a draft contract was kept in the office, as was claimed by the then Managing Director. In that draft contract it was stated but when the Estimates Committee called for that paper, it was not presented to them. Therefore, the Estimates Committee was very right in raising this objection. But subsequently when this came to our notice it was seen that the Managing Director was able to trace out that paper and that paper was subsequently presented to the Estimates Committee on the last day when the report was being finalised. Now the specific question the hon. Member has raised is what is the amount involved in it. It is Rs. 1,07,000. Why the paper was misplaced, why it was presented late, why the original amount of 20 np as mentioned by the Leader of the Opposition has been increased to 50 np, these are points on which the concerned officer has been asked to explain and the Chief Secretary is examining it and the file is under circulation.

I raise a point of order of beholding the Estimates Committee and its members by inviting and discussing with them.

Dr. M. Chenna Reddy, I hope, Sir, you remember this point was brought to your notice and with your permission only informal discussion was proposed. The hon. Member raised even at that time, this kind of objection. Technically, he is correct. But I would correct myself and I say that the discussion was proposed not with important Members but with a few representatives who happened to be Members and who had certain knowledge about these details. I thought I would discuss with them.

Mr. Speaker: Is it the objection of Mr. Gopalakrushnayya, that he is disclosing some of the discussions that took place in the Estimates Committee?
I corrected immediately and stated "a few people whom I thought were in the know of the details of this particular case" I thought would take their advice in this matter.

Mr. Varadachar: He mentioned representatives of the Estimates Committee. I want to raise an objection. When he says representatives of the Estimates Committee, who is the representative? It is our report Estimates Committee is the representative of the Assembly and there is no question of representative.

Mr. Speaker: He did not mean in the way in which the hon. Member is saying.

Mr. Speaker: Whatever it may be.

Mr. Speaker: The hon. Member is not amenable to any influence. Members of their own party will be amenable to their influence, but members of the Opposition Parties will not be amenable to any of the influences. Is it not so? That difficulty is always there.

Mr. Speaker: This is some kind of irregularity. Extrapyament, rem. ha b' re 1.

Mr. Speaker: The rest of the extrapyament, Government lost to the tune of Rs. 1,611 and odd.

Mr. Speaker: Now, necessary action being taken against a person who is responsible and explanation has been called for.
Oral Answers to Questions. 8th July, 1936.

Written Answers to Questions.

4th July, 1936.

Mr. M. J. Esomem:

On the Estimates Committee.

The responsibility for the Estimates Committee rests on the public representatives of the various departments. It is not the responsibility of the individual member to represent the department to which he belongs. Therefore, it is not advisable to publish the estimates until the department has had an opportunity to discuss the matter with the public. In this case, the Estimates Committee should be consulted first, before the estimates are published. The estimates should be published in a report endorsed by the committee.

Mr. W. J. R. McNeil:

The responsibility of the committee is to endorse the estimates. The responsibility of the public representatives is to represent the department.

Mr. J. E. Clark:

The responsibility of the committee is to endorse the estimates. The responsibility of the individual members is to represent the department. It is not advisable to publish the estimates until the department has had an opportunity to discuss the matter with the public. The estimates should be published in a report endorsed by the committee.
Mr. Speaker — Yes, at that time, he was the Chairman of that Committee.

Sr. T. N. Naicker — On a point of order, Sr., Estimates Committee Chairman is a separate Committee. Does not the Chairman of that Committee also prepare the Estimates Committee Report? Therefore, was it not a matter for the Estimates Committee to prepare that Report? Mr. Speaker — Yes, at that time, he was the Chairman of that Committee.

Estimates Committee Chairman was a separate Committee. Does not the Chairman of that Committee also prepare the Estimates Committee Report? Therefore, was it not a matter for the Estimates Committee to prepare that Report?
Dr T V S Chalapati Rao (Vijayawada-South) :—On a point of Order Sir: May I be permitted to bring to your kind notice that formerly you ruled:—

Mr Speaker :—The hon. Member is the present Chairman of the Estimates Committees?

Dr T V S Chalapati Rao :—Yes, Sir.

Mr Speaker : The hon Member is going to throw some light....

Dr T V S Chalapati Rao :—I have nothing to do with that Sir: You ruled once on a point of order raised by Sri Vavilala Gopala krishnayya that the proceedings of the Estimates Committee cannot be revealed to the House and I pleaded it was not so under the rule, but you ruled it like that then. Now Sri Viswanatham said that not only the Chairman of the Estimates Committee initiated but has also written something Is it not against the ruling already given by the hon. Speaker?

Mr Speaker :—Is the hon. Member is raising a point of order on the point of order raised by Sri Gopalakrishnayya?

Dr T V S Chalapati Rao :—I am only just bringing to your notice the ruling given by the Chair on a point of order raised by Sri Vavilala Gopala Krishnayya during the previous session. Now the observations or the revelations of Sri Viswanatham are going to be contrary to the ruling given by the hon. Speaker.

Mr Speaker : In the light of the explanation given by Mr Ragha-havuluru it looks as though no irregularity was committed.
Sri Tennei Viswanatham: No irregularity was committed, so far as the Estimates Committee was concerned, but...

Mr. Speaker. Yes.

Sri Tennei Viswanatham: But the whole point of order raised then and hereafter also, would be that Dr Channa Reddy thought of inviting some members to a meeting.

Mr. Speaker.—He was trying to get at them unofficially.

Sri Tennei Viswanatham: Because, at that time, just the same thing also happened in the Lok Sabha and the Minister who tried to say was called to order.

Mr. Speaker.—Dr Chenna Reddy might have tried to come into contact with some of the members of the Estimates Committee just for the purpose of clarification on certain things. But does it mean that he cannot speak to any of the members of the Estimates Committee?

Sri Tennei Viswanatham: It is not like that.

Mr. Speaker: I do not know

Sri Tennei Viswanatham: I am sorry, Sir.

Dr. M. Chenna Reddy: Only for clarification, nothing beyond that. No question of suggesting to them—leave alone, forcing them to change the report. I am certainly not at all interested in either changing the report or the character of the report.

Estimates Committee Members do not have the right to change estimates. They may make suggestions. If he had called them as Members of the Assembly, that is a different matter.

Mr. Speaker. Estimates Committee or any other Committee are all statutory committees. They are convened by the Chairmen at the Headquarters. If outside the Headquarters, they want to convene the meeting, they take my permission. Ministers or Government have nothing to do with the functioning of the Committees.

Estimates Committee Members do not have the right to change estimates. They may make suggestions.

Some of the ceased to Members of the Estimates Committee; yet they invited. As Members of the Assembly or those who know something of the affairs, we might have been invited, not as Members of the Estimates Committee. As Members of the Estimates Committee, we did not take part, or we refused to take part.

Mr Speaker: What the Finance Minister discussed with the members, we do not know the details of the discussion. It is not as though the Finance Minister was trying to influence the members of the Committee to go against the decisions of the Estimates Committee.

Mr Speaker: The hon. Member is making very serious allegations against the Finance Minister.

Dr M. Channa Reddy: No, Sir, also against the Members whom I had invited. They are not subject to influence. The only thing is, as the leader of the Opposition has rightly clarified, I wanted some information because things were not clear. I only wanted their help to understand things.

Mr Speaker: Question-Hour is over. Answers for other questions will be placed on the Table of the House.

Mr Speaker: What is the point of order? Before the hon. Member raises a point of order, let me know the facts: What exactly are the allegations that he is making against the Minister?

Sri Vanlala Gopalakrishnagya: The allegation is that when there is an Estimates Committee which is supreme, he cannot call the members separately.

What he stated is "I had invited...".

Mr Speaker: Please try to explain certain things which I am not able to understand. Did the Finance Minister, without the knowledge of the Chairman of the Estimates Committee, try to convene a meeting of the Estimates Committee—officially or unofficially?

if you ask me to give the history:—

Mr Speaker: I am not concerned with the question whether he met some Members of the Estimates Committee and if so in what connection. I am only interested in knowing whether the Finance Minister, without the knowledge of the Chairman of the Estimates Committee, convened or tried to convene a meeting of the Estimates Committee against the rules, in which case there will be a point of order.

Sri Vanlala Gopalakrishnagya: It is there.

Mr Speaker: It is not a point of order, it is a breach of privilege of the House or the Estimates Committee.
Mr. Speaker: If that is the case give notice. We will find out what the Finance Minister has done.

Mr. Speaker: If it is an unofficial meeting, if some discussion took place, who convened that unofficial meeting against the rules? I will certainly take action against that member or Minister who convened the meeting against the rules.

Mr. Speaker: If he is aware of certain matters...

Sri Vuvitala Gopalakrishnayya: My submission is, the whole House is aware.

Mr. Speaker: Do not act on the statement made by the Minister. If the hon. Member think that he is in possession of certain information which constitutes a breach of privilege or contempt of the House put it in writing and give me notice.

Mr. Speaker: The question is whether the Minister or anybody else has met and convened the meeting. That is the point from which point of order arose.

Mr. Speaker: He says, unofficially I consulted a few friends...

Mr. Speaker: ... and not that he convened a meeting.

Sri Vuvitala Gopalakrishnayya: Why has it come? They are Members. He would have said 'I met Ramgopal Reddy or some one else.' He has mentioned because he wanted to influence the Estimates Committee. That is why he was saying that he convened...

Mr. Speaker: Mr. Gopalakrishnayya, I will furnish the hon. Member with a copy of the proceedings and the statement made by the Finance Minister. If he is not still satisfied, I will even allow him to go and verify from the tape recorder.

I happened to be a member of that Committee at that time. I know what letter had come. I cannot say here. That is the privilege...
Mr. Speaker — If the hon. Member thinks, not inside but outside the House, the Finance Minister or anybody has committed an irregularity which is against the rules or which constitutes a breach of privilege or a contempt of the House, he is at liberty to bring it to my notice. That is one thing. The second thing is if what he has stated on the floor of the House, even if that constitutes a breach of privilege or if it provides some information for him to give notice to me, he is at liberty to do so. Before he does that, let him take a copy of the proceedings and then act on that.

Mr. Speaker — That is all right. There is as short notice question to be answered by the Minister for Municipal Administration.

The Minister for Municipal Administration (Sri N. Chenchu Rama Naidu). — I have asked for extension of time.

Mr. Speaker. — It will be taken up on the 8th.

BOOKS FOR POPULARISING TELUGU IN THE NON-TELU GU STATES

135 —

*510 (2304) Q — Sarvasri T Ranga Reddy and Bh. Nagabhushan Rao Will the hon. Minister for Cultural Affairs be pleased to state:

(a) we are not the Government are aware of the fact that a person from Madras State published a book with 200 words for getting working knowledge in Tamil for the benefit of the Northern Indian States,

(b) if so, whether the Government consider to publish a similar book in Telugu on its own accord or render financial help to any private individual to publish such book in Telugu for p.e.p. gaining and popularising the same among the non-Telugu States; and

(c) if not, the reasons therefor?

A — (a) No, Sir

(b) and (c) However, the Andhra Sarawathya Pandit brought out three separate Telugu Instructions for Hindi, Urdu and English speaking adults. As such, the question of giving financial help to any private individual does not arise.

HOSPITAL ADVISORY COMMITTEES

136 —

*251 (1964) Q — Sarvasri A Sarjenttra Rao and V Sivamangala Will the hon. Minister for Health and Medical be pleased to state:

(a) whether the Hospital Advisory Committees in the State were reorganised and vested with powers to function more effectively to check the malpractices that crept into the institutions, i.e.,

(b) if not, when it will be taken up ?

A: — (a) and (b) The question of framing revised rules for the constitution of Advisory Committees for Government Medical Institutions is under consideration of the Government and these rules will be finalised shortly. Even when the rules are finalised, the Advisory Committees are set up, it will not be one of their functions to either go into or check malpractices. It is purely an administrative function which will have to be discharged by the Departmental Officer. The Committees as they are already constituted, are only advisory to the Local Board with limited functions. It is always open to any member of the Committee to bring the fact of malpractice to the notice of the competent authority who will take necessary action.

An amendment, dated 28-7-1965 —

"If the probation of the Officer is to be extended for a period of more than one year it has to be done in relaxation of the general rule 26 and in such a case the explanation does not serve any purpose; while general rule 47 provides that the power of the Governor to deal with the case of any person in a just and equitable manner is not limited or abiding by any rules made under the proviso to Article 80 of the Constitution, the explanation under general rule 26 is intended to limit the powers of relaxation in rule 47, under the circumstances it has been decided to delete the explanation under rule 26.

That cannot be circumscribed because of Act. 80 of the Constitution.

Mr Deputy Speaker. He has already told him that he has got the right to terminate the service.

Sri Pillalamarr Venkateswarlu. He has got right to terminate the service and he has got a right to extend the period of probation.

Del. y in the payment of old-age pensions.

Mr. Speaker, Sir, it is reported that there are 810 cases in Kurnool district out of which 98 are in Yerragondapalli Panchayat Samithi and 92 in Markapur Panchayat Samithi which were sanctioned in 1965-66 but no payments could be made for want of funds. The commitments on account of old-age pensions had to be limited to the cases where payments have commenced. In the meanwhile Government received information that this scheme is extensively misused as a matter of patronage and a lot of impersonation is going on. Thus Government, has reason to believe that the deserving are not getting the assistance. Hence it felt a duty to check whether necessary steps have been taken in the case of old-age pensioners. It is not a single payment made. They decided that such cases may be re-enquired into by the Tahsildars, B.D.Os and submit their reports to the authorities competent to sanction the same for fresh sanction again after thorough scrutiny. Therefore the cases referred to by the Hon. Member can be paid as old-age pension only after they are re-enquired into and sanctioned afresh as per the Government's direction.

Mr. Deputy Speaker – If I am not wrong the same question was answered in the same way previously also.

Calling attention to a matter of urgent public importance, 4th July, 1966.

Re: Necessity to start city bus-routes in Vijayawada and other suburbs.

The Minister for Labour and Transport (Sri B V. Guvamurthy) —

Government are aware that there was a pressing need to put additional buses on town services of Vijayawada as there was an increase in the number of buses since 1959 even though passenger traffic increased. Since the A P S R T C did not take up the town services, a modified scheme deleting town service route was approved by the Government in G O M No 328 (Home Department) dated 24th February, 1966. The RTO Vijayawada issued temporary permits for 14 additional buses on seven existing routes with effect from 18-5-1966. He has also reported on 14-6-1966 that he has invited proposals for granting pucca permits for 18 new routes for 22 buses. These proposals are now pending consideration of the R.T.A. Krishna district and the decisions are expected shortly. Thus the total number of buses plying in Vijayawada Town is as follows —

(a) 21 buses plying prior to the approval of the modified scheme, i.e., prior to 24-2-1966;
(b) 14 buses additionally introduced after the issue of the modified scheme, and
(c) Proposals for granting pucca permits for 18 routes with 22 buses now under consideration of the R.T.A., Vijayawada.

re: Inclusion of Srikakulam, Visakhapatnam and East Godavari Districts in one Food Zone

When the proposals for the consideration of the R T A, Krishna, for introduction of 22 additional bazaars for 13 new routes materialise, the needs of the travelling public of Vizianagaram will be largely met.

In the absence of a R T C office in Vizianagaram, transport from the two places to the nearest R T C office in Vizianagaram is a considerable distance. To facilitate the passengers, the R T A will have to be asked to provide a service which will be a big help to the passengers.

286  4th July, 1966.  Motion on Address by the Governor.

The Governor of Andhra Pradesh — continued — explained that the government was taking a strong stand and that the situation was grave. He said:

I am pleased to announce that we have taken strong action. The situation is grave. The government's position is that any further violence will not be tolerated. We are taking all necessary steps to maintain law and order.

The situation is serious. We have taken appropriate measures to ensure the safety and security of all sections of the society. The police and other law enforcement agencies are on high alert. Any act of violence will be dealt with firmly.

The government has decided to impose a strict curfew in certain areas to prevent further incidents. We urge all citizens to cooperate with the authorities and stay indoors during the curfew period.

I would like to emphasize that the government's primary concern is the well-being and safety of our people. We are committed to maintaining peace and tranquility in the state. We urge all to maintain calm and restraint.

In conclusion, I would like to appeal to all citizens to remain united and to support the government in its efforts to restore peace and order in the state.
Motion on Address by the Governor. 4th July, 1966.

The Governor moved that the following be the Address:

Devaluation is a fact, and the very fact that the World Bank gives us any loan before devaluation and the fact that they are coming forward with such hastiness to give as much loan as we want after devaluation are themselves proof. The sweetness of the cake is in eating. We are eating it.

The proper proverb is, "The proof of the pudding is in eating."

Sri T. Nagi Reddy — Facts prove it. The very fact that they did not give us any loan before devaluation and the fact that they are coming forward with such hastiness to give as much loan as we want after devaluation are themselves proof. The sweetness of the cake is in eating. We are eating it.

Sri K. Brahmananda Reddy — The proper proverb is, "The proof of the pudding is in eating."

Sri T. Nagi Reddy — We are eating it now, and we are finding out: He is finding it sweet, and I am finding it bitter.

I am not one of those who think that what America does is wrong or what China does is right or what some other country does is something else. I will consider it purely from the Indian angle, irrespective of the fact whether it comes from Russia or China or some other place.

I do not know, Sir. It may be that several friends either here or elsewhere may have given advice. But that is a different matter altogether. Allright, Yugoslavia has devalued its currency. On whose pressure?

Motion on Address by the Governor.

(Mr Speaker in the Chair)

Mr. Speaker, the export surplus is.

Mr. Speaker, in the explanation, we are

Sri K. Brahmananda Reddy:— When was he in light?

Sri T. Nagireddy:— Always, unless he speaks.

I am not asking him to agree. I must have my say, Sir.

Mr. Speaker:— That is true.

Sri T. Nagireddy:— No, I am conceding that. It is not a point on which every thing can be said on one side and something can be said on the other. I am conceding that it is a point on which there is opportunity for debate, but still we have to take the India's economic situation into our view and consider it. The devaluation is a point which is open to debate, but still we have to take the India's economic situation into our view and consider it.

We say that this rupee has lost its sovereignty, sovereignty in relation to other country's economy.

Sri T. Nagireddy:— Not all devaluation is bad, but devaluation under pressure of circumstances in relation to other countries is bad.

Therefore I cut short Sir.
Deccan Chronicle Jan 24, 1950 it says that... no economist who has supported this measure...

Sri K Brahmananda Reddy. — Very good.

...Whether the reasons are good or bad, it is a different matter; it is not for me to say now. In fact, the exchange ratio of the rupee was devalued. He is recognising the existing fact.

...Several incentives were given an indirect me too which also is criticised as arbitrary and discretionary in character. To many props are being given in several ways.

...This is export promotion and import substitution policy! And, look, my home... Indian economy

4th July, 1966. Motion on Address by the Governor.

The Industrial or Agricultural Production is not keeping pace with the investment. But that does not matter. I am giving a handle. My business is to speak the truth. Administrative lapses are there, but that does not matter. One thing is patent that the agricultural and industrial production in this country is not able to keep pace with the investment made to the extent to which we all hope for the future.

One thing is patent: that the agricultural and industrial production in this country is not able to keep pace with the investment made to the extent to which we all hope for the future.

Why will we not keep pace Sir? The tractors and tractors are idle. The complaint will continue. Bull Dozers, Tractors are going to be idle. The complaint will continue. The complaint will continue.

Production is on Scientific methods. The complaint will continue.

Fertilizers, Tractors are there. The complaint will continue.

Production is on Scientific methods. The complaint will continue.

Agricultural production is not keeping pace with investment. The complaint will continue.

Take Agricultural production on Scientific methods. The complaint will continue.

Agricultural production is not keeping pace with investment. The complaint will continue.

Sri T. Nag Reddy - This is he only correct point made and I agree with him.

Sri K. Brahmananda Reddy - Thank you all support that the economy of the country is going down. How can we increase the economy? The economy is going down. After all, what is the debt position of India? What is the investment made? For a few thousands of crores, are we going to become slaves?

Sri T. Nag Reddy - Even to repay this year's loan we have to go in for a further loan and we're going to increase the state of affairs after five years, with much more serious consequences.

Sri T. Nag Reddy - The point here is, we are taking loans not for productive purposes in the sense that we are increasing our capital investment and therefore increasing four industrial wealth, but only for raw materials and for spare parts, we are spending crores of rupees. This is a most dangerous thing for a country today and no country can survive with this.

Sri K. Brahmananda Reddy - There is absolutely no danger. Mr. Nag Reddy and I, if God is willing, we will be spared a few
294 4th July, 1936.  Motion on Address by the Governor.

please give me a two minutes' time I shall report, as it was I have gone there and seen it I challenge him to come along with me to the very same place which he is mentioning, and let us find out the truth. After finding the truth, if he tells me that what I am saying as truth is not correct, I will take any punishment that he gives. No Police official, no revenue official need go I challenge, let him come along with me. We two will go to investigate into the matter.

Sri K. Brahmamanda Reddy: I am not used to challenges. My point is...

Sri T. Nagi Reddy: He always depends on people who do the crime and give false report.

Sri K. Brahmamanda Reddy: I will have to ascertain sift the truth from the untruth. I am saying that I will have to sift the truth from the untruth from a source that it comes, including the communist's source.

Sri T. Nagi Reddy: That is the only source—that is the police source—who are responsible for the crime. When he is prepared to say only part of it and does not speak of what happened on the 29th and 30th, he is not speaking the truth. Why talk of the earlier happenings and that too an incorrect version of it? Why does not he say about what happened on the 30th? Will he please tell us about that?

Sri K. Brahmamanda Reddy: In his opinion, communists are gentlemen, others are gulls.

Sri T. Nagi Reddy: 'That is why I again make it a point. At least allow people like ordinary people to go and investigate. I will stand by whatever judgment they give. That is my challenge.
Moune on Address by the Governor  

th July, 1903.

Law and order must be kept up. If law and order are not kept up, persons will be kept in prison. Even then, they may escape. What will happen then? I have not seen any Collector. I am not in that habit. I did it in Warangal.

Let him come along with me. I will prove the truth.
Mr Speaker. Please bear with some patience. Let him have his full say in the matter. If hon member wants to raise anything, he can do it; if not today, there are a number of ways open to him to raise it.

Sri T Nagi Reddy: Please excuse me for my intervention. I am able to say all this, for the simple reason that I have gone and seen, and he does not see. What am I to do? At least once let the Chief Minister go to the village and speak to the people, talk to them and find out the truth.

Mr Speaker. It is not Government only that can provide remedy or relief. It is possible that from what he says there might be some truth in it— the police might have committed excesses. Still there are ways and remedies open to us. We can go and represent to the civil court and file a complaint and have enquiry made, if he is so much aggrieved. Some people come and tell him and he believes their reports and he thinks that all that is truth.

Sri T Nagi Reddy: That is why, Mr Speaker, I say, let us both appoint persons of equal importance to us, whom we believe as truthful. Let them go, investigate and give a report. I will abide by that report, whatever the report is.

Mr. Speaker. If it is a question of appointing commissions of enquiry into all these things, hundred commissions have got to be appointed every day. He makes some allegations against them and they make some allegations against him.

Sri T Nagi Reddy: That is why I say instead of challenges and counter-challenges I have been telling him here quite a number of times let any man—after all Dr. Susheela Nayyar went to Darigallu and found out the truth—in the same way, let some body who is responsible and respected go to the village and come forward with a statement.
Sri T Nagi Reddy: I believe him, and I am sure the Chief Minister is capable of looking at things properly, if only he goes there.

Sri K Brahmamananda Reddy: They are individual matters. They should be looked into. If Mr. Nagi Reddy says that I am solely relying on the police report, that is also not correct. Therefore, I would advise patience. But let him not say, because the left communists were raising such points. Correct, if there are such points raised by them. But that should not be done by force. If he wants to look into it and see that justice is done, we will enquire into it and see that justice is done. But we do not encourage this kind of attitude in the State. Let us not spoil the peace and tranquility the State is enjoying.

Mr. Speaker: The Chief Minister is not fair to the right communists, because he replied to the points raised by the left communists and not those raised by the rights communists.

Mr. Nagi Reddy: The point is that she has made such allegations. Naturally, if there is information, he must tell.

He could have replied even on a single point. He could not do it.
4th June, 1966. Motion on Address by the Governor.

Molinti Ramaiah:— Sir, the Chief Minister has got to say.

Sri K. Brahmamandra Reddy:— I will find out and tell him, what I stand up for. The Governor has said at the general session that the atmosphere shall prevail. Let us all contribute to see that peaceful atmosphere prevails. I just cited the example of the enquiry. We should cooperate and maintain an atmosphere to cooperate.
Motion on Address by the Governor.  4th July, 1966.  

Sri K. Brahmananda Reddy — What he saw in papers was 175 crores—that has nothing to do with this assistance.
10th July, 1966  Motion on Address by the Governor

Sir, I beg to move—In the Central Government additional 10% of the needed agriculture land be added, so that the total area may be increased to 175 crores. The Central Government has already allocated 10% of the required agricultural land in the plan for the Second Period. In the plan for the Third Period, 70% of the land is kept aside for agriculture. This is 10% more than the previous plan. It may be noted that the Second Plan and the Third Plan are almost identical. The Second Plan and the Third Plan are almost identical.

Add. 1.1  to 1.3

It may be noted that the Second Plan and the Third Plan are almost identical. The Second Plan and the Third Plan are almost identical.

Add. 1.1  to 1.3

Sir, one information to the
Chief Minister that 1500 limit, 8000 limit is fixed. Government allotted
8000 limit in one go, 8000 income in one go, 8001 income safeguard
is given, false returns safeguard is given, communal promotions are
being made. G. O. is not finalised, promotions are not finalised, promotions are
not finalised. I have got more promotions to depromote, promote status, to promote,
status quo maintain, do not consider promotions in 1966-67.

Mr. Speaker —Will it come into force immediately?

Mr. Speaker —Yes. Sir, from this year G. O.
will be finalized, and promotions will be
considered.

Sir K. Brahmamad Reddy —I do not know Sir if there are
any cases of persons who have been promoted previously when the
G. O. was in force, and later de promoted. If there are any such
cases, kindly bring to my notice. I will certainly look into
minimum wages and the other things. A.P.T.C
is being established, and it is expected to
begin soon.

304 4th July, 1956. Motion on Address by the Governor

Sri K Brahmananda Reddy: I am sorry that has not been specifically brought to my notice. Now that he is bringing it I will certainly look into it.

Sri M. Venkatesvaru: He has already mentioned that point...

Sri Pilla Malarri Venkatesvarlu: I have mentioned even during the previous session.

SRI K Brahmananda Reddy: Work out the figure. The GO was under issue, Sir. The GO was under issue. The representatives were 60 and the figure is 20.

The public sector undertakings in the course of years they will develop into universal.
Motion on Address by the Governor. 4th July, 1866.

Sir, I am aware that the Government has proposed to make a Compensation to the inhabitants of a certain area; they are losing many of the good lands, they are going to be submerged and the compensation that we give may not meet their demand and therefore that has to be looked into with sympathy.

We are very particular. I am not speaking in any flipant way, Sir. The area of submerged land is 60 bighas. 60 bighas are 60 acres. It is a submerged area; they are losing many of the good lands, they are going to be submerged and the compensation that we give may not meet their demand and therefore that has to be looked into with sympathy.

There is no other point I wish to bring before you. I am not speaking in any flipant way.

Thank you.
4th July, 1966. Motion on Address by the Governor.

The Honorable Governor addressed the Assembly on the 18th of July, 1966, and made a number of important announcements. Among them, the Governor highlighted the need for increased agricultural production and the importance of education. He also emphasized the need for better health services and the development of infrastructure.

The Governor's speech was met with a standing ovation and was widely appreciated by the assembled members. The speeches and discussions were followed by a vote of confidence in the Governor's leadership and the government's policies.
Motion on Address by the Governor. 4th July, 1966.

I think I replied even then, that is why I did not reply. That is a very reasonable demand, certainly it will be done.

Sir, I have to admit that - the demand is very reasonable, certainly it will be done. The Collector has taken steps to do what he wanted. The Government will see to it and will issue orders.

Mr Speaker. No question of taking a speech.

Sri Pilla: Mr Speaker, it is not a speech.

Mr Speaker. What else is it?
809 4th July, 1966  Motion on Address by the Governor

Mr. Speaker The question is.
Add the following at the end:
But regret to note that the Government had failed to propose measures to curb the rise in prices caused by the Devaluation
Add the following at the end:
But regret that the Government had failed to pressurise the Govt. of India to establish fifth steel plant in Vizag
Add the following at the end:
But regret that the Government had failed to prevail upon the centre to takeover Nagarjunasagar, Pochampad and Srisailam projects as Central projects.
Add the following at the end:
But regret to failure to note the prevent the ousting of senior Cooperative Inspectors from service
Add the following at the end:
But regret the failure of the Government to take immediate famine relief measures in all famine affected areas by starting gruel centres and famine relief works and other immediate measures, regrets the failure of the Governor to evaluate the ill-effects of devaluation on the prices, the production and the resources of the State, regrets the failure of the Governor to recommend to the Central Government for the immediate withdrawal of emergency and repeal of Defence of India Act and Rules and regrets the failure to maintain law and order in Warangal district in particular and in various other parts of State and finally the failure of the Governor to seriously protest against the decision of the Central Government to establish steel plant in Visakhapatnam.”
Add the following at the end:
Regret for not mentioning about the failure of the Government of India that the Fifth Steel Plant would be located at Visakhapatnam.”
Add the following at the end:
Regret for the failure to mention that the assured lists of other Backward Classes would be published immediately so that all
ties that were in vogue would be begun restored from 1966-67 for which
a cabinet sub committee was appointed nearly two years ago.

Add the following at the end:

But regret failure of the Governor of to address the Legislature
in Telugu, the Official Language of the State, thereby showing scant
regard to that language, although recently an enactment to that
effect has been passed of which the Governor has made a reference in
his address.

Add the following at the end:

Regret failure of the Government in providing adequate finances
for the Pochampad Project, the only big and worth mentioning project
in Telangana.

Add the following at the end:

Regret failure of the Government in taking up many important
irrigation schemes in Telangana like the Pameda lift irrigation
scheme etc. which had been found feasible economic and remunerative
but were not taken up owing to the wrong policies of the Government.

Add the following at the end:

But regret to note that the Governor has failed to mention in
his speech the serious famine conditions in the State and the steps
to be taken by the Government immediately.''

Add the following at the end:

"But regret to note that the Governor has expressed satisfaction in his speech with the meagre and insufficient measures taken by the Government to help the fire victims in the recent fire accidents throughout the state.''

Add the following at the end:

"But regret to note that the Governor has expressed in his speech an unfounded hope that the Government of India would give due consideration to the recommendations of the Expert Committee and set up the fifth steel plant at Visakhapatnam and on the other hand he has failed to express the anger of the 84 crores of Andhra people against the Central Government for their Anti-Andhra attitude on this question.

Add the following at the end:

"But regret to note that the Governor has failed in his speech to demand the Central Government to take over Nagarjunasagar, Pochampad and Srisailam Projects."

Add the following at the end:

"But regret to note that the Governor has utterly failed in his speech to mention the backwardness of the state in the matter of industrial progress and the steps that the Government are going to take to remedy the situation.''

Add the following at the end:

"But regret to note that the Governor has deliberately omitted to mention the steps taken by the Government to implement the pro-
visions of Official language Act because no such steps have been taken by them so far.”

Add the following at the end

“...But regret to note that the Governor has failed to mention the adverse effects of devaluation on the living conditions of the common people due to steep price rise etc.

“...and also the House regrets that the Governor did not criticise the central Government for resorting to the anti-national measure of devaluation without consulting the state Governments.

Add the following at the end

“...But regret to note that the Governor has failed to mention the human working conditions of the agricultural labourers and he has failed to accept the long felt demands of that class of people such as banjar lands distribution, rise in the scales of the minimum wages under the Minimum wrg’s Act.”

Add the following at the end

“...But regret to note that the Governor has failed to suggest the steps being taken by the Government to increase the wages, DA etc. of the Government employees and industrial workers both under public and private sectors in view of the price rise and devaluation.”

Add the following at the end

“...But regret to note that the failure of the Government in not mentioning, the execution of the secondphase of the High level Channel Tungabhadra Project and thus neglecting to alleviate the chronic drought affected people of Rayalaseema.”

Add the following at the end

“...But regret to note the failure of Government to sanction a Government college at Markapur which is a drought affected area and where people have deposited money for the same. The Government should not yield to pressure politics.”

Add the following at the end

“...But regret to note the failure of the Government to supply fodder to ryots at subsidised rates.

Add the following at the end.

“...But regret to note failure of the Government regarding supply of electricity to the drought affected areas of the state with priority. It is the duty of the Government to sanction more villages in the said areas enhancing the allotments from 4.21 crores to 6.8 crores

Add the following at the end

But regret to note that the retail rate fixed for the sake of Rice through Food Corporation in the District of Anantapur is exorbitant. The retail price of Akkullu is increased from 72 nP. to 85 nP. per kilo of rice, thus making food beyond the buying capacity of the people. This big increase in the retail price is nothing but looting.

Add the following at the end

But regret to note the failure of the Government in solving the problem of supply of oils to pump sets for irrigation under wells. Thus, forcing peasants to keep some land fallow thereby hindering production of food.
Add the following at the end:

But regret to note that the temporary relief provided for droughts affected areas are quite nominal, purely inadequate and absolutely unsatisfactory. The loan assistance rendered to the drought areas is very little. The Government has to immediately help the ryots with loans.

Add the following at the end:

But regret to note that the relief given to the fire victims in the State is inadequate. They are without food, shelter and other. The Government has to supply loans for constitution of a single tenement room to protect them from future disaster.

Add the following at the end:

But regret to note that there is no mention of a Steel Plant at Visakhapatnam in the address. The Government of Andhra Pradesh has the centre to accept the report of the Anglo-American to persuader consortium if the Government fails, it must be prepared to resubmit in the larger interests of the State.

Add the following at the end:

But regret to note that the address is silent about the centre taking over Nagarjunasagar Project, Srisailam and Pochampad. Time and again the concerned Ministers in the centre are giving statements that the big Projects would be taken over by the centre. This Government has to earnestly pursue the matter.

Add the following at the end:

But regret to note that failure of the Government to make Central Government agree to add Guntakal Railway Division in the new Railway Zone with Headquarters at Hyderabad. It also regrets the proposed abolition of the Guntakal Division by the Railway Board thus reducing the employment potentiality in the famine Districts of Rayalaseema.

Add the following at the end:

But regret to note to failure of the Government in drafting and finalising the plan for permanent measures to be taken to alleviate the distress of chronic famine areas of Rayalaseema.

Add the following at the end:

But regret to note that the temporary reliefs provided for droughts are purely inadequate and absolutely unsatisfactory. The loan assistance rendered to the drought area is very little. The Government has to immediately help the ryots with loans.

Add the following at the end:

This Assembly regrets that the Governor has omitted the following under the head fires.

Add the following at the end:

But regret to note the failure of Government in establishing Government Hospital at Kankipadu, Krishna District.

But regret to note the failure of Government in establishing Government Ayurvedic dispensary at Poranki, Krishna District.

Motion on Address by the Governor.

Add the following at the end:

But regret to note the failure of the Government in sanctioning grant for the establishment of Maternity and Child Welfare centres at Penamakur, Edupugulu, Uppaluru and Godavarru villages of Kanipadu Samithi.

Add the following at the end:

But regret to note the failure of the Government in establishing 175 subsidised Ayurvedic dispensaries as promised by the Hon'ble Minister for Health and Medicine in 1965-66 and 1966-67 budget speeches as a measure of rural Medical relief.

Add the following at the end:

But regret to note the failure of the Government in taking up the proposal for the construction of a bridge on Pulleru canal at southwestern side of Uuyyuru village under village road development scheme.

Add the following at the end:

But regret to note the failure of the Government in taking over Uuyyuru Iluru major district from the control of Zilla Parishad to the Roads and Buildings department as promised earlier.

Add the following at the end:

But regret to note the failure of the irrigation department in executing the Enugulakodu drainage scheme in Krishna delta.

Add the following at the end:

But regret to note the failure of the Government in taking up the Challangulakodu drainage scheme in Krishna delta.

Add the following at the end:

But regret to note the failure of the Government in taking up drainage schemes in Delta area as recommended by the Mitra committee.

Add the following at the end:

But regret to note the failure of the Government in sanctioning Sunnapadu, Telladevarapadu, Gangnampalem, and Diqugulapadu electrification scheme though it is a drought affected backward area in Krishna District.

Add the following at the end:

But regret to note the failure of the Government in establishing Medical School for tropical diseases at Guzalpara in Krishna District.

Add the following at the end:

But regret to note the failure of the Government in taking up the construction bridges at (1) Gundala (2) Ramavarapupadu and (3) Tadigadapa villages as a measure for the development of Vijayawada Town outside the Municipal limits though the villages have come forward to give their contribution.

Add the following at the end:

But regret to note the failure of the Government in sanctioning Girls High Schools at Mylavaram, Nasagutta, Pedana villages as proposed by the Zilla Parishad, Krishna.
Add the following at the end:
The failure of the Government in establishing upper Primary Schools at Poranki, Pevarapalli, Tenneru, Bhapuraj, Palem, Yanamalakuduru, Edupugallu, Royyuru, Yanamalakuduru, Maripumaka villages of Kankipadu Samithi for the last two years.

Add the following at the end:
The failure of the Government in establishing Girls Polytechnic or Arts College in Old Polytechnic buildings at Vuyyuru.

Add the following at the end:
The failure of the Government in taking effective steps to Nationalise Vuyyuru-Telaprolu and Vuyyuru-Devarapalli bus routes in Krishna Division.

Add the following at the end:
The failure of the Government in giving sanction to college at Nuzvid and Nandigama in Krishna District.

Add the following at the end:
The failure of the Government in taking effective steps for collection of Rs 18 lakhs purchase tax due to Government from Challapalli Sugars Limited.

Add the following at the end:
The failure of the Government in taking necessary measures for the payment of Rs 26 lakhs amount due to cane growers by the Challapalli Sugars Limited.

Add the following at the end:
The failure of the Government in taking up intensive borewell scheme to tap underground water in difficult areas of Krishna district i.e., Mylavaram, Kanchikachaila, Nandigama and Thrivuvuram Samithis.

Add the following at the end:
The failure of the Government in sanctioning side channel from Yanamalakuduru lock of Krishna East bank canal for the benefit of Ryots of Pedapulipaka, Chodavaram and Madduru villages of Vijayawada taluk.

Add the following at the end:
The failure of the Government on providing loans and grants for the construction of fireproof buildings at Penamaluru, Madduru, Royyuru, Devarapalli, Nidamanuru, Edupugallu villages of Vijayawada taluk where the accidents have taken place in 1986 summer.

Add the following at the end:
The failure of the Government in taking effective steps to electrify Harjanawada of poranki village and Komatigunta village of Vijayawada taluk.

Add the following at the end:
The failure of the Government in taking effective steps to give financial sanction to protected water supply schemes of Penamaluru, Kankipadu, Madduru, Vanukur, Edupugallu, Poranki, Thadigadapa Kolavennu, Uppaluru, Kanuru, Velpuru, Punadipadu, Penamaluru, Gosala, Godavaru, Chagantipadu, Pedagrala, Chinnagrala, Mantripalem, Mangalapuram and Mopdevi villages of Krishna District.
Add the following at the end:

"But regret to note the hardship caused to the ryots who are compelled to mortgage their immovable properties for loans exceeding Rs 1,000 under the crop loan system in Visakhapatnam District in sugarcane growing areas."

Add the following at the end:

But regret to note the hardship experienced in the rural areas of Visakhapatnam District, where only a ration of 2kgs per head per month is supplied.

Add the following at the end:

But regret to note that there is no mention of the incorrect manner in which the Integrated Andhra Pradesh Education Rules 1966 were published, consequent to which there is great hardship and inconvenience caused to the teachers all over the State.

Add the following at the end:

But regret to note that the remission sanctioned by the Government for the crops damaged due to the drought last year, has not reached the ryots in full.

Add the following at the end:

"But regret to note that adequate number of seats have not been provided for pupils willing to join 1st form class in our State and quite a number of students have been refused admission on that score."

Add the following at the end:

"But regret to note that there is no mention about the inadequate supply of fertilisers in the state."

Add the following at the end:

"But regret to note that there is no mention about the steps to be taken to restore the power-cut to the Chittivalasa Jute Mills, Visakhapatnam District where about 1,000 labourers have been laid off with effect from 20th June 1966."

Add the following at the end:

But regret to note that there is no mention about the low rates at which the agency population are compelled to sell their produce to the State Tribal Development and Social Welfare corporation in Visakhapatnam District.

Add the following at the end:

For the failure to disburse the rebate amounts worth about Rs 50 lakhs due to the Labour Co-operative Societies in the State.

Add the following at the end:

Government Bill : 4th July, 1966. 315

The Andhra Pradesh (Agricultural Produce and Live stock) Markets Bill, 1966

Lou attained. The Andhra Pradesh (Agricultural Produce and Live stock) Markets Bill, 1966, was introduced in the House of the Legislature. The Bill aims to regulate the marketing of agricultural produce and livestock in the state. The Bill includes provisions for the establishment of markets, the fixing of market fees, and the regulation of market transactions.

Amendments have been proposed to the Bill, and these will be examined in detail. The House will examine the amendments to ensure that they are in line with the objectives of the Bill. The amendments will be discussed and debated, and a vote will be taken on whether to accept or reject them.

The Bill is expected to be enacted soon, and it will provide a framework for the regulation of agricultural produce and livestock markets in the state.

Goverment Bull:

The information provided is in Telugu script, which is a South Indian language. However, I can provide a translation or transcription if that would be helpful. Please specify what you need.

Samadhi Bahadur: I cordially commend the resolution of hon. members of the Andhra Pradesh Agricultural Produce and Livestock Markets Bill. The Bill is an attempt to rationalize the existing system of marketing of agricultural produce and livestock. It seeks to create a more efficient and transparent system of marketing, thereby improving the livelihood of farmers and traders. The notified areas and the marketing committees are expected to play a significant role in achieving this goal.

It is a matter of great satisfaction that the Bill has been passed unanimously. It is a testament to the collective wisdom of the House that this Bill has been passed with such enthusiasm. Let me assure the House that the Government will work tirelessly to ensure that the provisions of this Bill are implemented effectively and efficiently. Thank you.
Government Bill

The Government may, by notification and for the reasons to be specified therein either permanently or for any specified period exempt any market committee, any person or class of persons from all or any of the provisions of this Act, subject to such conditions as the Government may deem fit to impose.
