ORAL ANSWERS TO QUESTIONS

ASSIGNMENT OF LAND IN UNRESERVED FORESTS

602—

* 1145 Q.—Sri D. Kondaia Rao (Put by Sri S. Vemayya) (Buchireddipalem).—Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government are contemplating to assign lands in unreserved forests at Chintapalli Agency, Visakhapatnam district to the landless poor tribals; and

(b) if so, when?

The Minister for Revenue (Sri N. Ramachandra Reddy).—

(a) No, Sir.

(b) Does not arise.

Sri N. Ramachandra Reddy.—It seems the Joint Collector has submitted a report to the Collector after an on-the-spot inspection.

Sri N. Ramachandra Reddy.—Details are not available, Sir. Any way, I shall call for fresh details.

It is an omission on the part of the Sub-Collector. He has not submitted details.

It is an omission.

It is an omission.

I have to verify again.
GRANTING OF PATTAS TO FOREST LAND

603 —

(a) whether it is a fact that the survey numbers 720 and 721 of forest land at Gonaboyampalli village, Devakonda taluk, Nalgonda district have been converted into wet lands and have been cultivated with the Dindi project water from 1944;

(b) whether it is a fact that the said lands have been applying for pattas from the year 1942 in the Tahsil Office, Devarakonda;

(c) the reason why pattas have not been issued to the landless Lambadis cultivating the same though it has been mentioned in Government records that the survey numbers 720 and 721 have been under their cultivation from 1942;

(d) when the pattas will be issued; and

(e) whether it is a fact that steps are being taken from 1st July 1965 to evict them from the lands with the help of the chowkidars and two armed police?

Sri N. Ramachandra Reddy.—(a) S. No. 721 is a patta land belonging to Sri Chakravartula Raghunathachary. S. No. 720 measuring 1732-16 acres is reserved forest area, out of which an area of 89-30 acres is being encroached upon since 1949 by Lambadis and some other people. The encroachers are cultivating the lands by taking water from Dindi project unauthorisedly but the area encroached has not yet been converted into wet by the land record branch.

(b) No, Sir.

(c) As S. No. 720 is forest area the Revenue Department is not competent to grant pattas unless the said area is disreserved by the Forest Department.

(d) For the reasons mentioned in clause (c) above the question of grant of pattas does not arise.

(e) No action has been taken by the Revenue Department in this regard. As the above land belongs to Forest Department, Forest authorities have made attempts to evict the encroachers on 1-7-1965.

(Shri Ramachandra Reddy):—It is not a question directly relating to the Revenue Department. That question may be put to the Minister for Forests. However, according to the forest rules, certain percentage of the area is necessary to preserve forests. I am not definite, but I believe it is about 10 per cent. If we go on de-reserving forest area it is very difficult to preserve forests.
Sri N. Ramachandra Reddy—They may approach the Forest Department. There is also a District Forest Committee who may, if necessary, submit proposals to Government.

As it is a project-affected land, certain land value has to be credited by the encroachers. If they credit the money, patta may be granted.

Sri N. Ramachandra Reddy.—The question may be put to the Minister for Forests.

Sri N. Ramachandra Reddy—They may approach the Forest Department. There is also a District Forest Committee who may, if necessary, submit proposals to Government.
There are certain rules. Government is functioning according to the rules. Of course, rules can be changed. That is a different matter.

Written Answers to Questions.

(a) whether it is a fact that S. No. 140 (Mazi) Rayavaram village, Kollapur taluk, Mahbubnagar district measuring about 400 acres poramboke land has been assigned by the then Raja of Kollapur in the year 1946 in the names of different ryots while taking Nazarana;

(b) whether representations have been made to the Collector, Mahbubnagar and the Tahsildar, Kollapur for mutation of the said lands in the names of the cultivators and if so, what is the action taken;

(c) whether settlement podi work has been done according to possession and separate S. Nos. were given in the settlement record; and

(d) what are the reasons for not entering patta of the said lands in the names of the cultivators as the matter is pending since the last about 18 years?

Sri N. Ramachandra Reddy.—(a) It is a fact that an extent of Ac. 771-00 out of old S. No. 140 of Rayavaram village was assigned by the then Raja Saheb of Kollapur in the year 1353 F. to 40 ryots.

(b) Yes, Sir.

On receipt of applications from the ryots the Tahsildar, Kollapur sought instructions from the Revenue Divisional Officer, Nagarkurnool and the same are awaited.

(c) No, Sir.

(d) Though the land was granted by the Rajah Saheb, the same has not been implemented because the said land has been classified in the settlement record as Kharij khata. As the land in question belongs to Government, the Collector has

asked the Tahsildar to submit loan proposals under Circular No. 14 of 1954.

SUPPLY OF ELECTRIC MOTORS AND PUMPSETS

605—

* 1453 Q.—Sarvasri K. Mara Reddy, and P. Gunnayya (put by Sri P. Narayan Reddy (Vadmalpet). Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether there is any proposal before the Government to supply electric motors and pumpsets to agriculturists, instead of giving cash loans; and

(b) if so, when will it be implemented?

The Minister for Irrigation and Agriculture (Sri A. C. Subba Reddy).—(a) and (b).—According to the existing system the agriculturists who apply for loans for purchase of electric motors and oil engine pumpsets, will be supplied the required machinery only on taccavi basis and no cash loans will be paid direct to the loanees.

I do not admit any reduction price or fix.

I do not admit any reduction price or fix.

I do not admit any reduction price or fix.

Kinds of makes approve change?

Sri Ramachandrarao Deshpande (Narayan Khed).—The hon. Minister said that the cultivators have got a choice to select from among a number of various makes that have been approved. The exact question put by hon. Sri Viswanatham was what are the makes? That is the question which is being evaded. You will have to protect our rights to get the information, Sir.

Mr. Deputy Speaker.—That is right. He has already answered it.

Sri A. C. Subba Reddy.—That has nothing to do with this.

Sri R. C. Deshpande (Narayan Khed).—Agriculture Department will provide funds necessary. With regard to the working of it, Panchayati Raj Department steps in.

(1) Mr. Bhadra Reddy:—Complete 3 loan acquire hire purchase system ?
Between a private party and the company hire purchase system is still in existence.

Mr. V. R. Reddy:—If he wants suddenly some information from the other department, he has to put another question to that department. That is what all I have said. I never said that there is no co-ordination.

Mr. Subramanyam:—Co-ordination irresponsible ?

Sri A. C. Subba Reddy.—There is co-ordination. If he wants suddenly some information from the other department, he has to put another question to that department. That is what all I have said. I never said that there is no co-ordination.

Mr. Bhadra Reddy:—Co-ordination shall be alloted?

Sri A. C. Subba Reddy.—Let me answer, decentralisation?

Sri Vavilala Gopalakrishnayya.—Not without co-ordination.

Sri A. C. Subba Reddy.—Let me answer, decentralisation?

There is an Agricultural Extension Officer in the Block to do all these things. If there is anything wrong, he will report to the concerned authority. Why does he think that there is no co-ordination?

Supply of bulldozers

606—

* 1144 Q.—Sri D. Kondala Rao (Chintapalli).—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government propose to provide bulldozers to Agency Tribal Panchayati Samithis in Visakhapatnam district; and

(b) if so, when?

Sri A. C. Subba Reddy.—(a) No, Sir.

(b) Does not arise.

Allotment for providing tractors to the cultivators

607—

* 950 (1691) Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana.—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether a sum of Rs. 25 lakhs is set apart from the Budget allotments (1965-66) for providing more tractors and power tillers to the cultivators under taccavi loans or to be kept with the Zilla Parishads or Samithis for making them available to individual cultivators on hire; and

(b) if so, whether the amount is spent and machines were purchased?
Sri A. C. Subba Reddy.—(a) Yes, Sir.
(b) No, Sir.

If so, whether the amount is spent and machines were purchased?

Sri A. C. Subba Reddy.—Again in September 1965 it was handed over to the Mortgage Banks, Sir. Mortgage Banks

50 to the agencies similarly. But bank distribute

standing committee pass to the agencies. Why request?

Sri A. C. Subba Reddy.—No answer for that, Sir.
Oral Answers to Questions.  

1. The Member: (Shri D.)—Can the Minister inform whether the supplies of individuals (individuals hire persons in the Director of Agriculture Department) are being paid?

2. The Minister:—Yes, Sir. The Director of Agriculture, Mr. X, has written that the Ministry is paying a sum of Rs. 25,000 as hire to Mr. Y, who is responsible for the long process of hiring persons. The Director states that the process is lengthy and that the procedure for reviewing the hiring process should be followed. Is the Ministry following the procedure for reviewing the hiring process?

3. The Minister:—The Land Mortgage Bank has informed that the next year's hire is being paid to Mr. Z, who is responsible for the application for loans. The process for reviewing the hiring of Mr. Z has been delayed. In addition to the existing procedures, the Minister is reviewing the process.

4. The Member:—The Minister said that the process for reviewing the hiring of Mr. Z has been delayed. Is this correct?

5. The Minister:—Yes, Sir. The process for reviewing the hiring of Mr. Z has been delayed. The Minister has informed that the Land Mortgage Bank has been instructed to follow proper procedures in the emergency situation.
Written Answers to Questions.

Mr. N. Narayana Reddy:—To ask the Minister of Agriculture whether it is true that the change of non-official agencies is under consideration.

Mr. K. Gangadhareshwar Reddy:—I should like to ask the Director of Agriculture whether non-official agencies would be changed or not. Can we get the answer to this question?

Mr. N. Narayana Reddy:—If the Director of Agriculture is not able to answer the question, I shall ask another question. I would like to ask the Director of Agriculture whether the change is made or not?

Mr. K. Gangadhareshwar Reddy:—To ask the Minister of Agriculture whether the non-official agencies are to be changed or not. Can we get the answer to this question?

Mr. N. Narayana Reddy:—To ask the Minister of Agriculture whether the change of non-official agencies is under consideration.

Mr. K. Gangadhareshwar Reddy:—The question of mortgage or land mortgage is separate. It is not related to the question of non-official agencies. I would like to ask the Director of Agriculture whether there is any allotment lapse or not. Can we get the answer to this question?

Mr. N. Narayana Reddy:—To ask the Minister of Agriculture whether the change of non-official agencies is under consideration.

Mr. K. Gangadhareshwar Reddy:—To ask the Minister of Agriculture whether the change of non-official agencies is under consideration.

Mr. M. V. K. Menon—Director of Agriculture

Q. 2. What is the difference between the Ford Foundation and the Ford Foundation Crash Programme?

The Ford Foundation is different, Sir. These are loans to ryots from the Government. It is my personal experience.
The question is whether a sum of Rs. 25 lakhs is set apart from the budget allotments? The answer 'yes' is.

Sri A. C. Subba Reddy.—It is set apart in the budget. But in September, Cabinet has taken a decision to put Rs. 25 lakhs in debentures in Land Mortgage Bank to be used for tractors, pump sets and other things for the ryots and applications received through Samithis after scrutiny by No. II Committee of the Samithi—all those recommendations will be scrutinised. Only scrutiny of the Land Mortgage Bank is whether there is proper discharge of the debt or not. For other things, recommendations of the Samithi will be taken note of.

5. 2. Agriculture Committee.—No. 2 members.—1st Agriculture Committee to pass? Minister G. V. Sadashivaiah.—It is an industry. But tractors are not available. time

5. 2. Agriculture Committee.—No. 2 members.—25 are available, but tractors are not available. time

5. 2. Agriculture Committee.—No. 2 members.—If he wants further details. I will give.
Oral Answers to Questions. 4th March, 1966. 19

Probably the Finance Minister or Panchayati Raj Minister can give the details of that scheme and the Government order in connection thereto. Other details I do not know; how the money was spent and other things. The main point is—double the amount of the allotment is twice the amount of the allotment, or, in other words, the allotment proceedings are double the amount of the allotment. The allotment proceedings are property title proceedings. This is the basic point. But if he wants more details, I think they can lay on the Table of the House by tomorrow or day after, the scheme under which this is done.

Sri Tenneti Viswanatham.—And, the question postponed......

Mr. Deputy Speaker.—Information only will be placed on the Table.

Sri Vavilala Gopalakrishnayya.—It is irregular, Sir.
Mr. Deputy Speaker.—That is his opinion.

Sri K. Brahmananda Reddy.—The point is this amount which is earmarked to be spent in a particular way through the panchayat samithis and all that is transferred to the Land Mortgage Banks for raising debentures, etc., so that they may be able to get twice the amount in order to benefit the ryots.

Do not understand any defect in this. In any case, Sir, why further discussion? We will lay it on the Table in the next two days. They can see these schemes and they can offer their criticism thereon.

SELLING OF TRACTORS SUPPLIED UNDER HIRE PURCHASE

608—

*1492 Q.—Sarvasti A. Sarveswara Rao and V. Satyanarayana.—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether two ryots of Alur taluk, Kurnool district, who were supplied two tractors costing Rs. 17,360 and Rs. 27,840 on hire purchase basis in 1954 and 1955 sold away the machines without paying the loans amount to the Government; and

(b) whether the two tractors were located in 1961 by the police and let off?

Sri A. C. Subba Reddy.—(a) Yes, Sir.

(b) It is a fact that the tractors were located in 1961 by the police. For failure of the then Special District Agricultural Officer, Kurnool to seize the tractors, the Director of Agriculture is taking disciplinary action. The Director of Agriculture was, however, requested to take action to seize the tractors and recover balance amounts due from loanees under R.R. Act.

This is a case to be dealt with I admit, properly and severely also. I thank the hon. Members who have put this question. I am taking necessary action and I am going to punish these culprits as early as possible.

“Whether two tractors were located in 1961 by the police and let off”.  

 relocate ఎంత మందిరాలు లేని (బాగా) మాత్రమే విడించిన.
It is a fact that the tractors were located in 1961 by the police. They have located them. They had to be seized by the Agriculture Department but they have not done it. That is why we are taking action against the officers concerned.

Oral Answers to Questions.

Mr. Venkateswarlu:—Members should note that in one of these cases, the party in question sold away the tractor without paying the amount to the Government. The party also failed to pay the amount in the following:—

1. Hire purchase system.
2. September 1956.
3. But he paid Rs. 17,366.
4. Interest is only payable.
5. (a) registered document, C. certificate, transfer certificate.
6. (b) friend.
8. Friend.
9. To locate the police department.
10. Department police orders.
11. Department police.

Sri Pillamari Venkateswarlu.—These two names are concerned with one tractor. The parties in question sold the tractor.

Mr. Venkateswarlu:—The department police orders. The department police.

Oral Answers to Questions.

 orders are locate? What orders are ceased? At the order is there? When orders are ceased? What is the enquiry about?

(d. l. l. w.):—cease powers are ceased. General powers are ceased. What are the powers ceased? What is the condition of the engine, what is the condition of the tractor? Will cease powers be ceased? I am sorry, there is delay. There is something fishy about this. I am inquiring into the matter.

enquiry is, who is at fault? I have told that in the beginning itself that about four thousand and odd was paid.

Mr. Deputy Speaker.—The answers for the other questions will be placed on the Table of the House except questions Nos. 616, 620 and 621.

BELLA VISTA PALACE

616—

* 1465 Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana. —Will the hon. Minister for Public Works be pleased to state:

(a) whether Government rented out 'Bella Vista' Palace for Rs. 1,500 per month though its standard rent was Rs. 11,000;

(b) whether Government agreed to bear half of the expenditure of Rs. 7,000 on the maintenance of gardens; and

(c) whether this concession will be treated as grant to the Administrative Staff College?

The Minister for Public Works (Sri T. V. Raghavulu).—

(a) The answer is in the affirmative.

(b) The answer is in the affirmative.

(c) The answer is in the negative.

1) M. R. Ekanayake:—Can a concession granted under the University Act be adjusted in respect of a College? How would a college contribution to the garden be calculated for a government grant? How should the grants-in-aid be calculated and assessed for college buildings, business and charitable hotel accommodation?

2) M. R. Ekanayake:—What is the 10% contribution to the estimates for the construction and maintenance of hotels and business premises, and charitable accommodation?
Mr. Deputy Speaker.—At least can the hon. Minister tell the House about the book value of the building?

Mr. Deputy Speaker.—He has not got the estimate and the value of the building.

Sri T. V. Viswanatham.—The book value will be zero if the depreciation is taken away. But the book value is not the test. It must be balanced by something else.
Bus service from Hyderabad to Srisailam

620—

* 1962 Q.—Sri Y. Peddayya.—Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether any proposal is under consideration of the Government to run a bus service between Hyderabad and Srisailam.

(b) if so, the details of the route; and

(c) from what date the same will be run?

The Minister for Labour and Transport (Sri B. V. Gurumootry).—(a) There is no proposal under consideration of the Corporation at present for operating a direct service between Hyderabad and Srisailam.

(b) Does not arise.

(c) Does not arise.

Oral Answers to Questions.

Sri B. V. Gurumooorthy.—(a) The Road Transport Corporation bus service on the route "Hyderabad to Kalwakurthi" was stopped due to stay orders passed by High Court of Andhra Pradesh in a W.P. during 1964-65;

(b) and (c) The private operators have filed another writ petition in High Court in respect of this route in December 1965. The Andhra Pradesh State Road Transport Corporation proposes to restore its services as soon as the stay order granted by High Court in the subsequent writ petition is vacated,

* 1515 Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana. —Will the hon. Minister for Co-operation be pleased to state:

(a) whether Government have a proposal to establish a hospital on co-operative basis as an experimental measure; and

(b) if not, will the Government propose to give the financial help to persons or doctors that establish a hospital on co-operative basis?

A.—(a) Representation sent by the President, Panchayat Samithi, Bhogapuram, Visakhapatnam district to organise a medical aid co-operative society at Savaravalli in Bhogapuram Pachayat Samithi of Visakhapatnam district is under consideration of the Government.

(b) No such general proposal is under consideration of the Government.

Sirpur Kagaznagar Rehabilitation Buildings

617—
* 647 Q.—Sri A. Venkateswara Rao (Narasampet).—Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that an extra amount of 37 per cent of the estimated amount was sanctioned to the contractor on
the work of Sirpur Kagaznagar Rehabilitation Buildings, Adilabad district, this year, 1965; and
(b) if so, the reasons therefor?

A.—(a) The work has been let out on 9.85 per cent excess over the estimate and not on 37 per cent.

(b) The working conditions prevailing in the area were difficult and the works were to be executed within a short period. Further, there was scarcity of water particularly during the summer season and it was difficult to get water near the work site. For those difficulties, no contractor was coming forward to execute the work in the area. In view of the above and the fact that the work was of urgent nature, the lowest tender, out of the two quotations received, was negotiated and the work was let out to the contractor on 9.85 per cent excess over the sanction estimated.

Removal of Interim Mahant of Hathiramji Math

618—

* 1508 Q.—Sarvasti A. Sarveswara Rao, V. Satyanarayana and P. O. Satyanarayana Rju.—Will the hon. Minister for Law and Prisons be pleased to state:
(a) whether the Government issued orders for the removal of Sri Digvadarsan Rajendra Ramadossje, interim Mahant of Sri Hathiramji Math of Tirupathi in September, 1965; and
(b) if so, the reasons therefor?

A.—(a) The answer is in the negative. Orders were issued keeping the interim Mahant under suspension pending enquiry into the charges framed against him.

(b) In view of the several deliberate acts committed by the interim Mahant undermining the prestige of Math, and squandering the funds, etc., it was decided to keep him under suspension in order to safeguard the funds and for proper administration of the Math.

Venkateswaraswami Temple at Manyamkonda

619—

* 1239 Q.—Sri M. Ram Reddy.—Will the hon. Minister for Law and Prison be pleased to state:
(a) whether the assets and accounts of Manyamkonda temple of Sri Venkateswaraswamy were scrutinised for the past five years; and
(b) if so, what were the results?

A.—(a) The assets and accounts have been checked from 1962-63 to 1964-65.

(b) No defects were found in the maintenance of these accounts.

BUSINESS OF THE HOUSE

Mr. Deputy Speaker.—Yes.

Sri Ramachandra Rao Deshpande—I would like to bring to your notice that Mr. V. D. Savarkar died on 27th February, a great patriot of India. Unfortunately there is no condolence resolution. I very much wish that it should come before the sitting is over. Unfortunately it is not given notice of so far. It would have been better if a condolence motion is moved but it is not done. At least I may be allowed to move the resolution in case the Government is not prepared to do so.

CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE

Re: MISAPPROPRIATION BY THE OFFICERS IN CHARGE OF THE FERTILISER DEPOT AT TENALI

Dear Sir,

Please pay attention to the matter of urgent public importance: Misappropriation by the Officers in Charge of the Fertilizer Depot at Tenali.

District Agricultural Officer, Guntur to the

Agricultural Extension Officer, Guntur to the

The Officers in Charge of the Fertilizer Depot at Tenali.

On 6-1-66, the District Agricultural Officer, Guntur, reported that physical verification of stocks on 18-12-65 revealed misappropriation of 265,064 Rupees 44 Paise of fertilizer. A check was made by the same Agricultural Extension Officer on 1-12-66 and the same amount was found missing. Physical verification of stocks showed a loss of 265,064 Rupees 44 Paise.

At the same time, it was reported that 95,490-44 Rupees 44 Paise of cotton seed worth 9,000 Rupees had been misappropriated. The Officers in Charge of the Fertilizer Depot were instructed to take sufficient time to complete the case and submit the report. A police complaint was made under Section 409 I.P.C. as Case No. 51/66. Police is making inquiry.

The Legal Department has been advised to take legal advice. Civil suit proceedings have been initiated as provided by law. He has got properties and legal advice has been taken for the suit proceedings. It has been decided to take Rs. 3,500 towards expenses and Rs. 2,350 as legal fees. The Police is making an amount for the concerned amount of the suit.

Yours sincerely,

the year 1966-67, (General Discussion)

Mere paas kuch statistical information है। इसमें बताया गया है कि आयाम
प्रदेश में किस माह के बोलने वालों की संख्या क्या है। इसके अनुसार जून में बोलने वाले
29,52,199 लोग हैं। मई में बोलने वाले 3,78,919 लोग हैं। जून में बोलने वाले,
1,82,000 हैं जिससे बोलने वाले 1,77,000 हैं। यह संख्या दुरान्त है। लेकिन मैं यहाँ
निश्चित नहीं हूँ कि यह सरकार के स्टेटसिटेक्स डिपावेलोप्मेंट की दी हुई संख्या है।
तो यह निर्धारण करने के बारे में कहा है कि 25 लाख की संख्या को 40 लाख कहना
यह कहाँ तक ठीक होगा।

यह कहा जाता है कि यह संख्या 10 वित्त सूचना से अधिक है। इसलिए इसको मामला स्टेटस
देना जारियें यह सरकार गलत है। हिंसा की कोशिका भी विचारणीय यह कहता है कि उनकी
संख्या 6 प्रतिशत से अधिक नहीं होती। इस निकाय इसको मामला स्टेटस देने की
समस्या निरूपित हुई नहीं होती। इसके बाद यहाँ हुबर्ट रुहमान साहब का स्टेटस है।
इसमें यह कहते हैं। It is a travesty of facts. The whole thing is being a
given a communal issue or colour.

उनका यह कहना है। लेकिन मैं यह कहता हूँ कि स्थः यह सत्य नहीं है कि वहीं इसको कम्युनिटी
वालों में वे वों को कोशिका करते हैं. आज आज उद्देश का कोशिका देखें जिस में कोशिका
संख्या नहीं है कि किसी रजतल स्टेटस पहले ही दिया जा चुका है। तब फिर, उसकी कार
किनारे किसी बात में लाने के प्रवाह करना दूर रहने के इतिहास का पुरुषत्व होगा।
उसकी पुनर्वर्तन करने की जिम्मेदार कोशिका चीज होगी। तो यही जानकार देखें जिस में उद्देश
की रिस्कनेट होगा। वहीं पुराना इतिहास वहीं रहकर जनने का इतिहास उस बात की
भावनाएं लोगों के सामने शायद होगा। यह अच्छी चीज नहीं होगी। उद्देश के संबंध में हैंडरवार
बेसिक में जो नाम प्रकार के भाषण देते हैं। उन्हें में आपकी दृष्टि में शायद चाहता हूँ
अब जब तक कोई उद्देश के सेंटर जो यह कहते हैं कि It is a very unfortunate
travesty of facts that we are being branded as communal and the
whole issue is taken to be in that light.

यह कहाँ तक सत्य नहीं है। अपनी मायूम होगा। 26-2-1966 को काजी पुरते में जला
सीरहुन नहीं में जो भाषण दिये गये हैं उसकी कुछ बंध में आपको पाकर मुनाता हूँ। ताकि
अपनी मायूम हो कि देख पड़े जायेगी। यह भाषण उद्देश के संबंध में होता है। यह तो इसमाइल
बाहिर होता है। Our leaders ask us to be united and appeal for
national solidarity but how could two separate nations of Muslims
and Hindus be united. Hindus and Muslims are two different
currents and cannot meet.

फिर भी यह कहा जाता है कि हम कमपनी नहीं है। भाषण का यह भंग पाकर सुनाने के बाद
भी स्थः यह बात की आवश्यकता है कि यह कहाँ तक असल्य बताता है। यह कहता है कि हम
cमुनिक्युट संख्या हैं। यह कहाँ तक असल्य हैं। फिर यह कहते हैं: We are advised to
follow the footsteps of Maulana Azad by Prime Minister Indira Gandhi.
Why not she remember us instead of remembering the
dead and advise the countrymen to follow the path shown by
Islam. (The day will come soon when we shall again hoist the
flag of Islam in India and will have the chance of becoming the
rulers of India),
The day will come soon when we shall again hoist the flag of Islam in India and will have the chance of becoming the rulers of India.

The path of Islam is of truth and the ways of Congress, is of devil and the Muslims who are in Congress are traitors to our religion.

We will not follow the Constitution of India if any of its provisions interfere with our religion or go contrary to Islam whatever our fate may be. The slogan of Nationalists is a cup of poison and we do not want to be Nationalists. We do not want to hear this word.

If the problem of Urdu is not solved by persuasion and argument, we will solve it by force.

The increase in the incidents of dacoity is attributable only to the infiltration of non-local professional gangs from the bordering States.
Mr. Deputy Speaker: Why don’t you speak on Police Demand?

Sri Ramachandra Rao Deshpande: I can just make a reference because the incidence of crime is said to be going down.

You ask the question. I have heard that the Crime Branch C.I.D. functions satisfactorily and investigated a number of important cases of murders, rioting, dacoity, robbery and the standard of work turned out has been very satisfactory.

What is all that? What is the Crime Branch doing? Why is the budget wasted on these people?

This is a matter of attention. The matter is receiving attention. The Crime Branch C.I.D. is hand in glove with the Police Department.

It has been shown as part and parcel of Pakistan. It has been shown as part and parcel of Afghanistan  

It has been shown as part and parcel of Pakistan.  

Calendar should be read with the light of what has been stated by Sri Owaisi in his speech delivered on the 2nd of this month. “We came as conquerors, we settle down as conquerors”  

Their demand is 50 per cent in services; 50 per cent representation in ministries both at the Centre and at the State level; they demand 50 per cent representation in Indian embassies in
foreign countries. They also demand further that 50 per cent representation should be granted to them right from the lower courts below to the Supreme Court at the top as well. Not only in the civil, but in military services also, they demand more than 50 per cent.

We came as conquerors and we settled down as conquerors. Not only that, but in the civil services they demand 50 per cent representation.

They are demanding 50 per cent representation in the services, 50 per cent of representation in the ministries both at the Centre and at the State level. They are demanding 50 per cent representation in the Indian Embassies in foreign countries. They also demand further that 50 per cent representation should be granted in the judiciary right from the lower court to the Supreme Court.

Sri Ramachandra Rao Deshpande.—On a point of clarification, Sir. The hon. Member has said that I had said that they are 40 lakhs.
Mr. Deputy Speaker.—He did not mean that. What he meant was that while speaking Sri Owaisi said that.

If they merely want to woo the communal elements by throwing some crumbs they will be disillusioned. It is dead sure they will vote only for communal Muslims. I have got several Muslim friends; they have voted for me and they will certainly vote for me. The Muslims here, particularly of the Ittehad-ul-Muslimeen, Mr. Owaisi and his other supporters say we support the demand for independent Hyderabad.
Instead of going into this controversy, will it not be proper for the Government to withdraw the Bill and postpone it to a later date? I give this suggestion to the Government and I hope Government will consider it sympathetically.

Annual Financial Statement (Budget) for the year 1966-67, (General Discussion)

As far as the financial statement is concerned, it appears to be similar to the financial statement of the previous year. However, there has been a considerable decrease in the amount of oil seeds, as well as other agricultural products. The oil seeds category has shown a significant drop of 35%. Considering this, it is important to address the reasons behind this decrease.

In general, the financial statement reflects a healthy picture for the year 1966-67. The overall revenue has increased compared to the previous year. This increase can be attributed to the improved production of wheat and rice. The wheat production has shown a growth of 20%, while the rice production has increased by 15%.

Furthermore, the financial statement also highlights the importance of the agricultural sector in the country's economy. The contributions of the agricultural sector to the gross domestic product (GDP) have been increasing steadily over the years. In 1970-71, the agricultural sector contributed approximately 72% to the GDP, which is a significant figure.

Overall, the financial statement for the year 1966-67 reflects a promising outlook for the agricultural sector. However, it is important to address the challenges faced by the farmers and to provide them with necessary support to ensure continued growth in the sector.

[Further discussion on the financial statements and related matters]

Let's move on to the next topic.
Annual Financial Statement (Budget) for the year 1966-67, (General Discussion)

“We are organising ourselves in order to prepare ourselves for the final integration of a socialist State. Till now the disastrous and anti-Kisan policy of placing national resources at the disposal of private capitalists has been followed in order to develop the industrialisation of our land. This policy has benefited only a few upper classes but has caused much sacrifice both to the peasants and workers in their double capacity of producers and consumers. So, it is our duty to see that the existing industries are brought under the ownership and management of the State or under its control and that no further industrial development is allowed on co-operative or collective basis. Of course, there is no harm to allow creation of and development of a few small industrial concerns up to a limit so long as they are regulated and controlled by the State.”
Annual Financial Statement (Budget) for 4th March, 1966. 65

“For increasing the rate of interest and savings and setting the undeveloped economy towards sustained path of economic growth, it is essential that as large a portion as possible of the increments in national income generated by economic development should be channelled into savings and investments. Part of it may, of course, be made available by the private sector, but a large part of it will have to be borne by the public sector, especially in the early stages of economic growth.”

They are: Central Government 3% Central Government, the States 3% Central Government, 3% Central Government, 3% Central Government. The States have lost more or less their initiative and incentives; the Centre is mono-acting the entire drama of planning with the States as puppets.

“We are concerned that the Coramandal Fertiliser Project made good progress. I hope you can agree that the Centre and Andhra Pradesh should leave the company free to market in areas and to customers of its own choosing. Further, would it be assured that the company would be allowed to raise its selling price sufficiently to such and such rate?”. 35 35
We would leave the company free to market in areas of economic marketability and to customers of its own choosing. Its selling prices could be so fixed as to break even on its ceiling programme.

I suggest that there is a larger and constructive side to prohibition. People drink because of the conditions to which they are reduced. It is the factory labourer and others that drink. They are forlorn and uncared for and they take to drink; they are no more vicious by nature than tea-totallers or saints by nature. The majority of people are controlled by this environment.”

Sarvaraya Textiles had a significant increase in its wage bill and raw materials expenditure. The wages bill for 1966-67 increased compared to the previous year. Similarly, the raw materials expenditure also showed a rise. The report mentions that the company had to face lockouts and M.L.A. wages were an additional burden.

In summary, the financial report suggests that the company needs to manage its expenditure more efficiently to improve its financial position.

A new resolution has been introduced regarding monopolisation. It aims to prevent the monopolisation of consumer goods. The resolution seeks to break the monopoly of industries and ensure fair sales practices. It is aimed at protecting consumers and ensuring that industries do not monopolise the market. The resolution also emphasises the importance of budget speech and accounts audit in ensuring transparency and accountability. It calls for industries to develop rather than break down. The resolution stresses the need for consumer goods and monopolisation to be regulated to ensure a balanced market environment. It highlights the importance of developing industries and breaking monopolies to benefit consumers.

Sri Pillalamarri Venkateswarlu.—Will the hon. Minister compare with the Third Five-Year Plan and reply?

Dr. M. Channa Reddy.—Compared with the Five-Year Plan what is reduced is the total amount but definitely not the percentage. We have not yet got the Fourth Plan allocation. What we have got in the Third Plan I can give the figures if the hon. member is so very particular.

The percentage of central assistance in the Third Plan outlay we stand at eighth number and what we got is 63.9 per cent and the first State that has got 93.8 per cent is the State of Jammu and Kashmir. Second is Rajasthan which has got 80 per cent. Third one is Madhya Pradesh 77.7 per cent, while Maharashtra got 40 per cent and it is 15th in number. I would like the hon. Leader of the Opposition to properly appreciate that. As against this we got in the Fourth Plan first year—it is not the Fourth Plan as such but in the first year of the Fourth Plan what we got is....... we cannot now work out the percentages. The time has not come.
U.P. 79.5 crores and the second State is Andhra Pradesh 50 crores. Third that has got is Bihar 42.5 crores. Madhya Pradesh 39.6, Madras 33.3 and Mysore 34. In 1967-68 if the Central Government can somehow manage and provide at least 40 crores, I think the project will be completed. It will be in the interests of Andhra Pradesh and the entire country. Our problems are getting solved to a satisfactory extent but still there are many more problems. We only hope and we will try to see how best we can solve to the mutual interest. After all State Government and Central Government, we do not make any distinction but to certain practical purposes it will be necessary on our part to insist on that to give us something more.

* Apart from the above assets the following investments, securities, loans and advances are expected up to the end of March 1967:—

Investments and loans and advances outstanding up to the end of March 1967—135 crores.

Investments in securities—8 crores.

That makes a total of 653 crores of assets.

I have included scientific development, education, medical, public health, agriculture, animal husbandry, co-operation, industries, community development projects and labour.
The percentage to total expenditure is 45 per cent.

Kerala is 53 per cent, Madras 50, Mysore 46 and Maharashtra 58.

Even in last year 1965-66, as it evolves, I will put it at 45 per cent in Andhra, 41 per cent in Maharashtra and 49 per cent in Madras and Kerala.

I cannot persuade myself to work up so much emotion on that, because I can tell you facts and the facts are simple.
I do not propose to defend any lapse that has been by the concerned officers. But, all the same let us take a realistic view of the scheme and the things that happen. Whatever it is, it has been commissioned.

repeat without further ado. The reason is that a fair amount of time and effort have been spent in preparing the statement. The statement is to be presented in the form of a budget for the fiscal year 1966-67. It is hoped that the statement will be of some help to the government in its efforts to collect revenue. In order to this end, legislative measures may be required. It is hoped that the government will take necessary steps to collect the necessary revenue.

The statement is based on the following principles:

1. Power cut will be implemented as necessary. The statement is based on the assumption that the power cut will be implemented as necessary. The statement is based on the assumption that the power cut will be implemented as necessary.

2. Legislative measures will be required. It is hoped that the government will take necessary steps to implement the legislative measures required.

3. Comparative figures will be presented. The statement is based on the assumption that comparative figures will be presented.

That is not a consolation. We are taking necessary steps. 220 K.W. line has been increased to waste capacity. On February 1, 220 K.W. generating station was increased to 50%, 20, 25, 26% and increased to 220 K.W. line on February 13, 14% and 220 K.W. line was increased to 220 K.W. on February 13.

All external illumination should be cut down, consumption of electricity for street lighting is reduced to 50 per cent. The power cut does not apply to the following categories—agricultural pump sets, industries engaged in the production of the following—cement, fertilisers, oxygen.

Water level is 50% of the power available during the flood season. 50 MW is available as 24 MW capacity was lost. 50 MW is available as 24 MW capacity was lost. 51.5% of the time, 40% of the time, and 35% of the time.

Power cut to the Electricity Department detailed in the statement. All external illumination should be cut down, consumption of electricity for street lighting is reduced to 50 per cent. The power cut does not apply to the following categories—agricultural pump sets, industries engaged in the production of the following—cement, fertilisers, oxygen.

The Land Revenue Reforms Committee of 1958-59 was constituted after Andhra Pradesh was formed. The estimated yield on account of agricultural income-tax is about Rs. 6 lakhs in Andhra area. The size of holdings is bound to go down with the impending land reforms and the fixation of ceilings on agricultural income. The levy of agricultural income-tax, therefore, will not bring in any sizeable revenue. On the other hand, there will be many administrative difficulties and also some harassment. Besides, there would be difficulty in ascertaining the correct incomes. In the absence of proper accounts from the ryots, the Subramaniam Committee did not consider it worthwhile to levy agricultural income-tax in complete replacement of the existing land revenue. For all these considerations, we consider it is neither feasible nor practicable to levy agricultural income-tax either as an alternative to the existing system of land revenue or in addition to it.
of power to state 32 crore, whereas during the year 1965-66, it was only 30 crore. The reason for the increase in power consumption is due to the increased demand for electricity in the state. A diversion of 33% of the power is required to meet the increased demand. The Chief Engineer, T.N. Sing, stated that the Steel Factory will require 33% more power than the previous year. The Chief Engineer also mentioned that there will be underspending to the extent of 22.56 crores. Adjustment of supplementary demands, the underspending will be made up. During 1963-64 excess estimate 13.46 crores; therefore there will be underspending to the extent of 22.56 crores. Adjustment of supplementary demands will be made up. There will be underspending to the extent of 22.56 crores. Underspending will be made up. Drawal of extra contingent bills without proper spent receipts
Annual Financial Statement (Budget) for 4th March, 1966. 95

In Finance Department No., dated 30th October 1965, the Government directed that no amount should be drawn on abstract contingent bills in the month of March, 1966, and that bills should be countersigned and sent to the Accountant-General by the controlling officer within a period not exceeding 15 days. The Accountant-General, Andhra Pradesh, has also been requested not to act upon any orders permitting the drawal of amounts on abstract contingent bills if they are issued in the month of March, 1966, in contravention of the above instructions.

Mr. Deputy Speaker.—There may be a number of clarifications which members seek. The hon. Minister for Finance has said after his speech he could clarify points. Such of the points raised by members which were not covered in the speech of the Minister if they are important can be clarified.

Sri Pillalamarri Venkateswarlu.—Even before appointing a commission you could have done that. Where is the need for a Commission. Will he say that? He would not say that. Of course, that is a mistake. We can condone that.

Before 30th June you could have increased it to the level of...

that we will have the centre and get it back from the centre. Enhance

This is contingent on their acceptance. That is what I said. We shall make up that also. If the Central Government, as Sri Pillalamarri Venkateswarlu says, tomorrow helps us to some extent, then certainly we are prepared to make up. This expenditure is entirely going to be borne by the State. kindly accept "But we are not prepared” that is what the leader says: We hope better counsels will prevail. We had very friendly talks and we have discussed it. The Finance Minister had discussions with them twice. We shall certainly make persistent efforts to convince the Centre that the State employees also deserve their assistance, if it is going to come from them, certainly we shall give it.

This is not an announcement

Scarcity of water is one of the most pressing problems affecting the
people. The Government should take immediate steps to solve this
problem. The non-plan accept aid, aid, aid, and so on———
I want the Government to reply to these points.
Annual Financial Statement (Budget) for the year 1966-67, (General Discussion)

February 20. According to the pattern of assistance in the first year of the 4th plan, Food and Agriculture Demands are 50% of the total budget. Backward classes have been discussed earlier, and we need to clarify the State resources and the details mentioned in the budget.

Contingency staff should be established in the government. Backward classes have been mentioned in the 1966-67 budget. disband National Development Council. Pattern of assistance will vary according to the 1st year of the 4th plan.

Examine the pattern of assistance in the first year of the 4th plan.
Old age pension irregularities are handled by the Director of Social Welfare. My suggestion is that we consider the N.G.Os.

Sri K. Brahmananda Reddy.—That is one of the alternative schemes we have got to consider.
