Oral Answers to Questions. 15th March 1966. 165

Sri K. Brahmananda Reddy:—This is primarily a matter for the Electricity Board. That is why we send it to the Board and get the information. Therefore we say the matter relates to the Electricity Board. The matter relates to the Board.

Sri D. Seetharamiah (Madanapalli):—"The matter relates to the Board"—The Minister is responsible. Board of Revenue's statutory responsibility is to be maintained. Electricity Board answer it relates to the Board. Officers say, Officers say, Officers say, Officers say, Officers say, Officers say. Are we to get the benefit by this sort of work, Sir?

Sri K. Brahmananda Reddy:—I have not given any instructions to the Congress Members or any member or even any public. Any friend is entitled to represent to the Government about extension of electricity. There is no harm. He also can give. If he gives it to-day I will take it and he can encourage other friends also. Whether it should be done is a different matter depending upon money, etc.
166  15th March 1966.  Oral Answers to Questions

Sri B. Narasimha Ramaiah (Put by Sri B. Naganath Rao (Warangal)) : Will the Chief Minister be pleased to state:
(a) the number and names of the villages in Pakala Samithi, Warangal district which have been surveyed so far for the purpose of supply of electricity; and

Supply of Electricity to Villages in Pakala Samithi, Warangal District.

*1137 Q.—Sri R. Narasimha Ramaiah (Put by Sri B. Naganath Rao (Warangal)) :—Will hon. the Chief Minister be pleased to state:

(a) the number and names of the villages in Pakala Samithi, Warangal district which have been surveyed so far for the purpose of supply of electricity; and

(b) when the works will be taken up?

Sri K. Brahmananda Reddy:—The matter relates to the Andhra Pradesh State Electricity Board. As ascertained from them the reply is as follows.

(a)
1. Venkatapuram.
2. Peddakondapaka.
3. Mylaram.
4. Ramareddypalle.
5. Hussainpalle.
6. Aliyabad.
7. Govindapuram, hamlet of Peddakondapaka.

(b) The above villages will be considered for electrification in IV Plan period depending on the availability of funds.

SUPPLY OF ELECTRICITY TO WELLS IN CUDAPAH DISTRICT.

844—

"655 Q.—Sri K. Mara Reddy (Rajampet):—Will the hon. the Chief Minister be pleased to state:

(a) whether the Government are aware that there are more than ten applications for the supply of Electricity for the wells at Mannur, Rajampeta taluk, Cuddapah district awaiting consideration for more than four years; and

(b) the reasons for the delay?

Sri K. Brahmananda Reddy:—The matter relates to Andhra Pradesh State Electricity Board. (a) No applications are pending for more than 4 years.

(b) Does not arise.

Mannur village in Rajampet taluk of Cuddapah district has an existing distribution energised on 20th April 1958 and 39 applications have been received for the supply of electricity to wells of Mannur village since the date of energisation up to date. Out of the 39 applications, 28 applications have already been disposed of. The remaining 11 applications which are still pending are reported to have been received after August 1965. These 11 applications cannot therefore be taken as pending for more than four years. The Chief Engineer, Electricity Board has reported in this connection that these pending applications
require extension of lines and additional transformers and that sanction of electricity will be accorded to the above wells if the schemes are found in order.

Extension of Benefit of Pay Scales Recommended by the Two Man Committee.

845—

"227 Q.—Sri P. Ramachandra Reddy (Sangareddy):—Will the hon. Minister for Finance be pleased to state:

(a) whether it is a fact that Government is considering to extend the benefit of pay scales recommended by the Two Man Committee to the employees appointed after 1st November 1958;

(b) whether it is also a fact that the Government is considering to extend the benefit of revised pay scales to persons who were promoted to higher categories after 1st November 1961; and if so, when the orders are going to be issued in this regard?

The Minister for Finance (Dr. M. Chenna Reddy):—(a) The question put-up by the hon. Member is not clear. It is presumed that reference is to recommendations made in paragraphs 12 and 13 of the Two Man Committee Report. If so, the position is clarified as follows:—

(b) In G.O. Ms. No. 54, Finance (P.C.), dated 24th February 1964 orders have already been issued, accepting the recommendations of the Two Man Committee with effect from 1st January 1964. In G.O. Ms. No. 216, dated 16th August 1965, the recommendations as contained in paragraphs (12) to (13) of the "Two Man Committee's Report" have been extended to persons appointed or promoted to the posts in question during 1st November 1958 and 31st October 1961, and also in respect of direct recruits and appointees by transfer during 1st November 1958 and 31st October 1961 subject to the condition that they continue to hold the respective posts on 1st January 1964. No such proposals are under consideration of Government.

Sri P. Ramachandra Reddy:—In this Two-Man Committee if the emoluments are not going to be given, will it be considered at the time of fixation of pay without arrears? Are such things under consideration of the Government?
Dr M. Chenna Reddy:—As I have said, the question of giving allowance or the concession for the people who have been appointed during the period mentioned have been accepted by the Government.

Among other things, recommended that the benefit of the increase in pay recommended by the Two-Man Committee in paragraphs 12 and 13 of the Report be extended for the persons appointed or promoted to the posts in question during 1st November 1958 and 31st October 1961.

They have already been covered.
In the Departments of the Secretariat, Andhra employees working as Lower Division Clerks, Typists and Stenotypists before 1st November 1958 and promoted to the posts of Upper Division Clerks, now Assistants during the period from 1st November 1958 and 31st October 1961 and worked as such on 1st January 1964 shall be allowed the benefit of increase in pay and the Secretariat allowance of Rs. 20 per month mentioned in paragraph 12 of the Report. All these difficulties have been removed.
In clause (b) of this G.O. there is also a category in the offices of the Heads of Departments. Andhra employees working prior to 1st November 1958 as Lower Division Clerks, Typists and Steno-Typists promoted as Upper Division Clerks and the Upper Division Clerks promoted as Superintendents during the period from 1st November 1958 to 31st October 1961 and worked as such on 1st January 1964 shall be allowed the benefit of increase in pay recommended in paragraph 13.

Sri Ramachandra Rao Deshpande:—Under the Nagarjunsagar Project, there are some half a dozen or a dozen Upper Division Clerks and Lower Division Clerks who have not been confirmed at all. Will they also be covered under this and if so, will the Government take action?

Dr. M. Chenna Reddy:—That all depends upon when they were appointed; what kind of category; why they were not made permanent. It is very difficult to say like this. If the hon. Member desires he can certainly pass it on to me.

(b) The Manual is a Central Government publication. It is understood that the manual is currently being amended so as to incorporate various provisions relating to Ten Year Treasury Savings Deposit Certificates, Gold Bonds, etc.

Oral Answers to Questions.

Sri A. P. Vairavelu Chetty (Put. by Sri P. Rajagopala Naidu):—Will the hon. Minister for Finance be pleased to state:

(a) whether the Government propose to dispose off the Sri Venkateswara Paper and Straw Board Mills, Tirupati, to any private party; and

(b) if so, on what terms and to whom?
Dr. M. Chenna Reddy:—(a) and (b) Government have issued orders, after calling for sealed tenders, for the sale of the Sri Venkateswara Paper and Straw Board Mills, Tirupati to Sri Y. S. Krishnaiah for a price of Rs. 3,36,755. According to the terms the party has to pay 10 per cent of the price within one month from the date of acceptance of offer. 30 per cent within six months from the date of payment of initial deposit and the balance within 12 months from the date of payment of initial deposit. Another condition is that the Mill will be run at Tirupati itself.

(a) Government have issued orders, after calling for sealed tenders, for the sale of the Sri Venkateswara Paper and Straw Board Mills, Tirupati to Sri Y. S. Krishnaiah for a price of Rs. 3,36,755. According to the terms the party has to pay 10 per cent of the price within one month from the date of acceptance of offer. 30 per cent within six months from the date of payment of initial deposit and the balance within 12 months from the date of payment of initial deposit. Another condition is that the Mill will be run at Tirupati itself.

(b) It is a private company. But that was given assistance. Then it ran into difficulties. Therefore it went into liquidation and ultimately in October 1953 in the court auction 2.72 lakhs (Rs 5.0 lakhs) was sold. Hence the Government has forfeited Re. 1.0 lakh. Messrs. Associated Business Corporation Ltd., Madras, have offered to purchase in 1959 for Rs. 5.0 lakhs. They have given an advance of Re. 1.0 lakh. And that Re. 1.0 lakh has been forfeited in favour of the Government.
Said the Member:—1948 "The 33  industry  is  not  running"  may be.  Will  this  10 percent  be  definitely some  amount outstanding.  It has expired in November 1965.  They  have not done it.  They  have asked  extension.  The Government did not agree;  and we are  now considering what steps we should take, because we have forfeited this 10 percent and we have again called for tenders. Meanwhile, I may also inform the  House that the department is also examining the possibility of running this industry by itself. The officers went there.  I may also state that the suggestion they made involves huge amount.  The Government thought that it may not be wise to invest so much amount by taking the industry and instead it could be disposed of.

Sr. (5496) Q.—Sri P. Shyamsunder Rao:—Will the hon Minister for Finance be pleased to state—

(a) whether the Government propose to discontinue the collection of interest on the loans advanced for the construction of houses to the Handloom Weavers in the State; and

(b) whether the Government propose to assign house-sites to the Handloom Weavers and advance loans for the construction of houses instead of themselves constructing houses for them?

Dr. M. Chenna Reddy:—(a) Collection of arrear instalments with interest in respect of housing colonies has been suspended temporarily in June 1965, and the concurrence of Government of India in the matter is awaited.

(b) There is no particular scheme of the Government to assign house-sites to the Handloom Weavers, apart from the general scheme of assigning house-sites. Government are not constructing houses for the Weavers but loans and grants are given to the Societies for construction of houses.

Sri. E. Rama Dev:—Is there information that wrong certificates have been issued by the M.L.As.? Now why this decision has been taken, I do not know.

Sri B. Rama Dev:—There is information that wrong certificates have been issued by the M.L.As. Why this decision has been taken, I do not know.

Sri Pillalamarri Venkateswarlu:—On a point of order Sir. Non-officials have no obligation to enquire. Therefore, she has not cast any aspersion. If a point of order is raised, it is under no obligation to enquire. It does not mean that M.L.As. are giving false certificates. Certainly not. M.L.As. will always give good certificates.

Sri K. Brahmananda Reddy:—She has not cast any aspersion. There is no aspersion at all. The reasons for this are as follows:

1. Non-officials have no obligation to enquire.
2. It does not mean that M.L.As. are giving false certificates. Certainly not. M.L.As. will always give good certificates.

No, Sir
(b) Does not arise

Sri Ramachandra Rao Deshpande:—Sir, I would like to invite the attention of the hon. Minister through you, Sir, to G.O. In all these, it has been categorically stated that in all high schools there will be I Grade Pandits and posts will be created and appointments will be made. But now the question is that there are no posts created in all high schools and there are no appointments. Will the hon. Minister see that it is done? That is the specific question. But in spite of that, there is reply for question (a) saying 'no'. I do not understand this.

Sri A. Balarami Reddy:—The question is with regard to Grade I Pandit in Hindi, not all Hindi Pandits. The hon. Member has read several G.Os which do not cover anything about Grade I Pandits.

Sri Ramachandra Rao Deshpande:—This pertains to I Grade Pandits. I have got the number wherein it is stated that there will be I grade pandits appointed in all the high schools.

Mr. Deputy Speaker:—He says it does not pertain to that.

It is not in respect of Grade I Pandit, Sir.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE.

RF: Misappropriation of electric wire worth Rs. 1,75,000 in Warangal in the month of February.

Shri K. Brahmananda Reddy:—Sir, Sri Balaramayya, Lineman, O.S.S. Depot, Siddipet, has drawn materials worth about Rs 1.18 lakhs on 28th October 1965. The requisitions for the materials though countersigned by the Assistant Engineer in charge of distribution, were not signed by the S.O. Sri Sidharamulu under the columns "Indentor and Receiver". When only the requisition is valid for drawal of materials. Sri Balaramayya, Lineman, has stolen the requisition book, made the entries for the materials, forged the signature of the Section Officer in both the columns (Indentor and Receiver), presented the requisitions in the stores and drawn the materials on 28th October 1965. The Assistant Engineer, Central Stores, who is the competent officer, to authorise the issue of the materials was

not present on that day at Warangal and was on camp. The Section Officers, namely, Sri Sirajul Haque, in charge of the Indoor Stores and Sri V. L. Raja Reddy, Section Officer, Outdoor Stores, had issued the materials on their own responsibilities without observing the prescribed procedure.

The Lineman has drawn the materials, removed them from the Central Stores, loaded the materials in two lorries, one belonging to Warangal Co-operative Marketing Society and the other, a private lorry, and transported them to Hyderabad. Sri Balaramayya, the Lineman, signed the counterfoil of the gate pass. Instead of furnishing the correct information in the gate pass, i.e., quantities drawn, mode of transport and vehicle No., etc., wrong informations were recorded in the gate pass. The gate passes have been written by the Stores Assistant, Sri Shaik Amir, working under the Section Officer in charge of the Stores. The concerned Section Officer should have brought the issue of materials to the notice of the Assistant Engineer/Central Stores and obtained his orders, but he has not acted accordingly.

The two requisitions presented to Warangal Stores are for drawal of materials from one division to the other division. When the transfer Divisional Advice with debit was raised by the Divisional Engineer, Warangal, who is in charge of stores at Warangal to the account of Divisional Electrical Engineer, Sangareddy, for acceptance, the fraud was detected on 22nd January 1966, since the Assistant Engineer and the Indenting Officer intimated the D.E., Sangareddy, that they have not drawn such materials in question. Investigation was immediately started and departmental action was taken on the following employees placing them under suspension:

1. Sri P. S. Sunderaj, Junior Engineer, Operation, Sangareddy.
2. Sri Sirajul Haque, Section Officer, Indoor Stores, Warangal.
3. Sri V. L. Raja Reddy, Section Officer, Outdoor Stores, Warangal.

Further investigation is still going on. As this is a pre-planned prima facie cheating by departmental staff with the connivance of private parties, the case has been handed over to the police for further investigation which is under progress.

The same Lineman, Sri Balaramayya, under the control of the Divisional Engineer, Electricity, Sangareddy, has drawn four drums of A.C.S.R. worth Rs. 21,000 on similar fraudulent
circumstances and this fraudulent incident was also detected by the Divisional Engineer, Electricity, Sangareddy, on 18th December 1965. Departmental action has been taken against the persons responsible. The Assistant Engineer, Central Stores, Nizamabad, and Section Officers concerned, were kept under suspension. Police have also been informed and police investigation is in progress.

In both the incidents, departmental staff are involved and departmental action has been taken in both the incidents and both the cases have been handed over to the police.

The Additional I.G.P. was contacted. He himself is pursuing the matter vigorously and it is understood that some are absconding.

I would request the hon. Member to pass it on to me or to the Additional I.G.P.

re: Hail Storm at Togipet in Medak District.

Sri N Ramachandra Reddy — The Collector of Medak has reported that hailstorm on an unprecedented scale has occurred in Andole and Narayanakhed taluks of Medak district on the night of 29th January 1966 and has caused extensive damage to the standing crops of Rabi, Jawar and Chillies. The fourth Member, Board of Revenue, visited a few of the affected villages in Andole taluk on 7th February 1966 along with the Collector, Revenue Divisional Officer and Tahsildar and observed that the damage to Rabi crops, mostly Jawar and chillies has been extensive. It was reported that 18 villages in Andole taluk and 2 villages in Narayanakhed taluk have been totally affected and 12 villages in Andole and 18 villages in Narayanakhed have been partially affected. But the exact damage and the scale of relief can be determined only after field to field inspection of the villages by the Revenue Officers is over. The Collector has been instructed to complete the field inspection early.

As regards immediate relief, the villagers wanted financial aid for purchase of fodder and starting of some relief works to afford employment and the establishment of fair price grain shops in the villages. The question of sanctioning an amount of Rs. 2 lakhs from out of the Distress Taccavi for affording immediate relief to the needy ryots is under active consideration of the Government.

As regards relief works, the Collector has been advised to start the works already sanctioned in the affected areas, as there is one Minor Irrigation tank restoration work (Bokam Cheruvu) which could be started on departmental basis. There is another work relating to the excavation of a channel 'Kattu Kalva', which has to be estimated and started as a relief work. The above two works will benefit two villages Peddapur and Musalapur, which are badly affected.

As regards the opening of fair price shops, the Collector is already taking steps to open fair price shops for selling jawar and rice in the villages.

It is also not true that the Sarpanch and Upasarpanch of Parla village of Cheepurupalli taluk have been arrested. Strict instructions have been issued to the Revenue Subordinates not to collect land revenue and loans from persons eligible for remission in the drought affected areas of the district.

[Sri P. Narayana Reddy in the Chair]

Study the Budget scheme in the context of the demands for the year. The Budget scheme must be comprehensive enough to meet the demands. The specific example given is the House sites budget of 15 crores of rupees only for house sites. The public health budget is 2,97,60,100 rupees only for education. The biggest item is the public health and public health figures are big. The education budget is only for education. “Harijans cause is like fire. The present Government wants to shift the responsibility to the Zilla Parishads and the Zilla Parishads want to shift the responsibility to Panchayat Samithis in which there is no safety to Harijan welfare at all. Harijan Welfare is not safe in the hands of the Panchayathi Raj. Penchayathi Raj is for old Rajas but it is not in the hands of real workers of our society.

P. W. D. Jothi, Secretary, appended the following remarks:

The year 1966-67 has been a significant one in the development of the scheduled castes in Kerala. The Tamil Nadu Government has taken several steps to improve the education, health, and welfare of the scheduled castes. The government has also allocated more funds for the development of scheduled castes in the coming year.

Mr. Luker and two members of the Committee Mr. A. D. Pande, Joint Secretary, Ministry of home and Sri N. Sundaram, Director of Backward Classes in the Ministry of Social Security, arrived here today for two days' study of the situation in Kerala where there are 50 to 60 Scheduled Castes.

What is the criteria you are going to adopt? Untouchability is not the criterion.

Sir, is there a criterion? — untouchability is not the criterion any longer?
Therefore, untouchability is not the criterion. There are so many aspects; general backwardness ideology can be included in the Scheduled Castes and Scheduled Tribes.

In 1938 there were only two communities, depressed classes and forward communities. In 1938 there were only two communities, depressed classes and forward communities. In East Godavari, Krishna and Guntur, fishermen community will be treated as scheduled caste.

NOTE ON DEMAND XXVIII—WELFARE OF SCHEDULED TRIBES, CASTES, ETC., 1966-67.

DEMAND XXVIII—WELFARE OF SCHEDULED TRIBES, CASTES AND OTHER BACKWARD CLASSES.

Smt. T N Sadalakshmi:—

Mr. Speaker:—Sir.

It is my privilege to move the Budget Demand of Rs. 4,80,68,500 for the Welfare of Scheduled Tribes, Scheduled Castes and other Backward Classes, etc., as against Rs. 4,39,39,100 provided for the year 1965-66.

I am happy to say that the Budget of the Social Welfare Department which was only Rs. 1,78,48,800 in 1957-58 has to-day reached a figure of Rs 4,80,68,500. In addition to this an amount of Rs. 1,17,72,100 relating to communications, Old Age Pensions and Beggar Homes relating to Social Welfare Department has been provided under other Demands, viz., No. XXXII, XXXIV and XXVII.

The following are the schemes undertaken by the Social Welfare Department for the Welfare of the Scheduled Tribes Castes and Economically Backward Classes and to improve their Social and Economic conditions.

WELFARE OF SCHEDULED TRIBES.

With a view to improve the economic condition of the Scheduled Tribes and to develop the Tribal areas, a sum of Rs. 110.75 lakhs (Rs 65.86 lakhs Plan + Rs. 44.89 lakhs Normal) was provided during 1965-66. The provision for 1966-67 is Rs. 80.58 lakhs (Rs. 31.66 lakhs Plan + Rs. 48.92 lakhs Normal). There is a reduction in the allotment for 1966-67. This is due to the fact that the year 1965-66 being the last year of the Third Plan, the balances left out in the total plan ceiling were provided. Further more the amounts provided for 1966-67 are not the proportionate allotments of Fourth Plan provision, but ad hoc plan provisions for 1966-67 only.

The following special schemes are being implemented for the Welfare of Scheduled Tribes for the year 1966-67.

EDUCATION.

In 1965-66, 5 Ashram schools, 57 Midday Meal Centres and 14 Hostels were maintained in addition to the sanction of Pre-Matric Residential scholarships and supply of books, slates and
clothing to tribal children studying in Primary Schools at the rate of Rs. 20 per head at a cost of Rs. 3.85 lakhs. An amount of Rs. 2.35 lakhs has been provided as committed expenditure under Non-Plan for 1966-67 for maintaining 3 Ashram Schools, 5 Hostels and 27 Midday Meal Centres for Telangana and for supply of books, slates and clothing and award of Pre-Matric residential scholarships.

During the year 1966-67 it has been proposed to open 6 Ashram schools, 26 Midday Meal Centres and 4 Hostels and to provide educational requirements to 1,000 tribal children and award of Pre-Matric residential scholarships under Grant-in-aid programme at an estimated cost of Rs. 3.00 lakhs.

In addition it has been proposed to utilise an amount of Rs. 1.26 lakhs under Central Sector during 1966-67 towards award of Government of India Scholarships for Post-Matriculation studies (Rs. 73,000) and for opening of Hostels exclusively for girl boarders with a cost of Rs. 53,000.

**Cottage Industries.**

A sum of Rs. 1.30 lakhs has been provided in the year 1965-66 for running of the Training-cum-Production Centres in Fibre Industry and Carpentry, Mat Weaving Centres and development of Sericulture. An amount of Rs. 1.09 lakhs has been provided as committed expenditure under Non-Plan for 1966-67 for continuing these centres.

**Communications.**

One of the important problems of the Scheduled Tribes is lack of proper communications for marketing their produce to shandies or weekly markets or to the plains with comfort and ease. An amount of Rs. 34.05 lakhs has been provided for the year 1965-66. During 1966-67 a sum of Rs. 17.00 lakhs has been proposed under the scheme “COMMUNICATIONS”. The reduced allotment for 1966-67 is in view of the limited allotment on an ad hoc basis for State Plan of 1966-67.

**Coffee Plantation.**

This scheme was started in Visakhapatnam agency under Centrally Sponsored Programme on full grant basis during Second Plan period. This scheme was continued as a state scheme during Third Plan. A sum of Rs. 3.02 lakhs was provided during 1965-66 for the maintenance of the Plantation already raised. In the Fourth Plan the amounts required for the Coffee Plantation Scheme will be met by the Forest Department from its regular budget. Hence this scheme was deleted during 1966-67 under Tribal Welfare Budget.
Appendix—Note on Demand XXVIII—Welfare of Scheduled Tribes, Castes, Etc.
