ORAL ANSWERS TO QUESTIONS.

HYDROGRAPHIC SURVEY OF THE CHRONICALLY FAMINE AFFECTED TALUKS OF THE STATE.

862—

* 1003 Q.—Sarvasri D. Seetharamaiah (Madanapalli), P. Rajagopala Naidu (Tavanampalli), C. D. Naidu (Chittoor) and Ramachandra Rao Deshpande (Narayanakhed):—Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government propose to institute Hydrographic survey of the Chronically affected taluk of the State to find out the levels of the underground water;

(b) whether the Government have any machinery for conducting the above; and

(c) if not, whether they propose to secure one such unit?

The Minister for Revenue (Sri N. Ramachandra Reddy):—(a), (b) and (c) The matter is under consideration.

[295].

101/3—1
Sri D. Seetharamayya:—Have they got sufficient machinery for that? What are the efforts the Government is going to make.

Sri N. Ramachandra Reddy:—There is one Superintendent of Geological Survey, Government of India who is conducting the surveys.

Sri P. Rajagopal Naidu:—Already some survey has been conducted in Chittoor and Medak some time ago. What are the results?

Sri N. Ramachandra Reddy:—That is a general survey. Intensive survey is being conducted in Anantapur and Nalgonda.

Sri P. Rajagopal Naidu:—What are the results?

Sri N. Ramachandra Reddy:—The general report is that open mouth wells can be dug in Telangana and Rayalaseema but bore wells are not successful in those areas because the soil is rocky. About 35,000 sq. kilometres in Anantapur and 3,000 sq. kilometres in Nalgonda part of Devarakonda block were covered.

Sri N. Ramachandra Reddy:—There are different kinds of wells. That is the conclusion, bore wells and pump sets, the filter point and the open mouth-well. We have to differentiate what type of well will be successful in that particular place. This is the conclusion of a layman that bore well also is successful in a rocky area. It may be successful in some cases. That is the report given by the Geological Survey of India.
position. That is why Nalgonda and Anantapur districts have been taken up in the first instance. Four or 5 taluks in Anantapur have been examined as also Devarkonda taluk in Nalgonda district.

Sri N. Ramachandra Reddy:—A map also is enclosed to show as to where a survey has been conducted and as to where it will be successful. I have already given the extent. For example in Uravakonda, he has not shown that it will be successful. In Anantapur he has located some spots where it will be successful. Even the Government of Andhra Pradesh is also considering whether it is possible to start as it existed in the erstwhile Hyderabad State a Well-sinking Department. It is also under the consideration whether to start a Well-sinking Department and start excavation of wells.

Sri N. Ramachandra Reddy:—I am not in a position to answer because general surveys are being conducted here and there. Intensive survey has been taken up in two districts. Even in those places quantitative assessment has also to be made and yield tests have to be made. One officer will be able to cover up 2,000 sq. miles. All these difficulties are being encountered. Pump sets are necessary to draw out water and experiment. Yield tests have also to be conducted. It is more useful.
That is a very difficult matter. I have not got the villagewise information.

Generally they are submitting their reports to the Director of Agriculture.

Bore survey area. Open mouth wells ground level sheet rock blast. Expenditure 29,000. Water diviners experiment work 40.000.
Sri N. Ramachandra Reddy:—If the particular area and the report also is favourable, certainly the Government will examine and take up. A report has been obtained from Maharashtra. So we have to consider whether a Well-sinking Department can be had in our State to undertake excavation of wells.

FAILURE OF DRY CROPS IN THE VISAKHAPATNAM DISTRICT.

863—

*1639 Q.—Sarvasri K. Appala Naidu (Revidi), G. Suryanarayana (Ramathirtham) and B. Sriramamurthy (Vizianagaram):—Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government are in receipt of any report from the District Collector regarding the total failure of dry crops in Visakhapatnam district because of drought conditions during this year;
(b) if so, the facilities contemplated for the ryots of the affected areas; and

(c) the total extent of lands and number of villages in which the crops have been affected in the district according to the Government estimates?

Sri N. Ramachandra Reddy:—(a) The Collector has reported that most of the dry crops in the district have been affected due to drought conditions.

(b) An amount of Rs. 7.20 lakhs has been allotted to the district for distribution of tappavi and fodder loans and execution of relief works, etc.

(c) Area in which dry crops have been affected is 3,33,068 acres. Number of villages affected 566 villages.

Sri N. Ramachandra Reddy:—I do not have the break up of the figures.

Sri S. V. Reddy:—Drought affected areas are declare

Sri N. Ramachandra Reddy:—I have already stated a number of times about the ordinary remission rules and special remission rules. Whenever drought conditions exist, special remission rules are applied and full remission will be given and in other cases half remission will be given. If an agriculturist receives more than 6 annas crop he will not be entitled to any remission even if it is a drought affected area.
Famine Relief Boards — Amounts allotted, temporary relief and permanent relief. Board Members — if not followed, it will be considered.

Sri N. Ramachandra Reddy: — If it is not followed, complaints according to rules should be applied. West Godavari District — whether for grazing purpose or any other purpose. Exact reports should be furnished. Individual cases of drought area: whether that individual case deserves consideration or not we will have to examine and azmoish has to be done at various levels.
From a ryot who is not eligible in that area, certainly land revenue will be collected from him.

Area-wise remissions are not given. Individual remission is being given even in drought-affected areas, but the scale will be different in drought-affected areas. In non-drought affected areas, there is no remission for dry lands but in drought-affected areas there is remission even for dry lands. The scale is different for drought-affected and non-drought affected areas even for wet lands.

The same point has been raised by hon. Member Poola Subbiah. If the instructions are not specific, certainly instructions will be issued. There is some justification in the point that has been raised.
Sri N. Ramachandra Reddy:—There is some justification in the point that has been raised. I am admitting. Consequently, on that basis, instructions will be issued.

Sri N. Ramachandra Reddy:—This aspect was also discussed and already instructions are there. If in some places it is not being followed, further instructions will be issued. But further instruction on that point is not necessary because categorically and specifically instructions have been issued to all the Collectors on the point raised by the hon. Member.

Breaches to Raju Cheruvu in Bhimli Village.

864—

1641 Q.—Sri K. Appala Naidu (Put by Sri Venkata Reddy):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government are aware of the breaches that occurred 30 years ago to Raju Cheruvu, the principal source for the lands in Bhimli village, Sringavarapukota taluk, Visakhapatnam district;

(b) whether estimates for the repair of the said tank have been prepared;

(c) if so, the estimated expenditure therefor; and

(d) when the said work will be taken up?
The Minister for Irrigation and Agriculture (Sri A. C. Subba Reddy):—

(a) It is not known when exactly the breaches occurred to the Raju tank of Bhimli village, as the village was not taken over by Government till January 1965.

(b) The estimate for restoration of the source is under preparation.

(c) Approximately Rs. 1.00 lakhs.

(d) The work can be taken up only after the proposal is finalised and sanctioned by the competent authority.

Sri A. C. Subba Reddy:—Restoration, if I remember right, is being done by the Public Works Department of any tank in zamindan areas. After restoration, it is handed over to the zilla parishad.

BREACHES TO HEMADRI TANK.

865—

*669 Q.—Sarvasri A. Vasudeva Rao (Huzurnagar) and K. Rajamaliga (Chinnur):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that the bund of a tank, namely Hemadri Cheruvu situated in the Bechirag village of Gopalapuram near Thummalapalli village in Suryapet taluk, Nalgonda district was demolished by some unsocial elements during the years 1947 and 1948;

(b) is it a fact that a total ayacut of about 200 acres have been affected due to the same;

(c) is it a fact that inspite of making several representations for its restoration, no action has been taken so far for its repairs; and if so, the reasons therefor; and
Oral Answers to Questions

16th March 1966

(d) will the Government consider to restore the tank immediately?

Sri A. C. Subba Reddy:—(a) It was represented to Government in April 1963 that Hemadri tank was breached in 1947, by certain people.

(b) No, Sir.

(c) and (d): This scheme was dropped in 1961 as the restoration of the tank would have benefitted about 100 acres, while the compensation involved was to the tune of Rs. 79,700. However, in view of the representation of the ryots in 1963, the question of restoring the tank to its original F.T.L. is under consideration. The scheme is under investigation.

Sri A. C. Subba Reddy:—An extent of 28 acres came under submergence of the lower restored tank called Gundala Cheruvu.

Sri Tenneti Viswanatham:—An extent of 47-48 acres came under submergence of the lower restored tank called Gundala Cheruvu. 200 acres affected. How much is the area affected? Is there any compensation for the crop losses?

Sri A. C. Subba Reddy:—The extent of 28 acres came under submergence of the lower restored tank called Gundala Cheruvu. Submergence under this is about 139 acres. 96 acres of Government land and 48 acres of patta land—193 acres submerged.

Sri Tenneti Viswanatham:—I think it is worth local inspection.
Sri. N. Mohan Rao:—On a point of order Sir (ప్రగాంధకుడు)

I have again repeated it. His reference is that Communists in the old Hyderabad days have destroyed that

Air. Deputy Speaker:—What is it? His reference is that Communists in the old Hyderabad days have destroyed that?

Mr. Deputy Speaker:—What is it? His reference is that Communists in the old Hyderabad days have destroyed that.

Mr. Deputy Speaker:—He has not said unsocial elements.

Sri P. Subbiah:—The purport of the sentence is the same. I don't think.

Sri P Subbiah:—If that is not the case all right, but he says—

Mr. Deputy Speaker:—I don't think so.
ABANDONED TANK IN PONGUR.

866—

*Sri G. C. Kondiah (Nellore) — Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether an abandoned tank in Pongur village, Armakur taluk, Nellore district is being restored; and

(b) whether there is a patta land along with a well in the abandoned tank and the owner of the same put a petition to the concerned Department to fix compensation for him and pay it; if so, action taken on that?

Sri A C. Subba Reddy:—(a) Yes, Sir.

(b) Yes Sir, steps have been taken to acquire the land and the well and necessary compensation will be paid to the owner of the land after the completion of acquisition proceedings, which are in progress.

FUNDS FOR THE TARRE KALVA”.

867—

*Sri A. Ramachandra Reddy (Put by Sri N. Mohan Rao):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

...
(a) whether it is a fact that the ryots of Kalvapalli Bhongi
taluk, Nalgonda district have sent representations to the
Collector of the said district, Chairman of Zilla Parishad, H.M
for Irrigation, Executive Engineer (I.B.) on 28th January 1964,
for the sanction of funds for the repairs of “Parre Kalva”; and

(b) the action taken thereon?

Sri A C. Subba Reddy:—(a) The representation, dated 28th
January 1964 of the ryots of Kalvapalli village was received by the
Executive Engineer, Nalgonda. A similar representation was also
received by the Government. But the request made therein
was not for “repairs” for the existing source but for the con-
struction of a new “Parre Kalva”.

(b) The request was not considered as construction of a
new scheme may adversely affect the Musi Project.
Oral Answers to Questions

SURVEY OF IRRIGATION WORKS IN DEVERKONDA TALUK.

Ayacut lands in Srikakulam fed by tanks and water sources situated in the Orissa State.

869—

*1801 Q.—Sri P. Gunnavya [Put by Sri L. Lakshman Das. (Patapatnam)]:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that some ayacut lands situated in the borders of Orissa State in Srikakulam district are fed by the tanks and other water resources situated in Orissa State;

(b) if so, whether it is a fact that the Orissa Government has failed to repair these tanks consequent to which crops in the said lands are put to loss; and

(c) if so, whether the Government will take steps to repair the said tanks and water resources?

Sri A. C. Subba Reddy:—(a) Yes, Sir.

(b) Out of 34 schemes, 6 have been taken up for repairs by Orissa.

(c) Yes, Sir.
Oral Answers to Questions

BELLABATTI CHANNEL SCHEME, BARUA.

(a) whether the Government have carried out investigation of the Bellabatti Channel Scheme; Barua;

(b) if so, the amount of expenditure therefor;

(c) when the said work will be taken up; and

(d) the estimated cost of expenditure therefor?

Sri A. C. Subba Reddy:—(a) No, Sir.

(b), (c) and (d) Do not arise.
871—

*1806 Q.—Sr P. Gunnayya (Put by Sr L. Lakshman Das):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government have investigated about (i) Gopalasagaram reservoir and (2) Damodarsagar reservoir in Mandasa sub-taluk, Srikakulam district;

(b) if so, the estimated amount of expenditure therefor; and

(c) the extent of ayacut thereunder?

Sri A. C. Subba Reddy:—(a) Preliminary investigations have been conducted and detailed investigation is in progress.

(b) Rs. 1.70 lakhs and Rs. 4.20 lakhs respectively.

(c) 680 acres and 1,085.81 acres respectively according to the preliminary investigations.

872—

*200 Q.—Sr P. V. Ramana (Put by Sr P. Subbayya):—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) whether investigation was conducted in the Munagapaka village, Kasimkota Panchayat Samithi, Visakhapatnam district for Protected Water Supply Scheme;

(b) if so, what is the estimated amount: and

(c) when will it be started?

The Minister for Panchayati Raj (Dr. M. N. Lakshminarasaiah):—(a) Yes, Sir.

(b) The rough estimated cost of Protected Water Supply Scheme for Munagapaka village is Rs. 1.40 lakhs. The estimates are being finalised.
(c) The detailed estimate as soon as it is finalised will be sent to Ministry of Health, Government of India for technical clearance. On receipt of technical clearance, revised administrative sanction orders will be issued to put the work into execution.

Dr. M. N. Lakshminarsiah:—Probably we will take up next month.

(a) whether the survey was completed and estimates prepared for the Protected Water Supply Scheme at Chinnur Taluk Headquarters of Adilabad district;

(b) whether Technical sanction was accorded for the scheme; and

(c) if so, when the work will be commenced?

Dr. M. N. Lakshminarasayya:—(a) Yes.

(b) Not yet sanctioned.

(c) The work will be taken up for execution as soon as the technical sanction and revised administrative sanction are accorded.

PROTECTED WATER SUPPLY SCHEME TO NANDIKOTKUR.

874—

"1992 Q.—Sri P. V. Krishna Reddy (Nandikotkur):—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) whether protected water supply scheme has been sanctioned to Nandikotkur, Kurnool district, and if so, whether the same has been investigated; and

(b) what is the estimated cost of the scheme and when it will be taken up?

Dr. M. N. Lakshminarasayya:—(a) No, Sir.

(b) Does not arise.
— The procedure is this Sir, I will take up Sir.

**Protected Water Supply Scheme in Srikakulam district.**

875—

"1753 Q.—Sri P. Gummayya [Put by Sri Tenneti Viswanadham]:—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) the block-wise number of villages wherein Protected Water Supply Schemes have been started in Srikakulam district during 1964-65 and 1965-66 so far; and

(b) the expenditure incurred for the same?

Dr. M. N. Lakshminarsayya:—(a) During 1964-65 one Protected Water Supply Scheme at Tekkali in Tekkali Block was started. During 1965-66 Administrative sanction was accorded for taking up investigation of three Protected Water Supply Schemes at Amadalavalasa in Sanbujjili Block, Narasannapet in Narasannapet Block and Inchapuram in Ichapuram Block.

(b) An expenditure of Rs. 4,031.93 was incurred on Tekkali Protected Water Supply Scheme. No expenditure has been incurred on the other schemes.

Dr. M. N. Lakshminarsah:—The progress is very slow, rather very poor. Now it will go on.
Dr. M. N. Lakshminarasayya:—It is already started. So far 4,000 expenditure. It is a big scheme costing Rs. 4 lakhs and 50,000.

Dr. M. N. Lakshminarasaih:—We are taking it up, Sir.

Dr. M. N. Lakshminarasayya:—We are investigating. It is a big scheme costing Rs. 4 lakhs and 50,000. Water works maintain waste.
RURAL DRINKING WATER SCHEMES IN DRONACHALAM TALUK.

876—

(a) the names of the Rural Drinking Water Schemes taken up during the last three years in Dronachalam taluk, Kurnool district;

(b) the stage at which they stand now;

(c) when they will be completed?

(d) whether the Government are aware of the inconvenience being suffered by the public of 1. Channagondla, 2. Racherla, 3. Neradicherla, 4. Payasam Rangareddipalle, 5. Mamllapalle, 6. Koulapalla (Burugala Majara) villages of the said taluk for want of drinking water;

(e) whether the Government contemplate any scheme to provide drinking water in the said villages; and

(f) if so when will it be implemented?

Dr. M. N. Lakshminarayya: —(a), (b) and (c) 109 Rural Drinking Water wells were taken up since 1962-63 in Dronachalam taluk, Kurnool district. Out of the above 109 wells, 42 works have been completed and 67 works are under progress. A statement with the names of schemes with the estimated cost and stage of each work is placed on the Table of the House.

(d) All Rural Water Supply Schemes (Drinking water wells) are sanctioned by Panchayat Samithis in accordance with the priority lists prepared by the Executive Engineer, Zilla Parishad. The Standing Committee of the Panchayat Samithi is competent to sanction individual well works costing up to Rs. 20,000 on technically approved estimates and the Panchayat
Samithi is competent to sanction well works costing up to Rs. 50,000. All works costing more than Rs. 50,000 should have prior sanction of Government. Hence the Government are not aware of the inconvenience being suffered by the public of these 6 villages in Dronachalam taluk.

(e) All these 6 villages have been sanctioned well works for providing drinking water.

(f) The particulars relating to stage of each work and the probable date of completion are furnished in the statement placed on the Table of the House.
**STATEMENT PLACED ON THE TABLE OF THE HOUSE.**

Oral Answers to Questions.  16th March 1956  329

The Minister for Law (Sri P. V. Narasimha Rao):—(a) The answer is in the affirmative.
(b) and (c) The matter is under consideration.
(d) Does not arise in view of the answer to clauses (b) and (c).

Publication of Histories of Important Temples in the State.

877—

Q.—Sri P. O. Satyanarayana Raju (Kosigi):—Will the hon. Minister for Law and Prisons be pleased to state:
(a) whether the Government proposes to publish the histories of important temples in our State;
(b) the names of temples selected for writing histories;
(c) whether any staff has been appointed for the compilation of history; and
(d) when are the volumes likely to be published?

The Minister for Law (Sri P. V. Narasimha Rao):—(a) The answer is in the affirmative.
(b) and (c) The matter is under consideration.
(d) Does not arise in view of the answer to clauses (b) and (c).
Sri P. V. Narasimha Rao:—That is why, I said the matter is under consideration. We are preparing a list of temples whose histories and Sthala Mahatmayams are to be compiled. The list is still under preparation. Mantralayam mutt is not a temple. It is a religious institution and at the moment I cannot say whether it will be included. That will be seen later on.

Ranganayakula Temple, Nellore.

878—

(a) the inspection of the Ranganayakula temple in Nellore;
(b) the reasons for the said surprise inspection;
(c) the income of the said temple and the way in which it is being spent; and
(d) whether any falsification of accounts has been discovered during the surprise visit?

Sri P. V. Narasimha Rao:—(a) The answer is in the affirmative.

(b) To verify the accounts and know the affairs of the temple.

(c) The annual income for 1373 Fasli is Rs. 66,940. The amount is spent for ordinary expenditure of routine nature, i.e., on pay of establishment, taxes, law charges, books and stationery, pooja, Brahmotsavam, etc., and on capital works like repairs: improvements to buildings, etc.

(a) whether any panel has been submitted to the Government by the Collector and Sessions Judge for the appointment of Public Prosecutor in the Sessions Court, Warangal.

(b) if so, whether it is a fact that a different person other than those recommended by the said officers has been appointed for the said post; and

(c) if so, the reasons therefor?

“(b) Whether it is a fact that a different person other than those recommended by the said officers has been appointed” ṣṭవ ‘No’ రాస్తు.

“(c) If so the reasons therefor?” ṣṭవ ‘Does not arise’ రాస్తు.
Sr. P. V. Narasimha Rao:—In the first place it is not necessary for the Government to stick to the panel. We can appoint anybody even from outside the panel. Now having said that in this particular case since we have appointed persons from amongst the persons included in the panel itself I have no objection in reading the names in the panel, Sir. But the fact remains that it is not obligatory on the part of the Government to stick to the panel. The names sent in the panel are these:

Sr. V. Manohara Rao.
Sr. B. Kesava Reddy
Sr. V. Harinohana Rao.
Sr. P. Kesava Reddy.
Sr. P. Muutyunjava Rao, and
Sr. V. Rajeswara Rao.

These are the names sent in the panel.

Sr. P. V. Narasimha Rao:—Sir, I can place the G.O. on the Table of the House any time. There is no difficulty about that. We asked for some more names because we did not want to choose only from two members of the panel and appoint their choice. Therefore it is obvious that we have to call for further names. So further names were called. Another three names were sent.
Public prosecutor, Government Pleader is a young man, comparatively he is a young man.
P. P. G. P. appoint 22, 23 practice is a young man. Public Prosecutor. comparatively he is a young man. But he is a promising young man.

Sri P V Narasimha Rao:—Seven years.

Standing panel does not amount to any choice. Therefore we had to make a choice from a larger number of people or from a bigger panel. We asked for some more names. We did not specify how many names were to be sent by the Collector. We only said, send some more names so that we may choose from a larger number of persons. So he has sent again; including the earlier names he has sent six names. Of course he has not sent the name of the person who has refused to be there. So he has replaced that and sent six names in all. Out of those six we have appointed, Sir.

Sri P. V. Narasimha Rao:—Any number of districts I can cite, Sir. There are any number of districts where five names, six names are sent.

O. O Memo. G. O. Memo. 6 P. V. Narasimha Rao:—G. O. Memo. There are any number of districts where five names, six names are sent.

Sri P. V. Narasimha Rao:—In the G. O. there is nothing stated regarding the obligation on the part of the Government to appoint only from the panel. I am positive about it. They want the G. O. It can be placed on the Table of the House, Sir.

Sri P. V. Narasimha Rao:—So many supplementary questions G. O. already in the House? Sir, else.

Sri P. V. Narasimha Rao:—To appoint only from the panel. Sir, they do not require the names of people who have got good civil practice because we want to take G. P. from that. In Andhra, Sir, it is generally done, because the G. P. and P. P. are already separated. So at a time we get a panel either for the G. P. or for the P. P. If we get for both, naturally the number will go to ten, not six. So, bifurcation is a question Sir.
Mr. Deputy Speaker:—No question of calling......

Mr. Deputy Speaker:—He desires to re-open it again.

Sri Tenneti Viswanatham:—Yes. I am going to ask him about that.

Sri Pillalamare Venkateswarlu:—I am raising another point, Sir. That is the reply given by him. If you want you can refer to tape recorder G. O. If the panel decided that one person should be appointed and the pertinent point is that we appoint a person and if he accepts that, we accept his appointment and we advertise him as such, but that is not the same reply.

Sri P. V. Narasimha Rao:—He has not heard me, Sir. He has not been kind enough to hear me out. The only thing is, three names came. Out of that one man refused. We wanted to appoint two persons—one for G.P. and one for P.P. Since only two names were left if we wanted to appoint both of them it was no choice; we would have been criticised, we would have been condemned for having made a very wrong appointment, because only two names would be left in the panel and we would be appointing both. Where is the choice? We should choose from a larger number of people. That is why we called for further names, Sir.
Short Notice Questions and Answers. 16th March 1966. 351

Government suggest?

Sri P. V. Narasimha Rao:—We do not call for a specific number. 'A panel may be sent' and, as we are bifurcating the G.P. and P.P., as we have done in Telangana—the idea was that we should bifurcate here also. But when we found only three names, and out of those three names one has refused to serve—we called for some other names.

Sri P. Ramachandra Reddy:—Is there any G.O. by which the Sessions Judge must give a certificate to all the candidates stating the work which they have turned out in sessions trials, and appearing in the cases, the number of cases, etc. If so, whether the Sessions Judge has given certificates for all these five people. If so, what is the number of cases in which they have appeared in Sessions trials.

Sri P. V. Narasimha Rao:—Answer 36.

Sri P. Ramachandra Reddy:—Some of the indicators which help up in arriving at correct names.
Mr. Deputy Speaker:—There are demands, etc.

Mr. Deputy Speaker:—After that G.O. is received he may have some more questions to put.

Sri P. V. Narasimha Rao:—No, Sir. I am not prepared to place that thing on the Table of the House. It ultimately rests in the discretion of the Government. That I have made very clear in the beginning itself. I can place the G.O. on the Table of the House. Some information which they want I can also give to the House. But it is impossible for me to place all these things on the Table of the House because ultimately it rests with the discretion of the Government and this cannot be divulged.
Mr. Deputy Speaker:—All the four of them can decide themselves ....

Mr. Deputy Speaker:—Routine visits are made to the Secretariat office or at the Collector's office. The panel is sent to the District Judge. Generally, it does not come to the Minister or to the Chief Minister or to anybody. It is the Deputy Secretary or the Assistant Secretary who just looks at the date on which the present man's turn is going to end and, before one or two months, they will in routine ask the Collector to send a panel in consultation with the District Judge. At that stage, nobody knows what is going to happen because the matter does not come to the Minister. After the first panel is received it will be sent to the Minister. In cases of Telangana districts wherever we find there is need for bifurcation—it is not as though we are bifurcating all the districts everywhere, Sir as I have submitted Khammam and Mahabubnagar have been bifurcated already and Warangal has been now bifurcated. Other districts have not been bifurcated.

Mr. Deputy Speaker:—Supplementary question?
That is not a supplementary question, Sir. He is making allegations about the appointment made by the Government. He can very well do it. He has got full powers to do it; rights to do it - but only as a speech not as a supplementary.

Mr. Deputy Speaker:—As it is we have covered 15 minutes for this question only.

Sri Tenneti Viswanatham:—Sir, Short notice question is most important.

Mr. Deputy Speaker:—We have taken 15 minutes.

Sri Pillalamarri Venkateswarlu:—Let me make myself very plain. The short notice question was chosen, that has to be cleared. The choice was given to the Member of the Minister's choice. He must be given an opportunity. You have given him only one chance in a period of 15 minutes.

Mr. Deputy Speaker:—He has covered larger portions.

Sri Pillalamarri Venkateswarlu:—We are co-operating. He has an important question.

Mr. Deputy Speaker:—Let it be asked.

Sri T. K. R. Sarma:—That particular information must be with the Minister. It has not been put by any of the friends here. That is why I am trying to get that information.
Sri Tenneti Viswanatham.—The point asked was, when was the decision to bifurcate these two posts taken by the Government.

Sri P. V. Narasimha Rao:—That is what I am trying to explain Sir. Even before hearing me what is the point...........

Mr. Deputy Speaker:—For that he has a preamble. He is coming with so many preambles. Therefore the decision is not............

Sri P. V. Narasimha Rao:—I must also have my own preamble Sir, as I have already submitted............

Sri P. V. Narasimha Rao:—Answers to both the questions are in the affirmative.

Calling attention to matters of urgent Public importance:

re: long standing demands for bonus by the employees of the Government Distilleries.

Workers and staff of the Government Distilleries, especially in the factory of Hyderabad (State), are expressing their dissatisfaction and calling attention to matters of urgent importance: long standing demands for bonus by the employees of the Government Distilleries.

The Minister for Excise and Prohibition (Sri M. R. Appa Rao):—The Government Distilleries' Employees' Union has given a strike notice to the Manager, Government Distilleries, Hyderabad, on 16th February 1966 to the effect that the workers would go on strike from 2nd March 1966 if the following demands are not accepted:

1. Bonus.
2. Deleterious works allowance.
3. Interim relief.
4. Transfer of staff.

In their second notice, dated 1st March 1966, they have intimated to the Manager, Government Distilleries, Hyderabad about the postponement of the strike to 15th March 1966 making the following demands:

1. Bonus.
2. Deleterious allowance for all the employees.
3. Interim relief at Rs. 15 per mensem.
4. Transfer of staff.
5. Counting of service of the ministerial staff working in the Government Distilleries for seniority from the date of their appointment.

Sri G. Venkataswamy, President, Government Distilleries Employees' Union has also submitted a memorandum making various requests.

The position regarding the various demands of the Union is as follows:

In G.O Ms. No. 595, Revenue, dated 4th April 1964, orders were issued for payment of bonus to all the employees working in the Distilleries at Narayanaguda and Kamareddy except Gazetted Officers at the rate of one month's basic pay and D.A. per year from 1958 onwards. According to the above
orders, bonus was to be paid from the financial year 1958 but the distillery authorities by mistake claimed the bonus from the financial year 1957-58 and the amount was paid to the workers. This fact was brought to the notice of Government. Orders were issued for adjustment of the amount paid for 1957-58 from the amount due to them for later years. The Union have now represented that the proposed adjustment may be dropped. The Government have considered the waiver of recovery of bonus paid to workers for the year 1957-58 by mistake and they have now finally decided to waive it.

Deleterious workers' allowance: G.O. Ms. No. 43, dated 6th January 1958—Orders were issued that a sum of Rs. 6 per mensum be paid from 1st October 1957 in addition to the salaries to such of the employees of the distilleries whose salary is less than Rs. 106 per mensum subject to the condition that the total emoluments should not exceed Rs. 106 per month. The above increase was sanctioned for a period of two years in the first instance. The amount was subsequently ordered to be paid up to 31st December 1959. In G.O. Ms. No. 725, Revenue, dated 28th April 1965 sanction was accorded for the payment of deleterious allowance at the rate of Rs. 6 per mensum to all the workers at the Government Distilleries at Narayanaguda and Kamareddy with effect from 1st April 1964. It was, however, clarified that the ministerial staff working in the distilleries will not be eligible for the allowance. The Workers' Union have made representation making the following demands:—

(a) Deleterious allowance be paid for the period 1st October 1960 to 31st March 1964;
(b) Ministerial staff also be paid this allowance as the offices are situated in the premises of the factory;
(c) that the allowance may be paid during the leave period also.

Government do not propose to concede the demands.

Interim Relief:—The Union has demanded payment of extra D.A. of Rs. 15 per worker per month to meet the high prices of food commodities with the stipulation that the interim relief be adjusted against the final recommendation of the 1-man Pay Commission. Government are not agreeable to concede this request.

Transfer of Staff:—The Distilleries Employees' Union in their strike notice have pointed out that some jawans of the Excise Department who are posted at the factory and who are

The Union has requested that these personnel may be transferred. This is an administrative matter. If and when a case of harassment by individual Jawans is brought to the notice of the General Manager, he will attend to such cases.

Seniority:—In G.O. Ms. No. 1567, Revenue, dated 1st October 1964 orders were issued that the seniority of the persons working in the Government Distilleries be counted from 25th March 1964, the date on which the staff working in the distilleries were merged with that of the Excise Department. The Union’s demand is that the seniority of the employees be fixed with reference to the first appointment in the distilleries. The above demand and other requests of the Union are being examined separately.

Machinery is more for publicity than for constructive work. 1957-58 5 out of 55 crores 1.97 crores were allotted to backward classes. 1966-67 6 out of 173 crores we got 4.73 crores. 300% setback to proportional ratio of backward classes to 12%. The machinery for 90% reserved 50% for selected 50%. 9 communities were admitted to this scheme.

Restriction on eligibility and benefit according to various schemes of the State and Central Governments. The benefit in certain cases is restricted to the demand for grants. Cases of fraud and malpractice are investigated and steps are taken to discontinue such practices. The State Government has initiated steps to start a State-wide Scheme to ensure the start of advanced techniques in tanning industries. Tanning industries are following old techniques and facilities are being improved. Still they are following old techniques. Tanning is an old industry in the State and the industries are following old techniques and facilities are being improved. The State Government has initiated steps to start a State-wide Scheme to ensure the start of advanced techniques. Facilities are being improved.
